RENFRO FAMILY CHRISTMAS

Mr. and Mrs. Berton Hughes were host and hostess to the annual Renfro Family Christmas get-together which was held in the home of Mrs. R. E. Renfro and the late Mr. Renfro in Vernon Saturday, December 21, 1975. Calvin Shelton, Area I State Vice President, Silvertown, will be installed at this time. Announcement of the new Young Farmers of Texas State President will conclude the session.

Those present were Mrs. R. E. Renfro and Gayle of the home; Mr. and Mrs. R. H. Renfro and Johnnie, Allan and Shawn of Vernon; R. L. Renfro, Fort Worth; Mrs. Billie Lou Overmyer, Ronnie and Donna, Lubbock; Mr. and Mrs. Hubert Hall of Memphis, and Mr. and Mrs. Berton Hughes.

Dear Charlotte,

'Tis a beautiful Monday morning if I could just sing,
 I'd tell you they've gone-hear the school bells ring.
 My nerves and my budget are wrecked for a year;
 The new toys are discarded forever, I fear.
 The ballerina doll in the corner-undressed and can't dance
 As limp as I am-you can see at a glance.
 The hot wheels aren't hot, and believe it or not,
 The teeter totter won't even tot!
 The transistor radio has no transistor.
 Neither do I, unless you insist.
 The play oven refuses to bake,
 And the cake mixes just won't cake.
 The needle is gone from the record player
 As I reach for two tablets called Bayer.
 The sleeping bag's zipper is stuck and torn,
 And I'm left with memories of a Christmas morn.
 The Icy Machine refuses to freeze,
 As I clean up the mess on both knees.
 The bicycle with its three-gear brake,
 Broke a head as its brake did break.
 If I had one wish in this coming New Year
 It would go to the toy makers with their deaf ear-
 Please, please do listen to me
 As you blare your wares on TV.
 Couldn't you talk about a bat and a ball,
 And something that needs no batteries at all?
 Don't appeal to engineers or a PhD.
 My husband has neither degree.
 Sell them a Raggedy Ann doll, or a story book,
 Or a jumping rope; just let them look
 At candy, an apple, or an orange in a stocking.
 To this generation-that would be shocking.
 But don't show them your put-together or battery toys
 With their complications and all of their noise.
 Or your dolls that walk, and wet, and sneeze,
 And cars that explode-no more, please.
 Remember this year with your ads on TV
 Please take pity on fool such as me!

EVERY FAMILY SAVES BECAUSE WE INVEST

IN AGRICULTURE

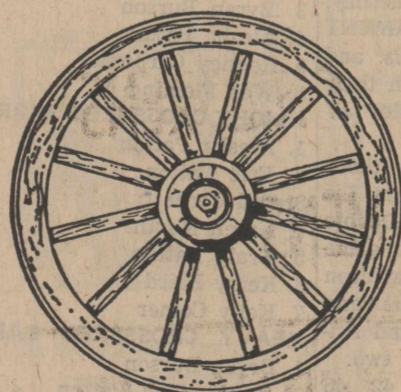

Our commitment to local agriculture goes beyond the market basket. We have helped area farmers and ranchers buy stock, seed, feed, fertilizer, pickups, cars, trucks, horses, mules, calves, cows, bulls, combines, tractors, balers, mills, pumps, lubricants, medicines, nuts, bolts, nails and everything else between "a" and "z" that is required to bring food to the nation's market basket.

We're interested. We're committed to help bring you the best agricultural products this country has to offer.

This commitment and interest covers all forms of agriculture in our area. But our interest doesn't stop with agriculture. We're interested in everything that helps to create a better quality of life for all of us.

Even if you're not directly involved in agriculture, we're interested in you. If you have a money problem, come in and talk it over. We're in business to help.

**YOUNG FARMERS
HOST CHRISTMAS PARTY**

Silverton Young Farmers hosted a Christmas Salad Supper on Saturday, December 27 at the P. C. A. community room.

Ham and various salads were served to seventeen members and guests.

Following the meal, the group played 42. High score belonged to Tobe Riddell and Fred Minyard, low went to Fern Parker, and Betty Stephens won the traveling prize.

Those attending were Mr. and Mrs. Orville Turner, Mr. and Mrs. G. W. Chappell, Mr. and Mrs. Charlie Parker, Mr. and Mrs. Wayne Stephens, Calvin Shelton, Tobe Riddell, Fred Hill, Fred Minyard, Jimmy Myers, Guinn Fitzgerald, Mr. and Mrs. Harvey McJimsey and Britt Parker.

FAMILY CHRISTMAS PARTY

A Christmas party was held in the home of Mr. and Terry West and sons on December 24. After the gifts were opened, refreshments of chips and dips, sausage balls, homemade Christmas candies and cookies and banana punch were served from a table covered with a hand-painted Christmas cloth. Becky and Patti Perkins served the punch from a cut-glass bowl. 42 and other games were enjoyed by those in attendance.

Enjoying the annual festive occasion were Mr. and Mrs. Glenn Smith, Mr. and Mrs. Rags Riddell and Tobe, Silverton; Mrs. Josephine Johnston, Quitaque; Sam Johnston, Smyer; Mr. and Mrs. Donnie Perkins, Becky, Patti and Amy, Mr. and Mrs. Lynn Smith and Jeff and the host and hostess, Mr. and Mrs. West, Brad and Brian.

Christmas Eve, Mr. and Mrs. Richie Hubbard and Brian of Lubbock came to go with Mrs. Ollie McMinn to spend Christmas with her son and Mrs. Hubbard's father, Mr. and Mrs. Travis McMinn at Valley View, Texas. They drove through heavy snow from Estelina to Gainesville, but had no trouble and spent a wonderful Christmas together. It had been 16 years since Mrs. McMinn had had Christmas in the home of her son.

Dudley McMinn, Travis' son, did not get to go because a ball tournament was going on in which he

Mike Cornett was exhibitor of the Briscoe County Junior Livestock Grand Champion Barrow of the Show last Saturday.

Penny Cogdell was exhibitor of both the Grand and Reserve Champion Steers at the Briscoe County Junior Livestock Show here Saturday.

Scouts who are there. Thank you in memory of this kindness. Sincerely,

DEAR EDITOR:

For many years I have thought that I needed to write a letter of thanks to a group of people in your fine city. Now, at an age past eighty, I have decided to get it done. Hopefully, the cliché "better late than never" still rings true.

Enclosed is a check to cover any initial publication of the thank you note written below. Please publish it several times at your discretion and send a bill for those publications. Also I would like a year's subscription to The Briscoe County News. If you will notify me of the amount for a subscription I will forward the amount to you immediately.

Sincerely,
Ruth C. Watley

THANK YOU NOTE

During the 1940's I was farming near Silverton. One fateful day a gigantic tornado hit the farm scattering ruin over the young crops. The storm was most devastating to my morale as well as to the crop. What a black time it could have been!

Immediately the then Boy Scout Leader brought out his boys to help restore things to right. Those boys (who would be grown men in their forties, now) work unceasingly, clearing debris of shingles and nails for acres so that we could get equipment in to replant the crop.

If any of those ex-Boy Scouts still live in Silverton or in reach of your newspaper I hope they get my message of gratitude. If none do, I say thank you to all Boy

"Those drafty old castles are notorious even today for being dreadfully hot in summer and frigidly cold in winter. We didn't have the heat pump in those days, of course. I think what I like best about the heat pump is its simplicity. One unit provides heating and cooling... complete comfort in any kind of weather with one setting of the thermostat. And the heat pump is environmentally-sound... when heating, it actually provides more energy than it uses. Yes, if I'd had a heat pump, I wouldn't have been so cranky about passing on my magic secrets..."
