Commissioners' Court

Disbursements Amount: \$228,317.32

The Commissioners' Court of Wheeler County, Texas, met in regular session on Monday, February 22,

Mark Tuesday, March 2, on your calendar. The Wheeler County Historical Commission will host the 180th anniversary of the Declaration of Texas Independence. They have planned a very interesting day of activities at the Ag/Life building at the north edge of Wheeler.

It looks like the only contested race on May 7 will be for Wheeler School Board. The city and hospital will not have to hold elections; the incumbents filed for re-election.

You can now vote absentee in the primary March 1. Remember, you have to have photo identification.

Barbara and I enjoyed Stormie cooking for us Tuesday and Wednesday of last week. It was delicious.

The grandson and great-grandson' Ronal Jr. and Ian, came to OKC for the weekend. Monica was studying for tests, so couldn't come.

Ian got to show how well he can skate at Jaden's birthday. Seth and Stormie had their first time at a skating rink and are well on their way to learning.

Believe it or not, I showed restraint. I would have liked to be out there, but didn't want to risk breaking something.

I could skate on roller skates, while in school and tried ice skating in college on OSU's Theta pond. That was a l-o-n-g time ago.

Mr. Roy Farmer, owner of Farmer Brothers Coffee, called Dick two weeks later, asking if he would move to Denver, CO. Mr. Farmer wanted to create the first non-driving position in the company so that Dick could continue to work. As a result of Dick's disability, Mr. Farmer (Continued Page 2)

OLD TIMES NOT FORGOTTEN

By Roland Miles

HOW OLD IS OLD?

I suppose it's the fact that getting old. It's for sure my I'll have another birthday measure of "old" is measured tomorrow that put me to by a different yardstick than thinking about age and was when I was young. I can

remember when Mrs. Farmer It's for sure we don't all get was teaching us to count with numbers it was a big deal old at the same age. Dad told when we could finally count me a long time ago, "Don't to 100. No one should ever complain about getting old, it's need to count more than that. get." I think that's good advice.

I won't be that old tomorrow, but I'm heading that direction at an accelerating pace. You know, being an "old geezer" isn't all bad though. In fact, there a few real benefits, that come to mind. One is that you're not expected to accomplish very much. I don't even feel guilty or disappointed anymore, when I don't get done with a job as soon as I'd planned; it'll wait till tomorrow.

When I was younger, it kind of made me feel bad, for a teenager who worked at the grocery store, to carry my groceries out to my pickup, but I've since gotten over that. I've been tempted a time or two, to help the guys at the feed store, load sacks of cow feed into my pickup. By the time I get out, and upon the loading dock, they're already half done, so I just try to stay out of their way.

Answer to last week's history trivia question: A young woman by the name of Pearl Hart and a man named Joe Boot, robbed the stagecoach near Globe, Arizona, then got lost. They wandered around for three days. A rancher noticed them and notified the sheriff, who arrested them and put them in jail. Pearl was sentenced to five years in prison at Yuma, but was paroled early. That was the last stagecoach robbery in the west.

This weeks question: What Texas rancher married a 26 year old woman on his 91st birthday? Answer next week.

Conservation Stewardship Program Contracts Announced By Local NRCA

Agriculture Secretary Tom Vilsack has announced that \$150 million in funding is available for agricultural producers through the Conservation Stewardship Program (CSP), USDA's largest conservation program that helps producers voluntarily improve the health and productivity of private and Tribal working lands. USDA's Natural Resources Conservation Service (NRCS) plans to add an estimated 10 million acres to the rolls of CSP during fiscal year 2016.

NRCS accepts applications for CSP throughout the year, but producers should submit applications by March 31, 2016 to local NRCS offices to ensure they are considered for enrollment in 2016.

Participants with existing CSP contracts that will expire

on Dec.31, 2016, have the option to renew their contracts for an additional five years if they agree to adopt additional activities to achieve higher levels of conservation on their lands. Applications to renew are also due by March 31, 2016.

"CSP offers landowners the opportunity to be rewarded for the good resource conservation efforts they are currently undertaking." "This program provides additional incentives for them to continue their enhancements on a voluntary basis."

NRCS also makes CSP available to producers as an additional opportunity to participate in regional landscape-level conservation efforts including the Lesser Prairie-Chicken Initiative, Longleaf Pine Initiative and Ogallala Aquifer Initiative.

Texas NRCS State Conservationist Salvador Salinas said "Texas is once again able to offer CSP on three of the four approved national landscape initiative areas. Landowners across these initiative areas will further enhance the habitat of these valuable working lands through additional conservation enhancement efforts. NRCS and landowner commitments to CSP remain strong with more than 6.3 million acres currently enrolled in the program in Texas."

For more on technical and financial assistance available through conservation programs, visit www.nrcs.usda.gov/GetStarted or a local USDA service center.

Graham (from Page 1)

wrote a new policy manual for employees of his company with disabilities. This opened the doors not only for Dick, but for other employees who may be diagnosed with a future disability. Due to the compassion of Mr. Farmer, Dick was able to work seven more years.

Dick and Ann moved to Wheeler in 1993 to care for Ann's parents as they aged. Not once did Dick complain about his MS, even though the summers were exceptionally hard.

Dick was preceded in death by his birth parents, Ed and Marie Schwing, and his adoptive parents, Ernie and Marvel Graham.

Survivors include his wife of 51 years, Ann Graham, of the home; his daughter, Debbie Humphrey and husband, Chris, of Denver, CO; his son, Rick Graham, of New Milford, CT; three grandchildren, Jacob, Stephanie, and Michael Humphrey, all of Denver, CO; one brother, Rob Schwing and wife, Penny, of St. Petersburg, FL; two sisters, Cathy Schwing Wesenburg of St. Petersburg, FL, Judy Graham Perry of Escondido, CA; and numerous nieces and nephews.

The family would like to thank Hemphill County Hospital and the hospice nurses and staff, as well as, Dr. Tony Cook, for their compassion and support during the last few months. Also, thank you to Paul and the men from the City of Wheeler for clearing our driveway and sidewalk of the deep snow drifts. This allowed the ambulance personnel to get Dick the help he needed.

The family suggests memorials be to the Trinity Lutheran Church, 900 S. Main St., Shamrock, TX, the United Methodist Church, 704 S. Main St.; Wheeler, TX, or to the Multiple Sclerosis Society, P.O. Box 4527, New York, NY 10163.

REPUBLICAN CANDIDATE

I would like to take this opportunity to introduce you to my family. I'm Larry Z. Ashurst, Sheriff Elect for Wheeler County. My wife of 22 years, Denonda, and I have five children: Joshua, Cody, Brooke, Levi and Garrett. We are a varied and lively bunch. With the variety of ages in our personal family, it keeps my wife and I current with the issues of our society.

A sheriff is the top law enforcement officer in the county. The duties of the sheriff are broad and include many responsibilities. Some of these include keeping and maintaining the jail, patrolling, investigations, executing warrants, enforcing traffic laws, working with county and district courts and serve civil process, along with many other tasks. As this is done it is important that all the law enforcement agencies get along and work together.

If elected as your sheriff I will:

- **Do everything within my power to insure that we have teamwork and a close working relationship with agencies and courts that serve the people of Wheeler County.**
- **Work diligently to insure that the sheriff's office is proactive and meets all aspects of the criminal element head on.**
- **Increase patrol inside city limits and in the county.**
- **We will house all of our own inmates in our own jail, unless we are over capacity and we have no other choice, to insure we keep our tax dollars in Wheeler County.**

Please come out and VOTE! February 16-26, 2016, will be early voting and the primary is March 1, 2016. MAKE A CHANGE IN WHEELER COUNTY. I AM ASKING FOR YOUR VOTE AND SUPPORT.

hominy and blackeyed peas. For desert I made caramel brownies. I had to make two pans of meat, because I did not want mine in mushroom gravy. I cooked mine a little too long, but I ate it anyway. The brownies were perfect, even if my dad said I put too much water in them. The next time I made spaghetti. I cooked hamburger meat and made the sauce. I made a salad with lettuce, tomatoes and black olives and NO onions. I made garlic toast, except I had to leave the garlic off of Pop's. I wanted to make an angel food cake with strawberries, but Baba already had a cake. It was delicious. The best part about cooking was making my family so happy. I hope I can cook a million meals for my family!

My cousin, Jaeden (Musea), is eight years old. She had a skating party. Well, I've never done that before! We don't have skating places in Wheeler. It was not easy! I could stand up ok, but when I tried to move, BAM, I fell down on my bottom! That hurt! Jennifer, Tate and Ryan took turns helping me. The night before I dreamed I fell down six times. I did it! I was thinking, "Why does anyone think this is fun? I kept trying and finally I could stay up on my own and move very slowly. Then it started getting a very little bit easier. Now I can go all the way around without falling down, if no one runs in to me. I am not very good at skating, but I am going to try it again someday. I think it might be fun when I learn how to do it. My little cousin, Ian Stas, is only six years old. That boy can skate like a champion. He was so cute skating fast around all the big kids. He is an awesome skater! That's it!

Places (from Page 3)

go alone. You have to be in Kahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there.

I have, however, been in Sane. They don't have an airport, you have to be driven there. I have made several trips there, thanks to my children, friends, family.

I would like to go to Conclusions, but you have to jump and I'm not too much on physical activity anymore.

I have also been to Doubt. That is a sad place to go and I try not to visit there too often.

I have been in Flexible, but only when it was very important to stand firm.
