Zybach Cemetery in Briscoe, Texas.

Viewing was held at Robertson Funeral Directors Wednesday, February 26, 2020, 9:00 AM-6:00 PM.

As a baby and young child, Debbie lived with her parents in Allison, Canadian and Farwell, while her dad was in training with the ASCS. Debbie started first grade in Panhandle and attended through part of her sixth grade year while her dad was the ASCS office manager for Carson County. Part way through her sixth grade year, the family moved to Wheeler where her dad was the office manager for Wheeler County until he retired. In 1965, the family moved to Allison, where her dad and brothers, Terry and Johnny, worked part-time on their family farm.

Debbie enjoyed attending school at Allison where she participated in basketball and volleyball. She and her best friend, Suzanne Lohberger, were Co-Salutatorians of the Class of 1970. After graduating, she attended Southwestern Oklahoma College and West Texas University. She took time out of school and married George Markham at Wheeler on February 5, 1975. They made their home on the farm in Allison. This union was blessed with three children: Bryan, Monty and Hayley. George passed away on June 9, 1982.

As a result, Debbie went back to college at Southwestern Oklahoma University where she was listed in "Who's Who in American Universities and Colleges." Debbie met and married Tim Jones on December 27, 1990. She then graduated Suma Cum Laude in May of 1991 with a Bachelor's Degree in Elementary Education. That Fall, Debbie interviewed and got the first grade teaching position at Reydon, OK. She loved teaching and was in first grade for 22 years. An opening in second grade gave her the opportunity to teach that level for four additional years. Due to health issues, Debbie retired from Reydon Elementary after 26 years of service in May of 2017.

Her favorite activities after retiring included watching her grandchildren participate in the following: football, basketball, baseball, track, dance, band, 4-H, FFA, and academic contests.

Debbie was a member of the Wheeler Area Church of Christ. She was preceded in death by her husband, George Markham on June 9, 1982, her father, Louis Grayson on February 15, 1994, and her brother, Terry Grayson on January 27, 1996. She is survived by her husband, Tim of the home; two sons and wives, Bryan and (Continued Page 4)

### Allison U.M.C. To Have Special Guests

Although Barbara's health prevents her travel, Dan, Jon, and Sherri

will be speaking and sharing about their work, and the ripple-effect as the Soug people are sending missionaries to other native people in Irian Jaya.

The morning service will be followed by a potluck brunch in the fellowship hall. Guests are welcome to come hear them speak and to stay for fellowship afterwards.

The Lunows will also be guests at Allison Community Youth Group Sunday evening at 5:30 pm, at the Allison Methodist Church. All area youth are invited to attend.

Kelton Art Students show work at VASE competition.

## Kelton Art Students Show Art Work

On Saturday, February 29, 2020 approximately 1,000 pieces of high school artwork were judged at the Region 16 Visual Art Scholastic Event, VASE. Students and teachers from all over the Texas Panhandle came to Amarillo High School for this annual event sponsored by the Texas Art Education Association. Kelton ISD competed against 5A and 6A schools like Tascosa, Amarillo High School, Randall HS, Caprock, Palo Duro, Highland Park, River Road, Canyon, an Borger, to name a few.

rates the artwork and the student's artistic knowledge and content according to TAEA standards. Students receiving the highest rating will be awarded regional medals and their work will be judged again in the Area Contest at the conclusion of the regional judging.

Area winners will also receive an area medal and their work will go on to compete at the State Visual Arts Scholastic Event on April 24-25, 2020 at San Marcus High School in San Marcus, TX.

This is an exciting and valuable educational experience for high school art students throughout the Panhandle. Each of the students received a Rating 4 on each of the artworks they entered, which is the best rating you can get. From the 4 rated entries three Kelton ISD students are advancing on to State VASE. The students that didn't go to state Mrs. Harless is also very proud of because they were just as much apart of the competition as the rest and handled it well.

Jurors will look for originality of concept, technical ex-

pertise, understanding of the Texas Essential Knowledge and Skills (TEKS) for visual art, and the interpretation of the student's stated intent. Jurors will evaluate student artwork using the following standard:

- Rating 4 Superior
- Rating 3 Excellent
- Rating 2 Average
- Rating 1 Below Average

Students compete on four

She loved Sharon Helton and started shopping at LaRue's Rag in 2012 and loved that it always felt like a treasure hunt. She told Sharon that if she ever decided to sell, that this would be a dream to buy and share the same vision. Nicole has a fun and eclectic style that mixes vintage with a modern flair and her personality matches! You definitely want to go check out Red Rio on Main Street, you can also follow on Facebook.

## Tree (from Page 1)

There were over 50 citizens that came out on Saturday to plant 70 of the 120+ trees in 3 different locations at the Tom Britt Memorial Park. These volunteers ranged from the Wellington State Bank employees, Lions Club members, Wheeler Sports Board members, Wheeler ISD coaches/teachers and the WISD Junior High and High School kids and several other wonderful community leaders and volunteers. Leon Smith was able to cook hamburgers and fries to feed the crews, thanks to generous donations from Wheeler Land and Livestock, Wheeler Nursing and Rehab and Market Square Thriftway to help provide lunch. It was a great day and we look forward to the beauty these trees will bring in the years to come. There remaining trees should be here in within the next month, we look forward to having another tree planting day to finish them off. Great community service project and we appreciate ALL the helping hands.

— Kristen Moudy

FOOD FOR TREE PLANTERS: Hamburgers and Fries were prepared Saturday by Momma Nanny's Food for the Soul; Leon Smith is shown here with his helpers. Food was made possible through donations by Wheeler Land and Livestock, Wheeler Nursing and Rehab and Market Square Thriftway.

Wheeler City Cleanup Day! We are staying home for that.

The band is working on the UIL contest. We went to Panhandle for a practice. The band is really good, but we have to step it up to be ready for contest. I know we will be ready. I am practicing for my vocal contest. I am already a little nervous, but I know I will be ready and it will be so much fun!

It is time for the One Act Play! We went to see it on Sunday. It is hilarious. All the actors are great! The play is a funny one about Dr. Jekyll and Mr. Hyde. I laughed and laughed. They will do the play in Wellington on Wednesday, March 05. I will be in school and can't go. I hope you can go. You will love it! My favorite part was Bryce Richardson as Mrs. Jekyll. Break a Leg OAP! That's it!
