ANNUAL CITY-WIDE GARAGE SALE APPROACHES

School Board elections are just around the corner. If you have your name on the ballot you are welcome to email me an article of introduction and a picture. Since it is such a high paying job, we will not charge you for the political announcement.

— cwe —

However, we will charge you for an ad.

— cwe —

(Continued Page 3)

Wheeler will “come alive” Saturday, May 14, 2016 with the annual City-Wide Garage Sale. The garage sale will be found at different locations within the city limits, on the square and Market Square Warehouse. Maps will be available to help shoppers find the bargains.

Bring the youngsters to town so they can spend some time in the bounce house, located at the above location.

It is hoped to bring in lots of shoppers from out of town with the large number of

bargains offered in the long list of garage sales.

The chamber wants to invite our community as well as all others to clean out your closets, garages, attics, kids’ toy boxes and storage buildings; load it up and bring it to town. And earn a little extra spending money at the same time. Or, come out and enjoy the fellowship. And while you are here, look around; there is bound to be something you want.

Those wishing to participate in the sale will be charged

a \$10 fee. The charge will provide them a place on the city-wide garage sale map and advertisement.

On the day of the garage sale, city maps will be available at 7:45 a.m. at the southwest corner of the courthouse square. Booth spaces will be available for people out of the city limits.

The 10’x10’ booth space will be located in the Warehouse, where you can display and sell your treasures.

The deadline for contacting Kristen Moudy at the Wheeler Chamber of Commerce Office (806/826-3408 or chamber@wheeler-texas.org) is May 11 for your sale to be on the map or reserve your booth space.

If you want to have a garage sale and want to be insured of a good crowd, this is your opportunity. But, you need to contact Kristen NOW!

And, remember to vote in the school election while you are in town.

For additional information, contact the Chamber office at 806-826-3408.

AREA TRACK MEET: The Wheeler Track Team was represented at the Area meet on Wednesday at Wellington by Rowdy Henson: Discus; Logan Harris: 110 and 300 hurdles; Traylen Drake: high jump, triple jump, 110 hurdles, 800m relay, and mile relay; Ricardo Gallardo: long jump, triple jump, 200, 800m relay, and mile relay; Holden Guest: 800m relay and mile relay; Eduardo Porras: 800m relay and mile relay. Pictured (l. to r.) Traylen Drake, Holden Guest, Ricardo Gallardo and Eduardo Porras broke school records at the District Meet

REGIONAL GOLF: The Ft. Elliott Boys and Girls Golf Teams participated in the UIL Region 1-1A Golf tournament On April 11-April 12th. The Lady Cougars put themselves in the history books by being the first team to claim a Regional Title and to Qualify to the State Tournament to be held on April 27th and 28th at Lions Municipal Golf Course in Austin Texas. The Girls team consist of Shaley Goad Regional Individual Champion with a total of 147. Tatum Meadows, Kayedawn McDowell, Jenna Wilson, and McKinley Begert. The girls had a combined score of 397 to bring home the Regional Title in front of state qualifiers Motley County, and Paducah. Tatum Meadows also tied for a 9th place finish with a score of 200. The boys team consisted of Landry Meadows, Caleb McDowell, Trip Sorrell, and Dawson Hefley. The boys completed at Lakeridge Country Club finishing 10th overall out of the 16 teams who competed. Landry Meadows finished 14th out of 83 competitors with an overall score of 201. Girls (l. to r.) Jenna Wilson, McKinley Begert, Tatum Meadows, Kayedawn McDowell, Shaley Goad and Coach Sarah Pool. Boys (l. to r.) Caleb McDowell, Trip Sorrell, Dawson Hefley, and Landry Meadows.

STORM REPORT

As Reported by...
Stormie Meriwether,
Sixth Grade Student

Dear Friends, We are still reading Racco and the Rats of NIMH. That is a good book. I know almost all the answers to the questions, but Ms. Lee doesn't always let me say the answers I know. It is more fun to read than to do spelling tests.

Science is fun, but sometimes it's not easy when your dad is an old science teacher. We have to learn about animals. He makes me learn them in the right order. He really wants me to start

Special Board Meeting Parkview Board Conducts Business

A special called meeting of the Parkview Hospital Board was held on March 14, 2016. The meeting was called to order at 6:02 p.m. by Chairman Tommy Puryear. Prayer was given by Roy Laughlin.

MEMBERS PRESENT: Tommy Puryear, Chairman; Pam Hibler, Vice Chairman; Janie VanZandt, Secretary; Roger Brown, member, and Roy Laughlin, member.

OTHERS PRESENT: Monica Kidd, CEO; Jace Henderson, CFO; Dr. John Lavelle, M.D.

APPROVAL OF MINUTES:

Motion by Roy Laughlin and seconded by Roger Brown to approve minutes for February 8, 2016, regular board meeting, motion carried.

CNO REPORT: No report.

PAYMENT OF BILLS: Discussion of bills occurred. Janie VanZandt made a motion to pay the bills, Roger Brown seconded, motion unanimous.

FINANCIAL STATEMENTS AND STATISTICS: Discussion and review of financial statements and statistics occurred. The USDA loan was retired. Jace will present a budget at the next meeting.

INVESTMENTS: No change.

BAD DEBT AND CHARITY WRITE-OFFS: No report

QAPI REPORT: The report was reviewed.

OLD BUSINESS: Monica reported that the new chairs for Home Health are covered by the bond, as per Casey Wood.

Tenant hasn't paid rent and is not interested in a new contract. He will pay rent, but contract does not include utilities.

The garbage disposal was repaired by maintenance.

Jace Henderson, CFO, discussed early out billing (pre-collection state), indicating that coding and early out billing will be bundled and that it would be only for the hospital billing. Concerning the Rural Health Clinic, billing is being done and money is coming in.

Twenty nine percent are Blue Cross/Blue Shield. Some insurance companies are allowing us to bill all the way back to February 1 (when the

Machille Henson Seeks School Board Position

My name is Machille Mitchell Henson and I am pleased to announce that I am running for position 5 in the Wheeler School board election. The election is Saturday, May 7, 2016.

I was born and raised in Wheeler. I attended Wheeler ISD and graduated in 1973. I attended Clarendon Junior College and then transferred to Texas Tech where I graduated with a Bachelor of Science in elementary education. I taught school for thirty-six years before retiring last year. Teaching and education have always been a passion for me. I enjoyed the many students I had an opportunity to teach. They touched my life in many

ways.

My husband is Randy Henson and we have two children Lacey and Rowdy. Rowdy is a junior at Wheeler High School and Lacey is married to Justin Lee and they have a son, Stratten. Lacey and Justin both graduated from Wheeler ISD.

I have been involved in education all my life and it would be an honor to serve the people and students of Wheeler as a board member. Wheeler ISD and the education it provides for the students are very important to me. I would like the opportunity to be a part of it by being elected to the Wheeler school board.

(Continued Page 3)

OLD TIMES NOT FORGOTTEN

By Roland Miles

SHE DID WHAT?

"Our cow just came fresh." had a baby calf, and she'll be ready to start milking in about a week. You'd never say that about a cow with a new calf if you didn't intend to milk her. There are lots of old antiquated words and phrases that we don't use anymore, unless you're old like me. Not many people raise chickens nowadays, but if you do, you'll likely find a few "pullet eggs." These are those scrawny, undersized eggs, layed by some "first-timer" hens. Speaking of "scrawny," do you know what a "nubbin" is? It's an undersized ear of corn that didn't fully mature. There was

even a school near Gageby, called "Nubbin Ridge." Back in the early days in this area, there was a small country school about every five miles, because most of the kids walked to school. I know I've mentioned this before, but we went to the "picture show" every Saturday night. Back when my parents were kids, some of the old cars didn't have electric starters, so you had to crank them by hand to get them started. Sometimes the engine would "backfire," and the crank would kick backwards. One of mom's brothers got his arm broken

that way. He never got his arm set properly and it was a little bit crooked the rest of his life. Even after cars had electric starters, a lot of the older folks would say, "I'm gonna crank up the car." Not only do we not have to crank cars anymore, if you have a late-model, you don't even need to go out where the car is. Just push your remote start button and keep on sipping your coffee. I don't

have a new-enough pickup to do that, but I need the exercise anyway.

ANSWER TO LAST WEEK'S History trivia question: The First Federal Child Labor Law was passed during President Woodrow Wilson's Presidency. This week's question: Who were the two most influential Indians in the battle of Adobe Walls, in 1874?

2016-VBS

As kids are submerged in God's Word, they will discover that Jesus saw people differently. He saw people for who they were deep down, not who they appeared to be on the surface. Kids will look below the surface to find the truth about how Jesus sees them.

2 - \$750 cash prizes!

Each member registering will receive a door prize, \$25 cash and will be registered for attendance prizes.

P'kview (from Page 1)
 clinic opened).

Monica and Tommy met with Casey Wood of the Kelley Wood Company for a couple of hours concerning the hospital construction project. He will bring invoices for what we have paid so far and he will bring a set of plans.

Luke Lindsay wants help with his tuition and loans that total \$13,740. Monica hopes to get a grant for \$10,000 each to assist Katty Shipley, Pam Ezell, and Luke Lindsay with education expenses.

Lisa Mahler, N.P., is caught up on her charts and all are billable.

NEW BUSINESS: Charts at the Rural Health Clinic

were discussed. Paper charts are done, but not sure about electronic charts.

Monica mentioned that the hospital passed the Meaningful Use Audit.

Monica stated that she and Crystal McIntyre (local pharmacist) will be attending the upcoming Doctor of Osteopathy convention in Norman, OK, to recruit medical personnel to come to Wheeler.

Henson (from Page 1)

Once a MUSTANG ... ALWAYS a MUSTANG ... Black and Gold Forever

Our school needs your support and involvement... Please come out and VOTE on Saturday, May 7th.

I would appreciate your vote.

Machille Mitchell Henson

As per our recent THT board training, Monica stated that our mission statement needs to be revised. She asked board members to bring revision suggestions to the next board meeting. She will place a copy of our current mission statement in the board mail boxes.

Concerning THT education, Julie Shoshone will present information of credentialing physicians. The board is in the final step in credentialing. We need to look over strategic plans. There will be a Webinar board training on May 24, 12 - 1 pm, in the boardroom.

Leya Paschal, Home Health nurse aide, is going back to school and would like board consideration for assistance. Will look at invoices as

Ten Point Checklist to Fertilizing Your Lawn

1. Determine the amount of time and money you want to spend on managing a lawn. The more fertilizer applied, the higher the maintenance level.
2. Know the size of your lawn. Measure the length and the width and multiply to get square feet. All fertilizer recommendations are calculated in square feet.
3. Test your soil for required nutrients. Soil testing packets can be picked up at the County Extension Office.
4. Choose your fertilizer and fertilization rates based upon the soil test recommendations. Slow release fertilizers are the products of choice.
5. Match the annual nitrogen application program to your grass type and your level of work and inputs. Types of grass in Wheeler County area include Bermuda, Fescue, and Buffalo which all require different quantities of nitrogen. For low maintenance, fertilize in the spring for growth and again in the fall for root development. To increase quality of the turf, supplemental applications can be made throughout the summer.
6. Know how much fertilizer to apply in any single application based upon soil test recommendations as compared to the fertilizer analysis listed on the fertilizer bags. Fertilizer analysis is usually computed in three numbers (for example a 16-4-8). The first number is nitrogen percentage, the second number is phosphorous percentage and the third is potassium percentage. A 40 pound bag of 16-4-8 would contain 16% N, 4% P, and 8% K. To calculate total pounds each nutrient contained in a bag, multiply the total weight of the bag by the nutrient percentage. Example: 40 x 16%=6.4 pounds of actual nitrogen. At the rate of 1 pound of nitrogen per 1,000 square feet, the 40 pound bag would treat 6,400 square feet of lawn.
7. Investigate types of fertilizers: urea, slow release, weed and feed, etc. Use caution on weed and feed fertilizers. Some are made for Bermuda grass lawns. These weed and feed products can also damage or kill nearby flowers, shrubs, and trees.
8. Know when to apply fertilizer in the spring. A good rule of thumb is to apply

Over fertilization of lawns means added maintenance.

Soil testing packets can be picked up at the County Extension Office.

Slow release fertilizers are the products of choice.

Types of grass in Wheeler County area include Bermuda, Fescue, and Buffalo which all require different quantities of nitrogen. For low maintenance, fertilize in the spring for growth and again in the fall for root development. To increase quality of the turf, supplemental applications can be made throughout the summer.

A good rule of thumb is to apply fertilizer after the second mowing of grass (not weeds) around May 1st. At this time the grass is actively growing and can utilize the nitrogen.

Newly established, previously neglected or higher maintenance type lawns where the homeowner wants to improve the quality and density of the turf may need additional nitrogen applications. Supplemental nitrogen applications should be spaced 45-60 days apart.

Fall applications should be made

TURKEY HUNTING: The Wheeler Chamber of Commerce is looking for landowners that will allow Turkey Hunters. The Chamber has three hunters wanting to hunt turkeys on April 22-24. Please contact Kristen at 826-3408.

September 15-October 1 for the Wheeler County area.

If you have any questions or need further clarification, please contact the County Extension Agent, Dale Dunlap, at 806-826-5243

 — cwe —
 April showers have been few and far between. We have had two to be exact with a total amount of 0.52".

— cwe —
 The weathermen warned us of heavy rains headed our way Thursday through Sunday. Heavy to the point of 7-9 inches.
 — cwe —
 We left Wheeler Thursday

afternoon, before the bad weather hit and wondering what we would have to drive through Sunday. Or Monday if we had to wait because of the weather.
 — cwe —

As we drove in Sunday evening, we notice a few puddles and had hopes of a nice soaking rain. NOT!
 — cwe —
 Our total rainfall for the weekend was 0.26". That's right; I guess it all went north of us.

— cwe —
 CONGRATULATIONS to the students advancing in golf, track and field.

— cwe —
 Paul Arganbright reports the Wheeler Water Project is nearing completion. Only a bit of pipe work is yet to be finished.

— cwe —
 I did yard work Tuesday afternoon and Wednesday. I only got the front lot moved before the mower developed problems.

— cwe —
 The grass really turned green over the weekend.
 — cwe —

Storm (from Page 1)

with one cell animals, but in my class we don't have to do that. We do the animals. Dad says we have fish first, because they only have two chambers to their heart. Amphibians and reptiles have three heart chambers except crockadiles. Crockadiles, birds and mammals have four heart chambers. We only have to name the animal and tell which kind it is. On the practice test I missed orca, because I said killer whale. I won't do that again. I hope I can spell the hard names, like caecilians. I am not good at spelling. I love my iPad. That's it!

Stupidity Award Winner

A man attempted to siphon gas from a motor home parked on a Seattle street by sucking on a hose. He got more than he bargained for. Police arrived at the scene to find a very sick man curled up next to a motor home near spilled sewage. A police spokesman said the man admitted to trying to steal gas, but he plugged his siphon hose into the sewage tank by mistake. The owner of the vehicle declined to press charges saying it was the best laugh he'd ever had.
