

All Around the Town

by Mary Ann Sarchet

Representatives from several local clubs, churches and businesses met at the City Hall Tuesday night to discuss a Christmas promotion to be held in Silverton Saturday, December 1.

The group is to meet again at 6:30 p.m. Tuesday, November 6, to present specific ideas for the participation of each club, church and business.

In a nutshell, it is hoped that the Old Fashioned Christmas Jubilee will open the holiday season in such a big way that it will become an annual affair.

Artists and craftsmen are invited to display their wares in a building to be named later. Clubs are invited to have their annual bazaars and holiday bake sales on this day. Church groups are being asked to participate, also, and it is hoped that one will sponsor the presentation of a living manger scene or nativity pantomime on the courthouse lawn.

A choral group, directed by Mrs. Bob Rauch, will present a program of Christmas music on the courthouse steps that evening, and the Christmas lights will be turned on for the first time.

Santa will be present to visit with the children, possibly bringing a small gift for each of them.

All of the businesses in Silverton are being asked to stay open all day and until night. Each is planning to advertise one or two super values for that day, and each is considering having a coupon in their ad to be deposited in a container in their store for a door prize to be given away in a drawing during the musical program that night.

All of the ads would be small uniform blocks grouped together and placed in the local newspaper as well as area newspapers. Clubs, organizations and individuals are also invited to advertise the goods they will be offering that day along with the businesses.

Custom gift-wrapping will be available, and only the imagination of the people limits the extent of this jubilee.

Bring your ideas to the meeting November 6, and let's join in making this a day of profit, fun and inspiration for all the people of this area.

Big Hobo Party Planned At Assembly of God

A big Hobo Party will begin at 7:00 p.m. Wednesday, October 31 at the Assembly of God Church in Silverton. Everyone is invited to attend.

Bring one can of unmarked vegetables for the entry fee. Hobo Stew and all the trimmings will be served.

Come dressed any way you want.

"We would like this opportunity to get better acquainted with our neighbors. Thanks for making us feel right at home," said the pastor, Rev. Andy Callis.

SERVICES HELD FOR MARTHA JAMES, 91

Funeral services for Mrs. Martha Elizabeth James, 91, of Rogers, Arkansas, were conducted at 2:00 p.m. Wednesday at the First Baptist Church in Silverton. The pastor, Rev. Royce Denton, officiated. Burial was in the Flomot Cemetery.

Mrs. James Died Sunday. Born in Batesville, Arkansas, she married Crawford Sidney James, who died in 1961.

Survivors include three daughters, Lottie James of Hillsboro, Oretta Munday of Gravette, Arkansas and Bonnie Mitchell of Bentonville, Arkansas; three sons, S. M. James of Plainview, Gerald James of Silverton and Clifton James of Algeria; two sisters, Addie Harris of Baytown and Georgia McAfee of Provo, Utah; 19 grandchildren, 28 great-grandchildren and three great-great-grandchildren.

Pallbearers were Tommy James, Mike James, Steve James, Tim James, Less Moody and Charles Rowell.

Owls Lose To Valley In Important District 2-B North Zone Game

Silverton's Owls were defeated 27-14 by the Valley Patriots in a hard-fought game last Friday night which saw five of Silverton's top eleven players injured.

Bill Denton, who has had an outstanding season for the Owls, had his high school ball playing

career ended when he received broken bones in his hand. He underwent surgery at St. Anthony's Hospital Saturday, and returned home Sunday. He has not missed any school, but will not be able to play any more football. It is not known whether he will recover in time to play any basketball.

Paul Brannon and Mike Cornett received leg injuries and have not worked out this week. The doctor advised both to stay off their legs as much as possible this week. Whether or not they play Friday night will be largely up to them and how much pain they still have at that time.

Bobby McPherson received a bruised knee Friday night, and though he worked out with the team Monday, his knee was still very sore.

Tommy Potter received an injury to his ribs and may have some torn cartilage. Kelly Comer was the leading tackler in the game with eight solo stops and one assist. Bill Denton got seven tackles; Mike Cornett, five tackles and one assist; Tim Dea, six tackles, and Paul Brannon, five tackles.

Friday Is Color Day

Friday has been designated as color day by Silverton Mayor Charles Sarchet.

Everyone is being urged to show their OWL PRIDE by wearing red and white all day Friday as an outward symbol of their support of the Owl football team.

The Owls can finish the season with an 8-2 record, good by anyone's standards, if they can win the rest of their games.

Show your OWL PRIDE and support for the Owls by showing your colors.

Seniors To Serve Chili-Bean Supper

The Senior Class will host a Chili and Bean supper October 26. Tickets are available for \$2.00.

The supper will be served from 5:00 until 7:00 p.m. in the school cafeteria.

The menu includes chili, beans, cornbread, crackers and relishes. Homemade pie and cake will also be served.

FOOD BOOTH AT CARNIVAL

Every Booster Club member is asked to bring a pie for the Food Booth at the Halloween Carnival.

The Carnival will start at 7:00 p.m.

It will be appreciated if members will volunteer to work 30 minute shifts at the booth.

ANNIVERSARY TO BE OBSERVED SUNDAY

The members of the New Fellowship Baptist Church will be celebrating the first anniversary of their pastor and wife, Rev. and Mrs. F. N. Nelson, at 3:00 p.m. Sunday, October 28.

Guest churches have been invited from Lubbock, Pampa, Quitaque, Hereford, Estelline, Mador, Turkey, Snyder, Childress, Memphis, Plainview, Lorraine and Amarillo.

Lunch will be served at the church from 1:00 until 2:30 p.m.

Olos Chitty has been a patient in St. Anthony's Hospital in Amarillo for several days.

Halloween Carnival Slated Here Saturday Night

All you spooks and goblins are invited out for an evening of family fun at the Silverton Halloween Carnival to be sponsored by the L. O. A. Junior Study Club. It will be held Saturday, October 27, at the 4-H Show Barn.

The carnival will start as soon as the Halloween Coronation is over. There will be a charge of 50¢ at the gate.

Booths may be set up on a first-come, first-served basis between 10:00 a.m. and 12:00 noon Saturday.

Some of the attractions are: Dart Throw, Bingo, Hayride, Food Bazaar, Sponge Throw, Ring Toss, Fishing Pond, Gas Raffle, BB Shoot, Money Slide, Costume Contest, Balloon Dart Throw, and a Food Booth. Please do your part to make this the most successful Halloween Carnival ever.

Everyone is urged to wear a costume or dress your children in costumes. Ribbons will be given for the best costumes.

Dental Study Completed Here

A dental study was completed on selected Silverton School students Thursday and Friday, October 18-19, by Dr. Ted Rebach, director of the Bureau of Dental Health, New York State Department of Health, and his assistants, Dr. James Egnot and Dr. Jayantha Kumar. All are with the New York State Department of Health, Bureau of Dental Health.

They were looking at the effects of fluoride on dental health, making intraoral photographs, taking dental impressions, diagnoses of dental caries, studying periodontal condition, oral hygiene, condition of enamel, hypoplasia, enamel opacities and enamel pigmentation.

The study was being made in cooperation with the Texas State Department of Health, Dr. Sellingsloh, Public Health Region I of Texas, and Dr. Lozano, Director of Dental Health for Texas.

When asked how Silverton was selected for the study, Mrs. Margie Pinkerton, school nurse, said that Dr. Sellingsloh had made

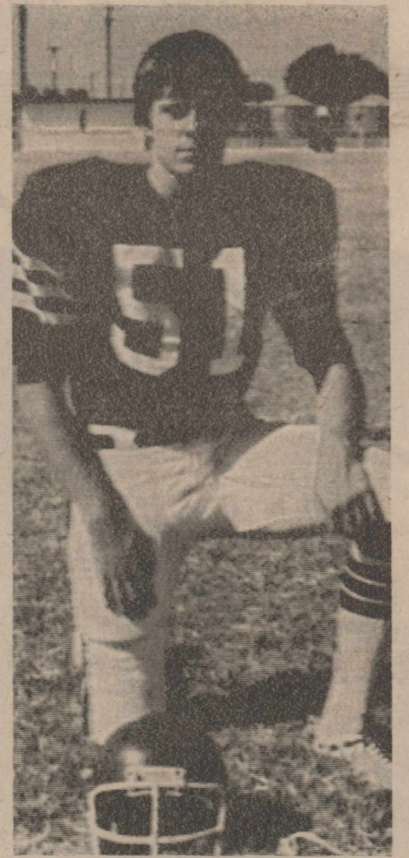

some dental studies of his own here recently. When Dr. Rebach called to seek his assistance, Dr. Sellingsloh recommended that the Texas study team come to Silverton.

Dr. Rebach holds the DMD degree in dental surgery and the MPH degree from Johns Hopkins University in epidemiology.

Dr. Rebach holds the DMD degree in dental surgery and the MPH degree in genetics and the MPH degree in health administration.

Dr. Kumar holds a BDS degree in dental surgery and the MPH degree from Johns Hopkins University in epidemiology.

Dr. Rebach emphasized that he is "deeply appreciative for the cooperation received in the survey from Dr. Sellingsloh, Dr. Lozano, Silverton School Principal Gene Gee, and Mrs. Margie Pinkerton; R. N." He added that they have received more cooperation in Texas than in any other state in which they have conducted the study.

Towe Agency Moves To New Location

Announcement has been made of the removal of the Verlin B. Towe Agency from its former location to its new building at 800 Lone Star Street in Silverton.

Verlin and Jay Towe have purchased and remodeled the building which previously housed the Silverton office of Plainview Production Credit Association.

They invite you to stop in for a visit in their new office home.

IMMUNIZATION CLINIC SLATED HERE SOON

A clinic offering vaccines that give protection against several childhood diseases is scheduled from 1:00 until 3:00 p.m. November 16 in the Silverton Elementary School.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

There will be no charge.

Pat Cogdill underwent back surgery on Wednesday of last week in St. Anthony's Hospital in Amarillo. He is in Room 304.

Dr. James Egnot (left) and Dr. Jayantha Kumar (right) were pictured as they made intraoral photographs of the teeth of Mitcheal Martin during a special study conducted in the Silverton Schools last week by the New York State Department of Health, Bureau of Dental Health.

Valley Scores In Last Minutes To Defeat Junior High Owls

Valley scored with 3:05 remaining to be played in the junior high game here last Thursday to defeat the Owls 20-14.

The Owls had all of their players in the action once again, and Ernest Rodriguez opened the game by taking Valley's kickoff all the way, approximately 100 yards, for the first score of the game. Rodriguez also carried the conversion, which was good on the first try, but the Owls were whistled for being offside, and Rodriguez failed on the second try. Thus the Owls held an early 6-0 lead.

Valley ran three plays for minus yardage and punted. Rodriguez ran the kick out to midfield, at which point the Owls fumbled and lost the ball on first down.

The Patriots made first downs on Silvertown's 35 and 19, then scored from the 15 with 2:40 remaining in the first period. Their conversion pass was complete,

and the Patriots led 8-6. The Owls gained to the Valley 20, but fumbled as the second quarter dawned and the Patriots recovered. Valley was penalized back to their own 11, and punted away on fourth down.

The Owls ran Valley's punt back to the Patriot 21, and from this point Rodriguez carried a touchdown on Silvertown's first down play. Warren Jarrett passed complete to David Gee for the conversion, and the Owls had regained the lead, 14-8.

Neither team scored in the third quarter, but Valley tied the game with a score on the third play of the fourth stanza with 7:18 remaining in the game. There was no conversion, and the score was knotted at 14-14.

The Owls fumbled and Valley recovered on the Silvertown 31, and Valley made first downs on the 20 and seven enroute to the winning score which came with 3:05 still to be played in the

game. The conversion failed and the Patriots held a 20-14 lead. The Owls ran the ensuing kickoff out to the 37, David Gee received an injury, and a couple of plays later the Owls received a 15 yard penalty. The Patriots intercepted an Owl pass on the Silvertown 45 and were at about the Silvertown 20 when the game ended.

The Junior High Owls are playing at Nazareth at 5:30 p.m. today, and need your support and enthusiasm to help them win.

Senior Citizens Enjoy Luncheon

The Senior Citizens met Friday, October 19 for their regular monthly luncheon and business meeting. About 65 members and guests enjoyed the delicious covered-dish luncheon. Ladies of the Silvertown Church of Christ were hostesses for the day and colorful Halloween decorations made the dining area very attractive.

Outgoing president Wade Steele turned the chair over to Wayland Fitzgerald. The first matter of business by the new president was to appoint a number of committees to assist in the operation and activities of the Senior Citizens Center.

Committees appointed were:
 Membership Committee—Bailey Hill, LaNelle Hill, Sybil Teeple, Joe Gallington
 Finance Committee—Wade Steele, Anne Bryant, Ashel McDaniel, Mildred McDaniel
 Hospitality Committee—Mae Bomar, Zoe Steele

Autumn Is The Season To Harvest

by Andy Callis

Pastor

Assembly of God Church

Silvertown, Texas

Autumn is the season to harvest and be proud. Autumn is the reason the fertile earth was plowed. God made a time for planting and a time in which to reap. So man might learn through labor that giving is to keep.

He gave us time to study and time to understand. And time to ease the pain we see and lend a helping hand. We have the time for kindness and time to plant a smile. And there is always time enough to walk the second mile.

God made a world of beauty and set it in our hand; He bade us work to tend it as we would till the land. Have we made earnest effort? Do we our duties see? And in the proper season what will our harvest be?

This little poem, written by an unknown author, contains a world of wisdom. Harvest time has arrived on the Plains of Texas. Folks everywhere are hurrying about reaping what they have sown for this season. And this is good. God planned it this way from the beginning. Wouldn't it be rather stupid for

a man to spend days upon days of hard labor planting a crop, getting it ready for harvest, then become so busy with other things that the harvest would be lost? We wouldn't think of letting that happen.

If we are this concerned about the natural, seasonal harvest, should not we be much more concerned about God's swiftly approaching harvest of souls. The Bible declares, "The fields are white for harvest." Rev. 14:15 says, "Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe."

What preparations are you making for that harvest day? Are you wasting the good talents God has given you? If so, where will you fit in God's harvest?

Perhaps you have God-given talents you worry about because they are not being used. We have a place for you at the Assembly of God Church. Our doors are open to anyone with or without talent, but, as Church Pastor, I can personally guarantee, your talents will be used if you have a sincere desire to work in God's harvest.

TREASURES

He walked a long time and rang many doorbells and "scared" a lot of people in order to acquire his Halloween treasures. He wants to sleep with his treasures beside him, where he can feel the sack with his hand.

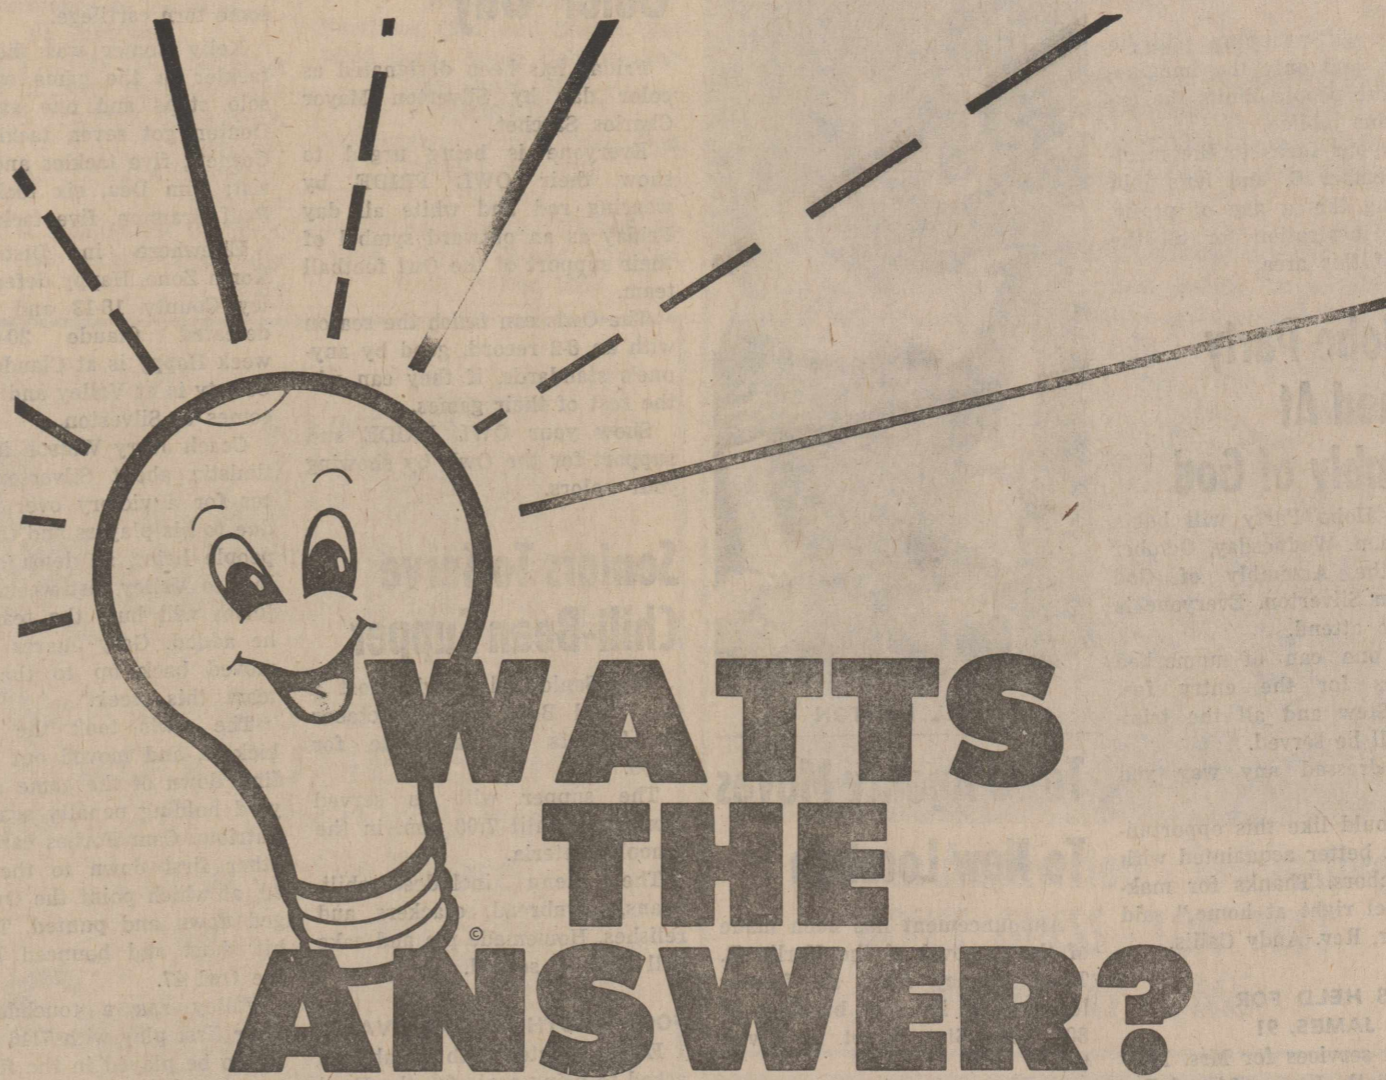

These treasures somehow remind you that one of your responsibilities toward your adorable child is to teach him what *real* treasures are—friends, country, church, good deeds, family, love of God, and quality of spirit, to name a few.

That "Trick or Treat" bag somehow reminds you of that scripture in Matthew that goes, "Lay not up for yourselves treasures upon earth where moth and dust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: for where your treasure is, there will your heart be also."

You know that the church will help you in this, so you vow again to be faithful to every service, thankful for all the wonderful workers there, asking God to help you and them.

Junior Varsity Owls Defeat Valley

The Owls kicked off to Valley last Thursday when the junior varsity teams met in Silvertown, and after allowing them a first down on their own 47 forced the ball to go over on downs on the Silvertown 48. After runs by Casey Bean and Robert Davis, Terry Green caught a touchdown pass from Bean. The play covered about 45 yards. The conversion failed, and with 6:19 remaining to be played in the first quarter the Owls held a 6-0 lead.

The Owls kicked off into the end zone, and held the Patriots so that the ball went over on downs at the Valley 21. The Owls weren't able to move the ball either, and the ball went back to the Patriots on their 19. Their possession ended when the Patriots fumbled and the Owls got the ball back on the 12. Gary Juarez picked up four yards on first down, and the Owls were penalized five yards on their next play. On the next try, Juarez

scored as time expired in the first quarter. The pass for conversion points was intercepted, and the Owls held a 12-0 lead.

This time Valley took the kick-off back to their own 10, ran three plays and punted to the Valley 18. The Owls got a 15-yard penalty on second down, and on fourth down, Bean passed complete to Shane Reagan for a score with 6:48 remaining in the first half. Robert Davis carried the two-point conversion, and the Owls held a 20-0 lead.

Again the Owls kicked off, and this time allowed the Patriots two first downs to the 42 before forcing the ball to go over on downs on the Silvertown 35. The Owls made a first down on their 46, lost six yards, then Gary Juarez ran 60 yards for another score with 1:53 remaining to be played in the first half. Thus the Owls extended their lead to 26-0.

The Patriots made a first down on their own 38 before

with a first down on the Silvertown 13 with 57 seconds remaining in the first half, then fumbled and recovered their own fumble on their own 25. The ball went over on downs to Silvertown with two seconds remaining on the clock on the Silvertown two-yard line.

In the first half, Silvertown made seven first downs as compared with four for the Patriots.

The Owls had tough sledding on their first series in the top of the third frame, and a bad snap gave Valley the ball on the Silvertown two. The Patriots scored on first down with 10:12 remaining in the quarter, kicked the extra point and led 21-8.

fumbling. This was recovered by Juarez on the Valley 47. Bean passed complete to Juarez with 19 seconds remaining in the first half, and the Owls picked up a first down on the Valley 35.

Valley kicked to Silvertown to open the second half, but the Owls were unable to recover from a holding penalty and punted to their own 48. This time, Valley's possession ended when Robert Davis recovered a Valley fumble at midfield. The ball changed hands a couple of times, and as the fourth quarter began Valley mounted a drive that resulted in a touchdown from about one foot out. This came with 6:10 remaining in the game. The conversion failed, and the Patriots were on the board 26-6.

The ball changed hands a couple more times after the kick-off, and with 33 seconds remaining in the game, Juarez intercepted a Valley pass on the Patriot 30. Bean passed to Reagan for a touchdown with 11 seconds remaining in the game. There was no conversion, and the Owls won it 32-6.

This was only the second time this year that the Owl JV had scored and was the team's first victory of the season—one that the team enjoyed very much.

It was not known for sure at this writing whether the junior varsity Owls would play at Nazareth today. This is due to injuries on the varsity team and players being moved up from the junior varsity to fill in.

Valley kicked into the end zone and the Owls started on their own 20. They made a first down on a run by Forbes and added another on a run by Mark Brown. A face mask violation against Brown by the Patriots moved the Owls downfield to the Valley 16. But at this point, the defense stiffened and the Owls saw the ball go over on the Valley 28. This time Valley fumbled and Silvertown recovered on the Valley 16. Runs by Brown picked up a first down on the Patriot five, but the Owls saw the ball go back to the Patriots on downs on the 10.

Valley fumbled and Silvertown recovered on first down on the 10, and with 1:19 remaining, the Owls were back in business again. The score came early in the fourth quarter on a handoff from Paul Brannon to Bobby McPherson, and McPherson passed complete to Brannon for the points. McPherson failed on the conversion, and with 11:19 remaining to be played in the game the Owls trailed 21-14.

Valley came back with a touchdown pass with 8:16 remaining in the game. There was no conversion, and the Patriots led 27-14.

The Owls were picking up injuries fast and furious at this point in the game, and Mark Brown was operating at quarterback. Bill Denton was playing with a broken hand, Tommy Potter had gone out with a rib injury. Paul Brannon and Mike Cornett both were on the sideline. The Owls made a first down on a run by Forbes, and Brown passed to McPherson for another first down on the Valley 40. The Owls moved to the Valley 25 on a handoff from Brown to McPherson and a McPherson pass to Brown. McPherson made a first down on the Valley four before going out with a bruised knee, but the Owls fumbled and Valley recovered with 1:10 remaining in the game. With 54 seconds showing on the clock, Valley fumbled and Silvertown recovered.

The Owls made nine first downs as compared with five for Valley in the second half of the game, which ended with the Owls operating on the Valley 45. The Owls will be hosting the

NEW ARRIVAL

Mr. and Mrs. Gary Nelson House of Olton are pleased to announce the arrival of a six pound four ounce daughter. Her name is Leah Delaine, and she made her debut October 21 at 7:58 a.m.

Grandparents are Mr. and Mrs. John T. Francis of Silvertown and Mr. and Mrs. Elven House of Tulia. Great-grandparents are Mrs. Jewel Francis of Lockney Care Center, Mrs. Zillie House of Tulia, and Mrs. Lizzie Jack of Lockney.

Mr. and Mrs. Daryl Wynn, Kimberly and Toby of Booker spent the weekend with their grandparents, Mr. and Mrs. George Seaney. Sunday Mr. and Mrs. Pascal Garrison hosted a birthday dinner for Mrs. Wynn, Mrs. Max Garrison and Angela Lowrey.

Enjoying the occasion were Mr. and Mrs. Seaney, Mr. and Mrs. Gordon Lowrey, Angela, Shavonne and Frank, all of Silvertown; Mr. and Mrs. Wynn and children of Booker, and Mr. and Mrs. Max Garrison, Walt and Cody of Canyon.

Nazareth Swifts this week, and the Swifts are tough. It is hoped that the Owls having had five of their top eleven injured last Friday night and the let-down that results after having lost a big game, will not result in another Owl loss Friday night. The Owls will have to work hard to guard against this. The Owls can still finish their season with an 8-2 won-loss record and come in second in the North Zone (higher if the Patriots should get overconfident in their last games) if they win the rest of their games. And there is no reason why they can't do this. It will hurt not to have Denton, but the Owls have enough horses to do it if they want it bad enough. They need your presence and support at the game, and they need all the encouragement you can give before then.

The Owls are the best group of guys in the whole world, and they deserve your support. OWL PRIDE!

MISS WAYLAND ENTRIES — These four Wayland Baptist College coeds are among some 26 young ladies who will be vying for the title of Miss Wayland 1980 during the College's annual Pageant Friday and Saturday evenings, October 26-27, in Plainview's Herral Memorial Auditorium. They are, left to right, Paula Wright, freshman from Soda Springs, Idaho; Selena Reynolds, freshman from Tulia; Kimberly Peggram, freshman from Tulia, and Janie Denton, junior from Silvertown. Miss Denton, a member of the Wayland Flying Queens basketball team, is the daughter of Rev. and Mrs. Royce Denton of Silvertown. The Pageant is scheduled to begin at 7:30 p.m. each evening, with the winner earning a ticket to the 1980 Miss Texas Pageant next July in Fort Worth.

PROGRESSIVE EXTENSION HOMEMAKERS HEAR GUEST SPEAKER

The Progressive Extension Homemakers met Monday night, October 22, in the Pioneer Room at the First State Bank. Celia Martin gave an interesting program followed by a business meeting with Marsha Brunson presiding. The members discussed having a booth at the Halloween Carnival and decided not to sell the community cookbooks.

Refreshments were served by hostesses Ramona Martin, Debbie Weeks and Beverly Mynard to Sandra Smith, Sheryl Breedlove, Marsha Brunson, Roma Martin, Celia Martin, Dorothy Martin, Regina Atwood, Donna Rowell, Nedra Hardin, Bena Hester, Anita Ramsey and Reba Self. The club also welcomed two new members, Lydia Couch and Teresa Reid.

Home Demonstration Clubs are open to all regardless of race, color, creed or national origin.

MACHINE EMBROIDERY CLASSES MAY BE OFFERED

A series of four classes in machine embroidery will be scheduled here if at least 10 people enroll in the classes.

The lessons will be taught by a representative from the Bernina Sewing Center in Amarillo. The class consists of four 3-hour lessons for \$35.00. A zig-zag machine in good working order is required for the class sessions. The machine does not have to be a Bernina.

This is an opportunity to learn skills for making Christmas gifts.

Class meeting dates and times will not be set until the required number of participants have signed up for the class. However, plans are to hold the classes on Monday or Tuesday nights through November. Call the Briscoe County Extension Office, 823-2343, to enroll and specify the day and time that would be convenient.

LIKE A MONKEY

Lynda Fogerson

Variety and moderation are keys to sensible dieting.

A diet designed to help lose or maintain weight should be one that can be lived with for a lifetime. Promises of quick, painless weight-loss are an indication that a diet is probably not medically or nutritionally sound.

Your personal diet plan should not become a hardship — it should satisfy your nutritional needs as well as the social aspects associated with food.

There is no magic food which will "burn" fat to cause immediate and permanent weight loss. Nor is there a food which "magically" reduces appetite. A diet that overemphasizes any one food or food group to the exclusion of others is probably a "fad" diet. A diet which results in weight loss or weight maintenance—if you are at your ideal weight—should be made up of a variety of foods. Foods should be included from all the four food groups — milk and dairy products; fruits and vegetables; breads and cereals; and protein-rich foods such as meat, poultry and fish.

When a food group, such as breads, is completely omitted from the daily diet, the essential nutrients supplied by that food group will be lacking. This results in an imbalance in your diet.

Next week: The Sensible Diet Plan.

I've read that if you place a large stone in a monkey's hand and throw him in deep water, he will hold to the stone and drown rather than let loose and swim out. Frankly, I wonder about this monkey information, but I've observed enough men to know they will cling to a senseless habit that destroys them! A bad habit is at first a caller, then a guest, and at last a master.

A drug-purchasing patient may ask the doctor, "Is it habit forming?" Life soon teaches the powerful force of habit.

"Know ye not, that to whom ye present yourselves as servants unto obedience, his servants ye are whom ye obey; whether of sin unto death, or of obedience unto righteousness?" (Rom. 6:16)?

"Habits are at first cobwebs, then cables." And we strengthen the cable, weaving strand upon strand day after day.

William James says, "Ninety-nine percent of life is made up of cultivated automatic actions. Every small stroke of virtue or vice leaves its mark."

"Thank God for good habits! We can be led by God's Word to have the mind and actions of Christ (Philip. 2:5; Acts 10:38). There is beautiful assurance that 'he that has clean hands grows stronger and stronger' (Job 17:9).

No need to be a monkey.
