STORM REPORT

As Reported by...
Stormie Meriwether,
Seventh Grade Student

Dear Friends, Wheeler had a fun Family Game Night. It was great! The kids played games with the parents and grandparents. I did the Limbo, played Monopoly and Twister. The best part was all the kids sang songs while they served the Mexican Pile On. It was a fun time. I hope we get to do it again!

My mom and dad and I went looking for artifacts. I found a square link chain. I don't know if it is very old or if it was used on the farm. The archeologists have to tell us about it. We found too much wire. I do not like to find just a piece of (Continued Page 4)

Mercy! This weather is something else, up and down, down and up! Gotta love the Texas Panhandle there is never a dull day.

Put on your calendars our BIG program for JUNE 20, 2017 @ 4:00 p.m.. Mr. Mark Shelton will be performing in our library he is a renown percussionist and plays 10 different instruments some of which I've never heard of. Don't want to miss it!

There will be more information in the up and coming days about it.

You may remember in January I had started writing about Libraries as Community

Builders. I would like to share with you the 3rd point made in this study

about how important Libraries' Special collections

grow out of Specific community needs. You may think your public library only deals in books but there are some that deal in lending tools for disaster relief, framed works of art from schools, collections from individuals of fishing poles, bikes to cake pans, artifacts. There are many ways the library can become a part of your community and this is just another one.

Hopefully, we will be able to facilitate something like this as time goes by to make our Wheeler Public Library a more interesting place to learn!

As school draws to a close we will gear up the Summer Reading Program in late June. The reasoning is I will be vacationing and participating in the graduation of my grand daughter and spending time with her and her family before she starts college then, we will get into HIGH GEAR so get ready kids!

Changes Are Announced For County 2017 Farmers' Market

The Wheeler Farmers' Market is changing starting with the 2017 growing season. We have been a Wheeler County Market exclusively for Wheeler County with only locally grown produce and have been fairly small with no more than 10 vendors per market. We are now going to open our market up to the adjoining counties of Hemphill, Gray, and Collingsworth and the new name of the market will be Eastern Panhandle Farmers' Market. Growers from these counties have shown interest in our market but were restricted from joining. We are one of the last farmers' markets left in the Texas Panhandle and we offer a good selection of fruits and vegetables. We are not allowed to bring in produce from out-of-state or out of the designated counties.

Each vendor will be responsible for his/her sales, table, chairs, bags, tent (if preferred), money box, etc. The market is open to all ages and will be held in Wheeler on Saturdays 9 to noon on the west side of the courthouse and on Wednesdays 3 to 6 pm on the east side of the courthouse (along hwy 83). If you are interested go ahead and make plans by ordering your seeds and as the winter weather winds down be getting your garden spots ready for next spring/summer. The market usually runs from July 4th until Oct. 4th. A notice will be printed later. Chester Jones of Wheeler is the market coordinator and can be reached at chesterjones2347@hotmail.com or by 806-438-5095 if you have questions or concerns.
