STORM REPORT

As Reported by...
Stormie Meriwether,

Dearest Friends, Living in the City is fun, but my favorite place to go to see a movie is The Shamrock Texas Theater. We went there to see 80 for Brady. It made me laugh. I’m glad we have a theater close to Wheeler. Please go there for a fun time, good movie, good snacks, and the nicest people!

The calendar says that Spring has not arrived, but the natural world is not bound to operate within the confines of a written calendar. Last night I noticed spiders outside, on the garage door, for the first time since last Autumn. I also saw some tiny ants, another first sighting of the year. I was glad to see it all, despite the fact that with those spiders and ants will come their un-

desirable peers such as mosquitoes, flies, grasshoppers, scorpions, gnats, and the like. Oh well – such is life. There is a downside to everything, but we may as well not dwell on it. We are going to experience both sides of the coin, both spectrums of the yin and the yang, both the downside and the upside to all things, throughout life. We may as well dwell on those blessed

consolations, and in so doing, we might just find we notice them more often.

Or, if you insist, you may dwell on the fact that we had to eat a salad with our meal. I’d rather remember the blessing that we sometimes also get to eat dessert. And, to help our feeble focus in that respect, maybe that is why it is served last.

A Mustang Minute

Last week Wheeler ISD hosted the Little Dribblers Tournament with several area towns including Wheeler, Kelton, Fort Elliott, Canadian, Miami, Memphis, Wellington, Pampa and Shamrock participating. It was a full week of action for fans who enjoyed watching players from Pre-K to 6th grade show off their skills. Our golf teams traveled to Childress and the boys took 2nd place. The track team traveled to Groom where both the boys and girls finished in second place. Spring sports is a busy time of year and I will do my best to keep up with the action and bring you the results of all our athletes’ hard work. -Misty Helton-Copeland

Texas Breaks All-Time Record For Jobs

Governor Greg Abbott today celebrated the state's growing workforce and strong economy following the latest employment release from the Texas Workforce Commission showing Texas again broke the all-time record for total jobs in January for the 16th consecutive month. With Texas employers adding 48,600 nonfarm jobs in January, total jobs in Texas reached a new historic high of 13,782,300.

"Texas truly is America's economic engine as we continue to break our all-time record for total jobs, now for 16 consecutive months," said Governor Abbott. "Ongoing and strong jobs growth in Texas, despite a mixed economic outlook at the national level, is a testament to the strength of our state's diverse economy and our skilled and growing workforce. I am proud that we've again hit a new historic high for total

jobs, and I congratulate Texas employers and our talented workforce on achieving this new, record-setting milestone. This legislative session, we will continue building the Texas of tomorrow by cutting property taxes and investing in workforce development, infrastructure upgrades, and strategic economic development tools. Working together, we will ensure Texas remains an unflinching force in the country and in this world."

From January 2022 to January 2023, Texas added 654,100 jobs, marking an annual growth rate of 5 percent, outpacing the national rate of 3.3 percent. Notable January job gains in Texas included 8,300 jobs added in Leisure and Hospitality, 8,100 jobs added in Professional and Business Services, and 5,900 jobs added in both Construction and Manufacturing employment.

Texas Leads For Jobs Added Last Year,

Governor Greg Abbott today congratulated Texans and Texas employers on helping our state lead the nation in job growth, following the news showing Texas led all states with 654,100 jobs added January 2022 to January 2023. Over those 12 months, Texas grew jobs at 5.0 percent, outpacing the national rate of 3.3 percent.

"Texas leads the nation once again, creating more jobs last year than any other state and growing faster than the nation as a whole," said Governor Greg Abbott. "I am proud that more Texans are working than ever before, and I thank Texas employers for their ongoing investments in the best workforce in America. Texas offers unmatched economic opportunities for hardworking Texans across this great state, but we cannot be complacent as we build the Texas of tomorrow. In this legislative session, we will continue expanding opportunity by cutting property taxes and investing in workforce development, infrastructure upgrades, and strategic economic develop-

ment tools to ensure Texas remains the best state to live, work, build a business, and raise a family."

Today's U.S. Bureau of Labor Statistics employment release follows the Governor's announcement on Friday celebrating Texas surpassing its all-time record for total jobs in January for the 16th consecutive month with a new high of 13,782,300 total jobs.

Kristen Moudy met with the Wheeler Historical Museum board Wednesday, March 8, 2023 to check their interest in a Senior Citizens gathering.

It was determined that the board would host a group of meeting on Wednesday, April 5, 2023 to see how much interest there is in a Senior Citizens group. There would be no organization of those attending; games would be available or one could just come to visit.

More information will be available as the date approaches.

Visiting Student

Chris Larson of Amarillo tells of the Battle of San Jacinto.

TEXAS INDEPENDENCE DAY: On March 2nd, students from across the area enjoyed a fun day at the Wheeler Agrilife Center learning about the Texas Independence Day. Several stations were set up for the students to visit with curators telling the history of events that occurred. Students met at the welcome station and Marianne McGinnis taught them the history of the song, "Texas, our Texas," and led them in the pledges to the flags. From there the students split up between the Alamo story, the Come and take it cannon, Battle of San Jacinto, the story of Angelina Eberly, the run away scrape, hunting and trapping, flint knapping, a blacksmith, and ATLATL throwing. The highlight for the students was the firing of the cannon, which I'm sure was heard all over Wheeler!
