## Gala Fourth Of July Planned In Briscoe County

Briscoe County residents are invited to wear pioneer costumes when they gather at the courthouse in Silverton for the Bicentennial Birthday Celebration Sunday, July 4. A large tent will provide shade, and there will be fun, fellowship, music, games, etc. for those of all ages.

The occasion has been planned to observe the 200th birthday of the United States of America and the 100th anniversary of the designation by the State of Texas of Briscoe as a county.

Briscoe County Home Demonstration Club women are kicking off the activities with an old-fashioned barbecue lunch beginning at 12:00 noon in the Silverton

### School Cafeteria.

The menu will be barbecue, cole slaw, pinto beans, potato salad, onions, pickles, peppers, cornbread, rolls, fruit cobbler, iced tea and coffee. Advance tickets for adults are \$3.00 each, and the price for children under 12 is \$2.00.

At 1:00 p.m. there will be a nationwide bell ringing ceremony in conjunction with the ringing of the liberty bell. All bells are to be rung in unison for five minutes, heralding the arrival of the Nation's Bicentennial.

The activities on the courthouse square will get underway at 4:00 p.m. with the presentation of the colors by Silverton Boy Scouts.

The Pledge of Allegiance to the Flag will be led by Briscoe County Judge M. G. Moreland. The invocation will be given by Earl Cantwell, minister of the Rock Creek Church of Christ, followed by the welcome by O. R. Stark, jr., President of the First National Bank in Quitaque.

The patriotic musical, "I Love America," will follow by the Briscoe County Bicentennial Choir under the direction of Elgin Conner, minister of the Quitaque Church of Christ. The choir is composed of approximately fifty adult and youth singers from Silverton and Quitaque.

Several exhibits will open inside the courthouse, including a

Quilt Show, Arts and Crafts Show, Antiques Show and Photography Booth. Classic and antique cars are to be parked on the courthouse square.

### QUILT SHOW

Quilts will be accepted from 2:00 until 3:00 p.m. at the courthouse. The committee is asking each exhibitor to furnish a card including the owner of the quilt, the age of the quilt, its history and other interesting facts about the quilt. Everyone is asked to show their new and old quilts. The committee will not be responsible for loss or damage to the quilts, but there will be someone there with the display all the time. The quilts are to be picked up between 6:30 and 7:00 p.m., before the county-wide church service.

Members of this committee include Joni Mayfield, Delene Tyler, and Lillian White.

### ARTS AND CRAFTS SHOW

Work for the arts and crafts show will be accepted from 2:00 until 3:00 p.m. Sunday at the courthouse. Each exhibitor will set up his own exhibit using display materials, tables, chairs, easels, pegboard, etc. that he brought and space will be assigned on a first-come, first-served basis.

The arts and crafts will be on display until 6:30 p.m. and should be removed from the courthouse before the county-wide church service. A card must accompany each art entry, giving title, medium, price and the artist's name. A description should also accompany the crafts. Prospective buyers are asked to contact the individual artist directly. There will be no commission charged on sales.

Members of this committee include Polly Montague, Jonnie Morrison, LaNelle Montague, Josie Johnston and Junis Hutsell.

The committee will not be responsible for any loss or damage to entries while on display.

### ANTIQUÉ SHOW

The Briscoe County Museum in the basement of the courthouse will be open during the celebration, and residents are also invited to bring in family heirlooms and antiques for a one-day show. These antique items may be brought to the courthouse beginning at 2:00 p.m. The committee asks that you attach a card giving the owner's name and historical data regarding the item.

Members of this committee include Norma Birdwell, Ruby Cushman and Ruth Anderson.

The antiques are to be picked up between 6:30 and 7:00 p.m., before the community-wide church service.

### PHOTOGRAPHY BOOTH

This will be a "for fun" thing under the direction of two Silverton photographers, Jack Robertson, jr., and Bill Willis. They will be making family and individual photographs for those who desire them and offering them in "prom packets" for sale.

They believe folks will think it fun to be photographed in an old-fashioned setting, perhaps in pioneer costume.

### BEARD CONTEST

At 5:00 p.m. the judging will be held in the Beard Contest. A couple of pioneer ladies, one from Quitaque and one from Silverton, will keep this contest in the "for fun" vein that it's always been in, by trying to recall just how the men looked in the early days.

## Northcutt - McCoy Vows Exchanged In Formal Double-Ring Ceremony

The marriage of Susan Lynn Northcutt and Harold David McCoy was solemnized Friday evening, June 25, in the First United Methodist Church in Silverton, at 5:00 p.m.

The bride is the daughter of Mrs. Larry L. Jarrett, Silverton, and Pat L. Northcutt, Dalhart. Mr. and Mrs. Hurl David McCoy of Lockney are the parents of the bridegroom.

Earl I. Cantwell, minister of the Rock Creek Church of Christ, read the double-ring ceremony as the bridal couple stood before a kneeling bench decorated with blue cornflowers and white pom-poms. Tapered candelabra and spiral candles entwined with greenery and white pom-poms, gladiolas and blue cornflowers. Royal blue bows marked the pews. The bride, given in marriage

MRS. HAROLD DAVID MCCOY

by her father, Pat L. Northcutt, wore a romantic gown of white cascading ruffles of scalloped chantilace. It was designed with a fitted bodice styled with a sheer chantilace sabrina neckline. The gown featured long sheer tapered chantilace sleeves finishing to a point at the wrist. The fitted waistline swept into a full cathedral train. The bride wore a circular waist-length, two-tier veil made of imported silk illusion. It was completely edged on both tiers with Chantilly lace and was attached to a French half-cap made of re-embroidered Chantilly lace. The bride carried a bible borrowed from her mother, topped with white orchids and stephanotis.

Miss Christi Northcutt, sister of the bride, was maid of honor. She wore a royal blue floral formal dress with white ruffles and belt. She also wore a white hat with royal blue ribbon streamers and carried a miniature replica of the bride's bouquet.

The bridesmaids were Misses Sally Northcutt and Judy Northcutt, sisters of the bride. They wore identical dresses, the same as the maid of honor. The attendants also wore white hats with royal blue streamers, and carried matching nosegays.

The flower girl, Amy Mullin of Turkey, niece of the groom, wore a solid royal blue long dress with white lace trim and a white hat. She carried a white basket with flower petals in it.

Van Martin of Silverton was best man. Dean Ziegler and Ty Wayne McMurtry were groomsmen. Cris Gill and Stan Martin were ushers. The men were all attired in white tuxedos and blue ruffled shirts.

Brandon Jarrett and Warren Jarrett, brothers of the bride, served as candlelighters. They also wore white tuxedos.

Miss Lee Ann McMurtry, pianist, played the traditional wedding march and several other selections.

A reception was held in the church following the service, honoring the couple. Mr. and Mrs. Larry L. Jarrett, Mr. and Mrs. Hurl David McCoy, Mr. Pat L. Northcutt, and the bridal attendants assisted in the receiving line. Miss Lesa Francis registered the guests and Mrs. Dean Ziegler, Miss Robbie Martin and Mrs. Randall Stapp, sister of the bridegroom, served the guests. David Strange and Jeff Jones assisted as circulating hosts.

The bride's table, covered with a white net and lace cloth, held a centerpiece of blue cornflowers, white pom-poms and white

No segment of the economy has ever changed so fast and so completely as has agriculture during the past 60 years. When these changes have required capital, your Federal Land Bank has been a primary source of funds. There will be more changes. But we believe that a free agriculture—based on the family-operated farm or ranch—will continue to flourish in any new environment.

The most important step towards saving money on heating and cooling costs is really inside a home...The Energy Efficient Home makes sure that heating and cooling stays inside your home, where it belongs. It's really not a new concept at all. With the days of cheap energy gone, it is important to use electricity more wisely than ever before. The energy Efficient Home is today's best method of enjoying clean, comfortable electric living at the lowest possible cost.

## LOOK INSIDE...

ASK FOR FREE NEW HOME PLANNING BROCHURE

WALLS conform to one of three options: #ONE- 6" walls with R-19\* insulation, #TWO - tongue and grooved styrofoam sheathing, 4" walls and R-11\* insulation, or #THREE - R-15\* minimum insulation. Walls must include a vapor barrier of 6 mil. polyethylene or foil-backed sheetrock. Sill insulation or sill caulking (under bottom plate) is also required.

CEILING insulation must equal R-30\*.

FLOORS (if pier and beam construction) must be insulated with R-13\*. In slab floors choose between Option #1, rigid urethane or styrofoam (3/4 minimum thickness) from top of floor along the outside edge of the slab down to the brick ledge, or Option #2, vermiculite poured in the cavity between bricks and slab up to the top of the floor.

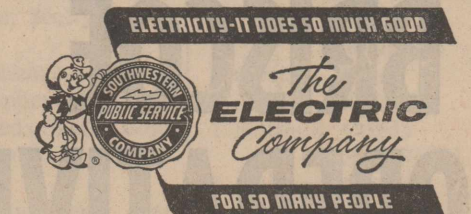

WINDOWS AND DOORS are weather-stripped and caulked. Double pane glass or storm windows and insulated core or storm doors also ensure energy efficiency. It is recommended that glass area not exceed 8% of floor space.

OTHER RECOMMENDATIONS include the use of cool fluorescent lighting, a heating/cooling system like the heat pump that maximizes efficiency and an electronic air cleaner to be used with moving air systems.

Today there is no need to sacrifice comfort to save energy and money. The Energy Efficient Home - like everything else electric - is as modern as tomorrow. Call your Southwestern Public Service Company manager. He'll give you all the details on the modern, comfortable way to save energy and money with the Energy Efficient Home.

\*The "R" value in the guidelines indicates the "Installed Resistance" of the insulation to the flow of heat.
