was boosted by two Wheeler penalties that totaled 20 yards. After a two yard loss and a penalty put Gruver into a second and 17, two passes netted only six yards and the Greyhounds faced fourth and 11 from the 28. Gruver QB Miguel Perez looked to pass but could not find an open gain and the Mustangs took over at their 27.

Wheeler went three and out and Gruver's ensuing possession ended after Mustang OLB Lopez sacked QB Perez for a nine yard loss on fourth and four and the Mustangs took over in Greyhound territory at the 48. Taking advantage of the fine field position, Wheeler moved the ball to the 30 in seven plays where they faced a fourth and ten. Guest hit Drake for a 20 yard gain to the ten to convert the fourth down. But after Guest lost five yard on first down and threw incomplete twice, the Mustangs once again faced a fourth and long. Coach Witten sent out K Servando Rascon and he drilled the 32 yard FG through the uprights and the Mustangs extended their lead to 11-0 with 2:30 left in the first half.

Exciting Times ∕at **Wheele**r∕ Public Library By: Vicki Fergyson, Librarian

Good Fall Day everyone! I just love the change of the seasons, it makes me want to sit, read a Great Book and drink hot tea. So considering that thought we have some new reads in for you to do just that. We have invested in the PBS Series POLDARK and needless to say it is quite the collection. I believe you will be interested in reading it. The first three books tell the life story of the 3 main actors and then the rest of the books present the story of all of their lives together. Stop in and look at them. They are listed in order and some are already checked out but we have plenty more.

The end of November I will be putting out all the New Christmas Books that we have ordered from your favorite authors. I think you really will enjoy getting into them! Peg and I are having a hard time holding them back because there are some really good ones. So don't miss that event!

Our BOOK/CRAFT for the 19th of this month will began at 10:00 a.m. and you kids need to come hear a Thanksgiving Story and do a Thanksgiving Craft to take home with you. We usually take about an hour to get things done so plan on showing up.

If you are wanting to give books for Christmas this year come see us. We have some we are selling that are brand new and that may just be the Christmas gift you would love to give this year.

Our 2016 year is almost over and by the time you receive this article we will have a new President and only 7 more weeks before we celebrate 2017! Make the most of this year and make the Wheeler Library one of your stopping off spots.

Vicki Ferguson/Librarian

The Greyhounds responded quickly with a six play, 67 yards drive that was capped by a 26 yard pass from Perez to WR Cole Logsdon. The two point conversion pass failed and receiver and scrambled right Gruver had trimmed the lead but was shoved down by LB to 11-6 with 2 second left in the Almanza after only a one yard half. The Mustangs drove the ball to the Greyhound 40 but ran out of time and took their lead into halftime.

Taking the second half kickoff Gruver could not muster a first down but pinned the Mustangs deep with a 46 yard punt to the Wheeler 16. Undeterred, the Mustangs used three passes and three runs to move the ball to the Greyhound 45, where they had a first down. From there Guest took the shotgun snap and lofted a pass to WR Lopez who made an excellent twisting catch for a 32 yard gain to the 13. The drive would stall out however and Rascon came in and nailed a 35 yard FG to extend the Mustang lead to 14-6.

The Greyhounds returned the ensuing kickoff 37 yards to their 41 but immediately turned the ball over when

pass attempt and returned it to the 21. Unfortunately a penalty on the return pushed the ball back to the 44 to give the Mustangs a first and ten. Once again Wheeler mixed runs and passes to move the ball inside the Gruver ten. But a penalty and incompletions killed the drive and Rascon came on and coolly nailed his third FG, this one from 28 vards out, and the Mustangs led 17-6 with 2:19 left in the yards on six carries and Ware third quarter.

Gruver mounted a strong drive in response. Logsdon ran twice and completed two passes, the second a 10 yard strike to WR Creed Spivey that gave the Greyhounds a first down at the Mustang 45. On the following play Logsdon once again connected with Spivey who broke a tackle and raced down the sideline. At the 12 yard line, Porras caught up to him and raked the ball away from Spivey on the tackle. Mustang CB Gustavo Andrade quickly picked up the fumble and returned it

to the 28. The Gruver defense rose up and forced a Mustang three and out and the Greyhounds failed) took over at the Wheeler 48. After RB Brayden Howard picked up seven yards on first down, Logsdon once again found a wide open Terrazas for a 41 yard TD pass and Gruver had clawed to within 24-19 after K Ermilo Acosta's PAT with 4:57 to play.

Wheeler was not to be stopped however. They set up for their next possession at their 30. After a five yard false start penalty, Guest ran for eight then Porras for seven and a first down. On the next play, TE Levi Ware moved to RB and took a handoff going left and burst through the line then cut back left and rumbled down the field before being tackled at the two yard line Almanza scored on the next play and the Mustangs finished the scoring at 30-19 after the missed PAT with 3:07 left in

the game.

The Mustangs rolled up 464 total yards with Guest leading the way. The senior QB ran 18 times for 113 yards and a TD and completed 11 of 24 passes for 183 yards and a score. Drake hauled in seven passes for 120 yards and a TD and provided stellar downfield blocking. Lopez caught four passes for 63 yards. Almanza ran 13 times for 54 yards and a score. Porras added 51 averaged 27 yards on his two carries. Defensively they were led by DE Rowdy Henson and LBs Ware and Almanza who held the Greyhounds to 139 rushing yards. Porras, Lopez and Andrade each intercepted a pass on the evening. The Mustangs (6-4) continue their season as the playoffs begin teams squared off in week The Mustangs wasted little 3 of the regular season with ing the Mustangs, 26-19, in Clarendon.

SUPER TRAP

Like I've mentioned before, when I was growing up, runideas were just too complicated for me to get started on. Even if I'd figured out how to get going, Dad didn't usually an electric saw when I was a have let me use it, even if he did have. It doesn't take very long to dampen a kid's enthusiasm with a handsaw. It's only logical, that I'd wind up digging a hole in the ground in one of our shinnery patches, then covering it over with tree limbs and stuff. All of that was an inclination to. But, after box on one end. The box had had a leftover wooden box, about two feet square and four feet long, that their cats used to sleep in. He could see right away, that could make a good trap, to maybe catch coyotes, or a bobcat. Also,

Clean Water For Rural Communities

Agriculture Secretary Tom Vilsack announced that the U.S. Department of Agriculture (USDA) is investing \$331 million in 85 projects that will improve water and wastewater infrastructure in rural areas in 39 states and American Samoa. Community infrastructure investments are a key piece of USDA's mission to support America's rural communities, and these investments build on the \$13.9 billion USDA has invested over the course of the Obama Administration to support 5,825 water and waste infrastructure projects that currently benefit 19.5 million rural residents.

"Strategic investments like these into community infrastructure provide a path to rural economic growth," Vilsack said. "Water and wastewater upgrades protect the health and safety of those who live and work in rural areas, and are especially critical given today's aging infrastructure in areas that have not fully benefited from rural America's economic rebound. Modernizing water and wastewater systems improves the quality of life and can help attract jobs to rural communities."

USDA is providing \$264 million in loans and \$67 million in grants through Rural Development's Water & Environmental Programs. These programs provide assistance and financing to develop drinking water and waste disposal systems for communities with 10,000 or fewer residents.

Five projects were awarded funding in Texas including Aqua Water Supply Corporation, Black Rock Water Supply Corporation, Fort Griffin Special Utility District, the City of Quitaque, and White River Municipal Water District.

"Rural Development is pleased to offer funding to these five communities," said Paco Valentin, USDA Rural Development State Director. "Water is one of the most pressing public health concerns and is essential for longterm sustainability. By utilizing these funds, these communities will have improved water infrastructure to support economic and population growth."

Of the 5 projects announced, 2 are located in StrikeForce areas, and 1 is also located in an area of Persistent Poverty.

Funding for each project announced today is contingent upon the recipient meeting the terms of the loan, grant or loan/grant agreement.

End the Streak

On November 7, Texas marks a grim milestone as we embark on the 16th anniversary of the last fatality-free day on our roadways. That means every day for the last 16 years someone has died

To help reverse this dangerous trend, TxDOT is issuing a call to action to all drivers through the hashtag #EndTheStreakTX; please see our press release about

Harry Truman

Off the Internet

Harry Truman was a different kind of President. He probably made as many, or more important decisions regarding our nation's history as any of the other 32 Presidents preceding him. However, a measure of his greatness may rest on what he did after he left the White House. The only asset he had when he died was the house he lived in, which

There's nothing quite like childhood innocence...

While walking along the sidewalk in front of his church, our minister heard the intoning of a prayer that nearly made his collar wilt. Apparently, his five-year-old son and his playmates had found a dead robin. Feeling that proper burial should be performed, they had secured a small box and cotton batting, then dug a hole and made ready for the disposal of the deceased. The minister's son was chosen to say the appropriate prayers and with sonorous dignity intoned his version of what he thought his father always said: "Glory be unto the Faaaather. and unto the Sonnn.... and into the hole he gooooes."

SECOND & FIFTH: Kade Hathaway placed 2nd and 5th at the West Texas Weld-Off. He competed at the West Texas Weld-Off at Hereford High School. He placed 2nd in Cutting and 5th in Speed Cutting. Kade was using an acetylene torch cutting 1/4 inch metal.
