THIRTY-EIGHTH YEAR

NEGRO WOMAN KILLED NEAR ROCHESTER

A negro woman was killed Tuesday night near the home of one of the Ballard boys in the New Mid community east of Rochester. Nathan Dickerson, a negro man, was arrested Wednesday morning in a maize field west of O'Brien, charged with the crime.

The shooting took place in the yard, three shots being fired into the woman's body. The man attempted to gain entrance into the house for the purpose of killing some of the others in the party, but failing in this, he is said to have gone back to his victim, who was lying on the ground, and fired another shot into the back of her head, before walking away.

HASKELL SECOND TEAM DEFEATS STAMFORD SECOND

To those lads that fought on a muddy field to bring victory to their High School, goes the praise of every Haskell citizen for their prospects of a wonderful eleven for 1925.

We can not say enough for them, for their skill in demolishing the Stamford line, and their great resistance against the onslaught of Stamford's attacks, was wonderful.

Each player deserves special mention for his great fighting spirit, and sportsmanship. But if we are to consider the outstanding figures of the team, we must consider the work of Killingsworth, Whitman, and Kirkpatrick. These three backfield men bucked the line for the necessary gains.

In the first half, the game was played in Stamford's territory. Our boys swept the Stamford line aside like they were only running signals.

Kirkpatrick was the first man to draw blood from Stamford by pushing the whole line back for a touchdown. In the second half Killingsworth showed his great skill in receiving passes while he was being knocked for a pall of 11 20, by the opposing team. He made the other touchdown in the last half.

It was one of the most amusing games of the season. The boys would pile up like a mountain over the man with the ball. But it was the truest example of football that has been played for some time.

Those that fought the game were: Killingsworth, Whitman, Kirkpatrick and Irbly, backfield. In the line was Chapman, Wyche, Cox, Weaver, Chamberlain, Eastland and Grissom. Saunders relieved Cox in last quarter.

Stamford also can be complimented for their sportsmanship and clean playing. Every man on the team did his duty but it was their absence of skill that lost the game.

OPENS CHEVROLET AGENCY ON NORTH CLARK STREET

Newsome Barham, of Floydola, arrived the first of the week with his family and will open a Chevrolet Sales and Service Station here. The new company will be known as the Barham Chevrolet Company and will have temporary quarters in the old Magnolia Filling Station building, opposite Bert Welsh on north Clark street.

NORFLEET LECTURE LAST MONDAY NIGHT

J. Frank Norfleet the second Sherlock Holmes lectured here Monday evening.

Every one will remember reading about him. How confidence men fleeced him of every thing and how he spent six months disguising himself. He had all his teeth pulled and his head shaved and posed as a criminal. Then he began his campaign to hunt down the criminals. He chased them from the Pacific to the Atlantic, from Florida to Canada and back again and finally succeeded in capturing Joe Furey the master mind of a school of criminals that had been taught in the City of New York for years. He succeeded in having 70 of this band of criminals brought to justice. He has been in many tight places and the criminals think he bears a charmed life.

He has spent and been swindled out of a fortune and is now broke, but is going on the famous Majestic Circuit. He has published a very interesting book telling of all of his experiences which is on sale at Fouts and Mitchell's store.

He and his son Pete were honored guests in the home of Mr. and Mrs. Harry Grissom while here.

FUNERAL SERVICES OF N. S. CLARK HELD HERE SUNDAY

N. S. Clark, age 71, died Saturday night, Oct. 18th, at 11 o'clock at the home of his son, W. T. Clark of the Gilliam community. Mr. Clark had been a great sufferer, having been afflicted since the fall of 1919 and had been confined to his bed the past three years. He moved here from McClelland county several years ago, and because of his affliction he was unable to make a large acquaintance, but was loved and cherished by those who knew him. He was converted in early life and had lived a consistent member of the Baptist Church for many years. Funeral services were conducted by Rev. Ben F. Roberts at the grave Sunday afternoon at 4 o'clock after which his remains were laid to rest in Willow cemetery in this city. A large concourse of sorrowing friends were present to pay their last respects to him who had lived so well.

DEMOCRATS HOLD MASS MEETING

In pursuance to a call issued by Judge H. R. Jones, chairman of the Haskell County Democratic Executive Committee, a mass meeting of democrats of Haskell county was held in the courthouse in Haskell at 2 o'clock Saturday Oct. 18th. After the meeting was called to order L. D. Ratliff was elected chairman of the meeting and Judge P. D. Sanders was elected secretary.

Judge H. R. Jones explained the object of the meeting and urged that support be given the entire democratic ticket and that all who could ought to contribute to the national campaign which brought a hearty response. Speeches were also made by M. A. Clifton, Judge P. D. Sanders, L. D. Ratliff and others.

A campaign committee was selected to have charge of the campaign in Haskell County until election day, which is November 4th, composed of the following: L. D. Ratliff, M. A. Clifton, T. E. Ballard, A. J. Smith and P. D. Sanders. This committee was instructed to get in touch with local chairmen over the county and arrange for speaking dates in the various towns and voting places. It is expected to have some prominent speakers in the county before the election.

The main thing in the campaign as expressed in the meeting is to urge all democrats, both men and women to turn out on Nov. 4th and vote the ticket.

FRANK KIMBROUGH HEADS SIMMONS STUDENT BODY

Frank Kimbrough, well known football star, was the choice of the Simmons College student body to pilot their "Ship of State" through the 1924 and 1925 school year of student activities, in the initial meeting of the Student's Assembly held a few days ago. Kimbrough is a Haskell boy. He entered Simmons College at Abilene in the fall of 1922. He immediately distinguished himself as a dependable football man, and was readily forged to the front rank of the Cowboy eleven. In a short while he was calling signals for the team. Today he stands forth as one of the most dreaded football men, and perhaps the most dreaded quarterback of the entire T. J. A. A.

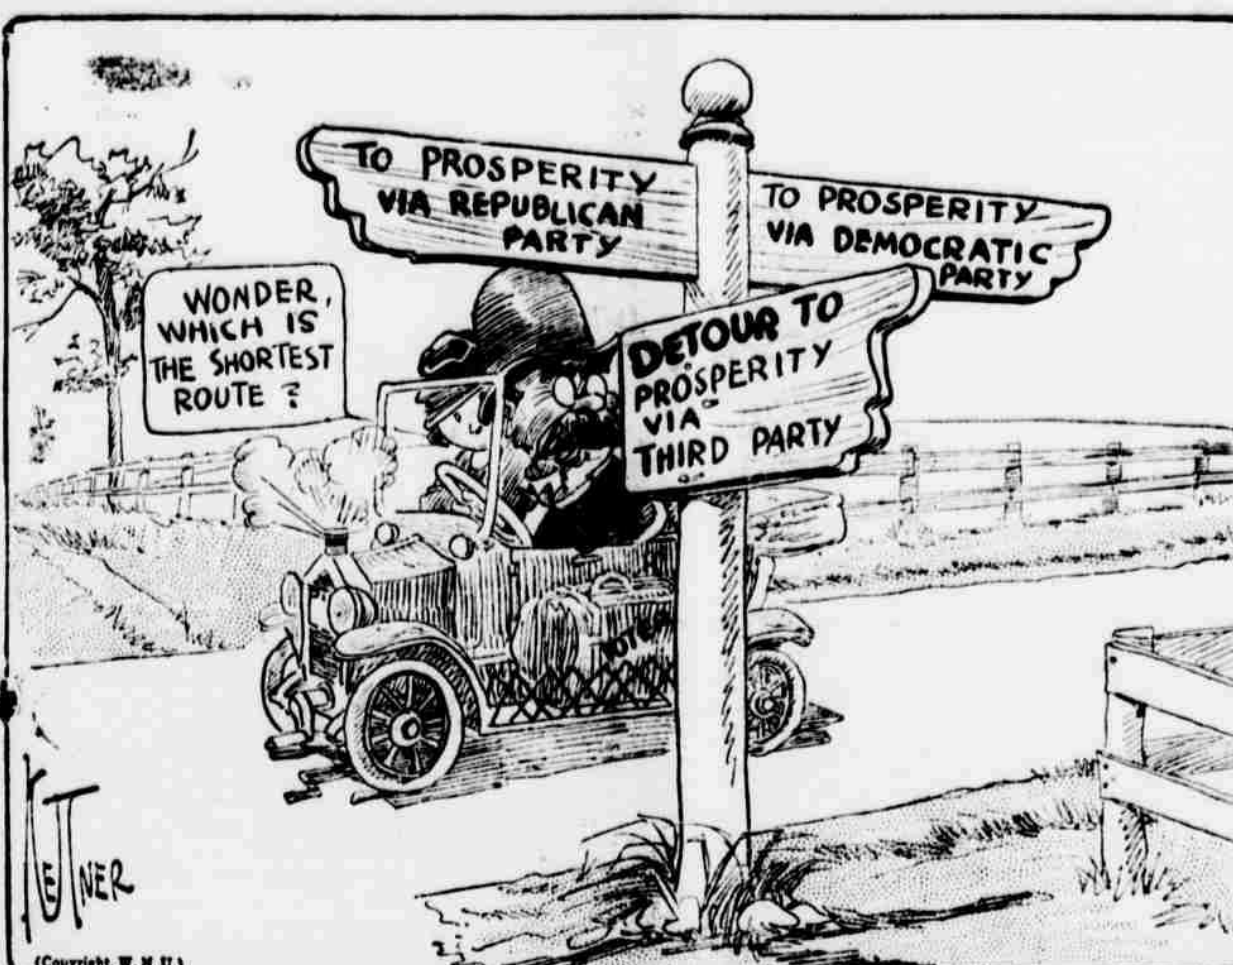

Although his football ability has given him a chance to show his color, Frank has never allowed the cheers of the crowd to turn his head, and according to members of the student body it was this characteristic which led to his election to the leadership of the entire student life. Their choice is that they were based on the principle that one who can steer the Cowboy eleven with the coolness of head, the firmness of hand, and the calmness and determination of spirit with which Kimbrough has, can also be trusted to direct student activities with comparable ability.

For scholarship also, Kimbrough has shown his real worth, and the impression that is received from morning among the student body is that they feel that in electing him they have made no mistake.—Reporter.

HOWARD COMBENTY ORGANIZES SINGING CLASS

A singing class has been recently organized in the Howard community, which meets at the new school building every Sunday night, when they do not have preaching at the churches nearby. Much interest is being manifested in singing in this community and Prof. Raymond Elliott of Haskell is conducting a music school at that place with around 50 pupils in attendance. Next summer Howard is planning a two-teacher school with a large harmony class.

W. APPLAGATE SHIPS FINE COCKEREL TO FT. STOCKTON

W. Applagate shipped one of his fine Buff Wyandotte Cockerels to a party who lives at Fort Stockton, Monday afternoon. Mr. Applagate has been breeding the Buff Wyandottes for several years and has had splendid success in raising and selling them to breeders over the south. The Three Best Things That Can be Done for Haskell

Committees have been appointed and the real constructive work started for Haskell and Haskell County in earnest. Many things are going to be accomplished the coming year. That is a certain fact and the board must have the help, co-operation and work of the entire citizenship, who want to make Haskell a better place to live in. It is not the purpose of the board to try and start a boom, but to cause it to grow steadily and substantially in every way possible. Make it your personal business to help this board and to have a part in the progress that we are destined to make. In order that the board may have a more comprehensive idea of the general, real needs, that is most important

and for Haskell, we offer to the public in general an opportunity to suggest the things most needed for the development of our city. Mention only three of the most needed and important things as you see them on the three lines below and sign your name.

WANTED—EVERY ROOM POSSIBLE IN HASKELL

It is desired that every room in the city of Haskell be made available for the week of 15 to 20 of Dec. to the four hundred school teachers who will be our guests attending the Mid-Winter Teacher's Institute. Each and every person in our city must make it their business to see that these people are taken care of properly and although it will be winter time and conditions not the most pleasant, yet we must make it and their stay in our city the most pleasant and comfortable possible. They have been invited and we are glad to have them and hope to be in a position next year to have twice as many. There is to be a committee appointed soon to take this matter in charge and who will list all rooms, and it behooves all of us to respond by crowding up and listing these rooms at a nominal price with this boarding committee.

MRS FERGUSON WINS COURT FIGHT

Mrs. Miriam (Ma) Ferguson, won all legal points in her fight for the democratic candidacy for Governor in the November election before the Supreme Court. The decision was rendered last Saturday.

The suit was filed by Chas. M. Dickson of San Antonio and was carried to the Supreme Court on appeal. Six questions challenging the eligibility of Mrs. Ferguson were certified to the court.

The decision held as unconstitutional the Texas Statute giving a private citizen the authority to contest a gubernatorial election and asserting the legislature was the only body to bring such action. The court also upheld the decision of the lower court that Mrs. Ferguson was not barred from holding the office on account of her sex, or because she was married, or because she was the wife of James E. Ferguson, impeached governor of Texas.

This decision removes all obstacles and Mrs. Ferguson's name will be printed on the ballots in the November election.

FATHER OF HASKELL MAN DIES NEAR STAMFORD

Rufus Anderson, father of Dede Anderson, died at his home 12 miles south of Stamford last Friday morning after a lingering illness of several years. He had been confined to his room and bed for two years. He was a Christian and had spent many years in the service of his Master. He had been a member of the Church of Christ for more than 25 years.

Funeral services were conducted Saturday at the grave by Elder J. D. Harvey of Stamford and his body was given burial in the family lot at Swan's Chapel. He is survived by a wife and nine children, who were all present at the funeral.

ALL WHO WILL "STICK" URGED TO JOIN BAND

The band has been reorganized, and is now under the personal direction of G. C. Collum. The town will finance the band if the band will get busy and deliver the goods. We now have about fifteen members, but want thirty, and will not be satisfied with anything less.

The band rehearsed Friday night, and Mr. Collum gave private lessons Saturday morning. We need more members, and those desirous of joining the band now, may do so at practically no cost. This is a rare opportunity that does not come every day. You should be anxious to take advantage of it, taking into consideration the fact that Mr. Collum paid \$10.00 a lesson for his instructions while studying in Chicago last summer, having studied with the best teachers in Chicago, and is now offering the same to the members for practically nothing.

We are soliciting those who mean business, and don't mean "maybe." Do not put it off, for those joining the band now, and studying a few weeks, will be able to play his part next spring and summer, which is really concert season. Now don't say you don't know any music, and you have no talent, that is just the kind we want, for it is our job to make musicians, and we will do it if you will give us a trial. What is the matter with you school boys? We should have thirty from school. Come on in—the water is fine. See G. C. Collum, or any of the present band members if interested.

Mr. and Mrs. W. H. Overton of McCannell were Haskell shoppers Saturday morning.

SENTENCE OF RANDEL'S SLAYER IS AFFIRMED

The case of Theodore Smith convicted for the killing of J. C. Randel in Jones County last year and given a 16 year sentence, was affirmed by the Court of Criminal Appeals Wednesday.

J. C. Randel was formerly District Attorney of this District, and was returning from Aspermont with another man when he was waylaid on the road by Smith. In the trial young Smith testified that he shot Randel accidentally in an effort to kill the man who was in the car with him. The other man was a witness in a whiskey case against young Smith's father. Randel was defending his father in the case.

BOX SUPPER AT WEAVER SATURDAY NIGHT NETS \$48.00

The box supper which was pulled off at Weaver last Saturday night, gave the church the net sum of \$48.50 which will be applied on the piano payments. A large crowd was present and everyone had a good time. A case was also given to the postpaid girl, Miss Lorene Medford received 50 votes more than her closest competitor, Miss Macey Wyche, and was awarded the cake. A short musical program was also enjoyed.

HACKBERRY SLIMS SHOW FINE SHOW OF KIND

(Stamford Leader) The people will never tire of the coming of the Wild West shows. Especially is this so of the West Texas people.

Some of the West Texas people—many of them were here from the beginning and they like to go back to the times of the beginning.

Then there are people here who like to go back with them just to see how things were conducted in those days.

Hackberry Slim Johnson has a unique show of the Wild West variety. One of the features of the show is the bucking buffaloes. There perhaps was never anything like them. They load the cowboys in the dust when steers, horses and mules fall.

There are some other good features about the show—in fact, many of them, that must be taken into consideration. It is the best show of the kind on the road and it was patronized well here, the people being well satisfied.

The Fireman's Band was interested in the performances, they being given under the auspices of that institution. The band did nicely with the enterprise.

Hackberry has gone to Haskell, where he will put on another show, which will no doubt be well patronized as it should be.

REV. M. L. BAKER ATTENDS PRESBYTERIAN SYNOD

Rev. and Mrs. M. L. Baker of this city attended the Presbyterian Synod which was held at Abilene last week from Tuesday until Thursday, returning home Thursday night. Brother Baker says that this was the best meeting of the Synod ever held in this district. The attendance was large and the interest was great.

ATTEMPT MADE TO ROB W. V. DEPOT

An attempt was made to rob the Wichita Valley passenger depot safe early Tuesday morning, between six and seven o'clock. Entrance was gained to the ticket office where the safe was located by breaking a glass in one of the windows, so that the lock could be unfastened.

The combination was beaten off the safe with some heavy instrument, but the safe failed to open. The work believed to have been done by some inexperienced party or parties.

Robert Lawley, who is night agent, left the station at about 6:15 and on his return, at about 7 o'clock, the attempted burglary was discovered. Only a small amount of change was reported to have been in the safe.

The safe was shipped to Fort Worth Wednesday morning to be opened, and repairs made. No clue as to the guilty parties have been reported by the officers.

POST

(R. L. Livengood.)

Well, I have about forgotten the news if there was any to write, as I have been so busy picking cotton, cutting feed, etc.

Still the fine weather continues and the farmers are fast catching up with their picking and the bulk of the cotton is picked out and sold.

There remains perhaps one-fourth or fifth of the cotton yet to be picked around here.

Some are cutting feed and all late feed is good but of course the heads have not filled good.

There will be more wheat sown than last year.

Mrs. H. Owens was carried to the Stamford Sanitarium one day last week and will be operated on soon. We hope for her a speedy recovery.

The Post box supper was very good but a small crowd. We wish to thank Mr. Free and his singers for their help.

There will be a pie supper at the Methodist Church on next Friday night, October 24th.

Miss Clariss Hood of Stamford is expecting to give some lessons on the piano beginning perhaps when our

Literary School begins, so she was in the community several days ago soliciting pupils. She is well recommended. Prof. Raymond Elliott of Haskell perhaps will give some lessons in vocal music soon, although the number has not been subscribed but we think it will be, for he seems to be well equipped for teaching and is one of our best young men.

Bro. Carter filled his pulpit Sunday and brought a good, sensible message.

Rev. C. Jones of Haskell will supply at the Baptist Church next Sunday, Oct. 26 and Bro. Arthur Teaf of Simmons College will preach for the Baptists the first Sunday in November.

Sunday School every Sunday at 10:30. B. Y. P. U. at 6:30. Everybody come and worship with us.

The next East Side Singing Convention will meet at the Baptist Church the first Sunday afternoon at 1:30 p. m. We are expecting a big crowd.

ROCKDALE

(Mrs. W. C. Martindale.)

Well, it has been quite a while since I have reported. Cotton picking has been in full blast and soaking for hands, and the D.I. other things, keeps a fellow so busy, there is not much time for anything else.

We are sorry to report that Margaret Schaeffer is in the hospital at Stamford with typhoid fever, but glad to report she is doing nicely and her sister, Mrs. Raymond Williams, formerly of this community, is also in the sanitarium with the same malady, but she too, is doing nicely.

The Baptists are now having preaching twice a month and the Christian preacher is scheduled to preach at Lindsay Chapel the fourth Sunday again. He has been engaged in evangelistic work since the protracted meeting in July, but will fill his regular appointments the remainder of the year, the fourth Sunday in each month.

Mr. and Mrs. Sam Cobb are on the plains this week. We hope they will not take the "plains fever" as badly as a few have done, as we do not wish to lose any more of our neighbors.

Mrs. Trezzie Ivy and children are visiting at Spur this week and Mrs. Dan Chambers is visiting in Dallas.

Grandpa Stedman was kicked by a horse and was painfully injured. Mr. and Mrs. J. W. Nichols are back in the community from the plains near Lubbock.

Mr. Ed Ivy is suffering with the rheumatism but we hope he will soon improve in health.

We believe the cotton crop is more than half gathered and so far the weather is fine for the work.

Silverware

lends a tone of refinement and beauty to any home. Many new designs now on display—and such beautiful patterns—you will admire them.

The New Studebaker Big Six Duplex-Phaeton

Two Cars in One— An open and closed car combined

STUDEBAKER Duplex—a closed and open car combined. An entirely new-type car—developed by Studebaker and available from no other maker.

It is the most sensational—most talked-of car in America.

One minute you are enjoying the comfort and protection of a closed car—next the unhindered freedom that made the open car so popular. And the change can be made in 30 seconds by simply lowering the roller side enclosures.

Yet with all this two-fold convenience, the Duplex-Phaeton sells for no more than an open car.

The new Studebaker Big Six is strikingly beautiful—with long, low sweep-

ing lines. It is especially designed and powered for seven-passenger service.

The Big Six Duplex-Phaeton is delivered to you with complete equipment. This even includes two highest grade bumpers, extra balloon tire, tube and tire cover—there is nothing else to buy.

But to appreciate this car you must inspect it—drive it. Test its delightful ease of operation—steering mechanism especially designed for its full-sized balloon tires.

Notice the new location of the lighting switch on the steering wheel—and many other new and unusual features.

See this car that has definitely solved the open-closed car problem.

ROBERTS

By Lillian Lewellen

The health of this community is very good at this writing.

We are still having some pretty weather for cotton picking. If it will stay pretty the rest of the week some of the people will catch up with their cotton picking.

There was a large crowd out Sunday to hear Bro. Barnett of Weimert preach. He brought a good sermon to all.

Misses Jimmie Stanford and the writer spent Sunday with Marthy Beaman of the Douglas community.

There will be a party at J. C. Lewellen's Saturday night. Everybody come and let's have a big time.

Last week's letter

We are glad to learn at this writing that Mrs. T. B. Ballard is improving in health.

We are having some fine weather for cotton picking. If it will only stay this way so we can get our cotton out.

Bro. Pridley of Stamford filled his regular appointment at this place Sunday morning and Sunday night. He brought good messages to all both day and night.

There was a large crowd attended the B. Y. P. U. Sunday night and we hope there will be more next Sunday at 7 o'clock.

The singing Sunday afternoon was real good. We had a large crowd out. We also had Mr. Free and wife and two daughters, Misses May and Ollie, and also Prof. Raymond Elliott. They promised us they would be back next second Sunday, and let's all go and hear some real singing. They are always welcome in our community. Also Mr. Virgil A. Brown of Haskell was present and led a song for us. Now don't forget, folks, when Mr. Free and daughters and Mr. Elliott are coming, second Sunday at 2:30 o'clock.

Maude Mages, Monnie Hinkle and Jimmie Stanford, Alvin Wheatley and Jess Long of Weimert spent Sunday afternoon with Miss Nell Brummett of Truscott.

Little Dorothy Nell Lewellen and Emma Woodall and Opal Pridley took supper with Little Eufalla Stanford Sunday.

Mr. and Mrs. Frank Lewellen and baby A. J. of the Howard community spent Sunday with their parents, Mr. and Mrs. J. C. Lewellen.

Sad news reached us Sunday morning that the little infant baby girl of Mr. and Mrs. Howard Tolliver passed away Sunday morning at 4 o'clock. It had been in its new home only three days when God called it to a better world than this. "Weep not, dear parents, for the little one; God called it home, He thought it best." They have the sympathy of our entire community.

HAGENBECK-WALLACE CIRCUS

COMING TO STAMFORD

The Hagenbeck-Wallace Circus will be in Stamford on November 1st, and will give both an afternoon and night performance.
"A thrill every minute is promised by the management, as there are over two hundred stellar performers on the program, while 150 wild animal actors, 100 domestic animals, scores of prize-winning horses, and 30 noted actors take part in the show, which runs over two and one-half hours. Comedy will be provided by these funny "Joys," who have manufactured burlesques on every popular event of the day. And the rasicals have a jazz band, which is said to reach the pinnacle in toasting. The big street parade in morning, at 11 a mile in length, will be given, at 11 o'clock in the morning. In this gorgeous procession will be seen wild animals from every section of the globe, scores of pretty women, mounted on Kentucky thoroughbreds, beautiful hand-carved tableaus wagons, and five bands of musicians. After seeing the Hagenbeck parade, you will never say "that all circus parades are alike."
