“Wheeler: town of friendship and pride”

City-Wide Garage Sale Is Scheduled For Sat., May 4

Wheeler is hosting the Annual Community-Wide Garage Sale on Saturday, May 4, 2019 in Wheeler with great spots located all throughout the town. The chamber wants to invite our community, as well as all others, to clean out your closets, garages, attics, kids' toy boxes and storage buildings. Load it up and bring it to town, and earn a little extra spending money at the same time.

The garage sales will be found at different locations in or around the city limits and around the Courthouse Square.

Those wishing to participate in the sale will be charged a \$10 fee. The charge will provide them a place on the city-wide garage sale map and a yard sign to display at the sale location. The garage sale yard sign must be picked up at the city office (located

under the water tower) and returned.

Maps will be available at 7:45 am at the Courthouse Square, to help shoppers find their bargains. The deadline for contacting Kristen Moudy at the Wheeler Chamber of Commerce Office (806.826.3408 or chamber@wheelertexas.org) is April 30th to be on the map or reserve your space.

Lisa Mahler Seeks Election To Parkview Hospital Board, At-Large

I, Lisa Mahler, am running for the North Wheeler County Hospital Board at Large Position. I have been a nurse for thirty years and a Nurse Practitioner for thirteen years. I have developed an extensive medical knowledge, in which I feel will be useful in this position to provide guidance to benefit the hospital, and our community. My husband, Clay Mahler, and I came to Wheeler in 2006, where he served as superintendent of Wheeler ISD. After serving as superintendent for 7 years, Clay passed away. Clay and I raised two sons, who are raising their families here in the Texas Panhandle. I have continued to live in

Wheeler, as this is my home. As a proud and active member of this community, I would be honored and privileged to be given the opportunity to serve on the hospital board. I would be appreciative of your support and vote in the upcoming election. Early voting starts on 04/22/2019 to 04/26/2019 and election day is 05/04/2019. STORM REPORT

As Reported by... Stormie Meriwether, Ninth Grade Student

Dear Friends, When your whole family is sick it is not fun! That is what happened to us. I was first, then my mom and then my dad. They never get sick. We stayed home and tried to take care of each other and the dogs. Finally we are better. I hope that doesn't happen again.

On Saturday Cornerstone Church had the Egg Drop from the helicopter! That was fun! Our little ones, Adalyn, Clark and Daxton came. I am very thankful that I got to spend time with them. This is Daxton's first Easter! Clark and Adalyn had a great time at the Egg Drop. I had fun watching all the kids.

After the hunt we went out to eat. Clark only likes to eat bacon. His mom, Taylor, bribed him a little bit and he ate chicken. I think he liked it. Isn't it funny what you have to do with kids?

My "little Indian", Clark, didn't get to come to the ranch. They had to go back to Hinton, but first they went to see the museum. He was a little gentleman. He kept his hands behind his back and didn't touch anything. Good job Ethan and Taylor!

Things have been soooo busy around here that we are meeting ourselves coming and going! Lots of folks coming for reads during vacations and spring breaks. We love that and the return of books has been good. I do have a

The snail's on the thorn;
God's in his heaven-
All's right with the world!
Who could say it better!

Storm (from Page 1)

My little angel and my little sugarplum, Adalyn and Daxton, came to the ranch and I loved it!

On Easter Sunday we went to Cornerstone. I worked with the three and four year old children. That was the best

day! I love little kids, they are my life! We had a wonderful day at church with friends and family. We were safe. WHY in the world would someone be so mean that they would bomb people in a church on Easter Sunday just because they are Christians? WHY can't people just learn to love everyone? Everyone in the world should be free and safe to go to any church they want. It is sad. I am thankful for Cornerstone where everyone is welcome and everyone is family! That's it!

Old Age & Memory

A couple in their nineties are both having problems remembering things. During a check-up, the doctor tells them that they're physically okay, but they might want to start writing things down to help them remember . . .

Later that night, while watching TV, the old man gets up from his chair 'Want anything while I'm in the kitchen?' he asks. 'Will you get me a bowl of ice cream?' 'Sure.' 'Don't you think you should write it down so you can remember it?' she asks. 'No, I can remember it.' 'Well, I'd like some strawberries on top, too. Maybe you should write it down, so as not to forget it?' He says, 'I can remember that. You want a bowl of ice cream with strawberries.' 'I'd also like whipped cream. I'm certain you'll forget that, write it down?' she asks. Irritated, he says, 'I don't need to write it down, I can remember it! Ice cream with strawberries and whipped cream - I got it, for goodness sake!' Then he toddles into the kitchen. After about 20 minutes, the old man returns from the kitchen and hands his wife a plate of bacon and eggs. She stares at the plate for a moment. 'Where's my toast?'

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen. The two gentlemen were talking, and one
