

Wheeler Area Aquatics Center — Fall Festival
SATURDAY, OCTOBER 29, 2016

CANDY, FOOD, FUN, CONTESTS, ICE CREAM & FELLOWSHIP

The Wheeler Area Aquatics Committee is excitedly looking

forward to another wildly, successful Fall Festival this year. We would like to share with you a number of ways you, your family and your business can be involved.

We need volunteers to set up a prize/game activity booth that the kids can play and win prizes. There are a ton of ideas out there and we are more than willing to help with ideas, if you need some ideas. If you are interested in an activity booth, you will need to provide the activity, anything needed to participate in the activity; along with any prizes the kids can win (candy, etc). You can also use your booth space to decorate and hang company banners/logos, etc. The space is usually 10' x 10' but we will work with you to accommodate. The booths will be open for play from 1pm – 4pm. You can set up on Friday, October 28th or Saturday morning before 11 am.

We also will be having a Trunk or Treat from 4pm – 5pm in the NORTH parking lot (North of the Ag Barn and East of the AgriLife Building). You can have your vehicles decorated and pass out candy and goodies to the little ones. We will be judging the Trunk or Treats participants and will have prizes for "The Most Festive", "Best Treats" and "Kid's Choice". So get your creative juices flowing!! Please expect to hand out enough prizes/candy/goodies for 500+ kids.

We are looking for Sponsors for the Fall Festival and we know we can't do it without generous support and donations from our Sponsors. We have different Sponsorship Levels available. We can also provide receipts as your sponsor.

MUSTANG EDGED BY VEGA

By Kelly Aderholt

In a spirited and closely played contest the Vega Longhorns slipped past the Mustangs last Friday night in Vega by a final score of 10-8. Vega used a strong defense, a balanced, grinding rushing attack and four takeaways to eke out the narrow victory to take over sole possession of first place

in District 1-2A Division II. The Mustangs fell to 4-4 on the season and into a three way tie for second place in district play with their final two opponents, Shamrock and Gruver, all with

Dear Friends, Our band has beautiful new uniforms. The old uniforms had to be thrown away. I saved one out of the dumpster for our museum. Now we can have a Wheeler Band place in the museum! Our band is the best and it needs to be in the museum for all the people to see and remember. It is fun to find things for the museum. I want a metal detector so I can hunt old things on my ranch. DISTRICT CHAMPION: Payton Freeman won the District Championship Monday, October 10 at Shamrock district cross country meet. He ran the 3 mile course in 19:29. He is the son of Johnny and Mona Freeman of White Deer and the grandson of Larry and Bobby Jennings of Wheeler.

SECOND DIVISION WIN: The Pride of Wheeler competed at the Region One UIL Marching Contest on Saturday at Dick Bivens stadium in Amarillo. The Mustang Band received a First Division rating from one of the judges and a Second Division from the other two judges. These ratings are averaged together meaning that the band received an overall Second Division rating which is considered 'excellent' by UIL standards. "The judges were exceptionally tough this year. Only two schools out of all of the 1A and 2A schools in the entire panhandle received a First Division." said Band Director John Bratton. "We had hoped for top ratings from all of the judges, but the students know that we're a First Division band and we'll keep improving the same as we have for the last four years." Unlike other UIL events, Marching Bands can only advance to the next level of competition every other year. 2A schools only advance on odd-numbered years, so this is not a year the band can advance to Area.

LIGHT FROST CAN CAUSE PRUSSIC ACID
Light frost can cause toxic levels of prussic acid to occur in many annual forages. While many plants contain the toxic materials, the greatest culprits are Johnson grass, hay grazers or forage sorghums-sudan hybrids, and various millits. Cattle may succumb to prussic acid poisoning while grazing these forages if they have

become drought stressed or in the fall after a light frost. Livestock should not be allowed to graze these plants in a stressed condition as death can occur. Prussic acid poisoning acts rapidly and can kill animals within minutes. Symptoms may include a brief period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), dif-

ficult breathing and frequent convulsions may result. Death is actually caused by suffocation since oxygen remains in the blood and is not exchanged to the tissues. Testing for prussic acid in these forages is possible, however, a true accuracy is unpredictable because many plants in the field may have prussic acid and many may not. Just remember a couple of bites of the poisonous plant can result in death. Producers do have an option of swathing forage sorghums that have prussic acid. When swathed, prussic acid leaves the cut forage when allowed proper time to cure before bailing. However

re-growth of plant material may still be toxic. Producers turning into new pastures that have not been grazed should also be cautious to the fact that there could be many colonies of Johnson grass growing. These Johnson grass colonies could contain Prussic Acid. The best management option is to wait 7-10 days after a killing freeze before turning cattle into new pastures, hay grazer, or sorghum stubble fields. The 7-10 days will allow the prussic acid to leave the plant just like swathing the hay and letting it cure. For more information, contact the Wheeler County Extension Office at 806-826-5243.

OLD TIMES NOT FORGOTTEN
By Roland Miles

THIS OLD HOUSE

Many years ago, there was a song, by a man named Stuart Hamblen, and also, written by him. I heard him tell the story

about how he came about being inspired to write it. He said that he was on a hunting trip in some mountains. As he was riding his horse, he came across an old house in a little valley. Since he was pretty hot and tired, why not stop and ask whoever lived there, for a drink of water, and just rest a while. As he got off his horse, an old dog came out the open front door, then turned and went back in. Since there wasn't any answer when he went to the open door, he went on in. There, in the front room, the dog was lying on the floor, next to a couch, where an old man was sitting. He was leaned back, like he was asleep. After checking, it was apparent the old man was dead. As Hamblen stood there, looking around, he could see, that at some time past, there must have been a woman living there too. He said he began to wonder what their life might have been like; maybe they raised a family there. He went on to tell about how the old house was in a bad state of disrepair and would soon start to fall down. I don't know if the story was true or not, but it made a good song. There are still a lot of old houses around here, some still standing, and some not. We've got one on our place too, and I actually remember the last family to live in it. That's been better than fifty years ago. There's another one, up our road a mile and a half that has fallen straight down. The roof and front porch roof are still intact, with a window above the porch. It's tempting for me to feel sad when I look at these old houses; each with a history of it's own, but they probably saw a lot of happy families come and go.

Stangs (from Page 1)

2-1 records.

The Longhorns took the opening kickoff and set up their 40. They methodically moved the ball down to the Mustang 30 in eight plays, converting two third and five plays along the way. But the drive stalled out at the 25 when, facing a fourth and five, Vega QB Tyler Long was stuffed by DL Mauricio Lopez and Andres Garcia after only gaining a yard.

On the first play following the turnover on downs, Mustang QB Holden Guest completed a 24 yard pass to WR Traylen Drake to the 48. But the drive died out after a holding penalty on third and five pushed the Mustangs back 11 yards and Drake lost two yards on third and 16, forcing a Wheeler punt.

Vega went three and out and punted to the Mustang 34. Guest looked to pass on first down and hit RB Eduardo Porras out the ball deflected off Porras and Vega LB Kenny Pittman snatched the interception on the 48 and rumbled to the 37 for a Longhorn first down. On second and eight, QB Long connected with RB Colby Luster on a 20 yard pass to the 15. Mustang DL

Rowdy Henson sacked Long two plays later, but a facemask penalty moved the ball to the 5 and gave Vega an automatic first down. The Mustang defense pushed Vega back after a first down sack by LB Levi Ware and Holden Guest and a third down sack from LB Rudy Almanza and DL Henson and Cade Kemp pushed the ball back to the 16. The Longhorns sent out K Gunner Hartsell and he bounced a 33 yard FG over the crossbar to give Vega a 3-0 lead with 10:19 left in the first half.

Neither team could mount any serious offense for the remainder of the half and Vega took their 3-0 advantage into halftime.

Wheeler's first possession of the second half ended after three plays when Guest's third and 12 pass bounced out of WR Ivan Lopez's hands and into the arms of Longhorn Billy Lookingbill and Vega had excellent field position at the Mustang 37.

Vega QB Long and RB Luster ran three times each and covered the 37 yards with Luster capping the drive on a ten yard run. Hartsell converted the PAT and Vega led 10-0 with 6:54 left in the third quarter.

The Mustang offense finally

got into gear on their next possession. Starting from their 35. Wheeler ran six times with Guest rushing four times for 24 yards and Porras gaining nine on a second and 10 to the Vega 38. After Guest picked up a first down to the 32, he took the shotgun snap and sailed a pass down the left sideline to a streaking Lopez. Lopez caught the pass in stride at the eight and glided untouched into the end zone. Traylen Drake ran in the two point conversion and the Mustangs had narrowed the lead to 10-8.

The Longhorns began the ensuing possession at their 31 and Long run for 12 yards for a first down on the opening play. But on the next play Long fumbled and Mustangs OLB Ivan Lopez pounced on the loose ball and gave Wheeler possession at the Mustang 49.

The Mustangs powered the ball down to the Longhorn 23 on seven running plays and tried to catch Vega off guard with a second and four deep pass. The Longhorns were prepared however and Lookingbill snagged his second pick at the one and returned it

to the 17 to end the Mustangs threat.

Vega punted six plays later and the Mustangs set up at their 36. RB Rudy Almanza picked up 11 yards and a first down to the 47 but Porras lost seven yards on the next play then Guest was sacked for a five yard loss to set Wheeler back to the 35 where they faced a third and 22. Guest attempted a deep pass to Lopez but Lopez got tangled up with a Vega DB and the ball was intercepted by Longhorn Austin Newkirk who returned the pick to the Mustang 47.

With time running out, the Mustang defense held strong and forced Vega into a third and 17. Longhorn QB Long attempted a deep pass but Mustang 5 Traylen Drake intercepted at the 31 and gave Wheeler another chance with 3:15 left in the game. Guest ran for three yards on first down but back to back incompleteness led to a fourth and seven. The Mustangs tried a jet sweep to Drake but a swarming Longhorn defense pushed him out of bounds for a one yard loss and Vega took over at the 33.

Wheeler badly needed a defensive stop and forced Vega into a fourth and six. They pitched to RB Luster on a wide sweep and he broke a tackle and picked up eight yards. Vega kneeled out the clock and took the 10-8 victory.

It was a disappointing night for the Mustangs as two of their four turnovers led directly to Vega's ten points and their usually explosive offense was stifled by the Longhorn defense. But even with the loss, the Mustangs are still very much in the playoff race. Their next two games will be pivotal as they are in a three way tie for second place. They face archrival Shamrock this Friday in Shamrock. The Irish are 2-6 on the season but are 2-1 in district play and tied with Wheeler and Gruver for second place. It will be a heated, meaningful matchup and hope to see a large contingent of Mustang supporters in Shamrock Friday night.

OCTOBER'S PARTY
October gave a party;
The leaves by hundreds came--
The Chestnuts, Oaks, and Maples,
And leaves of every name.
The Sunshine spread a carpet,
And everything was grand,
Miss Weather led the dancing,
Professor Wind the band.

The Chestnuts came in yellow,
The Oaks in crimson dressed;
The lovely Misses Maple
In scarlet looked their best;
All balanced to their partners,
And gaily fluttered by;
The sight was like a rainbow
New fallen from the sky.

Then, in the rustic hollow,
At hide-and-peek they played,
The party closed at sundown,
And everybody stayed.
Professor Wind played louder;
They flew along the ground;
And then the party ended
In jolly "hands around."

It was a quiet weekend with me spending part of Saturday with The Mac Man to have some time spent on the computer.

— cwe —

If you have a Mac computer and have a problem with it, see The Mac Man. I use rebuilt Macs I bought from him at a fraction of the cost. And he will fix a problem for a reasonable price. He is in Moore.

Storm (from Page 1)

and a friend hunted, but they only found an old horseshoe, a chain, and some wire. It is fun to hunt for museum things.

I hope we don't get the Chickenpox! Clark (Meriwether) got the chicken pox. He is two. Adalyn (James) got the Chicken Pox after Clark. She was so cute! She told her mom, "Why do I get Chicken Pox? I don't play with chickens like Clark does." Those little kids are so cute! You are not supposed to get Chicken Pox after you get the shot. That's just not fair. They are ok now.

Football is still good. The Colts won and the Mustangs almost won. This is Spirit Week for the Colts. We can dress in costumes if we want to. I am going to do "Fake Injury Day". We get to have a pizza party after the football game on Thursday. That will be a fun time! That's it.

Tindol (from Page 1)

Andy Rooney Says...

I've learned....That no one is perfect until you fall in love with them.

I've learned...That life is tough, but I'm tougher.

I've learned....That opportunities are never lost; someone will take the ones you miss.

I've learned....That when you harbor bitterness, happiness will dock elsewhere.

I've learned....That I wish I could have told my Mom that I love her one more time before she passed away.

I've learned....That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....That a smile is an inexpensive way to improve your looks.
