Owls To Scrimmage Cotton Center Today

Silverton's Owls will scrimmage Cotton Center here today (Thursday) at 5:00 p.m. This will be followed by a scrimmage between Miami and Three Way here at about 7:30 p.m.

Saturday, August 24, Hermleigh and Texline will scrimmage here beginning at 11:00 a.m.

The Owls will scrimmage Miami here Friday, August 30.

Regular season games will open with Patton Springs here at 7:30 p.m. Friday, September 6. The rest of the schedule will include Higgins, there, Friday, September 13, 7:30 p.m.; *South-

land, here, 7:00 p.m., Friday, September 20; Smyer and Higgins play here Saturday, September 21; September 27 is an open date; *Cotton Center, there, 7:30 p.m., Friday, October 4; *Three Way, here, 3:30 p.m., Saturday, October 12; *Dawson, there, 7:00 p.m., Friday, October 18; *Wellman, here, 7:30 p.m., Friday, October 25; *Loop, there, 7:00 p.m., Friday, November 1; *Whitharral, here, 7:00 p.m., Friday, November 8; *Texline, there, 7:00 p.m., Friday, November 15.

*Denotes district games.

Shely Brings New Optimism To Silverton

The Silverton Owls have rededicated themselves toward getting their football program back on its feet, and head coach Jack Shely couldn't be happier.

After coaching six-man football for 10 seasons, including the last four at Leuders-Avoca, Shely has established himself as a proven winner with a career record of 55-38. Now he has set his sights on making a winner out of Silverton, a school Shely says "lacks a winning tradition."

"Silverton hasn't had a lot of

success in the past," said Shely, "but they worked real hard during the off-season and I think they have more desire now than ever before. The desire has been real good. I guess you'd call it rededication."

Call it rededication, call it tired of losing, call it whatever you want, but Shely and the Owls have serious plans for turning things around—immediately.

"I think we're going to sur-

P-TA To Have Back-to-School Party

The Silverton P-TA will hold a back-to-school party for its members Saturday, August 31, from 8:00 until 10:00 p.m. at the swimming pool.

Members are invited to attend and to bring their families.

P-TA members need to bring cookies or brownies and need to furnish their own drinks.

Hamburger Cookout Planned At Concession Stand

The Silverton Booster Club will sponsor a hamburger cookout Tuesday, August 22, at the football field concession stand.

Everyone is invited to come and eat.

Swisher County Fair Set September 6-7

Swisher County Fair Board met and finalized plans for the upcoming Swisher County Fair. The date has been set for September 6-7 at the Swisher County Show Barns.

Some of the many divisions are baking, clothing, canning, crafts, flowers, photography, painting, steers, heifers and sheep.

Fair books are ready and may be picked up at the Extension Office.

Everyone needs to start getting their entries ready now for the "Best Little Fair in Texas '85'."

Teachers To Begin In-Service Monday

Teachers in the Silverton Schools are set to begin their in-service days Monday of next week, and will continue through Friday.

Monday, September 2, will be the Labor Day holiday, and school opens for students on Tuesday, September 3.

The first six weeks ends Friday, October 11, and the

second six weeks ends Friday, November 22. November 28-29 have been designated as the Thanksgiving holiday.

School will be closed December 23 through January 1 for the Christmas-New Year holidays, and the first semester tests will be given January 15-16. January 17 will be a teacher in-service day.

The week of February 24-28 will be a school vacation.

The fourth six weeks ends Friday, March 7, and March 12 will be a teacher in-service day. March 31 has been designated as a holiday.

The fifth six weeks ends April 18, and April 21 is a holiday.

Second semester tests will be given May 28-29, and graduation is scheduled for Friday, May 30, which is also a teacher in-service day.

The school calendar provides for eight teacher in-service days and 174 teaching days.

Booster Club Organizes For New School Year

Silverton Athletic Booster Club met Monday and elected officers. Those to serve are Fred Edwards, president; Doc Simpson, vice president, and Kathy Frizzell, secretary-treasurer.

Dues were set at \$5.00 an individual and \$10.00 a family.

Everyone is reminded that Booster Club is NOT just for football. The money raised is used for all sports—both boys and girls. Parents of all athletes are asked to help.

Workers for the concession stand at this week's scrimmages are:

Thursday, August 22
5-7 Joe and Vaughnell Brannon, Carolyn and Bennie Reagan

7-9 Dwight and Anita Ramsey, Stan and Lynda Fogerson
Saturday Morning
Doc and Sharon Simpson, Pat and Fred Edwards

The next meeting will be Tuesday, August 27, at 7:30 p.m.

Senior Citizens who attended a performance of "Texas" in Palo Duro Amphitheatre were pictured in front of the center before their departure. They are Wayland Fitzgerald, president; LaNell Hill, Vivian Hughes, Pauline Chitty, Grace Vaughan, Lucy McDaniel, Myrt Edwards; Jeggie Bomar, Jewel Lowrey, Syble

Teeple, Bailey Hill, Berton Hughes, Flo Fitzgerald, Blanche Copelin, Billie McDaniel; Frances Kellum, Susie Autry, Mary Martin, Letha Lanham. The grass and flowers around the center have been beautifully kept this summer by one of the group's special committees.

20-Year Reunion Held At Lake Mackenzie

Members of the Silvertown High School Class of 1965 held their 20-year reunion Friday afternoon, August 9, and all day Saturday, August 10, at Lake Mackenzie.

Sixteen of the 36 members of the class attended, including Tom and Dianne (Davis) Bridges, Sharrell and Cody, Levelland; Gary and Chyrel (Coward) Pelfrey, Fred and Diane Stafford, Jeanne (Davis) McLeland, all of Amarillo; Rocky Curby, Shawn, Shannon and Shara, San Jose,

California; Gary and Nena Hunt, Clint and Kayla, Clarendon; Jerry and Brenda (Martin) Smith, Brandon and Jason, Turkey; Sam and Camellia (Comer) Hudgens, Stefanie, Jennifer and Matt, Woodward, Oklahoma; Greg and Judy Towe, Kirk and Todd, Bonham; Max and Kay Garrison, Walt and Cody, Canyon; Larry McWilliams and Lori, Snyder; Tena (Williams) Mattheus, Lubbock; Robert and Linda Bomar, Midland; Garner and Dorcas Garrison, Curt, Cole and Christa, Fred and Pat (Cagle) Edwards, Tammi and Neal, Terry and Ann (Smith) West, Brad and Brian, all of Silvertown.

Other visitors included Bess McWilliams, Addlene Towe, Peggy Fleming, O. C. and Faye Rampley, Pascal and Donaleta Garrison, James and Annell Davis, all of Silvertown; Marcalyn (Lee) Gregg, Ty and Dax, Amarillo.

Shely Brings New Optimism To Silvertown

Continued From Page One

prise some people," Shely said. "If we can stay away from injuries and House Bill 72 doesn't butcher us, I think we have a real good chance of getting into the playoffs."

Some big talk for a squad that chalked up an overall record of 3-7 a year ago, finishing eighth out of nine teams in District 1-A with a 2-6 mark.

Members of the SHS Class of 1965 met at Lake Mackenzie recently for their 20-year reunion. Attending were [standing, left to right] Robert Bomar, Max Garrison, Rocky Curby, Greg Towe, Garner Garrison, Ann [Smith] West, Larry McWilliams, Brenda [Martin] Smith, Tena

[Williams] Mattheus, Camellia [Comer] Hudgens, Gary Hunt, Freddy Stafford; [kneeling] Pat [Cagle] Edwards, Dianne [Davis] Bridges, Jeanne [Davis] McLeland, Chyrel [Coward] Pelfrey.

Much of Shely's optimism is supported by the fact that Silvertown returns four offensive and five defensive starters, which will give the Owls some good experience on the field.

The offensive backfield returns intact, including senior quarterback Cal Brannon. Brannon, a 6-foot-3, 170-pounder, is a four-year starter for Silvertown and will be an important cog in the Owls' offensive machine.

"He's been throwing the ball really well," Shely said of his ace signal caller. "He's going to be an outstanding passer, and that will really open up our offense."

Brannon should get plenty of protection from his veteran front line, where the Owls have three returning linemen entrenched for another season. Returning are senior Joe Ted Edwards, a 5-7, 165-pound end, and junior ends Corey Robertson, a 6-1, 150-pounder, and Sloan Grabbe, a 6-1, 190-pounder.

Senior Todd Reagan will be moved from offensive end to running back in an effort to strengthen the ground game. The 6-1, 175-pounder also will be the Owls' starting linebacker on defense.

"Our main strong point is that we have good size for six-man," Shely said. "We don't have anybody that's real big and we don't have anybody that's real little."

"Our biggest weakness is that we don't have a lot of true speed. Overall, our team speed is not real good. More importantly though is the fact they don't know how to win. There's a lack of winning tradition. That's the main drawback."

"But they're the hardest working bunch of kids I've ever had, and I think we have a good chance at winning the district or at least getting into the top two spots. We have the talent. If we can put it all together, I think we have a real good shot at it."

Stove grills can be cleaned by soaking them overnight in hot water and two cups of detergents.

GERMANS PAYING HIGH PRIZE FOR FREEDOM TO HIT THE GAS PEDAL

Germans may be paying a higher price than they realize for the freedom to hit the gas pedal, says "International Wildlife" magazine. Exhaust fumes from

speeding cars, traveling faster than 100 miles per hour on "autobahns," are now thought to be a leading culprit of acid rain—killing spruce trees throughout the fabled Black Forest in southern Germany.

No government speed limits are yet in sight, and auto emission standards, in effect in the U. S., are still years away.

Miss Fitzgerald Is Shower Honoree

Miss Kim Fitzgerald, bride-elect of Cliff Oldham, was guest of honor at a miscellaneous shower from 10:00 until 11:00 in the morning on Saturday, August 17, in the Pioneer Room at First State Bank in Silverton.

Guests were registered by Miss DeLynn Fitzgerald, sister of the honoree.

Sausage balls, muffins, donuts and punch were served from a table covered with a white lace cloth over brown by Misses Penny Cogdell and Brenda Boling. The centerpiece was an arrangement of brown and apricot flowers with ducks on either side.

Attending from out of town were Nanette and Russell Kennedy of Levelland; Clara Inglis and LaNell Montague, Tulia; Suzette Fitzgerald, Amarillo, and Mr. and Mrs. J. H. Oldham of Samnorwood.

Hostesses were Mmes. Bobbye Bean, Della Boling, Norma Vaughan, Mike Settle, Clara Inglis, Sally Brown, Polly Jarrett, Sandy Harris, Carolyn Reagan, Bette Cogdell, Rosemary Perkins, Mary Jane Patton, Waynelle Couch, Shirley Henderson, Beverly Bowman, Kathy May, Brenda Patton and Miss Penny Cogdell, and their gift to the couple was a set of cooking ware.

Thursday afternoon, Mr. and Mrs. Ronald Vaughan of Arlington visited their aunt, Mrs. Ollie McMinn.

Saturday, Mrs. Ollie McMinn attended the wedding of her niece, Sonya Henderson, at First Baptist Church in Plainview.

Tires underinflated by as little as five pounds can rob drivers of as much as a half gallon of gas out of every twenty.

FACULTY FILLED, READY FOR NEW SCHOOL YEAR

Vacancies in the school faculty have been filled, and all is in readiness for another new school year.

Teacher assignments in the elementary and junior high schools include Mrs. Tina Nance and Miss Donna Grabbe, kindergarten; Mrs. Fern Parker, first grade; Mrs. Bobbye Bean and Mrs. Kim Mayfield, second grade; Mrs. Michele Crowell, third grade; Mrs. Norma Vaughan, fourth grade; Mrs. Mike Settle, fifth grade; Mrs. Florence Morgan, sixth grade; Miss Jane Self and Duane Reynolds, junior high; Mrs. Juannah Jennings and Mrs. Patsy Fitzgerald, special education; Mrs. Mary Ann Rauch, chapter I reading.

Assignments for high school include Jack Shely, football coach and social studies; Mrs. Annette Shely, English; Robert Loy, boys basketball coach and social studies; Miss Kelly Braisher, girls basketball coach; Gene Whitfill, math; Frank Rinehart, science; Mrs. Faye Rampley, business; Stan Fogerson, vocational agriculture; Mrs. Patsy Towe, homemaking; Mrs. Margie Pinkerton, school nurse; Mrs. Shirley Reynolds, librarian; Leonard Morgan, principal; O. C. Rampley, superintendent; Mrs. Jealeta Baird, secretary; Mrs. Pam Nease, principal's secretary.

Lunchroom workers will be Rose Mary Perkins, Stella Hall, Linda Baird and Odelia Stidham.

Janitors are Santos Garcia, Maria Garcia, Minerva Patino, Ott Perkins and Lois Hill.

Bus drivers are Duane Reynolds, Frank Rinehart and Mary Martin.

OLDER STUDENTS ON CAMPUS INCREASING EVERY YEAR

The percentage of older students on university campuses increases every year as Americans begin looking at education as a lifelong process. Project Re-entry, sponsored by West Texas State's Returning Student Program, has been designed to help the older students adjust to the university environment.

This year's Project Re-entry will take place August 24 from 9:00 a.m. to 2:00 p.m. in the Faculty Dining Room (northeast corner) of the Student Union Building. Returning students or

first-time college students 23 years old or older may participate in the special orientation sessions.

Participants will have opportunity to meet WTSU faculty and staff members, go through a mock registration, and attend study and note-taking skills sessions. They may also make friends with other returning students.

The entire day's activities, including lunch, are free to all participants. Child care will be offered at nominal cost. Phone (806) 656-2172 to make reservations to participate.

MR. AND MRS. BRYAN SHANE REAGAN

Hughes-Reagan Vows Exchanged At Booker Saturday, August 3

Miss Tracy Dawn Hughes became the bride of Bryan Shane Reagan at 7:00 p.m. Saturday, August 3, at the First United Methodist Church in Booker, Texas. The Rev. Richard Edwards, Methodist pastor from Olton, performed the double-ring ceremony in front of two cathedral arches with two candle trees holding white tapers and entwined with greenery, pink and lavender flowers and accented with lavender and pink satin bows. Baskets of greenery and candelabras flanked the arrangement.

Parents of the bride are Mr. and Mrs. Roy Hughes of Elmwood, Oklahoma. The groom is the son of Mr. and Mrs. Bennie Reagan of Silverton. He is the grandson of Mr. and Mrs. Milton Frizzell of Silverton and Mr. and Mrs. Cecil Reagan of Quitaque.

Escorted and given in marriage by her father, the bride wore a white formal-length gown of flocked dot English net. Her off-the-shoulder full multi-ruffle was edged with satin ribbon, beautifully accenting her fitted basque bodice. Her full skirt was trimmed with a multi-ruffle edged with satin ribbon and swept into a full cathedral train.

Her hat was designed especially for her to match her dress, with flocked net, satin ribbon and many pearls. She carried a colonial bouquet of lavender and pink roses, baby's breath, pink and lavender daisies surrounding a silk rose corsage, showered with long streamers.

To carry out bridal tradition, she wore a pearl necklace belonging to her great-grandmother for something old; her wedding gown for something

new; a diamond heart necklace she borrowed from the groom's mother, and added a blue garter.

Honor attendants were Bonnie Terhune of Perryton, cousin of the bride, and Shawna Boothby of Balko, Oklahoma, a friend of the bride. They wore pink voile gowns which complimented the bride's gown with their wide satin ribbon trim on off-the-shoulder ruffles and deep ruffle flounces on their floor-length skirts.

Bridesmaids were Misses Gina and Pam Hughes, sisters of the bride, and Kim Cowan, a friend of the bride. Their dresses were the same as those worn by the honor attendants. All of the attendants carried bouquets which were miniature copies of the bridal bouquet, and had circles of flowers and long streamers in their hair.

Little Miss Mindi Burke, cousin of the bride, was flower girl. Her dress was lavender and was designed similarly to those worn by the bride's attendants.

Langdon Reagan, brother of the groom, and Kyle Hughes, cousin of the bride, lighted the candles.

Master Matthew Cates of Booker, cousin of the bride, was ring bearer.

Zane and Todd Reagan of Silverton, brothers of the groom, Graig Benson, a friend from Goodwell, Oklahoma and Eric Patton of Silverton were groomsmen.

Jamie Frizzell of Silverton, cousin of the groom, Kirk Saul of Quitaque, cousin of the groom, Shawn and Darren Hughes of Booker, cousins of the bride, seated the guests.

Best man was Keith Hendricks

Jones-Bowman Vows Exchanged At Happy Friday

First Baptist Church in Happy was the scene of double-ring wedding vows joining Vicki Lynne Jones and Brian Scott Bowman on Friday evening, August 16. Performing the ceremony was Don Lacy of Canyon Hills Church of Christ.

Registering guests was Sonja Bowman of Matador. Dan Bowman of Levelland and Tom Bowman of Matador, brothers of the groom, served as ushers.

Musical selections were "God, a Woman, and a Man," "Suddenly," "He Has Chosen You for Me," and "You're the Inspiration," with Keith Harris as vocalist and Glenna Applewhite, cousin of the bride, providing piano accompaniment.

A twenty-nine branch pyramid of Brownsville, a friend of the groom.

Lola Jost of Balko, Oklahoma played traditional wedding selections and accompanied Keith and Paula Custer as they sang "The Wedding Prayer," "To Me," "Suddenly" and "You're My Only Love."

The groom's mother wore a tea-length mauve silk crepe dress trimmed with rose silk appliques and pearls, designed with long sleeves with tiny buttons, and added a lavender silk orchid corsage.

The bride's mother wore a tea-length gown of French Chantilly lace designed with a full chiffon skirt in periwinkle and matching shoes. She added a corsage of lavender silk orchids.

RECEPTION

A reception was held immediately following the ceremony in the fellowship hall of the church. Michalia Newhouse was in charge of securing the guests' names for the wedding book.

The reception table was covered with a satin cloth with net overlay applied with flowers and bells. Silver candelabra accented with flowers and votive cups holding pink candles were placed between the silver punch service and the bride's cake and next to the groom's cake. The bride's cake was made in four tiers on top of six hearts with a fountain and fresh flowers inside it and a lighted musical top with a mini-groom carrying a bride. The groom's cake was a German chocolate confection designed in a tiered heart and decorated with footballs.

Large round tables covered with lavender cloths and accented with pink flower arrangements seated the reception guests.

Reception assistants were Cindy Cates, Kelly Cates, Kristi Lemmons, Tonya Boothby, Rhonda Frantz, Vonda McEachern, Michelle Brady and Tony Harris.

REHEARSAL PARTY

A catered barbecue was hosted by the groom's parents the evening before the wedding. Tables were covered with lavender cloths accented with arrangements of pink and lavender silk roses. Pink plates were used.

Following a honeymoon trip to Colorado Springs, Colorado, the couple will be at home at Goodwell, Oklahoma where she is a sophomore and he is a junior at Panhandle State University.

The bride is a 1984 graduate of Balko High School, and the groom is a 1983 graduate of Silverton High School.

MRS. BRIAN SCOTT BOWMAN

midium tree arranged with assorted foliage and pink silk flowers served as altar focal point. Two fifteen-branch arched candelabra with greenery and pink silk flowers were arranged at each side of the tree.

The bride's sister, Karen Jones, served as maid of honor. Bridesmaids were Tanya Meador of Pampa, Angie Parker and Shelly Sanford of Amarillo. They were dressed in pink tea-length dresses of antique lace with sabrina necklines and scalloped sleeves and hems. The dresses featured a back V, satin cummerbunds and back bows. Each carried three pink long-stemmed roses tied with pink satin ribbon.

Serving as best man was Roger Cantwell of Canyon. Groomsmen were Aaron Johnson of Guymon, Oklahoma, Brad Thames of Lubbock and Marty Morris of Norman, Oklahoma. Phillip Bowman, nephew of the groom, served as ring bearer.

Given in marriage by her father, the bride chose a formal-length gown of chiffonette and English net trimmed with silk Venise lace and Schiffli embroidery. The gown featured a Queen Anne neckline outlined with pearl encrusted Venise lace appliques which cascaded onto the sculptured, basque waisted bodice. The full elbow-length sleeves of English net were edged in a scalloped leaf pattern of embroidery. The semi-gathered skirt of chiffonette was bordered with a gathered flounce, topped with a band of leaf embroidery and formed a chapel-length train. The ascot-style bridal hat of taffeta was enhanced with Venise lace motifs and pearls. A fingertip veil of illusion was caught into a pouf at the back. The cascading bouquet featured stephanotis blossoms,

dendrobium sprays, bridal white roses and baby's breath.

RECEPTION

Fellowship hall was the site for the wedding reception where a white lace cloth covered the bride's table. Centering the table were fresh pink roses and baby's breath arranged in a silver epergne. A four-tiered white wedding cake with pink sweet pea accents and pink wedding bells on top was served by Kelly Hudspeth of Amarillo. Punch was poured from a silver bowl by Cindy Jeter of Canyon.

The groom's table with white cloth and lace cap featured a fresh floral arrangement. A two-tiered cinnamon cocoa fudge cake and coffee was served by Paula Bowman of Levelland and Sonja Bowman.

The bride is the daughter of Mr. and Mrs. Joe Bob Jones of 110 Western, Happy. She was graduated from Happy High School in 1981 and will receive her BBA in administrative services from West Texas State University in December. She is employed by the Department of Financial Administration at West Texas State University.

Employed by Prairie Sunrise Sales of Canyon, the bridegroom is the son of Mr. and Mrs. John Bowman of Silverton. He is a 1981 graduate of Silverton High School and is a senior finance major at West Texas State University.

Sunday morning, Mrs. Ollie McMinn received word that her son-in-law, Melvin Watkins of Amarillo, was critically ill at St. Anthony's Hospital in Amarillo. He may have to have a foot amputated as a result of diabetes.

MRS. TOMMY BITNER

Couple Wed In Chapel of Plainview Church Saturday Afternoon

Miss Sonya Denise Henderson and Thomas Clark Bitner, both of Plainview, exchanged wedding vows Saturday afternoon at the First Baptist Church Chapel in Plainview with the Rev. Bruce Kirby performing the ceremony.

Parents of the bride are Mr. and Mrs. Dwain Henderson of Silverton and Mrs. Janet Henderson of Gallup, New Mexico. The groom is the son of Mr. and Mrs. Sam Bitner of Haskell.

Given in marriage by her father, the bride wore an original gown of white Chantilly lace trimmed with organza designed with a Queen Anne neckline, beaded Venise lace motifs on the bodice and leg-o-mutton sleeves. The skirt featured rows of Chantilly lace ruffles which fell in a waterfall fashion to a semi-cathedral train.

She wore a Chantilly lace brim hat caught at the side with flowers with pearl sprays and satin bows. A tulle veil drifted from a satin bow at the lace crown of the hat.

The bride carried a cascading white bouquet featuring white miniature roses, daisies and carnations.

Maid of honor was Lisa Hendrickson of Gallup. Bridesmaids were Dezirie Dennerlein and Pam Morgan, both of Gallup, and Susie Holder of Lubbock. They wore lilac taffeta gowns with ruffles encircling their full-length skirts and forming bouffant flounces in the back. They carried bouquets in shades of lavender and purple with full-length lavender streamers.

Kami Owens of Plainview was flower girl and Bradley Iglehart of Wichita Falls was ring bearer. Wayne and Zane Henderson of Silverton, brothers of the bride,

lighted the candles.

Best man was Dennis Iglehart of Wichita Falls. Groomsmen were Stacy Stowe of Wichita Falls, Sammy Bitner of Abilene, brother of the groom, and Kent Kazer of Wichita Falls. Ushers were Rusty Stone and Kelly Parchman, both of Wichita Falls.

Pianist for the wedding and reception was Mrs. Anne Davidson of Silverton. Soloists were Eddie Turner of Hale Center and Eddie Owens of Plainview. Sue Turner of Hale Center accompanied the vocalists.

The altar area was flanked by heart-shaped brass candelabra, gladiola arrangements on brass stands and a brass arch and memory candle arrangement. Each pew was marked with candlelight.

RECEPTION

A reception was held following the ceremony with Jill Kirchhoff registering the guests. Reception assistants were Mary Kirchhoff, Lee O'Neal, Linda O'Neal, Jeanita Stephens, Stacie Chappell, Fern Parker and Veneta Chappell.

Tonya Snider and Benita Long served refreshments at the bride's table. Kathy Perkins and Cynthia Cagle served at the groom's table.

REHEARSAL DINNER

A rehearsal dinner was hosted by the groom's parents at The Golden Corral Restaurant Friday evening.

BRIDESMAIDS' BREAKFAST

A bridesmaids' breakfast was hosted by Diane Owens and the bride.

After a short wedding trip, the couple will be at home in Midland, where he is being transferred. The bride is a

graduate of Gallup High School and has been employed by The Kirchhoff Company. The groom is a graduate of Wichita Falls Rider High School and attended

Midwestern University. He is employed as a meat market manager at M-System.

Friday afternoon visitors with

Mrs. Ollie McMinn were Mrs. Ella Fay Atkinson of Lancaster and Mrs. Ollie Mae Dorman of Hale Center, sisters of the late Bud McMinn.

Teen Board Applications Are Being Sought

Marse and Son invites young ladies turning 14 to 17 years of age before the upcoming school year to apply for membership on our 1985-86 Teen Board.

The excitement of the fashion world unfolds as you take part in seminars and discussions, make-

up and fashion clinics, special promotions, in-store modeling and a fashion show.

Activities will begin in September and continue through the school year. Applications are available in our junior department (or use the one on this

page) and must be returned by August 30.

Girls will be chosen from Plainview and the surrounding area, and selections will be made on the basis of applications. For more information call Marse & Son at 296-6381, Ext. 79.

Extension Highlights

Dirk Aaron
Briscoe County
Extension Agent

Progression of our cotton crop is as well as can be expected with bollworm counts exceeding well above the 10,000 per acre threshold. As I explained in last week's article, continue to check those fields as often as possible. In your irrigated cotton, one application may not be satisfactory to control the bollworm this year.

August 20 is the cutoff date, across the South Plains, for counting on a white bloom making a mature, harvestable boll. Anything beyond this date would be considered an exceptional year with an exceptional September.

For those of you preparing those wheat fields, it is not too early to start planning a fertilizer program.

For your producers who plan to follow wheat with wheat, fertilizer recommendation will depend upon fertilizer rates applied to the previous crop and yields obtained. Also fertilizer carryover may have been higher than normal due to heavy rust infestations which plagued us this year and reduced the crop's ability to utilize much of the applied fertilizer.

These factors and other unusual circumstances influencing the nutrient status of the soil indicate that a soil test should be a sound investment at this time, the agent explains.

Those of you who have not yet made a final decision to plant wheat this fall but wish to leave the door open to plant corn, grain sorghum or cotton next spring, can submit a soil sample now and request fertilizer recommendations for all cropping alternatives. Resulting fertilizer recommendations then can be used to assist each person in making cropping decisions.

The Extension Service Soil Testing Laboratories at Texas A&M University and Lubbock are ready to assist wheat producers in making these economically important decisions. Although new automated laboratory procedures and computerized integration and reporting of soil test results have improved speed and precision, soil test recommendations can be no better than the quality of the soil sample analyzed.

It is important to collect soil samples which are truly representative of the field being tested.

A composite soil sample should be collected from each field or area of a field to be tested. Each composite sample should consist of 10 to 15 sub-samples randomly collected with a probe or shovel and thoroughly mixed together before taking the composite sample. To sample the soil, remove the top inch and collect the soil samples to a depth of six inches.

I have at my office the necessary sample forms and data sheets to send in with each sample. Standard soil samples cost \$7.00 and an in-depth sample of micronutrients will cost \$10.00.

For more information on agri-

culture, home economics, lawn and home gardening, and 4-H Club programs, contact the County Extension Office.

It's Back to School Time For Children

Most children hate to see the summer vacation come to an end, because it means "Back to School." As the youngsters prepare to go back to school, the motorist should also prepare himself for "Back to School."

Major V. J. Cawthon, Regional Commander of the Texas Department of Public Safety in Lubbock, said, "Every year as school starts there seems to be an unfortunate rash of accidents caused by drivers who fail to follow Texas' vehicular law concerning a stopped school bus."

Major Cawthon advised, "When you see a school bus ahead, expect it to stop, especially if there are children waiting along the side of the roadway."

State law requires a driver, either meeting or following, to stop and remain stopped for a school bus when the flashing red lights are activated and children are loading or unloading from the bus. The driver of a vehicle cannot resume motion until the flashing red lights are no longer activated or the bus driver signals you to proceed.

"And of course, always be careful in the school zones and in areas where you see children walking to and from school. A driver's extra effort will pay off in preventing traffic accidents in these areas," Major Cawthon explained.

Visitors in the home of Mr. and Mrs. George Seaney and Mrs. Ollie McMinn from Friday evening until Sunday morning were Roger and Naomi Robinson of Fort Worth. She is a sister-in-law of George and a cousin of Ollie.

BRISCOE COUNTY NEWS

LINE S FROM Y N D A

Lynda Fogerson
Briscoe County Extension Agent

"Water, water everywhere and not a drop to drink" may be the thought in everyone's mind because of the current water complaints.

Regardless of how we feel about our water, it still remains the absolute BEST thirst quencher during these hot summer months.

The American College of Sports Medicine recommends water as the thirst quencher over all commercial products. The body needs water during exercise since water losses greater than three percent of your total body weight can result in decreased strength and endurance.

Drinks high in carbohydrates (like soft drinks) delay the rate at which fluid leaves the stomach, thus increasing absorption time. If you do drink a sweet soda, fresh fruit juice or commercially prepared athletic tonic, the best thing to do is to dilute it with water.

Drinks high in sodium actually increase the amount of water your body loses. Only under extreme circumstances, such as when your water loss during exercise equals six pounds or more, should you worry about replacing sodium and other nutrients. Even then, be sure to include adequate amounts of water.

Alcohol may be a part of many summer activities, but it does nothing for quenching a real thirst. When it comes to restoring your body's water balance, an alcoholic drink does just the opposite. It's a diuretic, so it increases the amount of water the kidneys excrete. The more

alcohol you drink, the more fluid you lose.

Caffeine and other substances found in cola and tea also have a diuretic effect, increasing water loss.

For an all-around great summer thirst-quencher, for athletes and spectators alike, you can't beat WATER! Don't knock it—we could be without it!

Mrs. Edith Cruce and Mrs. Elizabeth Skelton of Lubbock visited their brother and sister-in-law, Mr. and Mrs. Charles

Sarchet, at noon Friday. Saturday morning, the group, joined by Mr. and Mrs. Keenan Cruce, Haley and Tanner, also of Lubbock, took a boat tour of Lake Mackenzie. Keenan remained at the lake, and the others drove to Caprock Canyons State Park in the afternoon.

Family Reunion Held At Lake Mackenzie

Descendants of the late Mr. and Mrs. T. L. Strange met at Lake Mackenzie for a reunion August 7-11. There were many tall tales and much laughter, along with fishing, boating, swimming, skiing and a few games of "42."

Food of all kinds was prepared and eaten. A big fish fry was held on Friday night with over a hundred people in attendance.

Music was provided by O. B. Barnes, Gary Williams, Darrell Brewer, Jack Thompson, Lewis Ray Stapp and Jack Sutton.

Relatives attending from Silverton included Mr. and Mrs. Jack Strange, Mr. and Mrs. Van Breedlove, Bryan and Brandi, Mr. and Mrs. Fred Strange, Mr. and Mrs. Bill Strange, Mr. and Mrs. Jack Sutton and Melinda.

Other relatives attending included Mr. and Mrs. Bill Woods, Bryan and Ty, Vega; Mr. and Mrs. Max Garrison, Walt and Cody, Canyon; Mr. and Mrs. Norman Strange and Butch Brannon, Abilene; Mr. and Mrs. Ben Fowler, Mr. and Mrs. David Fowler, Ross, Amy and Shannon, Mr. and Mrs. Ronnie Neal and Amanda, all of Smyer;

Also, Mr. and Mrs. Thomas Fowler and Bradley, Levelland; Martha Allen, Friona; Mrs. Laura Mae Pitts and Jeff, Mr. and Mrs. Bobby Wicker, Stacy and Julie, Alexandra, Louisiana; Mr. and Mrs. Eddie Wood and Jessica, Mr. and Mrs. Ronnie Strange, Heather and Dustin, Amarillo; Mr. and Mrs. Farris W. Martin, Roscoe; Sandra Steele and Hoyt, Sheila Baldwin, Thomas, Oklahoma; Gwynn Tucek, Happy; Edwin Crass, Plainview; Mr. and Mrs. O. B. Barnes, Ollie Strange, Tulia.

Friends who called to visit with the family included Mr. and Mrs. Pascal Garrison, Mr. and Mrs. Don Garrison, Mrs. Doleta Boyce, Mr. and Mrs. Putt Jasper, Mr. and Mrs. T. D. West, Donnie Martin, Mr. and Mrs. Joe McWa-

ters, Mr. and Mrs. Emmett Tomlin, Mrs. Bruce Tiffin, Josie Anderson, Mildred Burson, Mr. and Mrs. Dock Wallace, Bess McWilliams, Jim Brooks, all of Silverton; Hazel Wallace, California; Altes Rowell, Modesto, California; Marcalyn Gregg, Ty and Dax, Amarillo; Sue Ward, Kathy Nelson and Derrel Martin, Tulia; Edith Guest, Mr. and Mrs. Jerry Smith, Brandon and Jason, Chad Calvert, Turkey; Kurt Martin, Jack Loudermilk, Quitaque; Norvell Breedlove, Bryan; Gay McPherson, Mr. and Mrs. Lewis Ray Stapp, Darrell Brewer, all of Lockney; Mr. and Mrs. Oscar Dunn, Martina Mattheus, Lubbock; Larry McWilliams, Snyder; Mr. and Mrs. Jack Thompson, Tulia; Mr. and Mrs. Gary Williams and Cory, Kress.

Mark all items with your name

SEVENTH GRADE:

Large box Kleenex
Notebook paper (not spiral)
Black or blue pen (no felt tips)
Red pen (no felt tips)
4 pocket folders

MINNESOTA CLEANING UP

TOXIC DUMP SITES

FASTER THAN EPA

Minnesota has been cleaning up toxic dump sites four times faster than the Environmental Protection Agency, reports "National Wildlife" magazine. The reason: a state law passed by Minnesota that allows private companies to be held liable for personal injuries caused by exposure to leaking toxic chemicals. The law, passed in 1983, was the first of its kind in the United States, and may be the model for tougher federal Superfund legislation.

Silverton Senior Citizens Are Seeking New Members

Silverton Senior Citizens are seeking new members, said their President Wayland Fitzgerald. "We have 114 members and everyone is invited, regardless of age, to join our activities," he said.

Dues for the Silverton Senior Citizens are \$4.00 a year.

The Senior Citizens enjoyed attending a performance of "Texas" in the Palo Duro Amphitheatre on Wednesday evening of last week.

A birthday party is held the first Tuesday of each month at 7:00 p.m. at the center.

A luncheon, business meeting, blood pressure and diabetes screening are held beginning about 10:30 a.m. each third Friday.

A program night is held the last Thursday in each month beginning at 7:00 p.m. at the center.

A picnic and other outside activities are now being planned.

The quilting club meets at 2:00 o'clock on Monday, Thursday and Friday afternoons at the center. This group has quilted about 50 quilts in the last two or three years.

An exercise group meets during the fall, winter and spring months in the mornings at the center.

There are 18 active committees functioning, and they need YOU to help make their organization complete.

**Extension Service Names
New Director For
South Plains District**

A veteran educator with the Texas Agricultural Extension Service has been named that agency's new district director for agricultural programs in the 20-county South Plains District.

Robert G. (Bob) Robinson, Randall County Extension Agent for agriculture for the past nine years, and with more than 15 years in the organization, will assume the district post September 1. His appointment was announced by Dr. Zerle L. Carpenter, State Extension Director. Robinson will replace Billy C. Gunter, who recently retired after 21 years as district director.

"We believe the intensive agricultural production in the South Plains deserves a person with an extremely good track record in providing educational programs for farmers," Carpenter said. "We recognize there are many challenges ahead, but we know Bob Robinson has the ability to provide superior leadership for agriculture in the South Plains."

"In addition to the outstanding county agents and highly expert specialist staff serving the district, we feel the leadership of Robinson and Dr. Catherine Crawford, the district director for home economics, gives the Extension Service in the South Plains a team that will continue and expand its record of service to the people."

Robinson, 36, is a native of Amarillo. He grew up in Happy, where he was graduated from Happy High School. He holds a B.S. degree in agriculture from West Texas State University and a M.S. in animal science from Texas A&M University.

He joined the Extension Service in 1970 as assistant county agent in Potter County. In 1972 he was named County Extension Agent, continuing to serve with veteran Potter County Agent Gaines Franks. Robinson was appointed Randall County Extension Agent in September 1976.

In Randall County he has been responsible for educational pro-

grams for agriculture, and for the Randall County Program Building Committee area committees in beef, swine, dairy, crops, horse, sheep and horticulture-gardening. He has trained several assistant agents and his annual demonstration tour and implement show is attended each year by more than 200 producers and agribusiness leaders.

Robinson establishes 25 to 30 demonstrations with county producers each year. His annual result demonstration handbook, which chronicles for all producers the results of these demonstrations, earned awards in both 1983 and 1984 as the best in the 20-county Panhandle District.

During his service in Randall County, enrollment in the 4-H youth development program has increased 300 percent. He has supervised the feeding of more than 50 grand or reserve grand champions in area and major livestock shows during his 15 years. He has trained high individuals and high point teams in state competitions in livestock, horse, dairy and meats identification. Randall has been high point county at the state 4-H horse show three times in the past nine years.

Robinson has judged local, state and national swine shows and is swine show superintendent for the annual Tri-State Fair in Amarillo. He is a director of the Tri-State Fair, on the executive board of the Randall County Livestock Association, and serves on the State Extension Horse Committee.

He is a member of the Randall County Noxious Weed Control Board, Randall County Dairy Herd Improvement Association, the Agribusiness Committee of the Amarillo Chamber of Commerce, the Randall County Agricultural Stabilization and Conservation Service committee, and on the executive board of the WTSU School of Agriculture Board of Development.

The Texas Agricultural Extension Service is an arm of the Texas A&M University System. County Extension Agents are professional educators who live

and work with the people in a designated county and form the basic unit of the agency. District Extension directors provide first-line supervision of agents and administration of programs. Direct educational support is provided to agents by Extension specialists, educators with a particular background in a concentrated subject matter area.

Texas is divided into 14 Extension districts. Counties comprising the South Plains District are Bailey, Borden, Briscoe, Castro, Cochran, Crosby, Dawson, Floyd, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Parmer, Scurry, Swisher, Terry and Yoakum.

**Fewer Cattle on Feed
Should Help
Beef Industry**

It may still be some time before cattlemen see some improvement in market prices, but all indicators point in that direction.

The number of cattle on feed as of July 1 is the lowest since October 1983, and the number of cattle and calves on farms and ranches in the U. S. at mid-year is down four percent from a year

ago.

Feedlot placements during the April to June quarter were down seven percent from a year ago, which means cattle placed on feed during the first half of 1985 were five percent below year ago levels.

"Current figures confirm that liquidations of breeding herds began last year and are continuing to some extent," points out Dr. Ed Uvacek, livestock marketing economist with the Texas Agricultural Extension Service, The Texas A&M University System. "Until market conditions turn around, there is no reason to believe that cattlemen will change their philosophy regarding herd reductions."

The nation's calf crop for 1985 is estimated at three percent below that of 1984, and that figure may be high, according to Uvacek, since the beef cow herd

at mid-year is down seven percent and heifer replacements are down eleven percent.

"All this suggests that beef supplies should be down some in the second half of 1985, which, in turn, should help market prices," says Uvacek.

**NOTICE OF
RATE CHANGE REQUEST
AND
STATEMENT OF INTENT**

Notice is hereby given that LIGHTHOUSE ELECTRIC CO-OPERATIVE, INC., ("The Cooperative") intends to change the design of its Cotton Gin Rate. The proposed change will increase the Cooperative's revenue from the Cotton Gin class by \$180, or less than 0.1%. The filing primarily is to change the method of collecting the annual revenue amounts presently approved by the Public Utility Commission.

The proposed changes are applicable to all cotton gin customers of the Cooperative.

The new rates will be placed into effect on October 1, 1985 or as soon thereafter as permitted by law.

The classes and number of Cooperative customers affected are as follows:

COTTON GIN 15

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located on Highway 70 East in Floydada, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400 N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission, Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

WEDNESDAY:

Worship Service 7:00 p.m.

shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

The basis of God's first and greatest commandment is love. God gave man the freedom to choose ... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

“... in thy presence is fulness of joy ...”

Thank you for the calls, prayers and visits since I have been in the hospital and since I have been home. All are appreciated very much.
Slim and Fairy McWilliams

**REGIONAL DPS
COMMANDER OPTIMISTIC
FOR SAFE LABOR DAY**

Major V. J. Cawthon, Regional Commander of the Texas Department of Public Safety, is optimistic for a safer Labor Day weekend in 1985. The increased emphasis on driving while intoxicated has influenced many people to decide that drinking and driving is just not worth it. Major Cawthon said, "The drinking driver is still a problem in Texas. During this Labor Day weekend, the last holiday of the summer, the drinking driver will

be very visible around recreational areas such as lakes and camp grounds." Cawthon urges all drivers to be alert for the drunk driver and report all infractions of the law to your area law enforcement agency.

The Texas Department of Public Safety will have all available Troopers working around the clock to make Labor Day Operation Motorcade a safer time for all who will be using the highways. These Troopers will be on the lookout for the drunk driver, the speeding driver, or the reckless driver, since these are the three main causes of fatal accidents.

The Department of Public Safety is made up of people who care about saving human lives. This is their job. Also, the Texas motorist will find the Trooper is more than willing to assist in directing the lost motorist to the proper highway or assist the motorist whose vehicle is experiencing mechanical problems.

Major Cawthon concluded by saying, "More people are killed in Texas each year in traffic than are killed by the handgun. These traffic deaths are just as senseless, as needless, and as tragic as those by the handgun, but not nearly as well publicized. Protect yourself and your family by adhering to the existing speed limit, don't drink and drive, and buckle up every time—all the time."
