

**All Around the Town**

by Mary Ann Sarchet

I misread the key on the Silverton School Calendar and listed one date as a student holiday in error last week.

**CORRECTED LIST OF STUDENT HOLIDAYS**

- Nov. 5, 1976—In Service
- Nov. 17, 1976—In Service
- Nov. 25-26—Thanksgiving Holidays
- Dec. 18-31, 1976—Christmas Holidays
- Feb. 28, 1977—In Service
- April 8-11, 1977—Easter Holidays
- May 26-27, 1977—In Service

Cletus Grady, Jr., is doing graduate work at Stephen F. Austin in Nacogdoches this term.

Accepting leadership positions for the Lubbock Association of Credit Management recently were Mike Davis, president; Don West, vice-president, and A. J. Carpenter, counselor.

Dave Francis returned home from Central Plains Hospital Saturday after undergoing surgery there twice last week. He had surgery for repair of a broken arm Tuesday and knee surgery Thursday.

Mrs. Lark Miller had surgery Thursday of last week at St. Anthony's Hospital in Amarillo. She entered the hospital Monday afternoon of last week.

R. A. Baird underwent surgery at Central Plains Hospital in Plainview last Thursday.

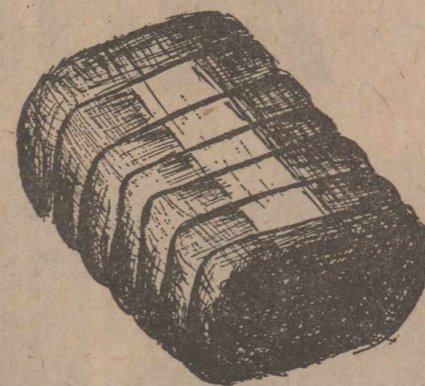

Troy Jones rushed in at press time with the following **BOOSTER CLUB NEWS FLASH** Pep Rally has been changed to Fridays at 3:00 p.m. in the school gym. Everybody come!

Next home game is October 1, and after the game there will be a "social get-together" for all fans. Coffee, cokes, cookies. Place to be announced later.

High school football players' individual pictures, 8x10 color, will be available soon as well as group pictures of the Junior High and Fifth and Sixth Grade teams. Con-

## Miss Mackenzie Pageant To Be Staged Here Saturday Night

KERRI ARNOLD MISS MACKENZIE 1975

fact Helen Strange if you want to buy pictures.

Join the Booster Club — its FUN!

The third annual Miss Mackenzie Pageant will be staged at 8:00 p.m. Saturday, September 25, 1976 in the Silverton School Auditorium under the sponsorship of the L. O. A. Junior Study Club of Silverton.

Admission is \$2.00 for adults and \$1.00 for students, and door prizes will be given.

John Will Nichols of Tulia will be master of ceremonies for the pageant, and music will be played by Mrs. Wayne McMurtry, Ricky Hester, Ronnie Hester and Johnny Ortega.

This year's judges for the pageant are Mrs. Tom Hamilton of Plainview, Miss Donnetta Williams of Big Spring and Randy Faith of Hale Center.

Mrs. Hamilton is dietary consultant at Central Plains Hospital in Plainview, and is a former school teacher. She is a graduate of Mataro High School and Texas Tech University, where she received her degree in home economics. She has been a participant in the Maid of Cotton Contest in Lubbock, and has helped judge beauty contests.

Miss Williams is a junior at Wayland Baptist College in Plainview. She is the present Miss Way-

land and took part in the Miss Texas Pageant last summer, where she won a talent award. She has been a competitor in the Miss Lubbock and Miss Dallas pageants.

Mr. Faith is a graduate of Hale Center High School and attended South Plains College in Levelland. He opened his own business, Randy's Flowers, in Hale Center at the age of 19.

A Get-Acquainted Party will be held for the 26 contestants on the day of the contest at 4:00 p.m. in the Pioneer Room of the First State Bank in Silverton. Century of Progress Study Club of Silverton will host the event, during which each contestant will have a private interview with the judges.

Eligible to enter the contest were girls aged 16 to 18 who are students in the high schools in Floydada, Lockney, Tulia and Silverton, the cities whose taxpayers built the Mackenzie Dam.

The first Miss Mackenzie was Miss Kathy Wilks of Tulia. The new Miss Mackenzie will be crowned by last year's winner, Miss Kerri Arnold of Silverton. A \$50 bond will be presented to the winner by the City of Silverton, in addition to other gifts.

The contestants will open the pageant by singing "The Candy Man." Theme of this year's pageant is "Miss Mackenzie in Candy Land." The opening number was planned under the direction of Mrs. Bob Rauch of Silverton.

The girls will model sportswear and formalwear during the pageant, a Miss Congeniality will be announced, and five finalists will be asked a question by the judges.

Two Silverton High School students, David Strange and Chief Davidson, will escort the contestants onstage. Mayors of the four cities, members and managers of the Mackenzie Municipal Water Authority have been invited as special guests.

**THE CONTESTANTS ARE:**

**FROM FLOYDADA**  
Donna Reid, 16, is the daughter of Mr. and Mrs. Charles Reid, and is a junior in Floydada High School. Sponsors by the Floyd County Hesperian, her hobbies include hooking rugs, tennis, water skiing, horseback riding, dancing, twirling and gardening.

Eva Spurlock, 16, daughter of Mrs. Bee Spurlock, is a freshman in Floydada High School. She has three brothers, four sisters, enjoys playing tennis and is sponsored by KFLP Radio.

Jill Probasco, 16, daughter of Mrs. Kenneth E. Probasco, is a junior in Floydada High. Her hobbies and special interests include sewing, basketball, track, golf, dancing, FFA and 4-H. Her sponsor is Arwine Drug.

Kelly Ann Hagood, 16, daughter of Mr. and Mrs. Dan Hagood, is sponsored by Loft Western Wear. A junior in Floydada High, she enjoys twirling, tennis, swimming and water skiing.

Ronnette Kitchens, 16, daughter of Mr. and Mrs. Ronald Dale Kitchens, is a junior in Floydada High and is sponsored by Peggy's Beauty Shop and Boutique. She enjoys water skiing, basketball, track and dancing.

Teresa Lannette Stewart, 16, daughter of Mr. and Mrs. Dean Stewart, is a junior in Floydada High. She enjoys water skiing, tennis, swimming, riding motorcycles, and is sponsored by Solomon's.

Robin Gay Roberts, 17, is the daughter of Mr. and Mrs. Johnny Roberts and is a senior in Floydada High. Her sponsor is the 1956 Junior Study Club. She enjoys music, drama, art and animals.

Adeana Meclele Morris, 16, daughter of Mr. and Mrs. Dean Morris, is a junior in Floydada High. She enjoys twirling, horse racing, working with pre-school children, meeting people, making friends, 4-H, speech and drama. Her sponsor is Floydada Seed & Delinting.

**FROM LOCKNEY**

Melinda Wilson, 16, daughter of Mr. and Mrs. Chuck Wilson, is a junior in Lockney High School. Her special interests are tennis, music, reading and photography, and she is sponsored by Athena Junior Study Club.

Janis Marr, 17, daughter of Mr. and Mrs. Thomas Marr, is a senior in Lockney High. Sponsored by the Lockney Lions Club, she enjoys pastel painting, swimming, tennis, skiing, basketball and

oceanography.  
Tammie Karen Carthel, 17, daughter of Mr. and Mrs. Bobby Carthel, is a senior in Lockney High. She enjoys riding horses and cooking, and is sponsored by the Lockney Chamber of Commerce.

**FROM TULIA**

Susan Rossi, 16, is the daughter of Mr. and Mrs. Henry Rossi and is a junior in Tulia High School. She enjoys basketball, cooking and playing the organ and piano. She is sponsored by Sigma Eta chapter of Beta Sigma Phi.

Millicent Murff, 17, is the daughter of Mr. and Mrs. Sam T. Murff. A senior in Tulia High, she is sponsored by the Pottery & Indian Shop. Her special interests are art and music.

Regina Lee Finney, 18, is the daughter of Richard A. Finney, and is a 1976 graduate of Tulia High School. Her interests include sewing, modeling, motorcycling and fashion design. She is sponsored by Swisher Meat Company.

Linda Anderson, 17, is the daughter of Alton Anderson, and is sponsored by the Tulia Lions Club. A senior in Tulia High, her special interests include sewing, piano, organ, cooking, reading, tennis and skiing.

Bilinda McAnelly, 16, is the daughter of Mr. and Mrs. Bill E. McAnelly. Her interests include playing piano, sports, snow skiing, sewing and swimming. She is sponsored by The Progressive Study Club.

Lee Ann Foreman, 17, is the daughter of Dr. and Mrs. L. S. Foreman and is sponsored by Jackie's Shoppe. Her special interests include music (piano and flute), art, photography and foreign languages.

Debra Blankenship, 16, is the daughter of Mr. and Mrs. W. L. Blankenship. A junior in Tulia High, she enjoys sports and music. **See MISS MACKENZIE— CONTINUED ON PAGE FOUR**

## Mrs. Cora Donnell To Be Honored On 95th Birthday

The children of Mrs. Cora Donnell will honor their mother with a tea Sunday afternoon from 2:00 until 4:00 p.m. in the home of Mr. and Mrs. Jim Brooks at 802 Braid-

★ ★ ★

MRS. CORA DONNELL

## Senator Ray Farabee To Speak At Meeting

Senator Ray Farabee will be guest speaker for the Turkey Farmers Union September 27 at 8:00 p.m. at the Valley School Cafeteria.

Everyone is invited, whether a Farmers Union member or not. Bring a covered dish for the supper. Drinks and bread will be furnished.

## New Time Set For Pep Rallies

Pep rallies will continue to be held on Fridays, but the time is being changed to 3:00 p.m.

## Freshman Class Has Meeting

The Freshman class met September 16 to discuss a supper. Dues were discussed again, but no decision was made on the supper or dues. A fine of 10c was set for talking without permission.

## Central Plains Branch Office No Longer Opposed

Central Plains Savings and Loan Association, with headquarters in Tulia, was left with an unopposed application for a branch office in Silverton last week after Plainview Savings and Loan Association withdrew its branch office request and First Federal Savings and Loan Association of Childress withdrew its protest to the applications.

The Tulia and Plainview Associations both had requested branches in Silverton and the Childress Association had protested both applications in a letter to the Texas Savings and Loan Department.

However, before the Tuesday hearing was called, Plainview indicated it would withdraw its application and Childress indicated by another letter it was withdrawing its objections.

Therefore, the hearing was dispensed with and Commissioner W. Sale Lewis will consider the application of Central Plains. Lewis has indicated no time for a decision in the matter.

Mr. and Mrs. Clayton Pigg of Quitaque and Mr. and Mrs. Johnny McNamara of Lubbock spent Sunday with their grandparents, Mr. and Mrs. Milton Dudley.

## Owls Score In Effort Against Mustangs

The Owls scored their first touchdown of the season against the Claude Mustangs and trailed at halftime only 12-6 here last Friday night in a non-conference game with a former District 2-A foe.

Silverton fumbled on its first series of plays, and Claude recovered on the Owl-28. The Mustangs made a first down on their fourth try, carrying to the Owl-16, but on the next fourth down and needing 15 yards, the Owls forced the turnover of the ball.

**BRENT BRANNON outran all competitors to make it into the end zone for the first touchdown to be scored by the Owls this season. Brannon is a junior quarterback for the team.**

Claude's first scoring effort was from the Silverton-20 on a pass and run, but this was called back due to a penalty against the Mustangs. Then with 1:18 remaining to be played in the first quarter, on fourth down from the five-yard line, the Mustangs passed successfully for the first points of the game. The pass attempt on the conversion failed, and the Mustangs held a 6-0 lead.

The Owl offense came back with a pass from Quarterback Brent Brannon to Quarterback moved-to-End David Strange for a first down on the Claude-47.

(Strange also quarterbacked the team later in the game after Brannon absorbed a Mustang late hit.) Strange punted to the Mustang-11, the defense held, Claude's punt

was blocked, and the Owls took possession on the Claude-15. The Owls passed for a first down on the Claude-5, and from there Brannon carried the score. Gary Turner's kick went wide, and the score was tied at 6-6 with 8:18 remaining in the first half.

Claude came back with a touchdown run with 8:04 still showing on the second-period clock. The run for extra points failed, and Claude led 12-6. The Mustangs ran another long touchdown which was called back due to a clipping penalty.

The Mustangs scored again with 6:43 remaining in the third quarter on a four-yard run, carried the two-point conversion, and moved into a 20-6 lead.

A few plays later, Claude tack-

led the Silverton ball carrier in the end zone for a two-point safety.

In the fourth quarter, Wes Fleming intercepted a Claude pass and ran about 20 yards with it. After the ball went back over to the Mustangs, Gary Turner recovered a Claude fumble. Still later, the Owls completed a pass to End Jackie Vaughn, and after being intercepted by Claude, Brannon came back with a pass interception of his own before completing another pass to Vaughn. With six seconds remaining in the game, Claude kicked a field goal to ice the final 25-6 score.

During the game, the Mustangs scored in every way possible with the exception of an extra-point kick.

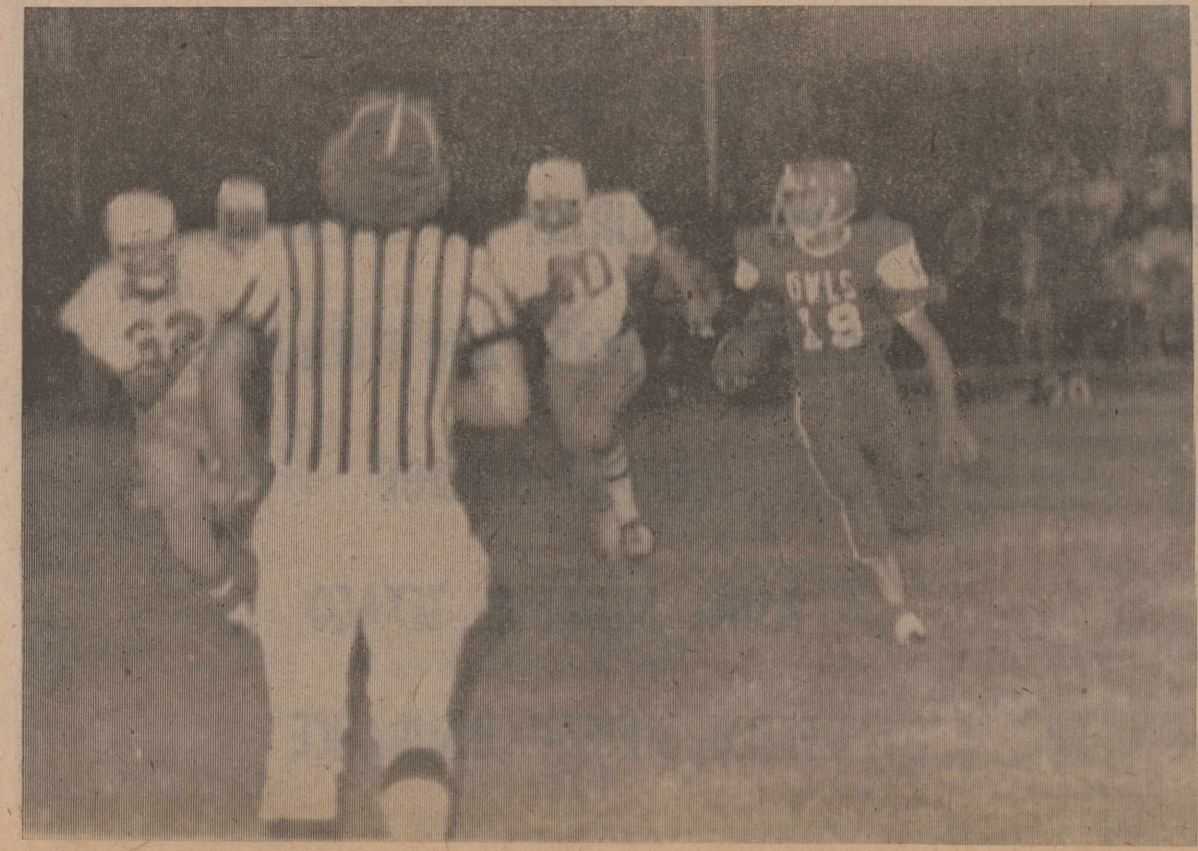

Most fans agree that the Owls, running out of a new formation, looked quite a lot better than they had looked in the two previous outings. Good defense was noted by Jeff Jones, David Strange and Wes Fleming, in addition to others.

The Mustangs outscored the Owls 9-7 in the first downs department.

Mustang Back Kirk Cline suffered a broken collarbone in the first half, and after first-aid in the field house, was taken by his parents to an Amarillo hospital.

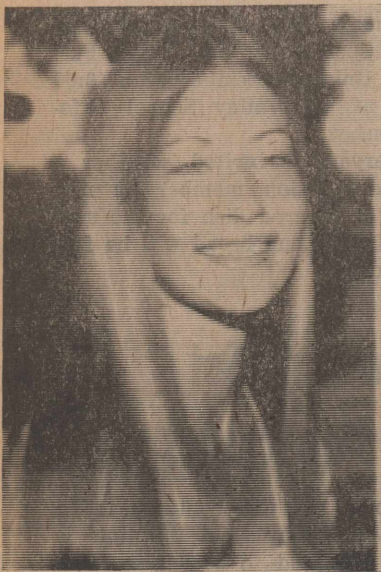

Owl Guard and Co-Captain Jack Robertson received a wrist injury in the game which his doctor is to X-ray again today. Robertson was also ill Monday with either a reaction to medication or a concussion, but felt better Tuesday and returned to classes.

The Owls travel to Springlake-Earth Friday night to play the Wolverines beginning at 8:00 p.m. It is not known at this writing if six players for the Wolverines who were expelled from school for violation of the school dress

code will have been re-instated for this game. The Owls do need your support. If it is at all possible, follow the Owls to the Springlake-Earth School Friday. They need your support. **WIN, OWLS!**

**Junior High Owls Continue Winning Ways**

Silverton's Junior High Owls continued their winning ways, adding the third to their string with a 30-8 victory over the Claude Colts here last Thursday afternoon. The lone Claude score came on a run on the last play of the game against the Owl reserves.

The first quarter of the game was a big one for the Junior Owls. David Vaughn opened scoring action behind a key block thrown by Mark Patton, with a 65-yard run for paydirt, but his conversion run failed, and the Owls led 6-0.

After making one first down, the Colts punted, and shortly after taking possession, the Owls sent John Segura on another 60-yard touchdown gallop. Quarterback Jeff McCord carried the two-point conversion, and the Owls led 14-0.

McCord took the next Claude punt and ran 60 yards for another Owl score. Segura carried the conversion, and the Owls led 22-0.

During the second quarter, McCord completed passes to Segura, Vaughn, Patton and Blaine Eddle-

man, but there was no scoring. In the second half, Segura recovered a Claude fumble and on the next play ran 30 yards for another Owl touchdown. Vaughn carried the conversion, and the Owls led 30-0.

The Owl reserves played most of the second half. Casey Bean carried a touchdown that was called back due to an illegal procedure call against the Owls. Quarterback Kelly McMurtry completed a pass to Walter Perkins. Bean carried to about the Claude-5, but a Quarterback Sneak by McMurtry failed to carry into the end zone.

Claude made four first downs in the game, three of which came against the Owl second team.

**JUNIOR VARSITY**

The Junior Varsity team suffered a 38-0 defeat at the hands of Claude last Thursday. Several changes in the lineup were necessitated by injuries, and James Alan Patton and Doug McJimsey were brought down from the varsity for that week's game.

The Mustangs scored 26 points in the first half, with the Owls blocking several of their extra-point kicks. The home team looked better in the second half, hold-

**Drivers Reminded Of School Bus Laws**

"This school year, as in the past, the School Bus Loading Laws confuse many drivers," states Major C. W. Bell, Regional Commander of the Texas Department of Public Safety.

The Uniform Vehicle Code in Texas states that the driver of a vehicle, meeting or overtaking from either direction a school bus displaying red flashing warning lights that is in the process of loading or unloading passengers, shall stop until the school bus starts moving, the red lights are no longer flashing, or the bus driver directs motorists to proceed.

"Freeways and divided highways add to the drivers' confusion," Major Bell added. "If a bus is on an access road, only the traffic on the access road must stop. However, if the bus is on a divided highway and pedestrian traffic does not normally cross the median or barrier then only the traffic on the portion of the roadway occupied by the bus must stop."

It is most important that drivers observe the School Bus Loading Laws for the protection of the school children.

Mr. and Mrs. W. C. Eddleman of Eureka, California arrived by plane in Amarillo Sunday afternoon. They were met there by his brother and wife, Mr. and Mrs. Bryant Eddleman of Silverton. Mr. and Mrs. Murry Morrison, Mrs. Ruby Cushenberry, Mr. and Mrs. Murry Wayne Morrison and family of Quitaque drove to Silverton after the evening church services to visit the California relatives. Mr. Eddleman is a brother of Mrs. Murry Morrison and Mrs. Cushenberry. They are planning a family reunion at the Quitaque Community Building Sunday.

**Dear Charlotte,**

The bells have rung, and they are back in school—oh, joy! Isn't it strange tho' how little things bother you during school days that never ripple the surface during summer days?

Reminds me of a quotation I read the other day, "It isn't the mountains that you have to climb, but the grains of sand in your shoe."

School mornings and days are filled with grains of sand.

—Like the socks that don't match—where does the other sock hide?

—Or one tennis shoe—or no shoe strings—

—Or no pancake mix when you've promised pancakes for breakfast—

—Or no change in the house when your student must have exactly 52 cents!

—Or the lost English book that was last seen at the football field—

—Or the geography book left at school when there's an important test tomorrow—

—Or the 79-cent composition book and red pencil which he forgot to buy yesterday (time: 8:20)—

—Or the two page book report that was ruined by a younger sister's chocolate hands—

—Or the book report that is due in the morning, and the book hasn't been finished (assigned 3 weeks ago)—

—Or the lunch that is 5 minutes late and the student must eat and be back in three minutes—

Not the mountains—the grains of sand—

Wish we could have an instant replay of summer.

sic (piano and flute). She is sponsored by Xi Kappa Gamma.

FROM SILVERTON

Jo Jarrett, 17, daughter of Mr. and Mrs. Claude Jarrett, is a senior in Silvertown High School. Her special interests are tole painting, swimming, singing and playing the piano. Her sponsor is Silvertown Chapter, Future Homemakers of America.

Janette Reeves, 17, daughter of Mr. and Mrs. Robert Reeves, is a senior in Silvertown High. She is sponsored by First State Bank of Silvertown. Her special interests include macrame, horseback riding and woodworking.

Linda Kay Vaughn, 16, is the daughter of Mr. and Mrs. H. M. Vaughn. She is a junior in Silvertown High and is sponsored by Potpourri. Her special interests include basketball, track, sewing, cooking, going places and meet-

ing people, being with family and friends.

Susan Payne, 16, is the daughter of Mr. and Mrs. Charlie Payne and is a junior in Silvertown High. Her interests include riding horses, playing basketball, running track, raising animals and rodeoing. She is sponsored by South-west Home Demonstration Club.

Lee Ann McMurtry, 17, is the daughter of Mr. and Mrs. Wayne McMurtry. She enjoys barrel racing, playing piano, cheerleading, skiing, and is sponsored by the Silvertown Lions Club.

Robbie Martin, 17, is the daughter of Mr. and Mrs. A. R. Martin and is a senior in Silvertown High. Her sponsor is Jones Department Store. Her special interests include cooking, rodeos, meeting people and being with friends.

Colleen Hutsell, 16, is the daughter of Mr. and Mrs. F. E. Hutsell, and is a junior in Silvertown High. Her sponsor is Century of Progress Study Club. Her special

interests include scuba diving, water and snow skiing, oil painting, cooking, basketball, football and caring for animals.

Donna Lynn Rowell, 17, is the daughter of Mr. and Mrs. W. D. Rowell. A senior in Silvertown High, she is sponsored by the Silvertown Volunteer Fire Department. Her interests include playing basketball and watching the Dallas Cowboy football team.

The 26 contestants comprise the largest number ever to have taken part in the Miss Mackenzie Pageant. The girls attended rehearsal in Silvertown Tuesday night.

Silvertown Senior Is Semifinalist In Scholarship Program

Approximately 15,000 students have been named Semifinalists in the 1977 National Merit Scholarship Program. These academically talented students will have an opportunity to continue in the competition for about 3,850 Merit Scholarships to be awarded next spring.

Named as a semifinalist from Silvertown High School is a senior, Miss Susan Grabbe, daughter of Mr. and Mrs. Warner Grabbe.

To advance to finalist standing, semifinalists must meet requirements that include being fully endorsed and recommended for scholarship consideration by their secondary school principals, presenting school records that substantiate high academic standing, and confirming their high qualifying test scores with equivalent scores on a second examination. Over 90 percent of the semifinalists are expected to qualify as finalists and to receive certificates of merit next February. All winners of merit scholarships will be chosen from the exceptionally able group of finalists.

Over one million students from more than 17,000 high schools entered the 1977 merit program by taking the 1975 Preliminary Scholarship Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Semifinalists are the highest-scoring students in each state; the number named in a state is proportional to that state's percentage of the nation's total graduating senior class. The semifinalists, most of whom will compete in high school and enter college in 1977, represent the top half of one percent of the nation's most academically talented young people.

On a farm in Madison, Indiana, there is a "No Trespassing" sign that means business. It reads this way: "No Trespassing: Survivors will be Prosecuted."

Special Activities Being Held During Homemaker Week

September 19-25 has been declared as Young Homemaker Week in Texas. The State Association of Young Homemakers of Texas is a chartered organization for young adults interested in homemaking skills.

It functions under the supervision of the Texas Education Agency and in cooperation with local schools. The home economics teacher serves as chapter advisor. Mrs. George Reed is the advisor for the Silvertown Chapter.

The organization is formed exclusively for educational purposes with particular reference to the area of homemaking. Members learn new skills and gain information contributing to home and family living and community involvement.

The Young Homemakers creed is: We, the Young Homemakers of Texas, Seek to strengthen the bonds of the family With knowledge, integrity, love, understanding, and faith in God—In order that our homes may be established in the firm foundation of our Community, State, Nation and the World—Upholding the right of each individual to dream, to work and to assume the privileges and responsibilities of the democratic way of life.

Silvertown Young Homemakers meet the second Thursday of each month in the Home Economics Department at the school at 7:30 p.m. Young adults who are interested in knowing more about the club are invited to attend any of the meetings.

In observance of YHT Week, the Silvertown Chapter sent red carnation arrangements to each member's church Sunday, and will have a membership rush salad supper at the P. C. A. community room at 7:30 today (Thursday) to honor new and prospective members.

GET THE DROP ON HEATING BILLS

the energy efficient home captures lost heat...

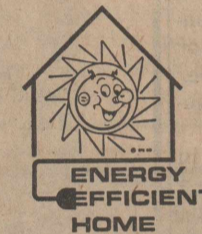

Here's how.

The Energy Efficient Home has a greater amount of insulation in the walls and ceiling to keep heat from escaping to the outside. The Energy Efficient Home has double-paned glass or storm windows, properly weather-stripped and caulked to further trap heat inside your home.

And the Energy Efficient Home has efficient electric heating equipment that uses energy wisely.

All the specifications for the Energy Efficient Home mean that the warmth you're paying for stays where you need it... inside.

Call the Electric Company for the complete information on how you can get the drop on heating bills by trapping Lost Heat with the Energy Efficient Home.

Time to Pray...

Life can be so full and active... There are the school hours, time for study, and for a growing child there must be recreation. Also a time for eating is necessary, and a time to be with the family. One of the most needed times is to be with God in prayer. There are times that we should give thanks to God for our food, and times to seek his guidance and watch-care, and there are times to pray with others. This we can do by attending church.

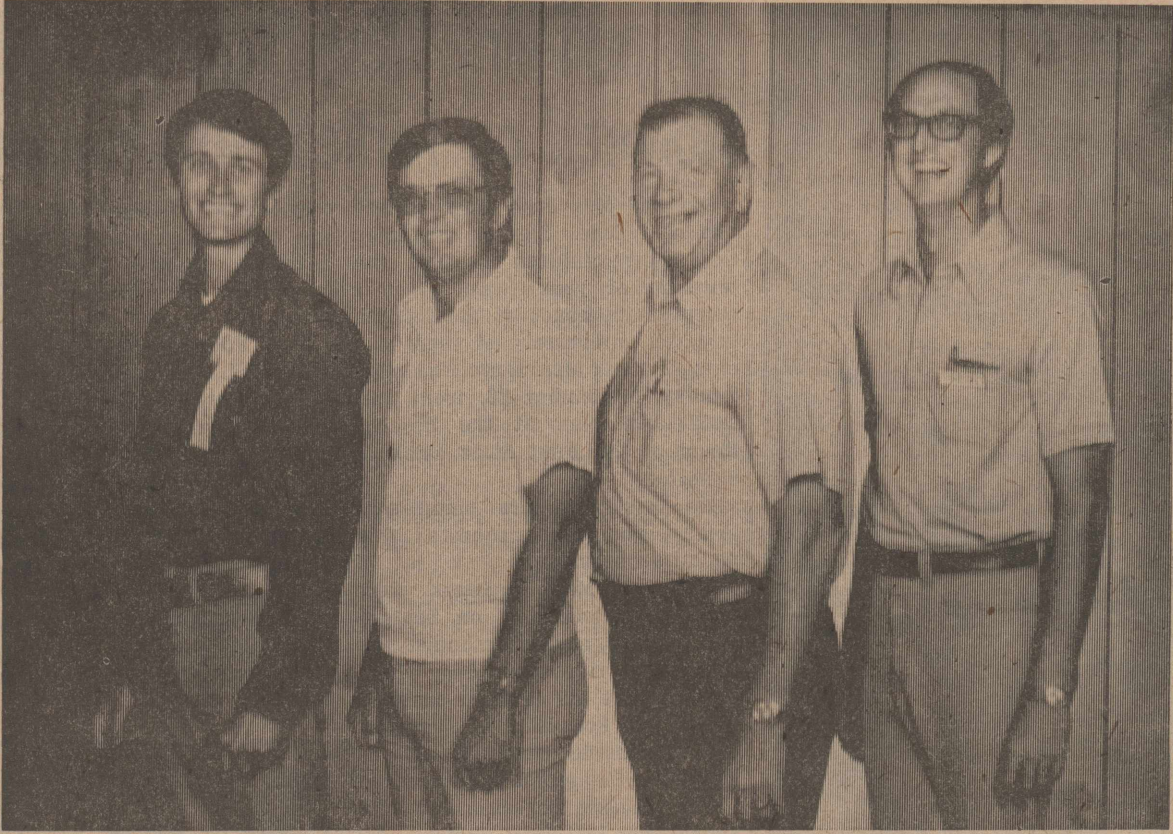

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### Frizzell Attends Regional Meeting

Lynn Frizzell of Silverton was among key P-A-G Seed Dealers from a five-state area, attending the Regional P-A-G Dealer Council annual meeting in Lubbock August 27-29.

Dr. Charles Berry, director of P-A-G's Hybrid Sorghum Research, Lubbock, and Clayton Hansel, manager of the P-A-G Hybrid Corn Research Center, Carrollton, Missouri, presented a program on "What's New In The Field," with P-A-G's sorghum and corn varieties at the Saturday business meeting and field tour.

Other activities at the Council meeting included a tour of the Ranching Heritage Center at Texas Tech University, dinner and a play at the Hayloft dinner theater, and a banquet honoring outstanding P-A-G dealers.

Dealers' wives were treated to lunch and a style show in the Gold Room at Hemphill Wells on Saturday.

*Briscoe County News*  
SILVERTON, TEXAS  
"FOR ALL YOUR PRINTING NEEDS"

### Area I Conventions Held In Lubbock Saturday

The Sixteenth Annual Area I Young Farmers of Texas held their convention at the Koko Palace in Lubbock on Saturday, September 18.

Business was conducted during the afternoon session. The group voted to have a Marketing Field Day at Texas Tech in January. Dr. Jerry Stockton volunteered to secure the speakers and programs for the field day.

Area I YFT elected and installed their new officers as follows: Don Moore, Dimmitt, president; Steve Jackson, Abert, vice president; Oren Watson, Tulia, secretary; Orville Turner, Silverton, treasurer; and Larry Roots, Darrouzett, reporter. Area I YFT state officer is Calvin Shelton, Silverton, who will serve his second year of the two-year term. Walter Labay, Plainview, is the Area advisor.

The Abert Chapter had the largest number of members present while the Darrouzett Chapter traveled the furthest.

Dr. William F. Bennett, Assistant Dean of Agriculture at Texas Tech, presented the program with slides entitled "Impressions of Africa," which showed the dry conditions and the overgrazed land. The joint award program and banquet was also held at the Koko Palace.

Young Farmer awards were presented to Bobby Richey, Frenship, who received the coveted Star Young Farmer award while his chapter, the Frenship Young Farmers, was named Outstanding Chapter. Richey also received the Outstanding Area I Officer plaque. Runner-up for the Outstanding Young Farmer award was Steve Jackson, Abert.

Outstanding Agribusinessman award recipient was Johnny Davis, Dimmitt. G. W. Chappell, Silverton, won the Outstanding Associate Member award. Dimmitt Young Farmers received the TV-Radio award, while the Silverton Chapter won the Public Relations Award. All the award winners will enter competition with winners from the other Areas in Texas, with the winners to be announced at the State Young Farmer Convention in San Antonio in January. The award sponsors were Southwestern Public Service, Amarillo; Farmland Industries, Inc., Kansas City, Missouri; and Production Credit Associations of Texas.

The Young Homemakers awards were Outstanding Young Homemaker, Mrs. Bobby Schroeder, Roosevelt; Runner-up was Mrs. Kenny Chance, Ralls; Little Sister-Scholarship, Ann Bradley, Hereford; Outstanding New Chapter, Sunray Young Homemakers. The Area I Outstanding Chapter award was captured by the Roosevelt Chapter. These awards were Sponsored by the Farm Division of Pioneer Natural Gas and the Electric Utility Companies of Texas.

Area I YHT and YFT takes in most of Northwest Texas, including the Panhandle and some of the South Plains. In Texas the groups are supervised through the Texas Education Agency which oversees vocational agriculture and home economics instructors in Texas.

Attending from Silverton were Mr. and Mrs. Ed Lain, Mr. and Mrs. G. W. Chappell, Mr. and Mrs. Fred Hill, Mr. and Mrs. Wayne Stephens, Charlie Thompson, Tommie Blackerby, Calvin Shelton, Orville Turner, Fred Brannon and Tobe Riddell.

#### YOUNG HOMEMAKERS

The Area I Young Homemaker Convention was held Saturday, September 18 at the Koko Palace in Lubbock.

Mrs. Kenny Chance, Ralls, presided over the business meeting. Various reports were given.

Marilyn Gamble, President, Area I FHA, Cooper, brought greetings and invited all the YHT to the Area I FHA meeting March 11-12.

It was reported that there are 30 chapters and 573 members in Area I YHT and of this number, 19 chapters and 111 members were present at the meeting.

The election and installation of officers were conducted by State YHT President, Mrs. J. G. Cannon, Hale Center.

Dr. Charles Smith, Professor of Child Development, Texas Tech University, presented "The First Six Years" and Mrs. Bryan Edwards, Professor of Family Relations at Tech, presented "The Pre-Teen Years." Each gave members

Wind erosion like this can be reduced by carrying out a sound conservation program on your farm.

### Soil Blowing Is Serious Problem

Soil blowing is a serious problem in this area. The amount of damage varies greatly from year to year because of irregular rainfall and variable periods of high winds.

Control of soil erosion is one of the most serious soil management problems. Whether erosion results from wind or water, valuable topsoil, organic matter and fertility are lost. This means lower profits for the farmer.

Wind erosion can be reduced significantly by rotating high residue crops with other crops that produce little residues. Strip cropping can also be practiced in this area to help combat wind erosion. Crop residues are very effective in preventing wind erosion. Residues left on the surface from the previous year's crop is often the only measure which will prevent wind erosion on cropland.

Crops that produce little or no residues can be overseeded with rye in the fall of the year to help reduce wind erosion. If moisture conditions are favorable the cover-crop can be used to furnish grazing or can be harvested for grazing.

If wind erosion still occurs, emergency tillage can be practiced to help fight wind damage. This tillage operation is a temporary measure at best and should be the last resort taken in controlling wind erosion.

For further information contact the Soil Conservation Service or the Cap Rock Soil and Water Conservation District in your area.

some very warm and useful information to take home and share with other family members.

### Special Week Recognizing Young Farmers Of Texas

September 19-25 has been officially designated as Young Farmer Week in Texas. The Young Farmer Association is sponsored under the auspices of vocational agriculture departments in high schools across Texas and the Texas Education Agency.

Chapters are organized to carry out educational activities which will help the members keep abreast of the technological advancements in the field of agriculture and to develop greater skill and efficiency in management, production and marketing.

In addition to educational activities, Young Farmers incorporate in their planned chapter programs civic and community service projects and leadership activities that are designed to improve their communities, the state and nation, and to promote the welfare of all citizens. Through these efforts, the Young Farmers are helping to strengthen the economy of our country and are promoting good citizenship.

As the State Association of Young Farmers of Texas continues to grow, it will play an increasingly important role in the life of rural America.

Dan Herrington, president of the Silverton Young Farmer Chapter, reports that the local chapter will be participating in Young Farmer Week and invites all interested persons to attend the Thursday meeting (tonight) beginning at 8:30 in the school vocational agriculture department.

Comes now a proposal to put windmills over Washington to generate electric power. With all that hot air rising from ground level, it figures.

#### HELPING HAND CLUB MEETS

The Helping Hand Club met Thursday with Mrs. J. D. Nance. Members present were Mrs. Lowell Callaway, Mrs. Frank Mercer, Mrs. Lenton Lanham and Mrs. Aubrey Rowell.

Following the business meeting, refreshments were served and a visiting session was enjoyed by all. The next meeting will be hosted by Mrs. Aubrey Rowell.

Mr. and Mrs. J. D. Nance recently visited in Millsap with Mr. and Mrs. Homer Youngblood, in Arlington with Mr. and Mrs. Delos Johnson and Ted, and in Whitesboro with Marie Chisem, a cousin of Mrs. Nance's. They also visited in Colbert, Oklahoma with Mr. and Mrs. Beryl Underwood, former residents of this community.

A Public Service of The Magazine & The Advertising Council

MRS. DAVID WAYNE JOHNSTON

Mr. and Mrs. Cecil Purcell of Quitaque, and the bridegroom is the son of Mrs. Josephine Johnston of Quitaque and the late Odell Johnston.

Wedding vows were exchanged before an archway of emerald greenery accented with blue carnations, white daisies and blue saun bows.

Given in marriage by her father, the bride wore a gown of white lace over white brocade, designed with cape sleeves edged with embroidered daisies. Her high neckline was finished with embroidered daisy trim. Her fitted bodice was attached to a floor-length A-line skirt of white lace over white brocade, which swept into a chapel-length train in back. The hemline was edged with embroidered daisies.

Her fingertip veil of illusion was accented by embroidered daisy trim and was attached to a band of matching embroidery and lace.

She carried a bouquet of blue and white daisies showered with blue and white streamers.

She carried out bridal tradition by wearing a necklace borrowed from her mother, her new wedding ensemble, a blue garter and placing pennies bearing the year of birth of her bridegroom and herself in her shoes.

Miss Ruth Purcell attended her sister as maid of honor. She wore a floor-length gown of pastel floral print designed with long sleeves and gathered skirt. The ruffled cuffs and bodice front were accented with lace. She added a blue picture hat accented with wide satin band and a corsage of blue carnations and daisies.

Master Jeffery Lynn Smith of Silverton, nephew of the bride and cousin of the bridegroom, was ring bearer. Best man was Leslie Sinor of Floydada.

Mrs. Purcell chose a beige street-length dress accented with a white scarf for her daughter's wedding. She added a corsage of white flowers. The groom's mother wore a peach street-length dress and also added a corsage of white flowers.

Wedding music included "We've Only Just Begun."

A reception was held immedi-

MR. AND MRS. WARE FOGERSON

## Mr. and Mrs. Ware Fogerson To Be Honored on Fortieth Anniversary

Mr. and Mrs. Jack Mayfield and Mr. and Mrs. Stanley Fogerson and their children request the pleasure of your company at a reception in honor of the fortieth wedding anniversary of their parents, Mr. and Mrs. Ware Fogerson, Sunday, September 26, from 2:00 until 5:00 p.m. at the Pioneer Room of the First State Bank in Silverton.

No invitations are being sent locally, and it is requested that no gifts be sent.

Mr. and Mrs. Fogerson were married at 1:55 a.m. on September 26, 1936, at the Methodist parsonage in Matador. They have lived almost all of their married life at 800 Broadway in Silverton.

There was no paving in the area forty years ago, and it had rained for days. Ware Fogerson and Miss Sylvia Day had Bert Douglas get their marriage license for them earlier in the day, and it was 7:00 p.m. when they left Silverton in separate cars for Matador. It was

very late when they reached Matador, and by the time they arrived at the parsonage to be married, it was almost two o'clock in the morning.

Mrs. Fogerson was working as a beautician in a shop in back of Ben O. King's barber shop at the time of their marriage. Mr. Fogerson was working with his mother at the elevator. Together they have operated a lumber yard in Silverton for many years, in addition to farming and livestock interests.

The Fogersons were parents of three children, two sons and a daughter. One son, Victor, died in 1953.

## Purcell - Johnston Vows Exchanged September 4 In Ceremony

Miss Dianna Lynn Purcell became the bride of David Wayne Johnston in a double-ring ceremony performed by Rev. W. J. Patton, a Baptist minister from Tulia, at the Quitaque Community Center at 3:00 p.m. September 4. The couple are making their home in Silverton, where he is employed by Thompson Implementation Company.

The bride is the daughter of

ately following the ceremony in the Community Center. The bride's table was covered with a white hand-crocheted cloth made by the bridegroom's great aunt laid over blue. The wedding cake was made in four separated tiers

and was accented with blue and white roses and was topped with a miniature bride and groom. Silver and crystal appointments were used to serve the cake and blue punch by Mrs. Lynn Smith of Silverton and Miss Ruth Purcell

GOD LOOKS ON THE HEART

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Man's first reactions to another is based on outward appearances, and only time will help him to know the heart of another. God knows, immediately, every attitude of the heart, whether it is good or bad.

*"Blessed are the pure in heart: for they shall see God."*

There are many rewards for those that follow the Lord. *"Let the heart of them rejoice that seek the Lord."*
