KELTON RECEIVES \$25,000 T-STEM GRANT

Kelton STEAM Academy has recently been awarded a \$25,000 T-STEM Career Pathway grant from Educate Texas. This grant will allow

Kelton an opportunity to build pathways for their students to be successful once they hit the career world.

Kelton has taken the

opportunity to initiate the grant through an agricultural program known as CASE. They will begin with one animal science course in

the CASE program and eventually add the entire course pathway. CASE curriculum provides hands on experience in the classroom. Students will be offered real career based activities in the animal science fields.

This course will also have the ability to be offered as a dual credit science for high school students. Kelton STEAM Academy strives to better their students in everything that they do, by giving them opportunities in a diverse learning environment.

ADVANCE TO STATE: Wheeler's U.I.L. Debate team competed in Sunray and Pampa before the district competition in Wheeler on February 8, 2014. They will compete at the state level on March 14-15 at Austin. Team members are (l. to r.) Ryan Porter, Levi Ware, Brennan Umsted and Mac Means. Brennan Umsted and Levi Ware placed first and Ryan Porter and Mac Means placed second.

March came in like a lamb. This was how it came in, don't know at 8:30 a.m. what the rest of the day will be like.

Kelton Robotics Team Goes To Nationals

Kelton S.T.E.A.M Academy went to Lubbock, Texas on Saturday February 20, 2016 for the State FTC Robotics competition. The Robotic Chinchillas (which consists of Brock Buckingham, Jayton Couch, Mark Herndon and Chelsie Jasper) placed 1st. The Robotic Chinchillas had an average of 200 points per

round; there are 4 preliminary rounds, 3 semi-final rounds and 2 final rounds. The Robotic Chinchillas will advance to Nationals where we will take on all of the 12 southern states which are; Texas, Oklahoma, Louisiana, Arkansas, Georgia, Tennessee, Kentucky, Alabama, Mississippi, North Carolina,

South Carolina and Florida. Nationals will be held in San Antonio March 9-11th, 2016. If the Robotic Chinchillas advance from Nationals, they will move on to the World FTC Championship. The World FTC Championship can be held in places like China and Germany but for now, the location is undetermined.

STORM REPORT

As Reported by...
Stormie Meriwether,
Sixth Grade Student

Dear Friends, This time we went to almost Tulsa to see Mr. Buddy Kennedy. He was a coach when Mark and Michael (Meriwether) were in high school. My dad says he is a good good man and his friends need to go to see him because he cannot go anywhere. He had a stroke. We can talk to him. He knows us and he can say one word sometimes. He is at his home on their beautiful ranch. They have cows and two big cats and a big black dog named Ruby.

Finally I have a bottle baby calf to raise. I have always wanted one. It was sad that his momma died, but I'm happy that I get to keep him. First we had to get him in the pen. My mom and dad and I had to walk around all the

Ft. Elliott H.S. Students Win Medals at UIL Region I Contest: Saturday, February 20, 2016, two students from Fort Elliott CISD represented their school in the Region I UIL Vocal Solo Contest at Canyon, TX. Caitlynn Walker, junior, and Mykah Jasman, sophomore, sang vocal solos in Class 1 and Class 2, respectively. Both received Superior ratings for their performances, each bringing home a medal. Class 1, the highest possible level of competition, is the only category in which a student can advance to state competition, and only then after receiving the highest possible rating (Superior). Having attained that rating, Caitlynn Walker will be advancing to perform in the Texas State UIL Solo Contest on Memorial Day Weekend in Pflugerville, Texas. Both girls are to be commended for their hard work, their superior performances, and their excellent representation of their high school.

Publisher Seeks Tales For Reg. Book

Ever wonder what it might be like to be written about in a book? This may be your once-in-a-lifetime chance to find out.

Hometown Memories Publishers have selected this region for their next book in The Texas Upper Panhandle. The book will be made up entirely of true "down home" stories and anecdotes submitted by

regional residents. Your story, if you'll send in by the April 30 deadline, has an excellent chance of appearing in the book, and may win a cash prize.

The area for The Upper Texas Panhandle covers Armstrong, Carson, Castro, Collingsworth, Deaf Smith, Gray, Hansford, Hutchinson,

OLD TIMES NOT FORGOTTEN

By Roland Miles

THE BOOGER-MAN'S GONNA GET YOU!

I wonder if anyone ever better? I don't think I've heard uses that old phrase, to it since I was five or six years scare their kids into behaving old. Apparently, my folks and

my aunts and uncles, thought it was worth a try, but never had much luck getting good results. I don't know what my cousins thought, but I came to the conclusion that if there really was a "booger-man," he probably wouldn't be interested in me. I'd already seen kids worse than me, and he hadn't gotten them yet. Not only that, but it was plain to see; only one "booger man," couldn't possibly keep up with that many kids. Just between me, my cousins and classmates, it would overwork him to the point, where he'd just throw up his hands and look for an easier job. Another tactic that doesn't work, is yelling at a kid and never following through with any action. A good example of that was when two of my friends and I were talking, after one of our motorcycle club meetings. The younger man had a small boy about four years old, who was doing something that was irritating his dad, and being obnoxious. After yelling at the kid three or four times, then continuing to talk to us, he finally yelled at the kid, "Walter, I'm not telling you again!" My other friend couldn't keep from

saying, "I'll bet he's darn glad to hear that." I wouldn't have thought so at the time, but the kid turned out to be just fine when he was an adult.

Answer to last week's history trivia question: Charles Goodnight was the Texas rancher who married a twenty-six year old woman,

on his ninety-first birthday.

This week's question: Did you ever hear of the racehorse named "Seabiscuit"? He was

one of the greatest racers ever. What were the names of the two jockeys who rode him the most? Answer next week.

Kelton FFA Celebrates National FFA Week

By LeighAnne Cook & Aliyah Lopez

The Kelton FFA celebrated National FFA Week Feb. 22-26 at Kelton ISD with numerous activities. The local chapter sponsored a costume contest for each grade and faculty members each day of the week and awarded prizes to the first and second place contestants.

- Monday: Pajama Day
 - Tuesday: Twin/Celebrity Day
 - Wednesday: Jersey Day
 - Thursday: Blue and Gold Day
 - Friday: Tacky Tourist Day
- The Kelton Chapter officers prepared hamburgers and

fries on Thursday for all of the employees of Kelton ISD.

The chapter was very active in the fall semester. Members competed in many LDE contests: Creed Speaking, Public Relations, Farm Radio, and Job Interview. They also went to the Amarillo Farm Show.

On February 19, LeighAnne Cook and Kaleb Kimbro went to the San Antonio Livestock Exposition Junior Trap Shoot. LeighAnne shot a 64 and Kaleb shot 81 out of 100 clays.

In March LeighAnne Cook, Kaleb Kimbro, Kade Hathaway, Brett Hennig, and Brylee Mosser will be going to San Angelo, Texas to compete in the San Angelo Stock Show and Rodeo Junior Shoot-Out.

FFA members are training and studying for spring judging contests. There are four contests: Entomology, Plant ID, Ag Mechanics, and Livestock judging.

The members of this years Entomology team are Aliyah Lopez, LeighAnne Cook, Brett Hennig, and Trenton Jasper. Last years team qualified for state, and are working to get to state again this year.

The members of this years Plant ID team are Chelsie Jasper, Kaleb Kimbro, Justin Baker, and Brylee Mosser. Last years team was 13th in state.

The members of this years Ag Mechanics team are Quentin Parker, Brock Buckingham, Mark Herndon, and Jayton Couch.

The members of this years Livestock team will be determined after practice contests and members of the 8th grade ag class are working to earn a spot on this team.

The FFA activities continue on into the summer with the FFA Banquet at the end of the school year and students will be attending an Electric Camp at Frank Phillips

College in Borger. The Kelton FFA Shooting Sports team will again be competing at the State FFA Trap Shoot in June Trap and Sporting Clays. The chapter will wrap up the year in July with FFA members will be attending the FFA State Convention in Dallas.

My it is so good to be back from my little trip to Wyoming! Spent time in a Log Cabin sleeping on a rope bed and eating fried potatoes and deer steaks. Did lots of work outside getting the garden plowed with a mule team and planting seeds saved from last year. It was fun to wash my clothes by hand and hang them out on the trees and bushes to dry and not worry about ironing them because there wasn't an iron. Going into town was an all day affair and we meet lots of our friends there and visited. The General Store didn't have much of an assortment of stuff to purchase so we made do with sugar, flour and 50lbs. of beans. Then we loaded up the wagon and made our way home. In between times life was lived to the fullest and we handled our troubles as they came, visiting our neighbors was the only communication we had because we didn't have phones or papers or computers. All I can say is I miss that quiet life and wish I could have experienced it myself but I just lived it through a book I read...yes, it was fun to go to Wyoming this week!

Come take a journey or experience something you've always wanted to do through a book and then tell everyone about it!

Stories (from Page 1)

Lipscomb, Moore, Ochiltree, Parmer, Potter, Randall, Swisher, and Wheeler Counties. Anyone who lives in (or who once lived in) these counties is invited to submit written material for the book. The book will be published in hard cover and will sell for around \$39.00. The publishers plan to have it available this fall in local bookstores and by mail order. "Although they contain elements of history, our books shouldn't be considered histories in the usual sense," said Karen Garvey, editor

of the unusual publishing company. "We publish information, 'fun to read' books, mostly about the 'good old days.' Although we'll consider brief histories of families, businesses, churches, etc., we prefer to receive stories about real-life 'happenings,' and about what it was like to live in your area during the early years of the 20th Century. We're interested in humor (like pranks and practical jokes), true adventure tales, odd, mysterious or unusual events, true stories of love and romance — the kinds of things

Helton seconded the motion and the motion carried with all 4 members voting for, 0 against, 0 abstaining and 2 absent.

Kristen gave the board a report on the 2nd Annual Small Business Saturday event. This year the weather had a big impact on participation. There was an ice storm during the scheduled, November 28th and had to be postponed until the next Saturday, December 5th. There were vendor cancellations, out of town tournaments, a jackpot and another craft show that all played into that day. However, most retailers were pleased to have the event because it still

Kaleb Kimbro, an 8th grade Kelton FFA member, served on the Wheeler County Jr. Stock Show Board at the 2016 Wheeler County Stock Show and represented the Kelton FFA Chapter. Kaleb is active in 4H, Robotics, Sports, and numerous other activities at school and in the community. Kaleb is an active FFA member and has competed in Creed Speaking, Plant ID, as well as recently competing in the SALE Trap Shoot and San Antonio Stock Show Calf Scramble.

brought shoppers into town, although sales were down from last year. There was an extra week of print advertising due to the fact they had to postpone for another week. In a motion by Randy McCurley and seconded by Kendall Hefley, the board approved the advertising request of \$3,633.00 to come out of the Hotel/Motel Occupancy Tax budget. The motion passed with all 4 members voting for, 0 against, 0 abstaining and 2 absent.

Kristen also gave a summary on the city council meeting with the city attorney on December 21, 2015 in regards to Open Meetings Act. It was a very informative meeting and she said she would email the power point to the board so they would have for reference.

Kristen updated the board on the progress of the Outdoor Rec Facility Plan for Tom Britt Memorial Park. The WAAIC will meet on Thursday at noon to go over preliminary drawings from PSC. She also gave an update that the city should be going out for bids for the new pool.

The PRPC Strategic Planning meeting was held on December 8, 2015 at city hall with a total of 14 participants, with backgrounds in community leaderships, business, school, city and county. The result was the leaders of the community coming together with different interest working together towards a common goal. Ultimately, the group developed a Strategic Plan that will serve as a roadmap towards addressing many of the local challenges facing Wheeler.

Next board meeting is scheduled for February 8, 2016, where the EDC board will have a budget workshop. At 7:45 p.m., Jack Helton

motioned to adjourn, with all 4 members voting for, 0 against, 0 abstaining and 2 absent. seconded by Randy McCurley. Motion carried

USDA RURAL DEVELOPMENT HOME LOAN

With an abundance of homes for sale in most of rural Texas, buyers continue to have plenty of choices and lots of bargaining power. With the help of USDA Rural Development's No Down Payment home loan programs, dreams of homeownership can come true.

USDA Rural Development's Rural Housing Direct Home Loan Program offers 100 percent financing with no down payment required for low and lower income individuals or families at a 3.25 percent interest rate. These loans are made directly through USDA Rural Development and are offered for a period of 30-38 years. The repayment on the loan may be subsidized by the Federal Government, based on the household income. Direct loans may be made for the purchase of an existing home or new home

that don't ordinarily appear in history books. Stories about moonshine stills, outhouses, outdated farming and business methods, and pre-television living conditions are more than welcome. Our biggest concern is to capture these stories before all living memory of them vanishes."

Garvey emphasized that writing ability is not important. "If you have ever written a letter to someone," she said, "you have enough experience to appear in our book or to win one of the prizes. Our editors will correct your spelling, grammar, and punctuation, and generally 'dress up' your story."

construction.

The loan amount is determined by repayment ability of the borrower. Loans made under this program are to individuals and families with income that does not exceed 80 percent of the median income level of the county where they live and who would not otherwise qualify for a conventional loan. County Income limits for the programs are posted on the USDA Rural Development Texas website at <http://www.rd.usda.gov/tx> and clicking on "Check Eligibility" on the bottom of the screen.

USDA Rural Development's Rural Housing Programs offer a broad range of homeownership assistance available to individuals and families who wish to or currently live in rural areas, cities, and communities. The Rural Housing Program area of USDA Rural Development has the ultimate goal of providing affordable homeownership opportunities to Texas residents.

USDA Rural Development's mission is to increase economic opportunity and improve the quality of life in rural communities. For further information on USDA Rural Development and programs offered, you can visit our website, email TXdirectSFH@tx.usda.gov or call (254) 742-9770.

Chat (from Page 1)

Monday morning the alarm went off and I proceeded with my usual morning activities, glancing at the clock from time to time.

— cwe —

When it was time to report to work, I discovered it was 9 instead of 8. Apparently the alarm had sounded for an hour before I heard it.

— cwe —

I picked up my computer bag and tea and went out to the Windstar. It wouldn't start.

— cwe —

I had to walk to work, carrying the laptops, which felt like they weighed 50 lbs. This would be the day with no traffic and no offers of a ride.

— cwe —

The battery had died; fortunately it was still under warranty.

— cwe —

Thanks, Leroy for changing the battery for me.

Only Southerners Know ...

Every Southerner knows that tomatoes with eggs, bacon, grits, and coffee are perfectly wonderful; that red eye gravy is also a breakfast food; that scrambled eggs just ain't right without Tabasco, and fried green tomatoes are not a breakfast food.

When you hear someone say, "Well, I caught myself lookin'," you know you are in the presence of a genuine Southerner!

Only true Southerners say "sweet tea" and "sweet milk." Sweet tea indicates the need for sugar and lots of it -- we do not like our tea unsweetened. "Sweet milk" means you don't want buttermilk.

And a true Southerner knows you don't scream obscenities at little old ladies who drive 30 MPH on the freeway. You just say, "Bless her heart" and go your own way.

cows and calves and drive him in. We had to take three cows with him so he will go in better. We let the others out and put my baby in a little pen. I had to buy a sack of milk feed and a big bottle. Then it was a family deal. My dad caught him behind a gate. My mom taught him to drink from the bottle and then I held the bottle for him. The next time my mom caught him and I gave him the bottle. Now I mix the milk and go feed him all by myself and I love taking care of him. His name is William. On Tuesday I had to get up at 5:00 a.m. in the dark and go feed William by myself. Mom and Dad are going very early to help with the voting. That's it!
