All Around
The Town

BY MARY ANN SARCHET

We received a very nice letter a few days ago from the Silverton Junior High and High School football teams, signed by Coach Rick Agee and all of the high school players.

Things like this make our day! It was awfully sweet of the boys and their coach, and we want them to know how much we appreciated it.

In the past, we have often taken our coaches for granted and have failed to thank them properly for all the help they give us when we are preparing the write-ups. We try to print the best write-ups of the games that we can, because lots of the players keep scrapbooks. That's why, during basketball especially, even if a player makes only one point in a game we want everyone to know it—and who knows! That may have been the point that won the game. There are the really big superstars who do a lot, and there are those who plug along, work hard, and seem to accomplish just a little; but it takes all of them to get the job done, and if you don't believe this, just try putting your best two players out there alone and see what happens.

The daily papers usually recognize the outstanding ones—but those who may need recognition more look to their hometown newspaper.

FFA To Sponsor Christmas Decoration Contest Here

The Silverton FFA Chapter will be holding an outdoor Christmas lighting/decoration contest.

There will be first, second and third place plaques given.

If you wish to enter, please leave your name and street address at the Briscoe County News or call the school office. If you live in the country, please give the location of your home.

The contest will be judged on December 19 beginning at 6:30 p.m.

Santa Will Be Here Saturday Afternoon

Santa will arrive by fire truck in Silverton at 3:00 p.m. Saturday and will meet with children at the courthouse. Be sure to have the children there at that time to visit with Santa.

Christmas Jubilee To Open Holiday Season

The sixth annual Old Fashioned Christmas Jubilee will be held in Silverton all day Saturday, December 1.

The L. O. A. Junior Study Club, originator of the project, sponsors the occasion for the purpose of officially opening the Christmas season in Silverton and promoting the sale of Christmas gift merchandise by local merchants and artisans. The event brings people together for a day of fellowship and good times, and this year's Christmas Jubilee promises to be extra special due to a lot of hard work by the planning committee.

Businesses once again are advertising one-day specials and will be giving door prizes to those who have registered in their stores this week. All of those having drawings for door prizes are reminded that they are responsible for turning in their boxes for the drawings at the west door of the courthouse at 4:00 p.m. Saturday, December 1. The drawings will be held during a Christmas program which is scheduled to begin with a flag ceremony by the Silverton Brownie Troop at 4:00 p.m., and **you must be present to win.** No gift may be accepted for you by another person.

Booths filled with arts, crafts, baked goods, etc. will be set up in the Community Center building north of the Briscoe County News. Among those who will be participating in the arts and crafts fair are Assembly of God Church, kitchen mitts, pecans, light bulbs; Mildred McDaniel, crocheted items; Jerry Miller, taxidermy; Leslie Meier and Jerry Bean, wood crafts; Robby, Leslee and Lindsey Weaks, bathtub toys, Playdoh; Marsha Green, crafts; Neva Garvin, crocheted items; Lucy McDaniel, crocheted items; Debbie Montague, Discovery Toys; Extension Homemakers Council, baked goods, crafts; LaLeche League, refreshments; John Bowman and Anthony Kingery, TV Satellite receivers; Beverly Bowman, Kirby vacuum cleaners; Cathey Weaks, rag sweaters, toys, appliqued sweatshirts; Eudean Cutrell, ceramics; Lindsey Jennings, gingerbread men; Juanah Jennings, Patti Montague, porcelain dolls, needlecraft; Mrs. Wilfong, scented wax chips; Wanda Lowery, crocheted items; Imogene Cobb, crafts; L. O. A. Junior Study Club, Christmas Greeting Page sign-up; Progressive Extension Homemakers, ba-

ked goods; Bern May, polished stones.

In addition, the Methodist ladies will be serving a stew lunch in conjunction with their bake sale and bazaar in the basement of the First United Methodist Church beginning at 11:00 a.m. Saturday.

From 2:00 until 4:00 in the afternoon, the L. O. A. Junior Study Club will sponsor a "42" tournament in the former LaHacienda Restaurant location (at Highway 86 and Main Street).

A \$2.00 per person entry fee will be charged, and first and second place winners will divide the entry fee money. Come before 2:00 and refreshments will be served.

Santa will ride the fire truck into Silverton and will meet children at the courthouse at 3:00 p.m.

At 10:00 a.m. the Brownie Troop will sing Christmas Carols at the Bazaar Building.

Stores may have their specials announced at the Bazaar by turning them in to Cathey Weaks or Jane Self.

A quilt show will be held all day in the Pioneer Room at First State Bank.

Christmas decorations will be in place, adding to the festive atmosphere in Silverton.

Come one, come all to the Christmas Jubilee in Silverton Saturday, December 1.

Drawings To Be Held

Drawings for door prizes, for which shoppers have been registering in various Silverton businesses this week, will be held during a Christmas program to begin at 4:00 p.m. on the west side of the courthouse square Saturday, December 1.

Approximately 20 door prizes will be given away. You must be present to win.

The Christmas lights and decorations will add a festive note to the occasion.

It is hoped that everyone will bring chairs and blankets from home, and sit on the courthouse yard to take part in the fellowship and program. Sing along. Have a good time. This can be reminiscent of days of yesteryear when people enjoyed getting together on Saturdays to buy the things they needed and visit with their friends. Come one, come all to the Christmas Jubilee in Silverton all day Saturday, December 1.

First Games Of Kress Tournament To Be Played Here Today

Some of the first-round games of the Kress Tournament are to be played in Silverton Thursday.

In the boys division, Silverton will play Petersburg at 4:00 p.m. and Lockney will play Tulia at 8:30.

In the girls division, Silverton and Petersburg will play at 5:30, with Lockney and Tulia to play at 7:00.

If the Owls win, they will play at Kress Friday at 8:30 p.m. If they lose Thursday, they will

play at Kress Saturday at 12:30 p.m.

If the Owlettes win Thursday, they will play at Kress Friday at 7:00. If they lose Thursday, they will play at Kress Saturday at 11:00 a.m.

Area Playoff Game To Be Played Here Friday Night

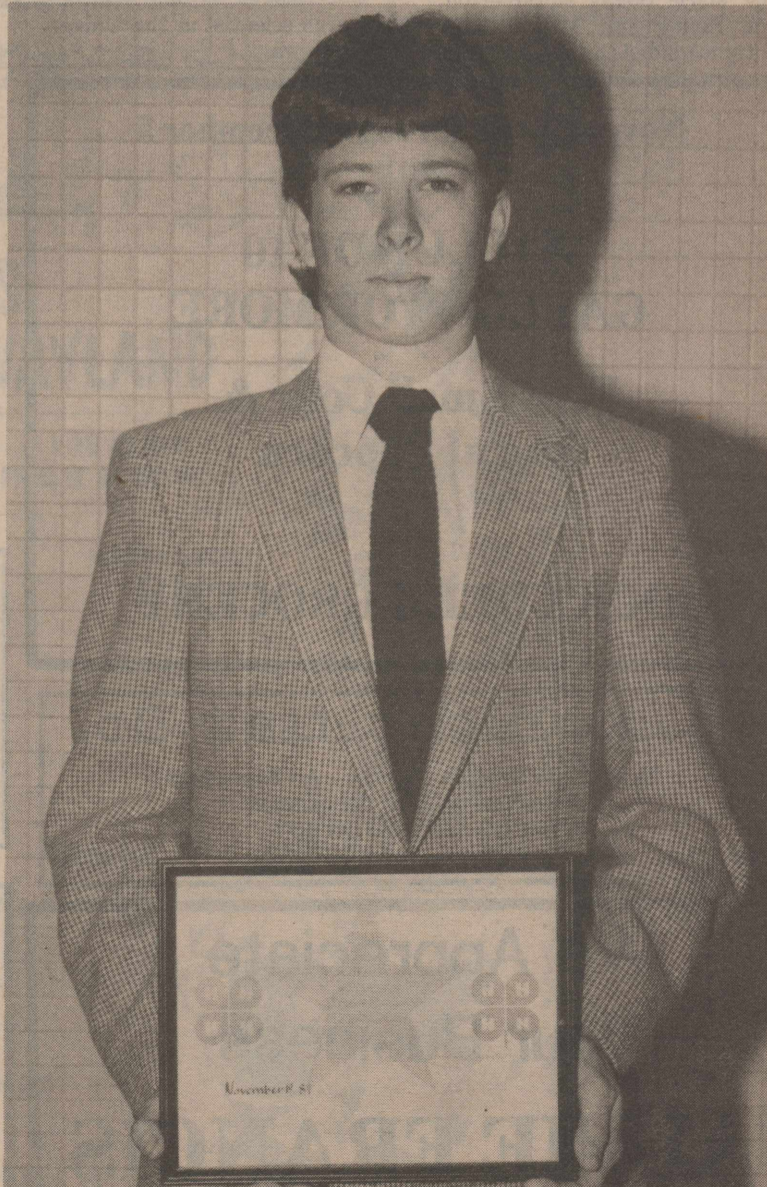

Higgins and Jayton will be meeting in their Area playoff game at 8:00 p.m. Friday on Payne Field in Silverton.

A large crowd was in attendance at the Thanksgiving Day Bi-district playoff game between Higgins and Dawson here last week, and the Silverton Booster Club reported good sales at the concession stand. Higgins defeated Dawson 41-0.

Western Dance To Be Held Saturday Night

Silverton Young Farmers and Silverton Volunteer Firemen are sponsoring a country/western dance from 9:00 p.m. until 1:00 a.m. Saturday, December 1, at the Briscoe County Show Barn.

The Country Fever Band will be providing music for the dance.

David Schott attended the District 4-H Gold Star Banquet at Coronado High School in Lub-

bock November 19. Roger Hughes, the other county recipient, was unable to attend.

OBITUARIES

ROSA M. GREGG

Funeral services for Rosa Maybelle Gregg, 88, of 1223 North Woodland in Amarillo, were conducted at 2:00 p.m. Tuesday at Boxwell Brothers Ivy Chapel with the Rev. James Martin, pastor of Forest Hill United Methodist Church, officiating. Burial was in Memorial Park Cemetery.
 Mrs. Gregg died Sunday.

Born in Thurber, she married Arthur Gregg in 1916 at Quitaque. She had lived in Amarillo since 1946. She was a housewife and a member of Forest Hill United Methodist Church.

Survivors include her husband; two daughters, Alyce Lindemann of Plainview and Zonelle Milton of Albuquerque, New Mexico; three sons, Odell Gregg of Tulia, Odis Gregg of Amarillo and William Gregg of Green Forest, Arkansas; six grandchildren and nine great-grandchildren.

Mrs. Gregg was the aunt of Mrs. Marie Boling of Silverton. Mrs. Boling and Mrs. Rosalie Chitty attended the services.

JAKE THOMAS [TOBY] PENN

Funeral services for Jake Thomas (Toby) Penn, 57, were conducted recently at the First Baptist Church in Midlothian. Burial followed in the Midlothian City Cemetery.

Mr. Penn, owner of Penn Floor Covering Company, died the previous Tuesday.

Born in Silverton, he served in the U. S. Marine Corps during World War II and was a member of the First Baptist Church in Midlothian, Veterans of Foreign Wars and American Legion.

Survivors include his wife, Kathyne, of Midlothian; a son, Robert Penn of Midlothian; a daughter, Kristi Penn of Midlothian.

Dr. Crockett L. Grabbe of Iowa City, Iowa and Mr. and Mrs. Eric Gehman and Nolan of Amarillo visited with their parents, Mr. and Mrs. Warner B. Grabbe, during the Thanksgiving holidays.

Dr. Grabbe is an associate research scientist at the University of Iowa.

Mattheus Opens Rock Creek Store

Tim Mattheus has opened the Rock Creek Store, and in addition to gasoline, is selling groceries and ready-to-eat food items.

They have not decided for sure on their winter hours, but have a special on for the next week which is advertised elsewhere in this issue of the Briscoe County News.

Rev. Wilson To Hold Revival Next Week At Claytonville

The Rev. Larry Wilson, a former pastor of First Baptist Church in Silverton, will be holding revival services at the First Baptist Church at Claytonville December 6-9.

Services will begin at 7:30 p.m. Thursday, December 6, and will continue through morning services Sunday, December 9.

Orders Being Taken For New Yearbooks

Orders are being taken for the 1984-85 Owllet yearbook. The prices are \$12.50 without a name and \$15.00 with name imprinted on the cover. These prices will remain in effect until December 1, at which time all yearbooks—past and present—will sell for \$15.00 with no names imprinted.

The above prices include sales tax. Please bring your order to the high school immediately, because all orders must be accompanied by payment.

Methodist Church Has Harvest Festival

The First United Methodist Church in Silverton held its Harvest Festival last Wednesday evening. There was a Thanksgiving dinner and a worship service with a former pastor, Rev. Earl Blair of Floydada, preaching.

The celebration included a time to offer praise and thanksgiving to God for the harvest, to bring the first fruits of the harvest and dedicate them to God, and to reaffirm faith as the people of God.

**Colon cancer
increases after 40**

HOUSTON, TX. — To the old adage about life beginning at 40 should be added the warning that this is the same age when colon and rectal cancers start increasingly dramatically.

These are the cancers no one used to talk about. Educational efforts about early symptoms—especially rectal bleeding and changes in bowel habits—gradually are improving awareness of colorectal cancers, which affect more Americans than all other malignancies except lung cancer.

The importance of early detection cannot be preached enough, says Dr. Guy R. Newell, director of cancer prevention programs at The University of Texas M. D. Anderson Hospital and Tumor Institute.

"More than 75 percent of all people affected with these cancers can be cured if they are found while in a localized stage and treated promptly," he says.

People should pay close attention to such risk factors as a family history of colon and rectal cancer or a condition known as familial polyps in the colon. Ulcerative colitis also predisposes for colorectal malignancies.

"Increasing evidence is being accumulated to suggest diets low in fats and high in fiber may protect people from colon cancer," Dr. Newell notes.

Common clues that also should be checked include unexplained diarrhea or constipation, bloody stools, watery bowel movements, cramps, abdominal pains and sudden weight loss.

Junior High Owls Open Roundball Season With Victory

The Junior High Owls, undefeated in football this year, opened their basketball season with a 27-20 victory over Motley County here Monday, November 19. The Junior High teams had their games with Groom cancelled Monday night of this week.

According to Coach Rick Agee, Jamie Frizzell had a good defensive game and good effort while hitting only one of nine shots, getting nine rebounds and eight steals, turning the ball over only twice and scoring two points.

Neal Edwards hit five of 13 shots, turned the ball over twice, got six rebounds and one steal, hit one of two free throws and scored 11 points.

Brad West hit two of four shots, turned the ball over twice, got three rebounds and two steals, and scored four points.

Frank Lowrey hit two of seven shots, turned the ball over twice, got six rebounds and four steals,

and scored four points.

Kendal Minyard hit one of three shots, had one turnover, got three rebounds and two steals, and scored two points.

Clay Mercer hit one of three shots, had one turnover, two rebounds and scored two points.

Teddy Hubbard hit one of five shots, got three rebounds and one steal and scored two points.

Timmy Wheeler turned the ball over twice, got one rebound and one steal.

Rhett Montague got one rebound. Bryan Ramsey and Kirk Couch got one steal each.

Also playing for the Owls were Denny Hill and Mark Auston.

The team turned the ball over 17 times while forcing their opponent to turn it over 26 times.

The Junior High Owlettes had a scoreless third quarter that had a fatal effect on their effort to win. The girls were coming on strong when the game ended, but

lost 15-10 to Motley County. One of the fans said that if the Owlettes had had another quarter to play they could have won, and this is probably true.

DeLyn Patton led the scoring with four points. Keeley Burson, Tara Nance and Tonia Perkins scored two points each.

The varsity Owlettes dropped their game at Happy 46-32 last week. The Cowgirls led at the end of each quarter.

Shavonne Lowrey led the offense by scoring 10 points and also got five rebounds. Kathy Brown scored seven points and got three rebounds. Alesha Patton and Tonnette Miller scored six points each, and Alesha got one rebound and Toni got three.

Suzann Settle scored two points, Kori Baird scored one point and got a rebound and Lee Ann Durham got a rebound.

The Owls have only eight players this year. They lost their first game at Happy 51-21, after having played football the previous Friday night.

According to Coach Agee, Russell Simpson showed good hustle and played a good defen-

Brownies Have Program On Safety, First Aid

The Brownies met Monday at the First Baptist Church. The opening was led by Christa Tucker and Leslee Weaks, which included the Pledge of Allegiance, Brownie Promise, Brownie Smile Song, Statues and Suzy Safety.

For their program, the Brownies learned about safety and first aid. The girls inspected their first aid kit and learned what each item was for. They learned how to make an emergency number list, numbers to put on it, such as the fire department and sheriff's department. The Brownies also learned what to do in case of a fire.

They practiced the songs they will sing Saturday at the Christmas Jubilee.

The closing was led by Staci Hill and Kami Martin, which included Taps and the Brownie Circle.

Cleanup was by Christina Stephens and Kristi Bean.

Others attending the meeting were Kara Kingery, Johanna Bailey, Carrie Baird, Amy Jasper, Michelle Whitfill, Lori Brannon, Shannon Weaver and Brandi Brunson.

Leaders Vicki Bean and Tisa Whitfill were also in attendance.

Texas Cotton Production Is Moving Westward

Slowly but surely, cotton production in Texas is moving westward. More than three-fourths of the state's cotton crop is now grown in western areas, primarily the plains, says an economist with the Texas Agricultural Extension Service, Texas A&M University System.

That includes the area that stretches from the Panhandle southward to about San Angelo and northward to Abilene and

Wichita Falls.

Cotton production has increased steadily in irrigated areas of the plains because the crop uses less water than corn or grain sorghum and uses it more efficiently. And in dryland counties of the plains, cotton is the only crop with a real chance year in and year out.

Food Packaging Costs Will Vary

In general, the more processed or complicated a food product is, the higher the packaging costs, says Texas A&M University Agricultural Extension Service food and nutrition specialist, Mary K. Sweeten.

For example, foods such as beer, soft drinks, cereals, baby food, frozen dinners and canned fruits and vegetables all have packaging costs greater than 100 percent of the cost of the ingredients.

On the low end of the scale, frozen seafood, flour products and coffee have packaging costs that are less than 15 percent of the cost of the ingredients.

And "basic" foods like poultry, cheese, butter, sugar and red meats have packaging costs of less than 10 percent of the value of the food.

New methods and materials for processing and packaging food have developed to meet consumer demands growing out of changing family patterns and lifestyles, notes Ms. Sweeten. But consumers can expect to pay for these changes at the grocery check-out counter.

Food Packaging Costs Consumers

After labor costs and farm costs, the third largest portion of the food dollar—eight percent—goes to packaging, says a Texas A&M University Agricultural Extension Service food and nutrition specialist.

That includes not only the package on the shelf, but the shipping carton, other distribution materials and the packaging equipment, explains Mary K. Sweeten.

While the cost of packaging as part of our food dollar is small, some foods cost more to package than others, she says. According to the USDA, food packaging and container costs average nearly one-third of the cost of ingredients. But in about a fourth of the foods and beverages sold, packaging costs are greater than the cost of the ingredients, reports the specialist.

Holiday Credit Spending Is Trap

Beautiful merchandise and liberal credit arrangements can encourage consumers to spend—and overspend—for Christmas.

Many department stores now invite their customers to charge merchandise without having to pay the bills until January or February. These "no payment" plans can work to your advantage if you are already a good credit manager, says Texas A&M University Agricultural Extension Service home economist Nancy L. Granovsky.

If you do not have to pay a finance charge, extended credit amounts to a free loan, she points out. Then during the time you postpone payments, you can save up the cash to pay the bill.

"But if you are already over-extended, postponing payments may only add to your money woes," advises Ms. Granovsky. "Delayed spending can give consumers a false sense of security or encourage them to spend more than they would have spent when paying cash."

Mr. and Mrs. Allen Kellum enjoyed having their children and most of their grandchildren home for Thanksgiving. Those who were here were Mr. and Mrs. Fred C. Kellum, Edward, John and Suzanna, Canadian; Mr. and Mrs. Gene Goodwin, Lubbock; Joe and Kristen Kellum, Amarillo; Mr. and Mrs. David Kellum and Desley, Silverton, and a married granddaughter, Mr. and Mrs. Anthony Gibson, Muleshoe.

Local Farm Equipment Dealer To Sponsor Rodeo Finals Telecast

Brown-McMurtry Implement, Silverton, will join Hesston Corporation and more than 1,000 other participating Hesston Farm Equipment dealers across North America in sponsoring the telecast of the 1984 National Finals Rodeo from Oklahoma City.

The program will air locally on KFDD (10), Amarillo, Sunday, December 9, 8-10 CST.

The two-hour, prime-time special will feature "same-day" coverage of the final championship performance of the 1984 NFR, on a live tape delay.

1984 marks the 26th year of the NFR and the eleventh consecutive year that Hesston Corporation has sponsored the telecast.

Hesston's two-hour telecast will begin with a 30-minute segment called "Prorodeo Countdown to Glory," highlighting action from the first nine performances of the NFR. The remaining hour-and-a-half of the show will carry the same-day action of the exciting final NFR performance. Many of the World Championships, including All-Around Cowboy, will be decided during this performance.

Recognized as the "World Series" or "Super Bowl" of ProRodeo, the NFR climaxes the nearly 600 rodeos sanctioned by the Professional Rodeo Cowboys Association during 1984.

At the NFR, the top 15 money winners for the year in the six standard Prorodeo events will vie for the world championship

titles and a portion of the largest purse in rodeo history. The 1984 telecast will carry bareback bronc riding, steer wrestling, team roping, saddle bronc riding, calf roping, and bull riding. Women's Professional Rodeo Association barrel racing will also be featured.

Commercial announcements during the telecast will feature the Prime Line of farm equipment available from Hesston Corporation, plus Hesston's new collector's rodeo belt buckle. The 1984 buckle, designed by the popular Western artist Fred Fellows, is the second edition in Hesston's anniversary series, and is available at participating Hesston dealers.

The Fred Arnold family had a long Thanksgiving weekend with out-of-town visitors from Wednesday until Sunday. Along with the regular Thanksgiving dinner and Dallas Cowboy cheering, they enjoyed three days of deer hunting which proved to be successful. Those enjoying these festivities were Mr. and Mrs. John Arnold, Sweetwater; Brent, Laura, Abbie, Alana and Aaron Mullin, Graham; Monte, Kerri, Tay and Matthew Cannon, Tulia; Johnny Cantwell and Joey Cantwell, Early; Cecil Nicholson, Brownwood; Kevin Bedingfield, Austin; Penny, Kevin and Amber James and Walter Arnold, Silverton.

Women should check own breasts

HOUSTON, TX. — Three new cases of breast cancer are found among American women every 15 minutes.

Yet this form of cancer is one of the most curable when detected early and treated promptly, notes Dr. Guy R. Newell, director of cancer prevention programs at The University of Texas M. D. Anderson Hospital and Tumor Institute.

"The importance of each woman checking her own breasts regularly should be taught from the teen years on because studies consistently show women find more than 90 percent of all tumors," Dr. Newell says.

Not all breast lumps and bumps are cancerous, but only physicians can tell which are benign and which are more serious. They use low-dose X-ray tests called mammography to aid in diagnosis. However, doing a biopsy to obtain a piece of the lump is the only way to be absolutely sure it is or is not cancerous.

Women considered at higher risk for breast cancer are those over age 50 or any who have a family history of this malignancy. Besides the usually painless lumps, other symptoms could be a thickening or swelling of the breasts as well as some skin irritations and discharge, distortion or retraction of the nipples.

Dr. Newell says newer surgical techniques are permitting many women to undergo less-radical operations followed by breast reconstruction so they can enjoy near-normal appearances.

For a free booklet on how to do breast self-examination, call the Texas Cancer Information Service toll-free at 1-800-4-CANCER.

PSYCHOLOGY

Dieters who want to succeed should promise themselves some pleasant activities during the day, psychologists say. Exercise with a friend... see a good movie... make time for your favorite hobbies. Brighten low-calorie diets with delicious but non-fattening treats, such as a hot cup of tea between meals. Soothing and satisfying, it can help keep your waistline trim!

P-TA To Meet And Organize

In response to the interest that has been expressed by local parents and teachers, efforts have been made to form a local chapter of the Texas State Parent-Teacher Association. It is planned as a purely voluntary effort to promote supportive relationships and communication between parents, teachers and administrators, while fostering and enacting cooperative projects based on members' common interest in the school and its students.

Absolutely no one is required to attend meetings or join; however, there are many advantages to membership for parents and teachers alike. Parents have access to an organized medium through which they can make positive efforts to contribute to the school and enhance the education of their children. Members receive materials and publications regularly which disseminate the most current information on legislation, education and any issues or events which may affect the children. Teachers and their classrooms can benefit from the contributions made by the local chapter.

On the state level, teachers have access to a film loan program to further their own college educations. As members, the teachers become eligible for chapter recommendation for recognition by the state as outstanding members of their profession in this area. There are many teachers which local parents believe deserve such recognition. Administrators, teachers and parents all benefit from a greater understanding and awareness of one another's interests and concerns.

If you are interested in being part of this positive effort to enhance the school and its students, you are invited to attend a planning meeting to be held in the Pioneer Room of the First State Bank at 7:30 p.m. Thursday, December 6. You need not have a child enrolled in school to attend. Parents of preschoolers, grandparents, school employees other than teachers, and anyone else interested will be most welcome.

Mr. and Mrs. Carl Minyard, Missy and Amy hosted a Thanksgiving dinner. Attending were Mr. and Mrs. Richard Weaks, Heather, Steven and Ricky of Joes, Colorado, Buck Wesley, Mr. and Mrs. Bud Mouser of Plainview, Roy Brooks of Lubbock, Mrs. Leavie Cherry, Mrs. Lillian Lindsey, Mr. and Mrs. Bill Brooks, Josh, Miah and Molly of Quitaque.

Mr. and Mrs. Vinson Smith had Thanksgiving dinner Friday with Mr. and Mrs. Jim Smith and family at their new home in Amarillo. Other guests included Mr. and Mrs. Monty Smith and Andy and Mrs. Jewell Simpson, all of Amarillo, and Ernie Gastinova of Oklahoma City.

Mrs. Simpson came home with Vinson and Jerry, and she and Jerry visited Gordon Montague at Methodist Hospital in Lubbock Saturday.

Know Your Septic System

Some 30 percent of all Texas homes today have a septic tank system, and homeowners with such a system should know where it is located, how it works, what to do if it fails, and how to prevent it from failing.

A septic system consists of two main parts: the tank, usually a 1,000 gallon unit made of concrete, and the soil drainfield, also called nitrification lines or soil absorption trenches. Symptoms of a failing septic system include damp, mushy ground above the drainfield or around the tank, standing water with an oily film or dark color, odor problems and household plumbing fixtures that back up or don't drain properly.

A system fails because it is overloaded with more water than the soil can absorb.

Improper design, poor installation, lack of maintenance, excessive water use and clogged soils or pipes can all cause problems, says a soils specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Owls Beat Texline In Last Game Of Season

The Owls earned a 32-31 victory over Texline in the last football game of the season.

Ross Estes gained 125 yards on 26 carries and made three touchdowns. David Schott gained 105 yards on 17 carries and made two touchdowns. Ross Estes gained 42 yards on five carries.

The team rushed for a total of 360 yards and added three yards passing, for a total offense of 363 yards.

Todd Reagan led the defense with 15 tackles. Cal Brannon added seven; Sloan Grabbe, Russell Simpson and Joe Ted Edwards got six tackles each; Corey Robertson and David Schott got two tackles each.

These statistics on the season were furnished by Coach Rick Agee.

Todd Reagan made 135 tackles during the season, an average of 13.5 per game. Ross Estes made 26, an average of 2.6; Joe Ted Edwards, 40, 4.9; Cal Brannon, 92, 9.2; David Schott, 50, 5.0;

Sloan Grabbe, 73, 7.3; Corey Robertson, 36, 3.6; Scotty Harris, 39, 3.9; Russell Bingham, 17, 1.7; Robbie McWaters, 5, .5; Clay Schott, 11, 1.1; Russell Simpson, 34, 3.4.

Offensively, Ross Estes carried 150 times for a gain of 892 yards, an average per carry of 5.9, and made 17 touchdowns. David Schott rushed 100 times for a gain of 644 yards, a 6.4 average per carry, and six touchdowns; Russell Simpson carried 44 times for a gain of 348 yards, 7.9 per carry, and seven touchdowns; and Russell Bingham carried four times for a gain of 12 yards, an average of three yards per carry, and one touchdown.

The Owls rushed for 2,054 yards and passed for 781 yards, for a total offense of 2,835 yards. This was an average per game of 205.4 yards rushing, 78.1 yards passing and a total offense of 283.5. The Owl opponents rushed for 2,378 yards and passed for 1,205 yards for a total offense of

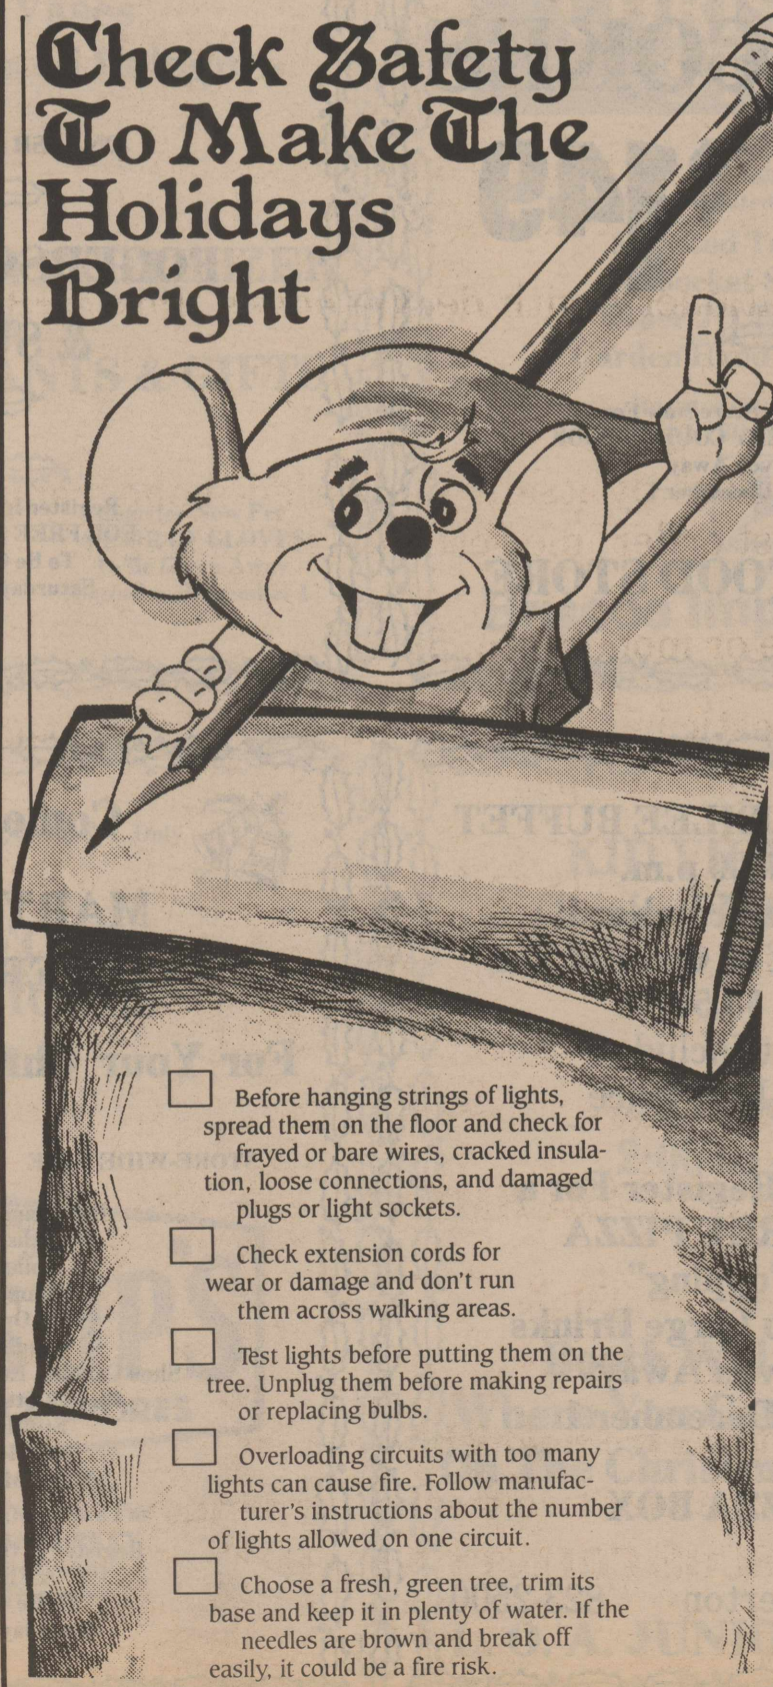

3,583 yards. This was an average per game of 237.8 yards rushing and 120.5 yards passing, for a total offense per game average of 358.3 yards.

Cal Brannon completed 56 of 138 passes for a gain of 717 yards. This was a 40% completion average, and a per game average of 71.7 yards. Scotty Harris completed five of seven passes for a gain of 61 yards. This was a 71% completion average, and an average per game of 6.1 yards.

Among those in Quitaque recently to attend the funeral services for J. T. Persons were Mrs. Rena Schott, Mr. and Mrs. John Schott, Mrs. Roy Neff of Trent, Mrs. Iris Burson, Mrs. Rosie Dickerson, Mrs. Josephine Anderson and Mr. and Mrs. Ronald Kitchens.

Mr. and Mrs. Less Moulton and Iris Mae Graham from Amarillo, Mary Harlan of White Deer, Pauline Denham of Skellytown and Agnes Allard of Tulia spent the weekend with Jettie Harcastle.

Check Safety To Make The Holidays Bright

- If you buy an artificial tree, make sure it has been tested for flammability by Underwriters Laboratories (UL).
- Place your tree away from the fireplace or other heat sources and out of the traffic pattern.
- Never string lights on a metallic tree. Light strings with damaged insulation can electrically charge a metallic tree. Instead, shine unattached colored floodlights or spotlights on the tree.
- Always turn off lights before leaving home or going to bed. You'll save money and be safer, too.
- Never use lighted candles on a tree or near evergreens. And don't burn evergreens in the fireplace.
- Do not use inside lights on the outside. All outside lighting equipment, including lights, cords and plugs, should be waterproof and made for outdoor use. Also, hang sockets downward and don't leave a socket empty.
- When hanging lights on the rooftop or in tall trees outdoors, stay clear of electrical lines. Make sure you or your decorations don't come in contact with them.
- Should you receive a CB radio or television this Christmas, let a qualified serviceman install the CB base unit or television antenna for you. This delicate job is best left to the professionals.
- Be sure electrical toys are tested for safety. Look for the UL mark.

Wishing You A Safe,
Happy Holiday

Additional Grain Available For Livestock Feed

Early in 1984 Briscoe County was designated as one of the counties in Texas where livestock producers could apply for low grade corn to feed eligible livestock. Severe drought conditions in the county created conditions that were not conducive to the production of forage for the grazing of livestock. The same conditions existed over much of Texas and the supply of available corn has been almost exhausted.

On November 8, the Secretary issued a press release expanding the type of grain available to eligible producers. The additional grains available are lower grade grain sorghum, oats, barley and wheat.

Livestock producers can find out all the particulars concerning this feed at any ASCS office.

Clerk Selling New Nongame Stamps, Decals

During the month of November 1984, nongame stamps and decals went on sale at the office of County and District Clerk Bess McWilliams.

Both the stamp and decal, priced at \$5.00 each, are full color reproductions of a Ken Carlson painting of two whooping cranes. The stamps measure 2 3/8" x 1 5/8" each. The decals are approximately 3 1/4" x 4 3/4" each.

The stamps and decals are nice for collectors.

Texas is pioneering a brand-new type of wildlife funding. A first, not only for this state but anywhere, it will launch a novel method for the public to be directly involved in conservation of nongame and endangered species through the purchase of special stamps, decals or art prints.

A similar idea has been highly successful in connection with waterfowl, with the mandatory requirement for waterfowl hunters to buy both the federal and

state duck stamps. The federal stamp that has been sold for 50 years, and the Texas counterpart that began in 1981, both raise substantial sums for waterfowl research, management and acquisition of habitat. Many non-hunters buy them voluntarily in the interest of conservation or to obtain the stamps and artwork as collectors' items.

AG LABOR AND WORKER'S COMP

Effective January 1, certain agricultural labor will no longer be exempt from worker's compensation laws in Texas.

Worker's compensation addresses on-the-job injuries, and the corresponding insurance provides benefits to those injured or disabled while performing work-related functions, notes an economist with the Texas Agricultural Extension Service, Texas A&M University System. Recent Texas legislation brings agricultural labor under worker's compensation while providing exemptions for some employers under specific circumstances, mainly related to the payroll size of farming and ranching operations.

MR. AND MRS. GEORGE SEANEY

Couple Celebrates 65th Anniversary

Mr. and Mrs. George Seaney were honored with an early 65th anniversary celebration on Thanksgiving Day in the home of a granddaughter and family, Mr. and Mrs. Gordon Lowrey.

Mr. and Mrs. Seaney were married December 14, 1919, in Erick, Oklahoma. They moved to Briscoe County in 1924, and have lived here since except for 1927-1933 when they lived in Swisher County. They were farmers and later owned and operated Seaney Hardware & Appliance from 1944 until their retirement in 1963.

They are active members of the First United Methodist Church and he is a long-time member of the Silverton Lions Club. They still love to visit, play cards and "42."

They are parents of two children, Mrs. Pascal Garrison of Silverton and Cecil Seaney of Gage, Oklahoma. They have five grandchildren and fifteen great-grandchildren.

Those attending the dinner were Mr. and Mrs. Cecil Seaney, Gage, Oklahoma; Mr. and Mrs. Jim Seaney, Chase, Will, Dan, Linda and Sharon of Kent; Mr. and Mrs. Daryl Wynn, Kimberly, Toby, Tracy and Cindy of Booker; Mr. and Mrs. Max Garrison, Walt and Cody of Canyon; Mrs. Buck Henley and Mrs. Carl Lee Henley of McLean; Mr. and Mrs. Greg Henley of Tahoka; Mr. and Mrs. Clovis Hill of Amarillo; Mr. and Mrs. Joe Kirk Smith of

Quitague; Mr. and Mrs. Pascal Garrison, Mr. and Mrs. Gordon Lowrey, Shavonne and Frank of Silverton. One grandson, David, Seaney, and his family from Perryton were unable to attend.

Special Christmas Mother's Day Out Planned By Church

A special Christmas Mother's Day Out will be held Friday, December 7, from 8:30 a.m. to 6:30 p.m. at the First Baptist Church in Silverton.

This special time is being planned so mothers will be able to get their Christmas shopping done.

A sack lunch will need to be brought for the noon meal for each child attending. Please don't put candy in the lunches. Snacks will be provided.

It has also been asked that no toys be brought from home.

There will be no charge for this service, but you are asked to call Kathy May at 847-2229, if possible, to let them know if your child will be there for Mother's Day Out.

Dr. and Mrs. Frank Duncan of Amarillo visited Jettie Harcastle last week.

Mrs. Jettie Harcastle returned home from Swisher Memorial Hospital Wednesday afternoon of last week. She was to go back to the doctor Wednesday of this week.

AS A MAN THINKETH

Gerald Beasley

THANKS, OYSTER!

The sea pearl oyster, which lies in tropical seas, produces truly precious pearls. The oyster's shell may be pierced by a parasite, or somehow chipped, allowing a foreign substance to get in. Then certain cells in the animal form nacre which coats the invader with layer after layer of lustrous substance. The result, a beautiful pearl. An oyster which has not been "hurt" does not grow a pearl, for "a pearl is a healed wound."

Inner hurts come our way via unkind words, false accusations, rebuffs, ridicule, lack of appreciation from others, etc. Do I over-react and allow bitterness to well up inside? My ego and pride may gain control and blow things out of proportion. The chip on the shoulder attitude can always find a multitude of causes for hurt feelings.

Grow a pearl! Cover hurts and rebuffs with layer after layer of love. Remember that an oyster which has not been hurt does not grow a pearl—for a pearl is a healed wound.

Think on the lustrous "aboveness" of love in 1 Peter 4:8: "Above all, love each other deeply, because love covers over a multitude of sins" (N.I.V.)
