Exemptions Available

To School Taxpayers

Carlye Hill, tax assessor-collector for the Silverton Independent School District, announced today the availability of a 12-page pamphlet which may help district residents save on their property taxes.

According to Mrs. Hill, the pamphlet explains how the property tax system in Texas operates and highlights possible tax savings available to citizens.

The publication was developed by the State Property Tax Board in accordance with the provisions of the Property Tax Code, which was passed by the 66th Legislature in 1979.

Mrs. Hill added that resident homeowners are eligible for a \$5,000 school homestead exemption and that certain disabled persons and those aged 65 or older may qualify for an additional \$10,000 exemption from the value of their property.

"Taxpayers who were 65 or older on January 1 of this year are also entitled to a school tax freeze on the tax bill for their house and yard. The elderly must make application to get the freeze in 1981 or retain one acquired in 1979 or 1980," the school assessor added.

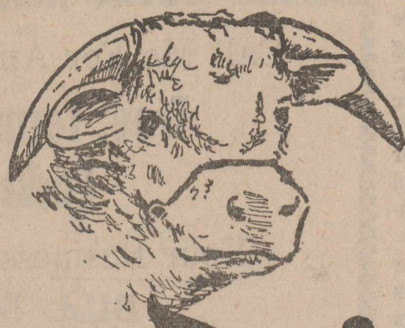

Also, farmers and ranchers have the option of having their agricultural land taxed on its productivity rather than market value.

To qualify for exemptions and productivity valuation, however, application should be made to the school tax office before the district's rendition period ends on April 1, 1981.

SBA Loans Available Until April 13

The deadline for farmers and ranchers to file physical crop loss disaster loan applications under the Small Business Administration (SBA) declaration 1900 is April 13, 1981. Businesses have until July 13, 1981 to apply for Economic Injury Disaster Loans. This declaration covers the drought and extreme heat conditions during the 1980 crop production season.

If a Farmers Home Administration (FmHA) borrower suffers a disaster loss, it is suggested the borrower apply first with FmHA. An applicant cannot receive the total amount of his eligibility from both FmHA and SBA for the same disaster loss to his crops. Under SBA guidelines, should an applicant not receive his full eligibility from FmHA, he could apply with SBA for the difference provided his application is received by the April 13, 1981 deadline.

For applications to be accepted, they must be received by the close of business or post-marked before midnight of the deadline date.

Frizzell Completes Paramedic Training

The Silverton Volunteer Ambulance Service is proud to announce that Lynn Frizzell has completed his Paramedic training program.

Saturday, March 7, 1981 the Amarillo Inn was the scene of the graduation banquet for the Panhandle's second Paramedic class. Betty O'Rourke, the former director of the Panhandle Emergency Medical Service, was guest speaker. She has recently taken over as director in Orange County, California.

Mrs. O'Rourke encouraged all attending the banquet to maintain the system concept for emergency services in the Panhandle Region, because it does work.

Those attending the banquet from Silverton, along with Mr. and Mrs. Lynn Frizzell, were County Judge and Mrs. Fred Mercer, Mr. and Mrs. Snooks Frizzell, Mr. and Mrs. J. L. Self, Mr. and Mrs. F. E. Hutsell, Mr. and Mrs. Ted Strange and Mr. and Mrs. Anthony Kingery.

Frizzell has been attending Paramedic classes in Amarillo on Saturdays for a year. The training consisted of over 420 hours of classroom study and in-hospital training. He received his Emergency Medical Technician certification three years ago, which involved 80 hours of classroom study and 40 hours of in-hospital service. In total, he has spent over 540 hours in study and in the hospital to receive his certification as a Paramedic.

The Silverton Volunteer Ambulance Service is very proud of Frizzell's effort and dedication to serving the needs of this community. Also appreciated is the sacrifice of his family and their support of him while he was away from them each Saturday during the past year.

The Silverton Volunteer Ambulance Service now has two Paramedics, fourteen Emergency Medical Technicians and one Emergency Care Attendant serving this community.

Business Club Readies For Rodeo

Countdown for the 39th annual ABC Rodeo began Friday as members of the sponsoring American Business Club kicked off rodeo season and rodeo month in Lubbock.

Four nights of big-time professional rodeo blasts off in the Lubbock Municipal Coliseum March 25-28 with "King of the Road" Roger Miller in control of the entertainment spot.

Proceeds of the event, sanctioned by the Professional Rodeo Cowboy Association, benefits the capital improvement fund of the Lubbock Boys' Clubs.

New for the 39th event will be a Cowboy Camp Meeting on the eve of the first performance.

Wilbur Plaughter, the "Clown Prince of Pro Rodeo" and a

founder of the Cowboy Chapter of the Fellowship of Christian Athletes, will head up the March 24 camp meeting in the coliseum.

Lubbock's favorite clown from the beginning of ABC events will be back in the arena for some more crowd-pleasing acts with animals he has trained.

Then he'll stand by to help if rodeo clown Bob Romer, the Bull Dancer from Canyon, needs assistance keeping the bucking bulls off downed cowboys.

Making the art of saving a cowboy from rodeo's "twisting ton of fury" look like a big game is Romer's specialty.

Also back on the scene will be the popular moustache and beard contest plus Owens Country Sausage's six-pony hitch, always a crowd favorite with ABC fans.

ABC Queen Shelly Harris of Silverton, who copped third place and Miss Congeniality at the Miss Teen-age Texas Rodeo, will be on hand to lead the grand entry and to present trophies.

Heading the traditional rodeo parade at 3:30 p.m. March 25 will be Texas Tech President Lauro Cavazos.

A new announcer, Hadley Barret of North Platte, Nebraska, will be keeping the crowd posted on the wild arena action, and Bennie Beutler of Elk City, Oklahoma will be stock producer, the third generation of Beutlers to furnish rodeo stock for the ABC event.

The ABC ticket office opened Monday on the northeast corner of the South Plains Mall parking lot with hours from 8:30 a.m. to 5:00 p.m. Monday through Saturday.

Tickets are \$7.00 for reserved seats and \$5.00 for general admission, with a \$1.00 discount on general admission for the Wednesday and Thursday performances.

They are available by mail from ABC Rodeo, Box 64213, Lubbock, Texas 79464 and from western wear stores, Dunlap's and Hemphill-Wells.

MEASURING UP—ABC Rodeo Business Club, is growing for the moustache and beard contest in the 39th annual event set March 25-28 at Lubbock Municipal Coliseum.

While driving down the highway the Christian can sing.

40 to 50 MPH: "I'll Live On"
