Dear Charlotte.

Have you heard the TV insurance commercial which starts, "This is the foot that kicked the skate . . ." We get a bang out of it and have come up with one that fits our house.
 This is the foot of a boy who touched the floor, that walked to the hip-huggers and the paisley shirt, that skipped two steps of the stairs, that rushed to a breakfast of pancakes, that hurried to the Junior High door, that shuffled to reading and English classes, that lagged to arithmetic, that flew home for fried chicken at lunch, that left again in 10 minutes, that ran relays in PE, that slowly moved toward geography, then study hall, and spelling, that dashed out of the building at 3:35, that kicked the screen door of the kitchen, that leaped toward the cabinet for a package of cookies and three jelly sandwiches, and hurried to the back yard, that kicked a football for an hour, that found six mud puddles to go through, that pedalled a bike to the drug store for a banana split, a cherry coke, and potato chips, that pumped the bicycle back to the same house, that halted in the kitchen as the question was asked, "What did you do today, honey?" —that vaulted up the stairs as the boy answered, "Nothing much; what's for supper, Mom? I'm starved!"

With love,

Microwave Cooking Is Club Topic Here

A demonstration on "Microwave Cooking" was given by Xie Collins from Lubbock, who is with the Home Service Department of Southwestern Public Service Company. She cooked a complete meal within minutes and members of Southwestern Home Demonstration Club and five guests were served the meal during the refreshment hour.

The John Francis home was the designated place for this instructive meeting on Thursday, September 25 at 1:30 p.m.
 In the absence of the president, Mrs. J. D. Nance who was attending the state meeting, Mrs. Elton Cantwell, vice-president, had charge of the business meeting.
 Mrs. John Francis read a devotional poem and led the group in a "Clothespin" Game.
 Two new members, Mrs. Berton Hughes and Mrs. C. O. Allard, were welcomed into the club.

- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.
- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.

Other Chevrolet values for 1976.

Vega

Built to take it. Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine

performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.

Impala

One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series

includes the new value of the thrifty Impala S—Chevrolet's lowest priced full-size car.

Nova/Concours

America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And

Concours, the brand-new model featured here, is our highly practical approach to compact luxury.

Chevelle

Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size

economies, plus room for the average family, makes Chevelle a size whose time has come.

There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons—something for everyone in 1976.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.,

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel—excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to *be still* and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "Commune with your own heart upon your bed and be still." Psalm 4:4. God says in Psalms 46:10 "Be still and know that I am God."

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.
