CWE CHAT WITH THE EDITOR
 By Louis C. Stan

The Wheeler Mustangs will be on the road Friday to scrimmage Boys Ranch. Good Luck, Mustangs!

We have missed several good opportunities for rain. There was some moisture fell Monday. Not much.

The best laid plans fall by the wayside. We were supposed to leave for a trip, taking us to Florida and Disney World Thursday. The Florida trip was cancelled with a weather forecast, calling for tropical storm the first part of the week.

Alternate plan: Cathi, Dorcie and Billy were to come through Wheeler on their way to the Grand Canyon on Saturday morning.

Barbara rode to OKC with the Meriwethers to return with Jennifer to Wheeler on Friday. Thursday evening, the computer crashed and I had to take it to OKC for repairs.

Also, the computer had automatically backed up onto my external hard drive moments before it crashed, so nothing was lost.

I got the computer fixed Friday and Cathi's bunch went to the Grand Canyon via Lubbock. So we spent the weekend in OKC.

While I am in OKC I work on the paper from time to time. Sunday evening, the computer crashed again and it was back to the MacMan Monday morning.

We arrived back in Wheeler around three Monday afternoon.

The computer is not fixed, I have a loaner until I can get back to OKC to retrieve my computer. I think it was the motherboard that crashed; fortunately it will be a warranty repair.

There is a bright side. If I

STORM REPORT
 As Reported by...
Stormie Meriwether,
 Seventh Grade Student

Dear Friends, I really can't believe summer is almost over. School will start and I am ready. Seventh grade will be different. Finally we don't have to walk in a line anymore. We have been in a line since Kindergarten! In Jr. High we can do sports. My sport will be Cross Country. I have never been in sports before, because I did ballet, but I will do my best.

My dad is having surgery on his eye. I hope it goes well and he can see great. He had the left eye done three weeks ago. He can see perfectly! My mom says he drives like a teenager now.

After Dad's surgery, I hope I can go to the museum. That's it!

Commissioners' Court Meets

Bills For Pay Period Amount To \$471,935.14

The Wheeler County Commissioners' Court met in regular session on Monday, August 8, 2016, at 9:00 a.m., in the Commissioners' Courtroom of the Wheeler County Courthouse at 401 Main Street, Wheeler, Texas, to consider prior bills and discuss matters of mutual concern.

At 10:00 a.m. court was reconvened to take action on the seventeen items on the agenda.

The meeting was opened with a prayer.

The minute of the previous meeting were approved as read.

The monthly reports of the Justices of the Peace, County Tax Assessor, Treasurer, County Clerk and District Clerk were accepted by the court.

No action was taken on the budget.

Transfers were made by the commissioners within their budget.

No action was taken on

the burn ban. It remains in effect.

The off system bridge replacement for CR 28 across Sweetwater Creek was discussed. It was decided to get things started and the Judge is to sign letter.

The Interlocal Agreement with the City of Wheeler, Texas for construction of the City's swimming pool and baseball park was tabled until the next meeting.

The Agriculture Home-Delivery Meal Grant Program for Shamrock, Texas, was tabled until the next meeting.

The Agriculture Home-Delivery Meal Grant Program for Wheeler, Texas, was tabled until the next meeting.

Court agreed to advertise for bids for new exterior doors for the Courthouse.

The court approved the Copier Maintenance Agreement with Tascosa Office Machines.

John Walker, Commissioner Pct. 4 proposed and received permission from the

court to place Stop Signs on CR S, C, V and CR X off of CR 9.

John Walker, Commissioner Pct. 4 proposed and received permission to place a 35 mph speed limit sign on CR S from Hwy 83 E to 592 a distance of 4 miles.

Bob Hink, Commissioner Pct.2 proposed and received permission to place a 40 mph speed limit sign on CR 18 from Hwy 152 North 3 miles.

No action was taken on TxDOT's Transportation Infrastructure Fund grant program.

The court voted to pay the bills in the amount of \$471,935.14; of which \$410,794.04 (79%) went to three different vendors for road materials. The vendors were Galmor's, Hibler Haulin' and RCG Materials; the county will be reimbursed for most of this by TxDOT through the TIF program. Payroll for the month was \$124,072.04.

The next meeting of the Commissioners' Court will be Monday, August 21, 2016.

Wheeler ISD 2016-2017

It will only be a few short days before we begin another year at Wheeler ISD. It seems that the summers continue to get shorter and shorter, but with the arrival of two-a-days, the excitement of a new year kicks into motion. We look forward to the new challenges and accomplishments that a school year provides and our hope is to provide the best possible environment for student learning. Welcome back to all students, staff and faculty!

As we look forward to a new school year, I would like

to take a look back at some of the accolades from a year ago. Wheeler ISD students garnered many outstanding accomplishments during the 2015-2016 year including a number of students advancing to regionals in literary events, a sweepstakes win for the first time in twenty years by the Mustang Band, athletic advancements with district championships in boys cross country and football, playoff qualifiers in girls cross country and basketball, and finally regional qualifiers in tennis, track and golf. Along with those successes, we

The FRIENDSHIP CIRCLE: The Friendship Circle is today's fastest growing Jewish organization for children with special needs. With over 79 locations worldwide the Friendship Circle has cultivated friendships between 5,000 special children and close to 11,000 teen volunteers. The Friendship Circle's unique approach brings together teenage volunteers and children with special needs for hours of fun and friendship. These shared experiences empower the children, our special friends, while enriching the lives of everyone involved. Our special friends blossom and gain the confidence they need to make the most their abilities and talents. Shown are Simcha Brek of Nykief, Ukraine; Asher Pearl of Brooklyn, NY; Steven Kramer of Cedarhurst, NY; David Silber of Spring Valley, NY; and Mendy Haskel of New York, NY. TxDOT Rebuilding Sweetwater Bridge

Beginning March 1, 2016, the Texas Department of Transportation (TxDOT) began a project to replace the bridge and approaches on Farm-to-Market (FM) 592 at Sweetwater Creek in Wheeler County.

Earth Builders, L.P. of Decatur is the contractor for this \$2.1 million project. Weather permitting; the estimated date of completion is early November, 2016.

OLD TIMES NOT FORGOTTEN

By Roland Miles

On The Job Hijinks

A few years ago, I wrote a little article about some "on the job" incidents that were a lot of fun, at least for somebody. Of course that's the nature of jokes and pranks, they're usually one-sided in the "fun factor." I'll just mention a few.... When I was young, Shirley and I lived at Altus, Oklahoma, for a year, while I was working on missile sites. Those things were a big hole in the ground, 180 feet deep and 52 feet in

diameter. It was essentially an eight story steel structure, that hung from four huge brackets on the walls. In the center of the structure, there was a square opening, actually just an elevator shaft for the launch platform to travel up and down in. During the first phase of work, before the launch platform was installed, there was a large safety net stretched over that opening, just in case someone fell, it would catch them. I had an ironworker friend from Amarillo, who went to work on the same site I was on. Joe, was one of those guys who couldn't resist anything that looked like fun. About his second day there, he couldn't stand it any longer, so, he jumped from the floor above the net, bounced around a bit, then climbed out smiling. Turns out that the Army Corps of Engineers, who oversaw the job, weren't at all amused. They escorted him in the office and then took turns scolding him, threatened to fire him, if he ever did that again. He promised to never do it again, and no more was said about it. On another job near Amarillo, he about drove his foreman crazy. Joe didn't like the guy, so he would hide at different places in the building, scream like a jungle bird, then dash back to where he was supposed to be. The foreman suspicioned it was him, but every time he went to check on him, Joe was working. He did eventually mess up though. One day he decided to slide down a steel I-beam column. As he was "burning the column," his foot hit a piece of angle iron that someone had welded on it. He lost his grip and fell about twenty feet to the concrete floor. Being as agile as he was, he still managed to land on his feet. It broke both of his ankles really badly, so, he was off of work for a long time. One day I went over to his house to see him. He was out in his driveway doing

"wheelies" in his wheelchair. When he finally got work-wise, he moved from Amarillo, and went into some sort of business. I haven't seen him since, but you can bet, that wherever he went, he made life more interesting for his new neighbors. Answer to last week's history trivia

question: The Pinkerton National Detective Agency was founded by Allan Pinkerton in 1850. This week's question: Was there ever an airfield near Twitty, or is that just an old myth? Where was it supposed to have been located? Answer next week.

Things Our Mothers Taught Us

... from the internet

- My mother taught me TO APPRECIATE A JOB WELL DONE. "If you're going to kill each other, do it outside. I just finished cleaning."
- My mother taught me RELIGION. "You better pray that will come out of the carpet."
- My mother taught me about TIME TRAVEL. "If you don't straighten up, I'm going to knock you into the middle of next week!"
- My mother taught me LOGIC. "Because I said so, that's why."
- My mother taught me MORE LOGIC. "If you fall out of that swing and break your neck, you're not going to the store with me."
- My Mother taught me FORESIGHT. "Make sure you wear clean underwear—"incase you're in an accident."
- My mother taught me IRONY. "Keep crying, and I'll give you something to cry about."
- My mother taught me about the science of OSMOSIS—"Shut your mouth and eat your supper."
- My mother. taught me, about. CONTORTIONISM "Will you look at that dirt on the back of your neck!"
- My mother taught me about STAMINA. "You'll sit there until all that spinach is gone."
- My mother taught me about WEATHER. "This room of yours looks as if a tornado went through it."
- My mother taught me about ANTICIPATION. "Just wait till we get home."
- My mother taught me about RECEIVING. "You are going to get it when you get home!"
- My mother taught me MEDICAL SCIENCE. "If you don't stop crossing your eyes, they are going to stick that way,"

Sometimes you just wonder if the sore back, hurting feet and tired mind are worth it and then...you have all those expectant faces enter

your doors on Friday excited to see what you have for them that is when it is worth it all! Or, when you have new books come in and they see them on their table made up just for them and it amazing how those ADULTS just go wild! Kidding, the kids really enjoyed being catered to and it is so much fun to watch them learn and talk about different things they have done. I don't know if you realize it but a Librarian needs to know when a tooth goes missing and that the Tooth Fairy left money but no Fairy Dust, or when they have a new calf, lost a pet, have a new booby, the new baby keeping them awake, grounded from their electronics or just needing to share just about anything that

comes to mind. Sometimes I am amazed at what is in those little minds! We had a record 42 kids come at various times throughout the summer the most being 29 at one time. Next week I will share how many books went out and came back in the doors of Wheeler Public Library and speaking from my point of view I believe it was about 1 million! I loved every minute

and most usually Peg would be snowed under with cards, books and stickers for being there that day. I believe we should have an Adult Summer Reading Program because they enjoyed the time in our library as much as their

children did, hum, I may need to work that in! Keep reading your newspapers and checking in with us because we will be doing different things for the year.

Words To Live By

... from the internet

As we grow older, and hence wiser, we slowly realize that whether we wear a \$300 or \$30 watch - - they both tell the same time.

Whether we carry a \$300 or \$30.00 wallet/handbag - - the amount of money inside is the same.

Whether we drink a bottle of \$300 or \$10 wine- - the hangover is the same.

Whether the house we live in is 300 or 3000 sq. ft. - - the loneliness is the same.

You will realize, your true inner happiness does not come from the material things of this world.

Whether you fly first or economy class, if the plane goes down - - you go down with it.

Whether you fly first or economy class, if the plane reaches its destination - - everyone arrives at the same time.

Therefore . . . I hope you realize, when you have mates, buddies and old friends, brothers and sisters, with whom you chat, laugh, talk, sing, talk about north-south-east-west or heaven and earth -- that is true happiness!

Five Undeniable Facts of Life

1. Don't educate your children to be rich. Educate them to be happy so when they grow up they will know the value of things not the price.

2. Best wise words: "Eat your food as your medicines. Otherwise you have to eat medicines as your food."

3. The one who loves you will never leave you because even if there are 100 reasons to give up he or she will find one reason to hold on.

also experienced continued excellence in our ag science program with state qualifiers in judging contests as well as several high-placing show animals. We were able to lay the foundation for a robotics program with the elementary and junior high students. All the while, our student ac-

countability with regards to state testing has improved and we look forward to the release of state accountability ratings that will be released soon.

I would like to recognize our summer staff that has been busy in making preparations for the upcoming year. As with most summers, the new coats of paint, refinishing of floors, deep cleaning and other preparations along the grounds are seldom recognized but most assuredly appreciated.

Finally, I would like to welcome our new teachers and staff. I believe each new employee will complement our current outstanding staff, and I encourage each of you to take the opportunity to meet and welcome our new employees and build a foundation of communication that is so valuable when building a positive school climate. We welcome all parents to take an active role in their child's

education and truly believe that student success is directly related to parental involvement. Wheeler ISD will hold an Open House on Tuesday, September 6th and further details will follow. This is a great way to meet the teachers and make that initial con-

nection.

Again, welcome back all and I look forward to an outstanding 2016-2017 year!

Sincerely,
Bryan Markham
Superintendent
Wheeler ISD

shelled out and went to God.

• In a cemetery in England: Remember man, as you walk by, As you are now, so once was I. As I am now, so shall you be, Remember this and follow me. To which someone replied by writing on the tombstone: To follow you I'll not consent, Until I know which way you went.

On The Lighter Side

A kindergarten teacher was helping one of her students put his boots on. He had asked for help and she could see why. With her pulling and him pushing, the boots still didn't want to go on.

When the second boot was on, she was nearly out of breath.

She almost whimpered when the little boy said, "Teacher, they're on the wrong feet."

She looked and sure enough, they were. It wasn't any easier pulling the boots off than it was putting them on. She managed to keep her cool as they worked together to get the boots back on - this time on the right feet.

He then announced, "These aren't my boots."

She bit her tongue rather than scream, "Why didn't you say so earlier?" like she wanted to. Once again she struggled to help him pull the ill-fitting boots off.

He then said, "They're my brother's boots. My Mom made me wear them."

She didn't know if she should laugh or cry. She mustered up the grace to wrestle the boots on his feet again. She said, Now, where are your gloves?"

He said, "I stuffed them in the toes of my boots..."
