

All Around the Town

by Mary Ann Sarchet

Oil drilling activity has been at a standstill for the past several weeks, but seems to be about to begin again. We had learned last week that drilling on two wildcats would probably begin in May.

The intention has been filed for a wildcat to be drilled five miles northwest of Silverton. This will be the Dorothy Bomar No. 1, and permitted depth is 9500 feet. This is on Section 188, Gulf, Colorado and Santa Fe Survey, A-1272.

Gunn Oil Company is doing this exploration.

According to an article that appeared recently in the Oil & Gas Journal, oil people don't seem to have lost faith in the capability of the Palo Duro Basin to produce an oil field, but it has been very disappointing that the last several wildcats have so far failed to become producing oil wells. Some of them seemed to have potential, but the potential seemed to disappear as the wells were tested. It may be, as with other fields, that those engaged in oil exploration here will have to learn how to bring in the wells in the Palo Duro Basin. This sounds like I am being critical and insensitive, but bringing in wells from the various formations sometimes takes patience and know-how, and the companies may have to "go to school" on what has happened on previous wildcats.

Library Tea, Book Shower To Be Held

March of Time Study Club, sponsor of the Briscoe County Library, is participating in National Library Week April 18-24, 1982, and invites you to attend the Library Tea and Book Shower to be held from 2:00 until 5:00 p.m. Friday, April 23 in the library which is located in the basement of the court house.

The shelves of the library are stocked with books on history, biography, art, religion, books of both fiction and non-fiction, as well as children's books, and many varied topics.

One new book of interest is "The Legacy," one in a series by Howard Fast. Also John Jakes series of eight volumes, novels based on historical facts about the settling of this country. The memorial shelf contains many volumes purchased as tributes to the memory of friends.

This is your library, and March of Time Study Club strongly urges you to come in and bring your friends to share this event, and acquaint yourselves with the rich store that has been provided for your reading pleasure. Find your fantasy—READ!

Absentee Voting Moving Slowly

Absentee voting for the May 1 primaries continues this week, with very little interest evident after the first week of balloting.

Early Tuesday morning, County and District Clerk Bess McWilliams reported that no Briscoe County residents had voted absentee in either the Democratic or Republican primaries, but that she had mailed out a few absentee ballots.

Contested positions at stake in the Democratic primary are two county commissioner seats, a justice of the peace, state representative, agriculture commissioner, land commissioner, state treasurer, state comptroller, two positions on the Court of Criminal Appeals, three places on the Texas Supreme Court, attorney general, lieutenant governor, governor and U. S. Senator.

Contested positions in the Republican primary include land commissioner, comptroller, governor, U. S. Senator and U. S. Congressman.

The Republican ballot also includes five straw poll issues. Officials of the GOP have indicated responses from the non binding poll may be used to draft future legislation.

Absentee balloting continues through April 27. Registered voters may vote absentee at the county and district clerk's office in the court house.

Mrs. McWilliams has announced that she will be in her office from 2:00 until 5:00 p.m. Saturday for those who wish to vote absentee.

Cities Receive Sales Tax Rebate Checks

State Comptroller Bob Bullock Friday sent checks totaling \$31.8 million to 962 cities as their share of the one-percent city sales tax for April.

"Total payments we have sent to these cities so far this year are running more than 19% ahead of last year, which means sales of taxable merchandise in these cities are running that much more than 1981," Bullock said.

Houston received the biggest check, \$7 million, up 27.9% from the April 1981 check.

Dallas received \$3.8 million compared to \$2.7 million last April. San Antonio received \$1.6 million, compared with \$1.2 million last April.

The City of Fort Worth got a check for \$1.1 million, up 37.9% from April of last year.

Austin's check was for \$1 million, compared to \$878,000 last April and El Paso received \$809,000, up 38.1% from the \$586,000 check that city received last April.

In the fast-growing City of Bryan, where this year's total received is running 42% ahead of last year's total, the city received \$149,000, compared with \$92,000 last April.

Silverton's city sales tax rebate check for this period was \$1,075.04, bringing the 1982 payments to date to \$6,109.30. The 1981 payments to date totaled \$4,970.83, and this reflects that the 1982 payment is 22.90% more than for the same period in 1981.

Quitaque did not receive a rebate check for this period. The 1982 payments to date there total \$3,133.12, down 24.56% from the

\$4,153.26 received to date in 1981.

At Turkey, the payment just received was \$609.88, bringing the 1982 payments to date to \$4,136.58, up 37.44% from the \$3,009.72 received to date in 1981.

At Tulia, the sales tax rebate for 1982 amounts to \$36,271.74, up 0.16% from the \$36,214.30 received to date in 1981.

Plainview's current rebate check brings that city's total for 1982 to \$305,181.73, up 9.8% from the \$277,773.69 received to date in 1981.

Other area cities include Lockney, \$12,116.42, down 1.19% from \$12,261.89; Kress, \$3,402.19, up 6.08% from \$3,207.06; Happy, \$2,388.25, up 3.68% from \$2,303.46; Floydada, \$27,174.76, up 6.59% from \$25,494.78; Claude, \$8,450.11, up 66.92% from \$5,062.27; Clarendon, \$24,550.35, down 2.95% from \$25,295.50; Childress, \$74,097.40, up 15.04% from \$64,412.08.

The city sales taxes are collected along with the state sales tax by merchants and businesses and rebated monthly to the cities in which they are collected by the Comptroller.

Melodrama To Be Presented At Dinner Theatre

The cast and crew of "Foiled By an Innocent Maid," Silverton High School's entry in the Regional University Interscholastic League One-Act Play Contest, will present the play for the public in a dinner theatre Saturday night, May 1.

Purpose of this activity is to raise money for the expenses of next year's UIL one-act play.

Price of the dinner and play is \$5.00. The dinner will be served in the Silverton School Cafeteria beginning at 7:00 p.m. The menu will include your choice of ham or roast, gravy, salad, potatoes, green beans, carrots, rolls, tea or coffee and persimmon upside down cake or white cake with orange icing. Tickets for the dinner must be purchased in advance.

If you do not wish to attend the dinner but do wish to attend the play, the cost of tickets for the play will be \$2.00. These tickets may be purchased at the door. Curtain time for the play will be 8:00 p.m. in the Silverton

School Auditorium.

Tickets are on sale by all members of the cast and crew, from Mrs. Jealetha Baird at the school office and at Mary John's Flowers & Gifts.

Members of the on-stage cast for this play, which won District and Area honors, are Annette Kingery, Kerry Baird, Cynthia Edwards, Eber Gill, Dani Whitfill and Jan Reynolds. The crew is composed of Melinda Sutton, Missy Brown, Vicki McJimsey and Roland Asebedo. The play is directed by Mrs. Paula Garvin.

In Regional competition at Levelland last week, the play entries from Channing and Roscoe won the right to advance to state competition. Awards won by Silverton cast members were Eber Gill, all-star cast; Dani Whitfill and Cynthia Edwards, honorable mention.

Bob Arnold Wins All-Around Title At Dalhart

Bob Arnold of Silverton, representing the Happy High School Rodeo Club, won the All-Around Boy title at the Dalhart Tri-State Rodeo recently.

Arnold won first place in the calf roping and teamed with Lyndon Morrow of Perryton to win first place in the team roping event.

Arnold is the son of former World Champion Roper and Mrs. Walter Arnold of Silverton.

Cemetery Assn. To Hold Annual Meeting

The Silverton Cemetery Association will hold its annual meeting Thursday, April 22, at 8:00 p.m. in the Pioneer Room at First State Bank.

Several items of business will be discussed as well as preparations for Memorial Day.

Everyone who owns a lot or has relatives buried in the cemetery is urged to attend.

Plant Problems To Be Discussed

"Solving Plant Problems" is a program set for Thursday, April 29, at the Silverton City Hall at 10:00 a.m. with Dr. Robert Berry, Extension Plant Pathologist from Lubbock.

He will discuss problems of both house and landscape plants, including disease identification, prevention and treatment.

Following the 30-minute program, he will be available to make home visits with Extension Agent Lynda Fogerson to look at problem plants in the home or landscape. Participants may bring a problem plant to the program for diagnosis.

If you want him to come to your home to look at trees, shrubs, or houseplants, call Mrs. Fogerson at the Extension Office, 823-2343, and put your name on the list. Visits will be made to as many as time permits between 10:30 a.m. and 3:00 p.m., to Quitaque, Silverton, or anywhere in the county. Be sure to leave a home address or directions to your house when calling.

Craig Patton ran his personal best of 12.3 in the 100 meter dash, and won fifth in the long jump.

All of the first and second place finishers earned a berth in the Regional Meet.

The junior high Owls won third in their division, finishing with 66 1/2 points, behind 1. Groom, 146; 2. Valley, 145, and ahead of 4. Claude, 58 1/2; 5. McLean, 41; 6. Lefors, 24, and 7. Hedley, 15.

Individual results of the junior high boys meet will be printed when they are received from the District.

It's Time To Spring Forward

Once again it's time to spring forward!

Sunday, April 25, marks the return of daylight saving time in Texas, and this necessitates moving clocks ahead one hour beginning at 2:00 a.m.

In order not to be off-schedule Sunday morning, it is advised that you turn the hands of your clocks forward one hour before retiring Saturday night.

School Trustees Set Use Fees

At their last meeting, the Silverton School trustees set up this fee schedule effective immediately.

The cafeteria use fee will be \$20.00 for outsiders and \$10.00 for school-sponsored activities.

The auditorium use fee will be \$10.00 and the gym use fee will be \$20.00.

In Silverton May 3

Senator Bill Sarpaluis will be bringing his mobile office to Silverton on Monday, May 3. He will be visiting with constituents here from 1:00 until 2:00 p.m. that day.

If anyone has problems or other matters they would like to discuss with the state senator, they are urged to plan to meet with him at that time. He will be parking his mobile office at the First State Bank.

Eleventh Annual Bob Wills Day Coming Up April 24

The eleventh annual Bob Wills Day Saturday, April 24, will feature the second annual reunion of former Texas Playboys. At least 10 to 14 will be featured at the Friday night dance from 9:00 p.m. until midnight at the Bob Wills Center.

The parade will be held as usual at 10:30 o'clock Saturday morning down Main Street, with many beautiful floats, some riding clubs, bands, horseback riders, etc. Immediately following the parade, barbecue will be the "piece de resistance" at 11:00 in the Bob Wills Cafeteria. The Old Fiddlers Contest will be at 12:30 p.m. in the Bob Wills Center Auditorium.

The afternoon program will get underway at 2:00 o'clock on the old football field east of the Center. The program will be presented by former Texas Playboys, promising to be one of the largest groups of Texas Playboys ever to be assembled at one place. Master of ceremonies will be Dr. Charles Townsend, Grammy award winner and author of "San Antonio Rose - The Life and Music of Bob Wills and the Texas Playboys."

Other events include special movies of Bob Wills, both motion picture and TV specials featuring Bob Wills, to be shown upstairs in the Arts and Crafts Building of the Bob Wills Center. You will also want to visit the Bob Wills Museum on the first floor of the building and the concession stand at the east end where all kinds of good things to eat will be sold along with souvenirs, including caps, totebags, ashtrays and coins.

The Saturday night dance will begin at 7:00 p.m. with music by Hoyle Nix and the West Texas Cowboys. Breakfast will be served beginning at 11:00 p.m.

If you haven't attended Bob Wills Day before, be sure to visit the Bob Wills Monument on the west edge of Turkey.

Department of Public Safety officers will be on duty for your safety.

Arts And Crafts Show Is April 24

April 24 will soon be here, and the response to the Turkey Arts and Crafts Show is extra good this year. This should be another good show with a wide variety of arts and crafts. Everyone is invited to attend while you are in Turkey for Bob Wills Day.

Anyone having arts or crafts to display is asked to contact Marjorie Bell to reserve a space. Her address is Box 338, Turkey, Texas 79261. She may be telephoned at 423-1086 or 423-1263.

Silverton FFA To Have VB Tourney

Silverton FFA will sponsor a Volleyball Tournament April 20-22-23-24. Entry deadline is Friday, April 16.

There will be divisions for women's, men's and mixed teams, with the entry fee being \$18.00 per team. Entry fee must be paid before team participates in the tournament, and team members must pay gate admission. The admission fee is \$1.00 for adults, 75c for students, and those seven and under will be admitted free.

Ten minute games will be played until the finals. The rosters will be limited to 10 players, and seven first-place individual trophies will be awarded the

Lighthouse Electric Sets Annual Meeting

A large crowd is expected Saturday, April 24, at the Lighthouse Headquarters, Highway 70 East, Floydada, for the 43rd Annual Meeting of Lighthouse Electric Cooperative, Inc. Registration will begin at 11:00 a.m. followed by a traditional barbecue lunch for members and guests at 11:30 a.m.

POLITICAL CANDIDATES

MAY BE VIOLATING

LAW WITH CAMPAIGN SIGNS

Candidates for political office may violate the law if they erect campaign signs on some private property.

The highway beautification provisions of the Texas Litter Abatement Act control the erection of signs on property adjacent to Interstate and Federal-aid Primary Highways. Anyone desiring to erect a new sign along these highways must have a state license to engage in outdoor advertising and a permit for each sign.

Existing signs may be repainted or repaired; however, they may not be enlarged nor may lighting be added unless approved by the State Department of Highways and Public Transportation or the city which issued the sign permit. Subject to city ordinances, signs may be erected at campaign headquarters.

No signs except official traffic control signs are permitted within the rights of way of any highways in Texas. Maintenance crews may remove any signs not conforming to state law.

Candidates or their campaign managers are urged to contact the nearest district office of the State Department of Highways and Public Transportation for further information if they are considering erecting campaign signs.

**Mrs. Temple Brings Husband's
Campaign To Silverton**

Campaigning in Silverton on Wednesday of last week, Ellen Temple wife of Democratic candidate for governor Buddy Temple, warned that Texas is facing critical issues in the next decade but the answers to solving these problems is not more taxes.

Mrs. Temple urged voters in the Democratic primary to look carefully at the tax proposals of the various candidates.

"Buddy feels the state can meet its obligations without additional tax burdens on its citizens and solve pressing problems in education and law enforcement," Mrs. Temple said.

"On the other hand, attorney general Mark White is proposing that the state's oil and gas severance tax be increased."

"I think energy costs are high enough and the simple fact is that Texans consume more than 50% of the oil produced here and nearly 75% of the natural gas. More taxes on these products would result in higher and higher utility and energy bills for Texans—not out-of-state customers."

She said the "key to making

Mrs. Ellen Temple campaigned for her husband in Canyon, Hereford, Dimmitt, Tulia, Claude and Silverton on Wednesday of last week. Even though she and her traveling companion were very tired when they arrived in Silverton, Mrs. Temple said they had enjoyed the trip very much.

our homes and streets safer is more and better-trained police officers. The prevention of crime is just as important as the apprehension and conviction of the criminal."

Mrs. Temple said her husband will propose greatly increased teacher benefits including salary hikes to keep qualified teachers in the classroom and recruit promising educators.

"If we don't make teaching competitive with other industries and professions, more and more teachers will flee the classrooms each year and then we'll have a real disaster."

**AS A MAN THINKETH
Gerald Beasley
MEANINGFUL GOODBYES**

"Goodbye" is a contraction of "God be with you." "Adios" (Spanish) and "adieu" (French) both mean "to God." Thus, to say "Adios" is to commend someone to God.

All the foregoing are farewell expressions, and even "farewell" means "may you fare well."

When partings come it would be tremendous if we really

meant deeply our goodbyes, adieus, adioses and farewells, harboring prayer to God in behalf of the ones addressed.

God's being with anyone hinges on that one keeping His Word (Jn. 14:23). If I deeply mean the goodbyes I say, I'll want the ones spoken to to learn and do God's revealed will. I will be as intense as Paul who said, "And now I commend you to God, and to the word of his grace, which is able to build you up..." (Acts 20).

Hottest Brand Growing
Year after year these varieties have produced high yields and big profits in your area!

GSA 1310A
Hybrid Grain Sorghum

Need a hybrid sorghum with top resistance to disease? GSA 1310A is a medium maturing hybrid with excellent standability that's Spider Mite tolerant and resistant to Biotype C Greenbug, MDHV, Anthracnose, and Smut.

GSA 71*
Certified Cotton Seed

Because it has been planted on more acres than any other cotton, GSA 71 has been the "1" cotton of the High Plains for five straight years.** It's an early maturing variety that is drought resistant and has wide adaptation.

**USDA Statistics

GSA 74*
Certified Cotton Seed

If early maturity is a major consideration, the very early and prolific fruiting of GSA 74 makes it first choice. This variety is also preferred because of its resistance to drought, verticillium wilt, and root knot nematode complex.

Start off on the right foot this growing season by not just buying treated seed but the specific cottonseed treated with the best available. Look for the Guadalupe's PRO-SEED tag or emblem.

Couple Exchanges Marriage Vows In Canyon Ceremony

Wedding vows were exchanged by Lori Ann Mercer and Kevin John O'Toole in ceremonies conducted recently at Faith Chapel in Canyon, with the pastor, John McClendon, performing the double-ring ceremony.

The bride, a former resident of Silverton, is the daughter of Mr. and Mrs. Jodie Wheat of Canyon and Mr. and Mrs. John Mercer of Oklahoma City. She is the granddaughter of Mr. and Mrs. Frank Mercer of Silverton and Mr. and Mrs. Buck Thomas of Tulia. The bridegroom is the son

of Mr. and Mrs. Leo O'Toole of Albuquerque, New Mexico.

An arrangement of spring flowers decorated the altar for the wedding service.

Darla Watkins of Canyon served as maid of honor wearing a pastel yellow formal length gown completed with a mid-waist cape accented with ruffled edging.

Kenneth Hiatt of Canyon served as best man.

Flower girl was Sarah Mercer of Oklahoma City, sister of the bride.

Escorted and presented in marriage by her father, the bride chose a formal gown of white tulle and Crockett Venice lace which was designed with long, puffed sleeves edged with wide bands of matching lace. Dainty lace ruffles accented the sleeve cuffs and completed the Victorian neckline. The gown's bodice was heavily adorned with matching lace and was accented with lace appliques. The formal length skirt was held to a wide waistband and extended to a chapel length train which was enhanced with a wide band of lace that extended beyond the train. A single layer of bridal illusion was held by her Victorian Camelot headpiece and she carried a nosegay arrangement of yellow roses, blue carnations and white daisies accented with baby's breath. Streamers of blue and white ribbon completed the bridal bouquet.

A reception followed in the fellowship room of Faith Chapel where the bride's table was covered with an acru lace cloth over blue. Centering the table was an epergne holding mixed spring flowers and the double-tiered wedding cake. A leaded crystal bowl completed the table with Miss Jeanna Herron of Amarillo and Miss Gretchen Jones of Canyon serving the guests.

The bride's cousin, Mrs. Paul Jones of Canyon, attended the guest registry.

After a wedding trip to Santa Fe, New Mexico, the couple is establishing their home in Canyon.

Mrs. DeLeon Is Shower Honoree

Mrs. Jessie DeLeon, the former Frances Cerbantes, was honored with a miscellaneous shower on Saturday, April 17, in the fellowship hall of the First Baptist Church.

Pat Whitfill greeted the guests and presented them to the bride and her mother, Josie Cerbantes. Ruby Gilkeyson presided at the registration table.

The serving table was covered with a white lace-trimmed cloth and the centerpiece was an arrangement of yellow poms. LaTrella Flowers and Virginia Hardin used crystal and white stone-ware accessories to serve cinnamon pinwheels, Neiman-Marcus bars, coffee and spiced tea.

Hostesses for the occasion included Pat Whitfill, Lois Walker, Georgia Allard, Jewell Lyon, Zollie Brown, Lottie Garrison, Theta Holt, Shirley Reynolds, Betty Stephens, Francis Kellum, Carrie Dell Dickerson, Edwina Davis, Patsy Davis, Mary Ann Rauch, Adelmira Ramirez, Mary Ramirez, LaVerne Stephens, Carolyn Lowrey, Ruby Gilkeyson,

Direct Deposit Soon To Be Available To State's Retired Teachers

State Comptroller Bob Bullock announced today that electronic direct deposit of retirement checks will soon be available to the state's 75,000 retired school teachers.

"All Texans owe a debt of gratitude to these people who spent their careers educating our children. This is one small way of paying this debt," Bullock said.

With direct deposit, retirees won't have to interrupt visits with their grandchildren to go home and wait for the mailman to bring their check. They will be able to depend on their money being there automatically to pay the mortgage or buy groceries," Bullock explained.

Bullock began electronic direct

deposits for Austin-based current state employees late last year. So far, 5,882 employees working for 80 state agencies have joined the program, which is due to be offered to all employees statewide later this spring. Each employee chooses whether to join the program or continue receiving a paper warrant each month. "We started this program to save tax dollars," Bullock said. "We save when fewer employees take time off the job to take their pay to the bank and we save the cost of printing and mailing warrants. Now we can save retirees the trouble of banking their retirement income and the worry that it might not arrive on time."

"Gyps, Cons, Frauds" To Be Topic Of Program April 30

A program on "Gyps, Cons and Frauds" will be presented by Ann Benedict of the Amarillo Better Business Bureau on April 30, at 10:00 a.m. at the Senior Citizens Center in Silverton.

The program, sponsored by the Extension Service, was planned in observance of National Consumers Week as proclaimed by President Reagan for April 25 - May 1.

Senior Citizens are particular targets for some unscrupulous door-to-door salesmen and unethical businesses which seek to "con" older adults out of savings and earnings.

The entire county is invited to the FREE program because the

Better Business Bureau works with all areas of the population, and the areas discussed apply to all ages.

Employed people are especially invited to take their coffee breaks and attend this program.

Educational programs of the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion or national origin.

Couple To Exchange Vows On May 29

Mr. and Mrs. Richard Roehr are announcing the engagement and approaching marriage of their son, Monty Lynn, to Tamara Langdon, daughter of Mr. and Mrs. Joe Langdon of Seymour, Texas. A May 29 wedding has been planned at the First Baptist Church in Seymour.

At General Telephone We're Not Simply Talking About Service Improvements We're Making Them In Silverton

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (the new electronic switches, expanded cable projects and modernization) and GTE will spend over 400 million dollars in 1982 to provide you the best telecommunications available.

For you as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (TPUC) has established certain standards in public hearings and our new results are listed against them for 1981.

Texas is almost \$2 billion richer, thanks to Bob Bullock.

Since BOB BULLOCK became Comptroller, state tax collections have increased from \$3.4 billion in 1975 to \$8.1 billion in 1981. Inflation and growth accounted for just over two thirds of that. But almost one-third of the increase was due solely to BOB BULLOCK's efficiency and thoroughness in collecting every tax dollar legally due the state.

That's amounted to \$1.9 billion since '75, thanks to BOB BULLOCK.

Bob Bullock makes money for Texas.

COMMON BROOMWEED—AN EASILY CONTROLLED PROBLEM

Common broomweed infests rangelands to a greater or lesser degree every year. During years with mild, wet winters and adequate spring moisture, broomweed may become a very serious problem on rangelands. Forage production is reduced by this unpalatable, low-value plant in that it is a strong competitor for water, nutrients and sunlight.

Producers are often heard to say, "The broomweed has taken over in my pasture this year; what can I do to control it?" In too many cases these statements aren't heard until the first of June or later and by that time there is no easy solution to the problem. Broomweed is highly susceptible to herbicides when it is in the vegetative stage and is growing rapidly. As it develops toward maturity, it becomes increasingly resistant to control with herbicides.

Results of past research indicate that one-half to one pound of 2,4-D (2,4-Dichlorophenoxyacetic acid) per acre applied when broomweed is between four and eight inches tall will provide satisfactory control. This is about the time when broomweed is going from the vegetative into flower bud formation. On the average this will be somewhere between April 15 and May 15 in our area.

Positive identification of the broomweed early in the season along with timely application of herbicide are the keys to a successful program for the control of broomweed. I will be happy to assist you in identifying your weed problems and formulating an effective control program. Contact me before you develop a serious weed problem. You will be glad you did.

ORDINANCE NO. 280
AN ORDINANCE PROVIDING FOR THE LICENSING OF ALL DOGS WITHIN THE CITY OF SILVERTON, TEXAS PREVENTING DOGS FROM RUNNING AT LARGE ON SCHOOL PROPERTY; PROVIDING A PENALTY AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SILVERTON, TEXAS:

SECTION 1: License and Vaccination Required

All dogs and cats four months of age or older which are kept, harbored, or maintained within the corporate limits of the City shall be vaccinated against rabies and licensed. Cat and dog licenses shall be issued by the City of Silvertown upon payment of the required fee for each cat or dog. The license fee for cats and dogs shall be \$1.00. Before a City License will be issued, the owner of the cat or dog must present a certificate from a licensed veterinarian showing that said cat or dog has been vaccinated within the preceding twelve (12) months.

SECTION 2: Tag and Collar

Upon payment of the license fee, the City shall issue to the owner a license certificate and, in the case of a dog, a metal tag having stamped thereon the year for which it is issued and number corresponding with the number on the certificate. Such tag shall at all times be securely attached to a collar or harness around the neck of the dog. In case a tag is lost, a duplicate will be issued by the City upon presentation of the receipt showing the payment of license fee for the calendar year. Dog tags shall not be transferrable from one dog to another, and no refunds shall be made.

SECTION 3: Impoundment of Cats and Dogs

Any cat or dog not wearing a collar or harness to which is attached a metal license tag and a tag furnished by the veterinarian showing that said cat or dog has been vaccinated against rabies shall be impounded by agents of the City of Silvertown, or any Peace Officer or their representatives, in the place provided for that purpose. If any cat or dog impounded under this section, or following sections, is not called for by owner within 72 hours the cat or dog shall be

destroyed humanely or placed for adoption. Provided however that the owner of any cat or dog impounded unless said cat or dog is the subject of a complaint filed with the City, shall be permitted to repossess such cat or dog prior to the time it is destroyed or adopted upon the payment to the City of the following.

A pound fee of \$5.00 will be charged for all impoundments of cats or dogs. An additional \$10.00 fee will be required for the second impoundment and an additional \$25.00 fee will be required for the third impoundment within a twelve (12) month period. If either valid license or vaccination, or both, are lacking on the cat or dog, the required license or vaccination must be obtained. In addition to the above charges, if the cat or dog is not picked up within seventy-two (72) hours, a \$5.00 fee will be charged for each twenty-four (24) hour period thereafter. If license or vaccination are not current, the owner shall be required to pay for these items. The owner shall be given a receipt for the vaccination payment which can be redeemed by his veterinarian by submitting the receipt. Failure to obtain the vaccination within forty-eight (48) hours of reclaiming shall authorize re-impoundment.

SECTION 4: Confinement of Certain Dogs and Cats

No cat or dog of fierce, dangerous, or vicious propensities, and no female dog in heat, whether licensed or not, shall be allowed to run at large, or upon the premises of any person other than the owner. If any such dog or cat is found running at large in violation of this provision it shall be taken up and impounded and shall not be released except after payment of the fees provided in prior sections herein. It is further provided, that if any dangerous, fierce or vicious dog or cat, or a dog or cat that is in season, is found running at large and cannot safely be taken up and impounded, such dog or cat may be slain by any City agent or any policeman or law officer.

SECTION 5: Quarantining of Rabid Dog or Cat or Animals Which Have Bitten Persons

Every dog or cat that has rabies or symptoms thereof, or any animal that bites, scratches or otherwise attacks any person or persons within the city limits, shall be, at the discretion of the City, upon complaint of the injured person, either immediately and securely confined by the owner, or one having custody, or by the City, by tying with a chain of good quality or by placing in a good pen for a period of 10 days, in such a place that no person or animal may be bitten by it, and there held subject to inspection from time to time so as to be able to determine whether said animal is affected by rabies, or said animal shall be quarantined and held for a like time in any veterinary hospital approved by the City after which time the dog shall be examined by a licensed veterinarian and may then be released in conformity with the provisions of this ordinance. The owner of said dog or cat pays all veterinary charges and for veterinary day care.

SECTION 6: Tampering With Pound

It shall be unlawful for any person in this city, without proper authority, to break into, open, pull down the enclosure of or make any opening into any pound or enclosure belonging to or used by the City for the purpose of impounding or keeping therein any animal or fowl, including dogs, cats, or other common household pets, or to turn out or release any of the same from any pound or enclosure or cause to be done or aid and abet in the doing of the same.

SECTION 7: Public Nuisance

Any cat or dog or any animal which molests pedestrians or passing vehicles, or attacks other animals, or repeatedly trespasses on school grounds, or damages private or public property, or repeatedly barks, whines, or howls in an excessive, continuous fashion shall be a public nuisance and shall be impounded as set forth in Section 3 of this ordinance.

SECTION 8: Penalties

Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor

Land May Be Taxed On Agricultural Use Value

Is the land you own being used for agricultural purposes? If it is, then you may be eligible for tax relief on that property.

According to Mrs. Carlye Hill, chief appraiser for the Briscoe County Appraisal District, qualified landowners have the option of applying for agricultural or open-space land valuation on their property.

She said that two constitutional amendments provide for the taxation of land on its agricultural use (or productivity) value.

and shall be punished by a fine of not less than \$10.00 nor more than \$200.00. If any violation be continuing, each day shall be a separate violation and shall be deemed as a separate offense.

SECTION 9:

If any part of this ordinance shall be held invalid, such part shall be deemed severable and the invalidity shall not effect the remaining parts of this ordinance.

SECTION 10:

All other ordinances of the City of Silvertown that are in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 11: Emergency

The fact that many people live within the City Limits of the City of Silvertown, Texas, and that there is an urgent need for protection against dogs and other animals of the canine species, and for the peace of mind and public safety of the citizenry of said city, it is hereby ordained that the foregoing ordinance is an emergency measure and since such emergency exists, this ordinance shall go into effect immediately upon its passage.

PASSED AND APPROVED THIS THE 12th DAY OF APRIL, 1982.

/s/ Charles R. Sarchet
Mayor

ATTEST:

/s/ Jerry Patton
City Secretary

16-2tc

In other words, taxes would be assessed against the productivity value of the land instead of what the property would sell for in the open market.

Mrs. Hill indicated that the legal basis for this valuation is found in the Texas Constitution, Art. VIII, Sec. 1-d. She added that several criteria must be met in order to qualify under this section. Some include:

—The land must be owned by a natural person (does not include corporations, partnerships, agencies or organizations);

—The land must have been devoted exclusively to agricultural use for at least three years prior to the year application is first made;

—Annual application is required of the owner;

—Owner must file a sworn statement each year he applies, attesting to the land's agricultural use;

—The chief appraiser must determine that the landowner qualifies and must approve the application, and,

—The agricultural business conducted on the land must be the owner's primary occupation and source of income.

Mrs. Hill said another form of alternate valuation available to qualified landowners is that of open-space land valuation. Effective since 1979, it provides for the valuation of agricultural and timberlands and ecological laboratories. She added that the legal basis for this form of land valuation is in the Texas Constitution, Art. VIII, Sec. 1-d-1.

Several conditions must be met in order to qualify under this section, including:

—The land must have been devoted principally to agricultural use for at least five of the last seven years;

—The land must be involved in a qualifying agricultural use.

—The land must be used for agricultural purposes to the degree of intensity generally ac-

cepted in the area, and,

—The chief appraiser must approve the application.

In 1982, once an application for 1-d-1 open-space valuation is filed with the chief appraiser and approved, a landowner will not be required to submit another application so long as the land qualifies. The chief appraiser, however, may request that a new application be filed.

er application so long as the land qualifies. The chief appraiser, however, may request that a new application be filed.

GOOD FRUITS

"The wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and GOOD FRUITS."

There are two forces at work in this world, evil and good. We have the freedom to choose between these two things.

"O taste and see that the Lord is good: blessed is the man that trusteth in him."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
