

All Around the Town

by Mary Ann Sarchet

Plans are progressing well for the Old Fashioned Christmas Jubilee to be held in Silverton Saturday, December 1.

One of the purposes of the projects and activities sponsored that day by the various clubs will be to raise money to provide new Christmas decorations to be used in downtown Silverton. These decorations are quite expensive.

The L. O. A. Junior Study Club has ordered eight new decorations, delivery of which is promised this month. Instructions on how to mount and wire the decorations are to be provided to Lee Clay, and hopefully all the new decorations will be in place for the Old Fashioned Christmas Jubilee.

Century of Progress Study Club, First State Bank, City of Silverton and the Silverton Lions Club will be contributing to the purchase of these decorations along with the L. O. A. Junior Study Club which originated the idea of purchasing the decorations. The proceeds of the Christmas Greeting Page will be used to purchase Christmas decorations, and the members of L. O. A. will be taking names for the greeting page during the Old Fashioned Christmas Jubilee.

In addition to the new decorations which have been ordered from a specialty company, the Silverton chapter of Future Homemakers of America is repainting and repairing some old Christmas decorations, and the Silverton Junior 4-H Club is making decorations and will decorate the Christmas tree on the courthouse square.

Just a reminder: the deadline for Old Fashioned Christmas Jubilee ads to be placed in the Briscoe County News and the Valley Tribune is Friday. If you haven't placed your ad yet for this special event, please do so as soon as possible.

L. L. Tiffin Buried At Quitaque Sal.

Funeral services for Lester Leonard Tiffin, 81, were conducted at 10:00 a.m. Saturday in Newberry Funeral Chapel in Childress. Carl Tidwell, minister of Jehovah's Witnesses in Tulsa, officiated. Burial was in Resthaven Cemetery at Quitaque.

Mr. Tiffin, who moved to Childress from Silverton in 1977, died at 5:00 p.m. Wednesday in Childress General Hospital.

Mr. Tiffin was a native of Indian Territory, now Beaver County, Oklahoma, where he was born November 11, 1898. He married Sedelle McKinney June 6, 1977 in Childress and moved there after his marriage. Previously he had ranched near Silverton. He was a member of Jehovah's Witness Church.

Surviving are his wife; two sons, Floyd Tiffin of Plainview and Walter Tiffin of Shawnee, Oklahoma; five daughters, Eva Mae George and Billie Lou Shugart, both of Plainview, Juanita Jo Tiffin of Childress, Jean Hamilton of Fullerton, California and Wynell Williams of Rockport; three brothers, Ira Tiffin of Escalon, California, V. D. Tiffin of Flomot and Troy Tiffin of Los Angeles, California; two sisters, Beulah Savage of Norwalk, California and Ada Chandler of Pico Rivera, California; 27 grandchildren and several great-grandchildren.

Nativity Scene To Be Painted

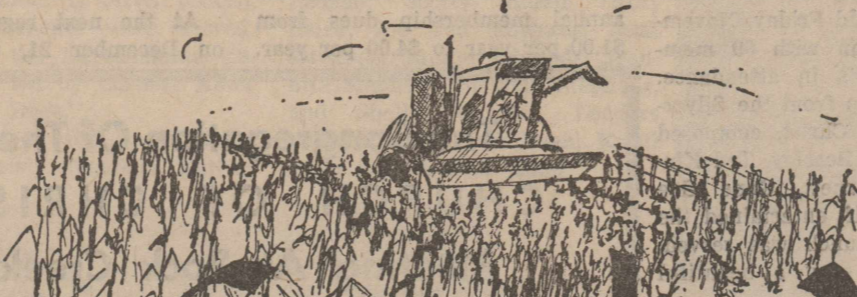

There is a group meeting Monday night, November 26, from 7:00 until 9:00 p.m. at the City Hall, to paint a nativity scene for Christmas decorations in the community.

They need some help with this community project and invite everyone to come and participate. Everyone is asked to bring a small paint brush and any paint that might be good to use.

Please come and participate to help this community project.

VOLUME 71 NUMBER 47

Mackenzie Board Gives "Go-Ahead" To First Supply Phase

The Mackenzie Municipal Water Authority board of directors met at Lake Mackenzie Tuesday night of last week and paved the way for bond elections in the four cities served by the authority. The board adopted an operating budget, authorized Lake Manager Neil Taylor to sign applications for federal grants to pay for part of the \$15,000,000 project, and adopted a resolution to apply for a \$3,405,000 loan to complete the first (supply)

phase of the project.

The supply phase includes a water treatment plant at the lake, transmission line from the treatment plant to ground storage facilities near Rock Creek, and the Rock Creek storage facilities.

Total estimated cost of the supply phase is \$4,405,000, but there is a good possibility of obtaining a grant of \$1,000,000 from the Farmers Home Administration. The FmHA has indicated that it will make a five-percent interest loan for the remaining \$3,405,000.

Apparently heeding the advice of financial advisor Joe Smith, who told them it was "now or never" for the project, the Mackenzie board members present at the meeting voted unanimously to get the wheels rolling on the project to furnish water for Lockney, Floydada, Tulsa and Silverton.

Smith and Lee Freese, of Freese and Nichols Engineers, Fort Worth, met with the board at its office at Lake Mackenzie. Once it receives a commitment from the FmHA, the Mackenzie board can call for elections in the four member cities to authorize the issuance of general obligation bonds to pay for the project. A total of \$1,255,000 in general obligation bonds is already authorized; the authority is counting on the million dollar FmHA grant. That leaves some \$2,150,000 in bonds to be authorized. The bond issue must pass in all four member cities—if voters in one city turn it down, the issue will be defeated. The earliest the election can be called is the December meeting

of the board.

George Sparkman, a Lockney representative on the Mackenzie board, said after the Tuesday-night meeting, "If all four communities don't wholly support it, we've just got a high-priced fishing hole." (Lake Mackenzie, where the dam and reservoir are already completed and the reservoir is over 30 percent full.)

Owen Thornton, the other Lockney representative on the Mackenzie board, said, "It's not going to get any cheaper." Estimated cost of the supply phase of the project already has increased from approximately \$1½ million in 1972 to the nearly \$4½ million current estimate.

If the bond issue is approved, the project will proceed, and Mackenzie taxes will increase from the present 55 cents per \$100 valuation to \$1 per \$100. City taxes will not be affected. Silverton board members Stan Fogerson and Flute Hutsell were not present at the meeting, but Silverton was represented by Mayor Charles Sarchet and City Secretary Jerry Patton.

In regard to the bond issue, Mayor Sarchet said, "It is going to cost all of us something to provide for Silverton's water needs for the future, but it's something that we are going to have to do. We are the ones who have used up the underground water supply, and we are the ones who are going to have to provide a new water supply for our future generations. If we don't plan now to provide this water in the future, our property value in Silverton won't be worth anything. Houses will just sit here, because we won't be able to sell any of them to anyone."

Silverton's only alternative to building the pipeline, etc. to be able to receive water from Lake Mackenzie would be to contract with farmers to buy their water (if, indeed, those can be found who are willing to sell what underground water they have left).

Randy Hughes spent Friday night in the home of his parents, Mr. and Mrs. Berton Hughes, after being in Stinnett to perform a wedding ceremony earlier. He returned to his home in Mineral Wells on Saturday.

Next games for the junior high teams will be Monday when they host Claude at 5:00 p.m.

Varsity Teams Split Games With Lakeview Last Friday

The varsity Owls and Owlettes traveled to Lakeview for a pair of games last Friday night, and the Owls brought home a 49-48 victory while the Owlettes were outscored by two points, 44-42.

Staci Mayfield led the offense for the Owlettes with 14 points. Connie Rowell rang up 12 points, Rose Lee Perkins and Shelly Harris caged five points each, and Katy Francis tossed in a pair of points. Others on the team are Kim Fitzgerald, Susie Tipton, Missy Brown and Vicki McJimsey.

Leading scorer for the Owls in their victory over Lakeview was Kelly Comer, with 17 points. Mark Brown and Diji Couch led the defense with eight rebounds each. The Owls hit 35% of their shots from the field and 52% of their shots from the line.

Also scoring for the Owls were Paul Brannon, 14; Russell Couch, six; Diji Couch, five; Mark Brown, three. Others playing on the varsity team were

Bobby McPherson, Nicky McJimsey, Mark Patton and Cam Forbes.

Owls	7	25	35	49
Lakeview	5	16	30	48

The teams' games with Motley County for Tuesday night of this week were not played as planned due to a scheduling error. The varsity Owls and Owlettes and junior varsity Owls will play Motley County here at 5:00 p.m. December 11. Please make this notation on your schedule.

Four To Compete In District 4-H Food Show

Four Briscoe County 4-H'ers will compete at the District 4-H Food Show in Lubbock December 1. These youth won their food class in the County 4-H Food Show Saturday, November 17.

The Food Show is an optional activity of the food and nutrition project. Nineteen 4-H'ers completed the project under the leadership of Vicki Bean and Cindy Comer.

Participants in the Food Show were scored on their knowledge of nutritional needs and preparation principles for the dish they exhibited. Each also received a score on the project report form and menu submitted.

Junior participants were: Tara Nance, main dish; Keeley Burson, Katrice Minyard and Linda O'Neal, side dish; Jamie Frizzell, snacks and beverages; DeLyn Patton, Stacie Chappell, Jeannita Stephens, Stephen Stephens and Kristy Fogerson, breads and desserts.

Seniors were Rita Denton, breads and desserts, and Melinda Sutton, snacks and beverages.

Winners eligible for district competition are Katrice Minyard, Kristy Fogerson, Melinda Sutton and Rita Denton. Three juniors were ineligible for district competition because of age.

Stephen Stephens served as master of ceremonies for the awards program following the judging.

Tara Nance and Jamie Frizzell presented the United States flag and the 4-H flag while Keeley Burson and DeLyn Patton led the pledges.

Kristy Fogerson and Katrice Minyard read the poem, "Thinking."

Leaders Cindy Comer and Vicki Bean presented ribbons and certificates to each participant.

Junior High Owls Win First Game Of Season

The junior high teams traveled to Claude Monday night for their first games of the season. The eighth grade Owls brought home a 22-19 victory, while the seventh grade Owls dropped their match 30-17 and the Owlettes lost a 11-7 decision.

Cary Fleming led the eighth grade Owls by scoring nine points. Warren Jarrett added seven points, Monroe Hill camed four, and Gordon Vaughn rang up two points. Others playing on this team are Tim Wilson, Jim Forbes, David Gee, Scott Callis and Max Davis.

8th Owls	6	11	19	22
Claude	4	10	15	19

The Owlettes were led in scoring by Rita Denton, with four points. Alesha Patton scored two points and Shea Green put in one point from the line. Others on this team are Angie Lowrey, Rhonda Potter, Tammi Edwards, Jena McFall, Lisa Lavy, Donna Boling and Mishella Gee.

Owlettes

1	3	7	7
3	5	11	11

7th Owls	6	11	15	17
Claude	10	20	24	30

County Extension Agent Lynda Fogerson presented certificates and gifts to the leaders for their work with the project groups.

Jeannita Stephens closed the program with the 4-H prayer.

Linda O'Neal and Stacie Chappell registered guests.

Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

Gospel Singing Jubilee Planned

A Gospel Singing Jubilee will be held in Silverton beginning at 7:00 p.m. Saturday, December 8, in the school auditorium.

Duane Reynolds, one of the planners of the event, said that this is being planned as an occasion for Christian families from the various churches to get together for an evening of fellowship and entertainment. He will appreciate it if anyone who will take part will contact him so that a program can be arranged.

Being sought are solos, duets, groups, quartets and choirs from the various churches. "We'd like to have participants from all the churches," he said.

Christmas Bazaar Planned In Turkey

The Turkey Fire Department Women's Auxiliary is having its Second Annual Christmas Bazaar Saturday, December 1, from 9:00 a.m. to 5:00 p.m. in the Senior Citizen Room at the Bob Wills Center in Turkey.

They will be selling crafts, Christmas decorations, home-baked goods and ceramics. They will also be taking donations and giving away an Oster Kitchen Center, a shotgun, a rod and reel and a stuffed animal.

They will have a salad luncheon at the Bob Wills Center from 11:30 a.m. until 2:00 p.m. Prices will be \$3.00 for adults and \$1.50 for children.

Mr. and Mrs. Virgil Crow and Mr. and Mrs. Edwin Dickerson attended the funeral of Turner Batey at Gilliland Thursday. Mr. Batey was a cousin of Mrs. Blanche Newman, who was unable to attend due to health reasons, and the late Walter and Bill Watters. They also visited Carrie Dell's uncle and aunt at the nursing home in Childress.

Historic Carson City Silver Dollars To Be Sold In 1980

Nearly one million silver dollars—minted in Carson City, Nevada, in 1878 through 1893—will be sold early next year, the U. S. General Services Administration announced today.

The historic coins—the last of the government's holdings from America's great silver mining era—were part of nearly three million 90 percent silver dollars stored in U. S. Treasury vaults for more than 60 years.

There will be two sales. The first, beginning February 8 and ending April 8, 1980, will offer 923,287 silver dollars to the public by mail at fixed prices. The sale will feature three categories of the "cartwheels": 1883-CC (195,745), 1884-CC (428,152), and "Mixed Years-CC" — 1878-1885 and 1889-1893 (299,390). There will be no limit on the number of coins that may be ordered. Coins in the 1883 category are \$42 each, and in the 1884 category, \$40 each. "Cartwheels" in the mixed-years group are \$20 per coin.

The second sale, to be conducted later in the spring, will offer 54,847 coins in three mint-year categories: 1880-CC (4,284), 1881-CC (18,996), and 1885-CC (31,567). The coins will be sold at public auction by mail bid. A minimum bid price will be set just prior to the sale. There will be a limit of five coins from each category per bidder.

Prices in each sale include delivery by registered mail to addresses in the United States, its territories and possessions, and to APO and FPO number.

Prospective buyers should send a post card, giving name, address and zip code to: Carson City Silver Dollars, San Francisco, California 94170. Information and order forms will be sent to those on the list in time for the first sale.

From 1972 to 1974, GSA sold some 1.9 million of the silver dollars in five public sales, netting \$55.3 million for the benefit of taxpayers. Sales were discontinued in 1974 because of the

diminishing demand.

The decision to return the coins to the marketplace—made by Congress and signed into law by President Carter in March 1979—has received enthusiastic response from the public. The agency says it already has heard from more than 200,000 persons interested in acquiring some of the historic coins.

Each coin is in a plastic case—appropriate for display—inside a velour-lined gift box. A brief history of the coin is enclosed in each box.

The Carson City mint produced only 13 years of the silver dollar designed by George T. Morgan. Known as "Morgan Dollars," they feature the head of Miss Liberty on one side and an eagle within a wreath on the other. The letters "CC"—for Carson City—appear under the wreath.

Each silver dollar measures four centimeters in diameter and eight mils in thickness. It weighs 412.5 grains and is .900 fine silver. Although the market price of silver fluctuates daily, when silver sells for \$12 per troy ounce, the silver content of one coin is worth about \$9.27.

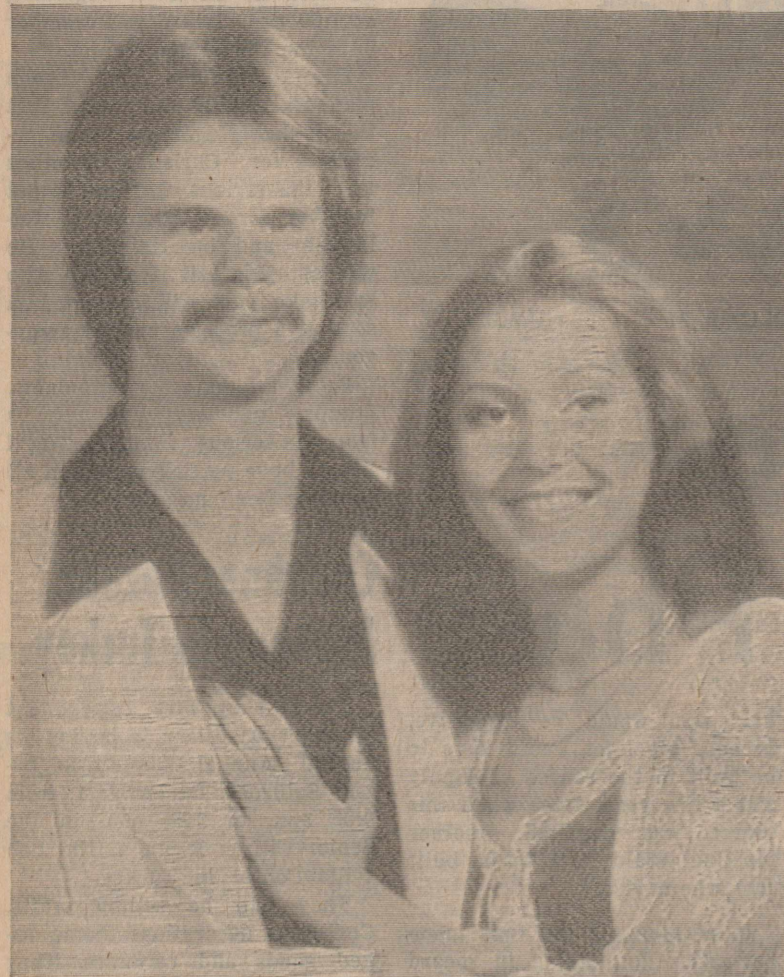

In the late 1800's, the increasing popularity of paper money plus the large number of silver dollars in circulation lessened the demand for the "cartwheels" produced at Carson City. The mint struck its last silver dollar in 1893. Coins stored there were shipped to other mints and to Federal Reserve Banks throughout the country.

Legislation in the early 1900's plus the demand for silver in the 1940's to support the war effort resulted in massive coin melts. All but about three million of the government's holdings of the 90 percent silver dollars in Treasury vaults revealed the secret of their historic and numismatic value. Most of the remaining "cartwheels"—many still in their original mint bags—were from the long-closed Carson City mint.

SCOTT HUTSELL

DONNA OLIVER

Couple Planning To Marry Soon

Mr. and Mrs. Al Hulbert, 4405 Fannin in Amarillo, are announcing the engagement of their daughter, Donna Lou Oliver, to Danny Scott Hutsell. The couple is planning a December 30 wedding in Canyon.

Photography. Her fiance attends West Texas State University where he is a member of Kappa Alpha.

GAME NIGHT PLANNED FOR SENIOR CITIZENS

The prospective bridegroom is the son of Mr. and Mrs. F. E. Hutsell of Silverton.

A game night is being planned by the Senior Citizens Program Committee for Friday evening, November 30, at 6:00 p.m. Progressive "42" and other en-

Luncheon, Business Meeting Held Friday

The monthly luncheon and business meeting of the Senior Citizens was held Friday, November 16, at noon with 69 members and guests in attendance. A singing group from the Silverton Church of Christ, composed of Bro. Gerald Beasley, Ted Kingery, Don Cornett, Gene Gee and Marvin Self, entertained the group before lunch was served, and Mr. Gee sang a beautiful solo during lunch.

Chairpersons of the various committees gave reports on their committee activities.

The Bazaar Committee report-

tainment is being arranged and the members of the Silverton Senior Citizens are looking forward to an evening of fun.

All senior citizens of the community are invited to come and enjoy this evening of fellowship.

ed that the Senior Citizens will have a Food Bazaar at the Old Fashioned Christmas Jubilee on Saturday, December 1.

The Advisory Board met immediately following the luncheon and decided to increase the annual membership dues from \$1.00 per year to \$4.00 per year.

This, of course, is due to higher costs of the supplies which are bought for the Center. Some of the items purchased out of the membership dues are coffee, tea, sugar, paper plates, cups, napkins, paper towels, etc.

At the next regular meeting on December 21, the Member-

ship Committee will have a table membership dues which are due set up where you can pay your dues in December.

Are Bollworms Eating Your Profits?

Call Palmer.

Palmer can help stop him from eating up your profits.
When is the best time to treat your cotton for bollworm?
Which chemical should you use and how often should it be applied?
For the answers call Palmer and Associates. Independent Entomologist, they can assure you maximum return for each dollar spent, by:
FIRST—Regularly scheduled field monitoring procedures by trained entomologist will establish the most economical point to initiate control measures.
SECOND—Since Palmer is not connected with any chemical sale organization, they independently analyze each chemical on the market and choose the

ones best suited for each job.
THIRD—Routine monitoring throughout the season assures good control. For example: This year through careful monitoring, 42% of the acres under Palmer control was judged not to need treatment at all. Average cost per acre treated and untreated was only \$7.15. This resulted in an average net return on treated fields of \$18.79 per acre. Don't let bollworms damage your cotton again next year. Call Palmer and Associates today and put the bollworm problem behind you. They can show you case histories of how they have helped farmers in your area control bollworms and increase their net income.

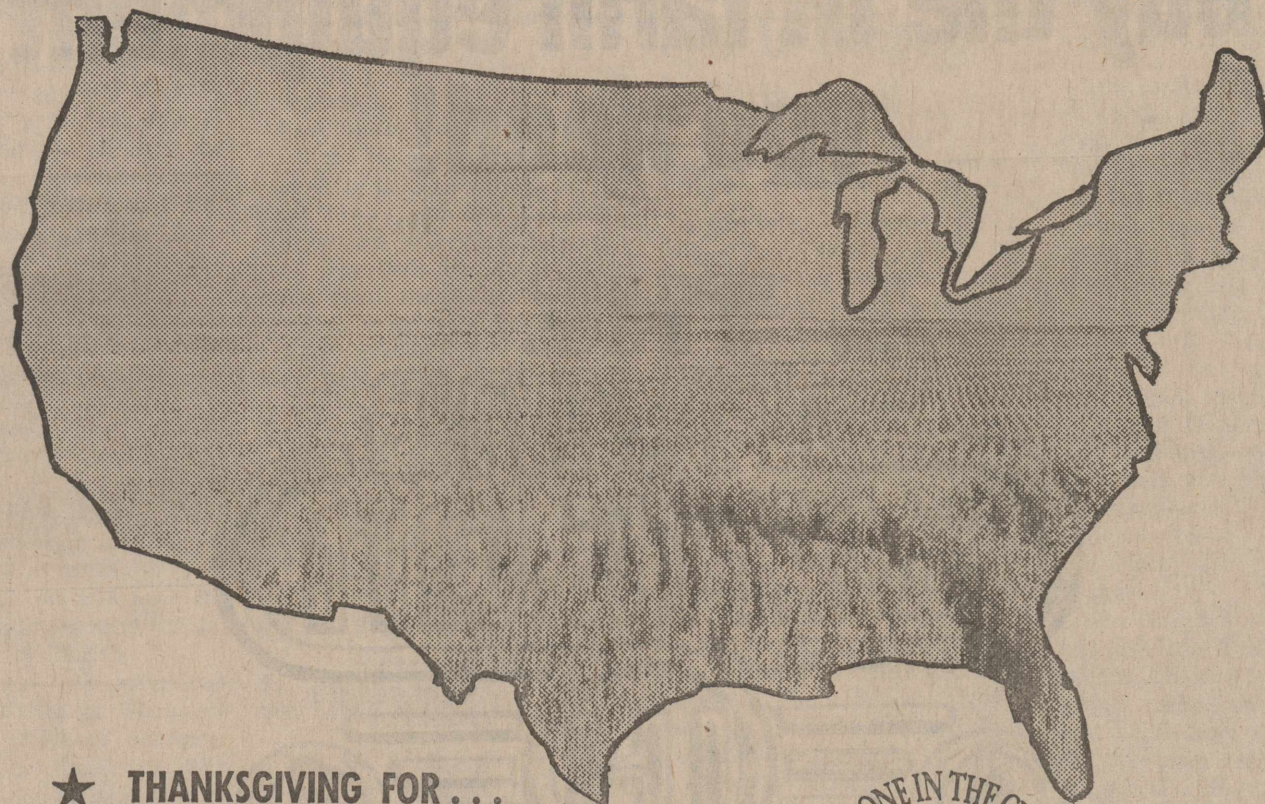

PALMER and Associates

A trusted partner of farmers for four years.

LAND OF PLENTY

★ THANKSGIVING FOR...

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AS A MAN THINKETH

Gerald Beasley

COUNT YOUR BLESSINGS

A farmer, having lived on the same farm all his life, grew tired of it and subjected everything on it to blind criticism. He decided to sell and buy another more to his liking.

He listed his property for sale, and the realtor prepared an ad with a flattering description of the farm. He wrote of the farm's advantages and ideal

location, its up-to-date equipment, its fertile fields, its well-bred stock.

"Wait a minute," said the farmer, "Read that again and take it slow." He listened. "Changed my mind," said the farmer, "I'm not going to sell. All my life I've been looking for a place like that."

The old hymn urges, "Count your blessings, name them one by one." This is great advice. Try it. Write them down!

William Law challenges our thinking with, "Whatever seeming calamity happens to you, if you thank God and praise him for it you turn it into a blessing." Certainly, the thoughtfully honest will remember life setbacks that turned into blessings.

"A faithful man shall abound with blessings" (Prov. 28:20). As Jehovah made a "covenant of peace" with ancient Israel He

promised, "There shall be showers of blessings" (Ezekiel 34:36). Honest meditation can paint appealing colors on life's otherwise dark canvas.

"Think" and "thank" are from the same root. When we think, we will thank. The forecast is for "showers," in Christ!

"Think" and "thank" are from the same root. When we think, we will thank. The forecast is for "showers," in Christ!

FOR A SMALL MONTHLY CHARGE, SHE COULD'VE ANSWERED IT BY THE DRYER.

Every time Barbara Phillips' phone rings it's long distance—the distance from her to her phone, that is.

If you spend a lot of time running to the phone, maybe you're in the running for an extension phone. For much less than you'd expect, you can start reaching for your phone. Whether you're stuck in the laundry room, glued to the TV or deep in sleep. What's more, you know you've got a phone that's as reliable as the phone company. So the next time you run to the phone, call your General Telephone business office. And make it the last time.
