Haley Jones

Life Celebration For Haley Jones

Haley Ann Jones, 33, of Amarillo was born in Pampa, Tx. on November 15th, 1985; her hometown was Wheeler. She went to sleep and joyfully woke up in Heaven on August 9, 2019.

Her parents, Larry and Christie, and younger sisters-Katie and Paisley are blessed beyond measure to have lived life abundantly with Haley. Granny and PawPaw Jones (Ann and Robert) were two of Haley's favorite people. She was their first grandchild. On

McKINLEY BEGERT WINS NATIONAL HONORS: McKinley Begert, of Allison, Texas, exhibited the Grand Champion Limousin Cow/Calf Pair at the 2019 National Junior Limousin Show & Congress in Springfield, Missouri recently. McKinley showed her beloved LFL Emma Jo 7041E and Boone Begert showed his bull calf, MABG Gus, to this top national honor. Picture includes: Hiram and Darendia Begert, Bruce Lawrence, Anton, Texas, Judge Tim Fitzgerald, West Grove, Pennsylvania, Emma Jo and McKinley, Gus and Boone, and Bret and Hayley Begert.

The county should have passed the burn ban a little earlier.

STORM REPORT

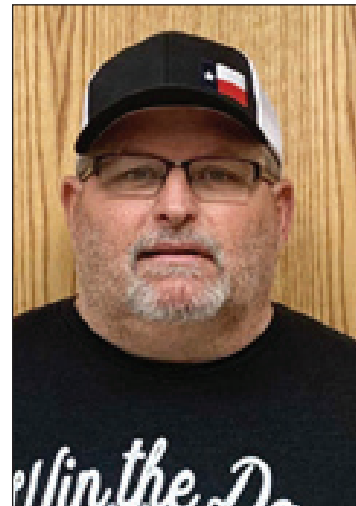

As Reported by...
Stormie Meriwether,
Ninth Grade Student

Dear Friends, Band is great! I missed the first two days, because I was in Houston for my Dr.'s appointment. The good thing about going to Houston is NASA. The Johnson Space Center is a fun place to visit. We never have enough time to do all the things. There was a life size picture of all the Apollo Astronauts for the Fiftieth Anniversary. It was really sad,

Haley (from Page 1) difficult days, Granny's home-made chicken and dumplings and banana pudding, made from scratch, comforted Haley. PawPaw would sit her

in his lap feeding her till her tiny round belly pooched out. It quickly became a tradition on her birthday to celebrate with... Haley knew good food. Haley Ann Jones was no ordinary person. She showed

us all that normal does not exist and that every person is extraordinary and unique. Haley was born with many parts of her brain missing, she overcame obstacle after obstacle and learned to walk and talk a simple language. She had no problem getting her point across to others. We knew when she loved us deeply and we all knew when she had a strong opinion about someone or something. She lived transparently. Her laughter and quirky smile will be greatly missed. Hearing her say "Mama" in a way that only she could, was a constant reminder to everyone that heard her repeat it daily; that she was brought into this world through love. She was loved unconditionally and that "Mama" fought for her daily, assuring the care she received and for her protection. Haley loved dancing with her Daddy. He would pick her 90-pound body up and snuggle her close as they swayed, twirled and dipped; sometimes with music but mainly to only the sound of her laughter.

When she closed her eyes Thursday night, she knew deep in her knower that she was loved and highly treasured on this Earth. We can only imagine what she felt when she woke up fully restored to how God intended her to be, able to run and dance unassisted and rejoice with words and singing in Heaven. Jesus was there to greet her along with her Grandmother Judy and Aunt Jennifer, Great Uncle David and many others from her mother's side of the family, Granny Goodwin and Aunt Christine along with a brood of Joneses from her Daddy's side were there too. Heaven rejoiced when she entered.

Haley left behind her parents Larry and Christie, sisters Katie and Paisley, Grandparents Robert and Ann, Uncles and Aunts Bobby/Tammy, Ronny/Sherri, David/Stefanie/ Doug/Julie,

Seth/Shelley. Cousins that grew up knowing this special love were: Jordan (her favorite, there was NO doubt), Alisha, Tracy, Paige, Jennifer, Maggie, Shelby, Cassie, Ashleigh, Colton, Kiley, Chris, Whitney, Megan, Aiden and Jase. There were many more family members that married into her life that she adored as well.

Haley did attend school in Wheeler, Lubbock, and Amarillo. Each school system had caring, well educated staff. Her favorite teachers and staff were from the Wheeler school system. She attended school in Wheeler until she was 15 years old. Special lifetime bonds were created. Her family would like them all to know they made a huge difference in her life, and much gratitude is felt towards each and every one of them.

Haley was cared for in the home for many years. When the time came for her to receive around the clock specialized care because of her health issues there were countless caregivers and special staff members, that went above and beyond to help her with the little things and to overcome major obstacles. The family is grateful for these selfless warriors. Haley spent the last couple of years in the care of Advo Companies in Amarillo. Donations can be made in her name to help them carry on their excellent care for individuals with special needs in Amarillo and surrounding areas.

A celebration of Haley's life will be held on Monday the 12th at Cornerstone Church, 601 Main Street, in Wheeler, Tx. at 2:00pm with a brief graveside service at the Wheeler Cemetery. Cousin John Hooser, the family Baptist Pastor, will officiate the service. He knew Haley all her years on this Earth, even spoke of her in a sermon or two.

Can hardly believe Summer Reading Program has only one more week of fun and Kiddo's. I so enjoy watching them grow and learn from their library visits. Got to get busy planning next years activities and books!
Be sure parents to return the Summer Reading Books for the library so others may enjoy them also.
New books coming in all the time and leaving just as fast. We love it when that happens!
Here are a few highlights from a recent Monday.

Summer Reading Program has come to a close and I so miss those little high voices and the busyness of all the questions and the imaginations working over time! But, we will have another one next summer and it will be here before you know it.

Something new for our library has come in for older teens. We are ordering Graphic Comic Books and I have been very diligent in reading through them. They are in good taste and I think the older kids will enjoy them. They have sure changed since the day when I read Comic Books and are a little bigger and brighter! Super Hero characters have always been important in our lives!

Ted Dekker has a new book out which is the second novel of the Mystic Series called RISE OF THE MYSTICS. He is one of my favorite authors and his books are very thought provoking! Also, Mark Greaney who writes with Tom Clancy has the THE GRAY MAN Series and we have the first one. Danielle Steel always has new books jumping out at us monthly so we have LOST AND FOUND. ONE GOOD DEED by David Baldacci is one we can't keep on the shelves so it's whoever makes it first to check it out. Debbie Macomber is another favorite of our readers and she has one called WINDOW ON THE BAY. So you see we have several good reads coming in and we need you to come check them out and spread the word!

Hope your summer was as enjoyable as ours! Happy Reading!

To the Editor
The Wheeler Times
Wheeler, Texas

Hi Everyone,

As most of you know or may not know, Todd Alvey and his family suffered an enormous loss on August 2nd when their home caught fire. Luckily none of them were injured but they did however

lose several of their beloved pets. They haven't been allowed back into the home to access the amount of damage but more than likely it will be a total loss for them.

A benefit account has been set up for them at Happy State Bank under account#6002012042. If you wish to contribute the account is listed under "For the Benefit of the Alvey Family." You should be able to

make a deposit at any of the Happy State Bank locations. When making the deposit if you don't have the account number, please let the teller know it is a benefit account. Should you have any problems, please let me know and I will see what I can do. I can be reached at 806-677-1372 or my cell at 806-679-6352.

Please feel free to share this information as I know I may have missed some folks.

Please keep Todd, Misty, Presley, and the rest of the Alvey family in your thoughts and prayers during this difficult time.

Thank you,

Back To School TxDOT Tips

As millions of Texas children return to school this month, the Texas Department of Transportation (TxDOT) reminds motorists and parents to take precautions to prevent traffic crashes and injuries in and around school buses.

Last year, there were 765 traffic crashes in Texas school zones, resulting in 1 death and 15 serious injuries. The most common causes for these crashes were failure to control speed, driver inattention, and failure to yield the right of way, when turning left to a private drive or at a stop sign.

In addition, last year there were 2,357 traffic crashes involving school buses in Texas, which resulted in 5 fatalities and 42 serious injuries. Speed and driver inattention also were the top factors in those crashes.

TxDOT offers the following back-to-school tips for drivers

and students.

Tips for Children Walking or Biking to School

- Always walk on sidewalks whenever they're available.
- Cross the street at intersections or marked crosswalks. Look left, right and left again before proceeding.
- Always obey crossing guards.
- Make eye contact with drivers before crossing the street. Never assume a driver sees you.

• Look for traffic when stepping off a bus or from behind parked cars.

• Always wear a helmet when riding a bicycle.

• Don't be distracted by electronic devices that take your eyes and ears off the road.

• Follow all traffic rules, signs and signals.

Tips for Drivers Sharing the Road with School Buses

• Never tailgate. Follow at a safe distance, keeping in mind that school buses make frequent stops.

• Stop for flashing red lights or a stop sign on a school bus, regardless of which direction you're headed. Continue your trip once the bus has moved, the flashing lights stop flashing or the bus driver signals it's okay to pass.

• Violations can lead to a fine of up to \$1,250 for a first offense.

Tips for Driving in School Zones

• Stay alert and put your phone away. Using a handheld electronic device while driving in an active school zone is against the law.

• Always obey school zone speed limit signs. Remember, traffic fines usually double in school zones.

• Drop off and pick up your children in your school's designated areas, not the middle of the street.

• Keep an eye on children gathered at bus stops.

• Watch for children who might dart across the street or between vehicles.

TxDOT urges drivers to slow down, pay attention and follow all traffic laws as the new school year begins to keep children safe and avoid costly fines and tickets.

because Alan Bean is not in it. After JSC we went to Frenchie's Italian Restaurant.

Frankie was happy to see us. I love that place. It has so many pictures of astronauts and NASA people. We found Shannon Lucid. She is Lee-Ann's (Hillhouse) cousin. We ate Alan Bean's favorite food -- Spaghetti! It was a fun trip even if I did have to go to the doctor.

We had a big family dinner at Jennifer's. It was good to see the family. It was Kelly Meriwether's birthday! Happy Birthday, Kelly!

Mom and I went shopping for school. I really didn't need too many things. We just got shoes and a couple of other things.

I am very excited about band. I will be glad when everyone gets to practice. We need to work hard and win! That's it!
