Kelton High School Team Captures SPC Robotics Competition

REESE CENTER – RIP, a team from Kelton High School, walked away with the coveted Tin Man trophy following the robotics competition held recently in Building Six on the South Plains College campus. This is the second time a team from Kelton High has won the battle.

The final battle featured four teams – South Plains College Levelland campus's Sub Zero and three teams from Kelton – RIP, Fanta Unicorns and Monsters. Sub Zero earned its way into the finals by winning the consolation round.

The contest featured three preliminary rounds before the consolation round that allowed robots to battle to the end. The last robot standing earned a berth in the finals.

Members of Sub Zero are Tanner L. Baez of Anson, Rocky D. Day of Clayton, N.M., Israel Hernandez of Lubbock and Joshua A. Martinez of Lubbock.

The teams representing

ROBOT BATTLE WINNERS: RIP from Kelton High School was crowned champions in the Tin Man XVIII Robotics Competition. The event was held Friday (Dec. 8) in Building Six on the South Plains College Reese Center campus. Dr. Robin Satterwhite, President of South Plains College, left, presented the Tin Man trophy to the winning team of Brock Buckingham, Mark Herndon and Roy Herndon, coach. (SPC Photo/Wes Underwood)

SPC Reese Center were 50 Shades of Smurfs comprised of Rosalinda Holguin and Marcus Martinez, both of Lubbock. Team Mountain members are Zephaniah Chavez of Lubbock, Connor Jones of Idalou and Nathan Lockwood of Lubbock.

Members of Shredder,

the team representing the SPC Plainview Center, are Jonathon Longoria and Noah Alvarado, both of Plainview.

The winning team from Kelton High was comprised of Brock Buckingham and Mark Herndon. Their coach is Roy Herndon.

The contests judges were Manuel Prieto, Maintenance Supervisor for SPC Plainview Center; Michael Hawk, instructor in Electrical and Power Transmission Technology; and John Hill, former SPC student.

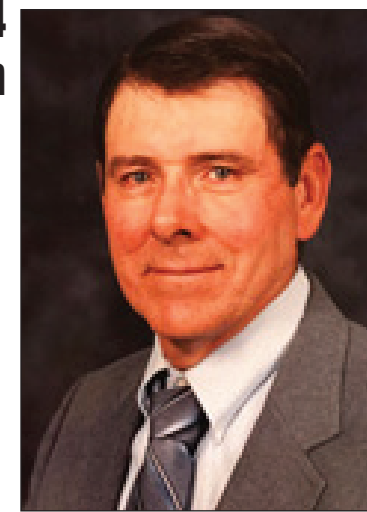

The IMET Program includes the Robotics course as part of the electronics curriculum. Among the concepts introduced range from what is a robot through the construction of a home-made Computer Numerical Control machine, a machine that uses a computer to control its motions and associated with milling and cutting machines. Industrial robotics is emphasized throughout the curriculum.

For more information, contact Bill Tackett, instructor in electronics technology at Reese, at (806) 716-2297.

Services Dec. 14 For Harry Garrison

Rosary was said at 7 p.m. on Thursday, December 14, 2017 in Robertson Funeral Directors in Shamrock. Funeral Mass was celebrated at 2:00 p.m. Friday, December 15, 2017 in St. Patrick's Catholic Church in Shamrock. Burial followed in Shamrock Cemetery in Shamrock. Arrangements were by Robertson Funeral Directors of Shamrock.

Harry Garrison

Harry Jackson Garrison III was born on October 3, 1945 in Shamrock to Clare O'Gorman Garrison and H.J. "Jack" Garrison Jr. He passed away on December 11, 2017 after a courageous battle against kidney cancer. He graduated from Wheeler High School in 1964. Harry attended West Texas State University after high school but his time at West Texas was interrupted by the Vietnam War. He served as an artillery fire direction specialist in the 1st Cavalry Division in Vietnam and he received a Bronze Star and numerous other awards for gallantry. His time in the Army and his affiliation with the 1st Cavalry Division was a lifelong source of pride and friendships. After Vietnam, Harry returned home and finished his degree at West Texas State where he met and married Jan Smith Garrison in 1971. They made their home in Shamrock and

were married for 46 years. Harry dedicated his life to mentoring, inspiring, and helping his children in any way he possibly could. He was a business owner and he operated Harry's Gulf Service and H.J. Garrison Oil Company, a service station and fuel distributorship, with his father and brother for most of his life. He handed off the business to his sons in 2004, but in "retirement" Harry worked long, hard days to help his sons through good times and bad. Harry was a lifelong member of St. Patrick's Catholic Church in Shamrock and his faith was very important to him. He was a proud member of Veterans of Foreign Wars, American Legion, Catholic War Veterans, and Knights of Columbus.

He is preceded in death by his parents Jack and Clare Garrison.

He is survived by his wife, Jan, his son Greg and wife Laura and grandsons Austin, Jack and Michael, his daughter Sherilyn and husband Chris and granddaughters Kendall and Kate, his son Paul and wife Marysa and grandsons Zane, Colt, and Grant. He is also survived by his brother Larry Garrison, sisters Kathleen Cross, Pat Grametbauer, and Pam Vogt. His family will always remember a loving husband, father, and grandfather who gave generously of his time, laughed often, and never failed to let his family know that they were the most important thing in his life.

In lieu of flowers the family suggests donations be made to St. Patrick's Catholic Church in Shamrock or the Vietnam Veterans of America's Agent Orange program which can be found at <https://vva.org/what-we-do/outreach-programs/agent-orange>.

This time of the year is always full of good treats, laughing children, family from afar, football and just plain ole loving on each other! May your days be merry and bright and you don't forget the real reason we celebrate Christmas:

As fits the Holy Christmas birth,
Be this, good friends,
our carol still-
Be peace on earth,
be peace on earth,
To men of gentle will.

By Thackray

Welcome, all wonders
in one sight!
Eternity shut in a span!
Summer in Winter,
Day in Night!
Heaven in earth, and
God in man!
Great little One! Whose
all-embracing birth
Lifts Earth to Heaven,
stoops Heaven to Earth.

By Richard Crashaw

You Merry Folk,
be of good cheer,
For Christmas comes
but once a year.
Open door you'll take
no harm
By winter if your hearts
are warm.

STORM REPORT

As Reported by . . .
Stormie Meriwether,
Eighth Grade Student

Dear Friends, Christmas time is here! We had the Meriwether Family Christmas at Gina's (Musea) house. It was fun! We played games, ate delicious food, and had a gift exchange with my cousins. My cousin, Jordan Black, had my name. He gave me a "Kate Spade" bracelet. I love it! Our family Christmas is special because we have a great time and make memories. Clark is growing up and he is so cute! He wants "Wegos" for Christmas.

The Jr. High girls played basketball in Panhandle. The seventh grade didn't win. The eighth grade almost won. We just needed one more basket! I was so excited! I wanted to play, but I know when it is that close we have to have our best players out there. They really tried hard. I am sad that we didn't win.

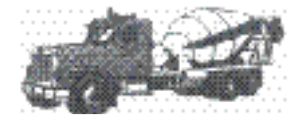

Jacob and Edward are fat and happy! They are so funny.

When I go to feed them and all the pigs are asleep, I open the door and those two boys know their "momma" is there and they jump up and start "barking" like dogs. I can't believe the sounds they make. I thought pigs just said "oink"! We made a poster of the FFA emblem in Master James class. I made most of mine with candy. I liked that project because I got to eat the extra candy.

Last week was Ms Paula's (Britt) birthday! I hope you had a great birthday, Ms. Paula! I miss you and love you! MERRY CHRISTMAS everyone! That's it!

From the Internet

I used to think I was just a regular guy, but . . .

I was born white, which now, whether I like it or not, makes me a racist.

I am a fiscal and moral conservative, which by today's standards, makes me a fascist.

I am heterosexual, which according to gay folks, now makes me a homophobic.

I am non-union, which makes me a traitor to the working class and an ally of big business.

I am a Christian, which now labels me as an infidel.

I believe in the 2nd Amendment, which now makes me a member of the vast gun lobby.

I am older, which makes me a useless old man.

I think and I reason, therefore I doubt much that the main stream media tells me, which must make me a reactionary.

I am proud of my heritage and our inclusive American culture, which makes me a xenophobe.

I value my safety and that of my family and I appreciate the police and the legal system, which makes me a right-wing extremist.

I believe in hard work, fair play, and fair compensation according to each individual's merits, which today makes me an anti-socialist.

I believe in the defense and protection of the homeland for and by all citizens, which now makes me a militant.

Please help me come to terms with the new me . . . because I'm just not sure who I am anymore!

I would like to thank all my friends for sticking with me through these abrupt, new found changes in my life and my thinking!

I just can't imagine or understand what's happened to me so quickly!

Funny . . . it's all just taken place over the last 7 or 8 years! As if all this crap wasn't enough to deal with.

I'm now afraid to go into either restroom!

AMERICAN PICKERS to Film in TEXAS

Mike Wolfe, Frank Fritz, and their team are excited to return to Texas! They plan to film episodes of the hit series AMERICAN PICKERS throughout the region in WINTER 2018

AMERICAN PICKERS is a documentary series that explores the fascinating world of antique 'picking' on History. The hit show follows Mike and Frank, two of the most skilled pickers in the business, as they hunt for America's most valuable antiques. They are always excited to find sizeable, unique collections and learn the interesting stories behind them.

As they hit the back roads from coast to coast, Mike and Frank are on a mission to recycle and rescue forgotten relics. Along the way, the Pickers want to meet characters with remarkable and exceptional items. The pair hopes to give historically significant objects a new lease on life, while learning a thing or two about America's past along the way.

Mike and Frank have seen a lot of rusty gold over the years and are always looking to discover something they've never seen before. They are ready to find extraordinary items and hear fascinating tales about them. AMERICAN PICKERS is looking for leads and would love to explore your hidden treasure. If you or someone you know has a large, private collection or accumulation of antiques that the Pickers can spend the better part of the day looking through, send us your name, phone number, location and description of the collection with photos to:
