BOY FALLS FROM FENCE AND BREAKS ARM

The little 7-year-old son of Mr. and Mrs. J. J. McCasland east of town fell from the top of the lot fence Monday afternoon and broke his left arm just above the wrist and cut a deep gash in his head. It is thought that he fell on a zinc bog trough, which resulted in the broken arm and gash in his forehead.

The boy was brought to town by Mr. McCasland and the arm set and his wound on the head dressed by a local physician. He was a plucky little fellow and bore his sufferings with much fortitude.

School May Fete a Splendid Success

Haskell's appreciation of the efforts of grade teachers and pupils was evinced by the large crowd which attended their first May Day program given in the open air at the North Ward building Wednesday May 19th.

The program was preceded by a splendid parade of beautifully decorated cars and floats carrying the participants twice around the public square, headed by the "Ship-by-Truck Good Roads Band" which furnished spirited music for the occasion. The program was given by one hundred and twenty-five pupils from the Primary and Grammar school departments and was truly a treat and inspiration to all.

The introduction was staged by little tots from the Primary Department. First the advent of the White Fairies, Katherine Rike and Mary Emma Whiteker, who, in a very graceful and untiring manner saw to it, that the Signs of Spring, (the Rainbow, Dew-drop and Sunbeam Fairies represented by little girls in many colored gauzy costumes) and The Voices of the Woods, (boys and girls in clever costumes to represent flowers, birds, butterflies, rabbits, grasshoppers and toads) were in their places to welcome Miss Springtime (Anita Grissom) when she arrived in full bloom.

Of course no May Day Fete is complete without its Queen. This scene was staged by the High School pupils, Sam Chitwood in a few well chosen words gave an explanation of the origin of this time-old custom and also made the Coronation Speech. Miss Dave Maud Cummings had the honor of being crowned Haskell's first May Queen. The Queen and her attendants were charmingly attired in dainty gowns, suiting the occasion.

The Wreath Drill, Shoemakers Folk Dance, and May Pole dances given by girls in beautiful costumes certainly showed untiring effort and a great amount of work on the part of pupils and teachers. The pretty and appropriate costumes showed that the parents had a hand in helping to make this affair a grand success.

The offering to help defray expenses of building the stage amounted to \$311. This falls 89 under the amount asked for, some of us who failed to have our "wallet" along should, and we feel sure, will help out on this deficit, and furthermore YOU should join NOW the Parents-Teachers Association to let the children and teachers know you appreciate them and are backing your schools.

Methodist Revival Closed Sunday

The Methodist Revival Services closed here Sunday night and Bro. Neal returned to his home at Midlothian for a rest.

Despite the prevailing bad weather Bro. Patterson reports about 15 conversions and recommitments and a great work of revival among the members of his church.

The reception of members was postponed until next Sunday when the pastor will receive members into the church in full fellowship.

Bro. Patterson is well pleased with the results of the meeting, taking into consideration the weather conditions throughout the entire services.

J. S. Stephens Reported Improving

J. S. Stephens, who is now at Anson receiving medical treatment is reported by his son, Lee, to be improving. He was stricken with paralysis on Thanksgiving Day and has not been able to be out of bed since he was first stricken. He is not able to set up yet but it is hoped that he will soon regain his health and return home.

Dr. Davis of Sagerton to Move to Rule

It is definitely reported that Dr. J. C. Davis of Sagerton will move to Rule, where he will make his future home. It is understood that he will actively engage in the practice of medicine. Rule and her citizens will welcome Dr. Davis, as he is an excellent citizen, always standing for any progressive move. Rule will be proud to have Dr. Davis make his home there.

E. H. Yates living on Walton street is on the sick list this week but we are glad to note he is improving.

Joe Maxwell and daughter, Mrs. Oren McClain, will leave for Ranger the latter part of this week.

The past week of sunshine has been appreciated by the farmers of Haskell county and the planters are seen running in every field. It is reported by the farmers coming to town that most of the planting will be done within the next week.

L. P. Burleson Killed Tuesday Night

Sheriff W. E. Welsh received a telephone call Wednesday morning from O'Brien stating that a man had been killed at the home of John Lee who lives about one mile west of town. Sheriff Welsh left immediately for the scene accompanied by Justice of the Peace R. P. Simmons and District Attorney J. C. Randall. They arrived on the scene about 4:30 and on examination of the premises found a man lying face downward in the yard, who had apparently been dead for several hours. The body proved to be L. P. Burleson, who lived three miles west of O'Brien.

An inquest was held by Justice of the Peace Simmons and it was found that the deceased had died from a pistol wound in his left breast and that he had died instantly. The shooting is believed to have taken place about 1 o'clock.

John Lee, at whose home the shooting took place, was arrested and brought to this city and placed in jail charged with the shooting. Mr. Lee is alleged to have made a statement to the effect that he heard someone about the premises a short time before the killing and at one time the party turned the knob of the door as if to enter the house but did not do so. He got his pistol and later saw a man come to one of the windows, and he fired one shot and the man dropped to the ground. The body was not moved until the officers arrived. Burleson leaves a wife and four children.

The Grand Jury which is in session is investigating the case today.

SACRED HARP SINGING HELD AT COOK SPRINGS SUNDAY

The annual meeting of the Sacred Harp Singers convened at Cook Springs on Sunday, May 19, 1920.

W. L. Ray was appointed chairman pro tem and Millard Smith was appointed secretary pro tem.

The opening song, "Amazing Grace," led by W. L. Ray, was followed by prayer by Millard Smith.

Then another song was led by Mr. Ray, after which Mr. T. D. Cummings led two pieces of music and Mr. J. H. Lee led two pieces.

The convention then recessed for dinner.

Although the roads were very muddy and the weather cold and cloudy there was a large attendance. When the dinner was spread it was of the best quality and a beautiful supply.

After everybody had eaten a hearty dinner and had chatted a while the house was called to order by Mr. W. L. Ray.

One piece of music was rendered and then the convention organized, W. L. Ray was elected Chairman and Millard Smith secretary.

The chairman appointed G. W. Hutto, J. H. Lee, and T. D. Cummings to arrange a schedule for the afternoon.

The following were called upon and led several pieces of music each:

T. J. Chlore, Mrs. Alb Bristow, T. D. Cummings, J. H. Lee, E. J. Calloway.

The convention then recessed for ten minutes and then W. L. Ray led a piece of music, after which T. J. Chlore led two pieces; T. D. Cummings led two pieces; J. H. Lee led three pieces; E. J. Calloway two pieces; and W. L. Ray four pieces.

It was decided to have another all day Sacred Harp Singing the Fourth Sunday in July to meet with the Jud people.

Everybody remember the date and come and bring a basket of dinner and have a good time together again.

Many of the singers from a distance were not with us at this time. We are expecting them to be with us in July at Jud.

W. L. Ray, Chairman, Millard Smith, Sec'y.

Rule Team Defeats Knox City

The Rule Baseball Team on last Friday journeyed up to Knox City, where the two opposing teams crossed bats. The game only went five innings on account of rain, and at the end the score stood 4 to 0 in favor of Rule. The Rule team as whole played without making an error, and although Knox City had several imported players, including a pitcher, they could not hold the Rule team.

A Courthouse Wedding

Married by Judge R. P. Simmons in his office Monday May 17th at 4 p. m., Mr. W. O. Miller of Cisco and Miss Ethel Pittman of Roberts. The happy young couple will make their home at Cisco.

McLemore-Turnbow

Mr. Hurt McLemore and Miss Bessie Turnbow were married at the home of the bride's parents, Rev. and Mrs. J. C. Turnbow, in the Ballou community by Rev. John W. Newsom of Abilene at 3 o'clock Sunday afternoon. The happy couple are among the foremost young people of the Ballou community, where they both have resided for several years, and have a host of friends who wish them much joy in life.

Mrs. Minnie Corum of Encampment, Wyoming, is visiting her sister, Mrs. D. Scott of this city.

Mr. and Mrs. W. I. McCarty and Mrs. P. W. Walthall returned Friday from Galveston, where they attended the convention of the First Christian Church.

Mrs. T. W. Johnson and daughter, May Elizabeth, are spending this week in Wichita Falls, the guest of Mrs. Johnson's sister.

Wichita Falls Trucks Were Here Wednesday

The caravan of heavy-laden motor trucks which began a tour from Wichita Falls Monday May 17th by the way of Olney, Newcastle and Throckmorton arrived here on schedule time Wednesday afternoon at 2 o'clock. The commissary department came in advance, arriving here about 12:30, and pitched camp just north of the Free Press office on Clark street.

Haskell was one of the points chosen for an all night stay and they came prepared to occupy their own tents, electrically lighted by the Deico system.

A crowd gathered about the courthouse square at 8 o'clock Wednesday evening and B. M. Whiteker in behalf of the Haskell Chamber of Commerce delivered an address of welcome, to which Harry Hearne made response. O. E. Patterson made a short talk, again welcoming the visitors to our city. After which F. A. Snider of the Firestone Ship-by-Truck bureau made a good talk on the ship-by-truck movement and what it means to transportation. He also talked on the advantage of good roads and highly complimented the roads of Haskell county compared to other roads experienced on the trip. John Gould of the Wichita Falls Chamber of Commerce discussed the advantages the truck would bring to rural communities.

Lieutenant-Commander McCombs of the navy, who with a party is accompanying the tour made the closing address on good roads and he too, had a good word for Haskell county's roads. Several reels of motion pictures were shown at Dick's Theatre for the truck train and dance was given the boys at the Elk's Hall. Camps were broken at 8 o'clock Thursday morning and the train left for Searmour about 9 o'clock where they will spend the night and they will go from there on to Wichita Falls by the way of Dundee.

This trip was planned to show to the public and especially to the merchants and farmers how useful and economically the motor truck can be employed for the store and farm.

There were about 25 motor trucks and 65 people accompanying the train, with Milton Gaines, tourmaster, Al Booth, fleet captain, Harry Hearn, Chief quartermaster and last, but not least, Wilbur Hofling, chief steward, were looked well to the chock to the satisfaction of the entire crew with good things to eat. The tour was covered by daily news reporters, V. H. Armstrong for the Times and J. L. Hill for the Record-News.

Other business men accompanied the expedition, among them was Bert Bean of the Bert Bean Coffee Co. The train was also accompanied by a brass band.

Home of Farmer Struck by Lightning

The home of Jesse Pinkerton of the Open Section was struck by lightning Friday night about 10 o'clock and the building set on fire, according to information received here by M. A. Mitchell who was in the city Monday from the Open Section. The family had just retired for the night when the bolt struck their home, but fortunately none of the family received injury. Through heroic effort on the part of the family the flames were extinguished and the building saved from destruction. Just how much damage was done to the building we have no report.

Mrs. M. C. Cox of Pinkerton Dies Tuesday Morning

Mrs. M. C. Cox died at her home in the Pinkerton community Tuesday morning after a lingering illness of several years. Funeral services were conducted at the grave by Rev. E. B. Speck of Rule at 10:30 o'clock Wednesday morning, after which the remains were laid to rest in the beautiful cemetery at Pinkerton. Mrs. Cox passed a hope in Christ 22 years ago and united with the Methodist church and lived a christian life until the end came Tuesday morning.

She leaves a husband and four boys who will sorely miss the faithful wife and mother that has gone to her reward. May her life be a shining light to those left behind that they may follow in her footsteps.

Mr. and Mrs. J. F. Lee of Pinkerton were in the city Monday. Mr. Lee says that there is more water on the ground in his section than he has seen out there since the year of 1913. He says crop conditions are very optimistic out his way and the farmers are anxious to see a few days of sunshine and finish planting their crops.

Work on Flour Mill Progressing Nicely

Christian Bros., proprietors of the Haskell Mill & Grain Co., who are erecting a flour mill near the Wichita Valley station, have the building almost completed and will soon be ready to install the machinery as it comes in. This has been stated before will be a 25-barrel flour mill with corn mill and feed crusher in connection. This mill will be run on the custom plan of exchange and will find a great need of Haskell and Haskell county.

Christian Bros. are expert millers and will be on the job in person to see that the mill puts out the best grade of flour for their customers.

Horse Cut on Wire Dies From Loss of Blood

A horse belonging to Uncle Charley McCown of the Post community was cut on the wire one night last week and bled to death before morning. The loss is very severe on Mr. McCown at this time as it was one of his work horses and planting time is here. He informs us that he will be compelled to buy another animal.

J. W. Collins of Austin is here this week looking after his ranch near the town of Weinert.

Mr. and Mrs. Will Chastain of west of town were shopping in the city Monday.

Mr. and Mrs. H. S. Gibson of the Oates Farm near Pinkerton were in the city Monday shopping.

J. R. Davenport, a popular garage man of Weinert was in the city Tuesday.

Miss Golda Cliff returned Saturday from a visit with friends in Dallas and Eastland.

Miss Fay Goodwin of west of town returned this week from a visit to her sister, Mrs. D. H. Clark of Kim, Colorado. Miss Goodwin says that everything in that section looks like the dead of winter and spring has not put in appearance in Colorado. She reports a good time on her trip.

Mr. and Mrs. J. F. Jeter of Center Point were shopping in the city Thursday.

MARRIAGE LICENSE ISSUED SINCE OUR LAST REPORT

The following marriage license have been issued by County Clerk Emory Menefee since our last report:

H. V. McCreath and Mrs. Allie Cornell.

Williamatt Culwell and Miss Jewel Dunlap.

Jesse Leonard Ulmer and Miss Pearl Phillips.

Hurt McLemore and Miss Bessie Lee Turnbow.

Earl Hatley and Miss Myrtle McKinney.

John W. Newlin and Miss Lena Miller.

W. O. Miller and Miss Ethel Miller.

Public Schools Close Successful Term

The Haskell Public Schools closed Friday evening with final exercises at the Methodist church, when the address to the class of 1920 was delivered by Dr. Hyer, President of the Southern Methodist University. Dr. Hyer is one of the best known educators in the state, and his splendid address was enjoyed by all. The Baccalaureate Sermon was delivered last Sunday afternoon at the Methodist church by Rev. P. W. Walthall, pastor of the First Christian Church. It was a splendid admonition to the youths just entering the wider responsibilities of life. The class of 1920 is composed of ten, five young ladies and five young men, a very unusual occurrence, as the girls generally far outnumber the boys. Haskell may be very proud in saying that the school year just closed has been one, if not the most successful in the schools history. Under the leadership of Superintendent C. C. Minard, the full term has been carried to culmination not without its trials, but with surmounting of difficulties and a loyalty of teachers that has been notable. For the first time in the history of the Haskell schools, a School Annual was launched and successfully completed. The Seniors, under the direction of the faculty and with the cooperation of the entire school, deserve much credit for this splendid piece of work, which will pass into history as an honor to the class of 1920. The trustees of the school and the public in general come in for congratulations for when the school funds gave out the amount was quickly subscribed, and with this exception there has been nothing to disturb the even tenor of the school year.

The outlook for the next year is bright. There is a scarcity of teachers all over the country, but with an increased salary which will no doubt be allowed, the schools of Haskell will continue to flourish.

A Correction

In last week's issue of the Free Press we mentioned the new brick building to be erected north of the Farmers State Bank as the Kinnison-Rike building, when it should have been the Kinnison-Lancaster building. Henry Lancaster is going to build one section of the brick for a home for the Model Tailor shop and the other section will be occupied by the Kinnison Barber Shop.

J. R. Hansford Buys Home Here

Mr. and Mrs. J. R. Hansford of Sipe Springs were in the city last week and called around to see us while here. Mr. Hansford bought the Roy Gamble home in this city and will move here in the near future.

Mr. Hansford was impressed with Haskell and more especially her generous and broad-minded citizenship, about which he spoke many compliments. We are glad to know that Mr. and Mrs. Hansford are coming to our city. Mrs. Hansford is a sister to Mrs. J. B. Mapes of the Roberts community and they had been on a visit to Mr. and Mrs. Mapes when they stopped over in Haskell on their return home.

SERVICE, VALUE, PRICE

Is the foundation upon which Well's Store is built. Our success depends upon the public's good will and satisfaction. We believe the success of this institution is worth all we can give to the people. Compare closely—then you will more appreciate values given at Well's.

WELLS FURNITURE STORE

You May Pay More

But You Cannot Buy Better Merchandise

It is a fact that Stamford is selling Dry Goods far below the prices other towns are getting for the identical same grade of goods.

This is called to our attention nearly every day. People from other towns tell us what they have paid for an article that we have a duplicate in the store and in some cases the price is 30 per cent more than our price. We do not claim to have all of the good things in Stamford, but do claim to have a **Stock the Peer of Any in West Texas.**

We do not handle cheap and low grade goods, but on the contrary we pride ourselves in handling the best values it is possible to buy in desirable and dependable goods. A class of goods that will **STAND UP** in the Test of Service. We combine Style with durability. So the customer has both Style and Intrinsic Value in his purchases, and at the **Very Lowest Prices Possible** under the present circumstances.

The stock is chock-full of High Grade Goods, and anyone can be well suited. See our beautiful stock before you buy your next bill of Dry Goods.

STAMFORD, TEXAS
Home of Good Shoes Stetson Hats.

M. A. Myerson of the Open Section was in the city Monday and reports things living up his way. Good rains, wheat coming out and will make a crop and other farming interest revived. Maize and corn is up to a good stand in many places and the farmers are ready to begin sowing. He says the rain, Friday night, amounted for 14 hours and that more water was on the ground than he has ever seen since living in this section.

M. D. Field living three miles south of town was in the city Monday and reports our crops very fine in his section since the continued rains. He also reports the return of his daughter, Miss Nettle, who has been attending school at Fort Worth for the past term, to spend her summer vacation at home.

W. H. Wiseman, a progressive farmer of the Sayles community was in the city Monday and reports good rains in his section. He further stated that very little wheat was sown but what was sown was looking fine since the rains set in. Oats are real good according to Mr. Wiseman's statement. He also reports a good stand of maize and some cotton up to a good stand. All the crops are looking good in the Sayles community.

George Amos of Des Moines, Iowa, who is connected with the Industrial Transportation Co. of Washington, D. C., is here this week the guest of O. D. Van Buskirk and will make his headquarters at Hamlin and Stamford, where they expect to put in other white stores.

Mr. and Mrs. A. J. Jossilet of south of town were here Monday. Andrew says the rain was fine and that his oat and barley crop is almost insured, and the wheat crop will make some wheat since the rains have come. He also says the Rhode Island Red chickens will make a good crop and he has some good sprouts on his yard now.

Mr. and Mrs. W. O. Blank of Wichita men passed through the city Tuesday en route to Lipan, in Hood county, to visit relatives. Mr. Blank says he expects a good time on this trip and plenty to eat.

No More Corn Suffering

"Gets-It" Never Leaves a Corn On Any Foot For Very Long.

The hurting "pep" goes right out of that corn the moment a few drops of "Gets-It" lands thereon. It is through, and "for keeps."

Corns and "Gets-It" Can't Live Together. You'll have no more pain but will notice the corn getting loose and wobbly. In a day or so, you lift it right off without any feeling. That's the end of the corn and of your troubles. Millions have proved "Gets-It" to be the one and only unfailing, common sense corn remover. Why not you? "Gets-It" costs but a trifle at any drug store and carries a money-back guarantee. Mfg. by E. Lawrence & Co., Chicago.

=Expert Service=

HAPPENINGS OF THE WEEK IN AND AROUND JUD

We have had some nice rains for the last few days.

A. Chaney and wife left last Monday for Lamesa to visit relatives there for some time.

E. J. Calloway and wife of Wichita Falls are visiting W. L. Ray and family.

Mr. and Mrs. J. M. Ivey left last Monday for Hill county to visit their daughters, Mrs. Will McDonald, Mrs. Alice Horton, Mrs. Oscar McDonald and other relatives and friends.

Joe Allen and son Grady of Sulphur Springs, Okla., are visiting in this community this week.

The party given by Mr. and Mrs. Crofford Allen last Tuesday night was well attended and all reported a pleasant time.

The Sacred Harp Singing Sunday night at W. L. Ray's was well attended and had fine singing.

B. E. Karr made a business trip to Stamford last Tuesday.

Burdine Weaver and family of Cook Springs spent Sunday night with A. F. West and family of this community.

J. H. Lee of Cook, Texas, is visiting his sister, Mrs. W. L. Ray this week.

M. T. Ivey made a business trip to Haskell Monday.

Miss Jewel Murrah spent Tuesday night with Miss Velma Gaskins.

Several from this community attended the Sacred Harp Singing at Red Top Sunday.

Blue Bonnet.

Mr. and Mrs. T. M. Poteet of Curry Chapel were in the city Monday to meet their son Ernest, who had written them he would be here on the morning train from Big Spring, where he has held the honored place of superintendent of the high school for two consecutive terms. Prof. Poteet was principal of the high school here two years ago.

FARMERS NOTICE!

COMING TO HASKELL, TEXAS
Haskell Mill & Grain Co.

THIS WILL BE A
MIDGET MARVEL ROLLER M LL

WE EXPECT TO BE MAKING THE CELEBRATED
Flavo Perfection Flour by June 1st

Bring your wheat, for this will be a Custom Mill.
Let us raise our wheat and make our flour at home.
Come, bring your Corn, Wheat, and Head Maize.

Haskell Mill & Grain Co.

It is becoming more and more evident that co-operation between the farmer, the business man and the bank is necessary to the most satisfactory growth of either.

It is the principle on which real results are accomplished.

We appreciate the business with which we are favored. The best, most helpful, friendly Banking Service possible to be rendered is the expression of our appreciation.

T. C. Cobb, a successful farmer of the Roberts community, was in the city Monday on business. He reports the crops good in his section and says the rain came in time to save the crop. Planting will be in order when the sun shines again.

DeWitt Hudson of Dallas is visiting home folks for a few days.

B. C. Lightfoot of Johnson county is here for a few days looking after his farm interest in the county. He owns a large tract of land near Weimert.

TO FORD OWNERS

In order that we may give better service to Ford owners, we have discontinued working on anything but Ford cars. We have added new equipment, and by devoting our entire workshop to Ford work, we can give you prompt and first class work. We carry a large stock of Ford parts and no matter what your car needs, we are prepared to fix it.

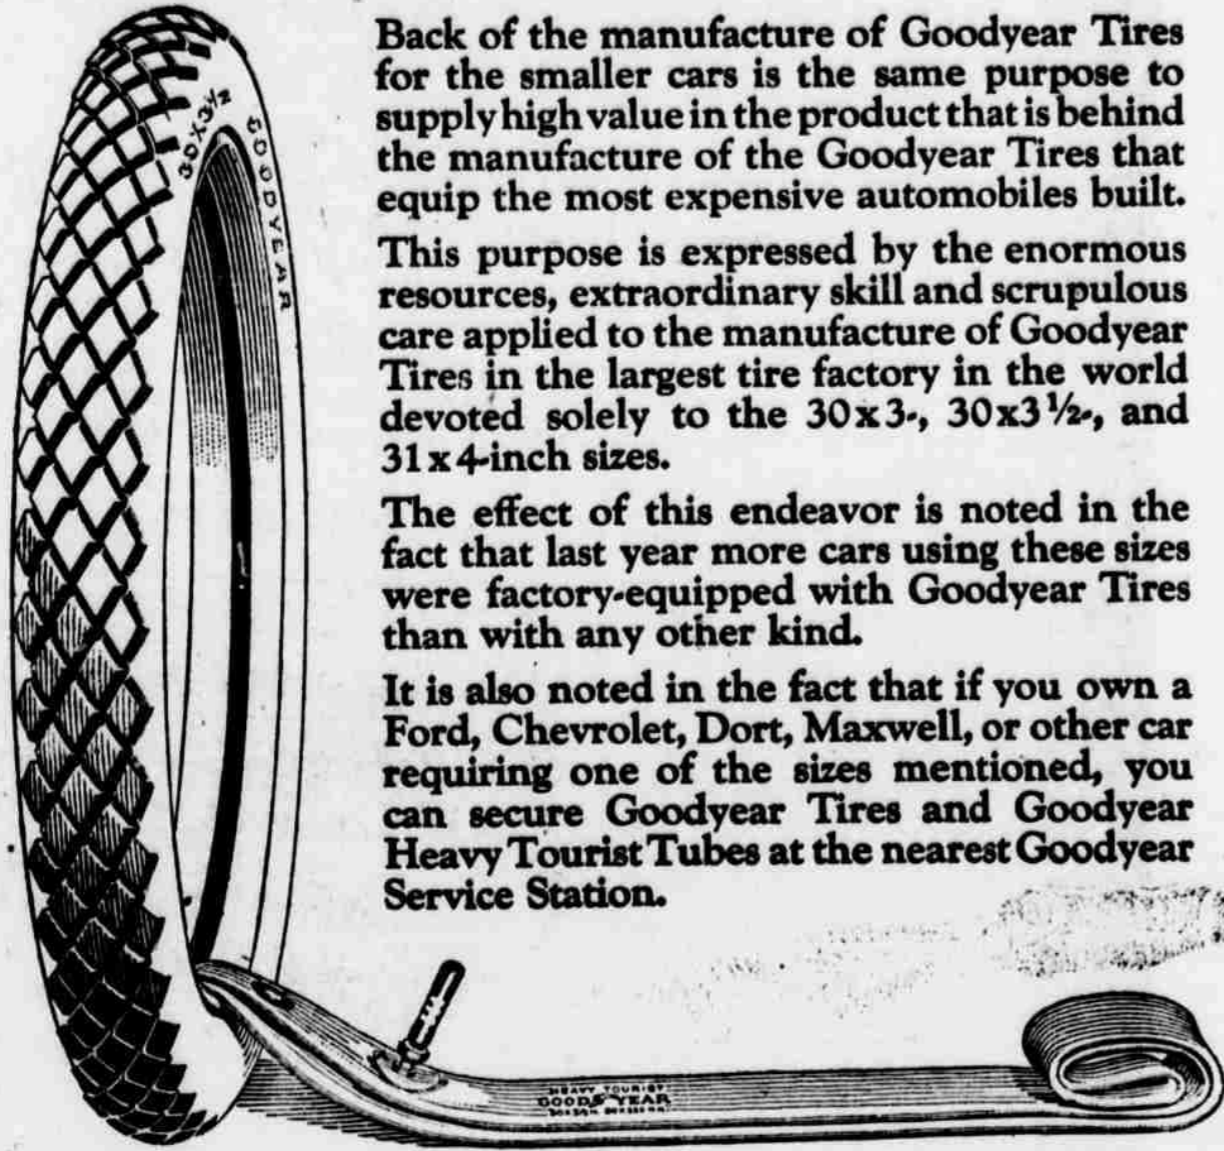

We also intend to send our men to the factory from time to time, in order to familiarize them with the latest improvements on the Ford car.

Remember, we have no parts for any but Ford cars, and positively will not give service on any other make of car.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag. \$4.50

Do Not Be Satisfied

With Drug Service Less Than This—

So far as you are concerned, a drug store has but one reason for existence: That reason is to SERVE the public.

Our service starts with the buying department of this store—it ends when the goods have proven their worth to you.

Our service means quality Drugs, and quality means purity, freshness and strength.

Our service means that you can select from a variety so broad your every want can be satisfied.

It means Reliability—that you get what you buy.

It means courteous attention to your every want.

It is our working creed that it means—standing behind every purchase until you are satisfied.

Such is the service of this store, which places at your door a most magnificent collection of Drugs and Drug Store Sundries.

If you have failed to avail yourself of this service, then we invite you to become a customer.

The Corner Drug Store

California has a "blueboard" who is completely out-of-his-mind. He is the husband of Fatima. He said that when he murdered one of the 25 women he is alleged to have married, he wanted to go out and sing and laugh.

Some writer with a penchant for figures informs us that prices of clothing have made alarming advances since last November. Does the fellow think that the public is so ignorant that it should be wised up on that point?

NEWSY LETTER FROM THE LITTLE CITY OF WEINERT

A very heavy rainfall here Friday night and Saturday morning, which insures our grain crop and puts a smile on the farmer's face.
Mr. and Mrs. Fred Newton and children of De Leon have been visiting Mrs. Newton's parents, Mr. and Mrs. Tom Bennett and other relatives here for the past two weeks.
Miss Monnie Riddling has returned from Graham, Texas.
Miss Julia Williams left for Mineral Wells Wednesday night for a visit.
Misses Nova and Dollie Wilson visited Mrs. Jim Homesley at Haskell last

week.
The rain has stopped the work on the Methodist Church that is being erected in our little city.
Mrs. Joe Williams is our new telephone operator now.
Miss Zeddie Watley left for Dallas this week where she is going to take a business course.
J. B. Riddling has a nice stock of dry goods and groceries in the brick building he purchased from P. B. Branch & Son.
S. L. Coggins has returned from near Breckenridge where he has been teaching school.
Johnnie.

KILL THE BLUE BUGS! all blood sucking insects by feeding Martin's Wonderful Blue Bug Killer to your chickens. Four money back if not absolutely satisfied. Guaranteed by 10-12c CORNER DRUG STORE.

First Christian Church
All of the regular services will be held next Sunday at the regular hours. Sunday School 10 o'clock. Morning Worship, 11 o'clock. Evening Service, 8 p. m.
The subject of the morning will be "Life's Overdrafts." This will be studied from a practical point of view and will contain truths that should concern everyone who desires to put into the world something worth while, for we draw out the amount we deposit, and

often when we try to draw out more than our account. God in some way serves notice on us that we have overdrawn, and a time of settling up comes to us. You think over your deposits in the great bank of service, and you can come next Sunday better prepared to study the above subject.
The subject for the evening study will be, "The Character and Work of the True Man."
The study of this subject will be of interest to all, those in the church and

those not in the church. You are invited to these services and will find a hearty welcome awaiting you.
P. W. Walthall, Pastor.

Catarrhal Deafness Cannot Be Cured

For most applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an increased condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be removed, hearing will be destroyed forever. Many cases of deafness are caused by bacteria, which is an infectious condition of the mucous surface. Hall's Catarrh Mucine gets into the blood to the mucous surface of the ear.

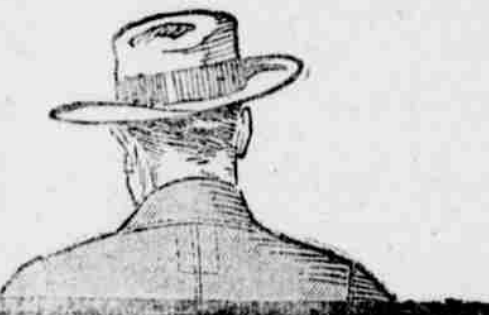

We will give you Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Mucine. Catarrhal Deafness cured by Hall's Catarrh Mucine. Write to J. F. POSEY, Local Manager, Haskell, Texas.

R. L. Dandy of the Murchison Farm north of town was in the city Monday. He reports 75 acres of cotton up to a stand but says it has been too early to plant maize and still has his maize in the crib, but is going to plant as soon as the ground gets dry. Bob is a good farmer and made a good crop last year.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or diaphorize the worms, and the Child will be in perfect health. Pleasant to take. the per-bottle.

J. W. Hargraves of Roberts was in the city Monday on business. He has about 355 acres of wheat sown and also a large crop of oats which he says the recent rains has put in fine condition and the grain has come out wonderfully and will now make a good yield with favorable seasons from now on. Mr. Hargraves doubtless has more grain sown this year than any farmer we know of and while the drought was on we cannot rouch for any too much sleep in his case. You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of **GROVE'S TASTELESS CHILL TONIC** has made it the favorite tonic in thousands of homes. More than thirty-five years ago, they would ride a long distance to get **GROVE'S TASTELESS CHILL TONIC** when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

Weekly Bargains

Every week we have some extra good bargains to offer our trade. Of course we cannot sell everything in our store at a bargain, but we believe we can stimulate business by offering every week some real bargain to our customers, and from this date on you will find at all times several bargain tables in our store containing real sure enough bargains. Last week we had a lot of Boy's Hats, ranging in price from 75c to \$2.00 on the Bargain Table at 25c. Of course they are all gone now. But we mention it to show you what we mean by a bargain.

Bargains in Hosiery

This week we have two special lots of hose on the bargain table at very attractive prices. They are already creating a lot of favorable comment. But there is still a number yet to be had and while they last we are going to sell them at the very attractive price of 19c and 29c.

Specials in Ladies Waists

Yesterday we received a large shipment of Waists in Georgettes and Crepe that we are able to sell at \$5.50. These are extra nice waists and are several dollars cheaper than regularly sold. We ask your early consideration.

We still have a good assortment of the \$1.95 Overalls and some of the \$5.00 shoes at \$3.95. Many pleased customers bought them last week. You will be pleased if you buy them this week.

Watch our windows and announcements for bargains. We are going to have some bargain for you all the time and all the time we are going to sell you honest merchandise at honest prices.

Mrs. Daley Gains Seventeen Pounds Taking Tanlac—Tough Case Was Hopeless

"They said I couldn't live more than six months longer, but I'm still here and feeling fine," said Mrs. Mary Daley, of 539 Oak St., San Francisco, Cal.

"I have actually gained seventeen pounds since I began taking Tanlac," she continued, "and to look at me one wouldn't think that for several months I was unable to do my housework. I suffered from gastritis all the time, would blot terribly and always felt miserable. I had no appetite and felt nauseated all the time. I was so nervous the least little noise would startle me and it was almost impossible to get a good night's sleep. I had night sweats and was so run down and weak that the slightest exertion would almost exhaust me completely. I lost weight dreadfully and was told that I couldn't live six months at the rate I was then going down hill.

"Nothing helped me until I began taking Tanlac and I honestly believe it is the finest medicine in the world, for it has made me just like a new person. My appetite is splendid and I never have the slightest indigestion any more and I never enjoyed such fine and refreshing sleep in my life as I do now. My house has eight rooms and I do all the work with ease. Tanlac has been a god-send to me and I would be selfish not to tell others about it."

Tanlac is sold by the leading druggists everywhere.

Rochester Baptist Ladies Entertain
The Baptist Ladies Auxiliary met in a Social Meeting with Mrs. Vestus Alvis Monday afternoon from 3 to 5 o'clock. The meeting was a source of much merriment and pleasure.

The Scripture Contest was pronounced "good," but those who entered into it, were impressed that we need to study our Bibles more closely.

The entertainment would not have been complete without being blindfolded and making an effort at pinning our names to a cow's tail—the results of which caused much laughter.

After the usual fashion, we were ushered into the dining room, where we were served delicious cake and ice cream with marichino cherries.

The visitors were Misses Alma and Willie Sutton, sisters of our secretary, Mrs. G. Cowan.

MRS. H. W. RICHY WRITES OF NEEDS OF HASKELL COUNTY

Are we progressive? Are we moving with the busy world of today? Or are we lagging with the things of yesterday? What a great difference would it make to the business men of the cities and the people of Haskell county if every citizen within its borders was wide-awake, up-to-date and progressive? Are we not tired of the old way of hand-to-mouth living, or a barely "get by" plan that has been practiced in the West for many years, which in the end is the plan of "skin the other fellow before he skins you."

Ask the real business man what kind of a farmer or stockman he had rather deal with: a first class farmer, a pure bred stockman, or the kind that grows his crops any old way and is satisfied with the poorest grade of livestock, better known as the "scrub."

We are going to watch the business men of Haskell and see how they will further the plan of the up-to-date farmers and stockmen and how much they appreciate the effort that is being made to put farming stock and poultry raising on a better basis.

The Free Press has asked us to rub up scrub pigs and feed up our cattle, sheep, pigs and poultry and get them ready for the county fair this fall. When this is done and the best of the up-to-date breeds are put on exhibition, where will your scrub be, and what interest can you take in them, when the better breeds sit in competition?

Cut the head off the scrub that a furtherance of his progeny may be stopped, and a pure bred may take the place and produce more for the breeder in pleasure and profit.

We are interested in pure bred hogs and poultry more than most anything else at this time in order to help supply the red meats that are year by year growing less in the markets.

Get you a setting of pure bred eggs and start right in the poultry business, win a prize at the county fair, then on to the State Fair and win for your county honors to which it is entitled. Get a pure bred pig and start in to grow your meat and lard at home. The pure bred will pay for the feed you give them and win you a prize at the fair and will help pay for the rearing.

The Free Press has begun the campaign for a county fair and we should stand by our county paper in everything that is right and more especially when it espouses our own cause. The Free Press cannot have a county fair alone. Someone must take the lead and we must get behind them. We must have the co-operation of the business men and every enterprise that stands for the progressiveness of our county.

Why not begin by dropping the Free Press a line on what you will give as a premium on any industry of the county at the county fair. And let it be a prize worth working for, too. Who will help the farmer boy or girl buy a setting of pure bred eggs, a calf, or a pig if they have not the money from which to purchase for themselves.

We should have a catalog of the prizes offered for the county fair and it should be gotten out now, so we can know what we are working for. Now is the time to begin.

Haskell county has the cattle, hogs, sheep and poultry to exhibit that will surprise the men or women that has not kept close tab on the recent progressive movements. All she wants is a chance to show them, not for the pleasure alone; we want to introduce pure bred stock and poultry to the producers of Haskell county, and save the waste of feeding the scrub. We want to put Haskell County on the map as the banner county—a home for pure bred livestock and poultry. We want an active grange breeder's

Legal Notice

In The Matter of The Estate of Ray and Eula Mae Carter, Minors, Mrs. Dona Westmoreland, Guardian. Pending in The County Court, Haskell County, Texas.

Whereas on the 12th day of May, A. D. 1920, Mrs. Dona Westmoreland, Guardian of the person and estate of Ray and Eula Mae Carter, Minors, filed an application in the County Court of Haskell County, Texas, asking for an order to lease for oil and gas the following one hundred acres of land located in the County of Haskell, State of Texas, to-wit: Being the south-west one-quarter of Subdivision No. Three of the Red River County School land, Abstract No. 345, Survey No. 71, patented to the School Commissioners of Red River on February 22, 1875, by Patent No. 545, Vol. 20, said land belonging to the estate of said Ray and Eula Mae Carter, Minors.

That said land is in a territory where the development for oil and gas is rapidly spreading over all of the adjacent territory and that said Guardian has an offer of one dollar per acre lease money, and an opportunity to put same in a block of acreage for the purpose of securing a test well in the immediate territory to prove this acre-

age. That said lease is to run for a period of four years after date, and unless drilling operations are started within one year after date, said land is to draw one dollar per acre rental each twelve months. That said lease period is not beyond the time that said wards shall become twenty-one years of age. That it would be advisable and beneficial to said estate to lease said land under said terms of said offer.

Wherefore take notice that on the 26th day of May, A. D. 1920, said application shall be heard by the Hon. Jas. P. Kinnard, County Judge of Haskell County, Texas, in the town of Haskell, at the office of said County Judge, at the hour of ten o'clock a. m.

Witness my hand this the 17th day of May, A. D. 1920.

DONA WESTMORELAND, Guardian of the person and estate of Ray and Eula Mae Carter, Minors. Subscribed and sworn to before me, this the 17th day of May, A. D. 1920. (Seal) J. G. Foster, Notary Public, Haskell County Texas.

The Boy Settled Matters

A Burlington boy, of the under-the-sofa variety, pinned his sister's beau's sleeve to her sash, then told his father there was a man in the parlor who wished to speak to him. There was no end of fun for about two minutes, and it all turned out for the best, too. The young man proposed on the spot, and the very next night he brought the bad boy a jack-knife and two oranges.
