VOLUME 75 NUMBER 16

COMMUNITY PROJECT—At work on the fence at the Silverton Cemetery are Silverton Young Farmer Advisor George Martin, SYF President Clinton Dickerson, and Calvin

Shelton. Cemetery improvement is a community project of the Silverton Young Farmers, and they were assisted in the project by members of the Silverton FFA.

Delinquent Tax Collections Are Subject Of Meeting

The board of directors of the Briscoe County Tax Appraisal District met April 14 to hear information presented regarding delinquent tax collections.

Present for the meeting were directors, L. B. Garvin, jr., Don Burson, Ray Teeple and Stan Fogerson, Mrs. Carlye Hill, chief appraiser, Larry Brandon and Brent Sherrod.

Chairman Garvin called the meeting to order and Secretary Teeple read the minutes of the last regular meeting and of a called meeting, which were approved by the board.

Mr. Brandon, attorney with the firm of Perdue, Brandon, Blair & Fielder, met with the board to give a progress report on delinquent tax collections. The appraisal district contracts with this firm for delinquent tax collections for Briscoe County, Silverton ISD, City of Silverton and Mackenzie Water Authority.

Mr. Brandon reported that on that day they were filing 14 individual tax suits in District Court and six tax suits in Justice Court. There are several others that are being worked up at this time. They also are filing "clean-

up" suits in district court which affect 17 tracts of land located within the city limits.

The board had several pertinent questions concerning policies, procedures, etc., and a lengthy discussion followed. Mr. Brandon offered several recommendations.

Mrs. Hill read the financial report and noted that March collections include Briscoe County, 91%; Silverton ISD, 91.2%; City of Silverton, 80.7%, and Mackenzie Water Authority, 81.6%.

Burson stated that he would contact the bank again concerning the NOW accounts, and the board will act accordingly at a later date.

Secretary Teeple reported that he received the approved County Contract for Assessment and Collection Services in 1983. A copy of the contract is on file in the Appraisal District Office.

Murry Wayne Morrison was chosen to serve on the 1983 Board of Review, with Pete Blankenship chosen as an alternate.

Cemetery Association To Have Annual Meeting

The annual meeting of the Silverton Cemetery Association will be held Thursday night,

April 21, at 8:00 p.m. in the Pioneer Room of the First State Bank. All interested persons are urged to attend. The donation reminder cards will be addressed.

The terms of Ashel McDaniel and Jewell Lyon are expiring on the board of directors, so an election will be held to choose two board members for three year terms. The other board members are Don Burson, Pascal Garrison, Carrie Dell Dickerson, John Francis and Carolyn Lowrey.

Clocks Move Ahead Sunday Morning

Daylight saving time begins Sunday.

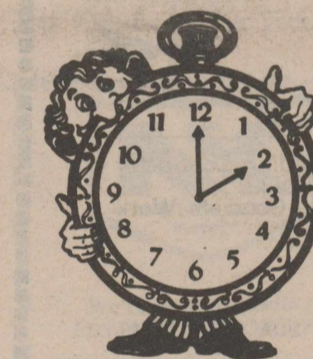

The time change, mandated by law, requires that clocks be set forward an hour at 2:00 a.m. local time on the last Sunday in April, and set back an hour to standard time at 2:00 a.m. local time on the first Sunday in October.

Remember the adage "spring forward, fall back" when you reset your clock.

Not everyone in the United States observes the practice.

Hawaii, Arizona, the eastern time zone part of Indiana, Puerto Rico, the Virgin Islands and American Samoa are excluded from having to make the change.

A move in Congress to expand the amount of time devoted to daylight saving time was unsuccessful last year, but it was revived this year and so far has gotten as far as clearing a House Energy and Commerce subcom-

mittee.

The proposal would provide an equal amount of daylight saving time on either side of the summer solstice, the first day of summer, by making it start on the first Sunday in March, two months earlier than it now begins. That would provide eight months of daylight-saving time and just four of standard time.

Silver Tea To Benefit Local Library

A silver tea for the benefit of the Silverton Library located in the basement of the county courthouse will be held Friday, April 22, 1983, from 3:00 until 5:00 p.m.

The public is invited and urged to help support the library, which is sponsored by The March of Time Study Club.

Fire Department To Meet Here Tonight

Silverton Volunteer Fire Department meets tonight (Thursday) at 7:00 o'clock.

All members are urged to attend to discuss this year's County Celebration.

Rabies Clinic Will Be Held April 29

There will be a rabies clinic for pets April 29 from 4:00 until 7:00 p.m. at the City Hall. Dr. Paul Glasson of Lockney will be giving the shots.

Fees will be rabies, \$5.00, City Tax, \$1.00, dog distemper, \$10.00, Parvo, \$7.50, feline distemper, \$10.00.

Animals must be at least three months old for the rabies vaccination and six weeks old for all other vaccinations.

TAMMI EDWARDS

Tammi Edwards Is First Runner-Up

Misti McElreath of Quitaque will reign over Bob Wills Day as queen of the April 30 celebration honoring Turkey's most famous son. Miss McElreath, daughter of Mr. and Mrs. Scotty Stark, topped a field of 15 contestants vying for the crown.

First runner-up was Tammi Edwards of Silverton, daughter of Mr. and Mrs. Fred Edwards, while second runner-up was Linni Salmon, daughter of Mr. and Mrs. Nolan Salmon of Lakeview.

Miss Congeniality was Sheri Chamberlain, daughter of Mr. and Mrs. Will Chamberlain of Clarendon.

Bob Wills Day begins with a dance April 29 and closes with another dance April 30, both featuring the western swing music of the former Bob Wills' Texas Playboys.

A parade, arts and crafts show, fiddle contest, Bob Wills movies and more are set for the 12th annual event, the highlight of which will be a western swing session by about three dozen former Texas Playboys.

Parents Of Athletes Asked To Meet

There will be a called meeting of the parents of all athletes—boys and girls in basketball, track, tennis and football—at the City Hall today (Thursday) at 5:00 p.m. to organize the Athletic Banquet.

Billy Don Stevenson and daughter, Sandra, of Bridgewater, Massachusetts, have been visiting relatives and friends here for 10 days. They returned home Sunday.

Young Farmers Enjoy Meal, Guest Speaker

Twenty members and six guests were present at the regular meeting of the Silverton Young Farmer Chapter on Thursday, April 14, in the vocational agriculture department.

Special guest speakers were Bob Lee of Terra Seed and Grady Wilson of FMC. The agricultural companies furnished a steak supper with all the trimmings. Following the meal, a film on herbicides and pesticides was

shown, and Lee spoke on the seeds available to the farmer this year from the Terra Seed Company which was formerly Hunt Seed.

The business meeting was conducted by the club president, Clinton Dickerson. The chapter voted to enter the Silverton FFA Volleyball Tournament May 9-10-12-14. The chapter voted to meet at 10:00 a.m. April 16 at the Silverton Cemetery to begin work on the fence. New pipe will

replace the old wooden posts and cable will replace the barbed wire. All members were urged to take part in this community project. The Silverton FFA members will be participating in this project.

Calvin Shelton reported on the dance floor. The chapter voted to give the committee the okay to act with the Silverton Volunteer Fire Department on the floor. A report was given by Wayne Stephens on the rodeo to be held August 11-12-13, with stock to be furnished by C Bar T Rodeo Company of Lubbock. Stephens also reported on the bands for the nightly rodeo dances.

The Silverton Gin will sponsor its annual fish fry Friday, April 22, in the Silverton School Cafeteria, beginning at 6:30 p.m. Members and their families were invited.

Kori Baird, daughter of Mr. and Mrs. Jerry Baird, was selected to represent the Silverton Young Farmers in the Bob Wills Day Queen Contest at Turkey.

Those attending the meeting were G. W. Chappell, Terry Chappell, Calvin Shelton, Jerry Baird, Tobe Riddell, Clinton Dickerson, Dave Patrick, Fred Hill, Bill Reid, Abel Asebedo, George Martin, Rick Hester,

Donnie Perkins, Hand Baird, Harvey McJimsey, Dale McWaters, Fred Brannon, Jeep Jarrett, Stephen Stephens, Wayne Stephens, Guinn Fitzgerald, Loyd Stephens, Aaron Younger, and the guest speakers, Bob Lee and Grady Wilson.

Mr. and Mrs. M. G. Moreland enjoyed having their family home for Easter. They included Mr. and Mrs. Bill Cox of Lubbock and daughter, Leslie of Texas Tech, Mr. and Mrs. Morris G. Moreland of Amarillo and daughter, Brenda, who attends Baylor University at Waco.

OBITUARIES

WAYNE HECKERSON

Funeral services for Wayne Heckerson, 66, of Scottsdale, Arizona, were conducted Monday at 3:00 p.m. at the Quitaque Church of Christ with the minister, Elgin Conner, and the Rev. Wayne Norman, pastor of the First United Methodist Church, officiating. Burial was in Resthaven Cemetery by Schooler-Gordon Funeral Directors of Quitaque.

Mr. Heckerson was married to the former Era Bob Eddleman. They had lived in California until his retirement, then moved to Dimmitt where they resided until his health became such that he and his wife thought a change to Arizona was imperative.

Survivors include his wife; four brothers and two sisters. He was a brother-in-law of Bryant Eddleman of Silverton.

Pallbearers were nephews, Richard Eddleman of Amarillo, Layne Cushenberry of Amarillo, Randall Eddleman of Matador, Charles Eddleman of Silverton, Bill Hickey of Dimmitt, Murry Wayne Morrison, Bobo Morrison and Joe Morrison, all of Quitaque.

KATE CROW

Funeral services for Mrs. Kate Crow, 93, were conducted at 2:00 p.m. Wednesday at the First Baptist Church in Silverton. Officiating was the Rev. Jene Greer, pastor of the First United

Methodist Church in Silverton.

Burial was in the Silverton Cemetery, with arrangements under the direction of Schooler-Gordon Funeral Directors of Silverton.

Mrs. Crow died Monday at the Tulia Care Center, where she had resided for the past eight years.

Born November 9, 1889 in Alvarado, she was the daughter of the late Howel and Nancy Griggs. She married Stanton Crow in June of 1919 in Alvarado, and they moved to Briscoe County in January 1921 from Johnson County. They purchased a farm and made their home seven miles east of Silverton in the Haylake community.

In 1950 they moved into Silverton.

She was a member of the First Baptist Church in Silverton.

Mr. Crow preceded his wife in death in May 1957. She continued to live in Silverton until 1975 when failing health forced her to move to the Tulia Care Center.

She was preceded in death by a daughter, Norma Lee, who died in infancy.

Survivors include one son, Virgil Crow, of Silverton; one sister, Ethel Hulsey, of Lubbock; and two grandchildren, Gary Crow of Galveston and Phyllis Crow Clark of Amarillo.

Pallbearers were Alton Ridell, Raymond Grewe, Gene Vaughan, J. C. Fowler, Clinton Dickerson and John McCammon.

CHARACTER TESTING

The Bible makes it clear that each of us is living a "probationary existence" on space ship earth. It is fact that our characters are formed and tested by life experiences.

Occasional shocking events plow into our lives to provide testing, but the routine of every day challenges reveals most about our real growth.

God judges not our abilities but our diligence and honesty in using what we are daily according to divine guidelines.

On the job, am I working dependably, doing my best? My vocation-involvement is a character test.

A husband is to love his wife as

Christ loved His church. The wife is to be subject to her husband. "Children, obey your parents." Fathers are properly to "nourish" their children. (Eph. 6:1-4) Some predict the demise of the family. The divorce trauma brutalizes many homes. Believe it! family responsibilities constitute

a character test before the heavenly Father. Terrible, widespread carelessness is apparent.

In every area of live the "wise" character-concerned person "heareth . . . and doeth" the Lord's words (Matt. 7:21-27). This makes for approved character before God.

Lighthouse Electric Sets Annual Meeting

The 44th Annual Meeting of Lighthouse Electric Cooperative, Inc. will be held at the Cooperative Headquarters on the Mator highway in Floydada Saturday, April 23, 1983.

Registration will begin at 11:00 a.m. followed by a barbecue lunch and noon entertainment by the Playa Playboys of Floydada.

The business meeting will be called to order at 1:00 p.m. by President Cecil Baxter. Two long-time directors of the Cooperative, Henry Scarborough of Petersburg and Tom Porter of Floydada, will retire from the board at the meeting. Two Lighthouse members, Gaylord Groce of Petersburg and Johnnie Turpen of Happy Union, have been nominated to succeed Scarborough. Jerrold Vinson and Steve Trowbridge have been nominated to succeed Porter. Also nominated for a position on the board is James Richburg of Lakeview in Hall County.

Entertainment for the children

will be provided during the meeting and door prizes will be presented at drawings throughout the meeting.

The Lighthouse Annual Meeting has traditionally been planned by a member committee appointed by the board of directors. Planning this year's annual meeting were Mr. and Mrs. Jody James of Floydada, Mr. and Mrs. Bill Hinkle of Floydada, Mr. and Mrs. Carlton Johnson of Lockney, Mr. and Mrs. Scotty Stark of Quitaque, Mr. and Mrs. Louie Bybee of Lockney, Mr. and Mrs. Gaylord Groce of Petersburg, Mr. and Mrs. Deryl Evans of Floydada, Mr. and Mrs. Billy Bowman of Estelline, and Mr. and Mrs. Bobby Barbee of Plainview.

Leslie Cox, granddaughter of Mr. and Mrs. M. G. Moreland, made the Dean's Honor Roll at Texas Tech University the first semester with a grade point average of 3.79.

Home Canning Safety Changes

The United States Department of Agriculture this week released new processing recommendations for tomatoes and tomato juice, applesauce, fruit purees and pumpkin.

To prevent food borne illness and the loss of valuable home canned foods, specialists with the Texas Agricultural Extension Service are urging home canners to follow the new USDA guidelines.

The USDA now recommends the following:

*The one-step, cold pack method for canning tomatoes should no longer be used.

*The hot pack processing time for canning tomatoes should be increased to 35 minutes for pint jars and No. 2 cans, and to 45 minutes for quart jars and No. 2 1/2 cans.

*The hot-pack processing time for canning tomato juice should be increased to 35 minutes for pint and quart jars, and for No. 2 and 2 1/2 cans.

*Strained (pureed) pumpkin and winter squash should not be

canned at home. Instead, cubed pumpkin and squash may be canned using a processing time of 55 minutes for pint jars and 90 minutes for quart jars.

*The processing times for applesauce and fruit puree should be increased to 20 minutes for pints, quarts, No 2 and 2 1/2 cans.

According to Marilyn Haggard, a foods and nutrition specialist with the Extension Service, the changes in canning recommendations are based on research conducted at land-grant universities and the Eastern Regional Research Center of the USDA.

"The recommendation to more than triple hot-pack processing times for tomatoes was based on research which indicated that shorter times could be insufficient under certain conditions," says Ms. Haggard. Insufficient processing could allow botulism organisms to survive the heat treatment, grow and produce harmful toxins, she explains.

"We consider this especially

important since tomatoes are the most popular type of produce for home canning grown by Texas gardeners," says Ms. Haggard.

Poor heat penetration through dense foods and the high heat resistance of a particular mold led the USDA to recommend increased processing times for applesauce and fruit purees. They also recommend that strained (pureed) pumpkin and winter squash no longer be canned at home for the same reason.

"Those wishing to have strained (pureed) pumpkin or winter squash ready for making pies or casseroles should consider freezing the puree instead," says Ms. Haggard.

"Now is the time to correct Extension bulletin, B-194, 'Home Canning . . . Fruits and Vegetables,' or other instructions before the canning season begins," she adds.

FOR MY AUNT TED

(I received this poem from the former Clenda Joyce Arnold. I would like to share it with my Silverton relatives and friends.)

Bettye Ruth Williams)

They tell me that you've gone.
But I will not believe it.
I never got to say goodbye.
As for me—our relationship goes on.

Had I been given the chance
To tell you how I feel about
Your influence on my life
You'd know how you made my heart dance.

My heart danced when you stayed up late
To stitch and sew that special dress

That made me stand out from the crowd
And told the world, "Someone thinks I'm great!"

My heart did a jig and laughed aloud

When you'd lie back on the couch
And tell stories of long ago.
You made me feel happy and proud.

You showed your love in so many ways.

Your sense of humor was priceless.

You understood so many things
Like when to criticize and when to praise.

According to bloodlines and legal papers

You owed me not a thing
But you gave me loving care and attention

And stood by me through childhood capers.

They tell me you've gone away.
But I will not accept it.

We both know that face-to-face
We'll talk it all over someday.

Lovingly written by
Clenda Morehouse

FEEDING GARBAGE TO TEXAS SWINE

Food waste to be fed to swine in Texas should be treated properly before feeding to prevent disease problems, says a swine veterinarian with the Texas Agricultural Extension Service, Texas A&M University System.

Regulations prohibit the feeding of garbage to swine unless heat treated at a licensed facility. Treatment consists of boiling food waste for at least 30 minutes. Food waste from ordinary household operations fed to swine on the same premises is exempt.

ROLLING PLAINS PCA ANNUAL MEETING IS FRIDAY, APRIL 22

The annual Stockholders Meeting of the Rolling Plains Production Credit Association will be held Friday, April 22, 1983, in the City Auditorium at Childress, and Saturday, April 23, 1983, in the Stamford High School Auditorium with registration beginning at 10:00 a.m. This marks the beginning of the 50th year of the production credit system.

The highlight of this year's Stockholders Meeting will be the showing of a film, "AgriAmerica 2003 A.D." This 20 minute film illustrates how technology will change farming and life in rural America in the 21st Century. It was shown for the first time at a national meeting in Kansas City on March 11, 1983, which began the celebration of the 50th Anniversary Year.

Two directors will be elected during the business session of the meeting. Garon Tidwell of Munday was nominated for re-election and John L. Grindstaff, jr. of Knox City will be opposing him. For the second position, Dan Henard, jr. of Wellington was nominated for re-election with Billy Ferrel of Estelline opposing him.

Other members of the current board of directors are W. J. Boykin of Northfield, chairman; W. H. Williams of Spur, vice chairman, and B. H. DeBusk of Anson.

Agricultural credit needs of this area are served by Rolling Plains PCA with offices located in Stamford, Munday, Spur, Matador and Childress.

with a back ailment for quite some time.

David Schott Named Outstanding Ag Student

David Schott, son of Mr. and Mrs. John Schott of Silverton, was recently named winner of the 1983 DeKalb Agricultural Accomplishment Award. The award, sponsored nationwide by DeKalb AgResearch, Inc., is presented to the agriculture student attaining the highest degree of proficiency in scholarship, leadership and a supervised agricultural program.

Schott is vice president of the Silverton FFA Chapter, is class president and a member of the Silverton High School athletic team. His agricultural program consists of registered Beefmaster cattle, registered Suffolk and commercial Columbia ewes, along with commercial swine and some farming.

As this year's DeKalb Agricultural Accomplishment Award winner, Schott receives a pin and certificate, and his name will be inscribed on a special plaque displayed in the vocational agriculture classroom. Previous winners include Brent Grabbe, Bry-

an Schott and Rank Cogdell. The award, often considered the highest honor a vo-ag student can receive on the local level, is presented in more than 4,000 schools annually.

DeKalb is a leading supplier of hybrid seed, poultry and swine breeding stock, irrigation equipment and grain and livestock marketing services. The company maintains the largest commercial genetic research program in the world.

COIN TELEPHONE USERS FACE CHANGE

As of April 1, 1983, coin telephone users wanting to charge a long distance call to a third number will be subject to having the charges approved by someone at the third number.

The verification procedure is being initiated to help eliminate fraudulent billing of long distance calls and ensure customer protection from having unauthorized charges appear on their monthly

statements.

Under the new procedure, if an individual at the third number does not answer and approve the charges, the caller will be asked to provide alternate billing, such as another third number that will approve the charges, a valid calling card, a collect call or correct change to pay for the call.

Jimmy Bennett, General Telephone Operations Manager in Memphis, said, "Customers who frequently use public coin telephone facilities for third number billing may find that the calling card may represent an attractive alternative. Besides being faster and more convenient than the third number and collect calls, most calling card calls are cheaper." In a growing number of locations, customers can direct dial calling card calls without operator assistance from public telephones. The calling card also provides the customer with a printed monthly statement of long distance calls placed.

Customers can call their local telephone business office to obtain a calling card. There is no charge for the card.

and perfection is no trifle."

Stevenson Reunion Held In Silverton

The descendants of R. F. Stevenson, sr. and Mary Folley Stevenson gathered in the Silverton School Cafeteria April 9, 1983, with plenty of food and gab.

The Stevensons, with their nine children, Eph, Bob, Ab, Buelah, John, Walter, Turner, Lizzie and Lucy, left Seymour and arrived in Silverton on March 11, 1892. Another child, James Bell, died at the age of six. The only surviving child is T.

S. (Turner) Stevenson, sr., 96, of Canyon. There are 35 grandchildren, with seven deceased. The eldest grandchild, Hugh Braly, son of Hugh and Buelah Braly, sr. of Port Isabel, passed away March 13, 1983. Jim Stevenson, son of R. F. and Minnie Stevenson, jr., passed away January 14, 1983. Only 13 first cousins attended the reunion, mostly due to the weather.

The registration table was laid

with a blue linen cloth on which all the Stevenson brands were embroidered in white, made by Jack and Jean Stevenson and Maebelle Spielberger, all of whom live in California. The pot plant was given by Mrs. Frances Crass. Mrs. Iris Graham of Amarillo, a friend of the family since 1925, presided at the registration book. Mrs. Graham came from Lockney to work for Judge Wright, County Judge at that time, and R. E. Brookshier, County Tax Assessor.

Those attending the reunion were:

Eph Stevenson's children: Toby and Shirley Stevenson, Tulia;

Bob Stevenson's children: Jet-tie Hardcastle and Sybil Stevenson, Silverton; Billy Don Stevenson and daughter, Sandra, Bridgewater, Massachusetts; Bertha Mae Allard, Silverton, and her daughter-in-law, Ruth Ann Spencer, and grandchildren, Terry and Chris Allard and Jo Ann Allard Molloy, all of Memphis; Gary, Sue Lynn, Cody and Leah Whitfill, Hereford;

Ab Stevenson's daughter, Gloria June, the 35th grandchild, her husband, Melvin Cood, and children, Dean, Caroline and Sarah, Enid, Oklahoma;

John Stevenson's daughter, Pauline, and husband, Ballard Clark, Plainview;

Walter Stevenson's family: Jack and Jean Stevenson, Santa Barbara, California, and Maebelle Spielberger, South Gate, California;

T. S. (Turner) Stevenson, sr. was present from Canyon, along with his family, T. S. Stevenson, jr. and wife, Jean, Amarillo; Nell

Stevenson Bright, Scottsdale, Arizona;

Lizzie Stevenson Smithee's family: R. C. and Kathleen Green, Turkey; Gordon and Einell Montague, Plainview; Chester and Gladys Strickland, Lubbock;

Lucy Stevenson Bain's son, Kenneth Bain, jr., Floydada.

Visitors attending included Agnes Allard, Angie Stark, Tulia; Dr. and Mrs. Frank B. Duncan, Iris Graham, Montene Merchant, Robbie Martin and Cornelia Moore Frazier, all of Amarillo; C. B. Garrison, Las Cruces, New Mexico; Max Burson, Plainview; Goree and Felicia Applewhite, Lockney; Mr. and Mrs. Lee McMurtry, Muleshoe; Frances Crass, Mr. and Mrs. Edwin Dickerson, Mr. and Mrs. D. T. Northcutt, John, Mary, Venita and Roland Asebedo, Sybil Martin, Mitch Martin, Iris

Burson, Roberta Griffin, Mary Rampley, Blanche Newman, Bes-sie Garrison, Ashel McDaniel, Rhett Montague, Carl and Dorothy Bomar and Alton Steele, all of Silverton.

The group had a wonderful time visiting, but was very tired when the day was over. They all plan to meet again next year in Silverton, and hope the weather will cooperate better and many more will be able to attend.

Billy Don Stevenson and daughter, Sandra, came the furthest distance to attend from Bridgewater, Massachusetts. T. S. Stevenson, sr. was the eldest one attending, and Leah Whitfill was the youngest in attendance.

Mr. and Mrs. Charles Sarchet visited in Lubbock Saturday with Mr. and Mrs. Ken Sarchet, Brandon and Jordan.

Some 15,000 Japanese and American youth have shared their home and their lives through this program.

In 1979, six families in Silverton hosted five Japanese youth and one adult chaperone. All families reported an enriching experience.

The 25 youth who are between 12 and 17 years of age will arrive in Texas July 22, and return to Japan August 22.

4-H families who would like to participate in this exchange program should call the County Extension Office, 823-2343, or come by the office in the courthouse basement to fill out an application form.

A marine (as in ocean, not the branch of service) education camp for 13-19 year olds will be held June 1-4 at the Texas A&M University campus in Galveston.

The camp is open to 4-H members, scouts and other youth programs as well as adults who work with these programs.

The camp activities include class and lab sessions in saltwater fishing, beach animal identification, ocean research techniques, recreational and commercial diving, marine survival, fish biology, etc.

Tours are scheduled to fisheries facilities, SEA-ARAMA Park, Galveston Island State Park and others.

Cost of \$75.00 for youth and \$50.00 for adult volunteers includes dorm rooms, meals, tours and instructional supplies.

A \$25.00 deposit is due before May 9.

CONSUMERS MAY BE UNAWARE OF HAZARDS

"Consumers are often unaware of the hazards of electrical appliances," says Nancy Granovsky, a family resource management specialist with the Texas Agricultural Extension Service, Texas A&M University System.

To avoid potential danger, the Association of Home Appliance Manufacturers (AHAM) and Underwriters Laboratories (UL) now warn consumers to always unplug any small electrical appliances after using them, says Granovsky.

Don't assume that if the switch is "off" there's no danger of electrocution. This may not be true if the product comes into contact with water.

Electrocutions may occur in kitchens, bathrooms or outdoors—anywhere near water sources.

Never use any electrical product while bathing or put it where it can drop or be pulled into the tub or sink. If the appliance accidentally falls into the water, don't reach into the water for it. Unplug it immediately at the wall outlet.

Never leave a small portable electrical appliance within the reach of small children. Children left unattended could pull the plugged-in, but switched-off appliance into the tub or sink and risk being electrocuted.

According to Granovsky, the Texas Agricultural Extension Service is cooperating with the AHAM and UL in their nationwide effort to promote product safety.

"YOU TOOK MY PICTURE... AND I WASN'T READY!"

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CARDS OF THANKS

We would, once again, like to
thank each of you for your
prayers, the cards, phone calls
and visits while Elbert was in the
hospital and since our return
home. It means so much to live in
a community where people really
care.

May God richly bless each of
you for your thoughtfulness.
Elbert and Juanita

We would like to thank every-
one for everything they did to
make Little Dribblers a success.
Our work was made much easier
by your help and cooperation.
Mike Mercer, president
Patsy Towe, sec.-treasurer

RECYCLING ALUMINUM CANS PUTS CASH IN PANHANDLE AREA

Aluminum can recycling pro-
vides financial benefits, as well
as ecological benefits, for the
Panhandle area. Individuals and
organizations that turn in cans at
Budco Recycling Centers are
paid for their cans and that puts
money back into the Panhandle
Community.

Last year Budco Recycling in
Amarillo paid out over \$40,000.00
and Budco Recycling in Dimmitt
paid out over \$20,000.00. Thus,
the two centers put over \$60,000
back into the Panhandle Com-
munity.

For more information about
recycling call or visit the Budco
Recycling Center nearest you.

The Budco Recycling Centers
are operated as community ser-
vices by Budco, Inc., the Anheuser-
Busch distributor.

Salt used in its pure form
and in the many chemi-
cals derived from it, di-
rectly affects almost all
major industries. There's
salt in shoe leather, in the
dye of a hat and tons go in-
to the production of paper.
