## First Baptist Church To Conduct Vacation Bible School June 4-8

All boys and girls from three years of age through the sixth grade in school are encouraged to be part of the Vacation Bible School to be held June 4-8 at the First Baptist Church in Silverton.

The three-year-old department will be directed by Mrs. Mary Lane Younger. They will be learning and doing things related to the topic, "My Church."

The four- and five-year-old department will be using a unit of study entitled, "God Made Me and My World." This pre-school department will be directed by

stocking program with a goal of furnishing Texas anglers a variety of fighting, good-eating fish to catch.

Jeff Jones underwent surgery Monday at Baylor University Medical Center, Truett Hospital, Room 3105, in Dallas Monday. He expects to be able to leave the hospital today, but will be required to remain in Dallas for a couple of days. They expect to be home Sunday or Monday.

## Bass Stocked In Area Lakes

One of the biggest news items among fishermen in this part of Texas is that the Florida strain of largemouth bass has been stocked in area lakes.

Most of the large Florida largemouth have come from central or east Texas, but the Parks and Wildlife Department has already stocked these fighters in Lake Theo at Caprock Canyons State Park north of Quitaque and more will be stocked in Greenbelt Lake near Clarendon.

Smallmouth bass fishing is growing with a new state record now on the book. Both Lake Theo and White River Lake near Crosbyton will receive stockings of these scrappy fighters this spring.

The striper and striper hybrids continue to make news at many West Texas lakes. Lake Diversion near Wichita Falls will receive these fast-growing hybrids this spring.

These releases are only a part of the continuing P&WD fish

The Commissioners Court would like to encourage the businesses, industries and political subdivisions in our county to join in paying tribute to our Vietnam veterans.

We, as officials of Briscoe County, wish to express our appreciation to them for the sacrifices they have made in the service of our country.

## Changes Made In Game Regulations

The Texas Parks and Wildlife Commission has approved several changes in the fish and game regulations affecting sportsmen in northwest Texas this fall.

The Commission authorized reducing the mule deer season in the Panhandle from 16 days to nine days. A shortened season will reduce the buck harvest and increase the number of older age class buck mule deer left in the population. The nine day season will standardize the length of the season with the Trans-Pecos area.

The mule deer bag limit for the gun season will be the same as last season with a bag limit of two mule deer, no more than one buck, antlerless by permit only. Archery season bag limit is one buck mule deer only.

The Commission established an expanded and split season for aoudad sheep in the Panhandle.

The season will be the first Saturday in November for 14 days and from the first Saturday in January for 16 days.

This aoudad season rule will provide greater hunter opportunity as some landowners do not have sheep in November, but have them on their winter wheat fields in January.

The upland bird hunters will have a longer season to bag pheasants in the Panhandle as the Commission expanded the pheasant season from 16 to 30 days, from the second Saturday in December for 30 consecutive days.

The Commission did add the restriction of prohibiting the use of cables, chains, ropes, or other moving objects to flush pheasants as has been the practice of a few hunters in the past.

## Silverton EMS Club To Meet Tuesday

Mrs. Bess McWilliams has announced that the Silverton EMS Club will meet at 7:30 p.m. on Tuesday, June 5, at the City Hall in Silverton.

All area EMTs and other ambulance service personnel in the area are being invited to attend this meeting to hear a special program on "Emergency Burn Care" to be given by Kathy Oslar, R. N., Amarillo. Ms. Oslar will be giving instructions in a new in-service program that emergency medical services are having all over the area.

The program is being presented without charge for the Silverton, Quitaque and Turkey ambulance personnel.

## Complete Two-Day Training Course

Frank Ramirez and Garry Peel of Brown-McMurtry Implement in Silverton, International Harvester agricultural equipment dealer, recently completed an extensive two-day service training course on IH's new Series 88, "2+2" four-wheel drive tractors.

The service training course, held at IH's Southwest Agricultural Equipment Regional Headquarters at Dallas, was conducted by IH technical specialists. Comprehensive sessions were held on the tractor's exclusive design features, resulting in improved stability, weight distribution and efficiency which means the tractors can be used in virtually every type of farming operation and climatic condition, according to an IH technical specialist.

Areas of technical training their course covered on the new tractor series took four years to develop and has resulted in 15 IH patent applications.

## SENIOR CITIZENS TO HAVE BIRTHDAY PARTY TUESDAY

The Senior Citizens will have their monthly birthday party at 7:00 p.m. Tuesday, June 5, at the Senior Citizens Building.

All Senior Citizens are invited.

Mr. and Mrs. Mike Juarez became ill and were taken to the Lockney General Hospital by the Silverton Volunteer Ambulance Service after being treated by Dr. James Chua Tuan at the local clinic. They were thought to be suffering from a virus or food poisoning, and were quite ill.

Their baby was ill also, but was able to stay with the great-grandparents, Mr. and Mrs. Pete Cербantes.

A laughing look at parenthood—and even grandparenthood—is in the spotlight at Amarillo's Country Squire Dinner Theatre with the production of "My Daughter's Rated 'X'," now on stage Tuesdays through Saturdays. The parental quandry isn't all laughter. It has its serious moments. The comedy poses the question of how to successfully rear off-

spring in a conventional mold and at the same time have understanding for some of their "new ideas." Playing roles of a father and a mother whose daughter comes back home to live, bringing along the couple's first grandchild, are James Slaughter and Pamela McCormick. Gare Brundidge is cast as the equally astonished and confused "other"

grandfather. "My Daughter's Rated 'X'" will run through mid-June at Country Squire, located at I-40 and Grand. Buffet dinner service begins at 6:30 p.m. Country Rogue entertainment is scheduled for 8:00 p.m. with comedy time at 8:30 p.m. Tickets may be purchased for "show only."

MRS. DAVID KENT MERCER

☆☆☆ ☆☆☆  
**Hartzog - Mercer Vows Exchanged Saturday In Houston**

Miss Brenda Kaye Hartzog became the bride of David Kent Mercer in a formal double ring ceremony performed by Roy Long at the Bammel Road Church of Christ in Houston at 7:00 p.m. Saturday, May 26.

The bride is the daughter of Mr. and Mrs. W. Lawrence Hartzog of Houston. The bridegroom is the son of Dr. Jim Ed Mercer of Missouri City, Texas, and the late Mrs. Nadine Mercer. He is the grandson of Mr. and Mrs. Joe B. Mercer of Silverton.

Candles decorated the aisle of the church which was roped with garlands of springer fern connected with ivory satin ribbon to form a lighted pathway for the bride. The focal point at the altar was an arrangement of cherubs flanked by candles.

Given in marriage by her father, the bride wore a formal gown of ivory chiffon by Bianchi

designed with a camisole bodice of beaded re-embroidered Alencon lace. The gown also featured a detachable over-blouse. The full sheer sleeves closed at the wrists with French buttons and loops. The full chiffon skirt, worn at slipper length, swept to a court length train. To further compliment the gown, the bride chose a fingertip veil of chiffon attached to a beaded cap.

She carried a clutch bouquet of ivory cymbidiums, yellow oncidiums, burnt orange freesia, sonia roses and clusters of white stephanotis tied with ivory morie ribbon.

To carry out bridal tradition, she added, as something old, a wedding gift from the bridegroom which was a strand of pearls which belonged to his mother; her new wedding ensemble; borrowed diamond earrings, and a blue garter.

Serving her sister as matron of honor was Mrs. Sharon Jesse of Houston. Bridesmaids were Miss Julie Hartzog and Mrs. Patty Hartzog, both of Houston, sister and sister-in-law of the bride, Tamra Reinhardt of Montgomery and Caren Cox of Houston.

They wore gowns of qiana in a soft shade of coral. Chiffon jackets provided shoulder covering over camisole bodices. The dresses were worn to slipper length. They carried clutch bouquets of yellow oncidium orchids, brown cyperpidiums, burnt orange freesia and sonia roses tied with brown morie ribbon.

Flower girls were Shannon and Georgia Hartzog, both of Houston, nieces of the bride. They wore ivory slipper length dresses with ruffled skirts complimented with lace aprons accented with coral satin ribbon. They carried baskets filled with white flowers which matched the bouquets of the bridesmaids.

Candles were lit by Bart Henderson and Andrew Bauer, both of Houston. Groomsman were Jett Mercer of Missouri City, brother of the bridegroom, Larry Hartzog and Joel Jesse, both of Houston, brother and brother-in-law of the bride, and Tim Horton of Santa Barbara, California. Best man was Stephen Greek of Westfield, New Jersey.

Wedding music was provided by Pat Davidson of Houston, soloist; Judy Morgan of Houston,

organist; a chorus, The Classics, and Diana Moss of Houston, harpist. A medley of love songs was played before the ceremony as the guests were seated. Solos included "You Are My World" and "Sometimes" after the mother of the bride and the grandparents of the bridegroom were seated.

The bride's mother was attired in a powder blue chiffon gown designed with empire waist and beaded bodice and sleeves worn to slipper length.

A reception was held following the ceremony in the church fellowship hall. Pots of English ivy decorated the serving table and two columns held large mixed flower arrangements of enchantment lilies, alstromeria and other summer flowers.

Refreshments were served by Becky Caldleugh, Judy Patterson Bankhead and Beth Gamble Watkins, all of Houston; Debbie Hover, Hereford; Joni Lawrence, Idalou; Kim Mayben, Fort Worth and Sherrie Habermacher Cartwright of Conroe.

Following a week-long honeymoon in Hawaii, the couple will be at home in Abilene. The bride is a 1976 graduate of Northwest Academy, attended one year at the University of Texas in Austin and two years at Abilene Christian University where she is a senior speech pathology major and a member of Ko Jo Kai womens club.

The bridegroom is a 1975 graduate of Pampa High School and

is a senior clinical psychology major at ACU. He has been on the Dean's Honor Roll the past four semesters. He is employed by Abilene Youth Center.

**REHEARSAL PARTY**

The rehearsal party was catered by David Monchief in the back of the home of the bride's parents in Houston.

**MICRO-MINI TRACTOR**

**PULL SLATED AT VALLEY SCHOOL**

The Quitaque Firemen's Women's Auxiliary will be hosting a Texas Micro-Mini Tractor Pull Association tractor pull Saturday night, June 9, at the Valley School Gym starting at 7:00 p.m.

For those who are unfamiliar with this sport, the pullers use a toy-like tractor equipped with a small engine. These tractors pull scale models of the weight transfer sleds used by the Texas Tractor Pullers Association. The small tractors burn a fuel containing nitro methane, which enables them to pull more than 10 times their weight.

There will be a concession stand available and all proceeds from the pull and concession will go to the Quitaque Fire Department to help buy fire equipment.
