“Wheeler: town of friendship and pride”

I had all the information on the storm damage in Wheeler last week and did not tell of the damage to the crops.

— cwe —

Doesn't look like there will be much cotton in the area. Talked to Steve and Nancy Hampton and learned of the loss of the cotton crops in the Wheeler area.

— cwe —

Sorry to hear of the death of Gary Davis. He will be missed.

Cwe

Leroy, Stormie and I worked Wednesday cleaning up the mess in my back yard. We hauled one trailer load to the dump and was working on the second load when Victor--- showed up with his lift and loaded the last and heaviest of the limbs and trees. I am so lucky to have the Meriwethers.

— cwe —

Cathi and Dorcie arrived at OKC Friday evening and followed us to Wheeler Monday morning to be here for the activities of the 4th.

STORM REPORT

As Reported by...
Stormie Meriwether,
Ninth Grade Student

Dear Friends, It's almost (writing on Tues.) Fourth of July! I am so ready for all of the family to come to the ranch! Gina and Jaeden (Musae) and Glenn (Meriwether) are already here! We are having fun! I am glad that the family is coming together again for the Fourth of July. It is always a special time of year for my family.

Payton Freeman of White Deer attended the S.A. SMITH INVITATIONAL TOURNEY in Midland & Odessa this past week. The 1st day was played at the Green Tree C C which he carded a score of 82 and 2nd day @ Odessa C.C. he posted a 74. There were 33 in his age group of 15-18. The NTPGA & FROST BANK hosted this tournament with a dinner Wed nite & the highlight of it was a drawing of a \$5000 Scholarship for the Junior & Senior students of high school. Payton WON the scholarship!! What a great surprise to Payton & his grandmother, Bobby Jennings of Wheeler, who accompanied him on the trip. In the fall he will attend Lubbock Christian University to major in Physical Therapy with a golf scholarship in addition to this \$5,000.

COTTON CROPS DESTROYED: The Friday, June 22, 2018, storm destroyed cotton crops in the Wheeler area. The damage reached from approximately five miles west to seven miles west of Wheeler. Damage ranged from mild to total loss. The picture above shows a crop farmed by the Hampton Farms on the Maxwell place. The family farms the home place and are tenant farmer for 10 other places. Steve has been farming cotton for 47 years and this is one of his worst years. "This is a field 2 miles east of town. It was taken a week ago. Some of the little stalks are trying to put some leaves back on. Mother Nature is a determined woman," stated Nancy Hampton.

Ky Markham Accepted At S.W.O.S.U.

Twenty-one students from Oklahoma and Texas were recently accepted into the Southwestern Oklahoma State University-Sayre Radiologic

Technology Program.

Ky Markham, Wheeler, TX, was among those accepted.

"We're happy to welcome these students into the program," said SWOSU-Sayre Radiologic Technology Director Jess Parker.

According to Parker, program admission is competitive. The 21 students who were admitted were selected from a large pool of individuals who applied and sat for interviews before a panel of medical and educational professionals.

The two-year Radiologic Technology program includes classroom instruction as well as on-site clinical experience. Students eventually sit for a

Account Established For Sanchez Family

An account has been set up at the First State Bank in Wheeler for the Carlos Sanchez family. The family lost their home and contents in the June 22, 2018, storm which moved through Wheeler.

Donations can be dropped off at the bank to go into the "WAAIC-Shanchez" account. Or checks can be mailed to WAAIC" c/o of Charles Kuntz, CPA, P.O. Box 189, Wheeler, TX 79096.

Obituary For Shirley Green, 57

Shirley Linnea Green, 57, of Wheeler, TX passed away Saturday, June 30, 2018. Shirley was born July 13, 1960 in Brunswick, ME to Charles Henry and Rhoda Loudella Smith. She was raised in Norman and graduated in 1978 from Norman High School.

Shirley married Shorty Green in Wheeler on July 14, 2008.

Shirley was an avid University of Oklahoma Sooners fan. She loved visiting the ocean and sitting on the beach. Shirley enjoyed cooking, teaching friends and family how to cook and working in her garden. She would attend local farmer's markets and sell the fruits and vegetables she grew. Shirley loved all animals and was known as a friend to everyone.

She will be remembered as a loving wife, mother, sister, aunt and most of all grandmother.

Shirley will be dearly missed by all who knew and loved

NEW HOME: A trailer was moved onto the location of the Carlos Sanchez mobil home, which was destroyed by the June 22, 2018, FE-0 tornado which moved through Wheeler. Fortunately part of the family was on vacation when the storm hit and the remainder of the family was at work. One church had the roof removed and two storage barns were destroyed. High winds which accompanied the storm heavily damaged other buildings and trees. Anyone wishing to donate household items or food to restock their pantry may contact Brenda Sparlin or Wheeler Vet Clinic.

Exciting Times

at Wheeler
Public Library
By: Vicki Ferguson,
Librarian

It has been a busy time around the Wheeler Library lately. We have had children and adults coming and going on a regular basis. The Summer Reading Program has been a huge success and the kids have sure enjoyed the programs. The 0 thru 5 years

of age 'Little's' have really enjoyed being with creepers like themselves. They play with each other I have floor games and crafts, read books to them they can react to, it is just wonderful. The 6 thru 10 year old challenge each other to do better and they work so well together. I have learned so much from them, how they think and react, which has helped me to know what their reading needs are. It is amazing how very informed they are on titles, authors and up to date books. I've had lots of good information..so I consider myself brought up to date. Remember the dates for ^ to 10 years old is Monday's from 10 to 11 each week until August. The 0 to 5 years old program is Tuesdays from 10 to 10:30 and they all meet in the Children's Section to read, check out books and play and then we go to the Work Room to do our weekly craft. Thank you all so much for bringing your children to our Summer Program!

New books are on order for adults hopefully arriving sometime in the next week. Things have been so hectic but hopefully they will so down in awhile. Please return all children/adult books before you can check out other books.

Zika Virus Protection & Prevention

Zika Virus Protection and Prevention Measures for Individuals to Protect Themselves from Mosquito Bites

- wear insect repellent,
- cover up with long-sleeved shirts and long pants,
- keep mosquitoes out with air conditioning or intact window screens, and
- limit outdoor activities during peak mosquito times.

Measures for Individuals to Prevent Mosquito Breeding

- At least weekly, carefully check the area around your home, school, or workplace for mosquito breeding areas:
 - o clear and empty gutters;
 - o empty or get rid of cans, buckets, old tires, pots, plant saucers, and other containers that hold water;
 - o remove standing water around structures and from flat roofs;
 - o change water in pet dishes daily;
 - o rinse and scrub vases and other indoor water containers

weekly;

- o change water in wading pools and bird baths several times a week;
- o maintain backyard pools or hot tubs;
- o cover trash containers;
- o water lawns and gardens carefully so water does not stand for several days;
- o screen rain barrels and openings to water tanks or cisterns; and
- o treat front and back door areas of homes with residual insecticides if mosquitoes are abundant nearby.

□ If mosquito problems persist, consider pesticide applications for vegetation around the home.

Measures to Protect Communities from Zika Virus

- conduct neighborhood outreach about active precautions individuals can take to protect themselves and their families from mosquito bites;
- initiate or enhance monitoring and surveillance of mosquito activity;

□ develop a local contingency plan for mosquito abatement and surveillance, and plan for additional control measures if needed;

□ keep public drains and ditches clear of weeds and trash so water will not collect;

□ implement efforts to clean up illegal dump sites and collect heavy trash; and

□ encourage people to report illegal dumpsites and standing water, and respond quickly to these complaints.

Mesothelioma

may occur 30 to 60 years after exposure
to asbestos. Many workers were
exposed from the 1940s through the
1970s. Industrial and construction work-
ers, along with their families (second
hand exposure) are among those at
risk for mesothelioma, lung cancer
or gastro cancer (throat, stomach,
colon). Even if you or your loved one
settled an asbestosis case in the past,
this may be a new claim, so call now.

Farmer's Market To Open July 11

The 2018 Wheeler County Farmers' Market is planning to start on Wednesday, July 11th at 3:00 pm on the east side of the courthouse in Wheeler. The Saturday market will start on July 14th at 9:00am

Storm (from Page 1)

I am very sorry that Hannah and Alex (Davis) lost their uncle, Gary Davis. He was a very sweet and funny man. He always went to everything at school. Everyone will miss him. Also, Hunter (Koelzer) and his mom lost a very special friend, Shirley Green. I know you will have many memories.

Last week my mom went by herself to Houston to the memorial service for Alan Bean. I wanted to go, but I stayed home with my dad. We worked cleaning up trees at Pop's that fell in the storm. It was hard work, but I enjoyed working with my dad and my Pop.

Have fun on the Fourth everyone and be safe! That's it!

on the west side of the courthouse. The market will be every Wednesday from 3pm until 6pm and every Saturday from 9am until noon and will continue this schedule until September 5th. The market has been questionable this year because of the extreme drought we had and the stormy weather with hail and wind that we have endured, but there has been lots of interest in whether we were going to have the market this summer. So the answer is "YES" since we have had some measurable rain in May and

the gardens are coming on but just a little late. There do not seem to be many apricots or peaches this year because of the late freeze; there are lots of blackberries and apples. Gardens should yield lots of okra, watermelons, cantaloupes, summer squash, winter squash, peas, sweet corn, cucumbers, tomatoes, peppers, turnips, and lots of other goodies. The watermelons are really prolific this year already with runners and blooms.

Our market is for growers of Wheeler County only with only local produce for sale. So no out of county produce or vendors are allowed. Any

agricultural products besides fruits and vegetables include eggs, honey, nuts, etc. Chester Jones of Wheeler is the market coordinator and can be

reached at 806-438-5095 or chesterjones2347@hotmail.com if you have questions or concerns. We appreciate our loyal customers that have sup-

ported us these past 15 years and we appreciate the vendors who have helped make our market a success. Lets have a good market this year.

THANK YOU! Our recent storms resulted in lots of tree and shrub damage for Wheeler; The city dump was opened for the benefit of those having limbs to haul. The city employees have been on the scene everyday including weekends keeping the limbs pushed back. This makes it a lot easier to unload. You are appreciated.
