H. E. Squier Paving of Lubbock is retopping all of Silverton's paved streets at a cost of

\$62,000.00. The paving crew has been working here for about two weeks.

Mixed Drink Taxes Returned To Cities

State Comptroller Bob Bullock recently sent checks totaling \$11.8 million to 222 counties and 426 cities as their share of the state's 10 percent mixed drink tax collected during the second quarter of 1984.

Bullock said the state collected a total \$40.9 million in taxes on the sale of mixed drinks during the quarter, up 5.5 percent over the same period in 1983.

Texas cities and counties each receive a 15 percent rebate on the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drinks in the state.

The state's general revenue fund receives the balance—\$29.1 million—of the tax money collected.

The mixed drink tax is collected by the Alcoholic Beverage Commission and city-county rebates are sent out quarterly by the Comptroller's office.

Bullock said the mixed drink tax has brought in \$80 million so far during 1984.

The Texas Legislature recently increased the mixed drink tax from 10 to 12 percent, and decreased the city and county share of the tax from 15 to 12.5 percent, effective October 2, 1984, but the actual amount returned to cities and counties will not change, and the state will get the entire gain from the tax

increase, Bullock said.

Silverton's total city tax revenue totaled \$1,323.04 and the city's 15 percent remittance amounted to \$198.46. Quitaque's total city tax revenue was \$1,289.25, with \$193.39 going to the city.

Volunteers Needed To Assist Local Cancer Society

A project has been suggested for the Briscoe County Unit of the American Cancer Society to be carried out during the arts and crafts fair which is to be held during the Briscoe County Celebration on Thursday, August 9.

At this time, an effort is being made to determine whether enough volunteers would be available to help keep a booth in operation that day.

If you would be willing to work a shift in a booth (handing out literature and selling helium balloons), will you please call Mary Ann Sarchet at 823-2333.

Mrs. Perry (Estelle) Thomas returned home Sunday after recently undergoing major surgery at Central Plains Hospital in Plainview. She is continuing to recuperate at home.

Donations Needed For Celebration

Donations are needed for the barbecue to be held during the Briscoe County Birthday Celebration, and also for the tent which will be erected to shade those attending the celebration and homecoming activities.

The barbecue will begin at 5:00 p.m. Thursday, August 9.

The homecoming will be held under the tent on Saturday.

If you would like to donate to these projects, leave your money at First State Bank.

Addresses Needed By Homecoming Committee

At one time there was a record kept of addresses for each graduating class from Silverton High School. Somewhere along the line, these have disappeared. If you know anything about this, please contact the homecoming committee, Wayne and Tina Nance, Stan and Lynda Fogerson, Lynn and Kathy Frizzell.

The committee is asking that those mailing letters for their classes this year please give them a copy of your address list. This will make it a little easier for those mailing letters in future years.

Russell Bingham, 17-year-old son of Mr. and Mrs. Roy Wood of Silverton, was third-place winner of \$50 in the 0 to 60 age group in the fiddlers' contest held during the Tulia Picnic celebration recently.

Proposed Use Hearing To Be Held July 30

A proposed use hearing for revenue sharing money for Briscoe County will be held July 30, 1984 in the County Courtroom at 10:00 a.m. The public is invited to attend and participate. A special invitation is extended to all handicapped individuals.

Structural changes in the courthouse to achieve compliance with federal regulations will be discussed. Any individual who has a problem attending should contact County Judge Fred Mer-

cer for assistance, as he has been appointed coordinator to implement policy against handicapped discrimination.

A budget workshop for 1985 will also be held at this meeting. The 1985 salaries will be set, and the 1984 budget will be amended. The Commissioners Court will also discuss and decide about helping the City of Silverton repave Thirteenth Street to the cemetery.

Basketball Camp May Not Be Held If Enough Not Registered

Coach Kelly Braisher will be conducting a basketball camp for girls and boys in the fourth to the eighth grades August 13-17, 1984, if at least 20 are registered

by Friday, July 27. If there are not at least 20 registered, she will not have the camp.

Everyone interested in the camp needs at least to turn in their names by July 27.

The classes will be held, if there is enough registration, from 9:00 until 11:30 a.m. and from 1:00 until 4:00 p.m. in the Silverton School Gym. Sandwiches, soft drinks and candy will be sold at the concession stand, or campers may bring a sack lunch or go home for lunch.

Cost is \$50.00 each. Those interested in attending the camp need to pre-register by sending a \$25.00 deposit, their name, age, grade, sex and adult T-shirt size to Kelly Braisher, Box 121, Silverton, Texas 79257. Deadline for pre-registration is July 27.

dancing to the calling of Tom Aldridge of Amarillo Saturday, July 28, at 8:00 p.m. at Rex Tiffin's barn in Silverton.

Hosts will be Dale and Darlene Wilks, Bud and Glenda Couch, John and LaQuetta Schott.

4-H'ers To Meet July 30

A very important 4-H Club meeting will begin at 7:00 p.m. Monday, July 30, at the Briscoe County Show Barn.

Officers and program for 1984-85 will be discussed, as well as a float for the parade and a booth on parade day.

Parents are urged to attend because their ideas and help will be appreciated.

The 4-H Dance Club will meet after the 4-H meeting.

4-H is open to all boys and girls 9-19 years of age without regard to socioeconomic level, race, color, sex, handicap, religion or national origin.

Football Players Need To Get Physicals

Boys who plan to play football need to be getting their physicals from their family doctors. Some equipment will be issued on August 8, according to Coach Marvin Self, and the boys need to

bring their physical sheets with them that day.

Workouts begin August 13. Junior High boys need to bring physical sheets with them the first day of school.

LETTER TO THE EDITOR

Thank you for helping make our anniversary such a happy one by putting the article in about our anniversary. Was surely nice to hear from our old friends. We look forward each week to getting the Silverton paper; it's almost like a visit back home.

If you are ever in Quanah or Medicine Mound, stop in and see us.

Thanks a lot,
Gladys Brannon

LOOKING BACK
through the May 15, 1918 issue
of the Silverton Star

There was a very interesting meeting held at the court house last Monday to discuss the highway proposition, and some good talks were made by Attorney Zimmerman and County Clerk Simpson of Tulia, and also by Silverton parties. It being learned that it is possible that the State engineer will likely be over this route soon looking to the establishing of a state highway to the west, much interest has been renewed and our people are going after it with a vim, which means that Silverton is sure to get this route.

Quitague and Hall County are doing all in their power to land the Ozark Trail going from Plainview to the east, and also this one and with their aid combined with the other towns along the line, it looks like success is almost assured. It is worth getting after in earnest and we urge our business men to get in the harness and lets not be slackers in this great work of development. The local association was retained with the exception of only a change or two and a committee consisting of Jno. Burson, J. A. Bain, Walter Fogerson, Fred Bell and Minor Crawford was appointed to arrange for the reception of the State Highway Engineer when

he comes to look over the route . . . T. B. Hardcastle has purchased J. B. Blankenship's interest in the grocery store. IT'S A FACT!

Smokers who want to quit now have an effective aid—a chewing gum which contains nicotine obtained from tobacco.

The only effective pharmacologic aid to help smokers quit—Nicorette® (nicotine resin complex) from Merrell Dow Pharmaceuticals Inc.—has demonstrated long-term success rates of 40 percent or more—better than twice the record of other methods. Nicorette provides relatively constant blood levels of nicotine via absorption through the lining of the mouth, reducing nicotine withdrawal symptoms, yet avoiding the other dangers of cigarette smoke inhalation: carbon monoxide, irritating gases and carcinogenic tars. It's available by prescription only. Doctors have been provided with detailed information about this new and effective way to help you stop smoking.

New Law Releases FmHA Housing Funds

A bill signed by President Reagan July 2 enhances the use of funds for the single-family housing program operated by the U. S. Department of Agriculture's single-family housing program operated by the U. S. Department of Agriculture's Farmers Home Administration, J. Lynn Futch, FmHA State Director said. No additional funds are involved.

The new law clears up the division of loan funds that must be allotted to "very" low-income applicants and to those in the next higher bracket, low-income.

The earlier congressional re-

quirement that FmHA housing loans must be made so that 40 percent were constantly going to very-low-income people has been replaced so that now up to 40 percent of the funds available will be used for very-low-income families, Futch said. "This means that loan applications from both low and very-low-income rural applicants can be processed at the same time without regard to some arbitrary relationship between the two groups."

The new law divides available loan funds into two amounts, up to 40 percent for the very-low-income and the remainder for

BRISCOE COUNTY NEWS

low-income borrowers.

"That will revive our program substantially," Futch said. "We will now be able to process applications for both very-low and low-income people."

Very low-income is defined as not more than 50 percent of an area's median income. The low-income ceiling is 80 percent of the same income base.

THE INSIDE

Emerson wrote, "What lies behind us and what lies before us are tiny matters compared to what lies within us."

God is greatly concerned about our "within."

There is such a thing as being "filled to all the fulness of God" (Eph. 3). Paul, in vibrant compassion for needy souls everywhere, wrote, "as much as in me is, I am ready to preach the gospel . . ." (Rom. 1). There was a lot of Christ "in" Paul. Indeed, he affirmed that "it is no longer I that live, but Christ liveth in me" (Gal. 2). Paul had opened his "container," and God had "shoveled" him full! The esteemed Dorcas was "full of good works and almsdeeds" (Acts 9). Choice filling!

Sadly, some open their "containers" to ugliness. Bar-Jesus was "full of all guile and all villainy" (Acts 13). "... out of the heart come forth evil thoughts, murders, adulteries, fornications, thefts, false witness . . ." (Mt. 15). Therefore, "keep thy heart with all diligence; for out of it are the issues of life" (Prov. 4).

An old man aired and released many red, yellow, blue and orange balloons in the park. A small black boy, entranced at the spectacle, inquired, "Sir, if you fill a black one, will it go as high as the rest?" The reply, "Son, it's not the color that counts, but what's on the inside."

Three pairs of English rabbits were let loose in Australia in the middle of the 19th century. Within a decade, the six rabbits had multiplied into millions.

NOTICE

Energas Company hereby gives notice of its intent to implement new rates for domestic and commercial type customer classes in the 63 cities and towns on its West Texas City Plant System, effective August 10, 1984. It is anticipated that the new rates will result in an average increase of 7.7% to a domestic and commercial type customer in the West Texas City Plant System.

A Statement of Intent to change said rates was filed with each of the cities and towns listed below on or about July 6, 1984, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

INTRODUCTION TO PARLIAMENTARY LAW TO BE OFFERED

An introductory course in parliamentary procedure will be offered later this month by the Office of Lifelong Learning at Wayland Baptist University.

Designed specifically for members, officers and parliamentarians of area clubs and organizations, the course will meet on consecutive Mondays and Tuesdays beginning July 30 and running through August 13.

The five-session course is slated for 6:30 to 9:30 p.m. each of those days in Room 202 of the Harral Arts Center on the Wayland campus. J. B. Prior, WBU assistant professor of

speech and director of forensics, will instruct the class.

Topics for discussion include the proper ways to conduct meetings, parliamentary rules, and organizational structure. Cost is \$30 per person, and students will also be required to purchase a copy of the newly revised "Robert's Rules of Order." Utter's "Parliamentary Procedure At A Glance" is also suggested but not required.

Registration for the course is now open in Room 101 of the Lifelong Learning Center at 501 Smythe. Students may also register immediately prior to the first class session.

For additional information contact Dr. Billie Henderson, dean of lifelong learning, at 296-5521, extension 332.

**HIGHTOWER ATTENDS
WHITE HOUSE CEREMONY**

Congressman Jack Hightower recently attended a White House ceremony to observe the 30th anniversary of the Food for Peace Program which is important to the nation's farmers and U. S. foreign policy. President Reagan asked Hightower to attend the special East Room ceremony as part of a select group of national leaders recognized as promoters of U. S. agricultural exports.

"This program is really unique in the nation's history, and it's very important to food producers in our district because it helps move our farm commodities out into the world to hungry nations," Hightower said. "This program helps move our district's wheat and wheat products, cornmeal, dairy products and other commodities. It's an important program for economic, foreign policy and humanitarian reasons," Hightower said.

The Food for Peace Program, a part of the Agricultural Trade Development and Assistance Act of 1954, has been the basic food assistance vehicle of the United States. During the history of the program, almost 653 million pounds of U. S. farm products, worth over \$33 billion, have been moved out to more than 1.8 billion hungry people in over 100 countries. The program is aimed at opening new overseas markets for American farm products, helping nations develop into good trading partners for the U. S., and also providing important help to some of the poorest U. S. allies faced with domestic problems of drought, famine and malnutrition.

Hightower, a member of the House Select Committee on Hunger, is also a member of the Agriculture Subcommittee of Appropriations which has jurisdiction over the program. Hightower has been an advocate of expanded agricultural exports, and has had representatives of both Japan and South Korea in his Washington office to urge them to purchase more farm commodities and lower their import barriers.

"Rather than embargoing agricultural products, we need expanded exports to more and more trading partners," Hightower said. "This program helps us get a foot in the door market-wise, it promotes goodwill, lowers U. S. storage costs and helps reduce farm surpluses that tend to depress market prices."

With no ready cash to do business, the town of Tenino, Washington issued wooden money in 1932.

P.A.S.S. Has Picnic At Lake Mackenzie

The Prayer and Share Sisters invited their husbands to join them Thursday at noon for a picnic lunch at the J. D. Nance home on Lake Mackenzie.

The P.A.S.S. met that morning for their July study which was "Choosing the Good Part," and it was learned "the good part of life" is that which goes into preparing the immortal soul for eternity.

The devotional was a reading by Maebelle Francis, "The Lord's Army is Composed of Volunteers," and Glenda Francis gave "Be On Your Toes." Lois Nance read "It Isn't How Far You Live From Church."

The August meeting will be Thursday, August 16, at 1:30 p.m. with Maebelle Francis as hostess. Mrs. Francis will give a book review, and the group study will be "Troubled About Many Things."

Guests for the picnic were Alvie Francis, Wayland Fitzgerald, John Francis, Jordan Montague, Barry Francis, Jared, Nathan and Andrew Francis, Dave Francis and J. D. Nance.

CHILDREN'S RAINBOW PRESCHOOL NOW ENROLLING STUDENTS

The Children's Rainbow Preschool, directed by Gail Wyatt, is now enrolling for the fall semester. Enrollment deadline is July 27.

Classes for 2½ through 3½ year-olds will be held once a week from 9:00 until 11:00 a.m.

Classes for 3½ through five year-olds will be two days a week from 8:30 until 11:30 a.m.

The Children's Rainbow provides early childhood activities with songs, games, fingerplays, stories, group participation and many other learning activities. A snack is also provided.

Since enrollment is limited, only three openings remain, and curriculum needs to be ordered. Contact Gail Wyatt at 847-2570 if you are interested in enrolling your child or desire additional information.

Mr. and Mrs. Ken Sarchet, Brandon, Jordan and Molly of Lubbock spent from Friday evening to Sunday afternoon visiting in the home of their parents and grandparents, Mr. and Mrs. Charles Sarchet.

YOUTH ENJOY PARTY AT METHODIST PARSONAGE

Youth and friends of the Methodist Church met at the parsonage for an evening of fun and games Sunday. They divided into two teams and went on a Polaroid Scavenger Hunt, taking pictures at various locations around town. They met back at the parsonage for a cook-out and games.

Those attending were Donna and Tracy Tomlin, Julie Towe, Clay Mercer, Neal Edwards, Tara, Holly, Tina and Wayne Nance, Brad West, Kirk Towe, Juannah Woods, Kimberly and Keeley Burson, Rebecca Dimsha, Teresa Wyatt, Jeff, Bryan, Timmy, Jackie and Lanny Wheeler.

Believing that Holy Matrimony is ordained by God and in the spirit of Christian joy Mr. and Mrs. Claude Earl Jarrett request the honour of your presence at the ceremony in which their daughter Ruby Jo and Robert Marroquin Bidwell will now their lives to one another and become united as one in Christ Friday, the twenty-seventh of July at seven-thirty in the evening Duaker Avenue Church of Christ Lubbock, Texas

SHOULD CHILD BE ALLOWED TO EAT PEANUT BUTTER SANDWICH FOR BREAKFAST MEAL?

Should a child who refuses to eat his breakfast cereal be given a peanut butter sandwich instead?

Children's nutrition experts at Baylor College of Medicine say why not; it's not important what a child eats for breakfast, as long as it's something nutritious, like a peanut butter sandwich.

Good nutrition is vital during the growing years, but parents are often exasperated because children have special tastes which usually don't include vegetables or fish.

A new pamphlet from Baylor College of Medicine helps parents choose the right foods and teach their children about nutrition.

A child's nutritional requirements change as he grows, the

experts said.

An infant needs plenty of calories and nutrients from breastmilk or commercially prepared solutions because more physical and mental development occurs during the first year than at any other time.

A toddler sometimes doesn't want or need three full meals a day because he has a slower growth rate.

A school age child needs three nutritional meals a day because he is very active. But he is also choosing his own foods, so he needs to understand good nutrition. What he learns will carry over into adulthood, and bad nutrition can lead to heart disease, obesity, high blood pressure and dental problems.

Other suggestions the Baylor

experts had were:

—Don't make a child clean his plate. Serve small portions, and then let the child ask for more.

—Don't serve small children spicy foods that are too hot or too cold. They prefer mild-flavored foods served at room temperature.

—Don't buy expensive health foods. They are no more nutritious than foods from the four basic food groups—meats, fruits and vegetables, milk products and breads.

—Avoid putting a child on fad diets or high doses of vitamins. Neither will improve one's health and any vitamin is potentially dangerous if taken in high enough doses.

The children's nutrition pamphlet is part of Baylor's "We Care For You" health information program. Free copies are available by writing to "We Care For You," P. O. Box 13567, Houston, Texas 77219.

Skin Cancer Promoted By Exposure To The Sun

care in the sun."

Since skin cancer occurs more frequently than any other type of cancer, it is important to know its early warning signals: a sore that does not heal; change in size or color of a wart or mole. "If a symptom appears, the person should not try to wish it away or 'doctor' it himself," Mrs. Sarchet stated. "See your physician as soon as possible. Skin cancer is highly curable if detected and treated in time."

"That's why it is so tragic that about 7,000 people are expected to die of skin cancer this year," Mrs. Sarchet added. "They will be victims of a disease that is largely preventable and highly curable."

The American Cancer Society has available skin cancer leaflets and an educational film entitled, "Sense in the Sun." For further information contact the ACS office at 353-4306 in Amarillo.

Mrs. Sarchet said, "At this time of year the ACS advises people in Briscoe County to: Take sunshine in small doses; Wear a broad-brimmed hat and long-sleeved shirt; Use a beach umbrella; Apply a screening lotion or cream."

COUNTY 4-H FASHION SHOW TO BE HELD IN QUITAQUE

The public is invited to the Briscoe County 4-H Fashion Show Thursday, July 26, at 8:00 p.m. at the Quitaque Community Center.

4-H members from the Silverton and Valley clubs have attended clothing project meetings to learn about wardrobe planning, clothes buying, modeling, grooming and sewing.

Eighteen girls will compete in the four clothing categories with garments they have constructed in the project.

Judging will be held Thursday morning at 10:00 o'clock.

Adult leaders helping with the project for the Valley club are Juanita Gray, Janinne Brooks, Becky Lane and Margie Pinkerton.

Entries in the daytime non-tailored category are Andrea Hinojosa, Vera Pinkerton, Heather Gray, Celeste Sperry, Tracy Tomlin, DeLyn Patton, Christy Nease and Amy Ramsey.

Active sportswear participants are Lori Martin, Samantha Stark, Alecia Weir, Shadi Mullin, Audra House and Julie Towe.

Genie Seymour and Oleta Lane are entering in evening specialty wear.

Daytime tailored participant is Penni Fogerson.

Senior 4-H members in the fashion show are Melannie Daniels in the evening and specialty wear and Kristy Fogerson in daytime non-tailored.

4-H activities are open to boys and girls 9-19 years of age regardless of race, color, religion or national origin.

states, but rather will be an example for the remaining states to model their educational systems after.

The backbone of these new reforms is undoubtedly the approved increase in teacher salaries. Beginning teachers will now receive a base pay of \$15,200 per year. Experienced teachers will receive an increase of at least \$170/month. To ensure teacher quality, all current teachers will be required to complete an examination to test both basic skills in reading and writing and subject area knowledge. Teachers that have already taken an exit exam from teacher education programs or the Graduate Record Exam will be exempted. We believe that these two provisions will serve to attract the best and brightest pupils into the teaching profession by ensuring better salary and respect among the community.

A great portion of the reforms passed by the Legislature seek to strengthen the academic curriculum by ensuring that the primary part of the school day is used to instruct students in the basics of a solid education. One new reform instructs local school districts to adopt and strictly enforce a policy which limits interruptions during the school day for nonacademic activities (such as announcements and sales promotions). Another provision states that a student may not receive course credit for any class in which they have more than five unexcused absences during a semester.

The new law will also provide for prekindergarten classes for disadvantaged children, as well as requiring schools to offer half-day kindergarten classes. Attendance for these programs would remain voluntary on the part of the students. Class sizes will be reduced for kindergarten through grade 4 in order to assure that each child has the maximum opportunity for individualized instruction by the teacher.

State funding of our education programs will be increased to help meet the

Randy Clay Named Cage Coach At Plains

One of the South Plains most successful young coaches has joined the coaching staff of Plains High School.

Head Owl varsity basketball coach Randy Clay has accepted a

bid to become head high school basketball mentor at Plains, ending a highly successful four years at Hale Center.

The change was on a cordial basis. Hale Center was well

pleased with his achievement on the local coaching staff as well as his outstanding character and he and his family were happy in the Hale Center school system, but Plains, a AA school, was able to offer him unique opportunities he felt he couldn't afford to turn down.

Coach Clay has served on the Hale Center coaching staff four years, one year as girls junior high mentor and one year as assistant high school varsity coach before he was promoted to head varsity coach.

He was an outstanding rookie coach. His colorful underdog team gained a reputation for upsets and made a strong bid for the district title, upsetting the favorites. Finishing in second place behind Lorenzo, the Owls qualified for the state playoffs. In bi-district, the Owls stunned district champion Haskell, a heavy favorite, by one point to advance to the area playoff. The Owls lost to highly touted Memphis in a thriller in the area playoff.

Clay started his coaching career in an impressive fashion. His seventh grade girls team posted a perfect 12-0 record. His eighth grade girls which provided the key players for Hale Center's state finalist quintet this past season, posted a 13-1 record under his direction, losing only to Sudan.

He was promoted to assistant varsity basketball coach the next season, and the following season he became head varsity basketball coach.

A 1976 graduate of Silverton High School, he played quarterback in football and was an outstanding player on the Silverton cage team, winning a scholarship to Wayland Baptist University. He was forced to drop out of basketball at Wayland because of knee injuries.

He graduated from Wayland in 1980, and joined the Hale Center coaching staff that fall. He is the son of Mr. and Mrs. Lee Clay of Silverton.

He is married to an ex-Owlette basketball star, the former Kelly Maddin, daughter of Mr. and Mrs. Don Maddin of Hale Center. They have two sons, Kaleb, nearly four, and Joshua, who is 2 1/2. Mrs. Clay is also a graduate of Wayland and holds a teaching certificate. She plans to start teaching as soon as the boys start to school.

At Plains, Coach Clay will face several well-established powerhouses in district competition, including state champions Morton, Seagraves and Shallowater. New Deal and Tahoka are also members of the league.

Last season Plains finished with a 10-10 record. Coach Clay finished his varsity career at Hale Center with a 37-16 record.

CARDS OF THANKS

Words can't express our thanks and appreciation for making our 50th anniversary such a happy occasion by all the many beautiful cards, letters and

phone calls. It was so nice to hear from our old friends back home. Silverton is still a very dear place to us. Thanks again, Walter and Gladys Brannon Route 3, Quanah, Tx. 79252

We would like to say thank-you to everyone who sent flowers, cards, food, and for all the prayers offered for us at the loss of our little one. Your words of sympathy and your concern has helped us through it all. Special thanks to Jealeta Baird for relaying our message. We'd also like to say thank-you to the ladies of the Catholic Church who helped with the food preparation. Thanks to you all from the bottom of our hearts. The Alex Segura family

To all of my friends in Silverton, I want to say thank-you for all the cards, phone calls and flowers while I was in the hospital. I appreciated every one of them. I love all of you. Fannie Francis

Thanks to my friends for their cards, flowers, gifts and telephone calls while I was in the hospital and the food and visits since I've been home. Your thoughtfulness has been appreciated very much. Reba Tipton
