THE NEW ENERGY FRONTIER: Coal, America's new energy frontier. Black Thunder Coal Mine near Gillette, Wyoming, sits on part of 50 billion tons. Tapping this huge new reserve of raw energy is a job that takes a combination of resources and pioneering spirit. The kind that fuels booms of opportunity. And we're here helping.

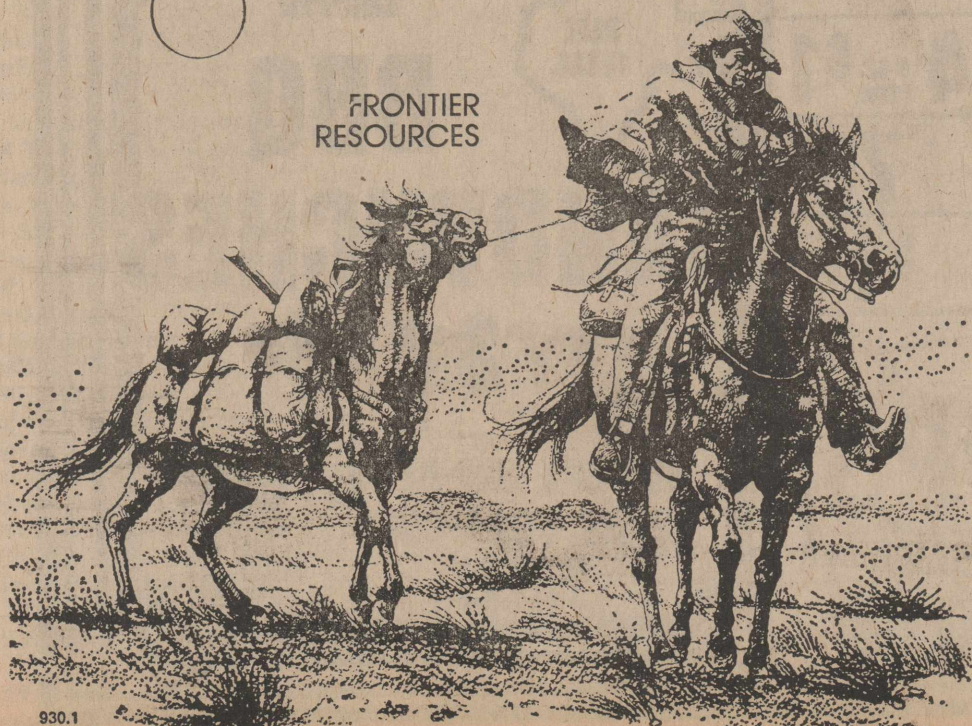

Last year, 3 million tons of this coal was

used as fuel to make electricity at Southwestern Public Service power plants. Coal is being used more now because other fuels cost too much.

In Wyoming alone, there's enough coal that some areas of Black Thunder won't be mined until the year 2013. That's a lot of electricity. Coal. It's good to know there are some things you can depend on.

## Steer Roping, Art Exhibit Slated At OS Ranch

Some 6,000 western fans are expected to attend the 11th annual OS Ranch Steer Roping and Art Exhibit at Post October 2-4.

They will have the opportunity to watch 36 of the nation's top steer ropers, including Walt Arnold of Silverton, in action Sunday afternoon, 50 of the west's best calf ropers Saturday afternoon and view western art as exhibited in the OS ranch-house by 37 of the top artists from eight western states both days.

Barbecues will be served at the ranch both days.

Other events of the weekend include an Old Fiddlers Contest, a girls WPRA barrel race, NCHA championship and non-pro cutting horse contest, a team roping Friday afternoon, the OS Art Preview party at the ranch Friday night with entertainment by Red Steagall & Coleman County Cowboys, a Saturday night dance with Steagall, some fiddle playing by Johnny Gimble, a Sunday morning brush arbor worship service, a colt sale with 18 ranches consigning colts, and a washer pitching contest which was added this year for the first time.

The big "OS weekend," which is a benefit for West Texas Boys Ranch in San Angelo, raised in excess of \$275,000 for the boys ranch in its first decade.

Arnold is a former champion of the OS Roping.

I want to thank everyone for every act of kindness while I was in the hospital and since I've been home.

The flowers, prayers, cards, phone calls and food have been fantastic.

A very special thanks to Walter and Dianna Hill and Bessie Reid for keeping the grandchildren.

This is a great little town to

live in and we love you all. From the bottom of our hearts, thank you.  
Jack and Frances  
I have been confined at home, due to illness. Last Sunday, Faye Self and her Bible Class of children came with a plate of food (before the children had eaten). Each child read a verse from the bible, then sang a hymn. Rita Davis accompanied the group. The children who came were Jamie Frizzell, Scott and Missy Davis, Bradley Brunson, DeLyn Patton and Robbie Weaks. Could anything be sweeter?  
Much love to all.  
Nelle Bryant
