

Pep Rally To Be Held On Football Field

Friday's Pep Rally will be held on the east side of the football field at 5:30 p.m. before the boys leave for Valley. All students, parents and fans are invited to give the boys a big sendoff.

Time Changed For Catholic Services

Our Lady of Loretto Catholic Church announces that mass has been changed from 8:00 a.m. to 12:30 p.m. Sunday.

Patriotic Fanfare To Be Presented

A "Patriotic Fanfare" will be presented by the elementary students, grades K through four, in the school auditorium at 10:30 a.m. on Thursday, November 11, in honor of Veterans Day.

Each class will present a skit and sing songs, using the patriotic theme. The public is invited to attend.

Mr. and Mrs. Charles Sarchet visited in Lubbock Sunday with Mr and Mrs. Ken Sarchet, Brandon and Jordan and Mrs. Elizabeth Skelton.

Gaston E. Owens Buried Saturday

Funeral services for Gaston E. Owens, long-time owner-publisher of the Quitaque/Valley Tribune, were conducted Saturday, October 30, at the First Baptist Church in Quitaque with the Rev. Mike Grebenik, pastor, officiating. Burial was in the Silverton Cemetery.

Mr. Owens, 67, died last Thursday at St. Anthony's Hospital in Amarillo after a lengthy illness. He had been rushed there by ambulance from Swisher Memorial Hospital in Tulla the previous Friday.

Born in Rising Star, Texas on May 18, 1915, Gaston Edwin Owens was the eldest of the five children of George Washington and Olive Gattis Owens. The family moved to Quitaque in 1930.

A 1933 graduate of Quitaque High School, he was a veteran of World War II, having served with the 9th Squadron of the Army Air Force for two years in California and for two more years in England, France and Belgium.

He later attended Wayland Baptist University and West Texas State University. He married the former Lottie May Vaughan Henderson on November 27, 1952 in Lubbock.

A printer/newspaperman, Mr. Owens began publishing the Quitaque Tribune in June 1960, changing the name of the weekly to the Valley Tribune in 1968, when it began service to the Turkey area as well. He continued in that capacity until his death.

In addition, he served for 32 years as music director in Baptist churches in Turkey, Silverton, Plainview, Wichita Falls and, most recently, at Quitaque's First Baptist Church, where his father was music director for 34 years.

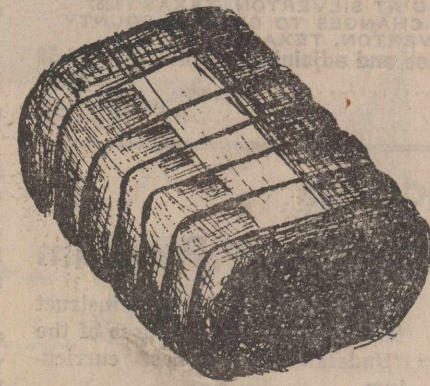

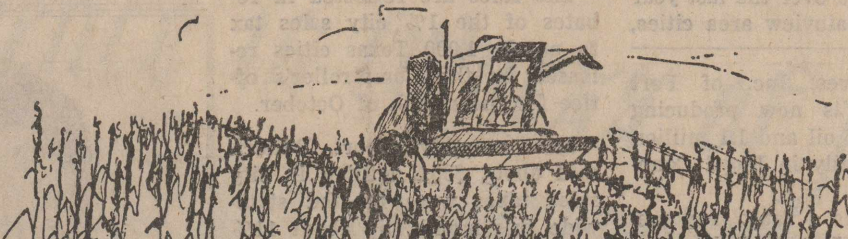

He was a member of the First Baptist Church in Quitaque. His father, a brother, Chester Wayne, and a sister, Betty June, preceded him in death.

Survivors are his wife, of Quitaque; two sons, Dwain Henderson of Silverton and Eddie Owens of Plainview; his mother, Mrs. Olive Owens of Plainview; two sisters, Mrs. Bill (Willa Dean) Ebbs of Plainview and Mrs. Olen (Margaret) Lane of Van Horn; and four grandchildren, Sonya Henderson of Gallup, New Mexico, Wayne and Zane Henderson of Silverton, and Kami Owens of Plainview.

Pallbearers for the funeral were Jarrell Rice, Ted Giddens, Steve Adams, Robert Phelps, G. W. Chappell and Charles Sarchet.

Honorary pallbearers were Bud Bailey, James Barefield, Pete Rice, John King, O. R. Stark, Jr., Wilburn Leeper, Jimmy Davidson and Bob Ham.

Briscoe County News

VOLUME 74 NUMBER 44

THURSDAY, NOVEMBER 4, 1982

Edwards Defeats Mrs. Pigg For Justice of the Peace

James Edwards, listed on the ballot as an Independent, defeated Mrs. Barbara Pigg, the Democratic Party nominee and incumbent Justice of the Peace for Briscoe County Precinct 1 in Tuesday's General Election. It was not learned until after

Edwards' name was printed on the ballots that he was ineligible to be a candidate for the Independent Party. This was due to his having voted in the Democratic Party Primary last spring. Mrs. Pigg, having been defeated, will vacate the office January

1, and with Edwards not having been an eligible candidate, it will be necessary for the Briscoe County Commissioners' Court to appoint a Justice of the Peace to serve Briscoe County Precinct 1 beginning January 1.

Mrs. Pigg outpolled Edwards in the absentee box, 17-16, and in the San Jacinto community box, 15-8. Edwards carried all the other boxes, 89-26 in Precinct 1, 189-120 in Precinct 3, and 89-58 in Precinct 4.

Briscoe County residents turned out in large numbers at all boxes to cast ballots, with more than 65% of the electorate going to the polls Tuesday. The

nod was given to Democratic Party candidates in all races except that of the Justice of the Peace, Precinct 1, race.

Across Texas, the Democrats replaced incumbent Governor Bill Clements with Attorney General Mark White. Lloyd Bentsen was returned to his Senate seat despite the challenge by Jim Collins. In this district, Congressman Jack Hightower overrode opposition by Ron Slover to return for another term in Washington. State Senator Bill Sarpius, who received Briscoe County in the redistricting, retained his seat in Austin by defeating John E. Kirchoff.

Owls Lose Last Home Game

The Owls dropped their last home game of the season to Sudan, 28-22, Friday night, and travel to Valley this week for the season finale. The Patriots, hoping for a play-off berth, were disappointed with their losses to Happy and Vega the past two weeks. Now the Patriots are hoping to defeat the Owls and are looking for an upset of Happy to keep their play-off hopes alive. Undoubtedly, the Owls have other thoughts, for the Silverton gridders traditionally play one of their best games of the season against Valley.

A large crowd will probably be on hand to cheer for both teams when the game kicks off at 7:30 p.m.

The Owls built some pretty good statistics for themselves in the game with Sudan, but didn't seem to be up to par as they saw turnovers rob them of scoring opportunities. They spotted Sudan 20 points before getting on the board in the third quarter, and time expired before the Owls could win the game of catch-up.

Silverton was credited with 19 first downs as compared with 18 for Sudan. The Owls rushed for 133 yards and completed eight of 17 passes for 167 yards for a total offense of 300 yards. The Hornets rushed for 240 yards and added 86 yards through the air for a total offense of 326 yards. The Owls suffered three interceptions and lost three fumbles to take the edge off their game.

The Owls kicked off to Sudan and allowed the Hornets to make a first down on their own 36 before Clifford Clardy intercepted an aerial and carried it to the 49. The Owls made a first down on rushes by Jim Forbes, but failed to add another and saw the ball go over on fourth down after an incomplete pass.

Sudan charged back with a drive that culminated in a score with 1:52 remaining to be played in the first quarter. They made good on a two-point conversion pass, but were penalized for illegal motion, and on the second try their running conversion failed.

Shane Reagan completed a pass to Clardy, which netted a first down on the 25, then, as the second quarter began, a pass to Forbes and a rush by Forbes picked up another first-and-ten. The hometown offense ran amuck on the next series, which ended in an interception. Sudan came back with a quick touchdown with 6:33 remaining in the first half. The pass for extra points failed, and the Hornets led 12-0.

The Owls came back, mixing runs and passes, picking up first downs on a pass to Clardy, a rush by Forbes after a completion to Warren Jarrett, and another pass to Jarrett. On the Sudan 16, the Owls lost the ball via

the fumble route with the clock showing 1:43.

Sudan almost went the distance in one play, stopped at about the four by Clardy. They scored with 45 seconds remaining, failed on the conversion, and held an 18-0 halftime lead.

The Owls received the kickoff that opened the second half, the receiver slipped on the turf and the ball was downed at about the five. Sudan got a safety on first down, with only 10 seconds having expired in the period.

Sudan made a first down before the Owls called a halt to their progress, the punter didn't get the kick off, and the Owls got the ball on the Hornet 30.

Runs by Craig Patton netted a first down on the 18, and runs by Forbes, Reagan and Craig Patton moved the ball to the six. Forbes carried the score with 4:18 remaining in the third quarter. The PAT kick into a strong south wind failed, and the Owls trailed 20-6.

The Owl defense held on Sudan's next series and forced a punt, but the Owls were unable to capitalize on the opportunity because of an interception.

Sudan picked up a first down on the Owl five, then scored from one foot out. They passed for two extra pints and held a 28-6 lead.

The Owls immediately opened their charge. A pass to Jarrett, runs by Reagan, and a pass to Clardy set the Owls up on the Sudan 11. Jarrett scored on a pass with 10:03 remaining in the game, and Reagan ran for the conversion points. This narrowed Sudan's lead to 28-14.

The Hornets were allowed only two first downs in their own end of the field, and got off a punt which carried to the Silverton 44. The Owls were unable to move the ball and punted into the end zone. On second down, the Hornets fumbled and Freshman Barry Eddleman grabbed it for the Owls on the Sudan 13.

A pass to Clardy, rushes by Craig Patton and a penalty against the Hornets gave the Owls a first down on the one. Reagan carried the score with 3:48 still to be played and then added the running conversion to bring the score to 28-22.

The defense held and the ball went over on downs to the Owls on their own five with 1:17 remaining to be played. The Owls picked up three first downs, moving the ball to the Sudan 36 on a run by Reagan. Then Silverton received a clipping penalty, completed a pass out of bounds, and it was all over for the Owls.

Eric Patton led the defense with 14 tackles, six of which were unassisted. Tad Cornett got ten, three unassisted; Jim Forbes, nine, three solo; Craig Patton, seven, three solo; Mitch Martin and Warren Jarrett, six each, with one solo each; Cliff

Mackenzie Authority Opens Bids For Water Project

Neil Taylor, manager of the Mackenzie Municipal Water Authority, told the Briscoe County News today that the Directors for the water authority met in the District Courtroom in Tulla

WENDELL WINKLER

Winkler To Conduct Special Services Here

Special weekend evangelistic services will be conducted by the Silverton Church of Christ November 5-7, with Evangelist Wendell Winkler of Fort Worth.

The Friday, November 5, service will begin at 6:00 p.m. Saturday gatherings are scheduled at 7:00 a.m. (followed by refreshments) and 7:00 p.m. On Sunday, Mr. Winkler will speak at 9:00 a.m., 10:00 a.m. and 6:00 p.m. There will be a congregational basket dinner at noon Sunday. The public is cordially invited to all gatherings.

The visiting evangelist was well received in Silverton in March, 1981. He is the author of ten books, former director of the Brown Trail Preacher Training School, director of the annual Fort Worth Lectures, and was the first speaker on the annual Preacher's Day program at Abilene Christian University. He has evangelized in many states, conducting several city-wide campaigns.

Clifford Clardy, four, with three solos; Barry Eddleman and Shane Reagan, four each, with two solos each.

October 24 to open bids on the Mackenzie Water Project. Members of the board are Lon Davis, Jr., president, and S. W. Ross, Floydada; T. Owen Thornton, vice president, and George Sparkman, Lockney; Stan Fogerson and Flute Hutsell, Silverton; Boyd Vaughn, secretary - treasurer, and John Earl Simpson, Tulla.

Taylor reports that the directors were very pleased with the interest shown by the contractors and suppliers who came

Bogus To Assist Residents With Tax Problems

State Comptroller Bob Bullock has announced that Raymond Bogus from his Lubbock Field Office will be at the Briscoe County Courthouse from 2:00 until 4:00 p.m. on November 11. A Comptroller's representative is available to assist local residents at the courthouse the second Tuesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Mr. Bogus at the courthouse in person or call the Lubbock Field Office at 806 795-0691. A toll-free number, 1-800-252-5555, is also available to Texas taxpayers.

Outstanding Student Named At SPC

Joe Arnold of Silverton has been named Outstanding Technical - Vocational - Occupational Student of the Month of October in Diesel Mechanics at South Plains College in Levelland.

Students are selected for the honor monthly by faculty members on their respective study areas. Selection is based upon the student's grades, attitude, improvement and motivation.

Mrs. Phil (Kathi) Hubbard returned home Saturday after having been a patient in a Lubbock hospital for several days following being injured in an auto crash. She is wearing a steel brace and isn't able to do very much, but is very glad to be at home.

2-1A North Zone Playoff Date Set

Vega is scheduled to play Ropesville at 7:30 p.m. November 12, at Plainview in a District 2-1A zone playoff.

The game features the 2-1A North Zone champion (Vega High School) against the South Zone runner-up (Ropes High School).

The winner will advance to the bi-district round of the state playoffs, meeting a team from District 1-1A.

Community Center To Be Discussed

There will be a meeting of those interested in building a community center for Silverton at 7:00 p.m. today (Thursday) at the community center building (north of the Briscoe County News). Plans for the building will be discussed, and the building will be cleaned.

Fire Department Meets Here Tonight

Silverton Fire Department meets at 7:00 p.m. today (Thursday) at the City Hall.

A five-day school will be taught by a representative of Texas A & M on five consecutive Thursday nights.

It is important that every member attend.

Lions Club Meets Today At Noon

Silverton Lions Club will have its regular noontime luncheon today (Thursday) at 12:00 at the Coffee Shop.

There will be a good meal and a good program. Members are invited to bring guests.

LaLeche League Meets Tuesday

If you are interested in breastfeeding, you are welcome to attend the Silverton LaLeche League's first meeting of a new series to be held in the home of Cindy Comer on Tuesday, November 9, at 7:30 pm.

League meetings offer a unique opportunity for you to learn more about this natural way of nurturing your baby. The main topic of discussion at this meeting will be "The Advantages of Breastfeeding." For more information call 823-2190.

for six different locations, along with bids on furnishing and erecting steel ground storage tanks: two tanks 1.5 mg and two tanks *.625 mg each.

Contractors could bid on the entire project or on one or more of ten separate segments of the project. This was done so that smaller contractors could compete with the larger contractors. Also included on the bid sheets were different makes of transmission lines and pumps and other equipment.

The directors will meet with the engineers today, November 4, to review the low bids and hopefully contracts can be signed in the next few days. Construction on the project could start within the next four or five weeks.

The entire project will cost approximately \$12,196,196.00, which is about \$2.0 million less than was originally estimated.

Callaways Host Shrimp Supper

Mr. and Mrs. Lowell Callaway hosted a shrimp supper Thursday night at their home.

The Callaways had brought the fresh shrimp from Harlingen, where they have a winter home.

Enjoying fellowship along with shrimp and all the trimmings were Mr. and Mrs. J. L. West, Mr. and Mrs. Alva C. Jasper, Mr. and Mrs. J. D. Nance, and the hosts, Mr and Mrs. Callaway.

Guests Present Program For Young Farmers

Derrel Martin and Delbert Devlin presented a program on nuclear waste for the Silverton Young Farmers on Thursday, October 28, in the school vocational agriculture department.

Clinton Dickerson presided over the business meeting. The club decided to have a money slide at the Halloween Carnival.

George Martin reported on the Silverton FFA Chapter and its program on the tabletop windmills being made for the National Young Farmer Institute to be held in San Antonio in December.

Those attending the informative program were Jerry Baird, Clinton Dickerson, Hand Baird, Brad Ziegler, Donnie Perkins, Calvin Shelton, Fred Brannon, Tobe Riddell, George Martin, Dave Patrick, Rick Hester, Dale McWaters, Wayne Stephens and the guest speakers, Derrel Martin and Delbert Devlin.

Mr. and Mrs. Wayland Fitzgerald returned last Thursday from their own foliage tour, which took them into several states. In Oklahoma City they visited the Cowboy Hall of Fame and saw Oral Roberts University in Tulsa, Oklahoma. They visited the War Eagle Grist Mill on War Eagle River near Siloam Springs, Arkansas, and attended the Augusta Springs Passion Play. They attended the Pinetop Mountain Jubilee in Augusta Springs, traveled to Branson, Missouri and attended four shows at Little Rock, Arkansas. They spent two days in Hot Springs, Arkansas, and drove through the Kimiche Mountains near Aptlers, Oklahoma. They visited Mrs. Pearl McDaniel at Gunter, Texas and the Joe Stubblefields at Salina, Texas.

**IRS Announces Redesign
 Of Educational Program**

The Internal Revenue Service has announced a major redesign of its "Understanding Taxes" program for 1981.

"Understanding Taxes" is a complete, free educational package, which teaches high school juniors and seniors important aspects of the Federal tax system. Approximately five million students used the course last year.

After a year-long study, the new "Understanding Taxes" curriculum will include more information and skill development than ever before, the IRS said. The materials will now be presented in a "modular" format, permitting teachers greater flexibility when scheduling and teaching "Understanding Taxes."

The curriculum will include a line-by-line explanation of the Form 1040A and a discussion of a basic Form 1040 and Schedule A for itemized deductions. However, new chapters will also cover such information as the economics of taxation, tax legislation and facts and fallacies about the IRS.

Because of the changes in the program, the IRS has also de-

veloped a workshop to instruct teachers on the many uses of the "Understanding Taxes" curriculum.

The IRS advised high school administrators, teachers and parents interested in learning more about offering "Understanding Taxes" program to contact the Taxpayer Education Coordinator in Dallas at 214-767-1428 or toll free 1-800-492-4830 ext. 1428.

**Oil Well
 Producing Southeast
 Of Floydada**

Drilling has been completed on the Lucie D. Stephens well located 15 miles southeast of Floydada.

In a related article in the Amarillo Sunday News - Globe, it was reported that oil was found at 9,700 feet. The well was drilled to a total depth of 9,825 feet.

"A significant find as far as the Palo Duro Basin is concerned," Joe Loftis, president of

**Silverton Leads
 Area Tax Rebates**

Retail sales in Silverton are up almost 14% over the last year to lead all Plainview area cities,

Strata Reserves, Inc. of Fort Worth said, is now producing 182 barrels of oil and 1.1 million feet of gas daily in Floyd County.

The well "is a fault trap mechanism, and I think it happens within (throughout) the basin." Loftis says Strata plans some offset drilling.

Horizon Exploration has leased 1500 acres of land in Floyd County and more land is available for leasing. At this point no one will comment definitely as to how big the well is going to be or to any other activity. It would probably be 60 days before any results are definitely known.

The Lucie D. Stephens well is on the property owned by the DiFede children.

**Club To Sponsor
 Free Classes Soon**

A "Fun - Fad - Food Fair" will be sponsored by Southwestern Extension Homemakers November 5 at the First Baptist Church in Silverton. There is no charge for admission, and door prizes will be given.

Everyone is invited to attend all or any part of the program.

The workshops from 10:00 until 11:00 a.m. will be "Watercolor Painting," by Junis Hutsell and "Machine Embroidery," by Lynda Fogerson.

From 11:00 a.m. to 12:00 noon the workshops will be "Bread and Sweet Roll Making," by Polly Jarrett, and "Home Canning and Freezing for Diabetics and Dieters," by Lois Nance.

Everyone is asked to bring a sack lunch to enjoy while listening to a program by Joy Parnell of Southwestern Public Service Company on "Festive Foods." Employed homemakers are invited to spend their lunch hour at this program. Coffee and tea will be furnished.

The workshop topics from 1:00 until 2:00 p.m. will be "Knitting and Crocheting" by Glenda Francis and Michelle Francis. (Bring chochet hook and thread and/or knitting needles and yarn.)

The second workshop during this hour will be "A Christmas Idea," by Sylee Teeple.

From 2:00 to 3:00 p.m. the workshops will be "Calligraphy," by Maebelle Francis; "Quick Point on Plastic," by Florene Fitzgerald, and "Pieced Vest," by Lanita Cantwell.

The final workshops from 3:00 until 4:00 p.m. are "Flower Making and Arranging," by Shirley Durham; "Quilting Tips," Rosalie Chitty, and "Beauty Facial," by Christene King.

Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race color sex religion or national origin.

They could practice medicine anywhere. They'd rather work for the Navy.

At U.S. Navy hospitals around the world or on ships at sea, some of the most dedicated men and women in the medical profession have chosen to put their experience to work in the Navy.

In medicine or communications, in electronics or engineering, you'll find Navy men and women who not only believe in being the best at what they do, they believe it means more when it's done for their country.

Navy know-how.
 It's working for America.

while sales at Edmonson have dropped by more than a third, according to Comptroller Bob Bullock.

At the same time, sales in Hale County were up less than 1.5%, with Plainview up about 3%.

The sales are reflected in rebates of the 1% city sales tax to nearly 1,000 Texas cities released by the Comptroller's office for the month of October.

In a monthly report, Bullock said about \$35.6 million in city sales taxes were rebated statewide this month, up about 11% from the same 10-month period in 1981. The payments reflect taxable sales made in August and reported to the state by the end of September.

These statewide figures included the impact in border cities of the August peso devaluation in Mexico, Bullock said.

Silverton is scheduled to get a rebate of \$559, for a total this year of \$16,753 in sales taxes. That total is 13.8% higher than for the same period last year.

In Hale County, Plainview was due a rebate of \$41,261. This

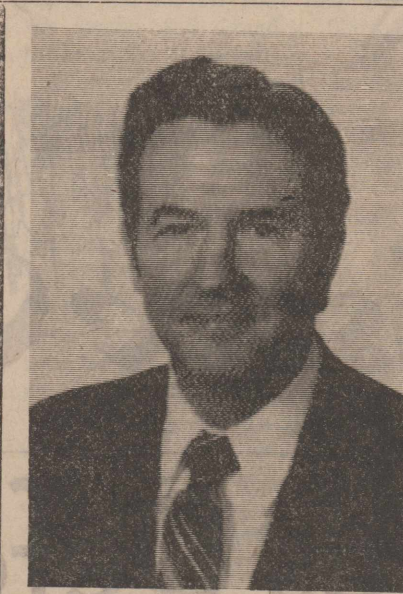

year the city has received \$766,643 in sales taxes, up 2.9% from last year.

Hale Center led all communities in that county in sales increases, with sales since the first of the year up 11.4%. That city is due to receive a rebate of \$2,293 this month, for a total of

\$24,481 since January. The rebate due Abernathy is reported at \$3,045 for the month. The 1982 total is \$37,444. Sales tax receipts are down 12.35% there.

Other area cities due rebates, their totals for the year, and the percentage of change are:

Hart—\$826, \$12,226 for the year, up .58%
 Floydada—\$4,642, \$74,629, up 3.1%
 Lockney—\$1,680, \$38,218, up 12.14%
 Kress—none, \$8,019, off .7%
 Tulia — \$6,956, \$95,140, off 3.1%

1982 ANNUAL REPORT

Cap Rock Soil & Water Conservation District

BOARD OF DIRECTORS:

- C. L. Sutton, Chairman
- Don Burson, Vice-Chairman
- Murry Wayne Morrison, Secretary
- Jimmy Myers
- Jarus Flowers

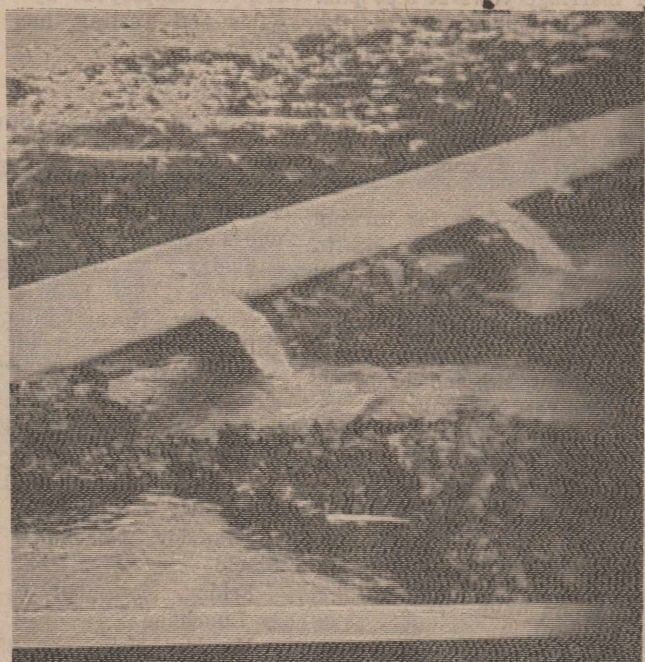

The Caprock SWCD is governed by the local landowners through their elected representatives to the Board of Directors. The Board meets in regular session on the first Thursday of each month at 8:00 p.m. in the Soil Conservation Service office in Silvertown. The public is invited to attend all meetings.

The Board of Directors held 12 meetings this year with an average attendance of 67 percent. Membership in the Panhandle and State Associations of Conservation Districts was maintained. Support was given to the National Association of Conservation Districts as well.

**IRRIGATION WATER MANAGEMENT
A TOP PRIORITY**

With our irrigation water being depleted and energy costs soaring, many farmers are looking for new ways to use water more efficiently.

The District now has the equipment to run a complete efficiency test on any type of row or sprinkler irrigation system.

Sprinkler evaluations were run on five center pivot systems this year.

A total of 27,052 feet of irrigation pipelines were installed this year.

TERRACES — NEEDED MORE THAN EVER

Terraces currently protect several thousand acres of Briscoe County farmland. More are needed to conserve both moisture and soil.

A total of 49,831 feet of terraces were installed in 1982.

District cooperators are those landusers who have recognized the need for conservation on their land, and have joined with the district to develop plans for applying conservation measures.

- 2.) Total Acres in Operating Units.....559,346
- 3.) Number of District Cooperators.....506
- 4.) Acres Under District Agreement.....499,538

There were 527 services carried out on 263 farms and ranches.

New Plans were developed on 3,680 acres. Plans were updated on 21,399 acres. Active Cost-Share Contracts number 10. ACP referrals serviced number 25.

**CONSERVATION TILLAGE —
SAVING MONEY AND SOIL**

Changing our methods of farming may be difficult, but many farmers have found that there is a way to plow less and save more.

Reduced production cost is just one advantage of Conservation Tillage.

Over 100 people attended the Agricultural Equipment and Chemical Field Day in Silvertown, to learn how they could cut production costs with Conservation Tillage.

**FISH STOCKING PROGRAM
IS A SUCCESS**

Over 50 people participated in the District Fish Stocking Program this year.

With proper management, fishing should be better than ever in Briscoe County next year.

CLUB HEARS CRAFTS

PROGRAM IN PLAINVIEW

The Progressive Homemakers traveled to Plainview Monday, October 25, for their second meeting. The group enjoyed a meal at K-Bob's and then went to the home of Venita McGavock. Mrs. McGavock gave the club a tour of her lovely home and explained the many crafts that accent her house.

During the business meeting, final plans were made for the Halloween Carnival.

Hostesses for the evening were Marilyn Patrick, Roy Reed and Anita Ramsey. Members attending were Marsha Brunson, Michelle Francis, Bena Hester, Dorothy Martin, Ramona Martin, Roma Martin, Sue Martin, Pat McWaters, Beverly Minyard, Reba Self and JonEtta Ziegler.

AS A MAN THINKETH

Gerald Beasley

GLORIOUS SAVOR

If Mary's "precious ointment" had stayed in the alabaster cruse the house would not have been "filled with the odor of the ointment" (Mt.; Jn. 12).

Mary's concern was to pour it upon her Lord! Wretched, greedy Judas complained that the perfume could have been sold and the amount "given to the poor." But she broke the vase and poured it out, lost it, sacrificed it, and now the perfume fills all the earth!

One may keep his life, preserving it strictly for self. But if he empties it out in Christ-taught service he makes it a lasting blessing to the world.

I believe such genuine servants are in evidence. They are not seeking plaudits, but the aroma of their humble service is honeysuckle to fellow space pilgrims.

Possibly the rich fool of Lk. 12:13-21 had expensive notions from the finest men's shops, but the overwhelming stench would emanate from his ugly, ugly greed. He served only self.

Ray Thompson Implement Co.

did you know?

As partners of Southwestern Public Service Company, you, our customers, are invited to an open house at the new coal-fired power plant near Muleshoe, Texas. We hope you'll tour the plant, Tolk Station, November 20 or 21. Tolk is located about 10 miles east of Muleshoe, just south of highway 70. The open house will begin at 10 a.m. and continue until 4 p.m. on Saturday, November 20; then continue from 1 p.m. until 4 p.m. on Sunday the 21st. As our partners, you have helped SPS make energy decisions which built Tolk Station. Come see it.

Ben Green, Tolk Station Manager, Muleshoe.

It won't be hard to find Tolk Station. It can be seen across the plains from miles and miles away. The stack is 400 feet tall, and the structure which houses the boiler for the turbine generator is as high as a 20-story building. The great size is required for equipment large enough to supply the growing demand in our area for electrical power. Tolk can produce enough electricity for 225,000 people.

Dave Cavitt, Manager, Muleshoe.

We are proud Tolk Station's Unit No. 1 was completed for less than one-half of the national average cost for coal-fired plants. The 561,000-kilowatt unit began testing in June and began commercial service in August. Unit No. 2, which will be identical to Unit No. 1 at Tolk, is now being built and is scheduled for completion in 1985. Our own generation-plant design engineers help us tremendously in keeping down the cost of the plants. And that helps us keep down the rates you pay for electricity.

Henry Hamilton, Group Manager, Production, Amarillo.

For answers to your questions, call or write your SPS manager.

**You and SPS, partners managing electricity,
make the difference.**

Among those attending the funeral of their uncle, Gaston Owens, were the children and grandchildren of Mrs. Ollie McMinn, Mr. and Mrs. Melvin Watkins and Melanie of Canyon, Mr. and Mrs. Ben Shoemaker and Mrs. Anita Todd of Amarillo; Travis McMinn of Andrews and Mrs. Lenda Willis of Lubbock. After the funeral, all of these and Mr. and Mrs. Ewing Vaughan and Eural Vaughan, and the Ewing Vaughan's daughter, Mrs. Helen Youngquist of Lubbock, had the evening meal in the McMinn home. Friends had prepared the

School Children Participating In MS Read-A-Thon

An exciting new educational and fund-raising program, Read-a-thon, was introduced by the National Multiple Sclerosis Society in 1974. Because of the overwhelming enthusiasm that children, parents and educators have shown for the program, Read-a-thon today is being developed by MS Chapters and their volunteers throughout the United States.

Students in the Silverton School in grades 2-8 have the chance to participate in the MS Read-a-thon that began October 25 and continues through December 1, 1982. This activity, although not sponsored by the school system, is supported by the school Administration. Mrs. Shirley Reynolds, librarian, is the coordinator for the program.

On Friday, October 22, the children viewed a film on Multiple Sclerosis. This film educated them in the facts of a tragic neurological disease that afflicts over 500,000 Americans.

The Read-a-thon promotes a greater social awareness in school children at the same time that it motivates them to improve their reading skills. By reading books, these young Mystery Sleuths earn contributions for MS research and patient services. They are helping the MS Society discover the cause and cure for this disease, and they are also helping provide services for Multiple Sclerosis patients.

Using his sponsor list, the young Mystery Sleuth reader secures pledges of a specified amount of money, from 10c to one dollar or more for each book he reads during the reading period that the program is in effect. He reads as many books of his own choosing (but not school textbooks) as he can during the specified period.

When the program has ended, the Mystery Sleuth takes his list of books to each of his sponsors, and collects their pledges. Next, he turns in the sealed kit containing the money to the Read-a-thon coordinator, who then forwards all kits to the Panhandle Chapter of the National Multiple Sclerosis Society in Amarillo.

Following the completion of the collection period, the results will be announced at the school and in the newspaper. Each Mystery Sleuth then receives a thank you certificate from the MS Society. Prizes will be awarded to the three top readers and collectors. Also random drawings

CHIEF DAVIDSON

BECKY PENNINGTON

Couple To Marry In Dumas Dec. 19

Mr. and Mrs. Roy E. Pennington of Dumas announce the forthcoming marriage of their daughter, Angelina Rebecca, to Chief Billyburl Davidson, 4120 Prairie, Amarillo.

Her fiancée is a 1977 graduate of Dumas High School. She attended Texas Tech University, and is presently enrolled at West Texas State University. She resides at 2612 5th Avenue in Canyon.

The prospective bridegroom is the son of Mrs. Rue Davidson of Amarillo and Jim Davidson of Silverton.

The couple plans to exchange their marriage vows at 3:00 p.m. Sunday, December 19, at the First Baptist Church in Dumas.

The bride-elect is a 1981 grad-

will be held in each room that participated and completed the program.

The deadline date for turning in the contributions for MS to the coordinator, Mrs. Shirley Reynolds, is December 1, 1982. Please support these young Mystery Sleuths in their quest to help fight MS and to better their own reading skills.

**Delegates Report
On State
TEHA Meeting**

Southwestern Extension Homemakers delegates gave an instructive and educational report from the State TEHA meeting held in El Paso September 14-17 to members at the City Hall Thursday, September 28. They stated that 769 members from across the state attended workshops on Health, Cultural Arts, Legislation and Citizenship, and Texans' War on Drugs. A new learning session, Sexual Assault: The Victim and Her Family, was added for visitors.

A new scholarship of \$800.00, the Florence W. Low, is to be given in 1983, bringing to seven

have two sons, Kirk, 11, and Todd, 6. She is the daughter-in-law of Mr. and Mrs. Verlin Towe of Silverton.

Judy's other interests include artwork, handcrafts, softball, volleyball, golf, and she is active with her husband's and sons' sports as well as school activities.

BROCCOMOLI DIP

Water
Salt
2 cups raw broccoli pieces (1/2 lb.) or 1 10-ounce package frozen broccoli cuts or spears
1/4 cup sour cream
1-2 tablespoons finely chopped onion
1 tablespoon mayonnaise
2 teaspoons lemon juice
1/4 teaspoon curry powder
In a medium saucepan bring about one inch water to a boil over moderately high heat. Add 2 teaspoons salt and the broccoli; cover and cook 10-15 minutes until tender. Drain well. Put sour cream, onion, mayonnaise, lemon juice and curry powder in an electric blender or food processor; add broccoli and push down into sour cream. Cover and blend to a puree, stopping several times to scrape sides.
Taste and add more salt or lemon juice if desired. Makes about 1 1/4 cups.

TODD, JUDY AND KIRK TOWE

**Cooking Is
Special Interest of
Judy Towe**

Cooking is one of several interests for Allen, Texas resident Judy Towe. Judy is a homemaker and says she enjoys making dishes that are quick, pretty and different.

She was recently featured in the "Who's Cooking?" column in the Allen American.

Different is a precise adjective to use when describing Judy's Broccomoli Dip. "When people taste the dip, they will never believe it's broccoli," Judy says. She suggests serving the dip with rice crackers, zucchini rounds or with corn chips.

The former Judy Stephens, she is the daughter of Mr. and Mrs. Doyle Stephens of Silverton. Judy is the wife of Greg Towe, a pharmacist. The Towses

Among the out-of-town relatives and friends who attended the funeral services for Gaston Owens Saturday were Mr. and Mrs. Jim Starkey, Artesia, New Mexico; Mr. and Mrs. Frank Gattis, Mr. and Mrs. Joe Roberts, Mrs. Relda Tennison, all of Ab-

ilene; Mr. and Mrs. Olen Lane, Van Horn; Leigh Ann Lane, Midland; Mr. and Mrs. Bill Ebbs, Mrs. Olive Owens, Plainview; Carl Wayne Ebbs, Lubbock; Mr. and Mrs. Eddie Owens and Kami, Plainview; Mr. and Mrs. Charles Scott and Mr. and Mrs. Bob Brotherton, Seminole; Mr. and Mrs. Melvin Watkins and Melanie, Canyon; Mr. and Mrs. Ben Shoemaker and Mrs. Anita Todd, Amarillo; Mr. and Mrs. Clifford Youngquist, Lubbock; Mr. and Mrs. Ewing Vaughan, Mrs. Ollie McMinn, Eural Vaughan, Mr. and Mrs. Dwain Henderson, Wayne and Zane, Silverton; Mrs. Janet Henderson and Sonya, Gallup, New Mexico; Mr. and Mrs. G. the terrace is shaped and vegetated.

let for grade control. The dams are vegetated and usually fenced.

Dams are planned for erosion control and generally do not hold large amounts of water. The hole in front of the dam is filled with soil. Water flows to the dam without crossing any earthen fall. This helps prevent future erosion above the dam. Water is released from the dam through the pipe.

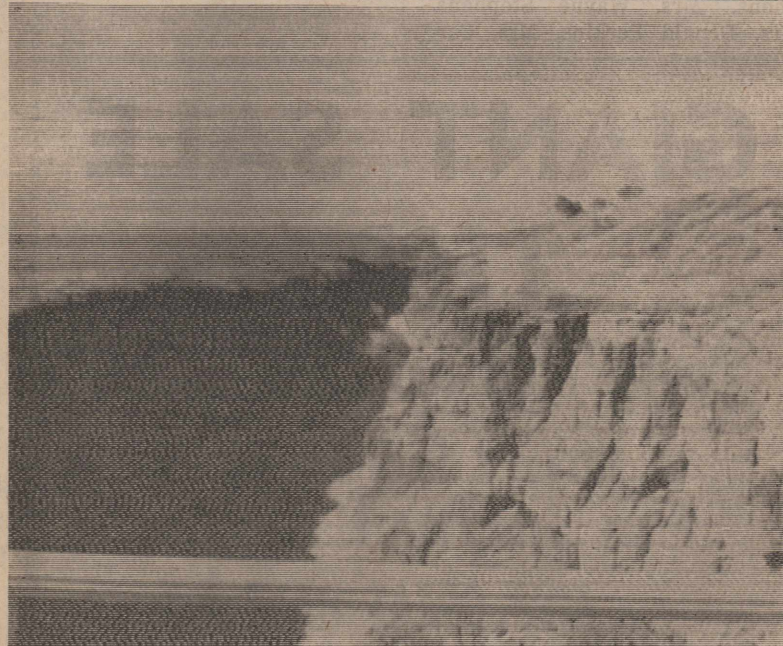

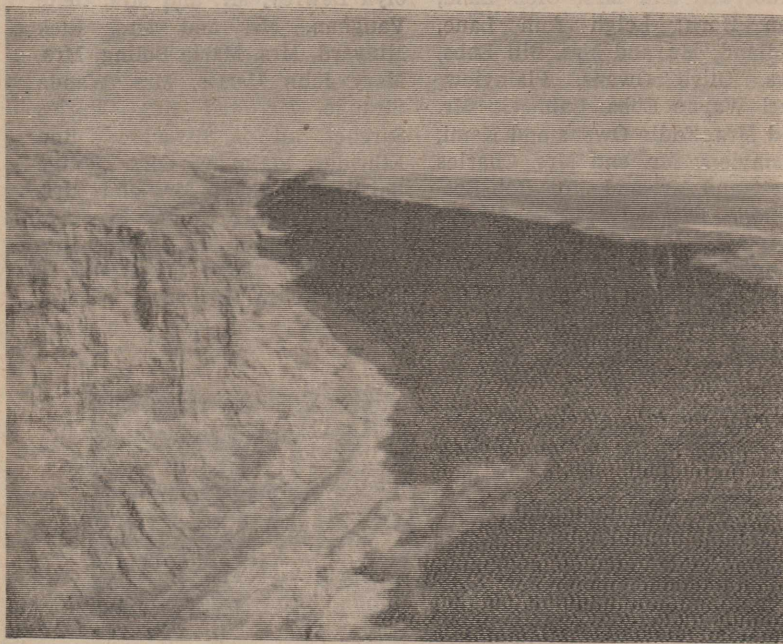

Fill material for the dam is normally obtained from below the dam. Any gullied area below the dam is filled or shaped. This aids in reducing future erosion and allows seeding of grass on the gullied area.

In some cases diversion terraces could be used to divert water from the gullied area rather than building a dam. When this is done, the gullied area below

Crowell emphasized that the RC&D program could pay for construction of these practices. Cost-share payments are about 80% of construction cost.

The Caprock Soil and Water Conservation District would be the RC&D sponsor for treating gullied areas on private land. An RC&D Measure Plan could be developed for several gullied areas needing treatment in the district. These gullied areas could be in a community with common problems or could be scattered in the district. All gullied areas would have preliminary designs and cost estimates made before including in the Measure Plan.

Contact the Briscoe County Soil Conservation Service Office in Silverton for additional information on the RC&D Program.

☆☆☆
New Conservation Program Treats Large Gullies

District Conservationist John Crowell announces a conservation program that is now avail-

able to treat large gullied areas on private land. Crowell stated that the Resource Conservation and Development (RC&D) Program has aided counties in treating gullies along county roads and that this program is now available on private land.

The main method used to treat the gullied areas is by the construction of dams. The dams are normally built with a pipe out-

God's Purposes

If you were having a picnic at the lake at approximately this spot, you might say, "Well, why did the engineers leave those trees in the water when they made this lake? They create such an eyesore. I can see no purpose in it." Yet, fishermen tell us that the fish love those old tree stumps and roots and that you can almost always find fish swimming in the dark recesses around and between these trees.

So many times we question God's wisdom in allowing some things to be and other things to come to pass. But God is good and his purposes are wise. The very thing that seems useless to us, might make us marvel if we could see with Heaven's eyes.

As Isaiah reminds us, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."

But he also wants us to know that his thoughts are many toward us and that everything works toward our good and our salvation. If we had no conflicts, and no questions, we would never have the opportunity to step out on faith.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Cards of Thanks

CARD OF THANKS "No one lives unto himself" was quoted by our pastor in his message to the Owens family Saturday afternoon, and that is so true. When we needed help, the churches at Quitaque and Silvertown were right there. Prayers have gone up to the throne of Grace from far and near. Our niece and her family were by our side every minute they could spare from their places of employment, even to the detriment of their own health. We met so many beautiful people in CCU who were in the same or similar circumstances and all were caring. God is so good. We have never heard a more beautiful service than the music, singing, and Bro. Mike's message was so fitting. I feel sure Gaston was rejoicing in Heaven. His pain was ended and Bill did such a marvelous job on his body. It is perfect now.

We all say "thank you" to each of you for the food and every act of kindness. Thanks for all the memorials. Thanks to Marcella Patterson, Nadine Baisden, Charles, Mary Ann and Beverly for keeping the newspaper open. Lottie Owens, Dwain, Shirley, Sonya, Wayne and Zane Henderson, Eddie, Diane and Kami Owens, Mrs. Olive Owens, Mr. and Mrs. Olen Lane and Leigh Ann, Mr. and Mrs. Bill Ebbs and Carl, Mr. and Mrs. Ewing Vaughan and family, Eural Vaughan, Ollie McMinn

CARD OF THANKS A warm and sincere thank you to each of you for the flowers, plants, food, cards and each expression of concern towards me and my family. To each of our competent ambulance crew and our devoted police force, I especially want to say thank you. Also, we are so thankful for each effort made by J. E. Patton, Jr. and Mule Grantham. I appreciate so much being remembered in prayers and the phone calls and each spoken word of concern. Words cannot adequately express all I feel. We are so grateful to live amongst the very best. May God's richest blessings be yours. Love, Kathi Hubbard and family

CARDS OF THANKS

We would like to take this opportunity to thank each individual and each church as a group for the prayers that were said in behalf of our baby, Rusty. We wish each of you could see the miracle that God has worked in Rusty's life as a result of your prayers.

We also would like to thank those who sent money to us instead of flowers as it relieved some of our pressures of having to live away from home. Thanks to each of you who brought food to the house or offered to have Dick over for a meal and took care of him while Joan was gone. We love each of you and thank God for Christian friends. Mitchell and Deana Roehr, Dick and Joan Roehr

We wish to express our thanks and appreciation to each and everyone who sat at the hospital with Gaston, for the food, calls, prayers, flowers and every act of kindness shown to us.

A special thank you to Fern and Charlie Parker and Carolyn Lowrey for keeping our boys. To Faye Perkins and Linda Minyard, thank you for all your help on the house and laundry. These things make it easier.

Thanks to Venita and G. W. Chappell for helping at the hospital on Thursday morning. We would not have made it without all of you.

May God be with you and your families. Dwain, Shirley and boys

The family of Buck Baird would like to express appreciation for all the food, gifts and prayers received during our loss.

We want to say thank you for all the cards, words of sympathy, prayers, food and every thought of kindness during the illness and death of our uncle and brother-in-law.

The food that was brought to the McMinn home for our evening meal was appreciated very much.

Ollie McMinn and family, Ewing and Louise Vaughan and family, Eural Vaughan

Dear Friends, Thank you so very much for your concern at the death of our mother, Mrs. Loyce Gill. We appreciate the flowers, food, cards and calls so very much. The John Gill Family
