Home Alone

Like the little boy in the movie "Home Alone" sometimes getting what you wish for just isn't quite as much fun as we think it is going to be.

The one small, bright spot in having my second knee replacement was, (I thought) the chance to have a little time to myself. You know, that precious time most of us simply don't have where we can get caught up on some reading, mending, some craft project there never seems time to do.

So, after the first few days of feeling so bad I would have had to make substantial improvement to die, I was all ready for some alone time.

My husband strapped me into the CPM machine, which slowly flexes the leg back and forth, back and forth, then took off for work. Somehow, the joy of having uninterrupted reading time was tempered by the fact the only way to read was by holding the book up above my face, since I was flat on my back. Even getting a drink form a glass of iced tea was a clumsy, uncomfortable ordeal. After my machine time my sister-in-law Mary came and got me unstrapped from the torture machine. Then she had to go back to work. More alone time. Painting my special Christmas ornaments wasn't possible, I can't sit up long enough to get a straight shot at them. Embroidery was much the same, about half an hour and I was worn out from the uncomfortable way I had to sit. I crawled back into bed and settled down with a book. After about 4 hours of reading I was heartily sick of it! I don't watch TV much in the evenings, and I can't believe what's on daytime TV!

I discovered that being home alone and having fun means being home alone and healthy! Not being able to sit on the porch and watch the hummingbirds, wander for the kitchen with a snack, stroll out to the wash room to play with Teddy, my latest cast off kitten makes being alone no fun at all. What it translates to is that it isn't any fun to be alone unless one is also self sufficient, not helpless!

When Thomas came home late that night from work I was sooo glad to have some company. When he left to repeat the next day's work schedule I hated for him to go. Each day someone appears to take me from my exercise machine, throw me a sandwich and then rushes back to work. It complicates their life worse than mine, too.

But, I don't particularly like being home alone this way. What I really can't figure out, though, is how, since it's only been five months since the first knee surgery, I could possibly have forgotten how lonely, frustrated and left out I felt!

Like I say, I need to be careful what I wish for. I have it. I can't wait to get back to work!

SAMMY ANDREWS, owner of Dodge Bodacious, displays the bronze statue of bronc riding legend Casey Tibbs that "Bo" received upon his induction into the ProRodeo Hall of Fame on August 14 in Colorado Springs, Colorado. Other awards that Bo has gathered for the Andrews Rodeo Company, including the 1994 and 1995 PRCA Bucking Bull of the Year honors and the PBR Bull of the Year awards, can be seen behind Andrews. Bodacious has put his home in Addielou on the map, as evidenced by the number of tourists who drop by the ranch to get a glimpse of a rodeo champion. (Staff Photo)

CAPTAINS-for the Rivercrest Varsity Rebel football team this season and Head Coach are, from left, Cody Wolfe, Scotty Goodwin, Coach Keith Brown, Coleman Brown and Craig Eudy. (Staff Photo Nancy Brown)

It's Time For Football!!

BEAUTIFUL SCENERY-Sarah Lawrence recently flew to Arizona to visit former Talco resident, Carl Antone. As a birthday present Carl and family took Sarah to the Grand Canyon. Sarah is pictured with one of the beautiful scenes they saw while visiting at the Grand Canyon.

"Bodacious" inducted into ProRodeo Hall of Fame

Since the ProRodeo Hall of Fame first opened its doors in Colorado Springs, Colorado in 1979, rodeo's greatest athletes have been immortalized within its walls.

On August 14, on the Hall's 20th anniversary, six new inductees joined the legends who preceded them.

And included in the 1999 inductees was J31A, Dodge Bodacious, the baddest bull in the world of rodeo today.

Sammy Andrews of Addielou, owner of Bodacious, accepted the award on behalf of "Bo" during the induction ceremonies, accompanied by his wife, Carolyn.

Inductees were welcomed by more than 700 guests at the new location in the Hall's outdoor courtyard. Personal introductions gave way to video footage of each inductee's career, offering the spectators a glimpse into the past.

Bo was born in 1989 and at the height of his rodeo career, weighed in at 1,850 pounds. The famous Charbray bull brought home numerous awards during his active rodeo career, the highlight of which were consecutive Professional Rodeo Cowboys Association Bucking Bull of the Year honors in 1994 and 1995. He was also named National Finals Rodeo Bucking Bull of the Year for the same two years, along with being named the Texas Circuit Champion for 1994-95. He was named the Professional Bull Riders Bull of the Year in 1995.

In 1995, Bo bucked off three-time World Champion Bull Rider Tuff Hedeman at a bull riding, fracturing most of his face. Just a few weeks later at the National Finals Rodeo, Hedeman drew Bo again, but opted to take a no-score and "gate" the bull, in light of what had previously happened. Just two rounds later at the NFR, Bodacious knocked Scott Breeding unconscious and it was at that point that Andrews made the tough decision to retire Bo at the con-

clusion of the 1995 National Finals Rodeo.

His popularity hasn't diminished, though his presence in the arena spotlight has faded. Bodacious is still #1 in the minds of rodeo fans all across the country.

Bucking bulls are noted for possessing many qualities, such as strength, athletic ability, intuition, intelligence and heart, to name a few. But only the right combination in just the right amounts makes a champion bucking bull, and Bodacious got the mixture just right!

He has been featured in Sports Illustrated two times, GQ (Gentleman's Quarterly), Western Horseman and Penthouse, in addition to the "rodeo" oriented magazines.

In his career, Bo bucked off 127 of his 135 opponents, and most of those 127 fell short of making the two-second mark. His first two jumps out of the chute were awesome, and he got harder to ride from that point on.

And though Bo won't be competing himself anymore, he's left a legacy that only he could, a herd of young bucking bulls just waiting for their turn out of the chutes. Bull riders better not be squeamish, either, these "Baby Bo's" are loaded and ready.

Andrews humbly accepted a Casey Tibbs bronze on behalf of Bo and in his acceptance speech said "I guess I'll speak on behalf of Bodacious, seeing as how he'd probably wreck this place if we tried to bring him in here."

The other inductees joining Bodacious in the prestigious circle include PRCA announcer Hadley Barrett of Kersey, Colorado; rodeo producer Bob Thain of Reno, Nevada; saddle bronc rider Mel Hyland of Ponoka, Alberta, Canada; pickupman Charles "Lefty" Wilken of Hillsboro, New Mexico; and six time All Around Champion Cowboy Tom Ferguson of Miami, OK.

BABY BO-dacious, that is! This young bull is on his way to filling his father's hoof prints as a rodeo champion. He is just one of several Bodacious sons that will start his professional rodeo career next year under the tutelage of Sammy Andrews, owner of Andrews Rodeo Company. (Staff Photo)

Country Cooking

By Liz Irwin

<http://tpp.1starnet.com/>

Our recipes this week come to us from a copy of the Greenville Morning Herald. What is so strange about that you ask? Well, this particular issue is dated April 26, 1956. Remember the kitchens back then... of course most of you don't, but a few will. Spotless. No microwaves, food processors, bread makes or other such frivolities. Just your average "Leave It To Beaver" kitchen. You know the one where everyone eats at the same time. . . . at the dining room table, no less!!! Everyone dresses for dinner. . . . even down to wearing shoes. . . . and sometimes dad even wore a tie!!! Can you imagine!!! Certainly no fast foods graced the table. Lots of greasy fried foods, starches, high carbs and other "heart attack" foods.

A simple glance through this paper gave you a walk through time. Robin Hood flour was 5 pounds for 43 cents. Cake mixes were 27 cents each. Catsup was 19 cents for a 14 ounce bottle. Apples were 19 cents a pound while grapefruit rivaled at 8 cents per pound. Decker Bacon was 2 pounds for 75 cents. Brisket roast was 17 cents per pound. Large size Tide was 30 cents a box.

You could even buy a pair of Naturalizer shoes at the shoe store for \$9.95 and they look a lot like the ones everyone is wearing today. Chunky heels with straps.

Marilyn Monroe, Milton Berle and Marlon Brando were hot in Hollywood while the cotton market closed

Card of Thanks

We would like to express our thanks for the wonderful food, calls, cards and visits since I have had my second knee joint replacement.

Each card brightens my day, each act of kindness reminds us that living in this part of the world is a joy.

Thank you all so much.
Thomas and Nanalee Nichols

at \$1.05 a bale. You could buy a 1948 Ford Sedan for \$175.00 and a John Deere Slide Delivery Hay Rake for \$150.00. Hamburgers were 10 cents and a 6 room house with a double garage went for \$6,000.00.

Now that we have taken this little walk down memory lane, sit back and enjoy the recipes from the '50's, and we will see you in the kitchen!

Green Beans in Mushrooms-there is nothing extraordinary about this dish. . . . but can you imagine putting it before our youngsters in this day and age!

Jam Pie-don't believe I have ever tasted a Jam Pie. But the jam is spread on the bottom of the baked crust with custard and meringue on top of this.

Individual Pizza Pie-this is the one that caught everyone's eye. . . sounds more like a hamburger to me!

Chicken with Almond Sauce-Isn't it strange have tastes have changed. . . the only way anyone fries chicken anymore is at the Colonels or Popeye's!

Poppy Seed Dressing-There are many variations of this recipe and nowadays folks enjoy it over a fruit salad as much as anything.

French Fried Cauliflower-I love cauliflower, but I am not sure this is the way to eat it!

Jam Cake-this is a tried and true recipe that has been handed down through many generations. Check out instructions for preparing pan to bake.

Card of Thanks

We would like to thank Dr. Strom for his words of encouragement, concern and professional care. We would like to give a special thanks to every staff member and worker at the Deport Nursing Home for their excellent service, concern, attention and loving care given to both our parents, also their support to us in our time of sadness. We also appreciate the workers of the McCustion Hospice for the wonderful service they are performing. God bless all of you. We also appreciate the concern and help of the Wood Funeral Home.

Card Of Thanks

Just a note to say thank you to everyone who supported me as I fought my battle with breast cancer. To Mike, who was there every second of every day to encourage, bolster and cheer and who took care of all the little things that I didn't have the strength to do and never once complained. To Chase and Jillian, who stepped up to the plate and did everything asked of them without a whimper or moan and who even proved that they could cook and clean when they had to. The three of you are my life and I love you! To our church family who lifted us up in prayer and who was always ready and willing to do anything needed to take care of us physically and emotionally. And, last but not least, thanks to everyone in the community who called, sent cards or food and gave support in ways so numerous I can't begin to list them all. I'm not sure I could have sailed through this experience so smoothly without each and every one of you. Thank you!

By Jana Hawkins

Calvin and Myra Permenter drove to Wall Eye Park on Lake Cypress to visit with daughters, Angie and Debbie and their families. They enjoyed watching the grandchildren ride seados and sail boating.

Jana Hawkins enjoyed traveling to Greenville with Mark Hawkins on Saturday afternoon. Robbie Hawkins visited with Heather, Haley and Hana in their home while their parents were away.

The Permenters recently traveled to Austin for a week to help Dale and Dawn Jean move into their new home in south Austin. Myra enjoyed baby-sitting the twin grandbabies, Tyler and Kelsey. While there Bro. Permenter worked with the Texas Mission Builders who are building a church for Faith Missionary Baptist Church in Round Rock. They also stopped in Loreana and visited church member, Birdie Adams, who is recuperating from heart surgery. On their return trip they spent Friday night in Ft. Worth with daughter, Paula and family and had breakfast on Saturday morning in Bedford with daughter Debbie and family.

Jana, Haley, Heather and Hana Hawkins attended the bridal shower for Lauren Robertson and Sonny Gibbs at the First Baptist Church in Bogata Sunday afternoon.

Jacob Harville spent Friday night and Saturday at Barefoot Bay Marina with grandparents Steve and Bunny Terrell of Daingerfield. Jacob spent Saturday night with David, Robyn, Candace and Scott Stansell of Mt. Pleasant.

Mark Hawkins and Aaron Eudy spent Sunday afternoon playing golf in Paris at Pine Ridge Golf Course.

Kelly and Kristen Harville and Robyn, Candace and Scott Stansell spent Saturday in Longview shopping for the girls who will begin dance class this week. While in Longview they enjoyed eating at Red Lobster.

Friday night Haley and Heather Hawkins attended the birthday/slumber party given for Sarah Jean by her parents, Donald and Freda Jean. Jana and Hana Hawkins also enjoyed visiting with the Jean family that evening.

Candace Stansell spent Sunday and Sunday night with Jacob and Kristen Harville.

Judy and Luke Speir visited with Kelly, Jacob and Kristen Harville on Sunday.

Letters to the Editor

Letter to the Editor:
 During this past year we have had to call 911 several times for medical attention for Drue. Each time the First Responders were at our home in a matter of minutes. They were very professional in their work but also a comfort to us because they showed they cared for us as friends and neighbors. When Drue had his last heart attack, the doctors at Baylor Hospital in Dallas said "The people in the field did everything right or Drue would not be alive today." We thank God and the First Responders of Bogata for his recovery and want to say Bogata is so fortunate to have such well trained emergency personnel available. Drue and Billie Pirtle

FOOT NOTES

FOOTWEAR FOR DIABETICS
 For many people, buying shoes is a matter of fashion. If you like the way they look, never mind if they pinch a little here or rub a bit there. For people with diabetes, that kind of attitude can be deadly, as minor irritations can lead to life threatening infections. Diabetics should shop where sales staffs are knowledgeable about proper fit. Shoes should feel good in the store, no one should fall into the trap of thinking that a tight, slightly uncomfortable shoe will stretch to fit after wearing. Look for shoes with soft and flexible uppers, smooth linings, comfortable arch cushions, snug but not pinching heels, soles that flex at the ball, and a roomy toe box.

People sometimes don't realize how their feet mirror their body's general health. And when the body hurts, the pain demands attention, and it is especially important for diabetics to heed this demand. At DOCTORS FOOT CLINIC, we strongly recommend having foot problems attended to professionally to prevent them from becoming serious, as well as to keep a check on the rest of the body. We may not be able to prevent disease, but we can help deal with some of the serious problems that may accompany it. Hours are by appointment. Call 784-5585.

OFFICE LOCATED AT
 3605 N.E. LOOP 286, STE 1800
 PARIS, TEXAS

P.S. A person with diabetes should never ignore any sign of foot irritation or injur. Call your podiatrist promptly about any change.

Notice of Public Hearing on Tax Increase

The City of Bogata will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll by 36.31698 percent. Your individual taxes may increase or decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The public hearing will be held on September 13, 1999 at 7:00 PM at Bogata City Hall, 128 North Main Street, Bogata, Tx 75417.

FOR the proposal: Randy Kennedy, Edd Spencer, Jack Crane, Tracie Osborne, W. T. Harbison

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT: None

The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

| | Last Year | This Year |
|--|-----------|-----------|
| Average residence homestead value | \$20,400 | \$20,870 |
| General exemptions available <small>(amount available on the average homestead, not including senior citizen's or disabled person's exemptions)</small> | \$0 | \$0 |
| Average taxable value | \$20,400 | \$20,870 |
| Tax rate (per \$100) | 0.49936 | 0.64691 |
| Tax | \$101.87 | \$135.01 |

Under this proposal, taxes on the average homestead would increase by \$33.14 or 32.53 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$0.14755 per \$100 of taxable value or 29.55 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

POETS-These students from Bogata Elementary and Junior High had poems published in the Anthology of Poetry by Young Americans, 1999 Edition. Their themes covered many areas: concern and delight about nature, thoughts about God, family, pets and friends, feelings about leaving things behind and they were all explored with the diversity and individuality of each child. Parents and faculty are indeed proud of the accomplishments of these young poets. Pictured not in order are; Kristin Simmons-8th grader, Chris Watts, Brian Hays and Micah Haynes-5th graders and Courtney Lemme, Chrystal Anderson, Jessica Thompson, Taylor Anderson, Katelyn Van Deaver, Kaylee McIntire and Ethan Meredith. Rebel JV and Varsity host Union Grove and Waskom

The Rivercrest Rebels junior varsity and varsity football teams hosted Union Grove and Waskom for scrimmage games on Friday night.

The JV team showed a great deal of improvement at the "Swamp" and came out victorious against both teams. The evening started off with one touchdown to none showing against Union Grove. The JV defense were smoking, holding Union Grove to one first down. Union Grove used players who were also involved in the varsity scrimmage. The Rebel TD was taken in by Josh Cabell on an outside pitch.

The JV offense showed up against a very athletic Waskom team. The Rebels scored 2 touchdowns on back to back plays. Chance Wolfe scored on a 45 yard play and C.A. Middleton took a 70 yard bomb from quarterback, Nathan Carroll to score. Middleton also picked off to passes during the evening. Coach Steve Weddle said "We invite everyone one out to watch our team. The defensive standouts for every scrimmage this season have been all 15 players on the team. Everyone hustles and we have not been scored on yet".

In Varsity action the Rebels offen-

sive stats vs Waskom were passing yards- 5-9-0 for 77 yards, rushing yards 19-53 for a total of 130 yards. Offensive stats vs Union Grove were 2-6-0/24 yards, rushing yards 12 for 76 yards for a total of 100 yards. Offensive highlights were Rebel quarterback, Cody Wolfe passed 7-15-0 for 101 yards, Rebel running back, J.C. King had 20 carries for 101 yards and Rebel wide receiver, Michael Galloway and 4 receptions for 39 yards.

On the defense Union Grove had 20 yards total offense and the Rebels caused 3 turnovers. Waskom had 25 total yards.

Coach Keith Brown said, "We had outstanding effort and we played extremely physical. If we continue to improve our playoff hopes are strong".

The Rebel JV were scheduled to go to Detroit on Thursday, Sept. 2. That game has been changed. The JV will travel to Honey Grove on Thursday, Sept. 2. Game time will be 6:00 p.m. The Varsity Rebels will host Detroit on Friday, Sept. 3 at the "Swamp". Everyone is encouraged to come out for both games and support the Rebels.

The Rivercrest ISD will hold a public meeting at 7:00 PM, September 14, 1999 in Rivercrest High School Board Room, Hwy 271, Bogata, Tx 75417.

The purpose of this meeting is to discuss the school district's budget that will determine the tax rate that will be adopted. Public participation in the discussion is invited.

The tax rate that is ultimately adopted at this meeting or at a separate meeting at a later date may not exceed the proposed rate shown below unless the district publishes a revised notice containing the same information and comparisons set out below and holds another public meeting to discuss the revised notice.

Comparison of Proposed Rates with Last Year's Rates

** The Rate to Maintain the Same Level of Maintenance & Operations Revenue & Pay Debt Service does not reflect revenue available to the district in the 1999-2000 school year for the pay raise for classroom teachers, full-time librarians, full-time counselors, and full-time school nurses enacted by the 76th Legislature. Getting grandchildren graduated from college

by Charles Wilkinson

Have you ever stopped to think about the problems that grandparents have going to see grandchildren graduate from college? Let me tell you about our experiences.

When our grandson, Byron, graduated from Stephen F. Austin in 1997, Jean and I started the trip to watch him. We were about 4 or 5 miles south of Eastland on Hwy. 6 when I

stopped to get sandwiches and drinks out of the trunk of the car. Then on the road again. Some 60 miles down the road we made a rest stop. I missed my billfold. We looked around the car, in the car, under the car. No luck. We drove back to where we had stopped and hunted there. No luck. I decided that I had better go on into the DPS office in Eastland and see about a temporary license. When I got out of

the car, I happened to look down and there was my billfold between the seat and door. What luck! No harm!

While driving long we decided to put my billfold in Jean's purse since my pocket on my coveralls was ripped out. No problem you say? A few miles past Waco we stopped for gas. Jean handed me my credit card and put my billfold back into her purse. She was going to the restroom and left her purse, also containing my

billfold, in the car. When I finished and stared to pay, I decided that since her purse was still in the car, I had better lock it. When I came back out, I discovered that I had locked my keys in the car. Since we do this every once in a while, we have an extra key that I keep in MY BILLFOLD and Jean keeps in HER PURSE!

The lady in the convenience store made a call to a local locksmith. He got there and had the car unlocked within 45 minutes of the call. After

the delay and \$35.00 extra expense we were on the road again. We finally got to the graduation party that evening and made the ceremony the next morning with no more problems. WE HAVE THE GRANDSON GRADUATED!

We only have the granddaughter, Shanna, to go. This took place this August 13. This time we took our van so that all the family could ride together. We had both sets of grandparents, the parents and one uncle.

My main reason for all going together was so that I could push the driving to our son, Lynn. By doing this we had no lost billfolds and no locking ourselves out of the car. No problems, right? Wrong! We drove to College Station with no delays or problems. When we parked in the motel lot and got out we noticed that the right front tire was going down. We went in and checked in and took our things to our rooms. Lynn and I

went back to get the tire fixed. We put my can of fix-a-flat into the tire and drove to a station. They were busy and would be about 45 minutes before they could get to us. We went to another place. They were even busier. Back to the first place. They got us in, took the wheel off and found that we had a tread separation and the tire could not be fixed. They did not have our size tire. The wheel was replaced and we went to Wal-Mart. They finally got to us about 4:30 p.m.

We had brought food with us and were to go to Shanna's ex-roommate's apartment at 5:30 p.m. to eat before going to the graduation exercise at 7:30 p.m. Lynn and I were sort of rushed. Then after we got to the apartment and got the food ready, Lady Jane, Shanna's other grandmother, discovered that she had left the paper plates, napkins and such at home.

Shanna wasn't sure that she was graduating cum laude until she got there and they told her. We were not sure until we located her in the crowd and saw the yellow collar around her neck. Naturally her cheering section went wild as she walked across the state.

Shanna did her internship at the Barter Creek Country Club in Austin. At the close of her internship they hired her as the pool manager and fitness specialist. She is getting married on September 4 to Jeff Crain who is a 1998 graduate of A & M. Our grandson, Byron, now works for Fox TV in Dallas where he recently received a promotion along with a raise.
