## Community Thanksgiving Service Is Tonight

The Annual Community Thanksgiving Service will be held at 7:00 p.m. tonight (Wednesday) at the First Baptist Church in Silvertown.

Music will be provided by the Baptist Church. There will be testimony by Harold Edwards of

the Methodist Church. Marilyn Bridges of the Assembly of God will be bringing the Thanksgiving message.

A time of fellowship and refreshments will follow the service.

## Plans Progressing For Christmas Jubilee In Silvertown

Plans are progressing for the third annual Old-Fashioned Christmas Jubilee to be held in Silvertown Saturday, December 5.

The L. O. A. Junior Study Club, originator of the project, sponsors the occasion for the purpose of officially opening the Christmas season in Silvertown. The event brings people together for a day of fellowship and good times.

Booth space for arts, crafts, baked goods, etc. will be available in the old Jones Dept. Store building on the square in downtown Silvertown. The spaces will be assigned on a first-come, first-served basis. There is no charge for the booth space, but the sponsoring organization prefers that those planning to have booths contact them so that the club will have an idea what kind

of booths there will be for the purpose of advertising the event.

Businesses once again will be advertising one-day specials and will be giving door prizes to those who have deposited registration coupons in the boxes provided in the various stores. A coupon for the drawing will be printed in the store's advertisement in the Briscoe County News Thursday, December 3. All of those having drawings for door prizes are reminded that they are responsible for turning in their boxes for the drawings at the west door of the courthouse at 4:30 p.m. on Saturday, December 5.

Plans are being made for special events to be held during the day, and a program of Christmas music by school children is being planned for 5:00 p.m. that

## Doyle Stephens In Intensive Care Unit

Doyle Stephens, who received electrical burns in an accident last week and was flown to Parkland Hospital in Dallas, underwent the amputation of his right foot last Friday. Among those with him and his family at the hospital during the surgery were Mr. and Mrs. Elbert Stephens, Loyd Stephens, Tammi Brannon and Mrs. Rex Holt.

Doyle is still in intensive care and is expected to be for a while. He has been sitting in a wheelchair in the waiting room some this week, and is doing as well as can be expected. He was to be returned to surgery on Tuesday of this week, but it was not known what would be done at that time.

Cards to him can be mailed to the Burn Center at Parkland Hospital in Dallas. To contact the family waiting room you may dial 214-637-8534.

Mrs. Joe Montague returned home Saturday after undergoing surgery at Central Plains Hospital in Plainview.

day. Santa will be paying a visit to the children on the courthouse square from about 3:00 until 4:30 p.m.

Drawings for the many door prizes will be held during the program of Christmas music.

Christmas decorations will be in place, adding to the festive atmosphere.

## Nuclear Waste Disposal To Be Discussed At Meeting December 3

There will be a program and discussion of the nuclear waste site which has been proposed to be located in northeastern Swisher County at 5:30 p.m. Thursday, December 3, in the Pioneer Room at First State Bank in Silvertown.

The meeting will last for approximately one hour. It is hoped that representatives of all the clubs, churches, businesses, the commissioners court, city council and all others interested will attend.

The guest speakers will be from Tullia.

The proposed nuclear waste disposal site is only 20 miles from Silvertown and should be of great concern to all residents of Briscoe County. At this time, locations in Swisher and Deaf Smith Counties seem to be of prime interest to the Department of Energy, and all of Briscoe County and part of Deaf Smith County lie within a 50-mile radius of Tullia.

## Christmas Show Scheduled At Discovery Center

"STAR OF WONDER," the planetarium show at the Don Harrington Discovery Center, is both a miracle and a mystery. This traditional program, showing for the first time in Amarillo, uses the planetarium instrument to take visitors back in time to view the sky at that magical moment, discusses several possible explanations for the "STAR OF WONDER" and retells the traditional Bible story of the Baby's birth.

"Star" is designed for the entire family. Music of Christmas past and present, a magical

Christmas tree, Santa and his famous reindeer all combine for a memorable experience.

How did the night sky appear to the three wise men nearly two thousand years ago? What was that fortuitous "star of the east?" Could a comet explain the wondrous heavenly sight? Could it have been a conjunction of several planets, or a supernova? Is it possible this phenomena can't be explained by astronomical accounts? Was it indeed a miracle?

Each visitor will draw his own conclusion based on personal be-

The important facts that can't be altered are that Jesus was born, that He dwelt on earth for a time and that His teachings have altered the history of the world.

"Star" starts the first weekend after Thanksgiving and runs until Christmas. Programs are scheduled on Saturdays at 2:00, 3:00, and 8:00 p.m. and on Sundays at 2:00, 3:00, and 4:00 p.m. Admission prices are \$1.50 for adults, \$1.00 for students and senior citizens.

## Extension Homemakers Meet In McFall Home

The Southwestern Extension Homemakers met Thursday, November 19, at 2:00 p.m. in the home of Eunice McFall. Nine members were welcomed with a

game of Thanks. This year being dedicated to Handicapped People, each member was assigned her part for the afternoon's program.

The devotional was given by the hostess on Thanksgiving Day in the Home, stressing that every day is a day for giving thanks, and closing with a poem, "Don't Find Fault." The TEHA Prayer was repeated in unison, led by Syble Teeple.

The Creed was given by Polly Jarrett, and Roll Call was answered with "A Talent I Would Like to Have."

President Lanita Cantwell announced that the next regular Council meeting would be in February. Also that baked goods, crafts and handmade gifts would be sold at the club's booth at the Christmas Jubilee on Saturday, December 5. Mrs. McFall reported that the yearbook would be ready by January 1.

The club's Christmas Party will be held in the home of Lois Nance December 17, with members bringing Christmas Cheer gifts for the rest homes.

Polly Jarrett, Extension Director for the South Plains, reported on the possibility of the State Convention being held in Lubbock in 1983.

Marie Garrison showed a five minute display of handmade gifts for children, including a jumping frog and a basket for fruit for children or grown-ups.

The president gave her yearly report, a resume of club work, and thanked all the club members for making the club year a success. She also presented Mrs. McFall a book gift and expressed the club's thanks and appreciation and wished her much success in her new home.

Refreshments were served to Mmes. Georgia Allard, Lanita Cantwell, Marie Garrison, Polly Jarrett, Francis Kellum, Christene King, Verba Montgomery, Syble Teeple, Lois Ziegler and the hostess, Eunice McFall.

## What's an average day worth?

On an average day you probably get out of bed, adjust the thermostat, make a pot of coffee, cook breakfast . . . perhaps use the dishwasher.

Later, maybe you do a load of laundry and listen to the radio. Then you cook dinner and put the leftovers in the refrigerator. You may turn on the television or settle down in your favorite chair next to a lamp to read.

For all of you, all of this and more adds up to one day . . . just 1/30th of your average monthly electric bill.

Knowing what electricity is worth is worth knowing.

**THANK YOU, LORD!**  
 Said a small boy in defining salt: "Salt is what always ruins

the potatoes when you don't have it." Using the same negative approach we can say, "Gratitude is what always ruins your life when you don't have it."

Note thanksgiving in some great prayer passages.

"In nothing be anxious; but

in everything by prayer... with thanksgiving let your requests be made known" (Philip. 4:6).

"And whatsoever ye do... do all in the name of the Lord Jesus, giving thanks... through him" (Col. 3:17).

"... pray without ceasing;

in everything give thanks" (1 THURSDAY, NOVEMBER 26, 1981

Thes. 5:16-18).  
 "... giving thanks always for all things in the name of our Lord Jesus Christ" (Eph. 5:20).  
 "What shall I render unto Jehovah for all his benefits toward me? ... I will offer to thee the sacrifice of thanksgiving! (Psa. 116:12-17).

**Windbreaks Are Both Functional, Ornamental**

Modern windbreaks are both functional and ornamental. Getting suitable trees was a problem in the past. Now many more varieties of evergreens and attractive species like Russian Olive are available to farmers at a very reasonable price.

The Caprock Soil and Water Conservation District will help anyone who wants to plant a windbreak to get the trees they need.

Small trees need plenty of water. A properly designed drip irrigation system is inexpensive and will help assure a high survival rate. Planting the trees in a shallow ditch will also make watering easier and more effective. The Soil Conservation Service will design a system for your needs.

Weeds have been a problem in the past. Trees should be planted far enough apart to permit cultivation with farm equipment or a garden tractor. Trees should be planted early next year. Young trees should be planted as soon as possible after they arrive.

Call any Caprock SWCD director or the Soil Conservation Service in Silverton if you want trees for windbreaks. A wide variety of trees will be available.

Mr. and Mrs. Greg Hill moved from Amarillo to Conroe, where he will be employed as a diesel mechanic, over the weekend. They visited here enroute to their new home.

We thank Thee for love, that makes life's burdens light,

 But mostly for the precious right

To think and speak as conscience leads,  
 To worship Thee, each in his way,  
 To walk in freedom where we will.
