SHS ATHLETIC AWARDS—[left to right] Alesha Patton, H. A. Cagle Girls Basketball Most Valuable Player award and Grabbe-Simpson Girls Most Valuable Track Athlete award; David Schott, Doyle Stephens Most Valuable Football Award; Russell Simpson, First State

Bank Boys Track Athlete award; Donna Tomlin and Scotty Harris, Ray Thompson Implement Most Valuable Tennis Player awards; Shavonne Lowrey, Todd Reagan and Lee Ann Durham, School Spirit awards; Melissa Stone and Sloan Grabbe, Most Improved Player awards.

Athletic Banquet Awards Presented

Silverton High School's athletes were recognized at the Athletic Banquet sponsored by the Silverton Booster Club Saturday, May 18, in the school cafeteria. Master of ceremonies was Riley Harris, and the invocation was given by R. D. Reynolds.

Rev. Jerry Miller, pastor of the First Baptist Church, spoke on commitment in athletics and in the game of life.

All athletes who had lettered in the various sports were recognized.

Superintendent O. C. Rampley presented the Doyle Stephens Most Valuable Football award to David Schott.

R. D. Reynolds presented the Carman Rhode Boys Basketball Most Valuable Player award to the entire Owl team.

Coach Kelly Braisher presented the H. A. Cagle Girls Basketball Most Valuable Player award and the Grabbe-Simpson Girls Most Valuable Track Athlete award to Alesha Patton.

Coach Jack Shely presented the First State Bank Boys Track Athlete award to Russell Simpson.

Gene Whitfill presented the

Ray Thompson Implement Most Valuable Player award for tennis to Scotty Harris and Donna Tomlin. Golf letters were also given by Mr. Whitfill.

Coach Braisher presented the Most Improved Player awards to Sloan Grabbe and Melissa Stone. She also presented the School Spirit awards to Todd Reagan, Shavonne Lowrey and Lee Ann Durham.

The banquet menu included steaks, baked potatoes, salad, hot rolls and peach cobbler. The meat was prepared by the Silverton Young Farmers, and the remainder of the meal was prepared by the lunchroom ladies.

The benediction was given by Superintendent Rampley.

NAME OMITTED FROM THOSE HELPING WITH P-TA RODEO ACTIVITIES

Jene Montague's name was omitted from the list of those who helped with the P-TA-sponsored Little Wrangler Rodeo. The P-TA wishes to express regrets for the omission.

Cody Culwell Is Overall Winner

Cody Culwell, son of Jill and Greg Culwell, won first place in the 8-9-10-11 division of the AstroWorld Coloring Contest sponsored by the Briscoe County News this week with a picture that was so good it has been declared the overall winner or grand champion.

Winning second place this week was Melissa Ann Woods, daughter of Becky Woods, a first-place winner last week.

Holly Nance, daughter of Tina and Wayne Nance, and Ashleigh Wyatt, daughter of Gail and John Wyatt, each received honorable mention.

Trey Wyatt, Ashleigh's brother, was the only one to enter a picture in the 5-6-7 division this week. Trey is only four, but he submitted a very good picture to be this week's winner of the younger division.

All of the pictures from both weeks are on display in the windows at the Briscoe County News. All of those who submitted pictures will receive free tickets to AstroWorld. The tickets are in the mail.

Verlin Towe returned home Monday after having been a patient at St. Mary's Hospital in Lubbock.

Memorial Day Program To Be Held In Silverton Cemetery

There will be a Memorial Day program in the Silverton Cemetery at 10:00 a.m. on Monday, May 27.

These programs have been well attended in the past. Many people come from out of town to

remember their loved ones and enjoy visiting with friends not seen recently.

Local residents are encouraged to come out, see old friends, and spend time remembering those who have gone on after placing their mark on our lives.

Mother's Day Out Planned Friday, May 24

Mother's Day Out will be held starting at 8:30 a.m. Friday, May 24, at the First Baptist Church in Silverton.

A sack lunch will need to be brought for the noon meal for each child attending. Please don't put candy in the lunches. Snacks will be provided.

It has also been asked that no toys be brought from home.

There will be no charge, but you are asked to contact Kathy May, if possible, to let them know if your child will be there for Mother's Day Out.

Genesis Eight To Entertain Senior Citizens Tonight

Genesis Eight of Rock Creek will entertain at the Fourth Thursday Night Musical at the Senior Citizens Center in Silverton.

The program will begin at 7:00 o'clock tonight (May 23).

Brandon and Jordan Sarchet of Lubbock spent Saturday night with their grandparents, Mr. and Mrs. Charles Sarchet. Sunday, they joined Mr. and Mrs. Ken Sarchet and Molly of Lubbock, Mr. and Mrs. Jim Hill and Mrs. J. M. Hill for a family lunch at the El Camino in Tulia hosted by Mrs. Gladys Hill. The occasion was a late observance of Mother's Day, and the birthday anniversaries of Mary Ann (May 19) and Jonann (May 22).

OBITUARIES

GORDON G. FORE

Graveside rites for Gordon G. Fore, 66, were conducted at 2:00 p.m. Thursday of last week in Llano Cemetery at Amarillo. Officiating was Earl I. Cantwell, minister of the Rock Creek Church of Christ, and Van Earl Hughes, a Baptist Missionary. Arrangements and burial were by Schooler-Gordon-Herring Funeral Directors of Canyon.

Mr. Fore died Monday, May 13, in Amarillo.

Born in Bishop, Mr. Fore was a retired self employed package store owner. He was a veteran of World War II, a life-time member of the Veterans of Foreign Wars and a member of the AmVet Club in Dimmitt. He was a member of the Church of Christ. He married LaVerta Knackstedt in 1950 in Clovis, New Mexico.

Surviving are his wife; a daughter, Janis Ingham of Amarillo; a granddaughter; two sisters, Inez Simmons of Plainview

and Eddie Mae McDaniel of Silvertown; and a brother, O. B. Fore of Plainview.

Letter To The Editor

I was really thrilled when a former student of 1939 school year Silvertown High School Gwen Williamson phoned me from Houston, Tx. where he lives with his wife—but he travels a lot. He has been to Miami many times and would have visited while enroute to near East, etc. But he didn't know I was here.

Williamson did some band playing in the days after The Silvertown Silver Cornet and Bugle Band that had been started by that "guy" from Happy, Tx.—remember?

I understand that you published a story with my picture that I sent of the presentation of the one-act play, "A Message From Khufu," with Douglas, Williamson and two others. Please send me a clipping of the story. Thank you.

I was in Silvertown several years ago on my summer vacation with my wife and daughter. No one remembered those early days when Don W. Terry wrote an article in Roy Hahn's weekly called "Mr. Tweety's Tweets" giving band news.

One of the highlights: Your lovely telephone operator asked me if I wanted to see the movie,

Parents of Handicapped Children Advised of Rights In Special Education

Parents of handicapped students who are enrolled in special education programs of the Swisher-Briscoe Education Cooperative, which serves the towns of Tulia, Kress, Silvertown and Happy, should be advised of their rights each year in regards to privacy and confidentiality concerning the student's records and rights to due process.

When initial consideration for educational services through special education were made, the parents received a booklet published by the Texas Education Agency entitled, "Parent and Student Rights to a Special Education." These booklets are available in English and Spanish. If a parent has lost or misplaced the booklet, they should notify Jean Burton, Director of Special Education, at 501 N. E. 4th in Tulia or phone 995-2776.

As the parent of a child who has been identified as having special needs the following rights are provided through federal legislation:

Your child may not receive an initial evaluation in order to be placed in a special education program unless you are previously informed and voluntarily give your consent. If you make the decision to give your consent, you may withdraw it at any time.

You are entitled to receive an explanation of all evaluation results and an explanation of any action proposed or rejected in regard to evaluation results.

You have the right to request an independent evaluation (conducted by someone outside the school) and have the results considered in discussion regarding the school placement of your child.

A free appropriate public education with necessary related services to meet your child's needs (i.e., speech therapy, physical therapy, counseling, and transportation) must be provided by your local school system.

Your child should be educated in classes with children who do not have special needs if such classes are appropriate to the needs of your child. This means, for example, that your child may not be removed from regular class placement to be put in a special class attended only by children with special needs unless you and the school personnel believe that the special class would be the best placement.

The privacy of all school records must be maintained. You

may request copies of your child's school records. Furthermore, you may obtain information from the chairperson of the special services committee concerning the particular individuals who are allowed to see your child's records.

You may inspect all educational records and request explanations of information contained in the records. You may also request the information amended if you do not agree with it.

You have the right to request an objective hearing (due process hearing) at any time when you disagree with the proposed procedures for evaluation and/or placement of your child. At the hearing, you may have counsel, present evidence, cross-examine witnesses, and obtain written findings of the proceedings. If you are deaf or normally communicate in a language other than English, the hearings must be conducted so that all communication is completely understandable to you.

If a problem or concern develops concerning your child, please contact Jean Burton, Director of Special Education, 501 N. E. 4th or phone 995-2776 or contact Department of Special Education, Texas Education Agency, 201 E. 11th Street, Austin, Texas 78701, or call 1-800-252-9668 or 1-512-834-4437.

SWISHER ELECTRIC SPEECH CONTESTANTS—[first row, left to right] David Webb, alternate from Tulia; Melannie Daniels, alternate from Silverton; Patty Cary, winner from

Olton, and Russell Acker, winner from Nazareth; [second row, left to right] Toy Whitten, Tulia; Debbie Schmucker, Nazareth; Pete Arnold, Olton, and Shawn Wilhelm, Nazareth.

Nazareth, Olton Youth Win Trip To Washington, D. C.

Russell Acker of Nazareth and Patty Cary of Olton won a free trip to Washington, D. C. by competing in a speech contest sponsored by Swisher Electric Cooperative, Inc., in Tulia. On May 14, the winners were among eight contestants vying for the trip, speaking on the subject, "Is It Wrong For a Rural Electric Cooperative to Market Their Product as Other Products Are Marketed?" Acker and Miss Cary will leave on their trip June 7 and return home on June 18.

The trip starts from Lewisville, Texas, where youth from all over the state will gather, having won similar contests sponsored by their local rural electric cooperative. Acker and Miss Cary will be part of a group of about 40 Texas youth taking the bus trip to Washington. In Washington, the Texas group

will be among 800-900 other youth from all over the country, also sponsored by local rural electric cooperatives.

Miss Cary is the 17-year-old daughter of Dale and Mary Cary of Olton. A junior at Olton High School, her activities this year included basketball, track, cheerleading, National Honor Society and she competed in District UIL Typing competition. Last year, she served on the Student Council, was named Most Outstanding Girl Athlete, and she won the District UIL Poetry Reading contest in both her freshman and sophomore years. In church activities, she is a member of the Methodist Church MYF.

Acker is the 16-year-old son of Gerald and Judy Acker of Nazareth. Finishing his sophomore year at Nazareth High

School, he has served in FFA as Sentinel and he has participated in junior varsity basketball and track. He is vice-president of his sophomore class, has served on the Student Council, and is a member of the National Honor Society. Russell has participated

in UIL Spelling, Number Sense and Ready Writing competition and recently got back from Austin where he had placed third in the UIL State literary contest in Informative Speaking. He is also active in CYO of the Holy Family Church.

Other contestants in Tulia at the Swisher Electric Cooperative Youth Tour Speech Contest included Melannie Daniels of Silverton, Debbie Schmucker and Shawn Wilhelm from Nazareth, Toy Whitten and David Webb from Tulia and Pete Arnold of Olton. Alternates selected by the judges were Melannie Daniels and David Webb. Serving as judges were H. M. Baggarly, editorial columnist with The Tulia Herald, Nelda Criswell, speech and drama instructor at Estacado Junior High School in Plainview and Trish McAdams, speech and drama instructor at Wayland Baptist University.

EXTENSION HOMEMAKERS TO HAVE LAST REGULAR MEETING

The Progressive Extension Homemakers will be having their last regular meeting of the year on Monday, May 27. A program has been planned that will be of interest to new members.

Anyone interested in joining an Extension Homemakers Club is invited to attend.

The club will be electing officers and setting up committees for the coming year. Ideas will be presented for the club's float in the County Celebration Parade.

The meeting will begin at 7:00 p.m. in the Pioneer Room at First State Bank. Everyone is welcome.

A Price Rollback . . .

An Open Letter to the High Plains Farmer —

As you may have heard, on April 15th we rolled back the price on one of the longest standing, most successful stubble mulch blade plow ever made.

Over the years we've heard the kind remarks farmers have made about our blade plows. We've heard too the reports from farm sales and machinery dealers about the high resale value our blade plows have maintained year after year.

We've been pleased but knew we could at best only thank God and continue on in the challenge to find new ways to improve our line. And in that endeavor you've seen us pioneer and introduce ways to plant seed in the very residue you'd been saving so successfully with conservation tillage. (Then you had to destroy that same residue at planting time in order to get your drills through!)

The research and development required to come up with new farming procedures is not cheap. So — "Why, in light of all this would we turn the price back to 1981 on our KM Model plow line?"

Glad you asked! Here's why:

We need you and we want to sell our machinery to you. We're shocked to realize that everytime a farm fails, we've lost a customer. We know our prices need to be where they were before April 15th in order for us to experience normal, long-range progress. But we also know that in many ways "down on the farm", this is a time for entrenchment and survival. We know that, like it or not, we are with you in this. So that's the 1st reason: we are going to do our part to make it possible for you to buy the machinery you need — the machinery you have probably needed for some time, but have not been able to purchase.

*The 2nd reason picks right up at the topic of **Need**. Never before have farmers needed to slash production costs while realizing increased crop yields more than now. Our machinery can do that for you with fewer trips, increased moisture retention, effective fertilizer placement and a reduction in the number of machines you even need to own. **But you have to own (or lease) the machine before it can help you!***

Now that I've told you what's behind our bold pricing move, please give us a chance to show you, first-hand, the wisdom in operating our state-of-the-art conservation planting and tillage farm equipment. Check with your Flex-King dealer now for a deal that will be tough to beat.

Memorial Day Traffic To Increase

The Memorial Day holiday is the first holiday of the year where traffic using the highways of Texas will increase considerably.

Major V. J. Cawthon, Regional Commander of the Texas Department of Public Safety, cautions motorists of the increased dangers of holiday traffic. "Memorial Day holiday signals the beginning of summer fun and outdoor activities. It also signals the beginning of more traffic on our highways. Along with increased traffic, the danger of more accidents and more deaths always follows," he said.

He noted that heavy holiday traffic will bring out the best and the worst driving habits. Some drivers recognize the hazards and compensate for them, while

others become frustrated or angry. The frustrated or angry driver then becomes a hazard that can kill or maim others.

Major Cawthon advised, "Traffic and activities around our recreational areas will be heavy. It seems when people are enjoying themselves in these areas, alcoholic beverages play a big part in their enjoyment, so drivers need to be especially observant for the drunk driver."

The Department of Public Safety Troopers will especially be on the lookout for the speeder and the drunk driver as these two violations kill over half of the people killed in traffic each year. As a precaution, slow down, wear your seat belt, and don't drink and drive to insure your safe Memorial Day holiday.

CHILDREN'S MIRACLE NETWORK TELETHON TO AIR LIVE JUNE 1-2

On June 1-2, the third annual Children's Miracle Network Telethon will air live from the Osmond Entertainment Center in Orem, Utah. The Telethon, produced by the Osmond Foundation, benefits pediatric hospitals throughout the United States and Canada. With over 130 television stations carrying the show, the Children's Miracle Network Telethon is the second largest telethon in the world.

The Telethon is a unique concept in children's hospital fundraising. All of the funds raised go directly to the pediatric health care center in the care region of the donor. Viewers, therefore, are able to donate directly to the facility that cares for the children in their community.

"I am excited about my association with the Osmond Foundation and children's hospitals," said John Schneider, National Co-Chairman and Host of the Telethon. "We have a great team here dedicated to improving the quality of life for all children."

A host of television, movie and recording artists will appear on the 21-hour telethon, including Schneider and National Co-Chairman and Host Marie Osmond. Marilyn McCoo and Merlin Olsen act as co-hosts for the production.

"The first two years of the Telethon have proven to be very successful in our efforts to raise funds for the participating hospitals," Marie Osmond said. "In 1985, we will be in more than 130 markets and that means only one thing: more and more children will continue to benefit from this tremendous effort."

In this area, the Telethon is being sponsored by the Panhandle Emergency Medical Service, of which the Silverton Volunteer Ambulance Service is a member. The local ambulance service will be making an appeal for donations, which will be used by the neo-natal and pediatric units at Northwest Texas Hospital in Amarillo.

An unsurpassed degree of volunteerism keeps the cost of the production low, allowing all the money raised to remain in the area of the donor. All of the celebrities who appear on the show donate their time and talents. In addition, studio facilities, air travel and hotel accomo-

dations are donated.

"I can never do enough when it comes to helping children," said Schneider, who spends a great deal of his time throughout the year visiting Telethon hospitals, along with his dedicated co-hosts. "We were so thrilled with the amount of money raised the first two years and we couldn't have done it without the celebrities, the corporate sponsors, and the people who opened their hearts and contributed."

"Children, no matter what color, what race, what religion, deserve a chance at life," Ms. Osmond concluded. "we're out to give it to them."

SVA Service Hears Program By Dave Clark

Dave Clark, a respiratory therapist and director of Panhandle Emergency Medical Services, presented a program on pediatric respiratory emergencies at the meeting of the Silverton Volunteer Ambulance Service Tuesday night of last week.

Mr. Clark also presented information on the Children's Miracle Network Telethon, to be carried by KAMR-TV June 1-2, which is being sponsored by Panhandle EMS. The Silverton Volunteer Ambulance Service will be a sponsor of the telethon.

Anthony Kingery presented new ambulance forms to be used starting next month, and also called attention to an article about Betty O'Rourke which commended her for the fine job she did with Panhandle Emergency Medical Services and in her similar job now in Orange County, California.

Tom Burson, vice-president, conducted the meeting in the absence of President Lynn Frizzell. Refreshments were provided by Danny Francis.

Attending the meeting, in addition to those already mentioned, were Dale McWaters, Larry Comer, Dick Roehr, Bruce and Susie Tiffin, Janice Hill, Roland Asebedo, Jarus Flowers, Diamond Williams, Glenda McGavock, Mary Ann Sarchet, Bill and Della Boling, James Edwards and LaRue Garvin.

LOCAL STUDENT AMONG 1985 SPC GRADUATES

Mrs. J. L. (Faye) Self of Silverton was among South Plains College's largest graduating class approved to receive diplomas during SPC's 27th Commencement Exercises recently.

A total of 603 students were approved to receive associate degrees or certificates of proficiency during ceremonies here. More than 3,000 persons attended graduation held in Texan Dome.

"We are very proud of the accomplishments of these men and women who are graduating from South Plains College," said Dr. Marvin L. Baker, college president. "They are to be commended for reaching a major goal in their lives. We know their families are equally as proud of them as we are."

Mrs. Self received a certificate of proficiency in vocational nursing.

The graduates were certified by Dr. Orlo Sundre, dean of arts and sciences; Frank Hunt, dean of the TVO Division, and Dr. Ronnie Glasscock, dean of the Lubbock campus. Gary Stacy, chairman of the SPC Board of Regents, presented the diplomas.

"People ask you for criticism, but they only want praise."

ADVANCED TILLAGE CONCEPTS

XL Series Blade Plows: The NEW BREED in Conservation Tillage.

Finally there's a Blade Plow that keeps pace with the demands of modern horsepower. The new Flex-King XL Series is a heavy-duty tillage tiger, with husky 4" x 5" and 4" x 6" steel tubing construction. It's also versatile. Optional bolt-on frogs allow changing from 75-degree to 100-degree blades, or even adding subsoilers when desired. Convenience and safety are emphasized with simplified individual wheel leveling adjustments and tandem transport wheels (optional on some models). Choose the model that best matches your acreage, from 4 to 9 sections in 20' to 54' cutting widths. Every model in the XL Series continues the Flex-King tradition of terrain-hugging tillage consistency. And they bear the most respected name in stubble mulch farming. Flex-King. MRS. ARVIN WAYNE HENDERSON

Francis-Henderson Vows Exchanged Here Saturday

Miss Katy Francis became the bride of Arvin Wayne Henderson in a formal ceremony at five o'clock in the afternoon on Saturday, May 18, 1985. The Rock Creek Church of Christ was the scene of the exchange of marriage vows directed by Tim Johnson, minister of the Tulia Church of Christ.

The bride is the daughter of Mr. and Mrs. William Alvie Francis of Silverton, and the groom is the son of Mr. and Mrs. Joe A. Henderson of Lubbock.

The church altar was decorated with brass candelabra accented with greenery and holding white tapers, flanked by potted green plants.

Escorted and given in marriage by her father, the bride wore a gown she had made of white satin designed with fitted bodice and sweetheart neckline. The dress featured full puffed elbow-length sleeves and a full skirt and train which flared from pleats at the V-shaped waistline and ended in a deep ruffle. She completed her ensemble with a traditional veil and formal-length white gloves, and carried a cascading bouquet of white roses and baby's breath atop a white Bible given to her by her aunt, Mrs. Joe Young.

To carry out bridal tradition, she wore her grandmother's engagement ring for something old, her dress was something new, she borrowed her mother's pearls and added a blue garter.

Matron of honor was her sister, Mrs. Becky Drew of Coppel, Texas. Bridesmatron was her sister-in-law, Mrs. Michelle Francis of Silverton.

Candles were lighted by Miss Dani Whitfill of Oklahoma City.

They wore tea-length gowns of sweetheart red taffeta designed with puffed short sleeves, fitted bodices and gathered skirts. They carried nosegays of white roses and baby's breath. The candlelighter's flowers were made into a wrist corsage.

Barry Francis of Silverton, brother of the bride, and Mrs. Brenda Gaskins of Lubbock sang traditional wedding selections.

Jared Francis of Silverton, nephew of the bride, was ring bearer. The pillow he carried was made of satin from the bride's dress and was trimmed with hand-crocheted lace belonging to the bride's great-grandmother, the late Mrs. W. J. Carter, and seed pearls that the bride's mother wore on her wedding veil.

Best man was Lon Henderson of Denver, Colorado, brother of the groom. Groomsman was Mike Gregg of Lubbock.

Guests were seated by Kevin Drew of Coppel, brother-in-law of the bride, and Dave Word of Midland.

A reception followed the ceremony in the church fellowship hall.

Serving cake and punch at the bride's table were Miss Aimee Francis of Silverton, cousin of the bride, Mrs. Billy Perry of Amarillo and Karen Irvin of Lubbock. The table was covered with a lace cloth and was accented with a brass and marble candelabra accented with red roses and baby's breath and holding white tapers.

**TEXAS SQUASH—THE
THREE-V VEGETABLE**

Squash has been popular since the Pilgrims landed in North America. In fact the squash was first discovered in 1540 by one of Coronado's scouts. Today squash is usually classified as "summer" or "winter." However these terms are no longer correct, primarily because soft-shelled small immature squash (summer) and hard-shelled, mature large squash (winter) are both available year around. Remember, the terms "summer" and "winter" do not refer to the season but to the stage of maturity at the time of harvest.

Squash is one Texas vegetable that is versatile, has many varieties and is full of vitamins—the three v's.

The main varieties of soft shelled squash are Zucchini or Italian squash—which is light to dark green in color; Yellow Crookneck and Yellow Straight-neck—which are both light yellow in color; Scallop or Patty Pan squash is a pale green bowl shaped squash. It's edges have a scalloped appearance.

These varieties of squash are grown commercially throughout the state and in numerous home gardens and they are available from May through September. In fact these soft shelled varieties are at their peak from June to August.

When selecting soft shelled varieties, remember to select squash which are small to medium in size. The rind should be tender. The soft-shelled squash should be purchased and used within one or two days.

All varieties of squash are low in calories. A half cup of cooked squash contains about 14 calories. Hard-shelled squash contains 38 calories. Soft-shelled varieties are good sources of vitamin C, hard-shelled are excellent for vitamin A. Both hard and soft shelled squash are low in sodium and can be prepared in a variety of ways.

Soft shelled squash is usually served sliced, steamed and buttered or used in casseroles and vegetable dishes. Hard shelled squash is usually cut in half and baked; after the seeds are removed the cavity provides a natural cup for stuffing or filling with butter, cinnamon and brown sugar.

If you purchase squash from

the supermarket, farmers market, roadside stand or grow it in your garden, be sure to try these recipes from the Texas Department of Agriculture.

SQUASH BAKE

- 2 lb. chopped or sliced yellow squash
 - 2 sm. chopped onions
 - 1 can condensed cream of chicken soup
 - 1 cup sour cream
 - 1 cup drained, sliced water chestnuts
 - 1 stick butter
 - salt to taste
 - 4-5 cups croutons
 - 2 cups grated cheddar cheese
- Cook squash and onions until tender. Mix soup, sour cream and water chestnuts with drained squash and onions. Melt butter and add to mixture; salt to taste. Line a large baking dish with 1/2 croutons, cover with grated cheese and squash mixture. Top with rest of croutons. Bake at 350 degrees F. for 20-25 minutes. Freezes well. Serves 8-10.

**MEXICAN DOUBLE
BATTER SQUASH**

- 4 large zucchini squash

DRY BATTER

- 3 cups flour
- 1 cup biscuit mix
- 2 tablespoons salt
- 1 tablespoon black pepper
- 1 teaspoon garlic salt

WET BATTER

- 1 egg
 - 2 cups buttermilk
 - 1/2 cup biscuit mix
 - 1 cup ice water
 - 1 tablespoon oregano
- Slice squash lengthwise. In separate bowls, combine ingredients for dry and wet batters. Dip squash slices in batters, going from dry to wet and back to dry. Fry in oil heated to 350 degrees F. until golden (20-30 minutes). Serves 8.

**PROGRAM PRESENTED ON
RONALD McDONALD HOUSE**

On May 9, 1985, the Silverton Young Farmers met in the Silverton Ag Shop. Richard Leggett from the Ronald McDonald House was guest speaker. A film was shown.

The Ronald McDonald House is for anyone who has children in the hospital.

Mike Delano reported on the Little Wrangler Rodeo.

Those present were Hand Baird, Rick Hester, Tobe Riddell, Mike Delano, Dale McWaters, Abel Asebedo, Wayne Stephens, Clinton Dale Dickerson, Wayland Fitzgerald and Calvin Shelton.

The first woman to be admitted to practice before the U.S. Supreme Court was Belva Ann Bennett Lockwood in 1879. Her admittance was enabled by a Congressional action titled "an act to relieve certain legal disabilities of women."

Hip Hip Parade!

There will be a parade Saturday, June 1, to kick off the fun-filled week of Vacation Bible School scheduled for June 3-7 at the First Baptist Church in Silverton.

Children three years old through sixth grade will come together Saturday at 10:00 a.m. in front of the First Baptist Church for a "best decorated bike" contest. The parade will then start from the church, heading south down Loretta, back up Main and around the square. Local merchants will be able to see the parade between 11:00 and 11:30 a.m.

All children are encouraged to participate in the fun. There will be a picnic at the park following the parade. Children need to bring sack lunches; drinks will be provided. All activities will conclude at 1:00 p.m. with transportation provided.

HONOR GRADUATES NAMED AT VALLEY

Sarah Hewett, daughter of Mr. and Mrs. Rayford Hewett of Quitaque, is valedictorian and Kayleen Green, daughter of Mr. and Mrs. Keith Green of Turkey and granddaughter of R. C. and Kathleen (Smithee) Green, is the salutatorian at Valley High School.

Stacie Rothwell, daughter of Mr. and Mrs. Gordon Rothwell of Quitaque, is valedictorian and Paula Scoggins, daughter of Finis and Henrietta Scoggins of Quitaque, is salutatorian of the Valley Eighth Grade.

Change Announced In Preschool Schedule

Changes have been made beginning in September for the Children's Rainbow Preschool.

Classes are available for two, three and four year olds. ALL classes will meet only once (1) a week for three hours. Costs will be:

Monthly Fee	\$15.00
Material Fee	\$15.00
(Covers Sept. to Jan.)	
Insurance	\$ 3.50

Snacks are provided.

The program provides many learning experiences in art, music, language art, gross and fine motor skills, as well as social growth. A positive self concept is one of the important developments of a child. At Children's Rainbow a positive self concept is developed:

As a child is loved unconditionally and accepted as a child

As a child has many success experiences, "I can do it!", is a phrase of triumph and accomplishment

As a child is recognized to be an important part of the group by adults and other children

As a child recognizes responsibility for the well-being of the other persons in the group and learns to share and acknowledge the rights of others

Applications are being taken now for substitute teachers.

It is extremely important if you are interested in sending your child to preschool next fall

that you contact Gail Wyatt at 847-2570 now.

Briscoe County 4-H Happenings

4-H'ers around the county have been active as of late in several project areas, says Dirk Aaron, County Extension Agent. Members of the Horse group meet every Friday evening at 6:30 o'clock in the Wood Memorial Arena in Silverton. The group also had its first Trail Ride of the summer on the Lower Barrel Ranch. The ride was hosted by Johnnie Burson, and a total of 21 riders participated. The event was highlighted by a hamburger cookout afterwards. 4-H'ers expressed thanks to Johnnie Burson, and thanks all the 4-H leaders for their work in organizing the ride and cookout.

State Roundup-bound Senior 4-H'ers are hosting a 4-H dance at the County Show Barn May 25 beginning at 9:00 p.m. The purpose of the dance is to help raise the money to send our nine Senior 4-H'ers who qualified for the State Roundup to Texas A&M University June 4-5-6. Music for the dance will be provided by "Finger Pick'n Good". Members of the band are all 4-H members themselves, from the South Plains area. Cost will be \$5.00 per person at the

door. Everybody is invited!

4-H'ers also have a May 25 deadline to register for the 4-H camps this summer (4-H Electric Camp and 4-H Leadership Camp). Electric Camp is sponsored by Southwestern Public Service Company and is held June 17-21 at Clouderoft, New Mexico. The camp is for all 4-H'ers from age 14-19. The 4-H Leadership Camp is held at South Plains College in Levelland June 11-13. The camp is for 4-H'ers from age 14-19. Complete information on the camps is in the May edition of the Briscoe County 4-H newsletter or at the County Extension Office. All interested 4-H'ers and parents are asked to remember the May 25 deadline. We will accept call-in registration.

For more information on 4-H activities in Briscoe County, contact Dirk Aaron or Lynda Fogerson at the County Extension Office.

MODEL MEASURES INDUSTRIAL IMPACT

The pros and cons of a new industry coming to a small town in Texas can be determined through the use of an Industrial Impact Model.

The IIM is a computerized decision-aid which measures the expected fiscal impacts when a new industry is established in a local community.

Developed by the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service of The Texas A&M University System, the model is a general representation of the economic structure of a community. Sources of change are introduced and analyzed within the model to calculate the impacts on major segments of the local economy, notes a community services specialist with the Extension Service.

shalt love the Lord thy God with all thy heart, and with all they soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

The basis of God's first and greatest commandment is love. God gave man the freedom to choose ... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

McDonald Receives Doctor's Degree

Lynn Dale McDonald received his doctor of philosophy degree from Texas Tech University in exercises held in Lubbock Saturday, May 11.

A native of Quitaque, he is the son of Mr. and Mrs. Horace McDonald. He was reared on a farm and finished high school in Quitaque in 1960. He attended Tech and received his bachelor's degree in agricultural education in 1965. He was employed by Paymaster Seeds' Hybrid Sorghum Production department where he was responsible for foundation seed production in the San Joaquin Valley of California.

From 1966 to 1969, he served with the U. S. Army as information specialist with a one-year tour of duty in Vietnam. In 1969, he entered the University of Arizona and received his master's degree in plant breeding in 1971.

Employed by Coker's Pedigreed Seed Company in 1971, McDonald was an assistant cotton breeder in South Carolina before moving to Tunica, Mississippi in 1973. While in Mississippi he was responsible for cotton and soybean research in the Mississippi Delta. In 1976, he moved back to Lubbock, where he was a cotton breeder and in 1979 was given the additional responsibility of Research Station Manager and sorghum breeder. In 1983 he

entered the Graduate School at Texas Tech.

He spent six months in the Sudan, North Africa in 1984 where he was a hybrid sorghum production consultant for Washington State University on a USAID project. After he returned from North Africa, he completed a publication on hybrid sorghum production in the Sudan in January 1985.

He is married to the former Doris Estes, daughter of Mr. and Mrs. Jack Estes and is the sister of Dewey Estes of Silverton. They have two daughters, Anessa and Amy, and reside at Ransom Canyon, near Lubbock.

Garrison, Flowers Are Top Grads at Tulia

Joe Garrison, son of Mr. and Mrs. Tom Garrison, is valedictorian of Tulia High School with a four-year average of 98.37. Michael Flowers, son of Mr. and Mrs. Jarus Flowers, is salutatorian with a scholastic average of 97.71.

Garrison is a great-nephew of Don and Pascal Garrison of Silverton, and Flowers is a former student in the Silverton Schools.

Garrison was in the gifted and

REMEMBER THESE SAFETY TIPS

- Watch for power lines when climbing in trees.
- Do not climb electrical poles, towers or structures.
- Do not trim trees near power lines.
- Do not set ladders or scaffolds near power lines.
- Do not shoot at insulators on poles, towers or structures.
- Never climb on or go inside a substation fence. Call SPS to help you retrieve anything thrown into the substation or caught in its fence.
- Avoid using electrical tools like lawn mowers or hedge clippers when grass and leaves are wet.
- Be careful when digging. Call SPS to find out if there are any buried electrical lines in the area.
- Electrical cords should not be spliced or taped. Repair by shortening them or replace them entirely.
- Beware of exposed wires.
- Don't touch portable appliances (coffee makers, radios, hair dryers, etc.) with wet hands or while standing or sitting in water.
- Don't post signs on utility poles. A lineman hitting a nail with his cleat could slip and fall. Also, nails can snag protective gloves and destroy their insulation value.

A brief statement of the nature
of this suit is as follows, to-wit:

SUIT FOR DIVORCE and
INTEREST OF MINOR CHILD,
as is more fully shown by
Petitioner's Petition on file in
this suit.

The officer executing this
process shall promptly execute
the same according to law, due
return as the law directs.

Issued and given under my
hand and the seal of said Court,
at office in Silverton, Texas this
the 16th day of May, A. D. 1985.

ATTEST:
Bess McWilliams, Clerk,
District Court,
Briscoe County, Texas

**CONTRACTORS' NOTICE OF
TEXAS HIGHWAY
CONSTRUCTION**

Sealed proposals for construct-
ing 71.004 miles of Special Seal
Coat on various limits in Child-
ress, Briscoe and Hall Counties,
On US 83, SH 86, SH 70, US 62
and SH 256, covered by CSB
31-5-25, CSB 303-2-11, CSB 303-3-
28, CSB 311-2-21, CSB 311-3-8,
CSB 381-1-11 and CSB 541-2-19
will be received at the State
Department of Highways and
Public Transportation, Austin,
until 9:00 A.M., June 7, 1985, and
then publicly opened and read.

Plans and specifications includ-
ing minimum wage rates as
provided by Law are available
for inspection at the office of
James G. Freeman, Resident
Engineer, Childress, Texas, and
at the State Department of
Highways and Public Transporta-
tion, Austin, Texas. Bidding
proposals are to be requested
from the Construction Division,
D. C. Greer State Highway

**Certified Letters, Publication of
Delinquent Accounts Planned**

Delinquent tax notices will be
mailed out May 30 to all
delinquent taxpayers for Briscoe
County, Silverton I.S.D., City of
Silverton and Mackenzie Muni-
cipal Water Authority.

Carlye Hill, chief appraiser,
reminds taxpayers who have not
paid their 1984 taxes that their

accounts must be turned over to
the delinquent tax attorneys on
July 1, which will add an
additional 15% to their taxes
along with an 18% penalty and
interest for the month of July.

According to the Texas Tax
Code, in each year divisible by
five, "certified letters shall be

mailed" to all taxpayers who
have more than the current
year's taxes due.

Certified letters which are
returned to the tax office and
persons for whom the tax office
does not have current addresses
will be published in the local
newspapers.

The tax office and other offices
in the courthouse will be closed
Monday, May 27, for Memorial
Day.

Mr. and Mrs. Bern May and
Mr. and Mrs. Clifton Stodghill
went to Lubbock last Saturday
and met Bryan Garner of Bakers-
field, California. They visited
Donna Majors and Carol Stodg-
hill, then went on to O'Donnell
for the funeral of John L. Ellis.
They also visited with Dr. and
Mrs. C. H. Murphy of Lamesa,
former pastor of the First
Baptist Church in Silverton.

CARDS OF THANKS

We would like to thank everyone who worked on all the tree projects to beautify Silverton. Much obliged for a job well done!
City of Silverton

My secret friend, who can she be?
The gal who's been so good to me?
A dish, a rose, and pretty mugs,
Sunshiny verse—all these are "hugs."

So secret pal, I thank you dear,
For making this a special year,
With loving wishes that you send,
I'm glad you are my secret friend.
Love,
Lanita

A special thank-you to the Athletic Club, its many members, and to all the athletes of Silverton for the floral arrangement honoring Mr. Loyd. He was a Silverton "roter" fan. He missed going the last year due to failing health and eyesight, but you were in his thoughts. May God bless all of you.
Irene Loyd

We want to thank everyone for the cards, calls, flowers, food and every expression of kindness. A special thanks to the paramedics for their quick response.
Jack Graham and family
Carl Graham

The athletes and coaches of Silverton High School would like to express appreciation for the Athletic Banquet Saturday night. We thank you for all you've done to make this year a success.

We take this method of expressing our sincere thanks and appreciation to the Silverton Volunteer Fire Department and Silverton Volunteer Ambulance Service for the excellent service given the community.

You are never too busy, whether it be for a fire, an individual needing immediate medical attention or one needing transportation to a hospital; each of you respond quickly when called upon, work unselfishly and untiringly, performing your duties to the best of your knowledge and ability.

These are those who make sacrifices from home and family to further their training to better serve the community and mankind.

We are so grateful to all of you—may those in the community be ever mindful also that you are to be commended for a job "well done."
