We have too many dogs that like to visit school. As a result, we have reached the point of being concerned about the safety of students.

We are asking you to please keep your dog away from school. Thank you for your cooperation.

## Former Resident Dies At Breckenridge

Mrs. Minnie Haynes received word Tuesday, February 27, of the death of her aunt, Mrs. Maud Vick, 94, of Breckenridge. She will be remembered as Maud Todd, who attended school in Silverton from 1901 through 1903, making her home with her sister and family, the late Mr. and Mrs. J. R. Burson while here. In later years, she and her husband, Lum Vick and children lived in Silverton for two or three years.

Survivors include three sons, one daughter, a number of grandchildren, great-grandchildren and four great-great-grandchildren.

Mrs. Less Weaks of Plainview, Mrs. O. Z. Light of Panhandle and Mrs. James Patton attended the funeral services Thursday at Breckenridge, spending the night in Mineral Wells with relatives, and returning to Silverton Friday afternoon.

Mr. and Mrs. J. R. Steele returned home Friday from a two-week vacation in California.

## March 11-17 Is Girl Scout Week

March 11-17 is Girl Scout Week in the U. S. A. Girl Scout Week marks the 67th anniversary of the founding of Girl Scouting, March 12, 1912, in Savannah, Georgia.

Girl Scouts across the nation are highlighting 1979 with special activities. At this time, too, Girl Scouting is showing a new face for the celebration—and at the same time reaffirming its timeless values—with a striking new emblem showing a pattern of girls' faces.

The emblem is a dramatic redesign of the trefoil, a three-leaf clover shape used in various adaptations by Girl Scouts and Girl Guides in almost 100 countries around the world. The new emblem replaces a design patented by the Girl Scouts of the U. S. A. in 1914.

"We believe it is important," says council president Mrs. Buster Owens, "to call attention to the distinctive, contemporary identity of Girl Scouting. The new emblem is designed to do this."

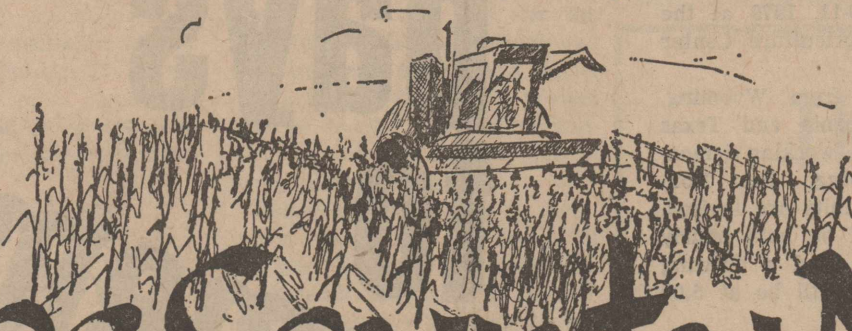

The Caprock Council, chartered in 1957, serves 18 counties, including Bailey, Briscoe, Castro, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Farmer, Swisher, Terry and Yoakum. The council service center is located at 2567 74th Street in Lubbock.

The purpose of the Girl Scout program is to inspire girls with the highest ideals of character, conduct, patriotism and service so that they may become happy resourceful citizens.

The program is geared to the needs and interests of girls at each of the four age levels: Brownie Girl Scouts (ages 6-8); Junior Girl Scouts (ages 9-11); Cadette Girl Scouts (ages 12-14) and Senior Girl Scouts (ages 14-18).

## Netters Busy On New Courts

Silverton netters have kept the school's new tennis courts hot lately, playing matches at home and away with Ralls, Lakeview, Valley and Happy.

The Owls won six of six games from Ralls recently. Mark Brown defeated McDuff 6-0, 6-1, and Kirk Durham defeated Blake Boyd 6-2, 6-4, in singles. Doug

McJimsey and Kyle Bean defeated Gillon-Woodard 3-6, 6-3, 6-4; Paul Brannon and Mike Cornett defeated Tankersly-E. McDonald 8-3; Russell Couch and Casey Bean defeated Souch-J. Tankersly 8-3; Nicky McJimsey and Kirk Durham defeated D. Tankersly-McDonald 8-5.

The Owlettes dropped all four

of their matches, with Sally Northcutt losing to Daniels 6-2, 6-2 and Cindy Green losing to Cunningham 8-3, in singles. Susie Tipton and Shelly Harris lost to Pierot-McDonald 6-3, 6-2 and Patti Perkins and Cindy Green lost to Grant-Wylie 11-9, in doubles.

At Lakeview, the Owlettes won one match and lost three. Northcutt defeated Byars 6-3, 6-1, and Green lost to Byars 6-4, 6-0, in singles.

In doubles, Patti Perkins and Staci Mayfield lost to Byars-Ariola 6-0, 6-3, and Tipton and Harris lost to Pate-Pate 6-0, 6-1.

The Owls won all three of their matches, with Brown defeating Clark in singles 6-4, 5-7, 6-4. McJimsey and Bean defeated Malloy-Hall 6-1, 6-7, 6-1, and Brannon and McJimsey defeated Gardenhire-Pickens 4-6, 6-1, 6-0, in doubles.

At Valley, the Owlettes lost four of four matches, with Northcutt losing to Herrington 6-0, 6-1, and Harris losing to Eudy 6-0, 6-1, in singles. In doubles, Mayfield-Perkins lost to Pigg-Clay, 6-0, 6-0, and Tipton-Green lost to Hawkins-Dudley 6-2, 4-6, 6-1.

Against Happy, the Owlettes won three games and the Cowgirls won three. Harris lost to

## Brannon Named To All-District Team

Paul Brannon has been named to the All-District first team in basketball for the 1978-79 season.

"We think Paul did a good job for us all year," said Coach David Horner, "and the best part is that he will be back next year."

Horner added, "All the players did a good job and we would like to thank them all for putting forth extra effort all year."

The girls' selections cannot be announced until Nazareth finishes competing in the State Tournament in Austin.

Joining Brannon on the All-District team were Gary Chandler and Kirk Proctor, Valley; Doug Sims, Happy; Jeff Schmucker and Bryan Huseman, Nazareth.

Named to the second team were Terry Brittain, Valley; Lee Dougherty and Walter Maniel, Happy, and Gary Book, Nazareth. Because two of the players received tie votes, six players were named to the first team and four to the second team.

## Take Advantage Of Good Weather And Sample Soil

Cold, windy weather has prevented Briscoe County producers from soil sampling, says Earnest Kiker, County Extension Agent with the Texas Agricultural Extension Service. Last month, the number of suitable days for field soil sampling was only 16. The result of this bad weather is that the normal backlog of soil samples has not developed in the laboratories this year. Presently, the Extension Soil Testing Laboratory at Lubbock is processing and reporting results about seven days

after receiving the soil samples. "Without the crop price outlook, the level of available nutrients in the soil is especially important for the efficient and profitable use of fertilizers, contends Kiker. Soil tests have been developed to provide information about soil nutrients as a basis for determining if the soil level is adequate (high) or deficient (low).

Soils low in nutrients have a high probability of producing increased yields when the deficient nutrients are added by the fertilizer; while the soils high in nutrients will benefit little from adding more of the same fertilizer.

A costly error in fertilization is to add fertilizers containing nutrients already present in adequate amounts. This does not contribute to increased yields and drives production costs up; something farmers can ill afford during this period of economic stress.

"A good evaluation of soil nutrient levels greatly improves the chances for profitable returns from fertilization, so soil testing should be a regular standard procedure in every farming operation," Kiker concluded.

More information about soil tests can be obtained from the County Extension Office.

Corey Robertson led the scoring for the Green Team with four points. Two points each were scored by Lonnie Vaughn and Clay Schott.

Red 9-10 Boys 2 2 8 14  
Green 9-10 Boys 2 2 4 8

The Red and Green 11-12 year-old boys split their games, with the Green Team winning 21-17 Friday and the Red Team taking the rematch Monday 9-5.

Dick Cogdell led the scoring Friday for the Green Team with eight points, closely followed by Scotty Harris who caged seven. David Schott tossed in four points, and Joe Ramirez rang up two points. Others on their team were Carman Juarez, Kerry Copeland and Norby Garcia.

Leading the scoring for the Red Team was Cal Brannon, with six points. Also scoring were Chris Clardy, four; Todd Reagan, three; Russell Bingham and Ross Estes, two points each. Others on their team were Eddie Martinez, Ronnie Denton and Michael Flowers.

Green 11-12 Boys 4 10 19 21  
Red 11-12 Boys 4 8 14 17

Monday's scoring for the Red Team was by Ross Estes and Chris Clardy, four points each, and Russell Bingham, one point.

Scoring for the Green Team were Dick Cogdell and Scotty Harris, two points each, and Joe Ramirez, one point.

## Talent Night To Benefit Silverton Ambulance Service

The Progressive Extension Homemakers Club of Silverton is sponsoring a Talent Night Saturday, March 24, 1979, beginning at 7:00 p.m. in the Silverton School Auditorium. Registration is \$5.00 per act. Gate admission is \$1.00 for adults, 50c for kindergarten through twelfth grade students, and children under school age will be admitted free. First prize of \$25.00, second prize of \$15.00 and third prize

of \$10.00 will be awarded to the winners in each of the following categories: Youth, Teen and Adult. If you would like to perform or know of someone you would like to see perform, contact Roma Martin, 847-2560, Debbie Weaks, 668-2961, or Tisa Whitfill, 823-2209.

All proceeds from the Talent Night will be donated to the Silverton Volunteer Ambulance Service.

## Implement Dealer Says Ag Day Recognizes Basics of Agriculture

The abundance and technology of agriculture today overshadows the basics of man's oldest yet most modern occupation, according to Don Brown, owner of Brown - McMurtry Implement Company in Silverton. "AG Day (Agriculture Day) will be observed on March 19 this year. It highlights American agriculture, the most productive food factory in the world," Brown said.

"AG Day salutes the farmers, ranchers, growers, food processors, all those in the food and fiber chain of agribusiness. Its primary purpose is to make non-farming consumers more aware of American agriculture, its achievements, and even more importantly, the challenges it faces in continuing to meet the world's food and fiber requirements," he said.

"Since only 4% of the American population now farms (the number was 85% in colonial days), it's easy to see why farm problems or issues generate little consumer interest. Food is simply taken for granted, and the farmer is not visible in the market."

"However, while only 4% of Americans are still farming, four out of every ten non-farmer workers in the U. S. are employed by agribusiness. Agriculture, the total industry of food and fiber, involves millions, and is the na-

tion's largest single employer," Brown said.

"That's why," he continued, "consumers must be made aware of such pressing farm issues as the shortage of capital, over-regulation, marketing restrictions, environmental pressures, misplaced blame for the inflationary food prices, shrinking farm land, and consumer groups running around with signs declaring . . . food is for people not for profit."

Brown said the National Agri-Marketing Association (NAMA) is sponsoring AG Day through its affiliates, American Agriculture Day Foundation, a non-profit organization. AG Day was launched in 1973 by the Miller Publishing Company, a Minneapolis agribusiness publisher, and each year since that day has grown into truly a national day of volunteer events and activities.

"We must get across that the farmer, to stay in business, must see the potential for profit. This gives him incentive to produce more. More production acts to drive prices down at the retail level. If there is no profit potential at forecasted prices, production will be reduced. This creates a shortage which drives prices up; then both the farmer and the consumer lose," the IH dealer said.

KELLEY LYNN MADDIN RANDY JAMES CLAY

**Maddin - Clay Vows To Be**

**Exchanged In Hale Center June 9**

Mr. and Mrs. Don Maddin of Hale Center announce the engagement of their daughter, Kelley Lynn, to Randy James Clay,

son of Mr. and Mrs. Lee Clay of Silverton.

Wedding vows will be pledged June 9 in the First Baptist Church of Hale Center.

Miss Maddin is a graduate of Hale Center High School and a freshman at Wayland Baptist College. Her fiance, a physical education major, is a junior at WBC. Both are employed at Don's Venture in Hale Center.

**Employ The Older Worker Week Proclaimed Here**

There are 45 million Americans 55 years of age or older. They have worked hard to get where they are today and to get us as a community and a nation where we are. During their years of work they have learned a great deal, have gained invaluable experience, and have come to appreciate a good job and to be proud of doing a good job.

Many of these people, though, are having difficulty finding work for no reason other than

that there is a prejudice against older workers.

The Federal Government is working to eliminate this unfounded discrimination against older workers.

NOW, THEREFORE, I, Fred Mercer, do hereby endorse the efforts of our Federal Government on behalf of the older workers and designate March 11-17, 1979 as OLDER WORKERS WEEK here in Briscoe County. I am urging all employers of this area to give special consideration to the skills and qualifications of those men and women 55 years of age and older.

I am also asking those public officials who are responsible for job placement, counseling, training, and retraining services to intensify, throughout the entire year, their efforts to help older workers find suitable jobs and training opportunities.

This is a community-wide effort that should engage the ac-

**NATIONAL NUTRITION WEEK TO BE OBSERVED MARCH 4-10**

"Set the Pace! Take the Food Way for Good Nutrition" is the theme to be emphasized during the seventh annual National Nutrition Week, March 4-10.

Exercise and a sound diet are the cornerstones of good health. Good nutrition and regular exercise that you enjoy can cut the cost of health care.

Your know-how about foods and their nutrients can multiply the benefits of physical activity in keeping fit. For starters, begin with minimum servings of the essentials: milk and milk products; meat or an alternate, such as dried beans and peas, chili, eggs, or fish; fruits and vegetables—one deep green or yellow and one source of vitamin C; and wholegrain or enriched breads and cereals.

National Nutrition Week is sponsored by the American Dietetic Association and its affiliates in the 50 states, the District of Columbia, and Puerto Rico. NUTRIBIRD, the association's symbol of good nutrition, helps to carry the message.

high schools and will graduate in May. They plan to establish residence in Hollis, where the prospective bridegroom is engaged in farming.

**Faith**

"Let us hold fast the profession of our faith without wavering; (for he is faithful that promised.)"

Have faith in God. He will lead us in the right paths. He will never fail.  
 As the highways are clearly marked and numbered so that we might easily find our way from city to city and across the nation, God's word clearly marks life's paths.  
 Attend church regularly and exercise your faith in God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
