

Old Batteries Being Collected For Ambulance Service

A project has been started here by the Briscoe County Industrial Foundation which will benefit the Silverton Ambulance Service. The sum of \$2,000 is needed by the Ambulance Service to pay for the local share of the radio equipment to participate in the Panhandle Regional Emergency Medical network.

Anyone who has old batteries to donate may call Jerry Patton at the City Hall to have them picked up or take them to Silverton Auto Parts.

Lions To Have Broom Sale Here

Silverton Lions Club will conduct a sale of brooms and other items made at the Lighthouses for the Blind September 25 across the street from the Post Office.

This is your opportunity to buy quality blind-made goods, help the blind help themselves, and help put some money in the Lions Club treasury for community service projects.

Sp.4 EDDLEMAN IN

ANNUAL SERVICE PRACTICE

Schofield Barracks, Hawaii (AF TNC) Aug. 28—Army Specialist Four Charles E. Eddleman, 21, son of Mrs. Lucille Eddleman, Silverton, participated in annual service practice at the Pacific Missile Range on the island of Kauai.

Spec. Eddleman is a missile systems mechanic in the 62nd Air Defense Artillery, 25th Infantry Division.

The testing is designed to keep air defense units in constant operational readiness.

Ott Perkins had the misfortune of getting his hand caught in a V-belt at the Silverton Gin Friday morning, August 29. He underwent surgery on his hand and the placement of a pin in his index finger at St. Anthony's Hospital in Amarillo and was a patient there Friday and Saturday.

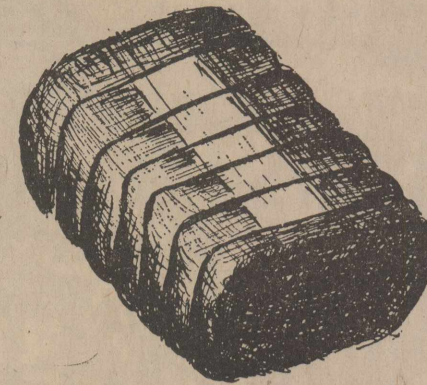

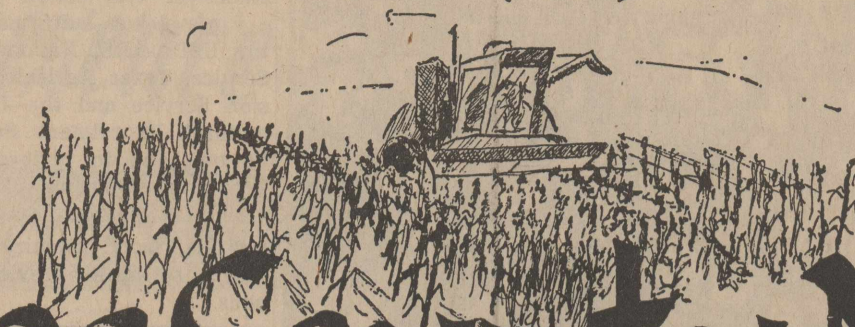

Mrs. Larry Jarrett was in Lubbock last Thursday to assist her daughter, Christi Northcutt, in moving into Chitwood Hall at Texas Tech University. She also visited with Julie Dickerson, another student from Silverton who is attending Texas Tech this fall.

Ted and Tim Wilson are students at Wayland Baptist College this fall.

Cindy Walker is a student at Hardin-Simmons University in Abilene and is a roommate of another Silverton student at H-SU, Nanette Fitzgerald.

Mrs. Barbara Pigg, Americanism Chairman, and Mrs. Darla Greenhaw, members of the L. O. A. Junior Study Club, display the picture of Andrew Briscoe, which hangs in the courthouse. The junior study club recently had the picture of the man for whom Briscoe County was named restored and repaired.

VOLUME 67 NUMBER 37

Owls Host Valley Patriots Friday Night

Brad Ziegler was overhauled from behind on one of his longest carries of the night last week against the Kress Kangaroos. Ziegler was one of the leading ground gainers for the Owls.

Silverton's varsity Owls will host the Valley Patriots at 8:00 p.m. Friday in the annual County Championship game. The Patriots are fresh off a 19-0 win over Chilli-cothe, and will be looking for their second shutout of the new season when they travel to Silverton. The Owls lost a 12-7 heart-breaker to the Kress Kangaroos last week after leading on the scoreboard most of the game.

Pep Rallies are being held from 10:30 until 10:55 a.m. each Friday, and the public is invited to attend. Guest cheerleaders this week will be three "cuties" you won't want to miss.

The Junior class will be serving a Hamburger Supper in the School Cafeteria from 5:30 until 7:30 p.m., and invite you to eat an all-beef hamburger with them before going to the game.

The Public School Music Department's Salute to the Bicentennial will be presented before the pre-game ceremony. The Second Grade will sing (on tape) two choruses of "America," under the direction of Ted Lanham.

The Owls had a little trouble keeping their opening kickoff in bounds to begin with Friday night, but after starting on the Kress-45, Dayne Mayfield recovered a Kress fumble for the Owls at midfield on third down. The Owls made a first down on runs by Tommy Lacy, Brad Ziegler and Randy Clay and picked up another first down on a 15-yard penalty against the Kangaroos for piling on. Silverton fumbled, Kress recovered on the Kangaroo-17, then Kress fumbled and Jack Robertson got it back for the Owls on the Kangaroo-15. After two unsuccessful downs and an incomplete pass, the Owls went into field-goal formation, out of which Quarterback Randy Clay fired a touchdown pass to Danny Perkins with 7:05 showing on the first quarter clock. Jack Robertson kicked the extra point, and the Owls held a 7-0 lead.

After a couple of offensive exchanges which saw the Owls keeping the Kangaroos near midfield, the Owls took a Kress punt on their own 30 and moved downfield on an unorthodox conduct call against the 'Roos. Runs by Ziegler, Lacy, Clay and Brent Bean moved the Owls through four first downs to the Kress-2, from where Silverton was not able to put the score across and this may have been one of the deciding factors of the game.

The first half ended on the interception of a Kress pass by Brent Brannon.

A couple of Owl passes were completed to Brent Bean during the third period of play, but there was no penetration by either team.

The Kangaroos opened the last stanza by mounting a drive that netted first downs on Silverton's 35, 25, 13, and an eight-yard touchdown run by Halfback Dobert Ontiveros with 8:53 remaining to be played in the game. The Kangaroos attempted to go for two, but their pass for extra points was incomplete, and the Owls still held a slim 7-6 lead.

Meanwhile the Owls' problems mounted, and with 7:20 still on the clock the locals punted to the Kress-43. After one first down, the Kangaroo Quarterback was back to pass, and with Jack Robertson all over him floated a short bloop-out to one of his receivers, who carried to the Silverton-10. The 'Roos carried the touchdown from the three-yard line on a run by

Fullback Eddie Gonzales. Halfback Kelly Durham tried but failed on a two-point conversion run with 4:42 still to be played.

The Owls had a little mixup in communications with the officials on the next series of downs, and gave up the ball on their own 15. Kress fumbled on first down and it was recovered by Brett Gill with 3:02 to be played. The Owls made a first down on a personal foul penalty, Quarterback Randy Clay was shaken up and came out of the game, and was replaced by Brent Brannon. (One of the Owl quarterbacks, David Strange, was unable to suit up for the game due to illness.) Brannon made a first down on a complete pass to Brent Bean with 1:11 remaining, but the game of catch-up was not one which the Owls were able to win, and the game ended with the score standing at 7-12.

The Owls made 12 first downs in the game as compared with 13 for the 'Roos. The Kangaroos were penalized 95 yards in the game, while the Owls saw 40 yards stepped off against them. Kress lost the ball via the fumble route three times, and the Owls fumbled it away once.

Seven State Park Names Approved By Commission

Seven new state parks on August 29 received their official names. The Texas Parks and Wildlife Commission gave approval in accordance with guidelines adopted in 1973 for naming state parks and park features.

Caprock Canyons State Park in Briscoe County was given this name because it is located on the Caprock escarpment and contains the upper canyons of the north and south forks of the Little Red River.

Guadalupe River State Park in Comal and Kendall counties is named for the river on which it is located, the most prominent natural geographic feature associated with it.

Lake Mineral Wells State Park in Palo Pinto County is so named for a predominant man-made resource. Since the park is located within the Western Cross Timbers vegetative area, the Fort Wolters portion of it will be known as the Cross Timbers Unit.

Bryan Beach State Recreation Area in Brazoria County is on a site which has had the name through long-established custom and which is recognized on U.S. G.S. and nautical maps.

Caddoan Mounds State Historic Site in Cherokee County is called after an accepted name for the prehistoric inhabitants and associated ceremonial mounds.

Landmark Inn State Historic Site in Castroville is the site of a well-known hotel and grist mill with this name which were established during the early state hood period.

Queen Isabella State Fishing Pier in Cameron County is a converted causeway that has long been named for Queen Isabella.

Cpl. Carlos Martinez is visiting his parents and friends in Silverton this week. He is to return to California to his Marine base Friday.

Senior Class Officers Are Elected Here

Elected to serve as officers for the Class of 1976 are Randy Clay, president; Jeanette Arnold, vice-president; Becky Francis, secretary; Kerri Arnold, treasurer; Suzette Fitzgerald, reporter; David Lewis and Susan Northcutt, parliamentarians.

Joe Montague underwent surgery at Central Plains Hospital in Plainview Thursday for repair of a broken hip. He had suffered a broken foot several days before, and this injury caused him to fall and break his hip. He was taken to the hospital by the Silverton Ambulance Service, which was manned by Dwain Henderson and Bill Boling.

Vending Machine Moved to Drug Store

Mrs. Lula Bellinger has announced that the Amarillo newspaper vending machine has been moved from the Post Office to Jack's Pharmacy.

BRANNON REUNION

The Brannon family met at Quartz Mountain State Park for their annual reunion September 5 through September 7. Forty were in attendance, including Mr. and Mrs. Seymour Brannon, Fred Brannon, Mr. and Mrs. T. V. McClure, Silverton; Mr. and Mrs. J. W. Brannon, Panhandle; Mr. and Mrs. Walter Brannon, Mr. and Mrs. Morris Degan and family, Quanah; Mr. and Mrs. Irvin Seymour and family, Turkey; Mr. and Mrs. Jim Templeton and Mr. and Mrs. John Norwood, Amherst; Mr. and Mrs. Roy Rose and W. E. Lackey, Iowa Park; Mrs. Tom Brannon, Mr. and Mrs. A. J. Brannon and Andrea, Mr. and Mrs. Charles Brannon, Vernon;

Also, Mrs. Roxie Herman, Mrs. Edna Carter, Ed Brannon and Troy Brannon, Fort Worth; Mr. and Mrs. Roy Brannon, Portales, New Mexico; Mac Templeton, Plainview.

Ken Wood is attending Clarendon College.

Mr. N. S. Jasper and his daughter, Naomi Dozier, of Gruver visited Dawn Jasper Monday afternoon.

Area I Young Farmers Hold Convention At Plainview

Silverton Young Farmers attended the Area I Convention in Plainview Saturday. The meeting was called to order by Calvin Shelton, Silverton, Area President, at 1:30 p.m. September 6.

Welcome was given by Woody Allen, president of the Hale County State Bank, who summarized the opportunities in Plainview and surrounding area.

Dan Gattis gave a report on the 1976 State Young Farmer Convention which will be held in Houston at Astro Hall.

Howard Smithson, State President from Dimmitt, also spoke about the State Convention and other matters.

Darrouzzett was given the pin for traveling the furthest to attend. Frenship and Silverton chapters tied for most members present, and Frenship won the toss of the coin. It was agreed that Spur chapter will sponsor a field day in their area at a later date.

In elections of new officers, Calvin Shelton, Silverton, is the Area I State Vice-President; Bobby Richey, Frenship, Area President; Don Moore, Dimmitt, Area Vice-President; Jim Barton, Area Secretary; Bruce Roots, Darrouzzett, Area Treasurer, and Kenny Chance, Ralls, Area Reporter.

Silverton door prize winners included Fred Minyard, toy tractor; G. W. Chappell, International cap; Jimmy Myers, winter cap; Fred Hill, air gauge; Calvin Shelton, five-gallon gas can; Wayne Stephens, crescent wrench; Tobe Riddell, one radial tire.

BANQUET AWARDS
Buster Terrell was presented the Area I Star Young Farmer Award. Don Davis, Frenship, was named outstanding associate member. Harry C. Bogusch, Spur, was named Outstanding Agri-businessman. Bobby Richey, Frenship, was named Outstanding Area Officer.

Outstanding Young Farmer Chapter Award went to Frenship. Outstanding New Chapter was Abernathy. Silverton Young Farmers received both the Newspaper and Magazine Public Relations Award and the Radio-Television Award.

Area winners will compete for state awards at the State Convention January 16-17, 1976, in Houston.

★ ★ ★
Fred Minyard, publicity chairman for the Silverton Young Farmers, displays the plaques the chapter won for newspaper and magazine publicity and for radio-television coverage during the past year. The awards were presented at the Area I Convention in Plainview Saturday.

ADULTS INVITED TO REGISTER FOR BASIC EDUCATION COURSE

Silverton Independent School District announces that registration for adult basic education classes will be held at 8:00 p.m. October 2, 1975, in the school auditorium.

Classes are open to all persons who want to work toward a G.E.D. Certificate. The G.E.D. Certificate is equivalent to a high school diploma and is awarded after the student passes the G.E.D. Test.

The classes will include work on every level from beginning reading, math, writing and speaking up to review and preparation for the G.E.D.

Students may enroll at whatever class level meets their needs.

Classes will meet for three hours one time a week from 7:00 until

10:00 p.m. The only cost is a \$6.00 building use fee.

Detailed information can be obtained by calling O. C. Rampley at the Silverton School, 823-2476.

FAMILY MEETING HELD IN GUADALUPE MOUNTAINS

Members of the Brown family met in the Guadalupe Mountains in the National Forest for several days of visiting and pleasure last week.

Those attending were Mr. and Mrs. J. L. Self, Jamie Frizzell, Mr. and Mrs. J. D. Nance, Mr. and Mrs. Clayton Wood, John, Tracy and Kelli Lois of Dell City, Mr. and Mrs. J. D. Boedeker of Plainview, and Jan Wood of Amherst.

JUNIOR VARSITY OWLS — 81—Glenn Kingery, 51—Mitchell Simpson, 71—Earl Jarrett, 61—James Alan Patton, 65—David Williams, 39—Chief Davidson, 72—Donald Thomas, 22—Greg Blair, 24—Johnny Ortega, 42—Dave Francis, 41—Rodney Bullock, 30—Doug McJimsey, 25—Bryan Burson, 31—Wayne Reed, 80—Kyle Bean, 64—Larry Stephens, 10—Kirk Durham, and Thomas Perkins.

Extra Point Failures Spell Defeat For Junior Varsity

Failure to convert their extra point possibilities cost the Junior Varsity the ballgame as they lost to Claude 22-18 in a game the Owls led most of the way.

The offense did a pretty good job, but it was the defense that

shone right from the start as they prevented the Mustangs from scoring from the Silverton-10 with 5:15 still to be played in the first quarter.

Silverton's first first-down of the game came on a face-mask violation against the Mustangs. The Owls were soon forced to punt, and the Mustang JV took over on their own 15-yard line. There Doug McJimsey intercepted a Claude pass and ran all the way for the first score for the Owls with 1:59 remaining in the first period. The extra point try failed, and the Owls held a 6-0 lead.

Claude was penalized on the kickoff for clipping, and began operations on their own 15. The defense held and forced a punt to the Claude-36. The Owl offense was a little ragged on this series of downs, fumbled on fourth down and the Mustangs took over at almost the same spot where they had given up the ball. The Owls gave up a first down via the pen-

alty route before Glenn Kingery recovered a Mustang fumble on the Silverton-20. Doug McJimsey carried another touchdown on first down, but the Owls were penalized on their extra point try and failed to convert the extra points. With 7:07 remaining in the second period, the Owls held a 12-0 lead.

After exchanging the ball a couple of times on punts, the Mustangs took over on their own 33, executed a complete pass, and were kept from making a touchdown by the second effort of Dave Francis who overtook the ball-carrier on the Silverton-25. Claude passed for their first touchdown of the game with 1:11 remaining in the first half, but their pass for extra points was incomplete and the Owl lead had been cut to 12-6.

In the second half, the Owls took possession on their own 29 after a Claude punt, and after failing to move the ball had a punt blocked. The Mustangs were in business on the Silverton-8, and moved in from the five-yard-line for another touchdown with 5:39 remaining in the third frame. They ran for two extra points, and led the Owls 14-12.

Doug McJimsey took the hand-off on first down on about the Silverton-32 and ran all the way, eluding would-be tacklers, for another Owl score with 5:17 still showing on the scoreboard clock in the third period. The Owls were again unable to convert their extra-point opportunity, and led 18-14.

Near the end of the third quarter, Claude punted to Silverton, the Owls fumbled and Claude recovered on the Owl-44. The Mustangs carried another score from nine yards out with :43 remaining on the clock, successfully added another two-point conversion, and

led 22-18. The Owl defense "did its thing" again with 6:12 remaining to be played in the game by holding the Mustangs and forcing a turn-over on the Silverton-17, but the defensive adjustments made by Claude at halftime completely shut down the Owl offense in the last quarter.

Each team made six first downs in the first half, but the second half belonged to the Mustangs as they made seven first downs and held the Owls to two. Quarterbacking chores were shared by Chief Davidson and Kirk Durham. In addition to the outstanding plays mentioned, fans also noted the praise-worthy efforts of Wayne Reed.

The Junior Varsity and Junior High Owls will be traveling to play the tough Matadors of Motley County School today. This will be the first game for the Junior High boys. Both teams will appreciate your attendance and support at these games which are scheduled to begin at 6:30 p.m.

Annual Field Day Stated At Halfway

Producers, agribusinessmen, agricultural experts and others will gather at The Experiment Station at Halfway Thursday, September 11 for the annual field day.

Featured in the afternoon event, says Eddie Holland, Briscoe County Extension Agent, will be a variety of crop research programs. A five-stop tour of research plots will give producers and other guests opportunities to review latest research developments in areas of weed control in corn, water conservation, sunflower production, greenbug resistant sorghum hybrids, crop rotation systems and a wide range of variety and insect studies.

Holland says that research at the Experiment Station at Halfway, located 14 miles west of Plainview on Highway 70, is tailored to the particular needs of crop producers on the South Plains, particularly those in corn,

Mr. and Mrs. R. N. McDaniel returned from Oklahoma City Wednesday, where they visited in the home of their daughter and family,

sunflower and cotton production. Professional staff members of the USDA-ARS, National Weather Service, Texas Agricultural Extension Service and the Texas Agricultural Experiment Station will be on hand to review latest research developments.

The event gets underway at 1:00 p.m. A farm machinery display will be set up for preview, Holland adds.

PUBLIC NOTICE

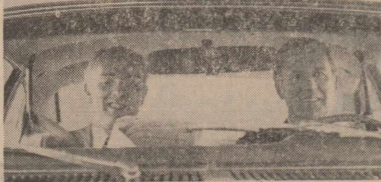

NOTICE OF INFORMAL PUBLIC MEETING TO CONSIDER IMPROVEMENTS OF STATE HIGHWAY 86, BRISCOE COUNTY

The State Department of Highways and Public Transportation is planning the improvement of a 9 mile section of State Highway 86, extending from the Swisher County Line to the West City Limit of Silverton, in Briscoe County.

An informal public meeting will be held in the courtroom of the Briscoe County Courthouse on Thursday, September 18, 1975, at 7:00 p.m., to discuss the need of improvement and the requirements for reconstruction of the above mentioned section of highway. All interested persons are urged to attend and express their views concerning the matter. Social, economic and environmental aspects of the project will be considered. Information about the State's Relocation Assistance Program, the benefits and services for displacees, and information concerning the relocation assistance office will be discussed.

Any questions concerning this informal meeting may be brought to the attention of State Department of Highways and Public Transportation District Office, P. O. Box 909, Childress, Texas 79201.

MRS. STEVE L. ROBISON

Hamilton - Robison Vows Exchanged In Dimmitt Church Ceremony

Miss Terry Sue Hamilton of Dimmitt and Steve L. Robison of Hereford exchanged marriage vows at 7:30 p.m. Saturday, September 6 at the First Baptist Church in Dimmitt.

The bride is the daughter of Mr. and Mrs. Freddie Hamilton, 725 Pine Street, Dimmitt, and the bridegroom is the son of Mr. and Mrs. Jimmie Robison, Route 5, Hereford.

Rev. John Street, pastor, officiated at the ceremony before two

ed on every fifth pew along the bridal aisle.

Given in marriage by her father, the bride wore a Juliet style gown by "Priscilla of Boston," made of silk organza with Alencon lace beaded in seed pearls and sprinkled in snowflake Venise lace. The moulded bodice featured a sheer yoke with pearls in a sunburst design with a high wedding band neckline that was etched in the beads and lace. Brief fitted sleeves repeated the beaded lace motif sprinkled in the snowflakes. The controlled A-line skirt fell in soft layers of the silk organza and was complemented by a Watteau train extending from the yoke of her gown and sweeping to reach chapel length. Her veiling was caught by a Juliet caplet with beaded lace flowers and drifted in twin panels that were sprinkled throughout in beaded lace flowers beyond her train.

She placed coins in her shoe bearing the birth date of the bridegroom (1955) and herself (1957) and added the traditional blue garter.

She carried a bouquet of white daisies, pink rosebuds, baby's breath, leather foliage, white streamers with daisies and love knots. Also worked into her bouquet was a lace and linen handkerchief carried by her mother on her wedding day. She also carried two long-stemmed pink roses which she presented to her mother and the bridegroom's mother.

Maid of honor was Miss Tammy Hamilton, Tulsa, cousin of the bride. Miss Debbie Murdock of Dimmitt was bridesmaid. Best man was Donnie Morgan of Hereford.

The bridesmaids wore formal gowns and pink and white checks, designed in princess style with square necklines, cape sleeves, white embroidered eyelet beading and pink satin ribbon. They placed baby's breath in their hair.

They carried nosegays of white daisies and pink rosebuds, satin streamers tied in love knots.

The groomsmen were Bruce Robison, Hereford, brother of the bridegroom. Guests were seated by Kenny Brown and Kim Sealy, both of Hereford.

Flower girl was Little Miss Kay Lynn Ford, Brownfield, daughter of Mr. and Mrs. Bill Ford. Candles were lighted by Miss Dene Ford, Brownfield, and Chris Sperry, Tulsa, also cousins of the bride.

The flower girl and feminine candle lighter wore dresses like those worn by the bridesmaids. The flower girl carried a basket of pink rosebuds and sprinkled pink ribbon cuttings.

Mrs. L. B. Garvin, jr. of Silverton was organist. Vocalists were Miss Danna Garvin and Tim Wilson, both of Silverton, who sang "We Love Each Other" and "Twelfth of Never."

A reception was held in the fellowship hall of the church immediately following the ceremony. The bride's table was covered with a pink satin and tulle cloth and was complete with crystal and silver appointments. Table decor included a candelabra holding three pink candles accented by greenery and pink and white checked bows. The three-tier wedding cake was separated by Roman columns with a miniature bride and groom in the center of the columns. The cake was topped with two doves on a blanket of pink roses and pink roses cascaded from all tiers of the cake which was served by Misses Beth and Ann Welch, both of Dimmitt. Punch was poured by Mrs. Kathy Morgan, Hereford, and Miss Kerry Broderson, Dimmitt.

Miss Brenda Robison, sister of the bridegroom, of Hereford, and Miss Kay Street, Dimmitt, presided at the guest registry on which was a large family Bible belonging to her Grandmother Hamilton, opened to her favorite passage, Ecclesiastes, Chapter 3, Verses one through eight, and lying on the open Bible were pink silk roses.

For their wedding trip to points in New Mexico, the bride traveled in a burgundy western suit with matching boots and the corsage lifted from her bouquet. The couple will be at home on Route 5, Hereford, where he is engaged in farming.

The bride graduated on August 8 from Lubbock Christian High School. The bridegroom is a 1974 graduate of Hereford High School.

After the reception, Miss Brenda Robison, the groom's sister, and Miss Kay Street distributed pink and white and green and white checked roses filled with rice to the guests with which to shower the bride and groom.

Pre-nuptial parties included a rehearsal dinner at K-Bobs in Hereford to honor the wedding party hosted by the groom's parents, Mr. and Mrs. Jimmie Robison.

We wish the Service Elevator all the success in the world.

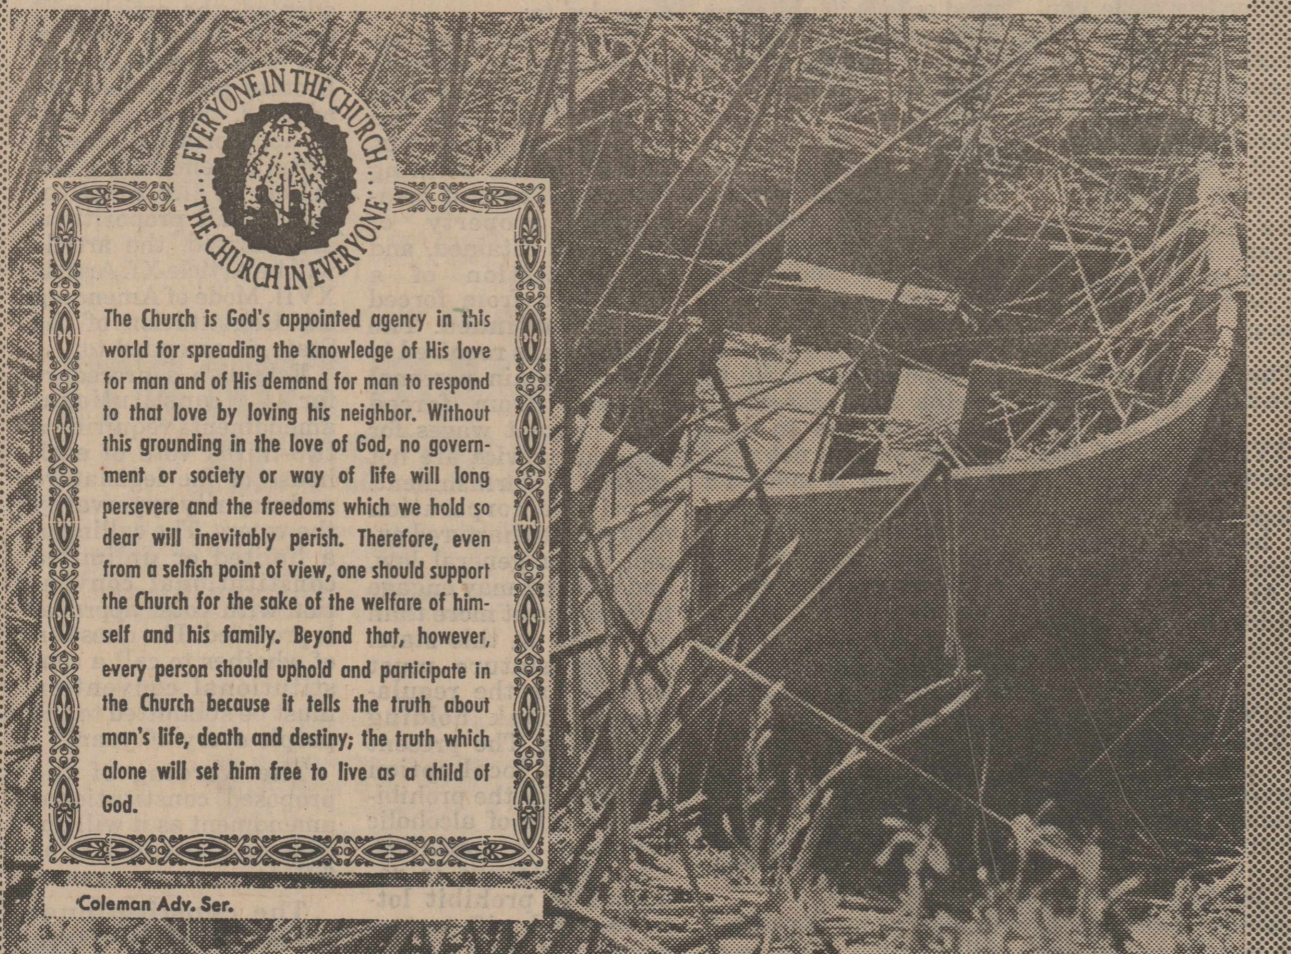

Thanks again for the business we have received.

STAR GRAIN COMPANY
TULIA, TEXAS

**BEACHED...
and forgotten!**

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

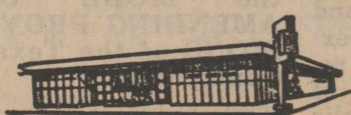

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

MR. AND MRS. PETE JUAREZ

Fabela - Juarez Vows Exchanged Here In Recent Church Ceremony

Miss Gloria Elena Fabela and Pete Juarez exchanged wedding vows in a single ring ceremony at 5:00 p.m. August 16 at the First Baptist Church in Silverton. Performing the ceremony was Rev. Glenn Godsey, pastor, First Mexican Baptist Church, Plainview.

Parents of the couple are Mr. and Mrs. E. A. Fabela and Mr. and Mrs. Henry Juarez, all of Silverton. Vows were exchanged before an altar decorated with an arch of branched candelabra bearing white tapers and interwoven with jade greenery. Blue bows and multi-color streamers accented the arrangement.

Escorted and given in marriage by her uncle, Florentino Patino, the bride wore a gown of Chantilly lace and bridal taffeta styled with empire waist and long sleeves terminating in self-fabric cuffs. A cathedral train of tiered Chantilly lace ruffles complemented the dress. The bride added a picture hat of sheer organza edged with matching lace and carried a cascade bouquet of pastel daisies, baby's breath and blue lace carnations and lace leaves surrounding a glamellia.

The couple took part in a memory candle ceremony which symbolized their leaving their separate lives and becoming one. The couple chose to kneel on a wrought-iron bench covered with a white rug.

Miss Frances Cerbantes of Silverton, aunt of the bridegroom, served as maid of honor. She wore a floor-length gown of silk-faced organza. A band of re-embroidered eyelet organza edged in lace defined the fitted bodice with scooped neckline. Its full sleeves were shirred to fitted cuffs. The skirt was tiered with crystal pleating ed-

ged with ruffles. She added a blue wide-brimmed hat and carried a colonial nosegay of daisies and gypsophilia tinted to match her dress. Bridesmaids were Miss Virginia McCoy, Lockney; Miss Jamie Asebedo and Mrs. Sylvia Asebedo, Seminole, cousins of the bridegroom; Miss Cynthia Galvan, Lorraine, and Miss Belinda Vera, Crosbyton, cousins of the bridegroom; Mrs. Odilia Cavazos, Lubbock, aunt of the bride; Mrs. Maria Valdez, Quitaque, and Mrs. Velma Medina, Crosbyton, cousins of the bridegroom. They wore dresses of blended rainbow hues. The simply-styled dresses were complemented with picture hats and they carried colonial nosegays which matched their dresses.

Hattie Gutzler, Bastrop, cousin of the bridegroom, was flower girl. She wore a baby blue dress, carried a basket of carnations and wore white ribbons in her hair.

Candles were lighted by Beatrice Ortega and Gloria Segura, both of Silverton.

Terry Juarez of Silverton served as ring bearer for his brother. Serving his brother as best man was Mike Juarez of Silverton.

Groomsmen were David McCoy, Lockney; David Valdez, Quitaque; Gene and Sam Asebedo, Seminole, cousins of the bridegroom; Johnny Ortega, Silverton; Gus Cavazos, Lubbock, uncle of the bride; Vincente Valdez, Quitaque and Sammy Medina, Crosbyton, cousin of the bridegroom.

Guests were seated by Chief Davidson, Clarence Ivory, Tommy Davis and Able Asebedo, a cousin of the bridegroom, all of Silverton.

Mrs. L. B. Garvin, organist, accompanied Miss Danna Garvin, soloist, who sang "Whither Thou Goest" and "We've Only Just Begun."

Both mothers of the couple wore blue dresses and added corsages of pastel daisies and carnations.

A reception was held following the ceremony in the church fellowship hall. The bride's table was covered with a white linen cloth borrowed from a friend of the family. The wedding cake was made in three tiers and was decorated with pastel-colored roses.

Mrs. Nelda Flores, cousin of the bridegroom, and Nora Galvan, the groom's aunt, served refreshments. Misses Susan Northcutt and Lee Ann McMurtry were circulating hostesses.

Miss Christi Northcutt secured the guests' names for the bride's book.

After a wedding trip to New Mexico, the couple is at home in Silverton where he is employed by Silverton Oil Company. The bride is a graduate of Silverton High School and of Southwest Business College in Plainview. The bridegroom completed his education at Crosbyton High School.

Mr. and Mrs. Henry Juarez hosted the rehearsal dinner Friday, August 15, at Mildred's City Cafe in Silverton.

Area Young Homemakers Convention Attended In Plainview Saturday

The Area Young Homemakers Convention was held at Wayland Baptist College in Plainview Saturday, and attending and representing the Silverton chapter were Linda Minyard, Fay Perkins, Lois Hill, June Herrington, Debbie Barbour, Chapter Advisor Kathy King and two guests, Betty Stephens and Veneta Chappell.

The morning session was a business meeting during which officers for 1975-76 were elected. June Herrington and Fay Perkins represented the local chapter as voting dele-

gates. Fay Perkins also won a door prize, a macrame plant hanger.

The afternoon session consisted of a Talent Show and Style Show based on the Bicentennial theme. Dr. Morris, chairman of the Plainview Bicentennial Committee, gave a speech on "What the Bicentennial Really Means Is Not 'BUY-Centennial'."

Entertainment at the banquet was by REVUE. Also present for the banquet was Tommie Blackerby.

SHERRY L. BRADEN

Graduates Medical Technology School

Sherry L. Braden, daughter of Mr. and Mrs. O. R. Stark, jr., of Quitaque, was one of the 25 students from the Department of Medical Technology graduated on August 22 at the Seventh Annual Commencement Exercises of The University of Texas School of Allied Health Sciences at The University of Texas Medical Branch at Galveston.

The graduates were awarded Bachelors of Science and Certificates of Proficiency in medical technology for successfully completing a 12-month professional curriculum.

As members of the health care team, medical technologists work side by side with pathologists and other physicians. They provide the diagnostic assistance demanded in modern patient care, performing various chemical, microscopic, bacteriologic and other medical laboratory procedures used by physicians in the diagnosis, study, treatment and prevention of diseases.

Mrs. Braden is a graduate of Quitaque High School and earned the B. S. degree in 1969 at Wayland Baptist College. Her areas of special interest include laboratory technician, photographer and piano.

September 15 Is Deadline for Entries

September 15 is the deadline for entries in the Miss Mackenzie Contest which will be staged by the L. O. A. Junior Study Club at 8:00 p.m. September 27 in the Silverton School Auditorium.

A Get-Acquainted Party will be held at 4:00 p.m. on the day of the contest for the participants.

The new Miss Mackenzie will succeed Miss Kathy Wilks of Tullia, who was the first Miss Mackenzie.

The rules for the contest are the same as last year, and entry forms may be picked by the contestant or her sponsoring organization at her high school or Chamber of Commerce. All of the girls in the contest must be between 16 and 18 years of age and must be attending school in Floydada, Lockney, Silverton or Tullia.

For further information, you may contact Mrs. Wayne Nance, 823-2496, Silverton, or Mrs. Gary Weeks, 668-2645, Tullia.

Lance Point May Help Determine If Comancheros Lived Near Quitaque

The discovery of a lance point of Spanish origin at the archaeological dig at the Merrell-Taylor site near Quitaque may help determine whether Comancheros once lived at the site.

Dr. Gwin Morris, executive director of the Llano Estacado Museum on the Wayland Baptist College campus in Plainview and chairman of Wayland's Division of Social Sciences, said that the ar-

chaeology crew has unearthed several "specimens" at the site in their efforts to determine the kind of people who once lived there.

"We hope that the discovery of the lance point specimen will help us determine whether there could have been Comancheros living at the Merrell-Taylor site," explained Morris. "The archaeology crew would like to find concrete evidence of a Comanchero culture at

the dig because archaeologists have never before excavated a known Comanchero site."

Morris added that the Comanchero, usually a mixture of New Mexican and Indian blood, existed primarily on the profit made from trading with the Plains Indians and rarely settled in one spot.

Under the direction of Eddie Guffee, the crew has made several discoveries that indicate that the inhabitants of the Merrell-Taylor site a hundred years ago were of a Spanish culture. The corner fireplaces found in the dugouts were of Spanish origin, and the broken trade pottery found on the slope

below the dugouts was of Taos Indian origin. The Spanish lance blade, however, has been the most convincing evidence that the Merrell-Taylor inhabitants, if not Comanchero, were at least of Mexican or Spanish origin.

The lance blade, approximately 19 inches in length, was found inside one of the dugouts, not far from the tunnel-like entry way. It is identical to a lance blade found at a Comanche burial site in 91, and is thus indicative of the type of trade item popular with the Plains Indian tribes. Guffee feels that the lance blade, definitely of Spanish origin, gives

New Birthday Calendars Available

The Community Birthday Calendars have arrived, and you may pick them up from Mrs. O. C.

evidence that the Merrell-Taylor inhabitants could very possibly have been Comancheros.

The archaeology crew plans to finish digging soon, at which time the artifacts found will be cleaned and classified and a final report made.

Rampley in the Business Department of Silverton High School.

If you placed your order and paid for your calendar before school closed in May, you were given a receipt at that time. If your order was taken by telephone during the summer, you will need to pay \$1.00 for your calendar plus 15c for each name or anniversary that you placed on it.

This is a project of the Future Business Leaders of America in an attempt to raise enough money

to air-condition the school library.

Your cooperation and support is appreciated.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11) SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the FINANCE PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976, except Article VIII, Section 2, Subsections (b) and (c), which becomes effective January 1, 1978, and Article VIII, Section 6, Subsection(c), which becomes

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

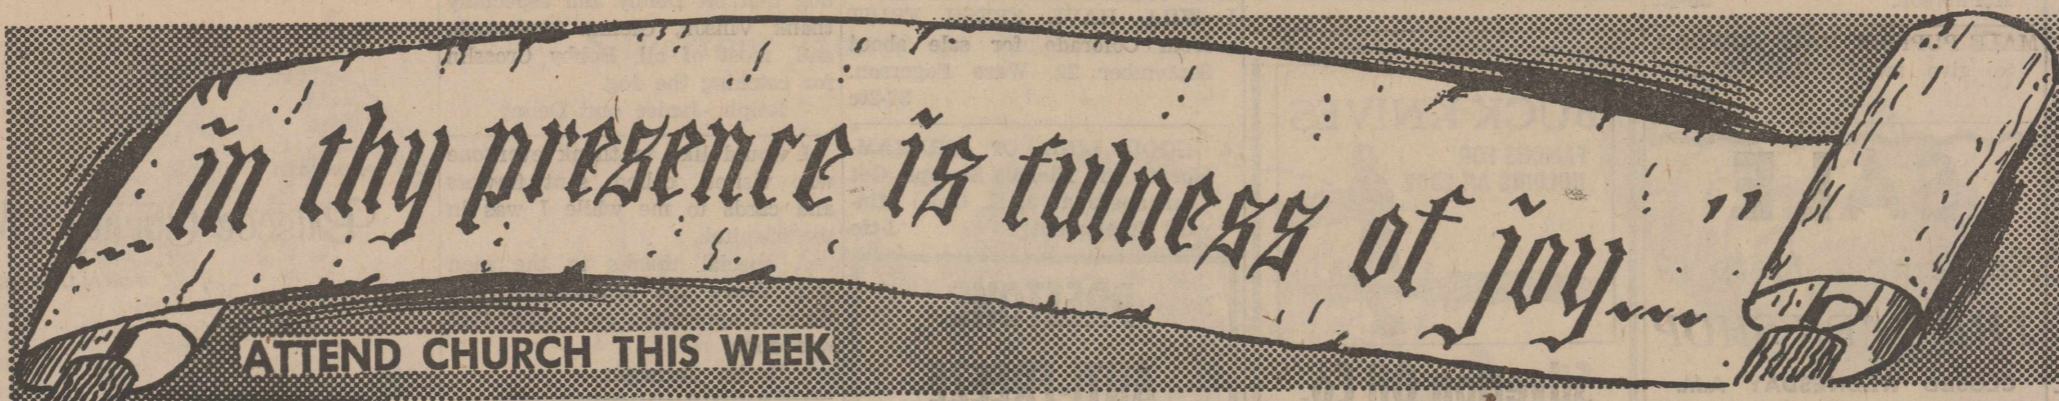

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

"YOU TOOK MY PICTURE... AND I WASN'T READY!"

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CARD OF THANKS

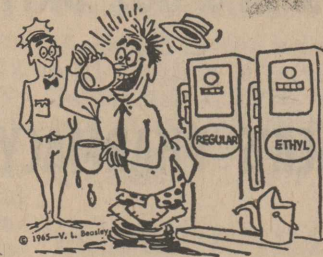

We would like to express our sincere thanks to all in Silvertown. The past month of August has proved to us that you of Silvertown really want the hotel to stay open, and we are going to try hard to please you. A very special "Thank You" to Pat for the rental of the property for our sign and to Leon for all your help and encouragement. There are many people we want to thank in this note but the number is large, so, THANK YOU ALL! Jeff and Cathy

by CARL WOODS

"By golly! there is a difference in gas!"

There's a difference, in service too!

CARL'S 66 SERVICE Best Service In Silvertown Phone 823-2445

We would like to thank everyone who helped in looking for the dog that bit Denny and especially thank Vinson, Glenna McGavock, and, most of all, Bobby Crosslin for catching the dog. Ralph, Janice and Denny

I would like to thank everyone who visited, called, sent flowers and cards to me while I was in the hospital. A special thanks to the men who drove the ambulance both times. I appreciate everything that was done. Marlin Jarnagin

BID NOTICE

The Mackenzie Municipal Water Authority will receive bids for construction of an office and residence facility on its property in Briscoe County, Texas. Sealed proposals addressed to Mackenzie Municipal Water Authority, 116 South Maxwell Street, Tulla, Texas 79083, for the office and residence facility will be received at the above office until 2:00 p.m. September 23, 1975, at which time the proposals will be publicly opened and read aloud. Any bid received after closing time will be returned unopened.

Copies of the plans and specifications for such construction are on file at the office of the Authority.

Mackenzie Municipal Water Authority reserves the right to reject any and all bids, to waive formalities, and in case of ambiguity or lack of clearness in stating proposals, to adopt such interpretations as may be most advantageous. No bid may be withdrawn until the expiration of thirty days from the date bids are opened. /s/ LON M. DAVIS, JR. President 37-2tc

STATEMENT OF NONDISCRIMINATION September, 1975

Swisher Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization. Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

SILVERTOWN, TEXAS "FOR ALL YOUR PRINTING NEEDS"

A Land Bank loan at work

Both pasture land and crop land qualify for a Federal Land Bank loan if properly managed. Remember that the Land Bank Association located right in your area is familiar with local conditions and local needs—and will do everything possible to provide a long-term loan at reasonable cost.

Refinancing could produce this year's most important "cash crop."
