Briscoe County News

THURSDAY, JUNE 23, 1983

VOLUME 75 NUMBER 25

Members of the Silverton Young Farmers, Silverton Volunteer Fire Department and others put a new concrete floor in half of the Briscoe County Show Barn Saturday. The rest of the concrete

will be poured Saturday, June 25, beginning at 8:00 a.m. Workers are needed to report to the site by 7:30 a.m. This will make the show barn usable for a wide variety of community acti-

vities, including Halloween Carnivals and bazaars, and will make it more comfortable for the stock shows and pig sales held there by the 4-H and FFA youth of the county.

County Appraisal District Has Regular Meeting

The regular meeting of the Briscoe County Appraisal District board of directors was held June 9, 1983, with directors Joe B. Mercer, Ray Teeple, Don Burson, Stanley Fogerson, Chief Appraiser Mrs. Carlye Hill and Mrs. Rita Moseley present. Absent was director L. B. Garvin, jr.

Secretary Teeple read the minutes of the May 13 regular meeting and the called meeting of May 23 after the meeting was called to order by Vice-Chairman Mercer.

The financial report was given by Mrs. Hill. Following the discussion on surplus funds, Fogerson moved to waive the last quarterly payments for 1982 from the taxing entities. The motion carried.

The Briscoe County Appraisal District audit, prepared by Mrs. Moseley of Denzil McMillan & Co., was reviewed and accepted.

Fogerson moved to accept the recommendations presented by Mrs. Moseley and make them a part of the policy of the tax office. The motion carried.

Mrs. Hill presented the pro-

posed 1984 budget, and following examination of the budget, it was accepted by the board.

Burson moved that the Budget Hearing with the taxing entities be held Thursday, June 23, at 9:00 a.m. in the county courtroom. Motion carried.

The 1982 collections through May were reported by Mrs. Hill as: Briscoe County, 94.5%; Silverton ISD, 94.0%; City of Silverton, 83.7%; Mackenzie Water Authority, 89.1%.

Following examination of the 1983 ag and market values, the motion was made by Teeple and carried to recommend for consideration to the Appraisal Review Board the 1983 land value schedules presented by Mrs. Hill and to attach the schedules to the minutes.

Mr. and Mrs. Donald Sarchet of Amarillo, Mr. and Mrs. Kerry Sarchet of Plainview, Mr. and Mrs. Kim Sarchet, Rhiannon and Jennifer of Snyder, Mrs. Elizabeth Skelton of Lubbock and Mr. and Mrs. Charles Sarchet spent the weekend at Lake Mackenzie.

Senior Citizens To Have Picnic At Lake

Silverton Senior Citizens will meet at the group shelter on the south side of Lake Mackenzie at 6:30 p.m. today (Thursday, June 23) for a picnic.

Those who need a ride to the lake are asked to meet at the Senior Citizens Center at 6:00 p.m.

ADULTS ARE NEEDED TO ASSIST WITH 4-H CLOTHING PROJECT

Adults are needed to help with the 4-H clothing project. The District Fashion Revue is set for August 5.

A County Fashion Revue will be planned for late July when the leaders schedule it.

Call Lynda Fogerson at the County Extension Office, 823-2343, if you could help with a group.

July 11-15 are reminded to turn in \$52.50 to the Extension Office by July 1, or their names will not be sent in.

Members of the L. O. A. Junior Study Club will have a gigantic Garage Sale June 24 from 9:00 a.m. until 5:00 p.m. and June 25 from 9:00 a.m. until 12:00 noon.

This will be held in the old drug store building, between LaHacienda and Jack's Pharmacy.

This is an event you won't want to miss!

PIK Improves Cotton Picture

The previously gloomy cotton picture has done an about-face due to the government's PIK (payment-in-kind) program and an increase in domestic usage.

But Mother Nature will have a lot to do with whether or not the strengthened cotton market will continue, says an economist with the Texas Agricultural Extension Service, Texas A&M University System. Because cotton supplies are still plentiful, the market price may drop to near the loan rate at harvest time. So, farmers should consider forward contracting or hedging in the futures market some of their crop during periods of market strength.

TIME TO REGISTER FOR ELECTRIC CAMP

4-H'ers at least 14 years of age who want to attend 4-H Electric Camp at Cloudcroft, New Mexico

The Mackenzie Municipal Water Authority pipeline is being laid from Rock Creek to Silverton

now. Even though it will probably be more than a year before Mackenzie water comes into the

Silverton water system, this will guarantee a dependable source of municipal water for the city.

OBITUARIES

LEE OSCAR WEAKS

Funeral services for Lee Oscar Weaks, 62, were conducted Friday at 2:00 p.m. at the Calvary Baptist Church in Tulia, with the Rev. James Sain, pastor, and Rev. A. C. Hamilton, pastor of Finney Baptist Church, officiating.

Burial was in Rose Hill Cemetery at Tulia, with arrangements directed by Wallace Funeral Home. Pallbearers were Richard Sanders, Jack Strange, Ed Rawson, Ray Barbour, Ed Shelton and Dwane Love.

Mr. Weaks died at 6:52 p.m. Wednesday at Central Plains Hospital in Plainview, where he had been a patient since undergoing surgery several weeks ago.

Born March 1, 1921 in Snyder, he moved from there to the Swisher-Briscoe county area in 1933. He married the former Elvira Wesley February 24, 1946 in Tulia. A long-time farmer in both Swisher and Briscoe counties, he was a member of the Calvary Baptist Church.

Survivors are his wife, Elvira; his mother, Mrs. Olga Weaks of Friona; two sons, Gary Weaks and Victor Weaks, both of Silvertown; two sisters, Mrs. Zora Gaede of Friona and Mrs. Mary Honaker of Archer City; and five grandchildren, Robby, Leslee, Lindsey, Jeffrey and Misti, all of Silvertown.

The family suggests memorials to the American Cancer Society.

MEN'S SLOW PITCH TOURNAMENT TO BE HELD IN CANYON JULY 16-17

Entry fee is \$95.00. Entry deadline is July 12, 1983.

For more information, contact Tournament Director Brenda Marshall, WT Softball Coach, at 656-2651 (office) or 655-4204 (home).

Getting Around When Your Car's In The Shop

Picture yourself in this situation: You take your car to the shop for maintenance and you find that the parts you need will be unavoidably delayed.

Are you confident that the shop has a car available for your use? Many shops don't.

Taking the uncertainty out of such situations is a major goal at Subaru. Participating dealers are helping customers through a timely program that offers a loaner car in the unlikely event that a customer must wait for certain parts.

If a car is inoperative, unsafe or unlawful to drive and a parts delay prevents repairs within a certain time period, the customer may be eligible for a loaner. This program from Subaru is an effective way for companies to build customer loyalty.

It's a sure method of enhancing customer satisfaction.

Butler Wins SPS Sponsored Trip To National Convention

J. Dale Butler of Valley High School chapter of the Future Farmers of America is one of five young men who won Southwestern Public Service Company-sponsored trips to the National FFA Convention in Kansas City, Missouri in November.

Butler was a top student in the "Farm Motors" course at a three-day farm electrification workshop sponsored by SPS in Amarillo June 13-15. Eighty-four FFA boys and five FFA girls from Texas and New Mexico attended.

Vocational agriculture teachers who made up the workshop faculty selected the five trip winners on the basis of test scores and class performance. Also honored were Frank Jesko of Lazbuddie, Keith Williams of Mobeetie, Shad Kelley of Abernathy, and Brooke Owens of Artesia.

J. DALE BUTLER

The workshop was the 21st sponsored by SPS. It was the second ever in which girls were students.

The future farmers learned how to wire buildings, build and use electric controls, or how to build electric motors. They also were taught how electricity is made, and first aid and safety tips.

Adam West To Appear At Country Squire

Television's "Batman, the Caped Crusader," is headed for the Amarillo Country Squire stage in the person of Adam West, star of the smash TV hit of the late sixties.

West will appear at Country Squire through July 10 in the romantic comedy, "An Almost Perfect Person," which also features Laurel Adams and Dana Scott Galloway.

West followed his huge success as "Batman" with a steady flow of TV guest star appearances, pilots, feature films and stage roles.

He continues a busy schedule of guest appearances on such TV series as "Love Boat," "Fantasy

Five area vocational agriculture teachers paid by SPS taught the three courses. They were assisted by 10 adult FFA advisors and by SPS personnel.

The "Farm Wiring" course emphasized safe and efficient wiring of two-and three-way switches, proper wire splicing, and how to make a meter loop. The skills can be used in homes, barns, sheds, or other places electricity is needed.

Students in the "Electric Controls" course learned how to tie in three- and four-way switches, how to set up photoelectric cells for automatic lighting, and how to set up two- and three-pole relays.

The "Farm Motors" course taught students how to operate, repair and build small electric motors.

On the second day of the workshop, the students toured SPS' Harrington Station, the coal-fueled power plant northeast of Amarillo. The station has a generating capacity of 1,122,000 kilowatts.

Southwestern Public Service primarily provides electric utility service to a population of more than one million in a nearly 70,000-square-mile area of the Panhandle and South Plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle, and southwestern Kansas.

Island," "Laverne and Shirley" and others. Motion pictures include "Hooper" with Burt Reynolds, and "Time Warp."

Early years were spent as a cowboy on a ranch outside Walla Walla, Washington, and today West still participates actively in the management of his ranch in Washington State near the Columbia River.

Performances of "An Almost Perfect Person" run Tuesday through Sunday each week, preceded by buffet food service beginning at 6:30 p.m. For reservations and further information contact the Country Squire Dinner Theatre, I-40 at Grand, at (806) 372-4441.

Dr. Tim Brady Addresses Ambulance Volunteers Here

Dr. Tim Brady, who is the new director of the Panhandle Emergency Medical Services, was guest speaker for the Silverton Volunteer Ambulance Service Tuesday night of last week at the City Hall. Dr. Brady has recently moved from Albuquerque, New Mexico to Amarillo.

During the business meeting, members were elected to the board of directors to replace directors who are no longer members of the service. Helen Strange was re-elected to serve as a director and as the secretary-treasurer. Also elected to the board were James Edwards,

Bruce Tiffin and Riley Harris. The holdover directors are Anthony Kingery, President; Lynn Frizzell, vice-president, and Tom Burson.

The new EMTs were welcomed to the meeting, and protocol for the ambulance service was discussed.

Attending were Kingery, Frizzell, Edwards, Tiffin, Harris, Burson, Mrs. Strange, LaRue Garvin, Susie Tiffin, Sharon Pigg, Emmett Tomlin, Jim Estes, Danny Francis, Janice Hill, Dick Roehr, Mary Ann Sarchet, Van Breedlove, Shelly Harris, Della Boling, Larry Comer, Jarus

Flowers, Rick Minyard, Sandy Harris, Dale McWaters, Bill Boling and Alvin May.

The ambulance service meets on the second Tuesday night of each month.

AS A MAN THINKETH

Gerald Beasley

"GO DO LIKE HE DONE"

The new salesman's illiterate report stunned sales department brass. He wrote, "I seen this outfit which ain't never bought nothin from us, an I sole them a couple hunnert thousand dollars

of guds. I'm now going to Chawgo."

Before the manager could fire the bumpkin, another letter came, "I cum here and sole them haffa millyon."

Perplexed, the sales manager dumped the problem in the president's lap. The next day ivory tower members were flabbergasted to see the two reports posted with a stapled-on note from the president: "We ben spendin two much time tryin to spel instead of sel. Watch those sails! I want everboddy should read Gooch's letters, who is on the rode doin a grate job. Go do like he done!"

When confronted with a challenging endeavor in secular or spiritual matters, we may merely think, plan, organize, criticize, and detail pretty programs on

paper.

So very often there is need to stop paper-shuffling procrastination and simply "go do like he done!"

Gamble Family Has Birthday Party, Reunion

The family and friends of Loretta Gamble gathered in the Silverton School Cafeteria to help her celebrate her 70th birthday Sunday, June 19. Her actual birthday was June 17.

More than 80 registered and brought food for the buffet-style noon meal. It also served as a family reunion for the nine children and their families, her two sisters and four brothers and their families, 20 grandchildren and 12 great-grandchildren.

Some members came as early as Monday and have spent the time visiting relatives here and in nearby towns. Birthday cake was served after a picture taking session of family groups.

Children and their families in attendance were Elayne Anderson, Dylann, Kreig, Tommy and Misti Stidham, Kilgore; Gary, Margaret, Paul, Danny and Benny Elliff, Steve, Jeania, Steven, Steffanie and Brandon Stidham, Big Sandy; Vance and Nadyne Childress, Bobby and Karen Rice, Silverton; Dennis, Lisa, Melody and Vance Farley, Quitaque; Adron, Pam, Loreda and Kerri Gamble, Tulia; Norma, Kevin, Amy and Mike McDowell, Pleasanton; Wayne, Evelyn, Jody and June Warren, Tim Gamble, Stanley, Frances, Ann, Stan, Anthony, David and Jason Gamble, Silverton; Dan, Jackie, Daniel, Joshua Gamble, John and B. J. Barbee, Post; Freddy, Shirley, Ricky, Angela and Amanda Hitt, Monahans.

Brothers and sisters and their families were Adron and Melvina Johnson and their granddaughter, Patricia, Hale Center; their son, James, and grandson, J. W., West Columbia; Will and Maurine Shugart and Billy Surles, Odell, Will and Cora Johnson, Cleburne; R. S. Johnson, Hale Center; Don Johnson, Lubbock; James and Dorothy McKnight, Neosha, Missouri; and son and daughter-in-law, James and Diane McKnight, Odell.

Others attending were Betty Barbee, Abernathy; Mary Moore, Lubbock; Garner, Evelyn and Nora Watters, Brenda and Dystani Frausto, Tulia; Frances, Barbara and Billy Edwards, James and Donna Edwards, Silverton; Serena Layland, Amarillo; Mildred Mouser, Plainview; Joyce Brooks Drewry, Navasota; Janie and Katherine Werner, Houston.

Sarpalius Spends Hours In Filibuster For Farmers

State Senator Bill Sarpalius spent the last few remaining hours of the 68th Legislative Session fighting against a bill which would adversely affect Texas farmers.

"The farmers of this state are already plagued with serious financial difficulties. It would be extremely unfair to impose additional hardships on our farmers by passing a bill which would force them to pay a lot of money, which some of them do not have," Senator Sarpalius said.

Senator Sarpalius successfully fought against a bill which would have brought most farmers and ranchers under the state's worker's compensation law. The Senator filibustered against the legislation for more than two hours Monday night. Senator Sarpalius filibustered for more than nine hours Friday night, when the bill was first introduced in the Texas Senate, by Senator Hector Uribe of South Texas.

Senator Sarpalius opposed the legislation despite strong lobbying efforts to pass the bill and despite Agricultural Commissioner Jim Hightower's support of the bill. Proponents of the legislation said the bill would affect a small percentage of Texas farmers. However, a large number of Panhandle farmers, who would have been affected by the bill, disagreed. "The bill would have hurt at least 30 to 40% of all Texas farmers," Senator Sarpalius said.

The Senator's filibuster forced

final defeat of the bill. "I'm happy the farmers of this state won an important victory Monday night. If the bill had gained approval, it would have forced some Texas farmers out of business," Senator Sarpalius said.

TRAVEL CAREFULLY ON FOURTH OF JULY HOLIDAY

The Regional Commander of the Texas Department of Public Safety called on drivers to use extreme caution in traveling the streets and highways in Texas during the July 4 holiday weekend.

Major Vernon Cawthon said, "We realize the added dangers of traveling by motor vehicle during holiday periods and want to

help motorists avoid the tragedy and suffering which could mar this otherwise happy occasion."

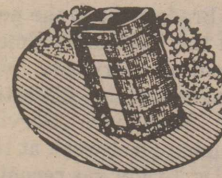

He pointed out that the DPS will be conducting its holiday "Operation Motorcide." He said, "We will continue to work with the news media to keep motorists posted on unusual traffic conditions and to advise them on where and why serious holiday accidents are occurring."

Cawthon said, "Excessive speed and driving while intoxicated continue as the primary law violations contributing to fatal accidents," and he warned, "DPS troopers have been directed to be especially watchful for motorists exceeding speed limits or under the influence of alcohol."

Cawthon also reminds motorists that many lives could be saved and serious injuries could be reduced during the crowded driving time through greater utilization of seat belts.

Try Carp Fishing For Fun-Food

For a fishing thrill, catch a carp.

Carp are generally plentiful, bite readily, are an excellent fighting fish and offer variety for family menus, says a fisheries specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"The body conformation of carp can make even the most jaded fisherman think that he has latched on to a whale," says Dr. James T. Davis.

To help enjoy the thrill of catching one of these hard-fighting fish, Davis offers a few tips.

Find a fishing place around brush piles or ledges in a calm, secluded cove. Just below a dam is also an excellent spot to find carp, says Davis.

Fishing success can be improved by baiting the location with such materials as fermented grain, cottonseed cake, rotten potatoes or range cubes. Several dough baits can also be prepared. Scatter the bait at least six hours before you want to fish. Each baiting should be effective for about 24 hours.

To select tackle, choose at least a 15-pound test line and hooks of size eight or larger, suggests Davis. Big carp are usually caught on a size 4 hook. Fish on the bottom and have patience, because when carp begin to bite, they tend to mouth the bait before swallowing it. At the first steady pull, get ready for a fight.

Carp, like all fish, spoil easily, so gut and gill the fish as soon as possible, advises the specialist. Most fishermen bleed carp by cutting off the tail. Also, skinning the fish before cooking tends to reduce their strong flavor.

For the best cooking results, score the fish with a knife about every 1/8- to 1/4-inch. While deep fat frying is most popular, alternatives include baking, pickling, smoking or stew.

About 41 percent of the world's automobiles are American.

Popular Diets May Be Unsound

"Many of the millions of dollars that Americans spend on diet books, plans and products are a waste of money," says Marilyn Haggard, a foods and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University System.

According to Ms. Haggard, there are no scientific studies showing that any of these

popular diets are successful in the long run for most people. The best way to reduce is with a nutritionally balanced diet, moderation of eating habits, increased physical activity and the establishment of good eating habits, which will result in gradual weight loss, she says.

Although nutritionists, physicians and health educators recommend a balanced diet, popular diet plans often encourage an unbalanced intake of foods, says Ms. Haggard.

For example, some diet plans claim that carbohydrates are harmful and recommend eliminating them from the diet. Yet omitting the carbohydrates found in cereals and breads could cause a lack of thiamine, niacin and iron necessary for good health.

Other diet plans advocate over-consumption of particular food groups like protein or fruit, which cannot provide a variety of necessary nutrients, Ms. Haggard says.

A nutritionally balanced diet which results in a one- to three-pound weight loss per week is optimal for long-term weight reduction, says the specialist.

Fire Ant Control

Fire ants are continuing to plague all of the South and half of Texas, and their westward march continues. Well known for their painful stings and mounds that can tear up farm machinery, fire ants remain difficult to control, says an entomologist with the Texas Agricultural Extension Service, Texas A&M University System.

Mound treatment can be successful if done when ants are most active—during warm weather, late in the afternoon or evening when ants are foraging, and after a rain. Treat mounds with an approved insecticide diluted in water or use a granular insecticide. Apply with a sprinkling can or gallon-sized plastic jug with holes in the screw-on top.

Tack a pair of spools close together on a wall to make a broom or tennis-racket holder.

Trees more than 4,000 years old can be found in California's Inyo National Forest.

balcony of high-rise apartments, or next to walks and drives with reflected heat. All they need for survival is an occasional watering plus a little fertilizer every six weeks or so, says Janne.

Because of its resistance to heat, disease, insects and air pollution, the periwinkle makes an excellent plant for summer color in the inner city and is also an excellent choice for the country home or suburban landscape.

Graduates of 1933 Hold Fifty-Year Class Reunion

Saturday, June 11, 1983, the Silverton High School Class of 1933 held its fifty-year reunion with 44 present. It was a day of reminiscing for 19 class members, four teachers and the visitors who met at the Far East Restaurant in Plainview. Ware Fogerson gave the invocation. Einell Montague and Keltz Garrison acted as the

masters of ceremonies. Among the teachers of the class were E. R. (Dutch) Cleavinger, high school principal, coach and the freshman sponsor for the class; Mrs. C. L. (Miss Gladys Speer) Harris, Amarillo, senior sponsor for her third consecutive year as a sponsor of the class; Mrs. Ned Baird, Mrs. A. L. Kelsay and Mrs. Alvin

Redin. The teachers who were present surely helped to make the day a memorable one. The class began school on September 5, 1922 as first graders, 29 strong. From this group, seven went all eleven years together in the Silverton Schools. The members of this group never attended a class other than together. They were Faye Allard, Einell Smith, Ware Fogerson, Evelyn Crowe, Bailey Hill, Louise Buchanan and Ona Dell Guest. The headline of the Thursday, May 18, 1933 Briscoe County News read: "37 Will Be In Graduation Class, Paper Is Dedicated to Class."

Rev. Joe Strother, Methodist minister, presented the baccalaureate sermon on Sunday night at 8:15. The house was packed, and the address was well delivered. Commencement exercises

were held Friday, May 19, 1933 at 8:15 p.m. Judge O. R. Tipps was the speaker. This was the largest class in the history of Silverton High School. Two hundred and fifty extra Briscoe County News papers were printed for the class members to send out to their friends and relatives. Joe Lemons was valedictorian, and Matthew Watley was salutatorian. Mayvis Strickland had the highest average for the girls. Officers elected to guide the journey through the 1932-33 term were Joe Lemons, president; Gordon Montague, vice president; Alvin Wakeland, trea-

Mrs. Bailey Hill and Mrs. Louie Kitchens, Silverton; Alvin Redin, Mrs. Ruth Buchanan and Harley Redin, Plainview; James Patton and Lallie Patton, Silverton.

Eleven members of the class are deceased: Joe Lemons, Faye Allard, Ellos Rowell, Mayvis Strickland, Louise Buchanan, Mae Williamson, Emma Lou Wynn, Fred Dudley, Matthew Watley, Foy Chitty and A. T. Brooks.

Copies from the 1933 Briscoe County News: "We congratulate each and every one of you! Your successful completion of your courses of study, plus the benefits of being associated with other forward-visioned students means much to you in your future happiness and progress. Our good wishes go to you in your efforts to make your graduation a worthy foundation for even greater achievements in the years to come. Heartiest congratulations."

The beautiful fiftieth anniversary cake was baked by Mrs. Louie Kitchens. Cookies and ice cream were served in the afternoon. An apple for the teacher was given to each teacher before everyone said their goodbyes. The class members hope to be able to get together again soon.

Class Of 1963 Has 20-Year Reunion

The class of 1963 held its 20-year reunion June 11 at the Caprock Canyons State Park north of Quitaque.

All but five members of the class were there for the occasion.

Those attending were David House, Garland; Norma (Gray) Williams, Weatherford; Bill Schott, San Antonio; Sue (Lanham) Dunham, Marlin; Louie Strange, Kress; Peggy (Mercer) Chase, Abilene; Jim Edd Steele, Thomas, Oklahoma; Marcalyn (Lee) Gregg, Amarillo; Jim and Sheila (Jarnagin) Reid, Amarillo; Lawrence (Butch) Norris, Auburn, California; Jay Towe, Stanley Fogerson and Fred Edwards, all of Silverton.

The class was honored by the visit of several guests in the afternoon: Jimmie (Reynolds) Ford, Brownfield; Jerry and Jealeta Baird, Faye and O. C. Rampley and G. W. Lee, all of Silverton.

Most brought their families along for the cookout, picture-taking and visiting. A fun day was spent sharing memories and

getting acquainted with each other's families. The group decided 10 years was too long to wait to have another reunion, so they agreed to get together every five years at least.

The class was treated to a "before the reunion" party in the home of Jay and Patsy Towe on Friday night for those who arrived early.

Named To Honor Roll At West Texas State

Honor roll lists at West Texas State University include 740 students for the spring semester.

The President's List includes 131 students whose grade point averages are 3.85 or higher and 609 students are named on the Dean's List for students whose grade point averages range from 3.25 to 3.84. A perfect grade point average at WTSU is 4.0.

To be eligible for inclusion on the WTSU honor rolls, students must have completed a minimum of 12 semester credit hours during the semester for which they are listed.

Students included on the President's List also are included on the dean's honor roll.

Honor roll students are listed for their academic achievement in their major areas in the School of Agriculture, College of Arts and Sciences, School of Business, College of Education, School of Fine Arts, School of Nursing and Graduate School.

Included on the Dean's List from Silverton are Denise Kellum, a junior elementary education major, and Dani Whitfill, a freshman art major.

Couple To Marry

Here August 20

Mr. and Mrs. David Tipton announce the engagement and approaching marriage of their daughter, Susie, to Gary Younger, son of Aaron Younger of Silverton and Mrs. Letitia Younger of Karnack. The couple is planning to marry at 4:00 o'clock in the afternoon on Saturday, August 20, at the First Baptist Church in Silverton.

Miss Tipton is a 1981 graduate of Silverton High School, attended West Texas State University,

and is presently employed by the Silverton Schools and Verlin B. Towe Agency.

Her fiance is a 1977 graduate of Silverton High School, and is employed by Thompson Implement Company.

Mr. and Mrs. Wayland Fitzgerald attended a Holland reunion in Amarillo recently. Holland was Wayland's mother's maiden name. Seventy-five cousins and their families attended.

4-H'ers Attend Annual Leadership Camp

Shellie Cornett and Jeannita Stephens represented Briscoe County at the District 4-H Leadership Camp on the campus of Western Texas College at Snyder last week.

4-H members from the 20 counties in the South Plains District participated in project groups on a subject of their choice. Shellie attended sessions on aerobics and Jeannita participated in candlewicking workshops.

Other camp activities included sports tournaments, flag ceremonies, recreation workshop, theme parties, swimming and folk games.

Lynda Fogerson accompanied the girls to camp, and Kim Cornett brought them home on Thursday.

RECORD BOOK TRAINING WORKSHOP IS FRIDAY

4-H'ers, parents and leaders are urged to attend the 4-H record book training workshop Friday at 1:30 p.m. at the City Hall in Silverton. The training will be repeated for the Valley 4-H Club at the Tommy Edwards home in Quitaque at 7:00 p.m.

Conducting the training will be 4-H Youth Specialist Dr. Martha Couch of Lubbock, who will explain how to keep 4-H information that can be put in the record book, the importance of citizenship and leadership activities in the record book, and the awards and scholarships that are based on completion of a 4-H record book.

Record books are not difficult to put together if 4-H'ers, parents and leaders understand what is required. 4-H'ers with a record book should bring it for help in adding to it.

The Romans are not known to have used soap. They used sand and skin scrapers to cleanse themselves.

Fitzgerald Reunion Held At Lake Mackenzie

Mr. and Mrs. Wayland Fitzgerald and local family members hosted a reunion at their home on Lake Mackenzie recently. Families from Fort Worth, Dallas, Clarendon, Canyon, Floydada, Littlefield, Tulia, South Plains and Levelland were present, including five sisters of Wayland.

The eldest family member was 84 and the youngest was five weeks old.

All reported a nice time.

Employed Women Returning To Home Sewing

Until recently, only about 20 percent of American women used their sewing machines twice a month or more. But economics has created a new interest in home sewing, says Ann Vanderpoorten, a clothing specialist with the Texas Agricultural Extension Service, Texas A&M

University System.

"When women can make a quality dress for 30 percent of what it would cost in the stores, they are bound to be interested," she suggests.

Even employed women are returning to home sewing as the pattern companies and fabric makers make their products more compatible with the working woman's lifestyle.

"They are aiming for the

customer who wants to make something simple and fast," she says. Home sewing has also gotten a boost from the recent interest in crafts. Research shows that 30 percent of sales in fabric stores now go toward crafts and home decorating materials, says the specialist.

The Federal Government is the largest single employer of women in the United States.

SAVE 20% ON A GAS GRILL

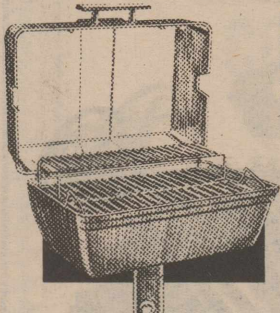

...JUST WHEN YOU WILL USE IT MOST!

Here's an opportunity to buy a gas grill at a big savings . . . and have the whole summer ahead to enjoy it. That's a real bargain! You will make the most of our great West Texas evenings and weekends cooking outdoors. Gas grills give food that wonderful outdoor flavor without the mess of charcoal or the bother of LP tanks. And, while you are having a hot time in the backyard, your kitchen stays cool. The money you save by buying now will put a lot of hamburgers and steaks on that grill. Now's the time to move up to gas grill cooking while prices are down.

Prices in this ad reflect corrections from those listed in Energas statement enclosure on gas grills.

America the Beautiful...

From the time that Columbus discovered America... men have thought of this country as something special. It was here that Ponce de Leon sought the Fountain of Youth, and men have long admired America's majestic mountains and beautiful valleys. However, the real beauty lies not in the land, but in the people. The people came... seeking a land where they could worship God in freedom, and under God developed a kind and loving spirit. This is what makes America beautiful.

Attend church regularly... help keep America beautiful.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

During the time of sorrow we learn how much our friends really mean to us. Your expres-sions of sympathy will always be treasured.

Charles and Mary Grantham

Thanks for all the prayers, phone calls, visits and flowers while I was in the hospital. Your friendship is greatly appreciated. May God bless each and every one of you.

Nancy and Ken Wood

The kindness and sympathy of our friends and neighbors in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all of your comforting acts. The family of Ted Reid

Thank you all very much for the cards, flowers, gifts, prayers, visits and phone calls since I've been ill—especially, a great big thanks to the Paramedics who came so quickly to help.

Thank you,
Thelma Reagan

A special thank-you to my friends, the Haylakers, for rem-embering me with a beautiful flower. I missed being at the reunion, my first one to miss. Look forward to seeing all of you in two years. My love to each of you.
