Miss Sutton Is Candidate For LCC Homecoming Queen

Rhonda Sutton, daughter of Mr. and Mrs. C. L. (Jack) Sutton of Silverton, is one of three candidates for Homecoming Queen at Lubbock Christian College.

Miss Sutton will find out whether she will be queen or one of the two runners-up who will be serving on the queen's court at special 11 a.m. ceremonies on Homecoming day, February 12.

A junior majoring in home economics, Miss Sutton graduated from Silverton High School in 1973. At Lubbock Christian College she is a cheerleader, a member of Christliche Damen social club and is employed as a student assistant in the college admissions office.

Silverton's Owls clinched a tie for the District 5-B second half championship Tuesday night with a 56-42 victory over the Valley Patriots.

The Owls, now 15-8 for the year and 2-0 in the second half, lead Valley and Nazareth (both 1-1) by a game with only one game left in league play. The Owls were the first half champion, and are undefeated in District 5-B play.

The Owlettes lost their match to the Patriots, taking away all hope of a playoff for the Owlettes who are probably the most improved girls team in the Panhandle and perhaps a better team than some of those who will be district winners. The Owlettes had lost their second-round game by one-point to Nazareth here last Friday night. The Owlettes stand 25-6 for the

New Officers Installed By Club

Southwestern Home Demonstration Club met Thursday, January 27 in the home of Mrs. Elton Cantwell.

Mrs. Cantwell presided over the business meeting and installation of officers in the absence of the club president, Mrs. J. D. Nance. Officers installed were Lois Nance, president; Christine King, vice-president; Mary Lou Jarrett, secretary; Theta Holt, treasurer; Florene Fitzgerald, Council delegate; Carolyn Reagan, Sunshine girl.

Refreshments were served to Georgia Allard, Florene Fitzgerald, Glenda Francis, Theta Holt, Mary Lou Jarrett, Polly Jarrett, Frances Kellum, Christine King, Carolyn Reagan and Sybil Teeple.

The next meeting will be February 24 in the home of Florene Fitzgerald.

Masons Entertained At Family Night

Silverton Chapter No. 900, Order of the Eastern Star, entertained their Masonic brothers and families Saturday evening, January 15. Those attending enjoyed western decorations, western food and western music.

Greeting the guests were Doyle and Merlene Stephens, Ruby Hester and Aaron Younger.

Serving were Georgia Thornton, Grace Vaughan and Lola Mae Stephens.

Several Past Matrons and Past Patrons helped make the meal a success.

Western music was provided by W. J. Copeland, Jimmy Burson, Clifton Stodghill, Benny Brown and Jessie Turner.

Two unknown marshalls interrupted the entertainment and tried the Masons for what Masonry stands for. Each was found guilty and sentenced to a life of living and upholding the ideals of Masonry. Music continued after the meeting was adjourned.

Eula Devenport of Wellington, sister of Mrs. Neva Garvin and Mrs. Onar Cornett, entered High Plains Baptist Hospital in Amarillo last week and underwent surgery there Monday. Mrs. Cornett has been staying at the hospital with her sister most of the time. Mrs. Devenport is in Room 464. Mrs. Jerry Patton, Mrs. Don Cornett, Mrs. Garvin and Onar Cornett were at the hospital with Mrs. Cornett while Mrs. Devenport was in surgery.

D. T. Northcutt entered High Plains Baptist Hospital in Amarillo Sunday for the removal of a cataract.

season, and even though they are disappointed not to be advancing into the playoffs, they have had a very good season. They have provided a lot of thrills for themselves and their fans.

Tragedy struck in the stands while the Nazareth and Silverton girls were playing their crucial game. Pete Wilson of Petersburg, father of Nazareth Coach Cathy Wilson, collapsed in the stands and was rushed to Central Plains Hospital in Plainview, where he was pronounced dead at 8:15 p.m. Silverton Emergency Medical Technicians had difficulty reaching Wilson in the crush of the crowd, but EMT Bobby Boyles of Quitaque was sitting near the Wilsons and began CPR immediately.

Mr. Wilson had had open heart surgery and had a history of heart problems. The EMTs who handled the ambulance run were Jerry Patton, Stan Fogerson and Flute Hutsell.

The lead changed hands five times in the game between the Owlettes and Swiftettes and the score was tied at 21, 23 and 30. It matched two disciplined and deliberate offenses and two unyielding defenses. More than 1,100 people were estimated in the stands for the game.

Margaret Crosslin led the Owlette scoring with 17 points. Linda Vaughn added 11 points and Twila Wood tossed in two points.

The Owlette guards, Dara Garvin, Mignone Rauch and Arlene Lavy, held Nazareth's high-scoring post-forward, Cheryl Hartman, to just three points in the game. Miss Hartman has been averaging nearly 30 points a game this season, but hasn't been able to score that many against the Owlettes.

The Owlettes were defeated again Tuesday night by the Patriots who were trying to keep their own playoff hopes alive. Linda Vaughn led the scoring with 13 points, and Twila Wood and Margaret Crosslin rang up 10 points each.

The junior varsity Owlettes took a 26-25 win over the Patriots, with Jennifer Martin sinking 16 points and Connie Rowell adding 10.

Mrs. Cora Donnell was transferred from Palo Duro Hospital in Canyon to High Plains Baptist Hospital in Amarillo early this week. She underwent surgery there Monday afternoon.

Mr. and Mrs. Bob Olive of Petersburg visited Betty Olive Sunday afternoon.

Mrs. True Burson has been a patient at St. Anthony's Hospital in Amarillo since Sunday morning.

Ted Strange expected to enter Central Plains Hospital in Plainview Wednesday for tests.

Judge and Mrs. M. G. Moreland, Mr. and Mrs. Johnnie Burson and Miss Luree Burson attended the funeral of Mrs. Ella Green in Amarillo last Thursday. Mrs. Green was the aunt of Mrs. Morris Moreland, and a cousin of Johnnie and Luree Burson.

W. E. Atry returned home Monday after having been a surgical patient at Central Plains Hospital in Plainview.

Garner M. Guest Buried At Lubbock

Funeral services for Garner M. Guest, 56, of 3820 30th Street in Lubbock and owner of Guest Bookkeeping and Income Tax Service, were conducted at 3:00 p.m. Monday at St. Luke's United Methodist Church with Dr. William R. Fleming, pastor, officiating.

Burial was in Resthaven Memorial Park under the direction of Franklin-Bartley Funeral Home. Mr. Guest died at 8:33 p.m. Saturday at Highland Hospital after a brief illness.

He moved to Lubbock in 1949 from Silverton. Mr. Guest was a World War II veteran and a member of the Silverton Masonic Lodge, the South Plains Shrine Club, VFW Post 2466 and St. Luke's United Methodist Church.

Survivors include his widow, Lenore; two sons, William of Dallas and John of the home; two stepsons, Mike Wood and Walter Wood, both of Lubbock; a sister, Mrs. Dell Sadler of Dallas; and two grandchildren.

Rev. Pike Is New Pastor Here

Rev. Lemy L. Pike has been called as pastor of the Assembly of God in Silverton, and preached his first sermon here January 16.

Rev. and Mrs. Pike moved to Silverton from Childress. They are parents of three children, two sons and a daughter, all of whom are married and have families of their own.

The Pikes are members of West Texas District Assemblies of God, and have spent 13½ years as missionaries to American Indians in New Mexico.

The Pikes pioneered the Assembly of God Mission at Dulce, New Mexico from 1958 to 1963 with the Jicarillo Apaches, and worked with the Mescalero Apache Indians at Mescalero, New Mexico. They resigned their mission work in 1976 and have spent the past year as evangelists.

Rev. Pike has pastored churches in Logan, New Mexico, Quitaque and Childress, Texas. He has been in the ministry for 21 years.

"We find the people of Silverton very friendly," Mrs. Pike said. "And we feel right at home."

"It is good to be in Silverton, and we are looking forward to working with the people here," Rev. Pike said. "We welcome everyone to come worship with us."

Services Conducted For Dusty McLeland

Funeral services for George Howard (Dusty) McLeland, 28, of 1607 Buntin in Amarillo, were conducted at 2:00 p.m. Tuesday at Blackburn Shaw Martin Road Chapel in Amarillo.

Mr. McLeland was shot to death at 3808 NE 21st in Amarillo about 12:15 a.m. Monday. He was shot in the side and chest with a .22 calibre pistol, police said.

Evidence in the slaying is scheduled to be presented as an "original matter" to a grand jury today.

McLeland was a native of Amarillo and was employed by the Repo Depo Furniture. He was married to the former Jeanne Davis.

Survivors include his widow, Jeanne, 1607 Buntin; one son, Kevin, of the home; his parents, Mr. and Mrs. John McLeland; a brother, Jimmy; two sisters, Mrs. Marion Ann Joiner and Mrs. Jeanice Compton, and his grandmother, Mrs. Annie Johnston, all of Amarillo.

Tickets will be available at the door. Door prizes will be given.

Karen Martin entered Central Plains Hospital in Plainview after becoming ill at school last Friday. She has been undergoing a series of tests.

Annual YFT Convention Held In San Antonio

The 23rd Annual Young Farmers of Texas Convention was held January 20-22 in San Antonio.

Opening session began on Friday morning with the presentation of colors and the pledge of allegiance to the flag conducted by Canyon FFA Chapter, New Braunfels.

Lane Palmer, editor, Farm Journal, Philadelphia Pennsylvania, gave the address "A New Era—For A New Kind of Farmer," in which he stated, "Having seen half of all the farmers in this country go out of business during the past 25 years, it takes a bit of courage to tell you this: You are now a part of America's premiere growth industry. The outlook for farming and ranching is the best within memory. Indeed there are those of us who believe that we are now beginning a new era for agriculture." To conclude his speech, Palmer stated, "The important thing is to keep the confidence that you have today—that you can be the masters of your own fate in farming. Take it from someone who is a few years older—that is no small challenge. But I have the confidence in the future of agriculture because I'm convinced you will not fail."

Exhibit booth visitation followed, and then the Young Farmers Luncheon. The YF'er slide presentation was given by State President Gary. Remarks were given by J. A. Marshall, State Advisor, Agricultural Education and State Senator Kent Hance, Lubbock.

Young Farmers Wives Luncheon was held in conjunction with Laura Heuser, Michigan farm

wife, who presented each woman with a challenge to help save the family farm. There is a new organization for women called American Agri-Women which is a non-profit organization to help keep the women of the United States informed on any and all matters concerning agriculture.

During the second general session, introduction of guests and a slide presentation on the National Young Farmer Educational Institute were made. Nominating speeches were given for the three candidates for State President: Leroy Goodson, New Braunfels; Norman Risinger, Madisonville, and Calvin Shelton, Silverton.

The Young Farmer Awards Banquet was held Friday evening with Gary Odom as master of ceremonies.

Star Young Farmer of Texas was captured by Ralph Oldham, Sulfur Springs, with Bobby Richey, Frenship-Wolforth, as first runner up.

Most Outstanding Agribusinessman Award went to Nelson Hogg, Lamesa.

Clubs and members in Area I receiving plaques or trophies at the convention for being award winners in the Area were: Frenship Chapter, Outstanding YF Chapter, Area I; Chapter Publicity, Silverton; Chapter Radio-Television, Dimmitt; Outstanding Area Officer and Outstanding Young Farmer, Bobby Richey, Wolforth; Outstanding Associate Member, G. W. Chappell, Silverton; and Outstanding Agribusinessman, John R. Davis, Dimmitt.

Following the awards program, music was provided by the Brian Collins Band from Nashville, Tennessee.

On Saturday, the third and final session was held and this saw the seating of delegates and election of president. Jack Barton, president, Federal

PIONEER INFORMATION BULLETIN

Subject: SMUT

A. Common Smut Galls usually do not affect the yield of the host plant.

B. Head Smut sometimes affects the tassel but always precludes the development of grain.

Most farmers in this area have heard of the epidemic of head smut which affected the corn crop in parts of six counties of West Texas. The disease is not expected to spread much beyond that area next year, if indeed it occurs at all, but the Pioneer Agronomy Service Department headquartered in Plainview, is conducting an informational program to acquaint all corn farmers with the disease.

Not surprisingly, there is a good bit of confusion about head smut since 1976 was the first year it has appeared in the Southwest in high enough incidence to affect yields. Pioneer agronomists had studied the problem elsewhere, however, and print this information as a service to High Plains farmers.

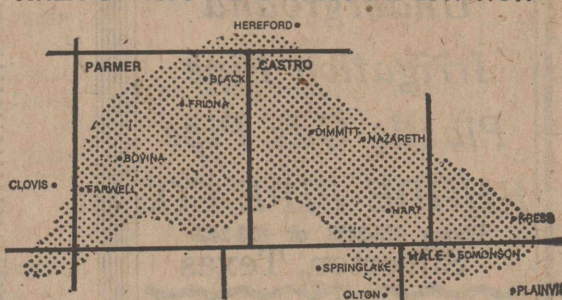

Two distinctly different kinds of smut appeared in parts of Farmer, Castro, Deaf Smith, Lamb, Bailey and Hale counties: **common smut** and **head smut**. Common smut has little, if any, economic significance, but it is frequently confused with head smut, which is the real culprit. Estimates are that head smut reduced the yields of some fields by over 20%.

COMMON SMUT (*Ustilago maydis*), sometimes called boil smut, does not usually reduce yields. It is characterized by galls, bulbous growths which are at first covered with a glistening, greenish to silvery-white tissue. The galls may appear on any part of the corn plant including the exposed tips of healthy ears protruding beyond the shuck. The plant becomes host to wind or water-borne sporidia which stimulate cells in young tissue to proliferate.

HEAD SMUT (*Sphacelotheca reiliana*) is systemic, the plant being infected by soil-borne teliospores in the seedling stage. The outward signs of the disease are less conspicuous than common smut. It first appears when ears and tassels are formed. Tassels of infected plants usually appear to be covered with a reddish brown or black, spiny rust. Silkless shucks look as if they might cover a short, fat ear of corn but opening the shuck exposes a mass of black, worm-like teliospores or a tangle of bright green, leafy buds. Since head smut is soil borne and there is no practical chemical treatment to control it, we can expect infection to increase from one year to the next if conditions are right. This year's weather (dry and cool) was particularly conducive to infestations of both types of smut fungus.

WHAT ABOUT NEXT YEAR? For the most part, head smut occurs in fields that have been planted to corn for several years. It appears that farmers with a head smut-infested field have a choice for the use of that field next year. They can plant the field to another crop or can, with reasonable safety, plant corn hybrids that offer resistance to the disease. Pioneer has three excellent hybrid corn varieties that show strong resistance to head smut. One of these is well known to area farmers and is the most planted variety in much of this area... Pioneer brand 3306. Two other Pioneer varieties... 3184 and 3195... which were planted widely in this area for the first time this year, not only resist smut but have even greater yield potential than the well-known yield champion, Pioneer brand 3369-A.

You Can BANK on it!

One of the most commonly used terms when discussing the economic health of the Nation is GNP. This stands for Gross National Product which is the dollar value of all goods and services produced and sold in the United States. Quarterly GNP figures near the end of last year showed an annual value of over \$1.7 trillion in current dollars. Adjustments for inflation indicated an annual real GNP of \$1.27 trillion. The four trillion dollar plus difference indicates the effects of recent inflation.

GNP figures are the most common yardstick of how our overall economy is doing. Therefore, Gross National Product announcements draw most attention when there is a decline (very rare) or a slowing of the growth pace.

During the past few years, government expenditures have accounted for nearly a third of the total GNP. Federal spending about 12 to 14 percent and state and local spending 20 to 22 percent.

EMPTY BOWL

This little girl is holding a hollow, empty bowl. In the days when the Bible was being written, a bowl was also a large drinking cup, and many were the references to a cup full and running over, or a cup being empty, or the cup of God's wrath.

In speaking of the restoration of Israel, Zechariah prophesies, "The Lord of hosts shall defend them and they shall devour; and they shall drink, and make a noise as through wine; and they shall be filled like bowls and as the corners of the altar." Zech. 9:15.

He also promises, "In that day shall there be upon the bells of the horses, HOLINESS UNTO THE LORD; and the pots in the Lord's house shall be like the bowls before the altar."

And this day, if we follow Him, he promises that we will be filled like bowls with blessings and with His Spirit. We will also find that even a seemingly dry (and they never are, really) sermon heard in the house of the Lord, will bear fruit in us eventually, just as though it had been uttered from the very mouth of God in the Holiest of Holies.

We earnestly invite you to attend church this week. A blessing full and wonderful awaits the seeking soul.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE
