BY MARY ANN SARCHET

ONLY IN AMERICA

taken from the October issue
of "Comings, Goings & Doings"

The problems confronting American agriculture today are deep and complex, and over the years we have always refrained from dwelling too much on "problems" but rather have concentrated on the "possibilities" that almost invariably surround us. It has always been our philosophy to "look for the good" in every situation and we've found that "some good" is almost always there if you'll seek and search. Up to now this has usually been true even in agriculture, but with the present political climate it is hard to find in Washington.

How did agriculture end up in this predicament? Not all of the blame can be placed on the government, or on agricultural overproduction, or for that matter even the great imbalance of agricultural exports, which at this writing is expected to be at the lowest level in seven years, and certainly a cause for concern in any period of our history.

At least some of the blame lies in the complacency of the average American citizen. Over the years many of us have let our everyday purchases be governed solely by "price," regardless of where the item was produced. Sometimes it was manufactured here in America, but all too often it came from other countries. Abraham Lincoln once said, "If we buy goods from other countries, we get the goods and they get the money. If we buy goods from our country, we get the goods and keep the money."

This truth was brought home to us recently when one of our customers from Tulia, Dan Tucker, gave us a little pamphlet with the following message. We think it will strike home to you, as it did to us.

"He drove his German car made of Swedish steel and interior of Argentine leather to a gasoline station, where he filled up with Arab oil shipped in a Liberian tanker and bought two French tires, composed of rubber from Sri Lanka.

"At home, he dropped his Moroccan briefcase, hung up his Scottish tweed wool coat, removed his Italian shoes and Egyptian cotton shirt, then donned a Hong Kong robe and

Annual Miss Mackenzie Pageant Is Saturday Night

The Twelfth Annual Miss Mackenzie Pageant will begin at 8:00 p.m. Saturday, October 19, in the Silverton School Auditorium under the sponsorship of the L. O. A. Junior Study Club of Silverton. Admission will be \$3.00 for adults and students, and preschoolers will be admitted free.

The Miss Mackenzie Pageant is open to girls aged 16 to 18 from the cities of Floydada, Lockney, Silverton and Tulia, the cities which make up the Mackenzie Municipal Water Authority which built Lake Mackenzie to provide a reservoir for municipal

water needs. Twenty-five girls will be competing for the honor of being Miss Mackenzie 1986. The new Miss Mackenzie is expected to promote and advertise Lake Mackenzie during her reign.

"Nights on Broadway" will be the theme of this year's pageant. The contestants will appear on stage to sing the opening number, and will also be judged on stage in sportswear and in formal attire.

Entertainment will be presented during the pageant by Mrs. Lori Noel of Plainview, who performed in the 1980 Miss Texas Pageant as Miss Wayland.

Steve Coulter, a disc jockey for KVOP in Plainview, will be the master of ceremonies for this year's pageant.

The current Miss Mackenzie is Dina Joy from Tulia. Former Misses Mackenzie are Kathy Wilks of Tulia, 1975; Kerri Arnold Cannon of Silverton, 1976; Millicent Murff Otwell of Tulia, 1977; Adeana Morris of Floydada, 1978; Melba Dobbs Simon of Tulia, 1979; Judy Nelson of Tulia, 1980; Cynthia Edwards Finck of Silverton, 1981; Shele Morris of Floydada, 1982; Tammi Edwards of Silverton, 1983, and Angel Edwards of Tulia, 1984.

Mrs. Anne Davidson of Silverton will provide piano accompaniment for the production presentation and also will play during the competition.

A get-acquainted party will be held at 5:30 p.m. Saturday in the Pioneer Room at the First State Bank in Silverton. The Coke Party is hosted each year by the Century of Progress Study Club of Silverton. At this time the

Halloween Dance Planned Saturday

There will be a Halloween Costume Party and Dance at the Briscoe County Show Barn in Silverton from 9:00 p.m. until 1:00 a.m. Saturday, October 19. Music will be by Caprock Country.

There will be prizes awarded for the best costumes—young and old—but costumes are not necessary to attend.

The public is invited.

School to Dismiss Early Friday

School will be dismissed at 1:30 p.m. Friday and buses will run their routes then.

This is in order to go to the Dawson High School football game.

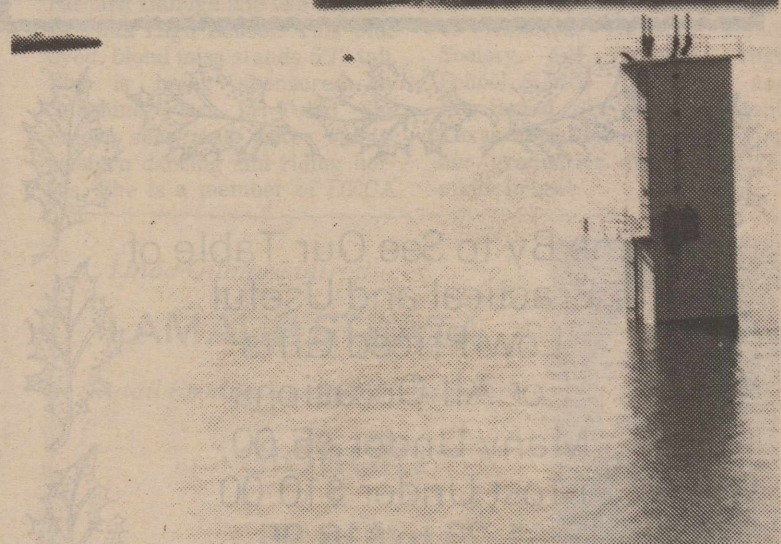

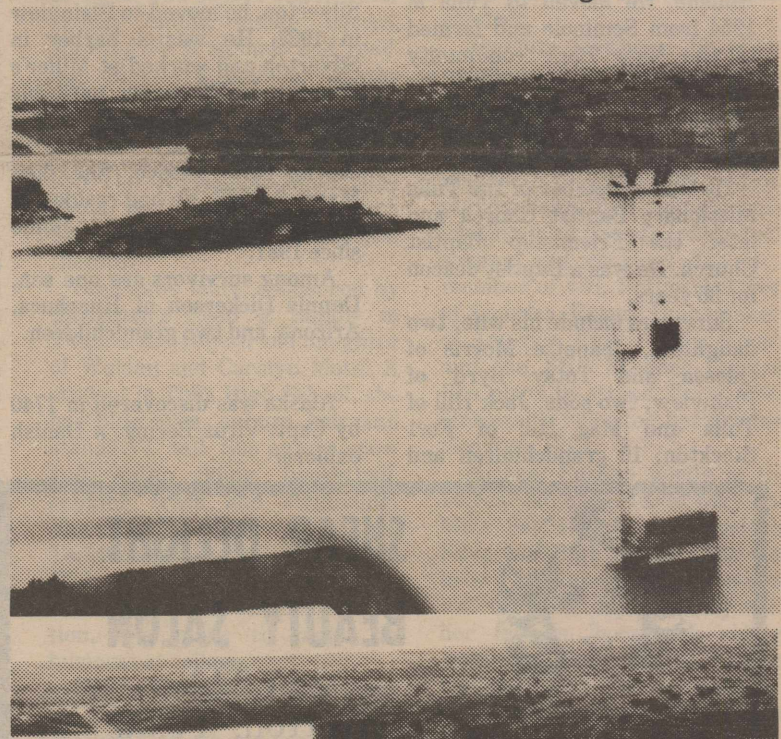

Rainfall Heavy Here Last Week

More heavy rains fell on Silverton during the past week, amounting to 3.88 inches as recorded by Fred Strange.

Lake Mackenzie has risen about 4 1/2 feet and the depth at the dam now stands at 120 feet.

The October rainfall brings the total for 1985 to 28.08 inches, far above the 20.50 inch annual normal. This has not been particularly welcomed by farmers who were trying to harvest crops, but has been wonderful for wheat crops that are up and rain is always appreciated by stock

OBITUARIES

MELVIN HILL

Melvin Hill, 69, of 1000 Amarillo in Plainview, died at 7:00 a.m. Friday at his home following a lengthy illness.

Services were conducted at 2:00 p.m. Saturday at Wallace Funeral Home Chapel in Tulia with the Rev. Ray Smith, a Missionary Baptist minister from Lubbock, and the Rev. Ted Gammil, a Missionary Baptist from Portland, Oregon, officiating. Burial was in Rose Hill Cemetery, with arrangements by Wallace Funeral Home.

The body was at Wallace Funeral Home Saturday until funeral time.

Mr. Hill was born August 22, 1916 in Abilene. He was reared at Buffalo Gap and married Lorene Brown June 19, 1937 in Abilene. He moved to Tulia in 1954 from Seminole and farmed in the Vigo Park community northwest of Silverton until his retirement in June 1985. Following his retirement he moved to Plainview.

He was a member of the Tulia Missionary Baptist Church and later the Friendship Baptist Church. He was a Baptist deacon for 36 years.

Survivors include his wife; two daughters, Jeanette Morris of Odessa and Totsy Byrd of Plainview; two sons, Jack Hill of Tulia and Mac Hill of Fort Stockton; 10 grandchildren and

five great-grandchildren.

Pallbearers were Kendall Hill, Jarrett Hill, Randall Hill, Ricky Criswell, Billy Paul Preston, Darrell Nelson and Tommy Turner. Honorary pallbearers were Norman Strange, Don Cornett, W. B. Childress, Zack Payton, Lee Roy Buffin and Carl Rambo.

ERNEST DICKERSON

Graveside services for Ernest Dickerson, 79, were conducted at 2:00 p.m. Friday in the Silverton Cemetery with the Rev. A. C. Hamilton, pastor of Finney Baptist Church, officiating. Burial was under the direction of Lemons Funeral Home.

Mr. Dickerson died at 6:18 p.m. Monday at Central Plains Hospital in Plainview.

Born October 19, 1906 in Silverton, he moved to Plainview in 1957. He was a barber in Silverton and worked at Miller's Grocery in Plainview until his retirement. He married Emma Opal Johnson July 12, 1932 in Clovis, New Mexico. She died March 7, 1976. He had resided at the Plains Convalescent Home since 1981.

Among survivors are one son, Dennis Dickerson of Huachuca, Arizona, and two grandchildren.

Alaska was discovered in 1740 by Capt. Vitus Bering, a Danish explorer.

News From The AG SHOP

The rush is on for the Grand Champion pigs. Practically every night you can travel from South Texas to Iowa to a show barrow sale. Most of the sales will be from the first of October to the middle of November. Some of the little piglets are like purchasing a new car. The old expression of going hog wild is the case of some buyers. When a 40# pig brings \$1,000 or more, somebody has gone hog wild. However, I wonder how many of these excessively high-cost barrows actually become Grand Champions.

Any person interested in night-time rattlesnake hunting is asked to contact the Country Agent. He's got a shortcourse.

It's unbelievable how big some of the feet of our students are. Cal Brannon's foot is so big it can break a 2x6 with just one smash. However, his shoe size has been corrected to fit his brain. Ha! Ha!

This next week our FFA fruit sale will begin. We will have a variety of citrus fruits and apples. There will be a mixed box as well as a 20# and 40# box. Don't forget to support your local FFA Chapter.

Seniors Starting Their Last Year In High School

The Senior Class of 1986 has begun their last year in high school. They have organized a Chalupa Supper for Homecoming, October 25, from 5:00 to 7:00 p.m.

They also elected as officers Lee Ann Durham, president; Kori Baird, vice president; Kathy Brown, secretary-treasurer; Cal Brannon and Shavonne Lowrey, Student Council representatives.

The Senior Class would like to thank everyone who has supported them during the past three years in Silvertown High.

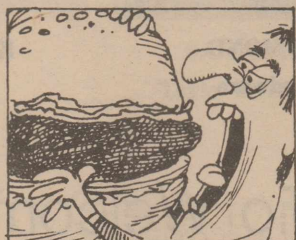

Foods Program To Be Presented October 29

The annual "Festive Foods" program will be presented Tuesday, October 29, in the Silvertown High School Homemaking Department beginning at 11:30 a.m. Joy Parnell, home economist with Southwestern Public Service Company, will be demonstrating holiday food preparation.

A "Festive Foods" cookbook will be available to those attending the program.

Working women are welcome and may want to bring a sack lunch.

There is no cost for the program, sponsored by the County Extension Service, Silvertown Homemaking Department and Southwestern Public Service Company.

If a 170 pound man expended energy at the rate of the tiny hummingbird, he would have to eat 285 pounds of hamburger or twice his weight in potatoes each day in order to maintain his weight.

Three Way Wins The Battle For First Place

Three Way came to Silvertown to play Saturday afternoon, and won the battle between the two undefeated teams in Six-Man Football District 1-A. At this point in the season, the Owls are 2-1 in conference play, while Whitharral stands 4-1, Dawson, Texline and Southland are 2-2, Loop is 1-2, Wellman is 0-3 and Cotton Center is 0-4.

Last weekend, Southland beat Dawson 30-20, Whitharral beat Loop 61-30, New Home beat Cotton Center 52-27, and Texline beat Wellman 82-37.

Friday afternoon will be the cut-off point for all teams as far as academics are concerned. Under guidelines of the state's no-pass, no-play rules, students are finding out this week if they read, write and add well enough to be able to continue playing and cheering for their teams. Students must have achieved a passing grade of 70 in all subjects at the end of last week in order to participate this week. This will not only cover athletics but also every extracurricular activity—4-H, junior-senior prom, cheer-leading, UIL contests—for the next six weeks. The news so far is that some schools will be losing eligibility of entire teams—or so many of them that not enough will be left to play the rest of the season's games.

The Owls will travel to Dawson for a game at 7:00 p.m., while

Southland will be at Wellman, Cotton Center at Three Way, Whitharral at Smyer and Texline at Loop (Saturday). The Owls need your support to get back on the winning trail—wear your red and white to show your loyalty!

The Owls opened their game Saturday afternoon under bright sunny skies at Payne Field with Russell Simpson taking the kick-off to the Owl 35. Todd Reagan fumbled, Three Way recovered and ran for a touchdown with 8:50 remaining in the first quarter. The touchdown was called back due to a penalty against the Eagles, and Simpson ran for a first down on the Eagle 17. The Owls were thrown for a loss next down, weren't able to make up the deficit, and saw the ball go over on downs on the Three Way 15.

After an incomplete pass, and with good defense by Sloan Grabbe, the Eagles were held to no gain. Next down they completed a pass to the 23 and punted into the end zone on fourth down.

Reagan ran for a couple, and Simpson received a pass from Cal Brannon, but on fourth down and needing five, the Owls punted.

Three Way came back with first downs on the Silvertown 24 and five yard lines, and scored with 2:38 remaining on the first quarter clock. They kicked the PAT and led 8-0.

The Owls were held to a gain of about five yards on their next series, and punted away. Neal Edwards put on a good defensive rush, and Three Way lost two yards on a complete pass. Reagan made a good stop on the 37, and after an incomplete pass Three Way punted.

Reagan picked up a first down, but the team was penalized back to its own 12, where the Owls fumbled and Three Way recovered on the 14. The Eagles passed for a touchdown on first down, kicked the PAT, and led 16-0.

Silvertown was unable to move the ball on its next possession and punted. Three Way had an incomplete pass due to pressure from Edwards, but the team eventually gave the Eagles a first down on a penalty. Three

Way passed complete inside the five and passed for another touchdown next play. The PAT was good, and the Eagles led 24-0.

Simpson picked up a first down on the Three Way 38, then Reagan and Simpson combined talents for another on the 23. Then the offensive machine ran aground, Silvertown fumbled and lost the ball, and the Eagles looked to be in scoring position again after completing a pass on the Silvertown-two. There Edwards recovered a fumble, and the Owls had new life.

Simpson carried to the 30, where Three Way was penalized five yards and the Owls got a first down. Simpson ran to the 26 with a pitchout and Three Way was called for pass interference on the next play. The Owls had made a first down at midfield as the first half ended.

Three Way opened the second half with a series of first downs, then the Owl defense held and the ball went over on downs at the Silvertown 20. When the Owls punted, there was good defense by Simpson to hold the ball carrier at the Eagle 32. Three Way completed a pass to the 20, made a first down on the five, and then went in for another score. Edwards blocked the kick, and the visitors had posted a 30-0 score and it looked like a very long afternoon for the Owl fans whose faces had begun to blister and were taking on the school colors.

The Owls came back with runs by Simpson and Reagan to the one-yard line. Reagan scored from that point, Grabbe kicked the PAT, and the Owls had narrowed Three Way's lead to 30-8.

The Eagles came passing back and made a first down before being forced to punt. The Owls were held to virtually no gain, punted to the Three Way 32, and began going after the passes. With good defense by Reagan, the ball went over to the Owls on the Silvertown 20. Simpson carried to the 30 and Brannon passed to Grabbe for a first down on the 28 with 6:09 remaining in the game. Three Way's defense tightened, and the ball went over.

Grabbe got himself a quarterback sack at the Three Way 16, the Eagles got a couple of

penalties and had an incomplete pass, and punted away with 2:24 remaining to be played.

Brannon passed complete to Corey Robertson for a first down on the 34, Reagan picked up another on the 15 and needing 13 yards on third down, Reagan went in for another score with just 36 seconds remaining to be played, to make the score 30-14.

A large crowd of fans of all ages was on hand to cheer for the Owls, and everyone seemed to enjoy the pretty weather. Most of the players had at least one grandparent present, and many of the grandparents had some of their younger grandchildren present. The biggest problem was keeping the little ones out of the mud and water from heavy rains which had drenched the area during the past few days. The field, however, was in good condition and didn't seem to suffer much from being played on while it was so wet. This was partly because the coaches did a good job of taking care of the field during the summer and partly because some of the men had dug trenches and cleaned out culverts to carry away as much of the water as possible.

The junior high and high school students were invited to a hayride and progressive supper after the game. The hayride left from the school, with stops at the City Park where Mr. and Mrs. Jimmy Burson were hosts, and at the Gordon Lowrey and Gerald Smith homes.

Junior High Owls Drop Second Game of Season

The Junior High Owls dropped their second game in a row, 19-12, to the Three Way Eagles here Saturday afternoon.

Opening the game with a kickoff, the Owl defense did a good job and forced a punt on fourth down. Silverton fumbled the punt, Three Way recovered, and carried it into the endzone posthaste. With 3:06 remaining in the first quarter—and with Silverton having had no offensive play—Three Way held a 6-0 lead.

The Eagles kicked off to the Owls, Silverton fumbled the kick again, Three Way recovered, and passed complete to the five-yard line for a first down. Three Way fumbled and recovered their own fumble next play, but recovered on the ten. Frank Lowrey knocked down an Eagle pass on the next play, but the quarterback carried another touchdown on the next try. They ran the PAT, and with 1:14 remaining to be played in the first quarter, and with Silverton still never having had an offensive play, the Eagles held a 13-0 lead.

Silverton controlled the next kickoff and carried out to the Owl 33. Next down Lowrey carried to the 40, and then to the Three Way 33. Denny Hill ran for a first down, then Lowrey took a pass and carried into the end zone with 5:16 remaining in the first half. The PAT failed, and the Owls trailed 13-6.

Hill came back with a pass interception which he carried to the Three Way 15. Hill carried to the seven, and then went untouched into the endzone with 3:18 still showing on the clock. The PAT failed, but the Owls had trimmed the Eagle lead to 13-12.

Silverton kicked off and tackled the ball carrier on the eight-yard line. They threw an incomplete pass, then went all the way for a touchdown. With 35 seconds remaining in the half, the Eagles extended their lead to 19-12.

but another Silverton pass was knocked down by Three Way as the first half ended.

The teams traded a couple of possessions, with the Owls running three plays and punting, Three Way unable to move the ball, and the Owls turning it over via the fumble route on the Three Way 35. Wayne Henderson made a good defensive play on the Three Way quarterback, pushing the Eagles back seven yards. They passed incomplete, and Henderson and Brad Brunson teamed up to hold Three Way to no gain. The ball went over on downs to the Owls.

Hill carried to the Three Way 25, where they were thrown for a loss on the next play. As the fourth quarter began, Minyard completed a pass to Lowrey for a first down on the Eagle 25. Hill carried to the 18 before an Owl aerial was intercepted by Three Way and carried to the 27. Three Way fumbled and Silverton recovered with 1:54 remaining to be played in the game.

Minyard passed to Bryan

Three Way passed complete to the Owl ten for a first down. The game ended with an incomplete pass by the Eagles and a score of 19-12.

The Junior High Owls will be playing at Patton Springs today (Thursday) with kickoff scheduled at 6:00 p.m.

LETTER TO THE EDITOR

This is a love letter, will you please handle it with care?

Silverton is my home town and the Briscoe County News is my hometown paper—and I am sending you this letter to try to let you know how very much I love both of you.

You cannot possibly know how much I look forward to the arrival of this little "letter from home." I read it over and over and enjoy every word in it. It is one of my last contacts with my "roots."

I was pleased to attend the 93rd year celebration there this year. I enjoyed renewing friendships and sharing with everyone the changes time has made.

I repeat: "I love you!"

Thank you!

The 1985-86 Clarendon College Cowboy Band is comprised of nine young musicians. Earl Broseh of Lockney is vocalist, lead and rhythm guitar. Troy Starke of Canyon plays banjo and sings. Troy's past musical experience includes a year with the Canyon High School Show Choir and a summer performing in "Texas." Keith Owens of Lockney plays drums and also has his own musical group. LeRoss Apple, the only non-Texan, is from Boise City, Oklahoma and is a rhythm guitar player. Russell Bingham of Silverton also has his own band.

He does vocals, plays lead guitar and a contest-winning fiddle. His fiddle-playing is a valuable addition to the Cowboy Band this year. The three lady vocalists are Barbara Collins of Hedley, by way of Amarillo, Betty Sanderson of Clarendon, and Becky Webb of Adrian who also plays piano. Their instructor is Jim Stewart of Memphis. This group was a competitive part of the Tumbleweed Talent Show and will be performing during the school year at various functions of the Fine Arts Department.

The Briscoe County Predator Control Committee meets September 24 at 8:00 p.m. in Silverton. The purpose of this group is to represent the livestock producers in our county in properly organizing and conducting a quality Predator Control Program.

The committee and Briscoe County jointly provide financial support to hire a qualified trapper for the county. This trapper is hired from the State Rodent and Predatory Animal Control Service.

The group elected as this year's chairman Johnnie Burson. I will be working with Johnnie to collect money from those livestock producers who would like to support and feel the need to control the coyotes in our county. The group elected to pay for the trapper starting October 1, 1985 through May of 1986. Our trapper is Fred Stockton of Quitaque, who will also service Floyd County. The control committee has asked that I work closely with Fred in identifying and monitoring the present problem. If you have had an increase problem, and/or have seen large numbers of coyotes, please let me know immediately where and I will forward this information to Fred Stockton.

My goal is to work closely to monitor the problem and to increase the quality of our program.

I am requesting all producers to support this program. Total cost to the Predator Control

Committee for each month of the year is \$240.00. This money can only come from you livestock producers. Please evaluate your situation, and determine how much you can support the program.

For more information, call the County Extension Office, 823-2343; Johnnie Burson, chairman, 847-2524, or Larry Jarrett, secretary, 847-2652.
