## Good Number Turn Out For Tuesday's Election

There are presently 1271 citizens registered to vote in Briscoe County, and many of these are no longer residing here. ### Owls Travel To Shamrock Friday

The varsity Owls will be on the road to Shamrock Friday night to test the Irish at 7:30 p.m. The troops continue to be in anything but good condition, but did play hard against the Memphis Cyclone here last Friday night and allowed them to score a lower point total than some of the larger District 2-A schools have been doing. Several of the Cyclone scores came on long runs of 50 and 60 yards and another was set up by a pass interception which was carried 50 yards. The Cyclone scored once in the first quarter, with 3:52 remaining on the clock and once in the second quarter at 7:44, to take a 15-point lead to the dressing room at half time. Gary Younger stopped another Memphis drive with 1:45 remaining in the first half by recovering a Cyclone fumble. The Memphis crew scored twice in the third period and again with 3:47 remaining in the game to win 34-0. Brent Brannon and Jack Robertson alternated at quarterback for the Owls. The Owls certainly do need your support at their two remaining games.

The Bloodmobile from Coffee Memorial in Amarillo will be at the City Hall in Silverton from 4:00 until 6:00 p.m. Tuesday, November 18 to take blood donations and to renew Blood Plan insurance policies.

Happiness is hearing a kind word from your brother when Mama doesn't make him.

Happiness is watching your favorite team win by one point when you just knew they were beaten.

Happiness is finding an extra pound of coffee on the pantry shelf at 6 a.m. when the canister is empty.

Happiness is celebrating a 16th birthday with your son on a September Sunday with just family.

Happiness is getting a driver's license at 16 and going to the Dairy Malt all by yourself.

## SURE HANDS OF THE SURGEON

A child walks... an arm is straightened... a growth is removed... these and many other things are the result of the fine work of the surgeon. This is an occupation and a labor worthy of appreciation.

A star... a new born baby... the world itself... these and many other things reveal God to us. "The heavens declare the glory of God; and the firmament sheweth his handywork."

Psalm 19, 1

God has wrought a great work. Let us show our love and appreciation by worshipping him in Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Refreshments were served by the hostesses, Mrs. E. A. Birdwell, Mrs. Jack Sutton and Mrs. Troy Jones, from a table covered with a hand-drawn ecru cloth.
