

All Around the Town

by Mary Ann Sarchet

We understand that some who saw the Wheeler - Valley game last Friday night at Memphis described the Wheeler Mustangs as "the Dallas Cowboys of high school football." Some speculate that there may not be a Class A team in this part of Texas that could beat the Mustangs.

The Patriots represented the North Zone of District 2-B well, and people of the entire county are proud of them!

While on the subject of the football playoffs, there are a couple of former Owl gridders who are assistant coaches for teams that will be playing for regional championships this week.

Dennis Tomlin, who is married to the former Margaret Minyard who is also a former Silvertown resident, is defensive secondary coach for the Plainview Bulldogs. The Bulldogs will be playing El Paso Andress in the Sun Bowl in El Paso. They advanced to this game by beating the Amarillo Sandies in Amarillo last week.

The Bulldogs are setting school records in every game they play now, because they've never before won district and advanced into the playoffs. Their fans are as enthusiastic as any we've seen, and much of the credit is being given to their coaching staff. There's just one thing that these fans need to remember this weekend: be careful not to get "tourista" while in Juarez!

Buddy Comer, who is married to the former Connie Dudley, another hometown girl, is head line coach at Stratford. This team defeated Wellington 3-0 last week in advancing to play New Deal in Canyon Friday night.

We're proud of these former Owls who are making their marks in coaching in area schools!

Lions To Host

Ladies Here

November 30

Silvertown Lions Club will host a Ladies Night Hamburger Supper at the school cafeteria beginning at 7:00 p.m. Thursday, November 30.

All Lions and their ladies are expected to attend.

Jody White To

Make Pictures Here

Jody White of Tulia will be at the Pioneer Room, First State Bank, in Silvertown on Saturday, December 2, at 9:00 a.m. to make photographs in living color of all who desire to have pictures made.

This will be a good time to have Christmas pictures made. White is offering a package containing one 8x10, two 5x7 and six billfold size pictures for \$12.00. He keeps the negatives on file, and reorders can be made at anytime in the future.

White photographs weddings, graduations, families, aerial scenes, reunions and special occasions. He is experienced at photographing children and adults.

Don Thomas flew into Plainview Saturday, November 18, on his return trip to Wichita, Kansas from a business trip to San Francisco and Los Angeles. He spent the weekend with his parents, Mr. and Mrs. Perry Thomas, and his sister and family, Mr. and Mrs. Carl W. Woods and daughters. Sunday he flew on to Wichita. His parents drove to Wichita on Tuesday, November 21, and spent Thanksgiving with Don, Judy, Jeff and Amy Thomas. They returned home November 26.

Carl W. Woods was on vacation last week, and he and his daughters, Juannah Sue and Melissa, spent Thanksgiving in Canyon with their wife and mother, Becky Woods, who works at High Plains Baptist Hospital in Amarillo in the intensive care area.

Mr. and Mrs. Buddy Comer, Christi and Cami of Stratford were Thanksgiving dinner guests with Mr. and Mrs. Leo Comer and Kelly.

Response Needed On Arsenic Acid Survey

Cotton farmers in Briscoe County are urged to respond immediately to a survey regarding the use of arsenic acid as a harvest-aid chemical, points out Earnest Kiker, county agent with the Texas Agricultural Extension Service.

The survey is being conducted by the manufacturer of arsenic acid to obtain opinions from farmers regarding the benefits of the chemical for continued profitable cotton production.

The basis for the survey comes from an October 18 decision by the Environmental Protection Agency (EPA) to place all uses of inorganic arsenicals including arsenic acid on the Rebuttable Pre-emption Against Registration (RPAR) list. This does not mean automatic removal of arsenic acid from the market, but EPA will now demand more evidence that benefits of this compound outweigh risks before further registration is permitted. An assessment team has until December 4 to respond with benefit comments concerning the value of arsenic acid to the cotton industry, explains Kiker.

The EPA decision to require further evaluation of the benefits vs. risks of arsenic acid as a cotton desiccant could have far-reaching effects on cotton producers, contends Kiker. More than two million acres of cotton in the Southwest are treated annually with arsenic acid to prepare the crop for stripper harvesting.

The chemical desiccates or dries the plant for stripper harvesting so that lint and seed quality can be preserved.

Loss of the chemical could be devastating to a large segment of the cotton industry. First of all, it would cost producers millions of dollars in terms of lower lint and seed grade due to delayed harvest. It would also prevent stalk destruction for insect and disease control and would mean higher ginning costs due to the reduced capacity and increased energy required for additional drying of cotton.

A change in cotton varieties and harvesting methods to circumvent the need for arsenic acid would cost additional millions and would disrupt the industry to the point that many producers would no longer grow cotton.

The months ahead will be critical for the producers of stripper cotton, emphasizes Kiker. Therefore, everyone is urged to respond to the survey and to express his opinion on the use of arsenic acid and its benefits to the cotton industry.

Mrs. Ollie McMinn hosted a Thanksgiving dinner for members of her family last Thursday. The menu consisted of turkey, dressing, ham, cranberries, salads, sweet potatoes, stuffed celery, deviled eggs, green rice casserole, pumpkin and pecan pie with whipped cream, carrot and German chocolate cake. Those attending were Mr. and Mrs. Melvin Watkins, Melanie and Anita Watkins, Mr. and Mrs. Ben Shoemaker and Todd, all of Amarillo; Mr. and Mrs. Richie Hubbard and Brian, Dudley McMinn, all of Lubbock; Mr. and Mrs. Henry McMinn, Levelland; Mr. and Mrs. Dwain Henderson, Wayne and Zane called in the afternoon. Mr. and Mrs. Travis McMinn of Valley View were unable to attend.

Briscoe County 4-H Food Show Held November 18

The Briscoe County 4-H Food Show was held in the Silvertown School Cafeteria November 18, with 40 4-H'ers, parents and guests in attendance.

Winners in each division were announced during the awards program which followed the judging. Those who will participate in the District 4-H Food Show to be held on the Texas Tech campus in Lubbock December 2 are, Stephen Stephens, Junior Main Dish; Kristy Fogerson, Junior Side Dish; Debra Wadlow, Junior Breads and Desserts; Shellie Cornett, Junior Snacks and Beverages, and Melinda Sutton, Senior Breads and Desserts.

Others participating in this year's Food Show were Donna Tomlin, Jeannita Stephens, Alesha Patton and Stacie Chappell.

Melinda Sutton served as master of ceremonies and gave the welcome for the Food Show. Flags were presented by Stephen and Jeannita Stephens. Debra Wadlow led the Pledge to the American Flag and Donna Tomlin led the Pledge to the 4-H Flag.

Ribbons and certificates were presented by Mrs. Vicki Bean, project leader, and awards were presented by Briscoe County Assistant Extension Agent Lynda Fogerson. Leaders were recognized by Kristy Fogerson.

Registration was conducted by Shellie Cornett and Stacie Chappell.

Senior Citizens To Have Bazaar

The Silvertown Senior Citizens will have a Bazaar and Bake Sale Saturday, December 9, beginning at 10:00 o'clock a.m. at the Senior Citizen Center.

You will find many hand-made gifts and home-baked items just in time for Christmas. Everyone is invited to come, see and buy.

Lila Cooper, 62 Buried At Tulia

Mrs. Charles (Lila) Cooper, 62, died Tuesday of last week at 7:20 p.m. in Swisher Memorial Hospital in Tulia where she had been a patient since November 8.

Services were conducted at 10:30 a.m. Friday in the chapel at Wallace Funeral Home, with Rev. Bruce Parks, pastor of the First United Methodist Church in Tulia, officiating. Burial was in Rose Hill Cemetery under the direction of Wallace Funeral Home.

The former Lila Georgia Bishop, Mrs. Cooper was born August 20, 1916 in McKinney. She married Charles M. Cooper September 23, 1939 in Turkey. They moved to Tulia in 1968 from Silvertown, where he had been employed by the cemetery.

Mrs. Cooper was a member of the First United Methodist Church in Silvertown. She is survived by her husband and one sister, Lois Bishop of Tulia.

Pallbearers were Jess Mullin, Horace Mullin, Jess Browning, Frank Cox, Jr., Don Lemons and Cecil Culver, Jr.

Mr. and Mrs. Charles Sarchet had lunch Thanksgiving Day with her mother, Mrs. J. M. Hill, in Tulia. They had Thanksgiving dinner in the home of Mr. and Mrs. J. T. Rogers, Jr., in Plainview.

Other guests in the Rogers home were his mother, Mrs. John Rogers of Quitaque, and their children, Mr. and Mrs. Rick Howard and Melissa, Amarillo; Mr. and Mrs. Jim Adams and Mandy and Mr. and Mrs. Ken Sarchet, all of Lubbock.

Coleman Garrison was taken to Central Plains Hospital in Plainview Wednesday afternoon of last week by the Silvertown Volunteer Ambulance Service. He is continuing to receive treatment there.

Mr. and Mrs. Garner Garrison, Curt and Cole of San Angelo have been here and at the hospital with his parents.

Grain Reserve Closed to 1978 Corn

Earlier it was announced that the 1978 corn crop was eligible for immediate entry into the Grain Reserve Loan Program.

The Briscoe County ASCS office was notified Monday, November 27, that Thursday, November 30 would be the last day that the 1978 crop corn could go into the Reserve.

Producers who are holding corn with the intention of participating in this program should take immediate action.

Texans Of Japanese Heritage Being Sought

The Briscoe County Historical Survey Committee has been asked to help locate Texans of Japanese heritage in this area.

Tom Walls, whose address is Department of Sociology, Burdine 436, University of Texas, Austin, Texas 78712, has been contracted by the Institute of Texan Cultures to write a manuscript on the Japanese Texan for future publication in their TEXIANS AND TEXANS ethnic series.

The publication is not intended to honor individuals, but rather to include examples of the contributions of the Japanese to the past and present culture of Texas.

Mr. Walls would appreciate having the name and mailing address of anyone from this area with Japanese heritage. Please address your correspondence directly to him at the above address.

CARD OF THANKS

The Silvertown Owl Football Team would like to express our thanks to our fans in the community of Silvertown. The fans have been behind us all year long. We lost the first few ballgames but you stayed with us until we started winning. You are a major factor in the 5-5 season we all enjoyed this year.

We would also like to express our thanks to our coaches who have worked harder than any of us. They have not only changed football at SHS but also the whole school's atmosphere. A special thanks to Russell Ashley for scouting for us all year.

We hope you will continue your support and "Owl Pride" through the basketball season.

of the Junior Class, a faculty member, and a representative of the Administration. The names of three men and women receiving the highest number of votes is then presented to the full faculty which selects the winners by secret ballot. The names of the winners have their names inscribed on a special Citizenship Plaque in the corridor of Gates Hall, Wayland's administration building.

The purpose of the award is to inspire students to be outstanding citizens of the college community and to be active Christian citizens after graduation, exemplifying what Wayland proposes to produce in its graduates. Characteristics included are Christian attitudes, acceptable academic record, diversity of interest, loyalty to American ideals, personal integrity, and exemplification of the Wayland spirit.

QUEENS CLASSIC

The Owlettes didn't do as well as they had hoped to do in the Plainview Queens Classic last week, losing their first game to the eventual winner of the high school division, Dallas South Oak Cliff. According to Coach Horner, the Owlettes played the AAAA state champions even until the fourth quarter.

Ruegena Davidson and Kim Cornett led the scoring with 11 points each. Cornett was the leading rebounder with eight.

Others scoring were Staci Mayfield, eight; Sally Northcutt, three; Twila Wood, two, and Connie Rowell, one. The girls hit 11 of 39 field goals (29%) and 14 of 26 free throws (54%).

Dallas SOC	12	21	38	59

In their second game, the Owlettes were paired with Waco Midway. Davidson led the scoring with 11 points and Wood led the rebounding with 11. The girls hit 52% of their field goals, 15 of 28, and 70% of their free throws, 19 of 27.

Other scoring was by Wood and Mayfield, nine each; Cornett, eight; Northcutt and Annette Fleming, six each, and Rose Lee Perkins, two.

Other scoring was by Wood and Mayfield, nine each, and Connie Rowell, six.

Owlettes	6	21	27	34
Phillips	20	45	67	82

It was good experience for the Owlettes to play these teams, the cream of the crop in Texas girls basketball, even though they were unable to win a game.

JUNIOR HIGH

Silverton's junior high teams split three games with Claude Monday, winning three and losing one.

The eighth grade Owlettes were led in scoring by Dena Green, with 11. Judy Northcutt, Missy Brown, Dena Green and Amy Perkins each pulled down five rebounds. Other scoring was by Northcutt and Jeni Denton, six each; Brown, five; Aida Ramirez and Delinda Ziegler, four each.

Attitude...
OF PRAYER

"Give ear to my words, O Lord, consider my meditation. Harken unto the voice of my cry, my King, and my God: for unto thee will I pray."
Psalms 5:1-2

God hears and answers prayers, but not everyone knows how to pray. Even the Lord's disciples asked that he teach them how to pray.

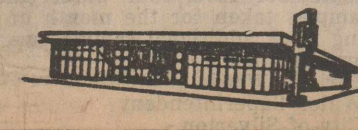

Attitude of the individual is important in prayer. Prayer is the opportunity that we have to tell God of our blessings and give thanks. It is an opportunity to petition for help, but above all, our hearts should be willing that God's will be done.

Prayer should be offered individually and in groups.

ATTEND CHURCH
AND
PRAY WITH OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A MACHINE FOR ALL SEASONS

HEAT PUMP

YOUR CONSTANT COMPANION FOR HEATING & COOLING EFFICIENCY

No matter what the weather outside, the heat pump works quietly... efficiently... automatically to keep your family comfortable. Since it pulls much of its heat right out of thin air, the heat pump actually saves energy as it works. In fact, it delivers as much as two units of heat for every one heat unit of electricity it uses. Costs are the lowest of any electric heating/cooling system available.

For year 'round heating and cooling efficiency, the heat pump is your constant climate control companion. Call us today for more information.

JOHN DEERE COMPANY

AN EXCLUSIVE OFFER FROM JOHN DEERE FOR EARLY ORDERING OF TILLAGE OR HAY TOOLS

UP TO \$900 IN JOHN DEERE DOLLARS FOR YOUR CHOICE OF JOHN DEERE MERCHANDISE

John Deere values your pre-season order so much that you'll get an exclusive bonus and more by acting early.
 You'll earn from \$75 to \$900 in valuable John Deere money for your early order on certain models of a disk, chisel plow, or hay equipment. You can then exchange the John Deere dollars mailed directly to you for goods or services at our store.
 That's not all. By building equipment to your early order, John Deere can supply the exact model and size you need with just the options you want. We can figure your trade-in at top value knowing we'll have time to recondition and resell it. And you'll gain added savings on hay equipment from the waiver of finance charge program.
 There are dozens of disks, chisel plows, and hay tools in this early order program. But your pre-season order must be signed before specific dates to earn the most John Deere dollars. Come in soon and ask us for our best deal on this new equipment.

THE AG SIDE

Maximum return on every gallon of irrigation water has been the topic of many hours of research by agricultural agencies the past two years.
 As fuels grow higher in cost and equipment and its repair grows higher again the farmer and rancher must change procedures and habits.
 To explain a few, just five years ago it was economically feasible to irrigate grasses to run cattle on. Then the price of cattle broke, making it impossible to make money even pasturing cattle on dry grass and of course a big loss if you watered grass for pasture. For cash crop irrigation the farmer has had to use almost perfect timing and the water very conservatively to make grain crops pay.
 The agricultural experiment stations over the area have spent many hours these last two years developing the best methods to make irrigation pay. They have worked on everything from skip row planting to the use of smaller amounts of water at the right time. It would be wise for irrigation farmers to go spend a little time with the fellows at the agriculture experiment station if you haven't already before you set up your watering program this year.

Dear Customer:
 The City of Silvertown collected four bacteriological samples during the month of September 1978. The results of the coliform bacteriological samples exceeded the Texas Department of Health's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523. Drinking water containing coliform bacteria in excess of the standard may constitute a potential threat to public health. Your water system has collected additional check samples as required by the "Drinking Water Standards," and these were found to be free of coliform bacteria.
 Coliform organisms are common to the intestinal tracts of man and animals. Their presence in water is an indicator of bacteriological contamination of the sample either from the water system or from a sampling error.
 In the months of July, August and September 1978, four water samples were tested each month and three of the four samples taken for the month of September were in excess of the standard. The following week additional samples were taken as required and were found to be free of coliform organisms.
 Carl W. Woods
