Jack Helton Receives Texas Tech Distinguished Alumni Award

Jack Helton was presented the 2019 Texas Tech Distinguished Alumni Award at an assembly at Texas Tech School of Arts & Science on Thursday, May 2, 2019. Helton shared the award with another Texas Tech graduate.

BS '69 Political Science

Jack Helton earned a bachelor's degree in Political Science from Texas Tech in 1969. Following graduation, the Briscoe, Texas, native spent the first 14 years of his professional career in the trucking industry where he held executive positions in Lubbock, St. Louis, Anchorage and Seattle. While in Seattle, he migrated into the shipping and port industry for Alaska and the Pacific Northwest with Sea-Land Service. From 1997 until 2007, he held executive positions in Seattle, New Jersey, Washington, D.C., Moscow, Muscat, Oman and West Central Asia. During this time, he served as director on a number of corporate boards, including the role of chairman. In 2007, he retired from the shipping and port industry and returned to his ranch in Wheeler, Texas, where he created his own

consulting firm, Silver Creek Consulting, LLC. With the creation of Silver Creek, his work primarily focuses on logistics, maritime and port development in Africa, the Middle East and West Central Asia as a consultant, advisor, and project director for multinational and joint venture companies. Since 2007, he has led the development of nine major port projects in the United States, Jordan, Bahrain, India, Nigeria, Oman, the former Soviet Union and Angola. The majority of these projects included the creation of social programs aimed at improving education and developing a strong middleclass to help improve

JJI College of Arts & Sciences

The true measure of a university's greatness can be found in the achievements of its alumni. Texas Tech University College of Arts & Sciences is known globally for developing leaders in many fields of endeavor. A vast number of the College's alumni have gained distinction through success in their professions, service to the University and

contribution to their communities.

In 2016, the College of Arts & Sciences at Texas Tech University established a Distinguished Alumnus Award to honor outstanding former students and to celebrate their achievements. The criteria for this distinction is reflective of the core values that Texas Tech University holds dear: mutual respect, cooperation

and communication; creativity and innovation; community service and leadership; pursuit of excellence; public accountability; and diversity. The Distinguished Alumni Award does more than honor its recipients. It bodes encouragement for our continued success with future students and exemplifies the opportunity available to them after graduation.

TOT CattleWomen Give Scholarships

Top O Texas CattleWomen received 22 applications from 13 area High School this year. We would like to wish all seniors that applied a thank you applying for our scholarships. The winners of our \$500.00 scholarships are:

McKinley Amanda Begert from Allison Texas a senior at Ft Elliott Briscoe, Texas, Kaitlyn Hare from Miami, Texas a senior at Miami High,

Hally Barkley, Groom, Texas a senior at Groom High and Riley Sessions from Wellington, Texas a senior at Wellington High.

Title One Meeting Set for May 23

A Title One meeting will be held on Thursday May 23, 2019 at 8:00 a.m. in room 17-JH.

Cemetery Marker Dedication Mon.

On Monday, May 27 2019, the Wheeler County Historical Commission will dedicate and unveil a Historical Marker commemorating the Shamrock Community Cemetery. The dedication will be at the East entrance gate of the cemetery.

The dedication program will take place immediately following the Memorial Day Program hosted by the Shamrock American Legion at 11:00 AM. Everyone is welcome to attend both programs for this very special recognition for the citizens of the Shamrock Community, past and present.

Wheeler I.S.D. Bd. Minutes For April

Minutes of Regular Meeting
The Board of Trustees
Wheeler ISD

A Regular Meeting of the Board of Trustees of Wheeler ISD was held Wednesday, April 17, 2019, beginning at 6:30 PM in the board room located at #1 Mustang Drive, Wheeler, Texas, 79096.

Those present were: Dr. Lee Ann Hillhouse, Billy Richardson, Ike Finsterwald, Chad Helton, Mark Marshall, Beau Means, Machille Henson, Bryan Markham, Superintendent; David Dale, PK-6 Principal; Mike Bailey, 7-12 Principal and Stacey Horton, Business Manager

I. ESTABLISH A QUORUM
a. Pledge: Billy Richardson led the pledge.

b. Invocation: Machille Henson offered the invocation.

II. OPEN FORUM
a. Hearing of Any Person/Group Wishing to Address the Board: None

III. READING OF MINUTES
a. Regular Meeting of March 26, 2019: Mark Marshall motioned to approve the minutes. Chad Helton seconded the motion. Seven members voted to accept the motion, no votes against.

IV. FINANCIAL REPORT

a. Principals' Reports: Mr. Dale provided the elementary principal's report. Enrollment numbers were steady from the previous month. Spring activities, including PK Visitation, KG Graduation, Elementary Awards and the PRIDE Program are on the calendar. Little Colt Relays finished up today and the first round of STAAR testing was completed last week.

Mr. Bailey provided the secondary principal's report. Enr
(Continued Page 3)

Strings & Fins, etc. Camp Is Planned

McQuay Music Studio will host Strings & Fins, Ukulele and Guitar Day Camp on June 10 - 12. The camp will include 3 hours of instruction each day plus a picnic and fishing at the McQuay lake. Instructors this year will be Julie Boydston (ukulele), Lewis Perkins (guitar) and Judith McQuay (ukulele and guitar).

For information, call Judith McQuay at 806/336-6864. Only 15 students will be accepted. Call soon!

2019 TEXAS TECH DISTINGUISHED ALUMNI AWARD: Jack Helton (right) is shown here accepting the 2019 Texas Tech Distinguished Alumni Award.

McQuay Music Studio presented "Musicians in Recital" this past Sunday, May 19th. Performing were (top l. to r.) Ximena Badillo, Jazmine Gonzalez, (second row) Tessa Fullbright, Ryan Fullbright, Sofia Badillo, (front) Judith McQuay (instructor), Ashlynn Lee and Blaze Mercer. (Note: This information was not received until Monday, May 20.)

"Fearfully and Wonderfully Made"

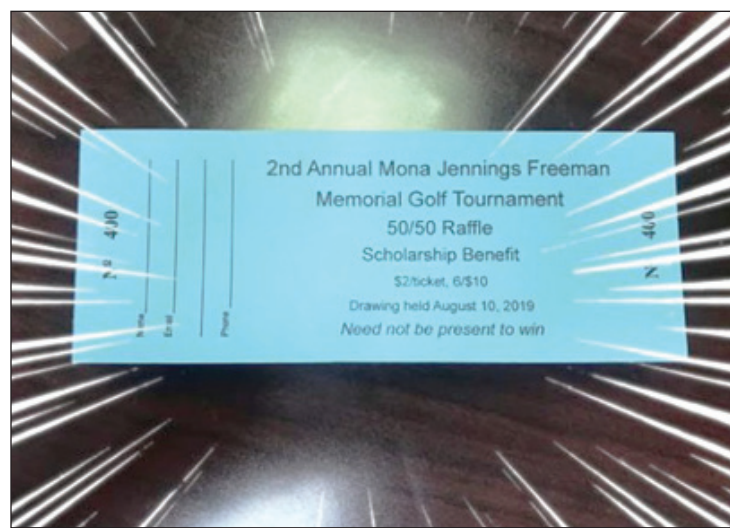

"Fearfully and Wonderfully Made", an event to honor life in the womb while remembering the lost, will take place on Sunday, June 2 from 1:00 to 5:00pm at the Pioneer Performing Arts Center at 1221 N. Pioneer Road in Elk City, Oklahoma.

The program line-up includes Mayor Nick Archer, the Mark Simpson band, with Lindell and Nequita Brown to welcome pastors and lead repentance. Main speakers include; from district 5, Senator Joseph Silk, John Michener, director of Oklahomans United for Life, Russell Hunter, legislative lobbyist, Carisa Roberson, post-abortive testimony, Sarah Cleveland, Registered Diagnostic Sonographer. Included in the line-up is "Reclaiming Arts" an interpretive

dance team from Edmond, Ok. This event is family friendly, free and open to the public, with free T-shirts given to participants as long as supplies last.

Storm (from Page 1)
The people out of the cars. The helicopter took one to the hospital. The funeral people took one. His mom was there crying. The next day we had a funeral for two of the kids. It was very emotional. I am so thankful it wasn't for real. Please don't drink and drive. Stay safe!

This year is the fiftieth anniversary of Apollo going to the moon. We went to see one of the astronauts that flew on Apollo 10. His name is General Tom Stafford. He is old, but very cool! He knows about space because he was in it. The name of his capsule was Charlie Brown and the Lunar Module was Snoopy. He was the first to fly around the moon in a Lunar lander. He checked everything so the next one could land safely.

Sch. Bd. (from Page 2)

ollment numbers were steady from the previous month. One Act Play has advanced to Regional Competition. Several students have advanced to Regional Track to be held next week. One student is currently participating in Regional Tennis. We also have State Advancing Teams in Wildlife, Plant ID and Range Judging. One student will also represent Wheeler at the State Literary Meet in Prose Interpretation. Congratulations to all of these students. Other items included the calendar for the remainder of spring activities.

b. Initial Projections for 2019-2020 Budget: Mr. Markham provided budget scenarios with regard to current/proposed legislation.

c. Review Updated Superintendent Performance Goals: Mr. Markham reviewed the schoolwide goals as updated following the superintendent appraisal.

d. Review April Meeting Date: The Regular May Meeting will be May 8, 2019, at 6:30pm.

VIII. EXECUTIVE SESSION
a. Consider/Take Action on Resignations/Hiring of Personnel: No Executive Session Required

IX. ADJOURNMENT
Mark Marshall motioned to adjourn at 7:18 pm. Chad Helton seconded the motion. Seven members voted to accept the motion, no votes against.

Chat (from Page 1)

Congratulations to our graduates and good luck in your future endeavors.

— cwe —

Jennifer and I were fortunate enough to get to attend the graduation of Jaden Jackson, mine and Barbara's grandson, on Saturday afternoon at Community Christian School in Norman, OK.

— cwe —

Haley Kinnard, the daughter of Jay and Angie Kinnard also graduated from Community Christian School.

— cwe —

So we not only got to see the Jackson family, but Tonya's, Jay's and Monty's families.

— cwe —

We had to miss Seth's graduation from fifth grade, as the ceremony was Tuesday morning, May 21. Junior High is a different school.

— cwe —

Once again, THANKS to Shelley Malone, Torri Coulter and Brenda Lancaster for their help and patients in my getting all the data necessary for this publication.

— cwe —

Thanks also, Joannie Adams and everyone else involved in getting me the information and pictures.

— cwe —

And, most of all Barbara, my proof reader. I don't know how many times she read the copy and ads, making sure all the ads were in place and all the pictures were correct.

— cwe —

If we did fowl-up, let us know so we can correct the error.

— cwe —

The courthouse closed Monday afternoon due to the severe storm threat.

— cwe —

The Wheeler Volunteer Fire Department and Mobeetie Volunteer Fire Department were called out Monday afternoon for storm watch.

— cwe —

"Wheeler: town of friendship and pride"

Sophia Velasquez, daughter of Tom and granddaughter of Johnny and Donna Velasquez, recently graduated from St. Edward's University in Austin, Texas with a Bachelor of Arts in Writing and Rhetoric, focus in Creative Writing, and minor in Communication. She was a member of the Global Engagement Study Abroad Program and Alpha Lambda Delta at St. Edward's, and her creative writing was featured in the university's publication, the Sorin Oak Review, each year during attendance. Sophia is now a Creative Specialist at GoDaddy in Austin, where she writes online content on behalf of small businesses. She's proud to be a college graduate and creative thinker, and she contributes her strong-willed and creative spirit to her family.

John Forrester

John is the fourth grandson of Ed and Patricia Forrester, and fourth son of his parents, Curtis and Sherri Forrester, of Carrollton, TX. John has grown up in the Church of Christ and decided to be baptized on his 10th birthday. He has remained very active in church youth group activities, going on TREK in Colorado, mission trips, and LTC to name a few of his favorites. John's high school involvement includes three years in the Accapella Choir and in Vocal Ensemble / the HS show choir, 2.5 years of golf, and both reviving and becoming the school mascot for his junior and senior year. John's talents, creativity and interests are varied and include jewelry

John Curtis Forrester

making (and money making as he sells items), making chain maille, wood carving, performing magic tricks, and playing the guitar. Mathematics come easy to John and he will initially be attending Brookhaven Jr College in Dallas, with plans to transfer to a four year college to obtain an accounting degree. John also has an interest in becoming a fireman and is convinced he may just do both!

A recent "Mystery Reader" for Mrs. Weatherly's second grade class in Wheeler was Dr. Ben Ed Hillhouse. He is surrounded by the class members.

Wheeler Science Class Experiment

Mrs. Weatherly's Class enjoyed our Science experiment today! The students had the choice of making a bubbling lava tube or a pearl swirl tube! We observed the different densities between water and oil as well as observing the reaction that takes place when adding alka-seltzer to our mixture.

NOTICE OF RATE CHANGE REQUEST

AEP Texas Inc. (AEP Texas) publishes this notice that on May 1, 2019 AEP Texas filed with the Public Utility Commission of Texas (Commission) its Petition and Statement of Intent to Change Rates (the Petition), a copy of which is kept at AEP Texas' office at 400 W. 15th Street, Suite 1500, Austin, Texas, 78701. The Petition has been assigned Docket No. 49494. This notice is being published in accordance with Section 36.103 of the Public Utility Regulatory Act and Commission Procedural Rule 16 Tex. Admin. Code § 22.51(a)(1).

AEP Texas currently maintains two separate divisions—the Central Division and the North Division. These divisions charge separate retail and wholesale rates. AEP Texas seeks to combine the rates of these two divisions and charge to all its customers a single combined retail or wholesale rate.

AEP Texas' Petition is based on the system-wide financial results for a 12-month test year ending on December 31, 2018, adjusted for known and measureable changes. Related to its distribution cost of service, the Company requests a rate increase of approximately \$38.3 million over its adjusted test year revenues, an increase of 4.2%. This amount is net of the Company's proposed Income Tax Refund (ITR) Rider, which refunds a total amount of \$83 million, over a four-year period, associated with changes in the corporate income tax rate resulting from the Tax Cuts and Jobs Act of 2017 (TCJA). The requested distribution cost of service increase without the ITR Rider is \$59.1 million, an increase of 6.5%. Related to its transmission cost of service, the Company requests a rate decrease of \$3.16 million below its adjusted test year revenues, a decrease of 0.7%, and proposes a one-time credit of \$29 million associated with the TCJA.

If approved and implemented through the Company's proposed consolidated rates for Retail Delivery Service, the impact on a residential customer in the Company's Central Division using 1,000 kilowatt-hours (kWh) per month would be an increase of approximately \$4.75 or 9.8% per month. A customer with a retail plan that charges 12.5 cents per kWh would see their rate go to 12.97 cents per kWh, or a 3.8% increase in their total bill. The impact on a residential customer in the Company's North Division using 1,000 kWh per month would be a decrease of approximately \$5.01 or -10.6% per month. A customer with a retail plan that charges 12.5 cents per kWh would see their rate decrease to 12.0 cents per kWh, or a 4.0% decrease in their total bill. The extent to which these additional charges would be passed on by Retail Electric Providers (REPs) is a function of the competitive market.

The impact of the proposed combined rates for Retail Delivery Service differs for customers in the current North and Central Divisions, as shown by customer class in the chart immediately below:

	Billing Unit	Current Charges (March 2018)		Proposed Charges by Division		Proposed Consolidated	Current Charges vs Proposed Charges Consolidated	
		Central Division	North Division	Central Division	North Division		Central Division	North Division

Wholesale Transmission Revenue		\$ 423,372,870	\$ 420,213,369	\$ (3,159,501)	-0.7%			
<i>Note: AEP Texas is proposing a one-time transmission credit of \$29 million associated with the TCJA.</i>								
Total Cost of Service		\$1,331,091,323	\$1,387,007,972	\$55,916,649	4.2%			
Retail Electric Delivery Revenue Change				\$ 59,076,150				
ITR Rider Credit				\$ (20,741,600)				
Total Schedule I-A Reconciliation				\$38,334,550				

AEP Texas' Petition seeks a reduction to the Company's transmission cost of service of \$3.16 million and a combined rate for the two divisions. The result of AEP Texas' proposal is to change the wholesale transmission service rate from \$4.036612/kWh for the Central Division and \$2.066591/kWh for the North Division to \$6.058035/kWh for AEP Texas combined.

In addition to new rates, AEP Texas requests a prudency determination on all capital investment made to its system for the period from June 30, 2006, through December 31, 2018.

AEP Texas' Petition also proposes to implement the ITR Rider that will be used to credit excess tax revenue resulting from the TCJA that has not yet been included in rates or refunded to customers. The total amount of income tax refund assigned to the retail delivery customers is \$83 million, to be refunded over a four-year period. AEP Texas is also proposing a one-time transmission credit of \$29 million associated with the effects of the TCJA.

AEP Texas' Petition seeks to reconcile its Advanced Metering System (AMS) deployment costs for the period from January 1, 2012 to December 31, 2018 (Reconciliation Period). Accounting for the actual costs, investment, and revenues associated with the Company's AMS deployment through the Reconciliation Period has resulted in Advanced Metering System Cost Recovery Factor Rider (AMSCRF) surcharge under-recoveries of \$30,157,739 (net of \$6,063,403 of cumulative interest expense) and \$12,923,589 (including \$283,307 of cumulative interest benefit) as of December 31, 2018, for the AEP Texas Central and North Divisions, respectively. In addition, AEP Texas proposes to eliminate the AMSCRF surcharge and roll future AMS capital expenditures and operations and maintenance costs into the base rates to be established in this case. AEP Texas will file a final AMS reconciliation to cover the time period from January 2019 through the final date the AMSCRF surcharge rider is billed prior to the implementation of new base rates from this proceeding.

AEP Texas' Petition requests Commission approval to continue its offering of facilities rental services, as described in tariff schedules 6.1.2.3.6, 6.1.3.3.6 and 6.1.4.3.6, for a period of three years commencing January 1, 2020.

AEP Texas' Petition seeks a determination that \$1,000,027 in rate case expenses incurred in prior dockets through February 2019 are reasonable for recovery. However, AEP Texas proposes to offset these rate case expenses collected with the \$302,051 over-collection that resulted from the rate case expense surcharge approved in Docket No. 34301. Therefore, AEP Texas will seek actual recovery of \$697,976. AEP Texas is not requesting approval of the mechanism for recovery of these expenses in this docket. Instead, to recover these prior expenses, AEP Texas will seek recovery through the mechanism requested in the future docket opened to address the recovery of rate case expenses incurred in this case. For rate case expenses in this case, AEP Texas has provided an estimate of such expense, but proposes that the determination of the reasonableness of such expense and their recovery be determined in a separate future proceeding.

AEP Texas is proposing revisions to most tariffs. Specifically, the Company is requesting to: (1) terminate the AMSCRF, (2) reset the baseline for the Distribution Cost Recovery Factor Rider, (3) collect all transmission expenses through the Transmission Cost Recovery Factor Rider, (4) remove energy efficiency costs from base rates to recovery through the Rider Energy Efficiency Cost Recovery Factor, and (5) continue Central Division-specific riders including the Transition Cost riders (TC2 and TC3) and the Nuclear Decommissioning Rider (NDC).

AEP Texas' Petition affects all REPs in AEP Texas' service area, as well as the retail electric customers of those REPs. The extent to which the REPs pass along to their customers the increased retail rates is a function of the competitive market. In addition, AEP Texas' Petition affects customers taking service under the Company's wholesale transmission rates.

AEP Texas has requested a June 5, 2019 effective date for its proposed rate change.

Persons who wish to intervene in or comment upon these proceedings, in Docket No. 49494, Application of AEP Texas Inc. for Authority to Change Rates, should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P. O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136. The deadline for intervention in the proceeding is July 11, 2019.

NOTIFICACIÓN DEL REQUERIMIENTO DE MODIFICACIÓN A LOS PRECIOS

AEP Texas Inc. (AEP Texas) publica esta notificación referente a que el 1 de mayo de 2019, AEP Texas presentó ante la Comisión de Servicios Públicos de Texas (Comisión) su Petición y Declaración de la Intención de Modificar los Precios (la Petición), de la cual se conserva una copia en la oficina de AEP Texas en el 400 W. 15th Street, Suite 1500, Austin, Texas, 78701. A la Petición se le ha asignado el Expediente No. 49494. Esta notificación se publica de acuerdo a la Sección 36.103 de la Ley Reguladora de Servicios Públicos y la Regla Procesal 16 del Código Administrativo de Texas § 22.51 (a) (1) de la Comisión.

AEP Texas actualmente mantiene dos divisiones separadas: la División Central y la División Norte. Estas divisiones cobran diferentes precios minoristas y mayoristas. AEP Texas busca combinar los precios de estas dos divisiones y cobrar a todos sus clientes un precio único minorista o mayorista combinado.

La Petición de AEP Texas se basa en los resultados financieros de todo el sistema para un año de prueba de 12 meses que terminó el 31 de diciembre de 2018, ajustados a los cambios conocidos y medibles. En relación a su costo de distribución del servicio, la Compañía requiere aumentar el precio en aproximadamente \$38.3 millones con respecto a sus ingresos ajustados para el año de prueba, un aumento del 4.2%. Esta es la cantidad neta de la propuesta Cláusula Adicional del Reembolso de Impuestos Sobre la Renta (ITR, por sus siglas en inglés) para la Compañía, que le reembolsa un monto total de \$83 millones, durante un período de cuatro años, asociada a los cambios en la tasa de impuesto sobre la renta corporativo, resultante de la Ley de Recortes a Impuestos y Trabajos de 2017 (TCJA, por sus siglas en inglés). El requerido aumento al costo de distribución del servicio sin la Cláusula Adicional del ITR es de \$59.1 millones, un aumento del 6.5%. En referencia a su costo de transmisión del servicio, la Compañía requiere disminuir el precio en \$3.16 millones con respecto a sus ingresos ajustados para el año de prueba, una disminución del 0.7%, y propone un crédito único por \$29 millones asociado a la TCJA.

Si es aprobado e implementado el Servicio de Entrega Minorista a través de las tarifas consolidadas propuestas por la Compañía, el impacto para un cliente residencial en la División Central de la Compañía, que utilice 1,000 kilovatios-hora (kWh) al mes, sería un aumento aproximado de \$4.75 ó 9.8% al mes. Un cliente con un plan minorista que le cobre 12.5 centavos por kWh vería subir su precio a 12.97 centavos por kWh, o un aumento del 3.8% en su factura total. El impacto para un cliente residencial en la División Norte de la Compañía, que utilice 1,000 kWh al mes, sería una disminución aproximada de \$5.01 ó -10.6% al mes. Un cliente con un plan minorista que le cobre 12.5 centavos por kWh vería disminuir su precio a 12.0 centavos por kWh, o una disminución de 4.0% en su factura total. El nivel en que estos cargos adicionales sean transferidos por los Proveedores Minoristas de Electricidad (REP, por sus siglas en inglés), estará en función de la competencia del mercado.

El impacto de los propuestos precios combinados del Servicio de Entrega Minorista es diferente para los clientes en las actuales Divisiones Norte y Central, según se muestra por tipo de cliente, en la tabla que se encuentra a continuación:

	Unidad de Facturación	Cargos Actuales (Marzo 2018)		Cargos Propuestos por la División		Propuesta Consolidada	Cargos Actuales vs Cargos Propuestos Consolidados	
		División Central	División Norte	División Central	División Norte		División Central	División Norte

<i>Nota: AEP Texas está proponiendo un crédito único de transmisión por \$29 millones asociado a la TCJA.</i>								
Costo Total del Servicio		\$1,331,091,323	\$1,387,007,972	\$55,916,649	4.2%			
Cambio en el Ingreso por Entrega Minorista de Electricidad				\$ 59,076,150				
Crédito por la Cláusula Adicional del ITR				\$(20,741,600)				
Conciliación Total de la Programación I-A				\$38,334,550				

La petición de AEP Texas busca una reducción en el costo de transmisión de servicio de la Compañía por \$3.16 millones y un precio combinado para las dos divisiones. El resultado de la propuesta de AEP Texas es cambiar el precio del servicio de transmisión mayorista, de \$4.036612/ kW para la División Central y \$2.066591/ kW para la División Norte, a \$6.058035/kW para el combinado de AEP Texas.

Además de los nuevos precios, AEP Texas requiere una determinación de prudencia en todas las inversiones de capital, efectuadas para su sistema en el período comprendido entre el 30 de junio de 2006 y el 31 de diciembre de 2018.

La Petición de AEP Texas también propone implementar la Cláusula Adicional del ITR que se utilizará para acreditar el exceso de ingresos por impuestos resultante de la TCJA, que no ha sido aún incluido en los precios o reembolsado a los clientes. El monto total del reembolso del impuesto sobre la renta asignado a los clientes de entrega minorista es de \$83 millones, que será reembolsado durante un período de cuatro años. AEP Texas también está proponiendo un crédito único de transmisión por \$29 millones asociado a los efectos de la TCJA.

La Petición de AEP Texas busca conciliar sus costos de implementación del Sistema de Medición Avanzada (AMS, por sus siglas en inglés) para el período comprendido entre el 1 de enero de 2012 y el 31 de diciembre de 2018 (Período de Conciliación). La contabilidad de los costos reales, la inversión y los ingresos asociados con la implementación del AMS de la Compañía durante el Período de Conciliación, ha dado como resultado un recargo debido a recuperaciones insuficientes de la Cláusula Adicional al Factor de Recuperación del Costo para el Sistema de Medición Avanzada (AMSCRF, por sus siglas en inglés) por \$30,157,739 (\$6,063,403 netos de gasto por intereses acumulados) y \$12,923,589 (incluyendo \$283,307 de beneficio por intereses acumulados) al 31 de diciembre de 2018, para las Divisiones Central y Norte de AEP Texas, respectivamente. Además, AEP Texas propone eliminar el recargo de la AMSCRF y transferir los futuros gastos de capital de AMS y los costos de operación y mantenimiento, a los precios base que se establecerán en este caso. AEP Texas presentará una conciliación final de AMS para cubrir el período de tiempo comprendido entre enero de 2019 y la fecha final en que sea facturado el recargo de la Cláusula Adicional de la AMSCRF, antes de la implementación de los nuevos precios base de este procedimiento.

La Petición de AEP Texas requiere la aprobación de la Comisión para continuar su oferta de servicios de arrendamiento de instalaciones, como se describe en las tablas de tarifas 6.1.2.3.6, 6.1.3.3.6 y 6.1.4.3.6, por un período de tres años a partir del 1 de enero de 2020.

La Petición de AEP Texas busca determinar que el gasto por \$1,000,027 en que se incurrió para el caso de los precios en expedientes previos hasta febrero de 2019, es razonable para recuperación. Sin embargo, AEP Texas propone compensar ese cobro del gasto para el caso de los precios, con los \$302,051 por exceso de cobro que resultó del recargo por el gasto para el caso de los precios, aprobado en el expediente No. 34301. Por lo tanto, AEP Texas buscará una recuperación real de \$697,976. AEP Texas no está requiriendo la aprobación del mecanismo para la recuperación de estos gastos en este expediente. En cambio, para recuperar estos gastos previos, AEP Texas buscará la recuperación a través del mecanismo requerido en el futuro expediente abierto con el fin de abordar la recuperación del gasto para el caso de los precios, incurrido en este caso. Respecto a los gastos para el caso de los precios en este caso, AEP Texas ha proporcionado una estimación de dicho gasto, pero propone que la determinación de la racionalidad de dicho gasto y su recuperación, sea establecida en un futuro procedimiento separado.

AEP Texas está proponiendo revisiones a la mayoría de las tarifas. Específicamente, la Compañía está requiriendo: (1) terminar con la AMSCRF, (2) restablecer la línea de base para la Cláusula Adicional al Factor de Recuperación del Costo de Distribución, (3) cobrar todos los gastos de transmisión a través de la Cláusula Adicional al Factor de Recuperación del Costo de Transmisión, (4) eliminar los costos de la eficiencia energética de los precios base para su recuperación a través del Factor de Recuperación del Costo de Eficiencia Energética de la Cláusula Adicional, y (5) continuar con las cláusulas adicionales específicas de la División Central, incluidas las cláusulas adicionales del Costo de Transición (TC2 y TC3) y la Cláusula Adicional de Desmantelamiento Nuclear (NDC, por sus siglas en inglés).

La Petición de AEP Texas afecta a todos los REP en el área de servicio de AEP Texas, así como a los clientes minoristas de electricidad de esos REP. El nivel en que los REP transfieran a sus clientes el aumento de los precios minoristas, estará en función de la competencia del mercado. Además, la Petición de AEP Texas afecta a los clientes que estén adquiriendo el servicio bajo los precios de transmisión mayoristas de la Compañía.

AEP Texas ha requerido que la fecha de entrada en vigor para su propuesta de modificación a los precios sea el 5 de junio de 2019.

Las personas que deseen intervenir o comentar sobre estos procedimientos en el Expediente No. 49494, Application of AEP Texas Inc. for Authority to Change Rates (Solicitud de AEP Texas Inc. para la Autorización de Modificación a los Precios), deberán notificarlo a la Comisión tan pronto como sea posible, ya que se impondrá una fecha límite de intervención. Un requerimiento para intervenir o para obtener más información deberá enviarse por correo a Public Utility Commission of Texas, P. O. Box 13326, Austin, Texas 78711-3326. También se puede obtener más información llamando a la Comisión al (512) 936-7120 ó al (888) 782-8477. Las personas con discapacidades auditivas y del habla con teléfonos de texto (TTY) pueden comunicarse con la Comisión al (512) 936-7136. La fecha límite para intervención en el procedimiento es 11 de julio de 2019.

2019 Kelton Seniors . . .

Brett Lewis Hennig born in Gunbarnel City, Texas on January 30, 2001. Brett Lewis Hennig is the 18-year-old son of Billy and Shawna Hennig of Kelton, I.S.D. student for the past fourteen years. During this

Brett Lewis Hennig

Aliyah Marie Lopez

time he has been a member of the FFA and an office holder for five of those years. He played basketball for three years and tennis for one. He participated in U.I.L. in Calculator and Mathematics; going to regionals in math.

Brett was also a member of the Art Club for one year and 4-H.

After graduation, Brett plans to work in agriculture.

The teacher most remembered by the soon to be graduate is Devin Doughtry; "because he was very straight forward and always had answers to every question."

Brett wishes to thank his parents for eighteen years of support and "showing up to my special events."

Aliyah Marie Lopez Corinna and Carlos Lopez of Wheeler are the parents of 18-year-old Aliyah Marie Lopez. Arrival date for this young lady was April 9, 2001 in Pampa, Texas.

Aliyah has attended Kelton I.S.D. for the past five years. She attended Wheeler from Pre-K through seventh grade.

As a member of FFA she

served as sentinel her junior and senior years. She was president of the Robotics Club her junior and senior years. She also was a member of the Art Club.

The Robotics team was U.I.L. State Champions her senior year. Amarillo College is planned

after graduation; she plans to earn a Medical Laboratory Degree.

Kabir Manishbhai Bhakta

Kabir Manishbhai Bhakta Kabir Manishbhai Bhakta at the age of seventeen will graduate with the 2019 Kelton Senior Class. He is the son of Vimu and Manishbhai Bhakta of Shamrock, Texas.

Kabir was born in Roseburg, Oregon on July 24, 2001. For the past three years he has been a student at Kelton; previously he had attended Shamrock for one year.

Activities while in high school were basketball for three years and tennis for two. Kabir was a FFA member for two years.

Kabir was a two time Regional qualifier in computer science. The Robotics Club was part of his school activities for three years and he served as Safety Officer.

College is planned for the next four years with a bachelors degree in engineering as Kabir's goal.

Teacher most remembered by this student is Coach Breitschopf for helping him with anything.

Most remembered is Senior Night.

He wishes for his parents to continue to inspire; "the way they inspired me."

We would like to recognize . . .

Ryan Dakota Forgay

Ryan Dakota Forgay

Ryan Dakota Forgay will graduate with the Kelton Senior Class of 2019. He is the son of Israel and Stephanie Alvarado of Shamrock. He was born April 14, 2001 in Amarillo, Texas.

For the past thirteen years Rhino, as he is sometime known, has been a student at Kelton. He played basketball his sophomore year and participated in trap shooting his eighth grade year.

Ryan's interest in art won him a \$2,500 McDonald's scholarship.

Mrs. Byrum is Ryan's teacher most remembered; "she believed in me and helped me succeed in school. The moment this young man remembers most is finishing school a half a year early.

Ryan wishes for his parents a long and happy life.

Haley Cheyenne Kinnard

Haley Cheyenne Kinnard

Haley Cheyenne Kinnard will be graduating May 18th from Community Christian School in Norman, Ok.

She is the daughter of Jay Kinnard and Angie Kinnard. She graduates with honors, as the chaplain of the National Honor Society, the president of both the Drama Club and Student Council. During her high school career she has continued pursuing her love of musical theatre and dance at Artworks Academy and during her senior year at Sooner Theatre.

During her first year she will complete some of her basics at Oklahoma City Community College and plans to attend the University of Central Oklahoma the following year to pursue a degree in Musical Theatre. You can see her in Little Women the musical version as Jo March June 15-16th at Randall University in Norman, Ok.

She is the granddaughter of the late Phyllis and Henry Kinnard

WHO TO MARRY

(written by kids)

WHEN IS IT OKAY TO KISS SOMEONE?

The rule goes like this: If you kiss someone, then you should marry them and have kids with them. It's the right thing to do.

A Heritage of Freedom

Freedom to seek the Truth . . .

A most vital heritage in this land, a cornerstone of our nation's greatness. Fashioned by men of vision . . . defended by patriots . . . Perpetuated by those in each generation who love and honor Liberty.

This new Senior Class, by their example of thought and deed, give promise that this heritage is still cherished . . . that the future, as the past, will be built upon the cornerstone of learning.

With great pride we extend to each Graduate our sincere congratulations.

BRITT RANCH

2019 Fort Elliott Seniors . . .

Jacy Rayann Hughes
Eighteen-year-old Jacy Rayann Hughes was born on March 8, 2001 in Amarillo, Texas. She is the daughter of Justin and Susan Hughes. For the past five years she has been a student at Fort Elliott. She served her class as secretary treasurer her senior year and was on

the student council one year. During that time she played basketball and volleyball for four years; in volleyball she was recognized for "heart, hustle and offensive play". She was named All-District Defensive for her basketball play. She could be found on the golf course two years and was named All Region. In

Jacy Rayann Hughes

Kaylye Morgan Coffman

track and field for two years, she ran hurdles and threw the shot put.

During her four years in FFA, she served as district president and had entries in the stock show each of those years.

Jacy plans to attend Amarillo College where she will study nursing.

Her teacher most remembered is Mr. Meek; "he has taught me many life lessons and has always been there for me and believed in me".

Most remembered will be advancing to state in homesite and placing first as a FFA team at area.

She wishes for her parents to "always have faith in me and to always be there for me".

Emily Rose Coulter

Emily Rose Coulter
Stephanie Graham of Wheeler and Destry Coulter of Allison are the parents of eighteen-year-old Emily Rose Coulter. She was born October 22, 2000 at Elk City, Oklahoma.

She has been a student at Fort Elliott for the past 14 years and has been a member of the annual staff for three of those years. She served on the student council three years. She has had rolls in plays and did lights and sound one year.

As a member of FFA four years she was an officer her junior and senior years, treasurer her junior and secretary her senior year.

She was on the basketball court four years and was captain her sophomore, junior and senior years. She was named District Newcomer her freshman year, District Offensive MVP as a sophomore, District MVP her junior year and All-District her senior year.

On the volleyball court four years, she served as captain her junior and senior years, was District Newcomer of the Year her freshman year, All District her sophomore and junior years.

Emily was homecoming queen candidate her senior year and on the National Honor Society for two years.

She plans to attend West Texas A&M University and major in Pre-Optometry and later become an Optometrist. She received an Academic Scholarship to WTA&MU.

She learned lots of life lessons and has fun memories while on judging trips with Mr. Meek; this is her reason for naming him her teacher most remembered.

The moment most remembered is going to regional tournament in volleyball her sophomore year.

To her parents, she wrote: "Thank you for supporting me throughout the years; I love you both so much!"

Kaylye Morgan Coffman
Amarillo, Texas, is the birthplace of Kaylye Morgan Coffman on February 10, 2001. Her parents are Greg and Tiffany Boydston of Allison and Kevin Coffman of Borger.

For the past fourteen years Kaylye has been a student

daughter of Gerald Cochran of Briscoe. She was born in Eldorado, Kansas on October 3, 2000.

She was on the stage crew in charge of lights. For three years she was a member of FFA.

Elementary Education will be her major when she attends Clarendon College.

"There is never a dull moment with Mr. Meek 'old Kev'," she wrote in the space for teacher most remembered.

Shaylee hopes that her dad can survive without her.

Camryn Paige Clark

On August 22, 2000, in Amarillo, Texas, Camryn Paige Clark was delivered to Gregg and Sherry Clark of Mobeetie.

For the past fourteen years, Camryn has been a student at Fort Elliott. She served her class as vice president for the past four years and has been a student council member for four years. In her four years in FFA, she served as sentinel, vice president and reporter. She played basketball and volleyball one year. She

'19 Wheeler J.H. Salutatorian

Ximena Badillo

The salutatorian of 2019 Wheeler's Junior High graduates is Ximena Badillo. She is fourteen years old and the daughter of Flor Badillo and Juan Badillo. During her ten years in the Wheeler school system, she played basketball and ran cross country and track. She participated in U.I.L. and served on the junior high school student council.

After completing high school, Ximena plans to

attend West Texas to study pre-physical therapy; then transfer to Texas Tech and graduate as a physical therapist.

education before switching to Texas Tech to major in Animal Science; she has a Ranch Horse Team Scholarship to Clarendon. She also has a Northeast Panhandle Teachers' Federal Credit Union Scholarship.

Mr. Meek "taught us everything we need to know in life" and is Camryn's teacher most remembered.

Most remembered is her "not so graceful cheer kick".

She wants her parents to take care of her dogs.

Christian Camorlinga

Christian Camorlinga Christian Camorlinga, 18, is the son of Edgar and Flor Camorlinga; he was born December 29, 2000 at Amarillo, Texas.

Prior to transferring to Fort Elliott seven years ago, Christian attended Sunrise

Elementary. He served his class as secretary/treasurer his junior and senior years. He was Mr. Fort Elliott his senior year.

In FFA, his four years of high school he was Safety Com. He was two times All District, Offensive MVP in basketball during his past four years. He was a member of the football team his freshman and sophomore years. As a junior in golf, he was a state qualifier and regional honorable mention.

Christian was a homecoming king candidate his junior year and homecoming king his senior year.

This young man is a member of the First Baptist Church of Wheeler.

Becoming a Diesel Mechanic is this senior's goal as he attends Wyo Tech in Laramie, Wyoming.

Kaylee Nicole Chesher

Kaylee Nicole Chesher Pampa, Texas, was the place of birth for Kaylee Nicole Chesher; her birthday is March 30, 2001. "KK" is the daughter of Kevin and Julie Chesher of Pampa.

Kaylee has attended Fort Elliott C.I.S.D. for the past 8 years, having attended Austin Elementary in Pampa prior to transferring to Fort Elliott.

During the past four years KK has been a member of FFA and reached Area her freshman year in track.

After graduation, Kaylee plans to join the work force.

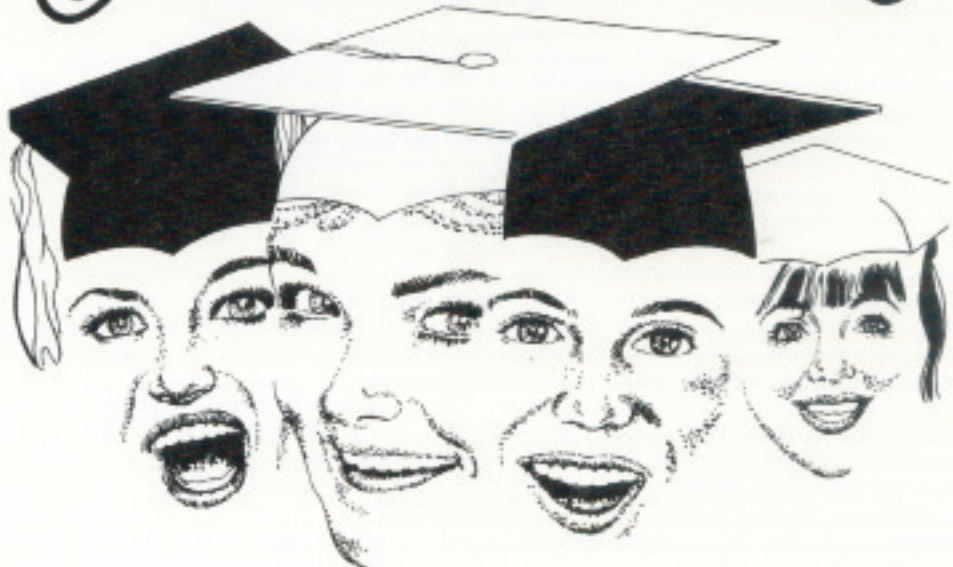

Mr. Meek was "always fun" and Mrs. Crawford "always takes care of anything we need and we get to eat in her class".

2019 Wheeler Seniors . . .

Bradley McGhee

Bradley McGhee
At the age of eighteen, Bradley McGhee will graduate after attending Wheeler High School for the past six years. Prior to moving to Wheeler, he was a student at Vernon I.S.D. and Reydon I.S.D.

The son of Brock and Barbra McGhee, played football and basketball for two years and ran track for one. He has served his community as a junior member of the Wheeler Volunteer Fire Department for the past two and a half years.

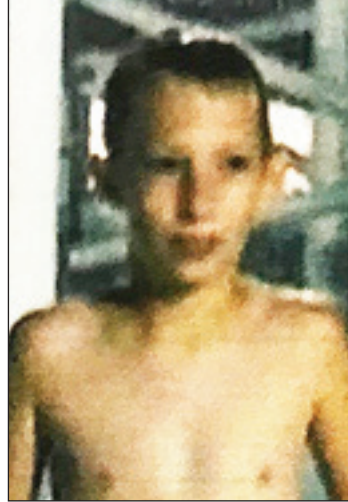

Bradley plans to get his diesel and automotive certification.

His favorite teacher is Mrs. Estrada because "she is always there to help any student."

Messing around in Mrs. Keys room everyday with Logan will always be remembered.

Bradley wishes for his parents to "move to Pampa so they can be somewhere new".

He wishes for future graduates to go to school to get a degree or certification in something.

Allen Lumpkin

Outside school he was employed at Speedi-Mart.

After graduation, Allen plans to join the Army; he will start basic training at Ft. Jackson in July.

This student's favorite teacher is Mrs. Estrada. She made stuff fun and easier.

His moments most remembered are band contests, because "it was fun and I could get out of class."

He wishes for his parents to have more money and wishes for future graduates to have more fun.

Edgar Herrera

Allen Lumpkin
Allen Lumpkin attended Kelton I.S.D before transferring to Wheeler. He is the 19-year-old son of Michelle Lumpkin Garner.

In high school, he played in the band all four years.

Edgar Herrera
Roberto Herrera and Josefina Herrera are the parents of Edgar Herrera. He has received all thirteen years of his schooling at Wheeler. During high school he was in the band, played

McKinley (from Page 5)

In golf, her team was district champions, regional champs and state qualifiers her freshman year; district champs, regional champs, state qualifier her sophomore year and district champions, 2nd individual district, regional runner-up and state qualifier her junior year.

She was a member of the National Honor Society for two years and also a cheerleader two years.

"Mrs. Meek, she is always there to help in any way possible and always finds a way to make your day better. She is a great role model for all girls to look up to," Mackie wrote.

Her most memorable moment was winning Area Homesite all four years of high school.

McKinley's wish for her parents, "Thank you for everything you have done the past 18 years. I am so thankful for both of you."

Moore Insurance Agency

Germania INSURANCE
TODD MOORE

football, participated in U.I.L with social studies as his subject.

Psychology will be is future course of study.

Mrs. Ashurst is Edgar's favorite teacher, because "she's funny and always helps me when I need help on my work."

He will most remember when "he and his classmates had a pea fight in the first grade".

William Gordon Stiles
William Gordon Stiles is the son of Melinda and William Gordon Stiles. Before transferring to Wheeler eleven years ago, William was a student at Ft. Elliott.

Jaden Blaine Jackson

Jaden Jackson

Jaden Blaine Jackson is the son of John & Liz Jackson. He graduated from Community Christian School in Norman, OK. While attending CCS, Jaden was active in Youth and Government, served as Chaplain of The Guardian House his Junior year. He was selected as Class Treasurer Sophomore year and was

a Student Council member Freshmen and Junior years. Jaden also played football as a freshman and baseball all 4 years of high school, winning Most Improved Player his Senior year, he competed in Archery, winning The Royal Character Award his Freshman year, Academic Archer his Sophomore year and traveled to Louisville, KY to compete in Nationals. Jaden will be attending Oklahoma University in the fall.

He is the grandson of Louis and Barbara Stas.

Southerners

And to those of you who are still having a hard time understanding all this Southern stuff...bless your hearts, I hear they're fixin' to have classes on Southernness as a second language!

Southern girls know men may come and go, but friends are fah-evah!

2019 Wheeler Seniors . . .

William (from Page 6)

along with Academic U.I.L. and band.

After graduation, William plans to study phycology at Blinn and A.&M.

Mrs. Evans will "help you in everyday she can and she makes class fun"; she was named this student's favorite

teacher.

His moment most remembered is "placing in the top quarter at the San Antonio shoot.

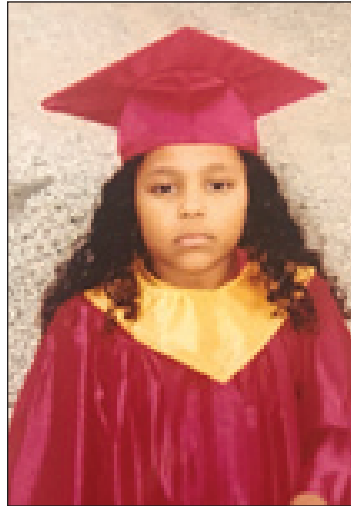

He wishes for his parents to be happy.

"Work hard and never stop thriving" is William's wish for future graduates.

Melody Kay McGruder

Ten years ago, Melody Kay McGruder transferred to Wheeler I.S.D. from Kelton to complete her primary education. She is the eighteen year old daughter of Misti Dawn Patterson.

During high school, she has maintained a 90 and above grade average all four years.

Melody Kay McGruder

She received the Physics award her junior year and received the Algebra I award her freshman year. She has been a National Honor Society member two years and served on the student council all four years.

She has been a member of the 5 State honor band all four years and Sweepstakes band three years.

Jennifer Estrade "understands everything" and is Melody's favorite teacher.

Most remembered is "getting a chance to be a part of this class".

She wished for her parents to "always love me and accept me".

"Do what makes YOU happy" is her wish for future graduates.

Tony Castillo

Tony came to Wheeler ten years ago from Alto, Texas.

This past four years, the young man played basketball, ran cross country and track. He played tennis and could be found in the band room.

After graduation, he plans to graduate college with a bachelor degree and make his parents proud.

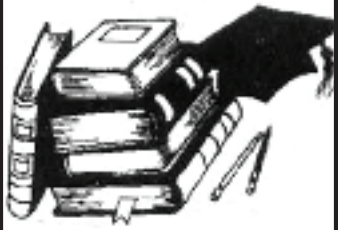

Jennifer Estrada was always supportive and cheered for us at our sports. She also gives positive vibe and is Tony's favorite teacher.

The athlete most remembers advancing to regionals and making history with their winning district.

Tony wishes to buy his parents their dream house and car.

To future graduates he advises: "Achieve your goals, don't give up and be strong in your faith."

As old as the history of man, the flame of knowledge has at times glowed with brilliance . . . or times has been but a tiny spark in a world of darkness . . . but always it has burned.

This year's Graduates have done much to keep the flame of knowledge glowing brightly, lighting the path of the future with new hope.

Our best wishes to each Senior at Graduation Time.

2019 Wheeler Seniors . . .

Josue (from Page 7)

years as a student at Wheeler. During his time in high school, he ran cross country four years, played basketball four years, ran track three years and was on the tennis courts one year.

Josue was a member of the "Pride of Wheeler" band for the past three years.

He took part in the one-act play for three years. The play and cast advanced to Regional his senior year.

Becoming a certified welder after graduation.

He wants his parents to be

happy and not have to worry about any problems.

Cooper Adams

Cooper Adams is the 17-year-old son of Doug and Joannie Adams and has been a student at Wheeler for his entire primary education.

He received the 90 & Above his freshman, sophomore and junior years; the 110% award in golf, participated in football, golf, FFA and is a member of the Wheeler Bass Club. In FFA, Cooper received the Greenhand and Discovery Degree.

After graduation, Cooper

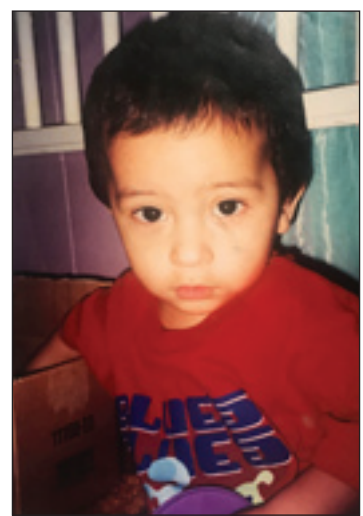

Cooper Adams

plans to get a degree from SWOSU for parks and recreation

Mr. James was named his favorite teacher; Cooper enjoyed welding.

Most remembered is cleaning frog legs in class.

To future graduates he says: "Make the last four years of high school count and have fun."

Christian Joan Contreras Rivera

Christian Joan Contreras Rivera

The son of Norma and Jose Contreras, at seventeen will graduate from Wheeler High School; his last nine years has been spent at Wheeler I.S.D. He has previously attended Kelton I.S.D.

Christian was a four year Regional Qualifier in cross country and was the drum major for the "Pride of Wheeler Band".

He plans a future in mechanics.

Coach Bailey was named as this student's favorite teacher, because "he always kept me clean shaved."

Most remembered is taking his STAAR test nine times.

His wish for his parents: "I wish them the best of everything."

Aneline Gallardo

Aneline Gallardo

Aneline Gallardo is a member of the Wheeler Senior Class of 2019. She is eighteen years old and has attended school in Wheeler for the past fourteen years. She is the daughter of Roman and Maria Gallardo.

Aneline was active in basketball, band, track, cheerleading, NHS and

a member of the student council.

After receiving her high school diploma, Aneline plans to work and attend college.

She will always remember her cheer sponsors; "They made her laugh when she was feeling down and were supportive. She love them."

The most memorable moment is "when I fell down the gym stairs in a boot and crutches and Coach Bailey said, 'I could walk on the gym.'"

The wish for her parents to live many more years by her side like always and hope she can repay all the hard work they did to help her succeed.

Of future graduates, she says: "I wish them nothing but the best in this world and that they are happy and they stay humble."

the activities of choice of Eloy Uribe for the past four years he attended Wheeler I.S.D; he had previously been enrolled in the Perryton school system.

In the future, Eloy plans to become a certified welder.

Andres Garcia

Andres Garcia

Andres Garcia has been a member of the Wheeler graduating class for the past 14 years. He is the 18-year-old son of Imilio and Martha Garcia.

He was captain of the 18-19 Mustang football team; "It's one thing being captain to 'average Joes' but this team was something different. This team would do anything for one another. If somebody was hurt, we all hurt, and the coaching staff just made this team work to the best of our ability. I have had a few honors in high school, but nothing like this".

Amarillo College is his (Continued Page 9)

Eloy Uribe

2019 Wheeler Seniors . . .

Andres (from Page 8) choice for continuing his education; Andres plans to become a certified welder.

Mr. Bratton is his favorite teacher, because he would "always teach me things besides how to be a great musician".

Most remembered is getting past second round, the day after Thanksgiving.

Andres wishes for his parents a better house.

Successful lives because "there is not one I don't love," is his wish for future graduates.

Keila Rocha

Keila Rocha

Keila Rocha entered the Wheeler school system fourteen years ago and graduates in 2019 at the age of eighteen. She is the daughter of Luz Maria and Domingo Rocha.

She participated in basketball, cross country, band, cheerleading and was a member of the National Honor Society.

Most remembered is the time "I fell off the playground and several little kids saw it happen".

"You will soon be graduating so enjoy every moment you can," she wrote as her wish for future graduates.

Hagen Shea Weatherly

Hagen Shea Weatherly

This member of the 2019 Wheeler graduating class, Hagen Shea Weatherly, is the seventeen year old son of Shea and Bridget Weatherly. Prior to transferring to Wheeler six years ago, he attended Kelton I.S.D.

As a member of the football team his seventh through 12 grades, he played outside linebacker and was named All-District Linebacker in 2018. He was FFA president, member of the student council

and the FFA Wildlife Team. He ran track and was a member of the band his freshman year.

Hagen plans to join the Navy.

Coach Calhoun was selected as his favorite teacher. "He always treated me great and he is an incredible coach and teacher," Hagen wrote.

Most remembered moment is making the third round playoffs his senior year.

Hagen wishes for his parents to always "remember how much he love them".

He wishes for future graduates to pursue their dreams and grow in faith.

MaKalli Jo Marshall

MaKalli Jo Marshall

MaKalli Jo Marshall is the 18-year-old daughter of Mack and Crystal Marshall and Heather and Joe Bob Kinnaman. For the past eight years she has been a student at Wheeler.

In high school in 2016 she was a Regional track qualifier; received the 110% and MVP track awards. She scored 90 & above all four years. In FFA in 2017 she took first place class 20 at the Wheeler County Stock Show. 2018 News Writing was the event in which she went to District U.I.L.

She received the 2019 physics Award and was varsity basketball manager her senior year. MaKalli was a member of the "Pride of Wheeler Band" her freshman, sophomore and senior years, which was an Area qualifier.

After graduating, she plans to attend SWOSU to get her basics and then earn her doctorate in physical therapy and psychology.

McKalli's favorite teacher is Mrs. Estrada, because "she always has supported all her students and always lets them have a safe pla---".

To her parents, she writes, "I would love to thank you for always having my back and supporting me throughout my life."

To future graduates, she says, "Always savor the experiences with your friends and classmates."

Sinthia Edith Almanza

After fourteen years at Wheeler I.S.D. Sinthia Edith Almanza, the daughter of Maribel Nunez and Gerardo Almanza will graduate with the class of 2019. She is eighteen years old.

Sinthia Edith Almanza

Cheerleading, basketball, track and band were her non scholastic activities.

She plans to be an L.V.N. She wishes for her parents to live a happy, long and satisfied life.

Don't give up no matter how hard it gets. It's worth it in the end" is her advise to future graduates.

Jessica Morales

Jessica Morales

Jessica Morales maintained a grade average of 90 and above. She is the daughter of Alicia Galvan and Elias Morales. The seventeen year old has attended Wheeler schools for the past three years.

She received the Algebra II award played basketball and worked on the yearbook.

Nurse Hastey is this student's favorite teacher because "She's straight forward and really nice."

Jennifer Molina

Jennifer Molina

For eleven years, Jennifer Molina has studied at Wheeler I.S.D.; she is the seventeen year old daughter of Estela Meza and Alvaro Moreno.

She played in the band four years and was in the color guard one year. She received the 90 & Above award.

Jennifer's favorite teacher is Mrs. Felex because "she's understandable".

Logan Sky Harris

Logan Sky Harris

Logan Sky Harris plans to attend WTA&M after graduation and earn a degree in mechanical engineering.

He is the son of Jace and Deidre Henderson and the late John Paul Harris. After studying the past 10 years in the Wheeler school system, Logan will graduate with the class of 2019.

As an athlete, Logan was a Cross Country Regional qualifier, football first team All-District Receiver and 2nd team All-District Defensive Back and Honorable Mention All-District in basketball and Academic All-State.

A member of the "Pride of

Wheeler Band" they were at 5-State Honor Band and All Region Band.

On the track he was a Regional qualifier in 110 hurdles, 300 hurdles and Mile Relay. Computer science was his subject in Academic U.I.L.; he was a Regional qualifier.

He was a member of F.C.A. student council and National Honor Society.

His wish for future graduates is "live in the moment; time flies"

Angel Ontiveros

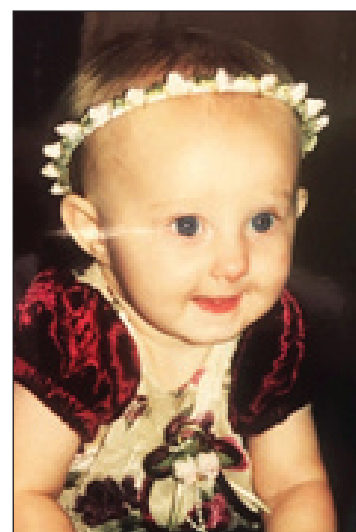

Angel Ontiveros

Angel Ontiveros for the past four year at Wheeler High School has played football, basketball, ran track played in the band and was a member of FFA.

He is the son of Aida Ontiveros; he is eighteen and has attended Wheeler schools for the past eleven years.

Angel plans to join the Navy and pursue a career in the medical field.

His moment most remembered is "winning his last home football game as a Wheeler Mustang".

Leann Spence

Leann Spence

Leann Spence is nineteen; she is the daughter of Jana Spence and Nathan and Jenni Spence. She has been a student at Wheeler for the past ten years; she has previously attended Kelton I.S.D.

Her favorite activities include; FFA, training horses and hanging out with friend. She showed pigs for the past six years and won reserve grand champion at the Wheeler Co. Show. She assisted Wheeler Chamber of Commerce in events for the past several years.

Leann plans to attend Amarillo College and pursue a career in physical therapy.

"I appreciate all of the teacher I have had over the years; Wheeler is very fortunate," she stated.

Her most memorable moment was "watching our community come together to support my best friend, MaKalli, during her transplant."

She continues, "I want my parents to see what a strong, independent woman they raised and feel proud!"

In closing she writes, "I hope Wheeler graduates realize how fortunate they are to be from such a caring community. Take advantage of the support that is given!"

Cooper Foreman

Cooper Foreman plans to attend college to pursue a bachelor in agribusiness.

He is the eighteen year old son of Jason and Rebecca Foreman and has attended school in Wheeler for the past 13 years.

He participated in cross country, track, basketball, band, U.I.L., one-act play and high school rodeo.

Mr. Bratton is Cooper's favorite teacher, because "he pushes us to be better every day."

Going to Regionals in cross country his freshman year is most remembered by this graduate.

THE WHEELER TIMES

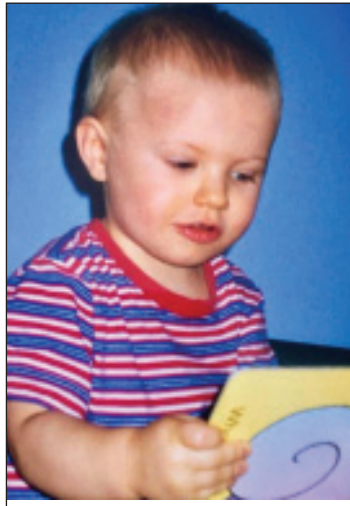

Page 9B — Thursday, May 23, 2019

"Wheeler: town of friendship and pride"

Cooper Foreman

To future graduates he says, "Make the best of your high school years and be involved."
