

THE WHEELER TIMES

(USPS-680-960)

VOLUME 88, NUMBER 13

THURSDAY, April 1, 2021

SINGLE COPY **50c**

“Wheeler: town of friendship and pride”

I lost my brother-in-law Sunday. In-law is the legal term, but it does not apply where I am concerned. They are brother, sister, son and/or daughter.

— cwe —

Gene Arnold was known around here for his and Melba's devotion to the “Old Mobeetie Bluegrass Festival. They were instrumental in bringing “Star Canyon” to Mobeetie and promoted the event for many years: Gene filmed each year and made copies available to participants.

— cwe —

Gene had been in failing health these past few years, but passed away peacefully at home early Sunday morning.

— cwe —

His remains will be cremated; there will be no service.

— cwe —

Melba will remain at home in Del City, Ok.

— cwe —

“A tip of the hat” to our City Council! The parking stripes look really nice.

— cwe —

The track team goes to District Friday! GOOD LUCK! Bring home the gold.

— cwe —

The Panhandle Handmade Market is this weekend and the Britt Field Bake-Off will be offering homemade goodies at auction.

— cwe —

Baked donations need to be at the Agri-Life Building by 8:30 Saturday morning of the event or take them to Kristen at the City Office before 5 Friday.

— cwe —

William and I took in the Home and Gardens Show at OKC on Saturday afternoon and he remained for cards Saturday evening.

STORM REPORT

As Reported by...
Stormie Meriwether,
Eleventh Grade Student

Dear Friends, I am very sad that my “Uncle” Gene (Arnold) passed away. He was very sweet and he made the best beef jerky ever! Love you, “Aunt” Melba.

Sometimes I really should listen to my parents. We went shopping for my prom dress and shoes. I found a dress that I love! Since I am a little short, I had to have it hemmed. To do that I had to have my shoes. I chose the most beautiful, very high heels! Mom told me they

Wheeler's Activities Scheduled This Weekend

Now more than ever it is clear to me how incredible it is to live in our small town of Wheeler, TX-USA Despite the national happenings, we live life at our same pace and take care of our own. This coming Easter weekend is a testament to that in all the activities that we have coming up.

Without a doubt each of our local & surrounding churches will have a special message to share about the reason for this beautiful season during their Passover, Ash Wednesday and Easter Celebrations. Mobeetie Baptist Church will be having a Sunrise Service at the Old Mobeetie Jail at

7:30 am on Sunday morning and Cornerstone Wheeler will be “egging” kids yards for the second year in a row on Saturday Morning.

Look for the “Shop Local/HOP SHOP” signs in our local businesses windows. For every purchase that you make on Saturday and some on Fri-

day you will receive an Easter Egg with who knows what in it: Chamber Cash, Coupons, Candy or a simple reminder of the reason for this season. If you see Tammy Moore and any of her amazing Wheeler Junior High 7th & 8th graders please give them a high five, a hug or pat on the back for

helping us stuff 2000 eggs for this event.

We will also be having another Panhandle Handmade Market — Spring Market at the Wheeler County AgriLife Extension Office from 9am-4pm. This Market is bigger than ever with close to 30

(Continued Page 4)

FOURTH AT DISTRICT: Fort Elliott's Junior High track team took fourth place honors at the District Track Meet March 25, 2021, at Miami. Team members are (back row, l. to r.) Alexis Mahler, Tatum Pigg, Jace Moffett, Addison Hefley, Aliyah McCarter, Jaylie Dickey (front) Brylie Hand, Paisley Archer, Mikilah Baca and Rylee Rose.

Girls Discus: Jace Moffett - 3rd place

Girls Long Jump: Rylee Rose - 4th place

Girls Triple Jump: Rylee Rose - 1st place; Paisley Archer - 4th place; Jaylie Dickey - 5th place

Wheeler Sports

Second Bake-Off Scheduled

Wheeler Sports is hosting a 2nd Bake-Off Auction to be held on Friday, April 2nd - Saturday, April 3rd. The auction will be held via Facebook on the Wheeler Sports Event Page as well as in person at the Panhandle Handmade Market held at the AgriLife Building on Saturday, April 3rd from 9am - 4pm. The Auction will end sharply at 4:00pm with the highest bid.

We are still currently accepting donated baked items. If you are interested, please contact Kristen at kristen@wheelerlertexas.org or text 806.367.0084. We need all baked items to the AgriLife by 8:30 am on Saturday, April 3rd, or make prior arrangements with Kristen. We greatly appreciate all the wonderful volunteers that have agreed

to bake some amazing items up for grabs!

All proceeds will go to the efforts at the Tom Britt Memorial Park to help finish out the new ballfields and lights. If you would like to donate, please make check out to “WAAIC-Wheeler Sports” and you can mail it to PO Box 489, Wheeler, TX 79096 or via Paypal at “wheelerlertsports@gmail.com” or dropping off with Kristen at Wheeler City Hall (under the water tower). We are so appreciative of ALL donations as we continue with improvements for future generations.

Gene Arnold

Big Bluegrass Fan, Gene Arnold, Obit.

Gene Arnold went to the light at his home in Del City, Oklahoma early Sunday morning, March 28, 2021. No memorial services are planned. Cremation will be under the direction of Turner Funeral Home in Hinton, Oklahoma.

Eugene Floyd (Gene) Arnold was born on March 8, 1935, at Geary, Oklahoma. He is the son of Andrew Jackson (A. J.) and Mildred Cruthers Arnold. He graduated from Hinton High School, Hinton, Oklahoma, in 1953 and attended SWOSU in Weatherford. He was married to Melba Gene Stas June 7, 1953, at the bride's home near Geary, Oklahoma. Gene

Wheeler Sports Association Progress At Britt Field

The Wheeler Sports Association and the Wheeler Lions Club are working together to improve the playing fields and facilities at Tom Britt Memorial Park, a Lions Club property. Through a grant from The Bivins Foundation (via the Amarillo Area Foundation) and the extreme generosity of local donors, \$75,000 has been received and allocated for electricity and lighting on one or both new fields.

We are still in need of donations for the other expenses associated with the project. Although electricity and lighting represent the largest ex-

penses by far, there are other expenses to be taken into consideration, such as dirt work, fencing, new dugouts, and establishing grass in the outfields, to name a few. The \$75,000 can not be used for purposes other than electricity and lighting, as per the terms of the grant.

If you would like to donate financially, please make checks payable to the Tom Britt Memorial Park account under the Wheeler Area Activities and Improvements Council: Wheeler Sports Association (you may abbreviate)

(Continued Page 3)

Merely Mustard

It is Saturday – a day of varied activity. The days of the conventional work week tend to fall into a pattern, where a groove and routine is obtained, good or bad – or both good and bad. Saturdays tend to be somewhat more amorphous. Sometimes they are

full work days, sometimes they are partial work days, sometimes they are days off, and sometimes they are spent doing things that require a good deal of effort or strain, but for which the participant is not compensated with pay. Undesirable obliga-

tory functions come to mind, and what these represent varies for each individual and their personal capacity, as well as the time and season in which such functions occur.

Today I have the privilege of working on things of personal interest to me – there is

a specific job I want to complete today, and beyond that I can draw from a myriad of things on my radar that are of interest to me. Last week's Saturday was a regular work day for me. I seem to have more energy and optimism

(Continued Page 4)

EAST TEXAS STREET: The Texas Street Project is now complete with parking stripes. This picture was taken early Monday, March 29, 2021. It looks very nice and is quite a colorful block. West Texas still has some tape up; we will get a picture of that block at a later date.

Gene (from Page 1)

spent most of his life working on things; this began with his Dad, who was the shop foreman at the Ford Garage in Hinton, Oklahoma. His first job was cleaning the restrooms for 10 cents a day. After graduation and marriage, he worked as a mechanic at Hinton and Watonga, Oklahoma. If something needed fixing, he would tinker with it until he figured it out. He decided to continue his education and graduated from Oklahoma State University with an Electrical Engineers' Degree. He worked for a short time in California and retired from Tinker Air Force Base in Oklahoma City after over 30 years and continued working as a contractor for several more years before finally retiring. He was a member of the Oklahoma State Board of Engineers After retiring, they followed their favorite bluegrass bands with Gene filming the shows. He was also a member of Greater Oklahoma Bluegrass Music Society in Del City, OK, a lifetime member of the NRA, and the National Association of Retired Employees. He enjoyed cars, collecting all different things, waterskiing, and traveling.

Gene was preceded in death by his parents, A.J. and Mildred Arnold.

He is survived by his wife, Melba Gene Arnold, and four children: Craig Arnold and wife, Karen, of Choctaw, OK; Teri Arnold of Del City, OK, Lesli Clements and husband, Donnie, of Del City, OK and Neil Arnold of Del City. Grandchildren are Troy Bradstreet Jr., Cassandra Dansby and husband, Kevin, Amber Arnold, Craig Arnold Jr. and Kara Sanchez and seven great-grandchildren, his sister, Carolyn Bench, and husband, Joe, of Calvin, OK., several nieces, nephews and cousins, as well as many other relatives and friends.

Donations may be made to Oklahoma Medical Research Foundation (OMRF), 825 NE 13th ST., OKC, OK, 73104.

Services entrusted to Turner Funeral Home, Hinton, Oklahoma. Condolences may be sent to the family at turnerfuneralhomes@gmail.com, turnerfh.net, or you can find us on facebook.com (Turner Funeral Homes).

Progress (from Page 1)

ate it WAAIC- Wheeler Sports Association). The check can be dropped off at Charles Kuntz's office or mailed to PO Box 489 in Wheeler.

We understand that it is difficult to try to fundraise in the middle of a historic pandemic in which many members of our community may have been furloughed, laid off, or struggling to find work. However, that very situation could also provide us with an abundance of manpower and volunteers to help the project reach completion more quickly. Even if you are unable to donate financially, but would like to donate your time and labor, that would be welcomed also.

UPDATES:

Electric work is in progress, installing poles, lights, and running electric line to provide power to the fields.

Backstop poles and foul poles have been set and the rest of the fence posts will be set after the finishing touches of dirt work have been completed and grass is established. All fencing materials have been bought or donated.

Dirt work is in the finishing touches stage and the next step will be to establish grass

in both outfields and the surrounding areas to prevent weeds, grassburrs, and erosion of the slopes.

The project is very near to completion, but funds are running short for the last few phases. The most immediate need is for establishing grass in the outfields and surrounding areas. Your patience through this project has been appreciated, and a great facility is very close to becoming a reality.

Merely (from Page 1)
about this Saturday than I did last Saturday, when I was working my regular job.

I like that Saturdays can tend to take a variety of forms, arriving with almost a sense of mystery. Often Saturdays can be what one needs them to be, or wills them to be. To a certain extent they tend to represent an artist in front of a canvas, or a sculptor in front of a slab of stone, with the opportunity to make what one envisions come to life. The fully-scheduled work week does not provide that oppor-

tunity as much, as there is typically insufficient time, and Sunday doesn't seem as free, as I have mentioned before, because of the impending burden of Monday, and the need to rest, or to get things done, in preparation for it.

I recognize that this description of Saturdays relies on the conventional Monday through Friday work week in order for it to make sense. I think it remains applicable for those who typically work a half-day on Saturdays, but for those whose schedule is varied, the opinions expressed herein may not be relevant or applicable, but that possibility has reared its head in this column for some time now. Perhaps for individuals with irregular schedules, a day in the middle of the week is their "Saturday".

I am loath to box things in and limit my viewpoint to conventional scheduling — much wisdom would be left untapped if conventional thinking were never escaped; nonetheless the conventional schedule tends to heavily influence my reality at the moment. So I form my perspective from this boxed-in viewpoint, although thankfully the box has gelatinous walls and can, to an extent, be adjusted as needed. There is

These Wheeler 7th and 8th graders are stuffing 2000 eggs for the "Hop Shop" Saturday. They are (l. to r.) Ryan Fullbright, Heidi Aviles, Cassandra Valles, Angelica Duarte, Shay Luna and Sierra Hardcastle.

Storm (from Page 1)

would hurt my feet and it would be hard to dance, but I wanted those beautiful shoes! My dad told me that I would probably turn my ankle and be on crutches at prom.
The alteration lady measured for the hem. The dress is very complicated. We left the city. When I got home, I tried on the shoes and realized they are beautiful, but made for torture! I hated to admit it, but my parents were right. My mom called the store and just in time stopped the hemming. I had to go back, find different shoes and have it hemmed.
Now I will have the dress I want, almost my favorite shoes and I will not have my feet killing me!
I hope everyone has a beautiful Easter with family! That's it!
