L. O. A. OBSERVES FEDERATION DAY

The L. O. A. Junior Study Club met Monday night, October 3, 1977, at the P. C. A. community room for a federation day program.

The devotional was given by Deb Burson. Roll call was answered by club members naming an International Club.

Martha Millhollon, Americanism Chairman, presented a program on American idioms. She concluded by reading a poem, "Old Timers," written by her mother who was inspired by observing two

and Mrs. Charles Wallace, and grandchildren were hosts for the occasion.

The refreshment table was covered with a white linen cloth, and the centerpiece was an arrangement of one dozen red roses. A three-tier wedding cake iced in white with white wedding bells and red roses was served with strawberry punch, red and white mints and mixed nuts.

An array of lovely gifts was received from the many relatives and friends who attended to extend best wishes to the couple on their anniversary.

Young Farmers Have "42" Party

The Silvertown Young Farmers held a "42" party Saturday, October 1.

Those present were Tobe Riddell, Calvin Shelton, Fred Brannon, Merle Roehr, Donnie, Sandy and Amy Perkins, G. W., Veneta and Cynthia Chappell, Fred, Lois and Stacey Hill, Fred, Linda, Katrice and Anthony Minyard, Jerry, Vicki and Kristi Bean, Doug and Jeanetta Bradford, Jeep, Polly and Jo Jarrett, Orville and Carolyn Turner.

Mrs. Ernest Garcia Honored At Shower

Mrs. Ernest Garcia was guest of honor at a miscellaneous shower Saturday morning, September 24, in the Pioneer Room at First State Bank.

Mrs. Harold Storie greeted the guests and presented them to the honoree and to the mother of the groom, Mrs. Santos Garcia.

Refreshments were served from a table covered with a white linen lace-edged cloth. The centerpiece was an arrangement of yellow daisies.

Hostesses were Mrs. Lem Weaver, Mrs. Beryl Long, Mrs. Fred Mercer, Mrs. Don Brown and Mrs. Harold Storie.

Low Interest Disaster Loans To Be Available

Disaster victims will be able to get long-term loans from the U. S. Small Business Administration at greatly reduced interest rates.

"President Jimmy Carter's action, in signing HR 692, substantially benefits Americans who suffer loss or damage to their businesses or homes," District Director Philip J. O'Jibway said. "Specifically, interest rates on physical disaster loans to homeowners is reduced to one percent on the first \$10,000, three percent on the next \$30,000, and six and five-eighths percent thereafter."

Ranch about seven miles west of Southwestern's Plant X in Lamb County. The plant will be called "Tolk Station" in honor of Roy Tolk, chairman of the board of SPS and it will have a generating capability of 565,000 kilowatts. Primary fuel for the station will be low-sulphur coal which will be brought in by unit train from Wyoming. Construction of the new plant will begin next year and is scheduled for completion in 1982. Plans also call for a second 565,000 kilowatt unit to be completed in 1985.

SPSC ANNOUNCES GENERATING STATION

Southwestern Public Service Company has announced that it will invest in excess of \$200 million during the next four years for the construction of a new electric generating station on the South Plains of Texas.

The announcement was made today by Bill Esler, SPS Vice President of engineering and construction. Esler said the new plant would be located on the James

men on the courthouse square in Snyder, Texas.

Tour guide, Linda Gonzales, alias LaQuetta Schott, promoted Mexico by explaining interesting historical facts about her country.

Club members participated in a Federation Pep Rally led by cheerleaders Rhenda Burson and Jealeta Baird. Coach Mrs. Harry Wagner, jr., (Jane Self) gave a pep talk about the interaction of our club, TFWC and GFWC. Members concluded by singing the Federation Song.

Members present were Jealeta Baird, Vicki Bean, Tommie Blackerby, Rhenda Burson, Deb Burson, Pat Edwards, Peggy Holland, Darrah McCammon, Martha Millhollon, LaQuetta Schott, Jane Self, Patsy Towe, Cathey Weeks, Tisa Whitfill, Tish Whitfill and Gail Wyatt.

O'Jibway said. "Interest on physical disaster loans for businesses would be reduced to three percent on the first \$250,000, and would be six and five-eighths percent thereafter," he continued. All interest rate changes will be effective until October 1, 1978.

The **heat pump**

"THE ELECTRIC SAVINGS MACHINE"
 BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! "Split systems" — most adaptable to homes — consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said...

"Yes, the heat pump!"

Self, Mrs. Mae-belle Francis, Mrs. Lois Nance, J. D. Nance, John T. Francis, Mrs. Kathy Frizzell, Marvin Self, Mrs. Tina Nance, Wayne Nance, Kerry Copeland, Michael Flowers, Mrs. La'Trella Flowers, Jena McFall, Mrs. Jo Ann McFall, David Johnston, Mrs. Diann Johnston, Mrs. Claudine May, Edwin May, Mrs. Katherine Kingery, Mrs. LaVern Kingery, Mrs. Donna Copeland;

Also, Mrs. Peggy Rowell, Mrs. Jo Ann Clayton, Ronnie Hester, Mrs. Rhenda Burson, Mrs. Marcella Brown, Mrs. Vici Baird, Carl D. Baird, Lydia Younger, L. B. Garvin, Jr., Mrs. Eva Lou Younger, Mrs. Margaret Hester, Lane Garvin, Billy Turner, Mrs. May Pearl Rowell, Merle Roehr, Aubrey Rowell, G. W. Chappell, Mrs. Lallie Patton, Mrs. Mildred Davis, Mrs. Lois Walker, Leo Fleming, James Davis, Marvin Montague, Edwin Dickerson, Mrs. Carolyn Montague, Mrs. Annell Davis, Mrs. Carrie Dickerson, Connie Rowell, Jan Reynolds, R. D. Reynolds, Mrs. Sharon Simpson, Dana Martin, Mrs. Dorothy Martin, Perry Brunson, Mrs. Marsha Brunson, Donna Tomlin, Mrs. Sandi Thomlin, Mrs. Opal Grabbe, and Jim Burson.

These people have received instruction in the procedure to follow when attempting to resuscitate a person who was the victim of choking, drowning, heart attack, electrical shock, smoke inhalation. They practiced what they learned on resuscitation models of adults and babies, and successfully pas-

Beryl Long Serving On Governing Body

Mr. Beryl Long is currently serving on the governing body of the Panhandle Health Systems Agency (PHSA). According to Mr. Long, "The PHSA is actively studying the health maintenance and health care needs and resources of the Panhandle area to determine the availability, accessibility and affordability of local health care, to evaluate existing programs and facilities, and to collect and review data regarding local health care delivery." The governing body meets monthly on the second Thursday to help plan and encourage the implementation of a system that will deliver quality health care to every individual in our 25 county area. By volunteering time and effort, Mr. Long is helping to assure that PHSA remains an organization of Panhandle people serving Panhandle needs.

"In an effort to improve public accessibility to quality health care at reasonable prices, the United States Department of Health, Education, and Welfare has designated a nationwide system of 204 regional health planning agencies. The PHSA is one of these agencies," Mr. Long stated, "and as such is constantly seeking ideas and information concerning health care from Panhandle residents. The PHSA Governing Body believes that by working together as health care providers and consumers, we will be able to improve maintenance throughout the area."

The Health Systems Agency has been in operation since its conditional designation on August 9, 1976. The Governing Body has

sed written and skills examinations. Several Emergency Medical Technicians assisted in conducting the classes.

Other EMT instructors, including Emmett Tomlin, W. J. Copeland, Bruce Tiffin, Stan Fogerson and Anthony Kingery, assisted with teaching the classes.

The classes were sponsored by the Heart Association, Briscoe County Extension Service and the Silverton Emergency Medical Service. No charge was made for the classes.

organized itself into committees to the development of the Health Systems Plan. Mr. Long is serving on the Mental Health Committee. The Agency has performed the "review" function on fifteen projects totaling \$22,981,460. It has begun the inventory of facilities, manpower and health services and has had a strong start on documenting the health concerns of the people in the region.

CARDS OF THANKS
CARD OF THANKS
Thanks to the Silverton Volunteer Ambulance Service and Emergency Medical Technicians Mabry Greenhaw, Darla Greenhaw, Charles Sarchet and Ted Kingery for your assistance on our trips in the ambulance.
Mabel and Buck Wesley

A SPECIAL THANKS
I take this method to express my sincere thanks and appreciation to the local citizens that are qualified EMTs.
You spent many countless hours and made sacrifices for the knowledge you attained.
Then, you so graciously gave your time to pass along a very important part of this in the CPR class, that should the occasion arise, we, too, may be "ready."
A special thanks to the ones that were so patient with those of us confronted with the "Infirmities of Old Age." I appreciated it.
Bessie Garrison

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we have helped for 60 years.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

America in its early days depended on the "GOOD BOOK" for its guide in ethics, worship, and pursuit of freedom. These early gains are now in danger of falling and we need to turn all America once again to God and His word. America can be strong only when each individual looks to God for strength.
