

Highway Construction Set To Begin In Dec.

Construction of State Highway 207 across Tule Canyon is expected to get underway sometime around December 1 according to E. H. Monroe of the State Department of Highways and Public Transportation in Clarendon.

"Work will probably start on the north end of the project," said Monroe, who will be in charge of the work.

The five mile section scheduled for widening, reconditioning and resurfacing extends from Tule Canyon north to four miles south of Farm-to-Market Road 146.

"Construction will be an inconvenience to the traveling public," added Monroe, "but the highway will not be closed."

The highway will be widened from 20' to 24' with new base material being added for additional strength. The surface will consist of a two course surface treatment.

Cooper and Woodruff, Inc. of Amarillo were low bidders with a bid of \$228,386.00.

It is expected that the work will be completed by early spring.

Patino Services Held Tuesday

Services for Filiberto Patino, 31, of Silvertown were conducted at 2:00 p.m. Tuesday at Our Lady of Loreto Catholic Church here with Father David Greka officiating.

Burial was in the Silvertown Cemetery under the direction of Moore-Rose Silvertown Funeral Home. Patino was dead on arrival at Central Plains Hospital in Plainview 9:30 a.m. Saturday after suffering a gunshot wound to the head.

Plainview Justice of the Peace Glenn Stone said the shooting appeared to have been accidental, but a formal ruling is pending the outcome of an investigation by the Briscoe County Sheriff's Office.

Patino was born November 30, 1945 at Edinburgh, and married Olivia Charles in 1973. He was a Vietnam War veteran, a student at Wayland Baptist College in Plainview and a member of Our Lady of Loreto Catholic Church. He had lived in Silvertown 20 years.

Survivors include his wife; three sons, Juan, Filiberto, Jr., and Flavio, all of the home; his mother, Mrs. Minerva Patino of Silvertown; six brothers, Florentino and Fidel, both of Lubbock, Felix of Pineville, Oregon, Flavio, Fidencio and Fernando, all of Silvertown; five sisters, Odilia Cavazos of Lubbock, Olivia Fabela, Olga Garcia, Obelia Patino and Mary Patino, all of Silvertown; and his grandmother, Mrs. Julia Alaniz of McAllen.

Mrs. Northcutt Buried Here Monday

Funeral services for Mrs. Frances Northcutt, 87, were conducted at 11:00 a.m. Monday in First United Methodist Church at Panhandle with the Rev. Vernon O'Kelley, pastor, officiating, assisted by Earl Cantwell, minister of the Rock Creek Church of Christ.

Graveside rites were conducted at 3:00 p.m. Monday in the Silvertown Cemetery. Arrangements were under the direction of Smith Funeral Home of Panhandle and Moore-Rose Silvertown Funeral Home.

Mrs. Northcutt, the former Frances Dawson, died Friday in Amarillo.

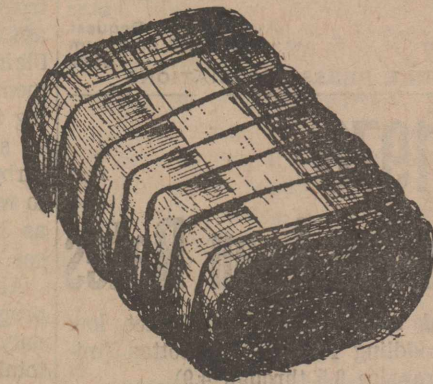

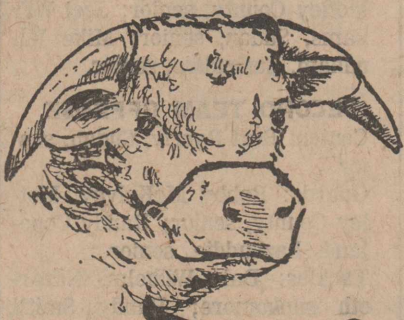

She was born in Rock Island, Illinois and moved to Panhandle from Canyon in 1976. She was a member of the Canyon Home Demonstration Club, the Canyon Senior Citizens, and the United Methodist Women of Canyon. She was a member of the First United Methodist Church in Panhandle.

Her husband, Albert Roger Northcutt, died in 1968.

Survivors include a son, F. E. Bloomquist of Venice, Florida; three daughters, Mrs. Clyde Pannell of Panhandle, Mrs. Kathleen Neese and Mrs. Faye Henderson, both of Burnet; a brother, Harmon Timberlake of Brandenton, Florida; 11 grandchildren and 22 great-grandchildren.

She was a sister-in-law of D. T. Northcutt.

VOLUME 69 NUMBER 47

Owlettes To Play Phillips In First Round Of Queens Basketball Classic

Brackets for the second annual Plainview Queens Classic Basketball Tournament scheduled for Thanksgiving weekend, November 24-26, were recently announced by the Sports Committee of the sponsoring Plainview Chamber of Commerce.

The field includes three of the five state champions in schoolgirl basketball plus the defending collegiate champion Wayland Flying Queens and a host of "name" teams in the college division. The Plainview Queens Classic is the first all-women's basketball tournament of its kind in the nation.

The high school bracket has defending champion Nazareth, the Class B State Champion, meeting newcomer Hale Center, the District 4-A titlist, at 4:00 p.m. on Thanksgiving Day. Class A semi-finalist Phillips plays newcomer Silvertown of District 5-B at 9:00 a.m., AAA State Champion Canyon meets newcomer Floydada of District 4-AA at 12:30 and AAAA State Champion Dallas South Oak Cliff takes on Region 1 Finalist Slaton at 7:30. South Oak Cliff lost to Nazareth in the finals of the Classic last year.

If the Owlettes win their first game, they will play the winner of the Canyon-Floydada game at 9:30 a.m. Friday. Should the Owlettes lose to Phillips, they will play the loser of the Canyon-Floydada game at 2:00 p.m. Friday. The high school championship game will be played at 7:30 p.m. Saturday, and the consolation final game will be at 12:00 p.m. Saturday.

The Wayland Flying Queens, who beat Baylor 82-64 in the finals last year, play the University of Nebraska at 5:30, 1977 National AIAW Tournament Qualifier Missouri meets Long Beach State at 10:30 a.m., 1976 Participant Kansas State meets up-and-coming Houston at 9:00 p.m., and Louisiana Tech plays holdover Texas Tech at 2:00 p.m.

The tournament was an overwhelming success last year, attracting about 10,000 fans over a three-day period. "We're expecting a terrific tournament this year and feel it's a real feather in our cap to have three state champions and a state participant in the high school field," said Bud B. Cason, chairman of the Plainview Chamber of Commerce Sports Committee. "The college division should be extremely exciting."

The Bob Hills hosted a pre-Thanksgiving dinner November 13. Guests included Lucile and Ernest Davis of Tuxline; Claudine and Jake Green of McFarland, California; Glenna Wilson, Canyon; Jim Wilson, Jeana and Bill Wilson, Amarillo; Mike Smith and his mother, Frances Smith, and Mr. and Mrs. Alvin Hicks, all of Clarendon; Robert Haley, Carlie, Greg, Michael and Monroe Hill, all of Silvertown.

Milton Dudley has been a patient in Swisher Memorial Hospital in Tula. He was suffering with pneumonia.

Jeremy Riddlespurger, grandson of Mr. and Mrs. Roy Younger, has been a patient in Northwest Texas Hospital in Amarillo with viral pneumonia.

Lem Weaver had the misfortune of getting a thumb cut off last Thursday afternoon when he fell into a cotton stripper. He was taken to Swisher Memorial Hospital in Tula.

Mrs. Joe McWaters is recuperating from surgery at Nichols Hospital in Plainview.

ly tough this year with the addition of more prestige-name schools that really have great programs for women's basketball," he added. "Without question, the Plainview Queens Classic has to be one of the finest tournaments in the nation and is unique in that it has a college-high school format."

Cason added that ticket prices will be reduced some this year so that fans, especially those with families, may see the games at a more reasonable rate. Tickets are priced at \$7.50 for a tournament pass for adults and \$4.00 for students. The tournament pass will entitle the holder to view all 24 games of the classic. Daily passes will sell for \$3.00 and \$2.00 and session passes will be \$2.00 for adults and \$1.50 for students.

"This is our way of saying thank-you to the thousands of fans who helped us get the tournament started in such a great way last year and to encourage even greater attendance this year," Cason explained.

Special discounts will be given to area basketball teams who come in a group accompanied by their coach. The special discount tickets and advance tickets may be obtained by writing the Plainview Chamber of Commerce, P. O. Box 340, Plainview, Texas 79092.

Varsity Teams Split Pair of Games

The varsity Owlettes took a 47-37 victory over Hedley last Friday night, and the varsity Owls dropped their second match of the season to Hedley, 57-40.

The previous week, the Owls had dropped their game to Hedley, 60-46, and the Owlettes had won 77-27.

The Owlettes now are undefeated this season, and the Owls own a 1-2 record.

Scoring for the Owlettes was not as balanced in this game as it was the first time they played Hedley, but the grapevine held the rumor that the Hedley girls had been practicing quite a few hours a day getting ready for the return game.

Linda Vaughn led the scoring with 22 points, closely followed by Twila Wood, with 19. Ruegna Davidson tossed in six points. The Owlettes made five of 10 shots at the line, while Hedley made seven of 15 chances at the line.

In spite of the small margin of victory, the Owlettes led at the end of each quarter and were really never in trouble.

Starting guards were Mignone Rauch, Debbie Storie and Arlene Lavy. Also seeing action in the game were Connie Rowell at forward and Ramona Clay at guard. Owlettes 19 30 38 47 Hedley 10 22 26 37

The Owls were led in scoring by Jackie Vaughn, with 16 points. Brent Brannon and James Alan Patton scored six points each, Jake Francis put up five points, and Kirk Durham and Earl Jarrett made two points each. The Owls made four of eight charity tosses, and Hedley sank five of nine at the line. Also playing for Silvertown were Paul Brannon, Doug McJimsey, Mark Brown, Kyle Bean and Bobby McPherson.

Hedley 14 32 43 57 Owls 10 20 27 40

The Owlettes are playing in the Queens Classic Tournament at Plainview this weekend, with their first game being against Phillips at 8:30 o'clock Thanksgiving morning. Next Tuesday night, the varsity

IF YOU MOVE within the county, or if you change your name, or if any of the information above is incorrect, use the space below for corrections, sign and return this card to the Registrar of Voters of your county IMMEDIATELY. SI CAMBIA SU DOMICILIO dentro del condado, o si cambia su nombre, o si la informacion arriba es incorrecta, use el espacio abajo para hacer correcciones, firme e INMEDIATAMENTE devuelva esta tarjeta al Registrador de Votantes de su condado.

The above changes are correct. Los cambios de arriba estan correctos.
Voter's Signature (Firma del votante)

VOTER PERSONALLY MUST SIGN IMMEDIATELY upon receipt of this card.
(VOTANTE MISMO DEBE FIRMAR INMEDIATAMENTE al recibir esta tarjeta.)

Above is an actual sample of the new gold-colored voter registration forms that will be mailed to every registered voter. Be sure to watch for it in the mail, sign it, and place it in your billfold or other safe place. You will be asked to present this card when you go to vote in elections after March 31, 1978.

Voter Registration Cards Mailed

New voter registration certificates are in the mail for all registered voters in Briscoe County in the next few days, reports the Briscoe County Tax Assessor-Collector, Arthur McJimsey.

The registration cards will be printed on one side of a post card, with instructions for their use on the reverse side—all in two languages.

They are printed on gold cards—DO NOT THROW THEM AWAY.

They will be valid from March 31 next year for the following two years, but should not be used before March 31. For any elections between now and then, the old voter registration card will be valid.

The cards are printed with the name, address, and voter registration number of the individual voter to whom each card is addressed. They require only the proper signature of the voter to make them valid. There is nothing to return—no further action is required.

The cards should be trimmed according to instructions printed on them, folded and placed in billfold or other safe place, available for use whenever the voter goes to the polls during the next two years.

If the cards are not correctly addressed and deliverable by mail, postmasters are asked not to forward them but to return the card to the Tax Collector's Office. This is done to insure that if voters have moved to another mailing address, their voter registration will not be issued until they have re-registered at the place of their new residence.

This safeguard was ordered by the Legislature to keep the voter registration lists corrected. Under current statutes, voter registrations will be automatically renewed every two years by the mail method unless voters have changed place of residence.

Mr. and Mrs. Charles Sarchet were in Lubbock Friday to visit his sister, Mrs. M. T. Cruce, who had undergone knee surgery the day before at St. Mary's Hospital.

Smiling 4-H Club Has Meeting

November 7, the Smiling 4-H Club met at City Hall. We talked about the duties of an officer in 4-H. The refreshments for next meeting will be brought by Kathy Fogerson. Game committee is Brown and Donna Tomlin. Members of the clean-up committee will be Scotty Harris and Kristy Todd Reagan and Joe Ted Edwards.

Our members, Kathy Brown, Donna Tomlin, Shellie Cornett, Kristy Fogerson, Scotty Harris, Cal Brannon, Joe Ted Edwards, Todd Reagan, were all there. We had two new members, Kathy Brown and Scotty Harris.

Farmers Reminded Of Upcoming Election For ASC Commitmen

The ASC community committee election will be conducted by mail from November 25 to December 5.

The slate of nominees for the election has been developed. The candidates for each community in Briscoe County are:

Community "A" - North of highway 86-West of the Caprock: Jerry Baird, Carl D. Bomar, Harold Edwards, Norman Strange, Clifton Stodghill and John Wyatt.

Community "B" - East of the Caprock: Charles Barrett, Roger Brunson, Lynn Cox, Roland Hamilton, Arthur Patrick, Larry Price and Dale Ramsey.

Community "C" - South of Highway 86 and West of the Caprock: Perry Brunson, G. W. Chappell, Leo Comer, L. B. Garvin, Jr., Alton Riddell, Wayne Stephens and Homer Stephens.

Participation in ASC elections is open to all farmers and their spouses, regardless of race, religion, sex, color, national origin or political affiliation.

This election is important to each farmer in the county because committeemen are charged with the responsibility of managing government farm programs on the local level. The first duty of the newly-elected community committee members will be to serve as delegates to elect new members to the County ASC committee.

Charles Sarchet was in Tula Monday afternoon to serve as pallbearer at the funeral of a longtime friend of his family, Mrs. Nora Helms.

ERNEST KIKER

Briscoe County To Have New Agent

Ernest Kiker, a Rotan native who earned his degree at Texas Tech University, will be moving to Silvertown as the Briscoe County Extension Agent. He will assume his duties December 1.

Kiker began work as assistant agent in Swisher County and trained under the direction of a former Briscoe County Agent, Ken Cook. He comes to Briscoe County from Borden County where he has served as County Extension Agent.

Kiker will replace Eddie Holland, who is moving to Hondo to become County Extension Agent there.

Kiker and his wife, Vickie, are members of the Methodist Church.

Alex Davis, a student at State University of Louisiana in Natchitoches, and Stephanie Wimberly of Leesville, Louisiana, are spending the Thanksgiving holidays with his grandparents, Mr. and Mrs. Milton Dudley and Mrs. Stella Davis and other relatives.

Mr. and Mrs. Charles Sarchet and her mother, Mrs. J. M. Hill of Tula, were in San Antonio November 12 to help Mrs. Hill's sister, Mrs. S. J. Fisher, celebrate her 81st birthday. Mr. Fisher who is 86, joined the group at a party at the Spanish Galleon. They also visited Mr. and Mrs. Jack Fisher, jr. while in San Antonio.

4-H Gold Star Winners Honored

Two outstanding 4-H'ers from Briscoe County, Susan Payne and James Alan Patton, were guests of honor at the District 2 4-H Gold Star Awards Banquet at Coronado High School Monday night, November 21, in Lubbock.

The program began at 6:30 p.m. in the high school's cafeteria.

Billy C. Gunter and Catherine B. Crawford, district agents for the Texas Agricultural Extension Service, said some 450 persons, including parents, distinguished guests and special friends of 4-H, were on hand to congratulate the youths.

A boy and girl from each of the 20 counties in District 2 are eligible to receive this highest county award each year. The award is based on outstanding achievement, leadership, and contribution to the county 4-H program.

The event is sponsored annually by the following 12 member-owned electric cooperatives serving District 2: Bailey, Dickens, Lamb, Deaf Smith and Swisher counties, and Lea County in New Mexico. Also, Caprock, Lighthouse, Lone Wolf, Lyntegar, Midwest and South Plains electric cooperatives.

Speaker for the special occasion was Dr. Terence R. Greathouse, associate dean of agriculture at Texas A&M University, College Station, Texas.

State Representative Michael Ezzell of Snyder was the master of ceremonies, and John Johnson, associate farm director for KFYO Radio in Lubbock, narrated the presentation of awards.

To qualify for the special award, a 4-H'er must be at least 13 years of age, have completed at least three years of club work and be currently active in 4-H.

According to County Extension Agent Linda Mullin, the Gold Star Award is intended to stimulate winners to higher achievements and to encourage other young people to participate in the county 4-H program.

USDA ANNOUNCES MARGUERITE B. SNYDER NAMED TO TEXAS ASC COMMITTEE

Secretary of Agriculture Bob Bergland has appointed Marguerite B. Snyder of Baird a member of the Texas Agricultural Stabilization and Conservation (ASC) Committee. She replaces Charles Stenholm of Stamford who resigned to become a candidate for Congress.

The ASC Committee administers federal farm programs in Texas. Mrs. Snyder has been involved in farming and ranching for 26 years. Her operation covers 250 acres of cultivated and 7,470 acres of grazing land.

She graduated from Texas Tech University with honors in home economics and taught for a year in the Littlefield public schools. She served as a substitute teacher in the Baird public schools for four years. She has also worked as a stock broker for Mutual Securities, Abilene, and as a bookkeeper for James L. Snyder and Sons, Baird.

She belongs to the Callahan and Shackelford County Farm Bureaus, the Texas and Southwestern Cattle Raisers, and the National Cattlemen's Association.

She is married to James L. Snyder. They have two sons, Byron and Jim. Mr. Snyder is on the Texas Tech Board of Regents.

R. C. Hutsell was taken by the Silvertown Volunteer Ambulance Service to Central Plains Hospital in Plainview Friday morning. He is receiving treatment for a cracked kneecap he received in a fall.

Isabel Barren was taken to the Amarillo Emergency Receiving Center Wednesday afternoon of last week by the Silvertown Volunteer Ambulance Service after his arm got into the rollers at Harris Gin, where he is employed. He was transferred and admitted to St. Anthony's Hospital. Reportedly, he had no broken bones in his arm, but the arm was opened so that the internal bleeding could drain.

Buck Wesley, who recently underwent surgery at Central Plains Hospital in Plainview, is recuperating at the home of his son and family, the Eddie Wesleys, at Littlefield. He plans to return to his home Friday.

USDA Announces 1978 Upland Cotton Loan Rates

The U. S. Department of Agriculture has announced the loan rate for the 1978 upland cotton program and a seed cotton loan program for upland cotton.

The loan rate for 1978-crop upland cotton—the first year to be covered by the Food and Agriculture Act of 1977 (PL 95-113), approved September 29, 1977, will be 44.00 cents per pound, applicable to strict low middling 1-1-16th inch upland cotton (micronaire 3.5 through 4.9) net weight, at average location in the U. S. The loan level is final, as provided in the law.

The new law provides that the loan level for 1978-crop upland cotton must reflect for strict low middling 1-1-16th inch upland cotton (micronaire 3.5 through 4.9) at average location in the United States. The smaller of (1) 85 percent of the average price of strict low middling, 1-1-16th inch cotton quoted in the designated U. S. spot markets during the four-year period ending July 31, 1977, or (2) 90 percent of the average for the first two full weeks of October 1977, of the five lowest priced growths of the growths quoted for strict middling 1-1-16th inch cotton, C. I. F. Northern Europe adjusted downward by the average difference during the period April 15, 1977 through October 15, 1977, between the Northern Europe quotations and the quotations in the U. S. designat-

ed spot markets for strict low middling 1-1-16th inch cotton (micronaire 3.5 through 4.9).

The loan level announced reflects 90 percent of the adjusted average price quotation for northern Europe. This provision was included in the new law to take into account possible declines in world market price levels for upland cotton so that U. S. grown cotton would be in better position to compete with other growths in the world market under such conditions. World market prices in recent months have declined to the extent that this provision became the controlling factor in the loan level determination. The loan level would have been 50.28 cents per pound had it been based on 85 percent of the four year average spot market prices.

Loan available to program cooperators in different individual upland cotton qualities will be based on the strict low middling 1-1-16th inch loan level. A schedule of premiums and discounts for these various qualities and the base loan rate for strict middling 1-1-16th inch cotton at each warehouse location will be issued at a later date.

As in 1977, loans will be available to cooperators for a term of 10 months from the first day of the month in which the loan is made. However, the 1977 Act provides that loan for upland cotton shall, upon request of the

Hail Group Votes To Pursue Permit

In an effort to continue the controversial hail suppression program over a portion of the High Plains, Plains Weather Improvement Association members, meeting in Earth last Thursday, voted to send their attorney, Jerome Kirby of Littlefield, to Austin to meet with members of the Texas Department of Water Resources.

Although the hail suppression program was defeated in Hale County on November 8, a composite total of balloting throughout the target area, including most of Hale and portions of Castro, Lamb, Swisher and Floyd Counties, revealed that the project was approved by a slim majority.

Hale County target area voters (all voting precincts except Precinct 9 in Abernathy) defeated the project by 115 votes, voting 1,416 for and 1,732 against. But, when

that total is added to the results in other target area elections held earlier this year, the proposition was approved by 131 votes, a PWIA spokesman said.

Those other target area precincts include Castro Precincts 6, 7, 10, 11 and 16; Lamb Precincts 1, 2, 3, 6, 9, 12, 13, 15 and 16; Swisher Precinct 12 and Floyd Precincts 3, 4, 7 and 16.

"We are sending Kirby to see how the Department of Water Resources is going to interpret the law allowing for the elections. The group will decide on the next course of action after the lawyer gets back," the spokesman said.

The group was to elect officers at this meeting, but they postponed that vote, pending the Austin meeting, until the next PWIA meeting, to be held December 8 at the City National Bank in Plainview, he said.

No decision was made by the group concerning the disposition of PWIA equipment if a hail suppression permit is not approved, the spokesman said. "It was really a mute question. We may wait a year and try to seek a rain increase permit, but that is just speculation."

GUESTS PRESENTS FINE ARTS PROGRAM

Twenty-five members and guests of the Century of Progress Study Club were in attendance at the Club's Fine Arts Program October 26 in the P. C. A. community room.

Mrs. Carl D. Bomar, first vice president, welcomed the guests. "A Brush of the Hand" was the devotional given by Mrs. Edwin Dickerson. Each person gave her favorite art medium in answering roll call.

Mrs. L. D. Griffin introduced William E. Hughes, Amarillo artist, who presented the program. Mr. Hughes is associate owner and manager of Hughes Home Beautiful. His art portrays subjects which are best known and most loved in the Southwest. He has studied under Stefan Kramar, one of America's finest water colorists. He began painting in 1971, and within a year his work had startling acceptance, being shown in distinguished stores and galleries in Texas, New Mexico, Colorado and Arizona.

The group enjoyed watching Mr. Hughes do a water color demonstration. The picture was finished within an hour, matted and framed. He answered questions from the group as he did the work on his picture.

Mr. Hughes also displayed several pieces of his art, including paintings of Prairie Country, Distant Hills, Windswept Plains, Distant Desert Mountains, Mountains in Winter—random sketches of a truly great country.

Also showing some of her work was Ms. Elaine Maples of Amarillo, who displayed some of her copper enamels and other art media.

Hostesses for the meeting were Mrs. Wayne McMurtry and Mrs. John Gill.

Study Club Hears Program On Child Abuse

L. O. A. Junior Study Club met Monday, November 7, in the P.C.A. community room for a program on child abuse.

Public Affairs Chairman Patsy Tove introduced the guest speaker, Mr. Biredstine and Phyllis Crow, who are with the Child Welfare Department.

Members enjoyed a slide presentation and the group discussion which followed.

Refreshments were served by the hostesses, Patsy Tove and Barbara Pigg. Gail Wyatt had made and decorated a cake in honor of Peggy Holland. Jealeta Baird also presented Mrs. Holland with a going-away gift from the club. There were a few misty eyes as she said her goodbye to the club members.

Following refreshments, Arts Chairman Peggy Holland presented a program on the mixer method of making plant hangers. Club members all joined in the activity and made three hangers. Mrs. Holland was given one of the hangers to take with her to her new home in Hondo.

Members present were Jane Self, Rhenda Burson, Paula Bomar, Tina Nance, Tish Whitfill, Pat Edwards, Jealeta Baird, Gail Wyatt, Mary Lane Younger, Margaret Hester, Darrah McCammon, and a special guest, Mrs. Harold Hudgins of Hartley, mother of Peggy Holland.

producer cooperator during the tenth month of the loan period, be made available for an additional term of eight months, unless the average price of strict low middling 1-1-16th inch cotton (micronaire 3.5 through 4.9) in the designated spot markets for the receding month exceeds 130 percent of the average spot price for the preceding 36 months. This provision was effective immediately upon enactment of the new law, and is applicable to loans on 1976 and 1977 crops, as well as subsequent crops.

Club Hears Program On Making Wills

Silverton Young Homemakers met Thursday, November 10, at the P. C. A. community room, with Mrs. Carolyn Turner presiding.

A program was given on writing a will by Attorney Burrell Evans of Evans & Evans Law Offices in Tulla. A question and answer period followed.

Those attending the meeting were Carolyn Turner, Linda Dunham, Vicki Bean, Denise Grady, Roy Reed and Vici Baird.

The Young Homemakers have 14 cases of pecans left and when they are gone, that will be all of them. You may purchase pecans by contacting Vicki Bean, 847-2658, Linda Dunham, 823-2385, Carolyn Turner, 823-2193, or Vici Baird, 847-2644.

Two-Way Picks Rule 2-B North Zone

Five gridders from the District 2-B North Zone were two-way choices on the All-District Team for 1977. They are Sudan's Lonnie Williams and Edgar Tamplin, Valley's Darrell Dowd, Motley County's Jerry Lee and Nazareth's Derwin Huseman.

Williams was a unanimous choice at both offensive tackle and a down lineman and Tamplin was a unanimous defensive end pick. Dowd and Lee were both unanimous picks in the backfield. Other unanimous choices were Sudan's offensive guard Derwin Beauchamp, Valley down lineman Kenny Chandler and Sudan secondary man Joel Williams.

The All-District team also featured a brother act, Lazbuddie's Mike and Russell Windham. Mike, a senior, was a secondary pick, and Russell, a freshman, the wide receiver.

Silverton did not place anyone on the first team, but placed two on the second team defense. They are Jace Francis, a 6-0, 205-pound senior, and Mark Brown, a 5-10, 135-pound sophomore.

Players who received votes but did not make either the first or second team were Doug McJimsey, running back; James Alan Patton, center; Mitchell Roehr, defensive end.

FIRST TEAM OFFENSE

Center: Ricky Turner, Motley County, senior
 Guards: Frank Acker, Nazareth, senior; Derwin Beauchamp, Sudan, senior
 Tackles: Lonnie Williams, Sudan, senior; Charles Davis, Motley County, junior
 Ends: Edgar Tamplin, Sudan, senior; Robert Parker, Motley County, junior
 Wide Receiver: Russell Windham, Lazbuddie, freshman
 Running Backs: Derwin Huseman, Nazareth, senior; John Miles, Sudan, junior; Darrell Dowd, Valley, junior; Jerry Lee, Motley County, senior
 Quarterback: Kenny Brockman, Nazareth, senior

FIRST TEAM DEFENSE

Down Linemen: Lonnie Williams, Sudan, senior; Kenny Chandler, Valley, junior; Jeff Crump, Valley, junior; Bryan Timmons, Motley County, senior
 Ends: Edgar Tamplin, Sudan, senior; Jesse Ferguson, Valley, senior
 Linebackers: Darrell Dowd, Val-

ley, junior; Jerry Lee, Motley County, senior; Derwin Huseman, Nazareth, senior
 Secondary: Kirk Proctor, Valley, junior; Harold Dempsey, Motley County, senior; Joel Williams, Sudan, senior; Mike Windham, Lazbuddie, senior.

SECOND TEAM OFFENSE

Center: Bert Byerly, Sudan, senior
 Guards: Bobby McKeivey, Motley County, senior; Randy Copeland, Lazbuddie, senior
 Tackles: Dale Wilhelm, Nazareth sophomore; Randy Smith, Lazbuddie, senior
 Ends: Jesse Ferguson, Valley, senior; Jeff Schumacher, Nazareth, sophomore
 Wide Receiver: Ricky Stanford, Sudan, senior
 Running Backs: Joel Williams, Sudan, senior; Mike Windham, Lazbuddie, senior; Kenneth Helms, Valley, junior; Todd McCandless, Motley County, senior
 Quarterback: Harold Dempsey, Motley County, senior
SECOND TEAM DEFENSE
 Down Linemen: Roy Dudgeon,

Sudan, senior; Randy Smith, Lazbuddie, senior; Jace Francis, Silverton, senior; Mike Green, Motley County, junior
 Ends: Todd McCandless, Motley County, senior; Frank Acker, Nazareth, senior
 Linebackers: Kenneth Helms, Valley, junior; Ricky Stanford, Sudan, senior; Russell Windham, Lazbuddie, junior
 Secondary: Jimmy Huseman, Nazareth, junior; Chris Book, Nazareth, senior; Charleson Steinbock, Lazbuddie, junior; Mark Brown, Silverton, sophomore.

Happy was the only team in the district that did not place a player on either the first or second team.

Mr. and Mrs. Hubert Hall of Memphis, Mr. and Mrs. R. L. Renfro of Fort Worth and Gayle Renfro of Vernon spent Friday evening in the home of Mr. and Mrs. Bert Hughes. Mrs. Hall, R. L. and Gayle Renfro are the sister and brothers of Mrs. Huseman.

Phone your family this Christmas.

This Christmas, give your family the gift of gab. With beautifully designed GTE phones to match their individual personalities and decorating styles, you won't find a more unique or personal gift anywhere.

So why don't you call our business office for complete details and give someone you love a phone for Christmas. It's an exciting new way to ring in the holidays.

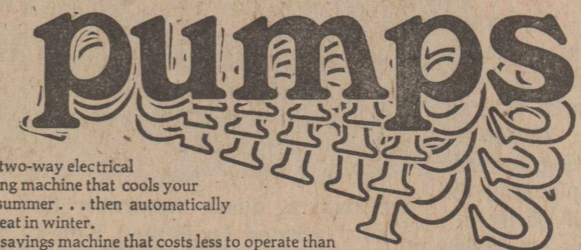

We have an eye for your ears.

The **heat pump**

"THE ELECTRIC SAVINGS MACHINE"

Here's how **heat pump**

Think of it as a two-way electrical wonder, an amazing machine that cools your home or office in summer... then automatically reverses itself to heat in winter.
 Think of it as a savings machine that costs less to operate than other electric heating/cooling systems now on the market. You know that all air—even frigid arctic air—contains heat. The heat pump just puts this simple principle to work. In winter, it squeezes heat from outside air and pumps it inside. In summer, it extracts unwanted heat from the inside air and pumps it outdoors.
 Or consider something already in your home that accomplishes the same thing as a heat pump: your refrigerator. It removes heat from the interior of the box and expels it. Like a refrigerator, the heat pump's basic components are simple—electric motor, compressor, condenser, evaporator, and blower system. Unlike a refrigerator, the heat pump has a reversing valve that lets it change the direction warm air is pumped—inside in winter, outside in summer.

OUR GENERATION IS FOR YOU!

Briscoe County Has Second Largest Number Of EMTs In Panhandle

A report released recently by the Panhandle Regional Planning Commission shows that Briscoe County has the second largest number of Emergency Medical Technicians of any county in the Panhandle.

Briscoe County is presently listed as having 51 EMTs and four Emergency Care Attendants (ECAs) for a total of 55. (Those listed as ECAs in Briscoe County are EMTs who have not yet completed the requirements in their training to be EMTs.)

Quitque is shown to have 17 EMTs and Silverton is shown to have 34 EMTs and four ECAs. These trained men and women serve a doctorless county, and the Quitque EMTs also answer calls in the Flomot area. They are all on call day and night and may be reached by dialing the local fire and ambulance telephone number in the directory. They are trained and willing to serve whether or not anyone has to be transported to the hospital.

Potter County has the most emergency personnel, with 95 EMTs and 14 ECAs.

Wheeler County has a total of 79, with 20 EMTs and 59 ECAs. Armstrong County: Claude 10 EMTs, six ECAs; Carson County: Groom, one ECA, Panhandle, five EMTs and six ECAs; Castro County: Dimmitt, one EMT; Collingsworth County: Wellington, se-

ven EMTs and 20 ECAs; Dallam County: Dalhart, 21 EMTs and two ECAs; Deaf Smith County: Hereford, 17 EMTs and nine ECAs; Donley County: Clarendon, Three EMTs;

Also, Gray County: Lefors, five EMTs, McLean, seven EMTs and eight ECAs, Miami, three EMTs, Pampa, 20 EMTs and eight ECAs; Hall County: Memphis, one EMT and two ECAs, Turkey, 17 EMTs and two ECAs; Hansford County: Gruver, two EMTs, Spearman, nine EMTs and three ECAs; Hartley County: Channing, one EMT, Hartley, five EMTs and one ECA; Hemphill: Canadian, two EMTs; Hutchinson: Borger, 16 EMTs and six ECAs, Fritch, 10 EMTs, Phillips, one EMT;

Also, Lipscomb County: Booker, four EMTs, Darrrouzett, four ECAs, Follett, one ECA; Moore County: Cactus, one EMT, one ECA, Dumas, 24 EMTs and two ECAs, Sunray, two EMTs; Ochiltree County: Perryton, five EMTs; Oldham County: Adrian, two EMTs, Boys Ranch, six EMTs, Vega, 14 EMTs and four ECAs, Wildorado, two EMTs; Parmer County: Friona, one EMT and 12 ECAs; Randall County: Canyon, 24 EMTs and 26 ECAs; Sherman County: Stratford, five EMTs and seven ECAs; Swisher County: Happy, eight EMTs, Tullia, 19 EMTs and four ECAs; Wheeler County: Allison-Briscoe, 26 ECAs,

DEAR EDITOR:

We are in Nebraska. Riely is liking his job. They are doing exploration drilling for uranium. We are living in an 8x27 travel trailer. So when we get ready to move we just hook on and go. Don't know where we will go from here. There are a lot of deer here but not as many as around Casper, Wyoming. Trout and cat fishing is really great.

We had four inches of snow last Tuesday, November 8, but it's all melted and the temperature is from 50 to 60 degrees during the day and around 30 nights.

Best wishes to all.
Doris and Riely Yates
Bordeaux Trailer Court No. 3
Chadron, Nebraska 69337

CHRISTMAS PROGRAM TO BEGIN AT DISCOVERY CENTER

The Don Harrington Discovery Center in Amarillo has scheduled its Christmas show "Star of Bethlehem" beginning Saturday, November 26 and running through January 1, 1978. Public Planetarium Programs are presented on Saturday and Sunday afternoons at 3 p.m. but many groups throughout the Panhandle last year arranged for special showings of the Christmas program, particularly during school classes. Similar arrangements can be made this year by calling the Discovery Center in Amarillo 806-355-9547 and talking with Avanelle Crawford, Discovery Center Administrative Assistant.

Going back in time and location to the first Christmas, viewers will see on the Discovery Center dome an exact reproduction of the sky as it appeared at that time to viewers in Bethlehem.

The central segment of the "Star of Bethlehem" is a retelling of the Christmas story as recorded in the Bible. Finally, we come to an astronomical explanation of what the star might have been, including a Nova, comet, or con-

junction of planets. The program concludes with the idea that perhaps science cannot explain miracles and the decision as to the true nature of the star is left for each viewer to ponder.

The Don Harrington Discovery Center is located in the Medical Center at the extreme Western edge of the city just north of I-40 and across the pond from High Plains Baptist Hospital. The address is 1200 Streit Drive.

Staci Hill Honored At Birthday Party

Little Miss Staci Dianne Hill was honored Saturday, November 19, with a birthday party and supper in the P. C. A. community room.

Those who attended the birthday party were Mrs. Laverne Stephens, Mrs. Debbie Holt and Lance, Mrs. Betty Stephens, Stephen and Jeannita, W. J. and Donna Copeland, Kerry and Ty, Mrs. Sue Breedlove, Brian and Brandi, all of Silverton; Mrs. LaNell Harrison, Chris and Bradley, Albuquerque, New Mexico, and Jay Stephens, Seymour.

Those who attended the birthday supper were Mr. and Mrs. Loyd Stephens and Tammy, Mr. and Mrs. T. V. McClure, Brent Brannon, Mr. and Mrs. Elbert Stephens, Stephen and Jeannita, Mr. and Mrs. Homer Stephens, Ricky Don Stephens, Mrs. Rex Holt, Lance Holt, Mr. and Mrs. Aaron Younger and Rhett, Mr. and Mrs. Oford King, Mr. and Mrs. Bailey Hill, Mrs. Janice Hill and Denny, Mr. and Mrs. Bob Hill, Mrs. Bill Hill and Tobe Riddell, all of Silverton; Mr. and Mrs. Roger Harrison, Chris and Bradley, Albuquerque, New Mexico, Mr. and Mrs. Doug Turner, Lubbock, and Jay Stephens, Seymour.

WHAT THINK YE?

His one mistake:
He brushed his teeth twice day—with a nationally advertised toothpaste. The doctor examined him twice a year. He wore his rubbers when it rained. He slept with his windows open. He stuck to a diet with plenty of vegetables. He relinquished his tonsils and traded in several wornout glands. He golfed—but never more

than 18 holes a time. He never smoked, drank nor lost his temper. He got in at least eight hours sleep each night. He was all set to live 'till he was a hundred.

The funeral will be held Wednesday, at 3:00 p.m. He is survived by 18 specialists, four health institutes, six gymnasiums and numerous health food and antiseptics manufacturers.

World Cotton Production May Be Record

Led by a much larger U. S. crop, world cotton production in 1977-78 is expected to be a record 64.8 million bales, the Agriculture Department said today.

The department's Foreign Agricultural Service said the crop estimate is 12 percent more than last season's harvest of 58 million bales and one percent more than the previous record of 64.3 million in 1974-75.

Officials said that global cotton plantings were up six percent this year and that "excellent weather in most producing countries" could mean record yields.

Cotton use in 1977 was estimated at near last season's level of 61.2 million bales, the report said.

Thus, with larger supplies, global cotton reserves next August 1 are expected to rise to about 22.3 million bales from about 18.7 million last August 1, the lowest stockpile since 1953.

TRADING ACTIVE IN COTTON MARKET

Trading was moderately active this week with the volume of cotton available for sale increasing. Prices for most lots rose to an average of 300-350 points over government loan rates early in the week but by Friday averaged 200-250 points over the loan, about the same level as the previous Friday. At present, very little premium is being paid for grades higher than 32 or staples longer than 32. Growers received an average of \$62 per ton for cottonseed.

About 11,700 samples were classed at Memphis for the week ending Friday, November 4, bringing the season's total to 16,900. The Memphis office had not yet opened as of this date last year.

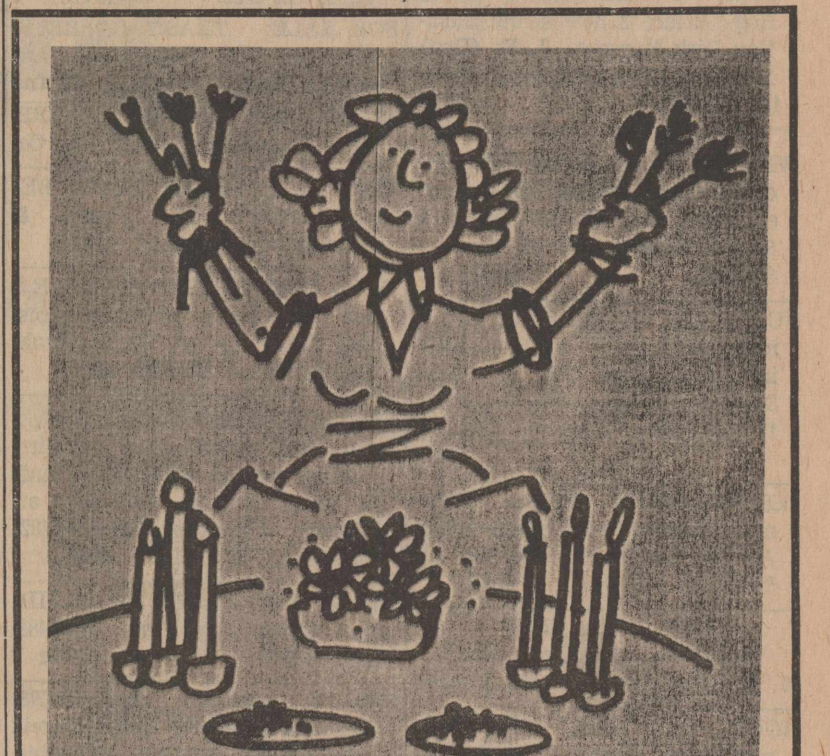

White grades accounted for 40 percent of the week's classing, while light spotted grades made up 58 percent. The predominant grades were 32 with 39 percent

THORNTON IN SECURITY POLICE TRAINING

Airman James D. Thornton has graduated Air Force basic training at Lackland Air Force Base, San Antonio, Texas, and is remain-

ing at Lackland for specialized training in the security police field. He studied the Air Force mission, organization and customs, and received special instruction in human relations. Completion of this training earned the individual credits toward an associate in applied science degree through the Community College of the Air Force.

Airman Thornton is a 1977 graduate of Denver City High School. His grandparents, Mr. and Mrs. Elbert Stephens and Mrs. Georgia Thornton, reside in Silverton.

NO NEED TO SET EXTRA PLACES AT THE TABLE...

but we'll be there with you for your holiday feasting and festivity.

We'll be helping with the cooking, the cleaning up, and most of the other chores that go with this special day. We're there too in the glow of lamplight, the warmth of rooms, the music wafting from the hi-fi.

We're your local rural electric system, working hard to provide you with dependable round-the-clock power—every day of the year.

HAPPY THANKSGIVING!

First, THE RIPPERS precision rip the hard pan under the seedbed allowing soil to use water and fertilizer more efficiently. Plus, plant roots can now extend freely for greater yields.

Next, THE HIPPERs prepare the seedbed. The hipper or bedding provides a warmer seedbed for faster seed germination, better trash management and water control. The Ripper Hipper does two jobs in just one trip, saving time and fuel.

Independent action assures uniform beds. A strong, parallel linkage connects the front bar mounted ripper shanks and the rear mounted bedder units.

Built "Tye Tough" for today's bigger tractors.

★Both bars are available in 7x7 and 4x7 material, 3/8" thick.

★3-point hitch for category two or three, regular or quick hitch.

★Heavy-duty 1" thick ripper shanks are box mounted to prevent twisting.

★Rippers are shear-protected.

★Long 30" ripper shanks allow plenty of bar clearance.

★Bolted construction adds extra strength and adjustability.

★Available in 2, 4, 6, and 8 row models

The Tye Company Lockney, Texas 79241

See your local dealer for the facts on how Tye can save you time and fuel.

Thanksgiving Prayer

Dear Lord, we give Thee thanks this day,
But not alone for daily bread —
For all Thy gifts which bless our lives.

We thank Thee for love, that makes life's burdens light.
For friendships shared, for hope and joy,
But mostly for the precious right

To think and speak as conscience leads,
To worship Thee, each in his way,
To walk in freedom where we will.
Lord, as we pause to praise and pray,

First State Bank
