It's Santa Letter Time Once Again

It's that time of year again, when the kids are thinking about writing their letters to Santa.

The Briscoe County News has made arrangements with Santa to publish the letters again this year. When the kids write their letters, they may bring or mail them to the News Office, and by a special arrangement with the North Pole, the letters will be copied for publication and forwarded directly to Santa in plenty of time for him to fill the orders before Christmas.

The letters will be included in the December 24 issue of your hometown paper.

Informative Program To Be Presented in Tulia

STAND (Serious Texans Against Nuclear Dumping) is presenting an informative program on the burial of Nuclear Waste in the Panhandle area of Texas on December 14, 1981, at 7:00 p.m. in the Tulia High School Auditorium. State Representative Chip Staniswalis will be present as well as aides from the offices of Jack Hightower, Kent Hance, Bill Sarpaluis and Reagan Brown.

These have been confirmed and the program planning committee is waiting to hear from other elected officials. Recent telephone conversations with Senators Bentsen and Tower have indicated that they may have representatives present. Governor Clement's office has been contacted but no reply has been received.

George Jennings, Swisher County Attorney, will be master of ceremonies. Mrs. Glenna Crooks, chairman of STAND, will give the welcome. This will be followed by comments from Rep. Staniswalis and aides of other elected officials. Gary Anderson, chairman of STAND publicity, will give a slide presentation, and Albert Irbeck, STAND information director, will give reports from other sites being considered, Mississippi, Utah and Carlsbad, New Mexico.

Further information may be secured by contacting Glenna Crooks, 633-4430, or Gary Anderson, 995-3292.

Brady Grant of Corsicana is spending this week with his grandparents, Mr. and Mrs. Ted Strange, and his aunt, DeAnn.

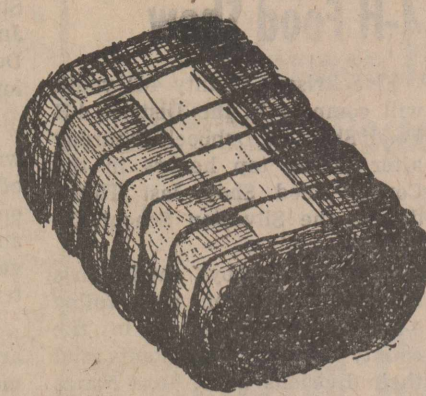

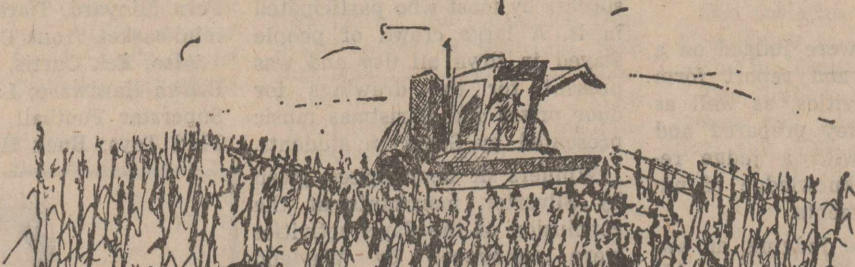

Club Thanks Donors Of Gift Certificates

Visiting Nurse Service Available In This Area

Mrs. Becky Woods, Registered Nurse, and Mrs. Glenda McGavock, Graduate Vocational Nurse, of Silverton have recently accepted positions with the Visiting Nurse Service, Inc., 2414 34th Street, Lubbock.

Visiting Nurse Service is a private, non-profit home health agency that is owned and operated by registered nurses. It is independent and unaffiliated with any other agency. The agency meets all of the regulations and requirements of the State and Federal Regulatory Act.

Visiting Nurse Service, Inc. is directed by an Advisory Board that consists of persons from various disciplines: physicians, nurses, educators, therapists and civic-minded individuals who are interested in delivering high-quality comprehensive health care service that is responsive to unmet needs and underserved areas within the fifteen county Health Systems Agency, Area 2. Recently a Certificate of Need was approved allowing the expansion of the Visiting Nurse Service, Inc. to the counties surrounding H.S.A., Area 2.

Mrs. Woods is the wife of Carl W. Woods, and the daughter of Mr. and Mrs. Perry W. Thomas, jr. of Silverton. She has resided in Silverton all except two years of her life when she resided in Canyon. Mr. and Mrs. Woods moved back to Silverton in 1980. A graduate of Silverton High School, she also graduated in 1967 from Northwest Texas Hospital School of Nursing, Amarillo, and earned her Bachelor of Science in Nursing degree from West Texas State University in 1978. She has attended the University of Texas at El Paso and Amarillo College. Mrs. Woods is currently working on her Masters of Science in Nursing at West Texas State University with functional tract in Nursing management/education and clinical tract in community health/family practice.

She has been employed by Swisher Memorial Hospital from 1967-1973 as staff nurse one year and Director of Nursing for five years, by Caprock Hospital from 1973-1975 and 1980-1981 as shift supervisor, by High Plains Baptist Hospital 1978-1980 as Team Leader in Intermediate/Intensive Care. She has been active in the American Nurses Association, Texas Nurses Association, Silvertown Volunteer Ambulance Service, and is a member of the Presbyterian Church. Mr. and Mrs. Woods have two daughters. Mrs. McGavock is the wife of

E. H. McGavock of Silverton. She and her family have resided in Silverton for many years. They have two sons and two grandchildren. Mrs. McGavock is a 1981 honor graduate of South Plains College School of Nursing. She did her clinical experience at Central Plains Hospital. She has attended Amarillo College and will enroll at West Texas State University this spring semester to pursue her Bachelor of Science in Nursing. The program at West Texas State University in both undergraduate and graduate levels is community health oriented. Mrs. McGavock has been employed by Caprock Hospital and Central Plains Hospital since her graduation.

As Registered Nurse supervisor and Vocational Nurse for Briscoe County and adjacent counties on a limited basis, under the Visiting Nurse Service, Inc., Mrs. Woods and Mrs. McGavock want to inform their community and area of the services provided by VNS, including nursing procedures in the home on an intermittent basis such as injections, dressings, catheter insertion and care, ostomy instructions and care, as well as nursing assessment, patient education, nutritional counseling, monitoring of vital signs, discharge planning and referrals to other community agencies. Rehabilitative services include physical therapy and speech therapy. All treatments are carried out as ordered by the patient's own physician. The availability of the visiting nurse allows an earlier discharge from the hospital, thus providing economy to the patient and cost containment in health care.

Payment for services is by individual arrangement through the patient's health insurance, including Medicare, Medicaid, Veteran's Administration, Champus, or may be private pay cash reimbursement. A sliding scale has been developed to prevent denial of services. Referral may be by the patient, physician, nurse, social worker, hospital, clinic, minister, friend, or family member. An outstanding feature of the Visiting Nurse Service, Inc. is the in-home hospice nursing now available that supports families in their decision to keep a terminally ill patient in the home as long as possible.

Some of the future plans of Visiting Nurse Service, Inc. include development of an Adult Day Care Center, and a Hospice and Respite Center in Lubbock. Interested persons are welcome

First State Bank Offers Beef Gift Certificates

The First State Bank in Silverton is participating in a Beef Gift Certificate program and is offering them to the public for their Christmas purchases.

The Beef Gift Certificates are redeemable for the purchase of good, nutritious American Beef! The certificates are negotiable anywhere Beef is sold in the United States such as restaurants for a beef dinner, meat markets, packing and processing plants and grocery stores.

The certificate presented to a business anywhere beef is sold entitles the recipient to purchase beef in the amount indicated on the certificate. Beef Gift Certificates are an ideal way to have a tasty gift available in any amount from \$1.00 to \$5,000.00! The certificates are equivalent to Certified Checks or Money Orders. The Beef Certificates cannot be turned into cash or used to purchase any other product.

Beef Gift Certificates are made available through the Texas CowBelles and local banks all over the state and are redeemable anywhere in the United States. The certificates are for beef promotion and the convenience of the consumer. The recipient receives the full amount of beef that you pay for the gift certificate. Neither the CowBelles nor the bank make a cent off the transaction. In the past the CowBelles spent many hours and dollars setting up the Beef Certificates and today we put in more hours and miles promoting and advertising them, a CowBelles spokeswoman said. But without the assistance from your local bank, CowBelles would not be able to provide you with the service. The local bank furnishes, without any cost to the consumer or the CowBelles, the printing of the certificates and perhaps other items as well as many hours filling in the certificates, keeping the books and other necessary details. For this assistance the CowBelles are grateful to the bank.

"Beef Gift Certificates are a convenient and appreciated gift selection," say Terra Cotta CowBelles. "They can be mailed anywhere and redeemed there." The CowBelles suggest however, that unless you are sure the recipient has a freezer, to send the certificate in \$10 amounts to make up, say the \$50 gift, you wish to send. Otherwise the whole \$50 would have to be bought at one time.

The CowBelles are sure "Beef Says It Best" for the holidays ahead and invite you into the bank to purchase Beef Gift Certificates for those loyal employees, good customers, friends hard to buy for, and those loved ones who enjoy a steak!

The Certificates may be purchased today at First State Bank in Silverton.

Last week Mr. and Mrs. J. D. Nance were in San Antonio for a checkup on his surgery. Enroute they visited Mrs. Jack Hutton in Abilene. On their return trip they visited Mr. and Mrs. Duane Wright and Spencer and Gary Lusk in Austin and Mr. and Mrs. Homer Youngblood in Mill-sap.

to contact Mrs. Woods or Mrs. McGavock regarding further information and referrals to the service, or for a program for a church group, study club, or civic organization. Each area served by VNS has resident nurses directly employed by and responsible to the Lubbock based firm.

"We are looking forward to serving the people of our community and surrounding area!" the ladies said.

Young Farmers To Meet Tonight

The Silverton Young Farmers will meet Thursday, December 10, at 8:00 p.m. in the ag shop.

Christmas Greeting Page To Start Fund For Community Center

This holiday season, the Christmas Greeting Page donations will begin a fund for a community center for the people of Silverton and the surrounding area.

It is hoped that one or more buildings in downtown Silverton can be secured for a community center, and remodeled with volunteer labor. It will take quite a lot of money, but not as much as would be required to build a new building. The buildings are available, and local clubs are being urged to begin projects to make money to contribute toward the purchase of a place for meetings, family reunions, etc.

The Christmas Greeting Page project was originated years ago by the L. O. A. Junior Study Club. Donations to the project have been used in years past to buy supplies for the school, ambulance service equipment, city

park improvement, senior citizens center, school playground improvement, and other worthwhile endeavors.

To take part in the project, anyone who wishes to extend Christmas greetings to Silverton friends and relatives contacts a member of the L. O. A. Junior Study Club (of which Jane Self is president) and asks that his or her or their family's names be placed on the special page which will appear in the Briscoe County News on December 24. You make a donation to the project in any amount, and your name appears on the page with the explanation that in lieu of sending Christmas cards, you have donated your money to help buy a community center for the people of Silverton.

Deadline for placing your name on the greeting page will be December 14.

Crowd Attends N-Waste Meeting

A crowd of more than 40 people was present last Thursday afternoon for a meeting of STAND (Serious Texans Against Nuclear Dumping) held in the Pioneer Room at First State Bank.

Guest speakers from Tulia were Paula Pitt, Judy Venhaus and Glenna Crooks, who is chairman of STAND.

Local residents are encouraged to continue their letter writing campaign to elected officials and others who are in a position to affect the selection of a location for the storage of nuclear waste.

Local clubs are encouraged to pass resolutions against nuclear waste dumping in this area.

Century of Progress Study Club already has passed such a resolution, and according to Mrs. James Davis, the Caprock District TFWC President, the Texas Federation of Women's Clubs passed a statewide resolution in 1979 against the dumping of nuclear waste in Texas.

Another meeting will be held in the near future, at which time officers will be elected for Briscoe County's STAND.

Silverton Hosting Varsity Tournament Starting Today

Silverton's varsity Owls and Owlettes will be hosting a varsity tournament beginning at 10:00 a.m. today.

Playing in the first game will be the Motley County and Kress girls. They will be followed by the boys from their respective schools at 11:30 a.m.

The first round continues with Panhandle and Happy girls at 1:00 p.m.; Panhandle and Happy boys at 2:30 p.m.; Claude and Petersburg girls at 4:00 p.m.; Claude and Petersburg boys at 5:30 p.m.; Hart and Silverton girls at 7:00 p.m., and Hart and Silverton boys at 8:30 p.m.

Second round games for the winners of Silverton's first games will be at 7:00 and 8:30 p.m. Friday. Losers games in the second round will be at 1:00 and 2:30 p.m. Friday.

Consolation finals are at 1:00 and 2:30 p.m. Saturday, and the championship games are at 7:00 and 8:30 p.m. Saturday.

Silverton's varsity teams played in a tournament at Kress last weekend, without a lot of success. The Owlettes opened with a 41-33 loss to Kress, defeated Claude 46-36, then lost to Hart in the consolation finals, 50-48.

Against Kress, Katy Francis led the scoring with 10 points. Jeni Denton rang up eight points; Missy Brown, six; Amy Perkins and Judy Northcutt, four points each, and Angie Lowrey, one point.

Owlettes	12	23	25	33
Kress	14	25	30	41

Miss Francis led the offense against Claude with 15 points to her credit. Other scoring was by Amy Perkins, nine; Missy Brown, seven; Alesha Patton, five; Jeni Denton and Judy Northcutt, four points each, and Lisa Lavy, two points.

Owlettes	11	20	29	46
Claude	8	20	28	36

In the final game, Missy Brown was the highest scorer with 18 points, followed by Katy Francis who tossed in 14 points. Jeni Denton got eight points; Lisa Lavy, six, and Judy Northcutt, two points.

Owlettes	4	24	34	48
Hart	17	27	41	50

For the tournament, Katy Francis scored 39 points in the three games. Missy Brown put 31 points on the board in the tournament.

In Tuesday night's action at Happy, the Owlettes dropped their game 47-31. None of the Owlettes scored in double figures, with Alesha Patton as the high-point girl with six points. Katy Francis, Missy Brown, Jeni Denton and Rita Denton scored four points each; Judy Northcutt got three points, and Amy Perkins, Lisa Lavy and Tammi Edwards tossed in two points each.

Owlettes	7	17	25	31
Happy	15	27	39	47

The Owls lost to Kress, 60-50, in the first round of the Kress Tournament, defeated Olton 58-50, and lost 49-39 in the consolation finals to Happy.

Kelly McMurtry led the offense against Kress by caging 12 points. Jimmy Stone and Clifford Clardy were right behind him with 10 points each. Shane Reagan added nine points; Casey Bean, seven, and Gary Juarez made a pair of points.

Owls	8	27	44	50
Kress	18	35	43	60

McMurtry was the leading scorer against Olton with 16 points to his credit. Reagan, with 12, and Stone, with 11, also caged in double figures. The scoring was rounded out by Clardy, nine; Kyle Couch, eight, and See BASKETBALL—

did you know?

One thing we've probably all learned is to have an appreciation of things that have worth, and to know their value. To help you learn the value of the electricity you use, Southwestern Public Service Company offers this simple exercise: Take the amount of your last electric bill. Divide this amount by 30 to find the approximate cost of your electricity per day. Then divide that amount by the number of people in your family to determine the cost of your electricity per day, per family member. After all, knowing what electricity is worth is worth knowing. Just look around.

Joe Head, Consumer Services Manager, Roswell

Southwestern was the first electric utility to install a fabric filter environmental-protection device at a large-scale power generation unit. SPS installed the filter—an efficient, economical device for maintaining air quality around a plant—at its first coal-fired plant. As more electricity is generated by burning coal, interest in coal's environmental impact will grow. Even now, other utility companies and the Environmental Protection Agency are studying the performance of SPS's unique system.

James Trammell, Plant Chemist, Lubbock.

If your heating system is thermostatically-controlled, the easiest and most effective way to control your home's energy consumption is to be careful about where you set your thermostat. In winter, set it at 68 degrees or less during the day and 55 degrees or less at night. When your house is unoccupied for more than four hours in the winter, set the thermostat back to 55 degrees. Wearing a sweater or putting an extra blanket on the bed is all that is needed to keep most people comfortable at these temperature settings. Just call your SPS office for more information.

Cards of Thanks CARD OF THANKS We can never adequately express our sincere appreciation for the many acts of kindness and concern shown me and my family during my illness.

We appreciate the calls, cards, flowers, visits, and, most of all, your prayers. We will always be grateful to you, our friends, for the help and support while I was in the hospital. May God bless you. Billy Cogdell and family

CARD OF THANKS Beryl and I wish to thank all our friends for the cards, prayers, phone calls and for their concern shown while we were in the hospital and since we have come home. A special thanks to Jackie, Lois, Ruth Ann and Curtis for sharing their Thanksgiving dinner with us. Also a special thanks to Dr. Tuan for his concern and kindness. Beryl and Dorothy Long

CARD OF THANKS The Silvertown Senior Citizens would like to say thank-you to everyone who helped in any way to make our bake sale a big success.
