Northcutt - Brown Vows Exchanged
 In Formal Double-Ring Ceremony

Miss Sally Kay Northcutt and Mark Allen Brown exchanged double-ring wedding vows at 5:00 p.m. Saturday, June 13, at the First Baptist Church in Silverton. Rev. Royce Denton, pastor, performed the ceremony before a double candelabra archway accented with greenery and apricot gladiolus buds, flanked by two bouquets of apricot gladiolus and complimented by two baskets of greenery.

Parents of the bride are Mrs. Larry Jarrett of Silverton and Pat L. Northcutt of Dalhart. The bridegroom is the son of Mr. and Mrs. Buddy Brown of Silverton.

Given in marriage by her father, the bride wore a formal-length gown of ivory organza fashioned with a modified Queen Anne neckline edged with Chantilly lace. Her fitted bodice had bands of lace, pearls and full bishop sleeves with deep lace cuffs and tiny buttons. Her full skirt had tiers of lace-edged ruffles that extended into a chapel-length train.

Her picture hat of matching lace held a fingertip lace-edged veil of illusion. She carried a cascade bouquet of apricot and brown silk flowers.

To carry out bridal tradition, she carried her mother's Bible, wore a new diamond necklace given her by her father, borrowed her mother's diamond earrings, and added a blue garter.

Miss Brenda Boling served her friend as maid of honor. Matron of honor was Mrs. Susan McCoy of Lockney, sister of the bride. Bridesmaids were Misses Lisa Herrington of Quitaque, Judy and Christi Northcutt, Silverton,

sisters of the bride. The bride's attendants wore formal gowns of floral apricot sheer over apricot underlining designed with sweetheart necklines and tiered skirts trimmed with lace and apricot ribbon. They carried fans to which were attached brown and apricot silk flowers.

Candles were lighted by Brandon and Warren Jarrett, Silverton, step-brothers of the bride.

Best man was Jared Wheat of Houston. Groomsmen were Keith Jordan, Austin; Marty Weidenbach, Plainview; Kirk Durham and Jerry Matlock, brother-in-law of the groom, both of Silverton.

Guests were seated by Brandon Jarrett, Warren Jarrett and Scott Bowman, all of Silverton, and David McCoy of Lockney, brother-in-law of the bride.

Mrs. Anne McMurtry was pianist and Mrs. LaRue Garvin was organist, and they provided traditional nuptial selections and accompanied Roger Cantwell, soloist, who sang "We've Only Just Begun" and "You Light Up My Life."

The bride's mother wore a pale apricot dress with lace ruffle trim and accented with a white flower corsage.

The bridegroom's mother was attired in a shirtwaist peach-colored sheer chiffon dress and also added an ivory silk flower corsage.

A reception was held in the Fellowship Hall of the church immediately following the ceremony. An arrangement of apricot gladiolus decorated the bride's table which was covered

with a white cloth (hand-crocheted by the bridegroom's mother) over a floor-length sheer nylon tulle skirt.

The three-tiered wedding cake with candlelight icing was decorated with miniature bouquets of apricot roses and brown garden flowers, and was served with punch by Mrs. Belinda Matlock, sister of the bridegroom, and Miss Susie Tipton.

Presiding at the groom's table were DeAnn Criswell, Rebecca Dickson and Raeleen Smith. They served a chocolate cake made in the shape of two tennis rackets crossed at the handles with balls beside them. Coffee was poured from a silver coffee service.

Miss Shelly Harris was in

charge of securing the guests' signatures in the wedding book.

Following their wedding trip to New Orleans, the couple will be at home at 4645 52nd Street in Lubbock.

The bride is a graduate of Silverton High School and will be attending Jessie Lee's Beauty School in Lubbock.

The bridegroom is a graduate of Silverton High School, and is a student at Texas Tech University. He is also employed by Becknell Wholesale.

★ ★ ★ ★ ★ Brown-Griffin Wedding Plans Announced

Mr. and Mrs. Don Brown announce the engagement and forthcoming marriage of their daughter, Liz, to Mikel D. Griffin, son of Mr. and Mrs. L. D. Griffin, also of Silverton.

The couple is planning an August 29, 1981 wedding at 7:00 p.m. at the First Baptist Church in Silverton.

Miss Brown was graduated from Silverton High School in 1979. She attended West Texas

State University and is now employed by Central Plains Savings Association in Silverton.

Sizzling Beef Barbecue Suggested For Father's Day

This year, summer officially begins on Father's Day, June 21. An appropriate way to celebrate these two events is by having a sizzling beef barbecue for the family.

Beef barbecues have become traditional for many families across the country, and having one for Father's Day is a natural, according to Mary Darnell of the Terra Cotta CowBelles.

"The great taste of beef has made it one of Dad's favorite foods," Mrs. Darnell said. "And there's something about cooking it outdoors that seems to bring out more flavor, juiciness and tenderness."

Mrs. Darnell said that while beef is great tasting when cooked on the grill, it is also one of nature's most complete foods. "Beef supplies many of the body's essential nutrients, such as iron, protein, zinc, B-vitamins

and others," she said. "Because it supplies so many of these vitamins and minerals in comparison to the calories it contains, nutritionists call it a high nutrient density food."

The CowBelles first started promoting beef for Father's Day in 1953. This year, the Terra Cotta CowBelles, along with the Beef Industry Council of the National Live Stock and Meat Board, are cooperating in the annual Beef for Father's Day campaign. The CowBelles sponsor Beef Gift Certificates which may be purchased from the First State Bank in Silverton. The certificates make a wonderful present for Dad.

"This Father's Day, why not honor Dad with a sizzling beef barbecue," says Mrs. Darnell. "For so many good reasons, it's the food he's right to like."

Mac Davis Promotes Soil, Water Conservation

To promote the wise and judicious use of soil, water and related renewable natural resources in Briscoe County, Jack Sutton, chairman of the Cap Rock Soil and Water Conservation District announced the support and assistance of Texas born and raised singer - songwriter - actor Mac Davis.

"Mac's concern for the conservation of this state's renewable natural resources, has recently caused him to lend his talents in narration and music through recorded radio public service spots to the need for conserving these resources," added Sutton. "Mac's interest in assisting Texas soil and water conservation districts promote a strong conservation ethic stems from the fact that he is personally acquainted with our problems. As a youngster growing up in Lubbock he saw what devastating, high winds and hard driving rains can do to the land," said Sutton.

The entertainer has expressed his interest this way. "When I was growing up in Lubbock it seemed like we had a sandstorm everyday. My daddy had a little motel and it was my sister's job and mine to haul the sand out of the flower beds. We'd fill a wheelbarrow and dump it on a vacant lot across the street. The next day the sand would blow back and we'd have to do it all over again."

In response to a question relative to the economics of conservation and the fact that the costs of soil and water conservation measures are difficult to recover in the market place Mac said, "I don't care whether a person lives in a city or on a farm. People depend on the land. So we all ought to be willing to share in the cost of conserving it and still leave room for the farmer and cattlemen to make a decent profit in the same way as anybody on the street has to."

"Due to an expanding population our soil, water and other renewable resources are becoming a shrinking resource base. It comes down to the old eye for an eye and tooth for a tooth concept. If we take from the land, we need to understand that we are going to have to give something back to what we took from," added Davis.

Mac is also supportive of conservation problems being resolved at the local level.

"I have always believed that local people should take care of their own problems. Of course if they need help from state or federal sources, then they ought to be able to get it. But I think people, no matter where they live, resent having state or federal bureaucracies dictate how to resolve a local concern."

Commenting on Mac's interest in assisting Texas SWCDs with a conservation public awareness program, Sutton said, "We appreciate what Mac is doing because he is expressing the point that it's time for us to become involved and take stock of our available soil, water and other renewable resources and start thinking about the future."

"Many conservation measures to protect the land have become cost prohibitive today. Farmers—like other people—produce to survive, but in the process they face a dilemma of conscience in deciding where and when to practice conservation. They have to pay their debts and they have to support their families. When

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.
