# Briscoe County Celebration Opens In Silverton Today

Briscoe County's 89th birthday will be celebrated this weekend in Silverton. There will be something of interest for each and every member of your family, regardless of age.

Starting Thursday there will be three performances of the Silverton Young Farmers Rodeo with participants from all over the area testing their rodeo skills

at 8:00 p.m. nightly. Following the rodeo each night, there will be dances on the concrete slab at Silverton Elevators, this being located south of the Wood Memorial Rodeo Arena. Music for the dances will be provided by Country Revue of Silverton on Thursday night, Rough Riders of Nazareth on Friday night, and the Maines Brothers of Lubbock

on Saturday night. Silverton Volunteer Fire Department will have concession stands at the rodeos and dances, in an effort to raise money to make a note payment (on the newest fire truck) this summer.

Rodeo events will include Tie Down Calf Roping, Heading and Heeling, Ladies' Barrel Race, Bareback Bronc Riding, Bull Riding, Kid's Break-away Roping, Saddle Bronc Riding. There will be a Kid's Calf Scramble at each performance, and as an added attraction, the Saturday Night Bath Race.

Rodeo stock will be furnished by Cordell Rodeo Company of Childress. Admission will be \$3.00 for adults and \$1.50 for children. Fred Strange is the rodeo secretary.

The big day of the celebration will be Thursday (today), with activities featuring a parade, barbecue, country arts and crafts fair, and much more. To kick off the festivities there will be tricycle races in front of the First State Bank for kids two to five years old. Each youngster will need to bring his own tricycle and meet with the L. O. A. Junior Study Club members in front of the bank at 3:30 p.m.

Immediately following the tricycle races, the 4-H Bicycle Club will perform a routine. At 4:00 p.m. there will be a parade through downtown Silverton. The Boys Ranch Rough Riders and the Texas Tech Masked Rider are expected to take part in the parade this year.

A section of the parade will be devoted to the Kid's Bicycle Parade. This is sponsored by the Briscoe County News, and cash prizes will be \$10.00 for first

ing senior citizen by the Governor of Texas. Zoe spends her idle time knitting.

Wade and Zoe have two children, Mrs. Ruby Lee Kitchens and Mrs. Polly Jarrett, both of Silverton; six grandchildren and six great-grandchildren. On August 7, 1981, Mr. and Mrs. Steele celebrated their sixtieth wedding anniversary.

They will be honored as Briscoe County pioneers during the County Birthday Celebration by riding in the parade, being recognized at the barbecue and presented with a plaque and corsage.

This annual presentation is sponsored by the L. O. A. Junior Study Club.

place, \$5.00 for second and \$2.50 for third place. Entrants will need to pick up an identification number from the Briscoe County News before parade time. This will be used to identify the winners, because the judges may not know the contestants' names. Numbers are to be placed on the backs of the contestants or their bicycles. Numbers will be available from the sponsor at the corner of Main and Seventh Streets (at the old hotel), where the bicyclists are to gather at 3:45 p.m.

Following the parade, everyone is invited to gather on the courthouse square where a huge tent will be erected, for a meal of barbecue and all the trimmings.

To help defray the cost of the barbecue, tickets will be sold for \$2.50 per plate. The price will not cover the cost of the barbecue, and donations are very much needed. Contact any Young Farmer, Fireman or Lions Club member, or leave your donations at the First State Bank.

Free tickets will be given to all citizens 65 years of age or older who have lived in Briscoe County 40 years or more. A booth will be provided on the courthouse square the day of the barbecue where senior citizens can register and receive their tickets and where tickets can be purchased.

Donations are also being solicited to defray the cost of renting the tent to shade the south side of the courthouse lawn.

The Young Farmers would like to thank everyone who has helped in the past with their donations of time, labor and money. With your support, it is hoped that this annual event will continue.

A highlight of the day will be the arts and crafts fair to be held on the courthouse square. Booths will be selling their wares all day. Many unusual items will be offered for sale, so no matter what your interests, there will be something for you.

Those who have indicated plans to have booths at the Arts and Crafts Fair include Donna Francis, who will be offering homemade items; Extension Homemakers Council, who will have a Country Kitchen booth offering cold drinks, sandwiches and baked goods; Mrs. Doleta Boyce, who will have a display of crocheted items; Patsy Tidwell and Eudean Cutrell, who will

have dried flower arrangements and other items; a 4-H display; a couple from Tell who will be selling antique spurs and bits and homemade gift items; the Progressive Homemakers, who will be selling pies; Belinda Matlock, who will offer paintings and other homemade items; and more.

Prospective exhibitors are reminded that even though this event is sponsored by the L. O. A. Junior Study Club, it is done for fun and profit for the participants and no booth rental fee is charged. Booth locations are assigned on a first-come, first-served basis, and all booths are to be set up and in operation by 10:00 a.m. Thursday, August 13.

For a full weekend of fun, food and entertainment for the whole family. Plan to be in Silverton for the Briscoe County Birthday Celebration.

## Maines Brothers To Play For Silvertown Rodeo Dance

A feature of this year's Briscoe County Birthday Celebration to be held August 13-14-15 will be the dances which will be held from 9:00 p.m. until 1:00 a.m. nightly.

Thursday night's dance will feature music by Silvertown's own Country Revue. Lead singer for this group is Ron Hester, who recently recorded an album containing some of the songs he has written.

The Rough Riders from Nazareth will be the band for the Friday night dance.

Saturday night's dance will headline the feature attraction of the birthday celebration in the Maines Brothers Band. The band consists of seven members, Kenny Maines, Lloyd Maines, Steve Maines, Donnie Maines, Jerry Brownlow and Richard Bowden. All of the band members grew up in the West Texas area, near Lubbock and Morton. They have released two albums and a third will be released in August.

A song on their first album, "Ain't She Something Else," reached Number Nine on the charts in England and their second album has just been released in Europe. The Maines Brothers have performed across the country in Las Vegas, Chicago, New York and Los Angeles and are seen in Lubbock and area towns

frequently. They work with the West Texas Saturday Night Opry held in Lubbock several times a year to benefit area charities.

The dances will be sponsored by the Silvertown Young Farmers and Silvertown Volunteer Fire Department.

## Wheat Farmers Threatened By Low Prices

"This could be the last year many farmers in Texas and this nation will be growing crops because of the low prices they are receiving," Texas Farmers Union President Mike Moeller warned last week. Moeller spoke at the Wells Brothers Grain Elevators in Plano, an area which contains many wheat and grain farms.

"Many farmers plunged deep into debt last year because of the devastating drought. This year, they are faced with even higher prices for seed, fertilizer and equipment, unparalleled high interest rates and a depressed market for their crops," Moeller stated. "And on top of all that, the prospects of having

a Farm Bill in 1981 which will benefit the family farmer does not appear all too rosy," he added.

In Texas, wheat production is at an all time high, with the state agriculture department estimating 179 million bushels, 38 percent more than last year's production. Also, 29 percent more acreage was planted in wheat this year in the hope that many farmers could offset last year's losses with a good wheat crop.

"The Department of Agriculture in Washington has already announced there will be no acreage limitations on wheat planting in 1982 for the third straight year," Moeller noted. "No limitations coupled with the low loan levels mean that wheat and other grain prices will remain depressed unless action is taken by Congress which will adopt a Farm Bill this year," Moeller said.

The possibility exists for large purchases of America wheat and grain by the Soviet Union, but that will not take place for several months. Secretary of Agriculture John Block said this week no date has been set for negotiations with the Russians on the trade agreement which expires September 30.

"It is a sad comment that the price of wheat and grain in this

country may be determined by what the Soviet Union may or may not order this year," Moeller said. "What we need to do is raise the loan rates for wheat and other grains and sell our crops to the Russians which will guarantee our farmers a fair profit. Instead of getting \$3 or \$4 at most for a bushel of wheat, they should be getting \$6 or \$7 a bushel from the Soviet Union."

The Texas Farmers Union President reported that Secretary of Agriculture Block also said this week he will recommend a presidential veto of the 1981 Farm Bill if target prices are retained as proposed in both the House and Senate versions of the bill. Block also said other objectionable provisions include the sugar program, peanut allotments and the dairy program. Block said if the dairy support program is over 70 percent of parity, the veto of the Farm Bill by the president is likely.

"What we are seeing is a step by step attempt by the Reagan Administration to water down the various commodities included in the 1981 Farm Bill with continued low prices for American farmers' crops," Moeller said. "Unless we have a Farm Bill which provides for realistic loans and prices for farm products, we will see even more farmers go bankrupt or sell their farms this year," Moeller predicted.

## Electronic Bug Killer To Be Given Away

An Emerson Electronic Bug Killer that will protect one-third of an acre from bugs will be given away after the Briscoe County Birthday Celebration by L. O. A. Junior Study Club.

Donations to the club treasury will be accepted by members of the club throughout the celebration.

One of the donors will be the owner of the electronic bug killer.

Contact any club member or call Tina Nance, 823-2496.

## Comptroller's Rep In Silvertown August 13

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock Field Office will be at the Briscoe County Courthouse in Silvertown on Thursday, August 13, 1981 from

Moeller urged farmers to get behind the bill while in Congress and urge a minimum of 75 percent of parity be included for the commodities covered by the Farm Bill. "Otherwise, we could end up with a Farm Bill which is virtually meaningless which will cost both farmers and the American consumer in the long run," Moeller concluded.

2:00 until 4:00 p.m. A comptroller's representative is available to assist Briscoe County residents every second Thursday of each month.

Bullock urged anyone with problems or questions concern-

ing state taxes to contact Ms. Doggett at the courthouse in person or call the Lubbock Field Office at 806 795-0691. A toll free number (1-800-252-5555) is also available to Texas taxpayers.

## Friends To Honor Tulia Columnist At Hilton Inn

Friends of H. M. Baggarly, the Tulia Herald columnist noted as the Texas Panhandle's most illustrious Democrat, will honor him with a banquet at 8:00 p.m. August 21 at the Amarillo Hilton Inn on Interstate 40 East.

Western Artist Kenneth Wyatt of Tulia will serve as master of ceremonies, and special guests from throughout the nation are being invited.

Theme will be "Salute to H. M. Baggarly . . . Mr. Democrat and Country Editor."

Baggarly continues to write a political column each week in the Herald, a weekly paper he sold to Wendell Tooley about 2 1/2 years ago.

He first became associated with the paper as a journalism teacher in the Tulia Schools, and he later put his experience in laying out the page of high school news to work in managing the newspaper while the owners

were on vacation.

Baggarly gave up teaching in 1947 and purchased a one-third interest in the Tulia Herald. He quit after a year but was coaxed back in 1950, and by mid-1955 he owned the controlling interest in the paper.

Two collections of his writings have been published — "Texas Country Democrat" and "Texas Country Editor." At one time, he turned down an offer to be a White House assistant to President Lyndon B. Johnson.

Baggarly was winner of the fourth Mary Kate Tripp Award from the West Texas State University Journalism Department as a "tribute to an area journalist who exemplifies the highest ideals of the profession."

Banquet tickets are \$20 each. They may be purchased in Tulia at the banks, the Tulia Herald or from Norma Blount. Tickets may be purchased in Amarillo from Mary Jo Spradlin, 702 S. Florida.

Morgan - Sanderson Vows  
Exchanged Here Recently

Judy Lynn Morgan and Jerrell Dee Sanderson were united in marriage at 2:30 p.m. on July 18 in the home of the bride's parents. The Rev. L. Lee Sanderson, brother of the groom, performed the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Leonard Morgan of Silvertown and Mr. and Mrs. L. D. Sanderson of Knox City.

Given in marriage by her father, the bride wore a formal gown of white with a lace covered bodice and puffed sleeves. The dress had a high neckline and a chapel length train. She carried a bouquet of apricot and white silk roses.

Matron of honor was Mrs. Janet Gibbs, sister of the bride. She wore a floor length light yellow gown designed with a cape. She carried a bouquet of yellow, apricot and white flowers.

Best man was Terry Chrestman of Brownfield.

Miss Annette Minyard of Silvertown registered the guests.

The traditional bridal march was played.

A reception was held immediately following the wedding. The refreshment table was covered with a light yellow cloth that was trimmed with lace. The three-tiered cake was decorated with yellow roses and light green leaves, and was topped with a miniature bride and groom. The centerpiece was an apricot colored scented candle which was surrounded by a ring of flowers.

Miss Jan Rowden of Brownfield and Miss Danita Adair of Wellman served the cake. Mrs. Donna Jacobs of Amarillo served the punch.

P.A.S.S. Meets In  
Bill Durham Home

Mrs. Bill Durham was hostess for the August meeting of the Prayer And Share Sisters.

Theme of the study was "The Christian Woman's Library." It is very important to choose the right books. The influence of books on children is great. Of course the Bible comes first. It is said that a man is known by the company he keeps. It is equally true that a person's character may be known by the kind of books he reads.

Mrs. Jerry Bean is the Big Sister and Mrs. J. L. West is the Woman of Valor this month.

September 3, Mrs. J. D. Nance will host the P.A.S.S. and the study will be "The Christian Woman as a Church Worker" and "The Christian Mother-in-law and Daughter-in-law."

Resolutions for September will be to make use of a hidden talent, and do something special for your in-laws.

soil and keep it moist until the seedlings appear—a week to ten days.

That may sound like a lot of work, but once established, bluebonnets seed themselves year after year—provided the seed has been allowed to mature, the grass and weeds haven't become too thick, and there is sufficient rain in July and August to soften the seed coat. That last requirement could be difficult here, but you can always soak the bluebonnet seed if there is no rain.

My mother has had bluebonnets in Matador for several years, and they just keep coming back up every year.

Allsup's To Participate In  
Muscular Dystrophy Telethon

Allsup's Convenience Stores, Inc., participants in the Jerry Lewis Muscular Dystrophy Telethon, will conduct pre-telethon activities during the month of August, according to Kurt Verlei, director of public relations. The company will display collection canisters in all 207 Allsup's Convenience Stores throughout New Mexico, Texas and Oklahoma. "This is a very important part of fund raising prior to the telethon," said Verlei. "The Association receives no tax supported grants nor does it seek or receive fees from patients or their families." Verlei added, "Their programs are funded almost entirely by private contributors and corporations and, of course, through the Labor Day Telethon."

The Muscular Dystrophy Association is currently seeking causes and cures for 40 crippling neuromuscular related disorders.

Free diagnostic services, therapeutic and rehabilitative follow-up care are provided by Muscular Dystrophy Association's 230 clinics at no cost to any individual suffering from one of the diseases covered by the Muscular Dystrophy Association.

Allsup's will also be conducting the Allsup's Doorbell Brigade. Area youngsters are encouraged, on August 29 and 30, 1981, to visit their local Allsup's store and pick up a collection packet. After collecting donations for Jerry's kids and returning them to the store, Allsup's will give them a free fountain drink of their choice. Verlei said, "We thank our customers in advance for their generosity and look forward to working with area youngsters in the fight against Muscular Dystrophy."

PLANT BLUEBONNETS NOW

Summer may be ending, but it's time to plan for next spring if you want Texas bluebonnets in your landscape. Seeds must be sown by late August for spring blossoms. Later sowings are almost useless.

Late summer planting is essential since bluebonnets are winter annuals—that is, they germinate in late summer, exist as a small rosette of leaves through the winter, then grow rapidly during the spring to produce flowers.

Many seeds are wasted because they are tossed in a corner of the yard and end up as bird seed. Since bluebonnet seeds are not cheap, you need to properly prepare them for planting in order to get the best germination.

The hard seed coat must be softened to allow moisture to penetrate the seed. One method is to scratch the seed coat between two layers of sandpaper that has been glued to boards. For large quantities, mix the seed with sand and tumble in a cement mixer to scratch the seed coat.

Another method is to soak the seed in warm water (130° to 150° F.) for a few days, changing the water at least daily until they feel soft. Changing the water is necessary to prevent oxygen depletion and "souring" of the seed.

When treated, broadcast the seed on tilled soil, cover with ¼ to ½ inch of soil, firm the

# Grand Jury To Probe Shooting

A Lubbock grand jury will consider the circumstances surrounding the shooting death of 27-year-old Andre Pierre Grosdidier, who was shot by his wife early Thursday of last week in the dining area of his apartment in Lubbock. His wife, Victoria Susan Grosdidier, said she mistook her husband for a burglar.

Justice of the Peace Charles Smith handed down a ruling of homicide Thursday night after an autopsy performed at St. Mary's Hospital revealed Grosdidier was shot at "very close

range" about three inches below his right eye with a .22 caliber bullet.

Criminal District Attorney John T. Montford said he has not filed any charges in connection with the case.

Mrs. Grosdidier told police she fired the rifle at "a shadow" in the unlit dining room after asking who was there and receiving "a grunting sound" in reply. She said she loaded the rifle at about 11:00 p.m. when she heard noises outside the couple's apartment at 5501 48th Street in Lubbock.

After hearing someone inside the apartment about 12:30 a.m., she took the loaded rifle into the dining room and fired into the dark, she told police. The victim had left the apartment at about 4:00 p.m. Wednesday and did not return until the time of the shooting, police reports said.

Grosdidier resided in Silverton

with his parents, Mr. and Mrs. Leon Grosdidier, during the time his father served as Briscoe County Agricultural Agent. His uncle and aunt, Mr. and Mrs. Glen Grosdidier, and his grandparents, Mrs. Eunice Bishop and Mr. and Mrs. Jess Grosdidier, also are former Silverton residents.

Graveside services for Grosdidier were at 9:15 a.m. Saturday at Resthaven Memorial Park in Lubbock.

Memorial services followed at 10:00 a.m. at Bacon Heights Baptist Church, with the Rev. Hank Scott, pastor, officiating. He was assisted by Gary Beaty and the Rev. Doyle Holmes, director of missions for the Lubbock Baptist Association.

Arrangements were directed by Sanders Funeral Home.

Grosdidier's survivors include his wife; two sons, Jason Pierre and Jamus Andrew; a sister, Denise Grosdidier of Lubbock; two brothers, Rene and Dene, both of Lubbock; his parents, Mr. and Mrs. Leon Grosdidier of Lubbock; and his grandparents, Mr. and Mrs. Jessie Grosdidier of Dalit, New Mexico and Eunice J. Bishop of Lubbock.

## SOCIAL SECURITY IN BRISCOE COUNTY BY JANICE ULMER

"When is my medicare claim going to be paid? I filed it in April and I still haven't heard a thing!"

We have heard this question time and again over the past few months. In order to determine just what is happening, I spoke with James Crawford, the Division Manager of Corporate Communications for Blue Cross-Blue Shield of Texas recently. Blue Cross-Blue Shield processes Part B Medicare claims in our state.

Mr. Crawford explained that on May 4, 1981, they began converting from the computer system they were using to a new more sophisticated model. "We anticipated a four to six week conversion period at the outset, as well as a claims inventory of approximately one million," stated Crawford. He further estimated that the entire process of conversion and delayed claims would be completed by mid to late August. "It appears we will meet that schedule," Crawford assured. "We are currently experiencing a downward trend in working this inventory of claims. Part of this is due to the substantial overtime we have been working and part is a consequence of fewer new claims arriving in the past few days," said Crawford.

Medicare receives an average of 35,000 claims each day. The new system processes these more efficiently and with greater speed. The goal of the company is to process the claims as they come in. This means approximately 400,000 claims will be in process at any given time when the new system is working at

full capacity. Crawford noted that the new system is not refusing as many claims as the old one. In other words it is able to handle more without requiring followup requests to the person submitting the claim. He emphasized however, that proper completion of your claim depends on the proper information submitted. Each claim must have the beneficiary's medicare number, name and address and the name and address of the doctor performing the service, as well as his provider number. It must also include each charge separately listed according to service and charge, as well as a diagnosis of the illness being treated. If all this information is present, the system is able to process the claim quickly and accurately.

In conclusion, Mr. Crawford expressed his appreciation of the patient attitude of Medicare beneficiaries during this interim period. "If you have not heard anything on your claim after six weeks, you may call our toll-free number, 1-800-442-2620. The operator will check your claim and if it is not in process she will advise you to refile."

Our staff at the local social security office will be glad to assist you in this. We are located at 1401-B West 5th, Plainview.

Mrs. Ruth Ann Hatchett and children are planning to leave Silverton in a few days and will visit her husband's parents in Oklahoma for a few days before going to Dallas for the naturalization of her adopted daughter. They will be returning to Korea soon, where their husband and father, Captain Bill Hatchett, is stationed.

They have spent several weeks in Silverton with Ruth Ann's parents, Mr. and Mrs. J. E. Minyard, and other relatives on her adopted daughter, Jo Ann's, first visit to this country.

Mrs. Ashel McDaniel underwent cataract surgery at High Plains Baptist Hospital in Amarillo Friday. She entered the hospital Thursday and returned home Saturday. Mrs. A. R. Martin accompanied her to the hospital.

## AS A MAN THINKETH

Gerald Beasley

## THE TYRANNY OF THINGS

A wealthy man moved into a new house. His neighbor, a conscientious believer in the plain and simple life, eyed the movers as they carted in numberless items of furniture, decorative pieces, gadgets, appliances and many racks of clothes. As the almost endless unloading continued, he approached the affluent newcomer in sincere, sober concern: "Neighbor, if you have need of anything, please come to see me and I will tell you how to get along without it."

History evidences man's bent to measure others by their wealth. Jesus simply says, "A man's life does not consist in the abundance of things he possesses" (Lk. 12:15).

Too many think life can be built on purchasable things. Many know the price of everything and the value of nothing. With dollar signs in their eyes they have a false sense of security and a counterfeit feeling of satisfaction.

Think! and realize that too many popular "things" are mere adult toys and pacifiers, indulged until the next expensive novelty comes along.

Our Lord has an arrangement for us to give what we cannot keep to gain what we cannot lose!

# Ambulance Service Has Meeting

Silverton Volunteer Ambulance Service had its monthly meeting Tuesday, August 4, at the City Hall. Wayne Barnhouse, paramedic with the Amarillo Emergency Service, showed slides on Cold Water Drowning.

Ideas have changed about drowning in cold water, 70° or less, in the past few years. Documented cases show the body has a reflex mechanism so that when the body is submerged in cold water the blood and oxygen supply are drawn from the outer extremities to the heart, lungs, and brain which must have a constant supply of fresh blood and oxygen.

Linda Massey, director of Panhandle Emergency Services, and Virginia Scott, director of nurses at Northwest Texas Hospital, discussed operations between Amarillo's EMS system and the local ambulances. Steve Athey, operational manager with Amarillo EMS, explained communications between Amarillo Communication Center and the local ambulance service.

Attending from Silverton were Bruce and Susie Tiffin, Ted and Helen Strange, Anthony Kingery, Jeff Jones, Emmett Tomlin, Lynn Frizzell; Barbara Reed and Kay Calvert were guests from Quitaque.

Mrs. J. D. Nance spent several days in Fort Worth visiting her grandchildren, Mr. and Mrs. Fares Lahoud and Michael.

Mr. and Mrs. Wiley Nance, jr. of Lockney and Amy and Robert Nance of Midland were supper guests recently of Mr. and Mrs. J. D. Nance at their home at Lake Mackenzie.

Miss Melanie Watkins of Canyon spent from Friday evening until Sunday evening with her grandmother, Mrs. Ollie McMinn. Others attending church and having lunch Sunday with Mrs. McMinn and Melanie were Travis McMinn of Lubbock and Mrs. Betty Orr of Slaton.

# Tiffin Brothers Win First Place

Bruce and Jeff Tiffin's car won first place at the drag races in Lubbock on August 8, and will compete in the regional meet in Amarillo August 14-15. The car is in third place overall in points at the Lubbock drag strip.

Tiffin Brothers will represent Lubbock Dragway at Green Valley Raceway at Lewisville, Texas on October 2-3-4.

Mr. and Mrs. Ken Sarchet and Brandon, Mr. and Mrs. Tim Dye and Lisa Ainsworth, all of Lubbock, were guests of Mr. and Mrs. Charles Sarchet Saturday. They enjoyed a cookout at Lake Mackenzie Saturday night.

Mr. and Mrs. Bob Olive of Pe-

tersburg visited Betty Olive Sunday afternoon.

Mrs. Darwin Potter has been released from the Lubbock hospital where she recently underwent surgery, and is recuperating at the home of her mother-in-law in Plainview.

**FOUNDATION**

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.
