The Booster Club will host a coffee Tuesday, September 6 at 7:30 p.m. in the Silverton School Cafeteria.

Everyone is invited to attend the coffee and meet new Head Coach and Mrs. Jim Allen.

Services Today For Jack Harris

Funeral services for Jack Harris, 56, will be conducted at 2:30 p.m. today (Thursday) at the First Baptist Church in Silverton. Officiating will be C. R. Hankins, pastor of the Methodist Church at Lelia Lake, and Earl Cantwell, minister of the Rock Creek Church of Christ.

Burial will be in the Silverton Cemetery, with arrangements under the direction of the Moore-Rose Silverton Funeral Home.

Mr. Harris died following a lengthy illness at 2:05 a.m. Tuesday at Lockney General Hospital where he had been a patient for 48 hours.

Born at Lockney in Floyd County on September 30, 1920, he was the son of the late E. R. and Allie Harris. He moved from Floyd County to Briscoe County in 1920, and farmed until his retirement. He had resided at the nursing home in Lockney for several years.

He married the former Miss Mary John Lanham September 15, 1940, at Clovis, New Mexico.

He was a member of the Methodist Church in Silverton and served in the Merchant Marines during World War II.

Survivors include his wife, Mary John; a son, Riley, a daughter-in-law, Sandy, and two grandchildren, Shelly and Scotty Harris, all of Silverton; three brothers, J. O. Harris of McAllen, Hollis Harris of Lubbock and Revis Harris of Wichita Falls.

Pallbearers will be Max Garrison, Calvin Shelton, Jimmy Myers, Orville Turner, Jr., Bill Strange and Guinn Fitzgerald.

Walter O. Cobb Buried At Flomot

Funeral services for Walter Okelly Cobb, 89, were conducted at 3:00 p.m. Wednesday at the First Baptist Church in Quitaque. Officiating were Harvey Hudnall, pastor of the Farwell Baptist Church, and Bill Curry, pastor of the Lakeview Baptist Church.

Burial was in the Flomot Memorial Park Cemetery, with arrangements directed by Moore-Rose Quitaque Funeral Home.

Mr. Cobb died Monday night at a nursing home in Lockney, where he had resided for several weeks.

He had been a resident of Briscoe and Motley counties since 1925. He had made his home with his daughter in Silverton for and four great-grandchildren.

He was born November 12, 1887, and married Eddie True in Wise County on August 28, 1910. He was preceded in death by his wife in 1960 and one son, Glenn.

He was a member of the Fairmont Baptist Church south of Quitaque.

Survivors include one daughter, Mrs. Ravenel Grewe of Silverton; two sons, Orville Cobb of Quitaque and Woodrow Cobb of Hale Center; three sisters, Mrs. A. A. Freeman of Decatur, Mrs. Walter Vaughn and Miss Ruth Cobb of Fort Worth; four grandchildren approximately ten years.

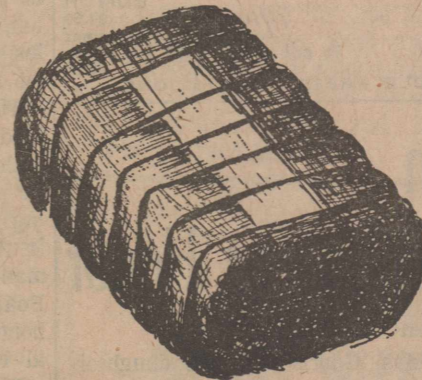

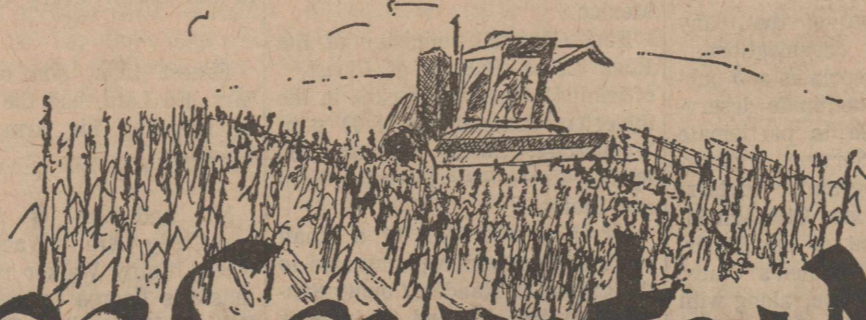

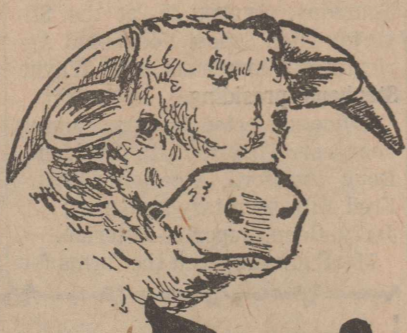

Pallbearers were Freeman Tate, Keyth Tiffin, Jack Pigg, John Pigg, Ikie Gilbert and Jake Merrell.

FIRST LOAD OF NEW MILO REPORTED AT SILVERTON

Bob Hill, manager of Briscoe Cooperative's Silverton Elevator, reported to the Briscoe County News this week that he received the first load of new-crop milo Saturday. The grain was delivered by S. R. McAnear of Clarendon, and was harvested from his farm near Brice in Briscoe County.

The 29,000 pound load tested 12.3 per cent moisture and 51 pounds per bushel.

DRIVE FOR MUSCULAR DYSTROPHY PLANNED

Silverton Young Homemakers will be assisting in the national drive for the Muscular Dystrophy Association over the Labor Day weekend. Anyone wishing to pledge a contribution during the Jerry Lewis Telethon can do so by calling Mrs. Lois Hill at 823-2447. Mrs. Hill will be in contact with MDA headquarters throughout the telethon.

The Young Homemakers would also like to say thank you to the

Annette Minyard entered an Amarillo hospital Wednesday to undergo a series of tests.

CONVERSATIONAL SPANISH TO BE TAUGHT HERE

A Conversational Spanish Class will begin meeting in the Silverton School Library on Tuesday, September 6, at 7:00 p.m.

Anyone interested is asked please to attend and register.

local businesses who made contributions to this charity last Saturday.

Silverton's Owls will host the Kress Kangaroos in the first game of the season beginning at 8:00 p.m. Friday.

"I expect Kress will pass a lot against us," said Coach Jim Allen this week. "They will be running the same type of offense as Paducah, but I just hope they don't do it as well as Paducah does."

The Owls scrimmaged at Paducah last Friday night, and the Dr-

WILLIAM R. (BILL) HALE

Hale Announces Candidacy For State Representative

William R. (Bill) Hale, 47, has authorized the Briscoe County News to announce that he is a candidate for State Representative, 66th Legislative District, on the Republican ticket.

He was born and is a lifelong resident of Floydada, with the exception of the time he served in the United States Air Force (1951-1953) and while attending Texas Tech (1947-1955). He is a graduate of Texas Tech with a BBA in personnel management.

He is a partner with his father in Hale's Department Store, with which he has been associated since 1955.

He states his reason for seeking election to this office as "I believe the best interests of the people in our district will be served by having a truly conservative representative in our State Legislature. I also believe that I am the man that can best further these conservative beliefs in Austin."

Hale states as his qualifications the fact that he made excellent grades his last two years at Tech and had an extremely good record with the United States Air Force. He served three years as president of Floydada Development Company and was given the Citizen of the Year award in 1973 as a result of this service. He served as a member of the school board four years, served twelve years with the Housing Authority, served as president during his ten years of work with Little League, served as vice president during the twenty years he has worked with the Chamber of Commerce. He also served one term on the City Council.

Hale is married to the former Carolyn Haitcock. They have two married sons, Richard, who is assistant manager at Hale's Department Store, and Michael, who

agons ran eight touchdowns as compared with five for the Owls.

"We were really proud of our team's hitting in Friday's scrimmage," Coach Allen said. "This was the best hitting we've had so far—the team did so much better than they did against Lefors. The secondary still has problems, but all the boys are improving."

Paducah was unable to make their running plays work against the Owls, and scored their touchdowns on pass plays. According to Coach Allen, they have a very fine passer.

The Owls passed once, but made most of their yards on power sweeps around end, up the middle and off tackle.

The starting lineup for Friday night continues to be "up in the air" because of leg injuries received last Friday night by Center Mitchell Simpson, Guard David Williams and End Wayne Reed. All three of the boys were at the doctor's office Tuesday.

There was to be a district meeting Wednesday, at which time scheduling of junior high and junior varsity games was to be worked out.

The Owls are very young and inexperienced, but according to Coach Allen, "they are a very good bunch of kids" and will be working hard to do their best against Kress Friday night. The team doesn't have any place to go but up after winning only two games last season with experience and size on their side. They deserve your attendance and support at the game.

IMMUNIZATION CLINIC PLANNED HERE

A clinic offering vaccines that give protection against several childhood diseases is scheduled to be held in the Silverton Elementary School September 23 from 1:00 until 3:00 p.m.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles and rubella.

There will be no charge.

TULE LAKE GOLF

TOURNAY SET

The Tule Lake Golf Club City Tournament will be held September 3 through September 11. It will be match play with eight man flights. You may play any day during this period as long as you and your opponent agree. Entry fee is \$5.00. Residents of Tulia, Happy, Kress and Silverton (Briscoe County) will be eligible to compete. Sign up now. Larry (Happy) Cole is the defender for any other information.

Clayton Fowler was taken to St. Anthony's Hospital in Amarillo by the Silverton Volunteer Ambulance Service about midnight Monday after suffering a possible reaction to medication. Emergency Medical Technicians on the trip were Ted Kingery, W. D. Rowell, W. J. Copeland and Bill Boling.

Mrs. Blanche Newman, Mrs. Stella McJimsey and Mrs. Bessie Hunt visited friends in the three nursing homes in Plainview Tuesday of last week.

is a student at Texas Tech University, and an unmarried son, Steve, who is a first-year student at the Texas Tech University Law School.

Eight-Hour CPR Classes To Be Taught

A series of eight-hour classes in cardiopulmonary resuscitation will be taught in Silverton by Emergency Medical Technicians Ted Kingery, Jerry Patton and Emmett Tomlin, assisted by other Emergency Medical Technicians, during September.

Each class will be taught in two nights, beginning at 7:00 p.m., at the Silverton City Hall.

The first class will be Thursday and Friday, September 8-9, and 21 have already signed up for this class.

Second class is Monday and Tuesday, September 12-13, and 20 have signed up for this class.

Seventeen are signed up for Thursday and Friday, September 15-16.

Eleven signed for Monday and Tuesday, September 19-20.

Three are presently signed up for Thursday and Friday, September 22-23.

Another class will be held Monday and Tuesday, September 26-27, if it is needed.

If you would like to be certified in CPR by attending one of these classes, you may sign up by calling or going by the City Hall. Equipment for the classes is being furnished by the American Heart Association, and more was furnished than was expected, so all the classes can take a few more registrations.

PROGRAM HELD MONDAY

A program was sponsored at the Pioneer Room of the First State Bank in Silverton Monday night by the Briscoe County Extension Service and the Program Building Committee. This was attended by about sixty men and women.

A film on emergency medical care was shown, and a program was given by Emergency Medical Technicians Ted Kingery, Anthony Kingery, Emmett Tomlin, W. J. Copeland and Bruce Tiffin.

Booster Club Seeking New Members

If you have not joined the Booster Club, there will be a table set up in front of the home stands, where you may pay your dues, at the football game Friday night. Dues are \$5.00 per person or \$10.00 per couple.

Dues may also be paid to any member of the Booster Club. All money will be used for the Silverton Athletic Department and for the Athletic Banquet.

You will not be asked to bring food for the concession stand if you don't have children in school.

The final date for signing purchase agreements on 1976 wheat is February 28, 1978. For more information on marketing options, contact the local ASCS office.

Mrs. Walter Arnold was taken to Swisher Memorial Hospital in Tulia about 4:00 a.m. Tuesday by the Silverton Volunteer Ambulance Service. She was having difficulty breathing, possibly due to an allergic reaction. Emergency Medical Technicians on the trip were Stan Fogerson, Charles Sarchet and Jerry Patton.

Mrs. Alice Womack fell at her home about noon Monday, but it was about 4:00 p.m. when her neighbor, Mrs. Mary Dee Minyard, checked on her and discovered that she had broken her hip in the fall. Mrs. Womack was taken to Central Plains Hospital in Plainview by the Silverton Volunteer Ambulance Service and Mrs. Womack was scheduled for surgery to have a pin placed in the break. Emergency Medical Technicians on the trip were Mrs. Bess McWilliams, Jerry Patton and Charles Sarchet.

Briscoe County Farm Tour Slated Tuesday

The Briscoe County Farm Tour will be held next Tuesday, September 6 beginning at 9:00 a.m. The tour will begin on the south side of the Courthouse in Silverton that morning to view 20 different varieties of cotton, 18 varieties of grain sorghum and 20 varieties of corn. The tour will be over in the Silverton area by noon. Another tour will start at Merrell's Food parking lot in Quitaque. The tour will stop at cotton and milo result demonstration plots where 24 cotton varieties and eight milo varieties will be observed. Also, four brush control demonstrations on cedar control will be viewed.

The tour will have area agronomy, entomology, plant pathology and range management specialists with the Texas Agricultural Extension Service along to help answer any problems or questions the producers might have. All transportation will be provided.

The tour is co-sponsored by the Briscoe County Crop and Livestock sub-committee and the Caprock Soil and Water Conservation District.

ASCS Official Explains Purchase Agreements

The Agricultural Stabilization and Conservation Service (ASCS) offers purchase agreements to wheat and feed grain producers as another means of keeping their 1976 crops off the market until prices improve. Assistant ASCS Deputy Administrator Victor A. Senechal explained the difference between purchase agreements and Commodity Credit Corporation (CCC) loans.

"Purchase agreements are a part of our price support operations. By signing the agreement for a particular crop, a farmer can guarantee that he will receive the support price announced for that commodity. The agreement gives him the option to deliver grain to the Commodity Credit Corporation if market prices are low, and it assures him of receiving no less than the loan price announced for that particular crop year," Senechal said.

The farmer is not obligated prior to the maturity date of the his wheat or feed grain at any time, and he has no loan to pay off. The ASCS official explained that both marketing options—purchase agreements and CCC loans—are means of supporting the price of certain commodities.

"In the case of a loan, the farmer offers his grain as security and receives a monetary advance equal to his local county loan rate. The current loan rate is 6 percent for an 11-month period. When the loan matures, the farmer must decide either to pay off the loan plus interest and sell his grain, deliver it to the government or in the case of wheat, place it in the food reserve program.

"Under the purchase agreement marketing option, the farmer receives no advance money. He signs a form indicating that he wants price protection for his wheat or feed grain prior to the date when he has to make a decision. He is free to sell his commodity during the term of the purchase agreement," Senechal said.

The final date for signing purchase agreements on 1976 wheat is February 28, 1978. For more information on marketing options, contact the local ASCS office.

SENIOR CITIZENS TO HOLD OPEN HOUSE

Silverton's Senior Citizens Association has announced that it will hold open house in its new meeting building (the old Briscoe County Clinic) from 3:00 until 8:00 p.m. on Friday, September 9.

The building has been completely remodeled and made suitable for the meetings and activities of the senior citizens.

The rooms have been carpeted, paneled, and a kitchen has been installed. New ceiling tile was put up also. Shelves display the many trophies won by the Silverton Riding Club.

The monthly meetings of the Senior Citizens Association have been attended by approximately 80 the past two months.

Mrs. Molly Garrison Named For Honor

The Board of Advisors for the Outstanding Young Women of America Awards Program announced today that Mrs. Garner (Molly Sue) Garrison of San Angelo was selected for inclusion in the 1977 edition of Outstanding Young Women of America.

Mrs. Garrison is the daughter-in-law of Mr. and Mrs. Coleman Garrison of Silvertown.

The Outstanding Young Women of America Program is designed to honor and encourage exceptional

young women between the ages of 21 and 36 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership-qualities which deserve to be recognized and remembered.

This is the goal of the many leading women's organizations, college alumni associates and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

Mrs. Molly Garrison, along with approximately 10,000 fellow Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the fifty-one state awards to be presented to those women who have made the most noteworthy contributions in their individual states. From these fifty-one state winners, the Ten Outstanding Young Women of America will be chosen. The ten national winners will then be honored at the annual awards luncheon to be held this fall in Washington, D. C.

The Board of Advisors and Editors salutes all those honored as Outstanding Young Women of America. They take pride in bringing their accomplishments to the attention of the American public.

William Martin Lea Buried Here Wed.

Funeral services for William Martin Lea 75, were conducted at 9:30 a.m. Wednesday at a funeral home chapel in Roswell, New Mexico.

Earl Cantwell, minister of the Rock Creek Church of Christ, officiated at graveside rites in the Silvertown Cemetery at 5:00 p.m. Wednesday. Burial was directed by the Moore-Rose Silvertown Funeral Home.

Mr. Lea was pilot of a small private plane which plummeted to the ground in Randall County Sunday morning. He and the plane's passengers, Marion D. Hopkins, 34, and William P. Kurtz, 33, all were pronounced dead at the scene by Justice of the Peace W. W. Hancock.

Jack Green, who farms near the crash site seven miles northwest of Canyon, said the plane ducked in and out of intermittent cloud cover and then climbed straight up into the clouds. Moments later, the witness said, the plane nosedived and crashed.

A family spokesman said Lea had left Roswell early Sunday from Roswell Industrial Airport enroute to Amarillo to visit relatives. The two passengers reportedly accompanied Lea to look over some new automobiles in Amarillo.

Lea was the son of James Hult and Beulah Lea. He was born March 3, 1902, in Knox City, Texas. On December 24, 1927, he was married to Ethel Lanham, in Silvertown, Texas. They resided in Tulia, Texas for ten years and then moved to Roswell, New Mexico in 1934 where they have resided until his death on August 28. He owned and operated a gift and jewelry store.

He was a member of the First Presbyterian Church of Roswell, New Mexico.

He is survived by his widow, of the home; a son, Lyman, and daughter-in-law and four grandchildren of San Francisco, California; two brothers, Robert and John Lea, both of Amarillo; six sisters, Mrs. Faye Cox of Tulia, Bertha Klipstine, Oleta Moore, Cl-

Brian West, son of Mr. and Mrs. Terry West, cut his foot while playing in the yard at the home of his grandparents, Mr. and Mrs. Glenn Smith, Friday, August 12. About twenty stitches were required to close the wound. His mother has been taking him to the doctor every other day.

Ernest Lain, son of Mr. and Mrs. Ed Lain, had the misfortune of breaking his arm at school Monday.

Mr. and Mrs. R. M. Walker and Cindy were in Waco last week when Jimmy Walker received his master's degree in geology from Baylor University. They visited Mr. and Mrs. Cliff Walker in Plano and Mr. and Mrs. Jimmy Walker and Sunny in Breckenridge.

Mrs. M. T. Cruce and Cynthia and Mrs. Elizabeth Skelton, all of Lubbock, visited in the home of their brother and family, Mr. and Mrs. Charles Sarchet, Sunday afternoon.

NEW ARRIVAL

Thomas Cody Bridges was born August 22 at 2:40 a.m. at Cook Memorial Hospital in Levelland to Mr. and Mrs. Tom Bridges. He was 20 inches long and weighed eight pounds and eight ounces.

Mr. and Mrs. Bridges also have a four-year-old daughter, Sharrell. Grandparents are Mr. and Mrs. James Davis of Silvertown and Mr. and Mrs. Jess Bridges of Memphis. Great-grandparents are Mrs. D. H. Davis of Silvertown and Mr. and Mrs. R. D. Tye of Paducah.

PLAINVIEW YOUTH DIES IN AUTO ACCIDENT

A 16-year-old Plainview youth, Tom Gary, was killed early Sunday morning, when a vehicle, reportedly involved in drag races north of that city, struck him.

The Plainview High School senior was pronounced dead at the scene by Justice of the Peace Glenn Stone of Plainview. Another youth was injured in the accident.

According to investigating officers, a group of at least 30 youth had gathered on Farm Road 3183, just northeast of Plainview, about 1:00 a.m. Sunday to watch the races. Two cars had just finished a race and were returning toward the starting line when the accident occurred, according to Department of Public Safety Trooper David Boswell. He said several of the onlookers were "milling around the scene and crossing the road" at the time of the accident. When officers arrived at the scene the driver of the car "was either not there or did not step forth and identify himself," Boswell said.

However, approximately five and one-half hours later, a young man turned himself in at the Hale County Sheriff's office. He was questioned, but not arrested at that time, officers said.

Funeral services were conducted at 4:00 p.m. Monday at the Calvary Temple in Plainview. Officiating were the Rev. Gene Barber, pastor, and the Rev. Bill Couch, assistant minister of First United Methodist Church. Burial was in Plainview Memorial Park directed by Wood-Dunning Funeral Home.

Born September 18, 1960 in Phenix, Arizona, the youth had served as vice president of the Vocational Drafting Club, an organization of the Vocational Industrial Clubs of America. He attended Calvary Temple and United Methodist Youth of First United Methodist Church in Plainview.

He was employed at Brown Refrigeration. He moved to Plainview in July 1973 from Kress where he had lived six years. He had moved to Kress from Farmington, New Mexico.

Surviving are his parents, Mr. and Mrs. Roy Gary, 1907 Jefferson, Plainview; one brother, Jeff Gary of Lubbock; his grandparents, Mr. and Mrs. Loyd Gary of Long Beach, California, and several aunts and uncles, including Mr. and Mrs. Verlin Towe of Silvertown.

Mrs. Fred Pilz, Mary Sue and Sherri of Cuba, Missouri visited in the home of Mr. and Mrs. George Seaney last week. Her father was buried here in 1918. She is a cousin of Ted Bell of Floydada.

Other visitors in the Seaney home were Vicki Vaughan, Lubbock; Pam Vaughan, Farmington, New Mexico; and Mrs. Seaney's nephew and family, Mr. and Mrs. Melvin McIntyre of Sweetwater, Oklahoma.

Dad's steady influence is needed for...

LIFE'S OBSTACLES

We can easily see physical obstacles such as logs, boulders, and many other things that may be too difficult for our children to handle, but things that are not physical are not always so obvious. A young child needs help from his parents in spiritual matters too. The church can be an influence on children's lives, but when you, a parent, are taking part in church worship, you can be an even greater influence. Give your children, the leaders of the future, a hand now when they need it most. Take them to church regularly... and you too, will have a fuller and better life.

ATTEND CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE

textbook. The instructor will be Mrs. O. C. Rampley and the class will be taught as an extension course out of Amarillo College's School of Continuing Education. A certificate of credit will be presented by the college upon successful completion of the course.

Although the course is primarily designed to offer instruction on the electric typewriter for beginning adult students, it will be of benefit to those who have completed a course in typewriting, but have not used the skill for some time—or whose training was limited to a manual typewriter.

Due to limited number of typewriters available in the business department enrollment will be based on a first-come, first-served basis. If you wish to enroll, call 823-2476 during school hours and leave your name with the school secretary. If you have questions about the course and wish to talk to Mrs. Rampley personally, call her at home after school hours. This course may not be offered again for some time, so it is important that you register immediately to be assured of a place. Be sure to call and get your name on the list, even if you have spoken to her about it previously.

ROWELL FAMILY REUNION HELD IN TULIA

The descendants of the late Judge Henry and Cal Nettie (Gober) Rowell met for their annual reunion in Tulia on Sunday, August 21. The meeting was held at the Swisher Electric Building, with kin attending from all parts of the nation.

The five living children, Mrs. J. Lyost of Munday, Mrs. Callie Rippitoe of Denver, Colorado, Earl Rowell of Breckenridge, and Homer Rowell of Tulia, were all present along with husbands and wives, children, nieces, nephews and friends to bring the total to about 130.

A bountiful meal was enjoyed by all. The afternoon was spent visiting and listening to good fid-

le and guitar music played by members of the family.

Those attending from Silverton were Mr. and Mrs. Aubrey Rowell, Donna Rowell, Mr. and Mrs. Joe Brannon, Brent, Paul and Cal Brannon, Mrs. Walter Arnold, Mendy, Bob and Jeanette Arnold, Mrs. Lorene Voyles and Mr. and Mrs. Frank Mercer.

Labor Day Holiday Could be Safer Period For Travel

Drivers seem to be displaying more cooperation and alertness on Texas highways during major holidays. At least that's the opinion of the director of the Texas Department of Public Safety who says the 1977 Labor Day period could be safer than the same weekend in 1976.

Even so, Colonel Wilson E. Speir warned today that Texas traffic collisions from 6 p.m. Friday, September 2, to midnight Monday, September 5, may claim 44 lives.

During the 1976 Labor Day weekend, traffic accidents killed 50 persons in the state.

Speir said that so far this year, traffic deaths are running five to six per cent higher than during the same period in 1976. He noted that during recent years, "we have experienced considerable increases in the number of vehicles, the number of licensed drivers, as well as the number of miles driven."

"However," he added, "holiday drivers seem to be exercising more restraint and we hope this trend will continue."

The DPS director urged motorists to refrain from drinking during the Labor Day period, keep their speed under control, and not take unnecessary chances.

As usual, the DPS will place all available Troopers on the state's highways during the holiday and they have been ordered to keep a close watch for reckless drivers. But Speir noted that "they will be spread thin covering the thousands of highway miles in Texas, and we are hopeful that motorists will join in the effort to make Labor Day safe."

An important message to our customers.

The House of Representatives has just voted to raise the price of your electricity! And the Senate is looking at the same legislation. These bills are going to cost you plenty — nearly \$50,000,000 a year for the next ten years. That's almost half a billion dollars!

Who cares? Of course you care. And we care. That's the reason we want you to know what's happening in Washington.

Not only did the House vote to raise your electric bill, there's a strong chance you'll get less reliable service, too. The Government is trying to take over regulation of your electric company. That's right! A Washington bureaucrat will decide who gets electric power and how much instead of your state and local officials.

That means your electric company will lose control over how we operate our own power transmission lines and facilities. We might not be able to give you — our customers — first priority. The Federal Government could use some of the money you pay for your electric service to make your electric company build a transmission line for a government-subsidized utility. You pay twice that way — in your electric bill and in your taxes. And you don't even get to use the line.

Let's not beat around the bush. The cost of doing business is going up. It costs you more for your electric service than it used to. But now when you pay your electric bill, you pay only what it costs to serve you, plus a controlled profit, so that we can keep updating our generation facilities and our technology to keep serving you better.

Well, if some Congressmen have their way, some people will pay less than their fair share of the electricity cost. Who will decide who gets the special rates? You can bet it won't be you . . . or us . . . or our state and local government who know our needs best.

It will be some government official in Washington!

There's a whole lot more bad news in this legislation that has passed the House and is now being considered in the Senate. It's all part of Senate Bill 1469, Part E . . . and . . . Now for more bad news . . . Senate Bill 1472!

That's a dandy. It's the one that taxes you because some of your electricity is generated with natural gas. The gas users' tax is a case of the Government telling us to build coal-fired power plants faster than you can afford them.

It's as though the folks in Washington just woke up one day and decided there was an energy crisis and decided to try to right all the wrongs over night. The facts are that your electric company has been doing something about our declining natural gas reserves for more than six years. We haven't planned or constructed a gas-fired generation facility since 1971. And since that same time we've been planning to use coal as our primary generation fuel. We've just completed and put into operation Harrington Station — a coal-fired generation plant near Amarillo.

But we need the opportunity to phase out the gas-fired facilities at a savings economical to you, our customers. New power plants cost money . . . cost you money, because you are our only source of money. We have a program that makes it possible for us to stop using natural gas to make electricity by 1985 at the latest.

It's a program you can afford. It's a program that will help alleviate rising costs. Sure, you'll pay more for electricity in the future. You'll be paying more for everything, but under our plan you'll pay a lot less than you'll have to pay if Senate Bill 1472 passes. \$423,000,000 less between 1983 and 1990.

Why? Because Senate Bill 1472 says that even though we are building coal-fired power plants as fast as you can afford them, you're still going to be penalized, by almost a half billion dollars. Just because some staff member in Congress thinks you should build them faster. And remember it is your money that builds these new plants.

The Good News in all this is that your Congressman voted against raising your electric bill, voted against giving you poor service . . . but he was out-voted. Now what you can do is write your United States Senator (His name and address are printed below for your convenience) and tell him to vote against Part E in Senate Bill 1469 and against the gas users' tax in Senate Bill 1472. Why? BECAUSE YOU CAN'T AFFORD THESE BILLS. And that's a darn good reason. Let the people in Washington know that YOU CARE what they're doing with YOUR MONEY!

Thank you

DRIVE TO BE HELD FOR MUSCULAR DYSTROPHY
A door to door drive will be held Saturday, September 3, 1977 for the Muscular Dystrophy Association. This MDA Drive is sponsored by Silvertown Young Homemakers and the Silvertown Future Homemakers.
A few hard facts: What is muscular dystrophy?
A muscle-destroying disease which disables its victims, so weakening them that a common cold can kill.
Who gets it?
Anyone, though its chief victims are children.
Is there a cure?
Not yet. MDA supports worldwide research to find solutions to dystrophy and other disorders of the neuromuscular system. Among them are the various types of myositis and sure serious neurogenic diseases as amyotrophic lateral sclerosis (ALS), infantile progressive spinal muscular atrophy, and paraneal muscular atrophy.
These conditions, and others, are covered by MDA's patient service program. Muscular Dystrophy Association, Inc. is headquartered in this area at 1715-B South Washington, Amarillo, Texas 79102.
