# STOCK REDUCTION SALE!

18 FAST and FURIOUS SELLING DAYS  
OUR ENTIRE STOCK TO GO ON SALE

We have a reason for our Sale. Our Stock will invoice now \$35,000.00. On account of other business and changes we expect to make it is imperative that we reduce our stock to the minimum at once. We have enjoyed an unusually good year's business. We loaded up heavy on all Winter Goods. We have had an unusually warm Fall and our farmers have been unusually busy gathering their crops. The rush of work is now ebbing—Winter is coming—and we must reduce our stock, take invoice and wind up our year's business before the close of the year.

This may come as a great surprise to the buying public of this territory, but for good special reasons we have decided to throw the entire stock on sale. It means the saving chance of your lifetime. It is a complete stock—and a high class stock; a stock of goods bought by people who knew how to buy, and bought after years of careful study and patient efforts to please the buying public as well as ourselves. In this Sale we will adhere to our policy of sticking to the truth and doing exactly as we advertise. It is an occasion where all the zeal, zest, special efforts, good advertising and real bargains are combined into one grand resolution to turn the goods into money, turn them quickly and turn them at prices that will bring people from miles around.

*Every Price Is a Saving Price--You Save on Every Purchase*

Quick Action we must have! The goods must go!

The shelves, tables, and counters will be filled with real bargains from all departments of the store; every nook and corner carries real values. The goods are on display—extra help to wait on you. We are prepared to meet your wants. Remember, the Sale starts exactly as advertised—without postponement—rain or shine—let nothing hold you back. It is one Sale and one time in your life that everything in engagements or anything else should be forgotten. This Sale should be on your mind, the essential thing to consider—the most important event of the season. And the opening day should be set aside by you as the one day you intend to do nothing but visit this sale, go through our stock, buy what you need for the next few months. All goods will be marked in plain figures—and a plain, conscientious, fair, square and above-board Sale—wide open to the public. Come with the crowds—they will gather at this store beginning Thursday Nov. 20th.
