CWE CHAT WITH THE EDITOR

By Louis C. Stas

I was not in attendance for the start of the Mobeetie Celebration, but we did make it to the Old Settlers Reunion. Over 450 registered and 204 at the steak dinner Saturday.

— cwe —

The weather was the nicest I remember experiencing at one of these celebrations: clouds and a cool breeze.

— cwe —

A “Tip of the Hat” to those responsible. This was an event made possible by the cooperation of a community. You did yourselves proud.

— cwe —

Time does not allow us to have all the results, but we will have them next week.

— cwe —

On Saturday, Barbara and I hosted a Stas/Meriwether family dinner at Jennifer and Seth's. Around 19 were in attendance Saturday evening for dinner and cards.

— cwe —

On Sunday we attended a Baby Shower honoring Phoebe Jackson and John Dorman of Edmond, OK. The shower was in Moore, OK.

— cwe —

Bennett Dorman is scheduled to arrive October 2. This will be the first grandchild for John and Liz Jackson and the second great-grandchild for Barbara and I.

STORM REPORT

As Reported by...
Stormie Meriwether,
Ninth Grade Student

Dear Friends, This is the best year ever! I love school! We are reading “To Kill a Mockingbird” in Mrs. Jahnel's class. That is a great story. Mr. James is teaching us about hunting. We are beginning to do marching in band. I can't wait to march at the football game!

Wheeler Mustangs lost their football games! JV played Vega and Varsity played a Lubbock team. Cross Country did a good job too. That is hard work!

Last weekend was Labor Day Weekend. That meant no school on Monday. I wanted to go to school, but instead I went to Old Mobeetie with my parents and my pop. It was a fun day! I enjoyed seeing the doctor's office, the post office and the old school room at the museum. We ate Bar-B-Q. It was delicious! They gave awards to the oldest people. Larah's (Collins) great grandmother, Marita Stribling, won. She doesn't even look old. Pop got an award for always putting things in the paper about Mobeetie. That was cool.

The band at Mobeetie was wonderful! They played some of my favorite music. It was the Lee Family. I love to listen to them. My dad wants a CD of their music!

I met a man from Amarillo named Mr. Rector. He was very nice and told me that he has read the *Storm Report* since I was just a little girl. I really never thought about how long I have done the *Storm Report*. Thank you, Mr. Rector for reading *The Wheeler Times* and my report. I hope you had a fun time at Mobeetie. That's it!

CROSS COUNTRY: Wheeler's Cross Country team made a good showing at their first meet of the 2018 year. Pictured are (l. to r.) Edwin Gaucin, Katya Baylon, Brady Bailey, Josue Rincon, Cristian Contreras. The results of the meet will be in the paper next week.

Farmers' Market Will Close Sept. 15 Top O' Texas CattleWomen's Style Show Set For September 8 At Pampa

Wheeler County farmers' market will continue through Sept. 15th. Wednesday markets will be held on Aug. 29, Sept. 5, and Sept. 12 on the east side of the courthouse from 3-6 pm, and Saturday markets will be held Sept. 1, Sept. 8, and Sept. 15 on the west side of the courthouse from 9 am - noon.

We have averaged 4 vendors per market with the maximum being 5 or 6; we haven't grown much over the past 15 years but we have managed to offer fresh produce, canned goods, baked goods, and all kinds of agricultural items at a reasonable price to our loyal customers. The

Wheeler Livestock Boosters will meet on Sept 10, at 6:30 in the Wheeler school cafeteria. Please invite and welcome new families to attend if interested in raising a Livestock Project through FFA or 4-H for the upcoming show season.

It's that time of year again Top of Texas CattleWomen are having their annual style show Saturday, Sept. 8, 2018 at 10:30 AM at the Pampa Country Club in Pampa, Texas. There will be a brunch and tearoom style show with area stores participating. Door prizes and a grand prize will be awarded at the Style Show. GRAND PRIZE WINNER DOES NOT HAVE TO BE PRESENT TO WIN. Money that we make from our Style Show goes toward providing area seniors with a Scholarship opportunity. This past year we were able to give four (4) \$500.00 Scholarships. Tickets can be purchased from Dianne Buckingham, Treasurer at (806) 256-3633, or a local CattleWomen in your town, or at participating stores. Come join us for a wonderful brunch and style show at the Pampa Country Club 10:30 AM September 8, 2018. Get there early to get a good seat, visit with old friends and enjoy the Style Show!

FIRST GAME OF THE SEASON: The Wheeler Mustangs lost their first game of the season Friday, August 31, as they met Lubbock Trinity; the score was 25-20. Gustavo Andrade intercepts the ball to give the Mustangs a first down in this picture. Coach Evans stated: “The Varsity went to Levelland to play a solid Trinity Christian team. We were sluggish in the first half. We had 3 turnovers, that proved costly. We went into half time down 19-0. In the second half we played more like we expect from our team. We scored 20 points before Trinity scored the winning TD with a long pass into the end zone.”

THE ARMADILLOS HAVE EMERGED IN NASHVILLE

The Outlaw phenomenon produced powerful music and everlasting
bonds between Nashville and Texas. Willie and Waylon, Bobby Bare,
and Kris Kristofferson demanded and got greater creative freedom
and the movement was real—not just a marketing term, but a creative
flowering, a confluence of art and revelry, whiskey and poetry.

Tuesday marked mine and Barbara's 59th wedding anniversary. And to repeat myself, I thought 50th and above anniversaries were for old people. "Happy Anniversary, Bob!"

— cwe —

We did not catch a couple of mistakes last week until after the paper went to press.

— cwe —

The date was incorrect on the front page, and we were not aware of the change in the football schedule. The Mustangs will play Sayre there this week.

— cwe —

Thanks to Carolan Schaefer for the Mobeetie pictures Thursday and Friday.

— cwe —

And, Thanks, Gina Seitz for gathering all the information on the Mobeetie events. We will have that information next week.

— cwe —

And Thanks, Cara Richardson, who will be taking football pictures again this year.

— cwe —

We have JV game pictures and some Mobeetie parade pictures off the internet. Don't know who to give credit to for those.

Pictures can be sent to wtimes@windstream.net.

Xcel Energy Has Deep Impact

A recent analysis of Xcel Energy's financial operations shows that the company spent close to a half billion dollars in 2017 with vendors based in its Texas and New Mexico service area as it continued a long streak of capital improvements to the region's electricity grid.

"This spending supports thousands of jobs and families across our Texas and New Mexico service area," said David Hudson, president, Xcel Energy - New Mexico, Texas. "And the dollars we spend to build and maintain the power grid ensure abundant, safe and clean energy resources for communities across the region that are building their economies and creating a greater quality of life for everyone."

Xcel Energy operates in 94 towns and cities in a 52,000-square-mile service

DPS to Host Commercial Vehicle Training

The Texas Department of Public Safety (DPS) will host a commercial vehicle training day Friday, September 28, in Amarillo. The training will be from 9:00 a.m. to noon. DPS plans to provide quarterly training days throughout the Lubbock region for the commercial trucking industry. This month's training will cover the top 25 most common commercial vehicle violations discovered during roadside inspections.

The training will take place at Amarillo College (West Campus) located at 6222 SW 9th Ave., Building C, Classroom 103. This training is free and DPS Troopers will be on site to answer questions relating to commercial vehicle rules and regulations. To register for the training, please contact Sgt. Chris Stephens at 806-468-1330 or email christopher.stevens@dps.texas.gov. Seating is limited to 70 students.

DPS is providing this training territory that includes the Panhandle and South Plains regions of Texas and a large portion of eastern New Mexico. The company's high-voltage transmission network stretches from southwestern Kansas down to southeastern New Mexico.

Throughout this region, Xcel Energy owns and operates valuable generating stations, power lines and substation facilities that generate a significant amount of tax revenue for local governments. In 2017, Xcel Energy paid more than \$71 million in taxes and franchise fees in Texas and close to \$45 million in taxes and franchise fees in New Mexico.

to assist the trucking industry with voluntary compliance to reduce commercial vehicle violations and the number of commercial vehicle-related

crashes. It is important to remember that most wrecks involving commercial motor vehicles are caused by passenger vehicles.

The Fort Elliott Volleyball team played in Quanah and won in 3 sets. Madison Swearingim, #2, returns.
